Thank you, Jackie. The next open meeting is scheduled for Dec. 16<sup>th</sup>. Given the possibility of a lapse in government funding at the end of the week, an extension “through the date following the date on which the Commission holds its next open meeting” will allow everyone some flexibility in the event a government shutdown alters the calendar.

Hi Kevin,

Yes, that is fine. Do you know when the next meeting will take place?

Jackie

**Subject:** AOR 2021-11 (DSCC and DCCC) - Request for extension of time

**Importance:** High

Good morning –

The Commission would like additional time to consider the information you and your clients provided yesterday afternoon. Would your clients be willing to grant the Commission an extension of their advisory opinion request? If your clients agree, we would kindly suggest an extension through the date following the date on which the Commission holds its next open meeting.

Please feel free to call me with any questions at 202-765-4498.

Thank you.

Kevin
