CONCILIATION AGREEMENT

This matter having been initiated on the basis of information ascertained in the normal course of carrying out its supervisory responsibilities, an investigation having been conducted, and the Commission having found probable cause to believe that George R. Brown (the "Respondent") violated 2 U.S.C. § 441a(a)(3) (the "Act") by making contributions totalling \$33,000 attributable to 1978;

Now, therefore, the respective parties herein, the Federal Election Commission and Respondent, having duly entered into conciliation pursuant to § 437g(a)(4)(A)(i), do hereby agree as follows:

- I. That the Federal Election Commission has jurisdiction over Respondent and the subject of this proceeding.
- II. That Respondent has had a reasonable opportunity to demonstrate that no action should be taken in this matter.

THEREFORE, Respondent agrees:

- III. That the pertinent fact in this matter is that the respondent made \$33,000 in contributions attributable to calendar year 1978, which by virtue of the way in which two recipient committees were organized, ex-

ceeded the annual limitations on individual contributions by \$8,000 in violation of 2 U.S.C. § 441a(a)(3). Respondent contends he did not knowingly or willfully violate the Act.

- IV. Respondent will pay a civil penalty in the amount of \$1,000 pursuant to 2 U.S.C. § 437g(a)(5)(A).
- V. Respondent agrees that he will not undertake any activity which is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. § 431, et seq.

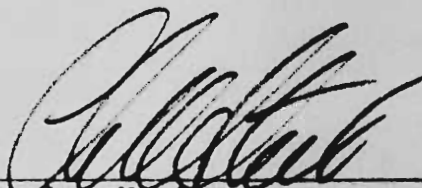

GENERAL CONDITIONS

- VI. The Commission, on the request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein, or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute civil action for relief in the United States District Court for the District of Columbia.
- VII. It is mutually agreed that this agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

01010130552

VIII. It is agreed that Respondent shall comply with the requirement contained in Paragraph IV within thirty (30) days from the date this agreement becomes effective.

GENERAL COUNSEL'S REPORT

I. Statement of the Case

81010230556
This matter was referred to the Office of General Counsel by the Reports Analysis Division. On January 3, 1980, the Commission found reason to believe that the respondent had violated 2 U.S.C. § 441a(a)(3) by making \$44,750 in contributions attributable to 1978. On June 16, 1980, a brief was sent to the respondent's attorneys, John R. Cope and David G. Frolio, stating the General Counsel's intent to recommend to the Commission a finding of probable cause to believe against Mr. Brown.

On July 28, 1980, Mr. Cope and Mr. Frolio filed a Reply Brief which was circulated to the Commission. On July 31, 1980, a meeting was held between the staff and Mr. Brown's attorneys.

II. Legal Analysis

2 U.S.C. § 441a(a)(3) prohibits aggregate contributions by an individual in excess of \$25,000 in any calendar year. Based on information provided by Mr. Brown, the General Counsel deleted certain contributions, totalling \$8,750, from the original list of contributions attributed to the respondent for 1978, thus bringing his total to \$36,000.

The following three contributions to political action committees remain in dispute:

Brownbuilders PAC (BPAC)	\$ 5,000
First City Bancorporation PAC (First PAC)	\$ 3,000
Texas Eastern PAC (TEPAC)	\$ 5,000
	<u>\$13,000</u>

Respondent's counsel claims these contributions should not be included 1) because they were given for the purpose of influencing state elections, and 2) because Mr. Brown was not informed by these PAC's that his contributions would be subject to the \$25,000 limitation.

Based on these committees' answers to our questions, it appears the contribution to First PAC should not be included in Mr. Brown's limit because there is evidence Mr. Brown specifically requested that his contribution be used for non-federal elections, and the committee had a separate account for non-federal elections. First PAC has stated that Mr. Brown's contributions were deposited in their federal account for a period of time as result of the committee's error. The other two contributions should still be counted against Mr. Brown's limit however. (See OGC Brief dated June 5, 1980)

Counsel contends that the evidence demonstrates Mr. Brown intended his contributions for state and local elections. However, the responses from BPAC and TEPAC do not bear this out. Both committees state that Mr. Brown did not earmark his contributions for any specific purpose, nor did he designate

whether all or any portion of his contributions were to be used for state and/or local elections. Even though both committees allocated either all or part of Mr. Brown's contributions for non-federal elections, this allocation occurred subsequent to the receipt of the contributions.

In addition, TEPAC only spent \$2,700 on non-federal elections in 1978; \$2,300 of Mr. Brown's contribution was allocated to federal elections. BPAC stated that subsequent to receiving Mr. Brown's contribution, the PAC spent \$8,500 on state and/or local races, therefore, they allocated Mr. Brown's \$5,000 contribution totally for non-federal purposes. However, BPAC only has one account and contributions to federal elections were also made subsequent to receiving the respondent's contribution.

It is clear from the regulations that the entire amount of a contribution is to be counted against an individual's limit when the contribution is placed into a committee's account which is used either entirely or partly for federal purposes. (See 11 C.F.R. § 102.5 (formerly § 102.6)). Therefore, these contributions should count against the respondent's limit.

Counsel also states in the Reply Brief that because the PAC's did not inform Mr. Brown that his contributions would be subject to the Act, they should not count.

8100030558

However, Mr. Brown stated in his first response, dated January 14, 1980, that the reason he thought these contributions did not apply to his limit was because a portion of the funds collected by these PAC's went to state and local elections. Therefore, it is apparent Mr. Brown was aware that a portion of his contributions might be used in regard to a federal election. Further, Mr. Brown has not disputed the allocation of his contribution by TEPAC. Thus, the respondent's liability is not reduced by the possibility that these committees may not have informed him that his contributions were subject to the limitation of 2 U.S.C. § 441a(a)(3).

The General Counsel recommends that the Commission determine that Mr. Brown violated the Act by making contributions totalling \$33,000 attributable to 1978.

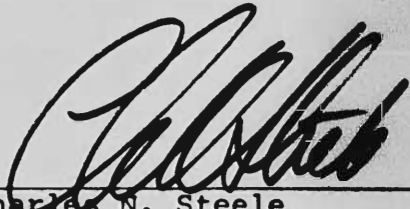

III. Discussion of Conciliation and Civil Penalty

The attached agreement calls for an admission of a violation of section 441a(a)(3) and a civil penalty of \$2,000, which is 25% of the amount in violation. This civil penalty is consistent with the one the Commission approved in another similar matter, MUR 1057.

IV. Recommendation

1. Find probable cause to believe that George R. Brown violated 2 U.S.C. § 441a(a)(3).
2. Approve the attached conciliation agreement.
3. Approve the attached letter.

Re: MUR 1058
George R. Brown

Dear Mr. Cope:

On , 1980, the Commission determined there was probable cause to believe that your client committed a violation of 2 U.S.C. § 441a(a)(3), a provision of the Federal Election Campaign Act of 1971, as amended, in connection with the making of \$33,000 in contributions attributable to 1978.

The Commission has a duty to attempt to correct such violations for a period of thirty to ninety days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. If we are unable to reach an agreement during that period, the Commission may institute civil suit in United States District Court and seek payment of a civil penalty.

We enclose a conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter. If you agree with the provisions of the enclosed agreement, please sign and return it along with the civil penalty to the Commission within ten days. I will then recommend that the Commission approve the agreement. Please make your check for the civil penalty payable to the U.S. Treasurer.

RESPONDENT'S REPLY BRIEF

§
§
§
§
§

BACKGROUND

By letter of January 7, 1980, Mr. Charles N. Steele, General Counsel of the Federal Election Commission (the "Commission"), informed Mr. George R. Brown ("Mr. Brown" or "Respondent") that the Commission had found reason to believe that the Respondent may have violated the Federal Election Campaign Act (the "Act") by contributing \$44,750 to political committees in 1978 in violation of 2 U.S.C. § 441a(a)(3). Representing himself pro se in this matter, Mr. Brown provided information to the Commission in opposition to the General Counsel's allegations and argued that (1) two of the contributions were made in connection with an election during 1977; (2) one contribution had been given to retire previous campaign debts; (3) three of the contributions had been given by his wife; and (4) the General Counsel had improperly concluded that donations to three political action committees ("PAC's") were subject to the Act. Con-

8100230555

sequently, it is the position of the Respondent that the 1978 contributions subject to the Act aggregated only \$23,000.

910010230657
The records of the Commission will reflect that the Respondent has maintained detailed records to ensure compliance with the Act and has advised the Commission that the list of contributors attached to the January 7 letter from the General Counsel incorrectly attributed two contributions, totaling \$750, to the Livingston for Congress campaign to Mr. Brown's 1978 contribution limit. These two contributions had been given during calendar year 1977 in connection with a special Congressional election held in that same year and should have been attributable to the Respondent's 1977 limit. Mr. Brown also advised the Commission that a contribution of \$1,000 to the Teague for Congress Committee had been given to retire debts from previous campaigns, and that Mr. Teague did not run for re-election in 1978. Additionally, three of the contributions which were attributed to the Respondent, totaling \$7,000, had in fact been made by his wife, Alice Pratt Brown, and copies of the three cancelled checks signed by Mrs. Brown were submitted to substantiate that fact. The General Counsel has subsequently conceded that these contributions were improperly attributed to Mr. Brown. See General Counsel's Brief, page 2.

The sole remaining issue in this proceeding involves the General Counsel's contention that the Respondent's 1978 donations to three political action committees totalling \$13,000 are subject to the Act. If these three PAC contributions are excluded from the coverage of the Act, the Respondent's 1978 contributions would total only \$23,000. For the reasons set

forth below, counsel for the Respondent asserts that these three PAC donations -- Texas Eastern PAC (\$5,000 on February 2, 1978), Brown-builders PAC (\$5,000 on February 28, 1978), and First City Bancorporation PAC (First City PAC) (\$3,000 on June 9, 1978) -- may not be charged to the annual contribution limit imposed by 2 U.S.C. § 441a(a)(3).

PRELIMINARY STATEMENT

Contrary to the allegations in the General Counsel's Brief, Mr. Brown has not violated 2 U.S.C. § 441a(a)(3) since only \$23,000 in contributions are chargeable to the 1978 contribution limit. The General Counsel has incorrectly attempted to attribute \$13,000 in PAC contributions to Mr. Brown's 1978 limit; however, these contributions should not be included in the computation of the 1978 contributions limit (1) because these donations do not constitute "contributions" within the meaning of 2 U.S.C. § 431(8)(A), since they were given for the purpose of influencing State elections, rather than Federal elections, and (2) because Mr. Brown was not informed by the PAC's, in accordance with the requirements of 11 C.F.R. § 102.6, that his donations would be governed by and subject to the \$25,000 Federal limitation. */

*/ For the convenience of the Commission, the Respondent's 1978 contributions subject to the Act are listed as Appendix A. Counsel for the Respondent has listed the three PAC contributions in dispute only for the purposes of this proceeding.

ARGUMENTS

- I. MR. BROWN'S DONATIONS TO FIRST CITY PAC, BROWNBUILDERS PAC, AND TEXAS EASTERN PAC DO NOT CONSTITUTE "CONTRIBUTIONS" AS THAT TERM IS DEFINED IN THE FEDERAL ELECTION CAMPAIGN ACT, AND THEREFORE CANNOT BE CHARGED TO MR. BROWN'S ANNUAL CONTRIBUTIONS.

9100230559
The General Counsel has alleged that Mr. Brown violated 2 U.S.C. § 441a(a)(3), which prohibits an individual from making more than \$25,000 in contributions during a calendar year. However, the General Counsel has improperly attributed to Mr. Brown's contributions for 1978 the contributions to three political action committees which did not constitute "contributions" as that term is defined in the Act, since they were made for the purpose of influencing State and local rather than Federal elections. Accordingly, these sums cannot be attributed to Mr. Brown's annual contribution limit.

A crucial prerequisite in the statutory and regulatory definitions of "contribution" is that the transfer must be made for the purpose of influencing a Federal election. The Act specifically defines "contribution" to include any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office. . . ." 2 U.S.C. § 431(8)(A) (emphasis added). Similarly, the regulations promulgated by the Commission to implement this provision state that "a gift, subscription, loan . . . advance, or deposit of money or anything of value made by an person for the purpose of influencing any election for Federal office is a contribution." 11 C.F.R. § 100.7(a)(1) (emphasis added).

317730570

The Commission has consistently interpreted the definition of contribution according to its literal terms, stating that only those transfers which are made for the purpose of influencing Federal elections may be regarded as contributions. For example, in Advisory Opinion 1975-99, Fed. El. Guide (CCH) ¶ 5171, the Commission held that a donation by a government contractor to a political committee to influence State and local elections did not constitute a contribution within the meaning of the Act. ^{*/} See, e.g., Advisory Opinion 1977-13, Fed. El. Guide (CCH) ¶ 5247 (concluding that the funding for a Congressman's summer intern program does not constitute a "contribution" because it is not for the purpose of influencing a future nomination or election); Advisory Opinion 1979-82, Fed. El. Guide (CCH) ¶ 5458 (holding that the transfer of excess Federal campaign funds to a state campaign is not a contribution); Advisory Opinion 1980-4, Fed. El. Guide (CCH) ¶ 5457 (stating that the donation of legal services to a political committee to aid in its defense in a civil suit is not a contribution since the services are not rendered for the purpose of influencing an election).

In ruling on the purpose underlying a given transfer, the Commission has stated that the intent of the donor, rather than the intent of the recipient, is controlling. Thus, the intent of the recipient committee is irrelevant, and it is the donor's intent that determines whether a particular donation was made for the purpose of influencing a Federal election. See,

^{*/} Prior to the 1976 Amendments to the Act, the definition of contribution was codified at 18 U.S.C. § 611.

Advisory Opinion 1978-37, Fed. El. Guide (CCH) ¶ 5335, (stating that whether a given transfer is a contribution depends on the contributor's intent).

Accordingly, the fact that Mr. Brown always intended these contributions to be used to influence State and local elections rather than Federal elections is determinative of the question of whether the donations to these PAC's were "contributions." Throughout this proceeding, Mr. Brown has consistently stated that the donations to the PAC's were to influence State, rather than Federal elections. The response by Mr. P.L. Sampson, Chairman of First City PAC, to the Commission's April 7 questionnaire unequivocally indicates that Mr. Brown specifically requested and designated that his contribution be used for State and local elections. See Appendix B; see also General Counsel's Brief, page 3. Similarly, the letter from Mr. P.L. Sampson to Mr. Brown dated February 20, 1980, indicates that Mr. Brown's 1978 contribution had been spent entirely on State and local elections. See Appendix C. The Respondent's request that the PAC contributions be used to influence only State elections is further confirmed by the February 26, 1980 letter from the Chairman of the Brownbuilders PAC to Mr. Brown, stating that Mr. Brown's 1978 contribution had been totally used in non-federal elections "[i]n conformity with [Mr. Brown's] request." See Appendix D. There is simply not a scintilla of evidence to indicate that Mr. Brown ever intended these PAC contributions to be used for anything other than State or local elections.

9170030572

In summary, the evidence in the record clearly demonstrates that Mr. Brown's intent in contributing to these PAC's was to influence State and local elections, rather than Federal elections. In view of Mr. Brown's clear intent to influence State and local elections, these donations may not properly be characterized as "contributions" subject to the Act, and therefore may not be charged to the Respondent's 1978 annual contribution ceiling.

II. MR. BROWN'S DONATIONS TO FIRST CITY PAC, BROWNBUILDERS PAC, AND TEXAS EASTERN PAC MAY NOT BE CHARGED TO HIS ANNUAL AGGREGATE CONTRIBUTION LIMIT SINCE MR. BROWN WAS NEVER INFORMED, IN CONFORMITY WITH THE APPLICABLE REGULATIONS, THAT HIS DONATION WOULD BE SUBJECT TO FEDERAL LIMITATIONS.

To prevent donor violations of the contribution limits of the Act, either through inadvertence on their part or through actions taken by recipient committees that are beyond the control of the donor, the regulations promulgated by the Commission provide a mechanism whereby potential contributors are given contemporaneous notice that their contribution will be subject to the limitations imposed by Federal law. This mechanism is embodied in 11 C.F.R. § 102.6. */ However, despite the mandatory terms of 11 C.F.R. § 102.6, and the uncontroverted evidence that

*/ Section 102.6 of Title 11 of the Code of Federal Regulations is set forth in full below:

§ 102.6 Federal committees and accounts; separation of Federal and non-Federal funds.

(a)(1) Each State committee, and each subordinate committee of the State committee (see § 100.19), which intends to solicit, receive, or make contributions or expenditures, in excess of \$1,000, to, for, or on behalf of, any candidate for Federal office, or

Mr. Brown never intended that these contributions should be subject to the Act, Mr. Brown was not informed by the PAC's that due to the actions and the internal organizational structure of the committees and bank accounts -- over which Mr. Brown had no control -- the contributions would be subject to the Act. It would therefore be impermissible,

(Footnote continued from previous page).

(i) Establish a separate Federal campaign committee which shall register as a political committee. The Federal campaign committee shall establish a segregated Federal account in either a national or State bank; or

(ii) Establish a single committee with a single account to make contributions to Federal and non-Federal candidates, but only if all contributions received are permissible under the Act, and all contributors are informed that all contributions are subject to the limitations of §§ 110.1, 110.1, and 110.5.

(b) The accounts and committees in (a)(2)(i) and (ii) above -- (1) may not receive contributions other than contributions designated for the Federal committee or account, contributions received as a result of a solicitation which expressly states that the contribution will be used for Federal elections, or contributions from contributors who are informed that all contributions are subject to the limitations of §§ 110.1, 110.2, and 110.5; or (2) may not receive transfers from an account or committee established by a State committee, subordinate committee of a State committee, or another political committee, except from a committee or account set out in (i) and (ii).

(c) The Federal campaign committee or account may make transfers for any lawful purpose. The committee shall file a Statement of Organization and shall file reports and statements pursuant to Part 104. (Emphasis added.)

Although this regulation was revised and recodified at 11 C.F.R. § 102.5 effective April 1, 1980, the version set forth above was in effect throughout the calendar year 1978, which is the period in which the alleged violation occurred.

inequitable, and inconsistent with the purpose underlying the Commission's regulations for these 1978 PAC contributions to be included in the computation of Mr. Brown's 1978 contributions subject to the Act. Accordingly, these three PAC contributions should be disregarded for the purposes of 2 U.S.C. § 441a(a)(3).

CONCLUSION

For the foregoing reasons, the Respondent urges the General Counsel to withdraw the recommendation that the Commission find probable cause to believe that Mr. Brown violated the Act. In the event that the General Counsel declines to withdraw the recommendation, the Respondent urges the Commission to vote that probable cause does not exist to believe that Mr. Brown violated the Act.

Gentlemen:

With respect to the letter of Charles N. Steele dated April 7, 1980, the following answers respond to the questions similarly numbered in such letter:

1. Check.
2. First City Bancorporation-PAC General
Account 00-0406-5
First City National Bank of Houston
1001 Main Street
Houston, Texas 77002
3. Funds in this account were used in connection with both federal and non-federal (state and local) elections.
4. No.
5. Mr. Brown began contributing to the First City Bancorporation-PAC (formerly the "First Fund") in March of 1976 upon the understanding that his contributions would be used only for state and local purposes (non-federal). While Mr. Brown's first contribution was properly deposited in the PAC's "State and Local" account, his June 9, 1978 contribution of \$3,000.00 was inadvertently deposited along with four other checks to the PAC's General account which is used in connection with both

0 6 5 6 1 0 1 8
federal and non-federal (state and local) elections. During the six-month period following the erroneous deposit of Mr. Brown's check, nine non-federal (state and local) contributions totaling \$3,700 were made from such General account and ten federal contributions totaling \$3,850 were made from such account. The balance in the General account at the end of such six-month period was \$8,317.96 and at no time during such period was the deposit of Mr. Brown's check necessary in order to make federal contributions from such account.

6. No.
7. It is impossible to state which dollars were contributed for specific purposes from the PAC-General account as deposits are not earmarked within the account. See response to Item 5 above.
8. State and Local (non-federal) purposes only.
9. Yes. However, one account is for non-federal (state and local) use only and the PAC-General account is for both federal and non-federal usage.

If we may be of any further service, please do not hesitate to contact the undersigned.

Very truly yours,

P. L. Sampson

Re: MUR 1058

Dear Ms. Tarrant:

This letter is to formally request an extension of time in which to file a Reply Brief in accordance with 11 C.F.R. § 111.16(c) to the Brief of the General Counsel in the above-referenced matter. The Respondent's Reply Brief is currently due on July 7, 1980; however for the reasons set forth below, we hereby request an additional twenty days, until and including July 28, 1980, in which to file the Respondent's Reply Brief.

This matter has been under review by the Federal Election Commission since January, 1980; however, Bracewell & Patterson and the undersigned were not retained to represent Mr. Brown until June 25, 1980. Previously, Mr. Brown had been conducting his defense pro se. The additional twenty days requested are the minimum necessary to allow the undersigned to secure the file from Mr. Brown in Houston, Texas, to have an opportunity to review the file and to investigate the facts, and to have an adequate opportunity to prepare and file a Reply Brief.

As previously discussed, to fully ascertain the facts and to research the legal issues raised in the General Counsel's Brief, it is essential that the Respondent's request for an extension of time be granted. The difficulty of counsel in preparing an adequate Reply Brief is further complicated by previously scheduled commitments of the undersigned relating to other proceedings which cannot be rescheduled prior to

Re: MUR 1058

Dear Mr. Brown:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission, on January 3, 1980, found reason to believe that you had violated 2 U.S.C. § 441a(a)(3), a provision of the Federal Election Campaign Act of 1971, as amended, and instituted an investigation of this matter.

After considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation has occurred.

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of General Counsel). The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of probable cause to believe a violation has occurred.

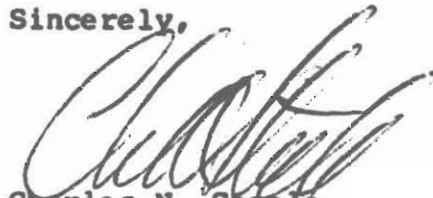

A finding of probable cause to believe requires that the Office of General Counsel attempt for a period of not less than thirty, but not more than ninety days, to settle this matter through a conciliation agreement. This does not preclude settlement of this matter through informal conciliation prior to a finding of probable cause to believe, if you so desire.

MEMORANDUM TO: The Commission

FROM: Charles N. Steele *CS*
General Counsel

SUBJECT: MUR 1058

Attached for the Commission's review is a brief stating the position of the General Counsel on the legal and factual issues of the above-captioned matter. A copy of this brief and a letter notifying the respondent of the General Counsel's intent to recommend to the Commission a finding of probable cause to believe was mailed on June 16, 1980. Following receipt of the Respondent's reply to this notice, this Office will make a further report to the Commission.

BEFORE THE FEDERAL ELECTION COMMISSION
June 5, 1980

In the Matter of)
George R. Brown) MUR 1058

GENERAL COUNSEL'S BRIEF

I. Background

On January 3, 1980, the Commission found reason to believe that the respondent had violated 2 U.S.C. § 441a(a)(3) by making \$44,750 in contributions attributable to 1978. A letter was sent to Mr. Brown on January 7, 1980. Subsequent to our letter, we have received several responses from Mr. Brown regarding the contributions in question. In addition, on April 7, 1980, letters were sent to three of the recipient committees asking for more information on the respondent's contributions. Responses to those letters have been received.

II. Legal and Factual Analysis

2 U.S.C. § 441a(a)(3) prohibits aggregate contributions by an individual in excess of \$25,000 in any calendar year. The Act and Section 110.5 of the Regulations also provide that non-election year contributions made to a principal, authorized or single campaign committee, and designated for an election, shall count against the \$25,000 limit for that election year.

Based on new information, this office has deleted the following contributions, totalling \$8,750, from the list of contributions originally attributed to the respondent for 1978:

David Pryor For Senate	\$1,000
Democratic National Committee	\$5,000

810010230705

1978 Virginia Democratic Committee	\$1,000
Olin Teague for Congress	\$1,000
Livingston for Congress	\$ 750
	<u>\$8,750</u>

The first three contributions listed above were contributions made by Mrs. Brown for which the respondent has provided copies of the checks. The contribution to Olin Teague was to retire a previous debt as Congressman Teague did not run for re-election in 1978. The contribution to Livingston for Congress was for a special election in 1977 and therefore, also not attributable to 1978.

Mr. Brown also disputed the following contributions because portions of these committees funds were used for state and/or local elections:

Texas Eastern PAC (TEPAC)	\$ 5,000
First City Bancorporation PAC (First PAC)	\$ 3,000
Brownbuilders PAC(BPAC)	\$ 5,000
	<u>\$13,000</u>

Mr. Brown later submitted copies of letters from all three committees which stated that either all or part of his contribution had been allocated for non-federal purposes. 1/ Subsequently, this office sent these same committees letters, with questions, pertaining to Mr. Brown's contributions.

In his response, the Chairman of TEPAC stated that Mr. Brown did not earmark any portion of his contribution for state and/or local purposes nor was he apprised in advance of how his contri-

1/ These letters were addressed to Mr. Brown and were requested by him subsequent to our investigation.

bution would be used. All funds contributed to TEPAC are initially deposited into its federal account and, as needed, funds are transferred to the TEPAC non-federal account. As Mr. Brown contributed \$5,000 every year to TEPAC, his contribution was used as the basis for determining how much money was available for non-federal purposes. However, it was only after the contribution was made that TEPAC allocated a portion of Mr. Brown's contribution for non-federal purposes.

Although in his letter to Mr. Brown, the Chairman of BPAC made reference to a request from Mr. Brown regarding the allocation of his contribution, BPAC's answers to our interrogatories indicate there is only one account from which both federal and non-federal expenditures are made. In addition, the Chairman stated that Mr. Brown did not earmark any portion of his contribution for state and/or local elections, nor did he have any control over what BPAC used the money for. Mr. Brown was simply told his contribution would be used for the authorized purposes of BPAC.

The third response, from First PAC, indicates that Mr. Brown's contribution was erroneously deposited in an account used for federal, state and local elections, instead of being placed into the solely non-federal account. In addition, Mr. Brown was informed that his contribution would be used for non-federal purposes only.

Under former 11 C.F.R. § 102.6, "any political committee which has ... made expenditures or transfers to or on behalf of, any candidate for Federal office, shall either - (i) ... establish a

segregated Federal account...; or (ii) Establish... a single account to make contributions to Federal and non-Federal candidates, but only if all... contributors are informed that all contributions are subject to the limitations of... § 110.5." Pursuant to 11 C.F.R. § 102.5, effective April 1, 1980, "Each organization... which finances political activity in connection with both federal and non-federal elections... shall either: (i) Establish a separate federal account... Only funds subject to the... limitations of the Act shall be deposited in such separate federal account...; or (ii) Establish a political committee which shall receive only contributions subject to the... limitations of the Act, regardless of whether such contributions are for use in connection with federal or non-federal elections."

Therefore, it is quite clear from the regulations that the entire amount of a contribution is to be counted against an individual's limit when the contribution is placed into a committee's account which is used either entirely or partly for federal purposes. Even if Mr. Brown's contribution to First PAC is not included because it was inadvertently placed in the wrong account, Mr. Brown is still over his limit as the contributions to TEPAC and BPAC should be attributable to his limit.

Mr. Brown has also stated in his reply that he deems it very important to contribute early to candidates who face primary elections early in the year, therefore, he considers it unreasonable to count 1977 contributions against a 1978 limit. As it is very clear in the Act and the regulations that non-election year contributions made to candidates will count against that election year's limit,

6170330779

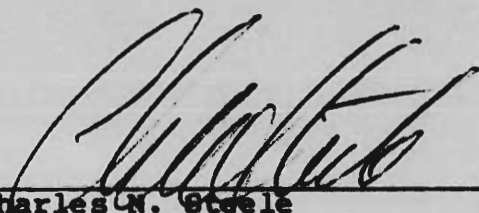

this office does not feel this is a valid legal defense.

As Mr. Brown has exceeded the annual individual contribution limitation, the General Counsel recommends the Commission find probable cause to believe the respondent violated 2 U.S.C. § 441a(a)(3).

III. Recommendation

Find probable cause to believe that George R. Brown violated 2 U.S.C. § 441a(a)(3).

Re: MUR 1058

Dear Mr. Brown:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission, on January 3, 1980, found reason to believe that you had violated 2 U.S.C. § 441a(a)(3), a provision of the Federal Election Campaign Act of 1971, as amended, and instituted an investigation of this matter.

After considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation has occurred.

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of General Counsel). The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of probable cause to believe a violation has occurred.

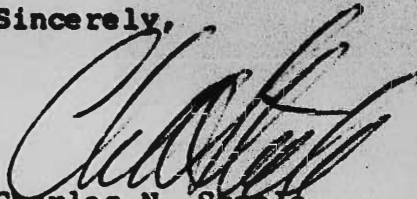

A finding of probable cause to believe requires that the Office of General Counsel attempt for a period of not less than thirty, but not more than ninety days, to settle this matter through a conciliation agreement. This does not preclude settlement of this matter through informal conciliation prior to a finding of probable cause to believe, if you so desire.

RE: MUR 1058

Dear Mr. Steele:

In response to your letter of April 7, 1980, seeking information on a February 2, 1978 contribution to the Texas Eastern Political Action Committee from Mr. George R. Brown, I respectfully submit the following in answer to your questions:

1. The subject contribution from Mr. George R. Brown to the Texas Eastern Political Action Committee on February 2, 1978, was made in the form of a check.
2. The contribution from Mr. Brown was deposited in the Texas Commerce Bank, P. O. Box 1231, Houston, Texas 77001, in the TEPAC federal account, number 162 8346.
3. All funds contributed to TEPAC are initially deposited into this account. As needed, funds are transferred in various amounts from this account to the TEPAC nonfederal account (Southern National Bank of Houston, P. O. Box 2529, Houston, Texas 77001, account number 058 867) for use in connection with state and local elections. In 1978 this amount was \$2700. The remaining funds in account number 162 8346 were used in connection with federal elections.
4. Mr. Brown did not designate or earmark his contribution for any specific purpose.
5. Mr. Brown did not designate whether all or any portion of his contribution was to be used for nonfederal purposes.
6. Mr. Brown had no control over what TEPAC used the money for.
7. As indicated in the answer to question 3, \$2700 was used by the fund for nonfederal elections in 1978. Mr. Brown has given our fund \$5,000 in each year of our existence, and for internal planning purposes, I have considered his steady and regular

contribution as the source of funds available to us each year for nonfederal purposes. On this basis, I recently advised Mr. Brown that \$2,700 of his \$5,000 contribution was used for nonfederal purposes. In part my decision to consider Mr. Brown's contribution as the source of the nonfederal contributions was my understanding that only federal contributions qualified for the federal income tax credit and my desire to assure that the vast majority of our small donors who give \$200 or less per year would be entitled to their maximum federal income tax benefit. I have subsequently learned that this understanding was not correct.

8. Mr. Brown was not apprised in advance of how we used his specific annual contribution. I have subsequently advised him of the amount I considered used for federal and nonfederal purposes. See answer to question 7.
9. At the time the Committee maintained, as noted in the answer to question 3, separate bank accounts for its federal and nonfederal funds.

I hope these answers are responsive and helpful, and if I may be of further assistance please feel free to call on me.

Subject: MUR 1058

Gentlemen:

With respect to the letter of Charles N. Steele dated April 7, 1980, the following answers respond to the questions similarly numbered in such letter:

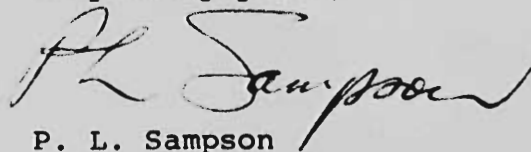

1. Check.
2. First City Bancorporation-PAC General Account 00-0406-5
First City National Bank of Houston
1001 Main Street
Houston, Texas 77002
3. Funds in this account were used in connection with both federal and non-federal (state and local) elections.
4. No.
5. Mr. Brown began contributing to the First City Bancorporation-PAC (formerly the "First Fund") in March of 1976 upon the understanding that his contributions would be used only for state and local purposes (non-federal). While Mr. Brown's first contribution was properly deposited in the PAC's "State and Local" account, his June 9, 1978 contribution of \$3,000.00 was inadvertently deposited along with four other checks to the PAC's General account which is used in connection with both

0 1 7 1 0 2 3 7 1 0
federal and non-federal (state and local) elections. During the six-month period following the erroneous deposit of Mr. Brown's check, nine non-federal (state and local) contributions totaling \$3,700 were made from such General account and ten federal contributions totaling \$3,850 were made from such account. The balance in the General account at the end of such six-month period was \$8,317.96 and at no time during such period was the deposit of Mr. Brown's check necessary in order to make federal contributions from such account.

6. No.
7. It is impossible to state which dollars were contributed for specific purposes from the PAC-General account as deposits are not earmarked within the account. See response to Item 5 above.
8. State and Local (non-federal) purposes only.
9. Yes. However, one account is for non-federal (state and local) use only and the PAC-General account is for both federal and non-federal usage.

If we may be of any further service, please do not hesitate to contact the undersigned.

Very truly yours,

P. L. Sampson

Interim Investigative Report #2

On January 16, 1980, a response was received from Mr. Brown regarding the Commission's finding of reason to believe that Mr. Brown had violated 2 U.S.C. § 441a(a)(3). Mr. Brown contends that several of his contributions to political action committees were for state and local elections. Subsequently, we have received several letters from committees claiming that Mr. Brown's contribution was used for non-federal purposes. In addition, Mr. Brown stated several of the contributions in question were made by his wife.

A letter went out to Mr. Brown, on March 17, 1980, requesting further documentation regarding his wife's contributions. In addition, letters are being sent to several political action committees requesting more information on Mr. Brown's contributions.

Upon receipt of responses to our letters, a recommendation will be made to the Commission.

MUR 1058

INTERIM INVESTIGATIVE REPORT #1

On January 3, 1980, the Commission found reason to believe that George R. Brown may have violated 2 U.S.C. §441a(a)(3). A letter went out to the respondent on January 7, 1980.

On January 16, 1980, this office received a response from the respondent. In his letter, Mr. Brown explained that he was advised by his attorneys that contributions to political action committees did not count against an individual's contribution limitation because a portion of their funds goes to state and local elections. Mr. Brown also claims that several of the contributions in question were made by his wife.

This office is presently drafting a letter to Mr. Brown addressing these issues.

Upon receipt of Mr. Brown's response, a recommendation will be made to the Commission.

Dear Mr. Steele:

With reference to your letter of March 17th, received by Mr. Brown on March 24th, 1980, he has asked me to send you the copies of the checks listed below. These were donations made by his wife, Alice Pratt Brown, for Federal Elections in 1978, as follows:

Check #5102 dated 6/7/78 - \$1,000
Payable to David Pryor for U.S. Senate

* Check #5165 dated Oct. 12, 1978 - \$1,000
Payable to Miller for Senate Campaign

Check #5100 dated 6/7/78 - \$5,000
Payable to Democratic National Committee

* This is the donation given to Andy Miller, running in Virginia, through a local businessman; but as no other donations were made to anyone in Virginia by Mr. or Mrs. Brown, it is Mr. Brown's opinion that this was reported by the 1978 Virginia Democratic Campaign Committee. Please note copy of the letter I am attaching from Andy Miller to Mr. Allan King. As you will note on the back of the check, there is an absence of endorsement on this check.

If you need further information, please advise.

Dear Mr. Brown:

This is in response to your letters, in particular the one dated January 14, 1980, concerning the above MUR and to inform you that this office is continuing its investigation of the contributions you made to certain political action committees that have stated your money was used totally or in part for state and/or local elections.

In regard to the following contributions which you stated were made by your wife, Alice Pratt Brown, we request that you furnish this office with copies of those checks within ten days of receipt of this letter:

- 1) June 7, 1978 - David Pryor for Senate - \$1,000
- 2) June 7, 1978 - Democratic National Committee - \$5,000
- 3) October 12, 1978 - Andy Miller for Senate - \$1,000

In addition, please explain your understanding as to why the contribution to the Andy Miller for Senate Committee is the same contribution as was reported by the 1978 Virginia Democratic Campaign Committee.

Upon conclusion of our investigation of this matter, a notice will be sent to you regarding this office's recommendation to the Commission.

Re: MUR 1058

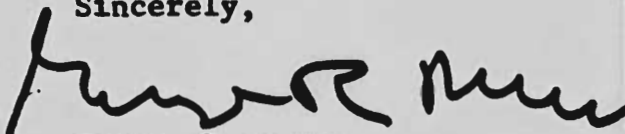

Dear Ms. Tarrant:

Pursuant to your telephone conversation with Mr. Jerry T. Verkler, Chairman of the Texas Eastern Political Action Committee, and in further reference to my letter of January 14, 1980 in connection with the current review of my contributions to federal election campaigns during 1977 and 1978, I am enclosing a copy of a letter I have received from Mr. Verkler.

Although I do not have any control over the disposition of my contributions once they are made to the Texas Eastern Political Action Committee, in view of the fact that Mr. Verkler makes his allocation for non-federal elections based upon my annual contribution, I respectfully request that the Commission take this into account in computing my donations which were subject to the annual limitation for federal elections.

On another issue, upon a review of my records, you will note that I made several contributions in 1977 to nominees who had very formidable opponents in the forthcoming primary elections of 1978. I can certainly understand a 1977 contribution being counted against a 1978 general election limitation if the candidate has no primary opposition. However, as a strong supporter of our American political system, I am very proud of participating in all aspects of our election process, and I deem it very important to contribute early to a candidate to allow an adequate opportunity to present the candidate's views to the electorate long before a primary election date.

Therefore, since the primaries were scheduled early in 1978, it seems unreasonable and not in keeping with the spirit of the law to count contributions which were actually made in 1977 toward the overall contribution limitation for a general election which was held in November 1978. I submit that these should be actually counted against my 1977 contributions, and I hope the Commission will agree with me.

Sincerely,

George R. Brown

Dear Mr. Brown:

Pursuant to your request, I have reviewed the records of the Texas Eastern Political Action Committee for the last three years in connection with your annual \$5,000 contribution to our fund and its disbursement toward non-federal elections. Since your contribution has been a regular and constant amount, it is from this source that I allocate how much of our fund shall be available for participation in state and local campaigns.

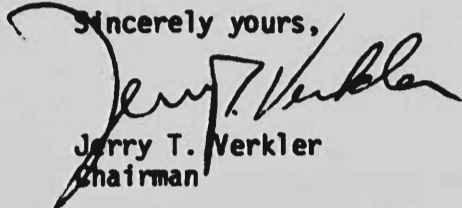

There were no contributions to candidates in non-federal elections in 1977.

In 1978 \$2,700 was contributed to candidates in non-federal elections.

In 1979 \$1,100 was contributed to candidates in non-federal elections.

Therefore, for the years 1978 and 1979 respectively, only \$2,300 and \$3,900 of your annual contribution should be allocated to federal election campaigns, and thus subject to your annual contribution limitation for federal elections.

Sincerely yours,

Jerry T. Verkler

Re: MUR 1058

Dear Mr. Steele:

Reference your letter of January 7, 1980, received by me on January 11th, I would like to offer the following explanation to clarify the listing of contributions to Federal election campaigns, as shown on your list attached to the above letter.

It was explained to me by attorneys when I made the contributions to the corporation political action committees, i.e., Brownbuilders PAC (Brown & Root, Inc.), First City Bancorporation PAC (First City National Bank of Houston), and Texas Eastern PAC (Texas Eastern Corporation), that these did not count against an individual's federal election campaign contributions because a portion of the funds collected by these PAC groups went to local, state, and county elections, and a committee in these corporations is in charge of disbursing the funds to political campaigns. I am a director on the boards of these corporations (Brown & Root's parent company, The Halliburton Company).

The following donations listed as my contributions were actually made by my wife, Alice Pratt Brown; the cancelled checks show her signature:

June 7, 1978 - Check #5102 - David Pryor for Senate \$1,000
June 7, 1978 - Check #5100 - Democratic National
Committee (see attached letter) \$5,000
October 12, 1978 - Check #5165 - Andy Miller for Senate
from Virginia \$1,000

(your list shows "1978 Virginia Democratic Committee")

The check on March 22, 1977 in the amount of \$1,000 to Olin Teague for Congress is my check No. 4832. Congressman Teague retired and did not run for re-election in 1978; this donation was to help him retire his indebtedness.

Your list shows two donations from me to the "Livingston for Congress" campaign - \$250 November 4, 1977 and \$500 June 16, 1977. These amounts were donated by me for the Special Election held in 1977 to elect a congressman from the First District in Louisiana after Congressman Tonry was removed from office because of fraud. It was my understanding that this special election contribution did not apply against other donations for candidates running for election in 1978.

Our records, which we have carefully kept, show that I gave a total of \$23,100 and my wife gave a total of \$19,500 during 1977 and 1978 for the 1978 elections.

I hope this will clarify my account; if not, please let me hear from you.

Yours truly,

George R. Brown

Re: MUR 1058

Dear Mr. Brown:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission has found reason to believe that you may have violated section 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended ("the Act"). This section of the Act makes it unlawful for any individual to make contributions to federal elections aggregating in excess of \$25,000 in a calendar year. Specifically it appears that you have made contributions totalling \$44,750.00. Please note that this total includes contributions made in 1977 which were given to candidates running for election during 1978 and therefore are attributable to 1978. See also section 110.5 of the Commission's Regulations, 11 C.F.R. §110.5. Please see the attached sheets detailing your contributions. The dates used indicate the receipt date by the committees.

We have numbered this matter MUR 1058. Please refer to this number in all future correspondence.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Where appropriate, statements should be submitted under oath.

The Commission is under a duty to investigate this matter and your response should be submitted within ten days after receipt of this notification. If no response is received, the Commission may take further action based on the information at hand.

MUR 1058

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This matter involves a possible violation of §441a(a) (3) by the respondent contributor. On November 16, 1979, the Commission voted to defer action on the matter pending receipt and analysis by the Office of General Counsel of new information from the Reports Analysis Division (RAD).

II. EVIDENCE/ANALYSIS

On November 23, 1979, this office received a referral update from RAD. This update included 1977 contributions made by the respondent to the principal campaign committees of candidates running for election in 1978 and, in accordance with the Act, are considered as having been made during calendar year 1978. See also Section 110.5(b) of the Regulations.

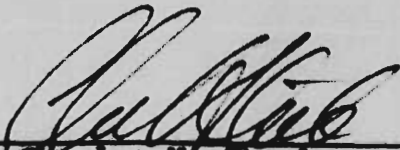

According to Section I of the G Index, Mr. Brown made a total of \$44,750.00 in contributions for 1978. (See the attached referral and referral update for specific recipients, dates and amounts.) Therefore, it appears that the respondent may have violated 2 U.S.C. §441a(a)(3) which prohibits an individual from making contributions aggregating in excess of \$25,000 in a calendar year.

81010230771

III. RECOMMENDATION

1. Find reason to believe that George R. Brown may have violated 2 U.S.C. §441a(a)(3).

SUBJECT: INDIVIDUALS EXCEEDING \$25,000 YEARLY LIMIT.

Attached are MUR updates to seven of nine RAD referrals concerning individuals who exceeded the \$25,000 yearly limits. These updates contain contributions made in 1977 and 1979 to candidates or candidate committees which may be attributed to the 1978 limitations.

In the case of an individual residing in a community property state the pages of the G Index showing all contributions from the contributor and his/her spouse have been attached.

All contributions from an individual which aggregate in excess of \$1,000 to a Federal candidate have been reviewed for election designation. Unless otherwise noted, no contributions aggregating in excess of \$1,000 were designated to a particular election.

Re: MUR 1058

Dear Mr. Brown:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission has found reason to believe that you may have violated section 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended ("the Act"). This section of the Act makes it unlawful for any individual to make contributions to federal elections aggregating in excess of \$25,000 in a calendar year. Specifically it appears that you have made contributions totalling \$44,750.00. Please note that this total includes contributions made in 1977 which were given to candidates running for election during 1978 and therefore are attributable to 1978. See also section 110.5 of the Commission's Regulations, 11 C.F.R. §110.5. Please see the attached sheets detailing your contributions. The dates used indicate the receipt date by the committees.

We have numbered this matter MUR 1058. Please refer to this number in all future correspondence.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Where appropriate, statements should be submitted under oath.

The Commission is under a duty to investigate this matter and your response should be submitted within ten days after receipt of this notification. If no response is received, the Commission may take further action based on the information at hand.

If you have any questions, please contact Marybeth Tarrant, the staff member assigned to this matter, at 202-523-4175.

This matter will remain confidential in accordance with 2 U.S.C. Section 437g(a)(3)(B) unless you notify the Commission in writing that you wish the investigation to be made public.

If you intend to be represented by counsel in this matter, please have such counsel so notify us in writing.

Sincerely,

Charles N. Steele
General Counsel

SOURCE OF MUR: INTERNALLY GENERATED

GENERATION OF MATTER

This matter was one of a number of similar matters referred to this office by the Reports Analysis Division on October 22, 1979. The matter involves a possible violation of 2 U.S.C. §441a(a)(3) by the respondent contributor.

BACKGROUND

Section 441a(a)(3) of the Act prohibits aggregate contributions by an individual in excess of \$25,000 in any calendar year. The Act and §110.5 of the Regulations also provide that non-election year contributions made to a principal, authorized or single campaign committee, or independent expenditures made, and designated for an election, shall count against the \$25,000 limit.

The RAD referral included contributor information about this respondent for 1978 only. Consistent with the Act and the Regulations, we requested RAD to supplement its referral with information about 1977 and 1979 contributions. We expect to receive this information by November 13, 1979.

After this information is received and analyzed we will present a full report and recommendation to the Commission. We expect to make this presentation within two weeks.

RECOMMENDATION

Defer action on this matter pending receipt and analysis by Office of General Counsel of new information from Reports Analysis Division.

MEMORANDUM

TO: WILLIAM OLDAKER
THROUGH: ORLANDO B. POTTER *OBP.*
FROM: THOMAS HASELHORST *TH*
SUBJECT: NINE REFERRALS OF INDIVIDUALS WHO HAVE EXCEEDED THE \$25,000
AGGREGATE CONTRIBUTION LIMIT PER CALENDAR YEAR.

This packet contains eight of nine referrals of individuals who have exceeded the aggregate yearly contribution limitation. The ninth referral is being forwarded with the Kansas Democratic State Committee referral because the individual made an excessive contribution to that committee.

These referrals were initiated through review of Section 1 of the G Index. Each contribution listed was verified by checking the committee reports. All contributions shown on the G Index and included in the referrals were made during 1978.

The Reports Analysis Division has made no attempt to communicate with the individuals in question.

If you have any questions please contact Mary Luppi in the Compliance Section at 357-0023.
