Ms. Selinkoff,

Thank you for the call yesterday. By this email, I am confirming that the correct amount forgiven is \$902,872.07, **not** \$907,872.07. Thank you again for bringing this to our attention.

We also consent to the requested three day extension for the Commission to respond to the Request.

Please let us know if you need anything additional!

Best,  
Erin

Ms. Tibe,  
Thank you for calling me back today to discuss the possible math error in the request and the timing of the AOR.  
Take care,
