Hi Kevin,  
No problem, you may move the meeting back.  
Happy holidays to you and your family.  
Peace,  
Matt

Mr. Hoh,

The Commission would like more time to consider your advisory opinion request.  
Would you be willing to grant a seven day extension (through January 18, 2022)?

Because the Commission will hold over this matter to a future meeting, you will not need to appear at tomorrow's open meeting. The first open meeting in 2022 has not yet been scheduled, but we will let you know as soon as that information is available.  
Please feel free to reach out if you have any questions.

Thanks,  
Kevin
