Subject: AO 2022-21 (DSCC et. al) request for supplemental information

Dear Ms. Lopez and Mr. Peterson:

Commissioners would like you to provide the following supplemental information about your request:

1. Would “Solicitation 1” communications promote, attack, support, or oppose the featured candidate or another candidate?
2. Do you have sample scripts for the proposed communications? It is my understanding that you did not have scripts when we discussed this request previously, but Commissioners would like us to confirm that is still the case.

Your response to this email may be considered a supplement to the advisory opinion request and posted on the Commission’s website.

Thank you,

Heather Filemyr
