NUR 1062

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This matter was referred to the Office of General Counsel by the Reports Analysis Division. On January 9, 1980, the Commission found reason to believe that Mr. Rudin violated 2 U.S.C. § 441a(a)(3) by making \$32,044 in contributions for 1978. A letter went out to Mr. Rudin, and we received responses from Mr. Rudin's attorney, John S. Ward, addressing the Commission's findings on February 19, 1980, and April 9, 1980. (See Attachments 1 and 2).

II. EVIDENCE/ANALYSIS

2 U.S.C. § 441a(a)(3) prohibits any individual from making contributions aggregating more than \$25,000 in a calendar year. Pursuant to that same section, any contribution made to a candidate in a year other than the calendar year in which the election is held with respect to which such contribution is made, is considered to be made during the calendar year in which such election is held.

11 C.F.R. § 104.5(d) (formerly 11 C.F.R. § 104.3(e)) states that any contribution which represents contributions by more than one person shall indicate on the written instrument or on an accompanying writing signed by all contributors, the amount to be attributed to each contributor.

In his letter of February 19, Mr. Ward stated, among other points, that it had been the intention of Mr. Rudin and his wife, Basha Rudin, that all of the contributions were to be regarded as contributions from both of the Rudins, and asked that a certain amount of the contributions attributed to Mr. Rudin be attributed to Mrs. Rudin. Following discussions with the OGC staff, Mr. Ward enclosed with his letter of April 9 a statement signed by both Mr. and Mrs. Rudin which states that their intention had been that one-half of the amounts of the contributions in question be attributed to Lewis Rudin and one-half to Basha Rudin. The specific contributions and amounts are listed in an accompanying schedule. The signed statement also indicates that the Rudins will notify each of the recipient committees in question and request that the committees amend their reports.

The attribution of the amounts of the contributions in accordance with Mr. and Mrs. Rudin's statement results in total contributions of \$16,022 for each in the calendar year 1978. Thus, the issue in this matter more appropriately concerns

proper reporting pursuant to 11 C.F.R. § 104.8(d), than an excess of the contribution limitation of 2 U.S.C. § 441a(a)(3). Mr. and Mrs. Rudin's statement complies with the requirements of § 104.8(d) that the statement be signed by all contributors and indicate the amount to be attributed to each contributor. However, it does not comply with the requirement that the statement accompany the written instruments, in this case, the contribution checks. Therefore the General Counsel recommends that the Commission find reason to believe Lewis Rudin violated 11 C.F.R. § 104.8(d). The General Counsel also recommends that the Commission take no further action in regard to its finding of reason to believe there had been a violation of 2 U.S.C. § 441a(a)(3).

In both his letters and conversations with the OGC staff, Mr. Ward has stated Mr. Rudin's interest in conciliating this matter prior to a vote on probable cause. Attached to this report is a proposed conciliation agreement which the General Counsel recommends that the staff be authorized to present to the respondent. The agreement contains an admission of a violation of 11 C.F.R. § 104.8(d) and imposes a civil penalty of \$250. This relatively low civil penalty is proposed in light of the amounts of civil penalties the Commission has received in other reporting violation matters.

III. RECOMMENDATION

1. Find reason to believe that Lewis Rudin violated 11 C.F.R. § 104.8(d).
2. Take no further action against Lewis Rudin in regard to a possible violation of 2 U.S.C. § 441a(a)(3).
3. Enter into informal conciliation with Mr. Rudin and approve the attached conciliation agreement.
4. Approve the attached letter and Notification.

RE: MUR 1062

This letter is in response to your January 24, 1980 letter to Mr. Lewis Rudin. In accordance with our letter of February 8, 1980 and subsequent conversations with Ms. Marybeth Tarrant of the Commission Staff, we requested and received an extension of time to respond to your letter until today.

It is our understanding from reviewing the Notification of Reason to Believe Finding that the Commission has found that Mr. Rudin may have violated 2 U.S.C. §441a(a)(3) by making contributions aggregating in excess of \$25,000 for federal elections during 1978. We note that the Notification of Reason to Believe Finding states the aggregate contribution figure to be \$38,800, while the body and schedule of such Finding show the aggregate contributions to be \$32,044, or an excess of \$7,044. We assume that the \$38,800 figure is a typographical error.

Before presenting an analysis of this matter on behalf of Mr. Rudin, we would like to point out that Mr. Rudin has no record of having made a \$600 contribution to the "Citizens for the 18th C.D. Committee" as indicated on the Schedule labeled "Contributions In Lewis Rudin".

As for the remaining \$6,444 in excess contributions, it appears from an examination of all relevant records that Mr. Rudin did indeed make those contributions. This would appear to place him over the legal limit. There are, however, several important mitigating factors which account for the situation and of which the Commission should be aware.

1. Mr. Rudin was under the impression that \$4,000 of the contributions in question was credited against his 1977 limitation. In December of 1977, he made the following contributions on the following dates:

12/1/77 - Friends of Peyser - \$1,000
12/12/77 - Bill Bradley for U.S. Senate - \$1,000
12/29/77 - Citizens for the 18th C.D. Committee - \$1,000
12/29/77 - Jim Wright, Majority Congress Committee - \$1,000

He was unaware at the time that these contributions would count against his 1978 limitation. We recognize that this is no defense, but we submit that it is relevant in the entire context of this matter; and

2. Of the \$2,000 contribution made to the 1978 Eisenhower Silver Jubilee, \$1,000 was clearly earmarked for state committees. (See attached fundraising letter.) Accordingly, Mr. Rudin believed that only \$1,000 of that contribution counted against his \$25,000 limit; and

3. The \$444 reported by Campaign America (8-29-78) represented the costs of a luncheon given by Mr. Rudin, which while not given at his residence, he regarded, mistakenly, as not counting against his personal limitation; and

4. The schedule indicates Mr. Rudin made two \$1,000 contributions to Campaign America. In doing so, he was under the mistaken impression that \$1,000 was for the 1980 presidential campaign of Senator Dole.

The foregoing is presented not as a substantive defense but in order that the Commission understand that Mr. Rudin did not intentionally exceed his spending limitation, nor did he act in a cavalier manner or with any careless disregard for the law. He attempted to act reasonably and within the law.

Indeed, if Mr. Rudin had known that his 1977 contributions to the Peyser, Bradley, Wright and 18th C.D. Committees counted against his 1978 limit, he would have been far more cautious in making his 1978 contributions. In particular, he would not have made the entire \$5,000 contribution to the Democratic Congressional Dinner Committee or the entire \$5,000 contribution to the National Republican Senatorial Committee. These are affairs which both Mr. Rudin and his wife are interested in and both attend when possible. She is capable of having purchased tickets for these events and would have done so in her own name had either she or her husband realized that he was approaching the limit on contributions as it was their intention that the contributions come from both of them. In fact, Mrs. Rudin did not make any contributions on her own for federal elections during 1978.

00040204909

page three
Federal Election Commission

It is clear that any contributions made in excess of \$25,000 were entirely inadvertent and unintentional, and indeed that at least \$10,000 of those contributions could be equally attributable to Mrs. Rudin. Accordingly, we submit to the Commission the following conciliation proposal:

(a) Mr. Rudin acknowledges that he inadvertently and unintentionally made contributions involving federal elections during 1978 which exceeded the limit imposed upon him by 2 U.S.C. §441a(a)(3);

(b) As it was the intention of both Mr. and Mrs. Rudin that all contributions were, in effect, contributions from the "Rudins," particularly the \$5,000 contribution to the Democratic Congressional Dinner Committee and the \$5,000 to the Republican Senatorial Committee, that \$10,000 of the amount contributed by Mr. Rudin be made by and attributed to Mrs. Basha Rudin, and that if requested by the Commission, Mr. and Mrs. Rudin will submit an affidavit to that effect and will notify the two committees in question and request that they amend their reports to the Commission to reflect that fact;

(c) Mr. Rudin agrees not to exceed the legal limit as a contributor in the future; and

(d) For the calendar year 1980, Mr. Rudin will limit his contributions to no more than \$17,956, which is \$7,044 less than \$25,000.

We hope that this is agreeable to the Commission and reiterate the willingness of Mr. Rudin to cooperate in every way with the Commission to resolve this matter in a conciliatory fashion.

Sincerely,

John S. Ward

Re: MUR 1062

Dear Sirs:

Our attorneys' letter of February 19, 1980 (copy attached) indicated that campaign contributions made in the name of Lewis Rudin were in fact intended to be made by both of us. The contributions were authorized by us and we intended that one-half of the contributions listed on the annexed Schedule be attributed to Lewis Rudin and the remaining one-half be attributed to Basha Rudin.

We will notify each of the listed committees of this fact and request said committees to amend their reports to reflect that each of us made one-half of the contributions.

SOURCE OF MUR: INTERNALLY GENERATED

BACKGROUND

On January 9, 1980, the Commission found reason to believe that Lewis Rudin had violated 2 U.S.C. § 441a(a)(3) by making \$32,044.00 in contributions during 1978. On April 9, 1980, the Commission received a statement signed by both Mr. and Mrs. Rudin which attributed half of all Mr. Rudin's contributions to Mrs. Rudin.

FACTUAL BASIS AND LEGAL ANALYSIS

Pursuant to 11 C.F.R. § 104.8(d) (formerly section 104.5(e)) any contribution which represents contributions by more than one person shall indicate on the written instrument or on an accompanying writing signed by all contributors, the amount to be attributed to each contributor. As Mr. Rudin failed to provide such documentation at the time the contributions were made, the General Counsel recommended the Commission find reason to believe that Mr. Rudin violated 11 C.F.R. § 104.8(d). As the respondent's attorney has expressed Mr. Rudin's desire to conciliate this matter, the General Counsel further recommended the Commission enter into informal conciliation with Mr. Rudin.

Based on the foregoing analysis, the Federal Election Commission has:

1. Found reason to believe that Lewis Rudin violated 11 C.F.R. § 104.8(d).
2. Voted to enter into informal conciliation with Mr. Rudin.
3. Approved the proposed letter and conciliation agreement.

RE: MUR 1062

Dear David:

Attached you will find a letter from Mr. and Mrs. Lewis Rudin which establishes their intention regarding the attribution of the campaign contributions involved in this MUR proceeding. It should be noted that we have utilized the schedule of contributions which we received from the Commission in their January 24, 1980 letter, notwithstanding the comments which we made with regard to that schedule in our February 19th letter to the Commission. These concerns still remain, but for the purposes of making the necessary attribution of the contributions, we have proceeded as though the original schedule was accurate.

We hope that this information is helpful to the Commission and again I reiterate the desire of the Rudins to resolve this matter in a conciliatory fashion.

Sincerely,

John S. Ward

Re: MUR 1062

Dear Sirs:

Our attorneys' letter of February 19, 1980 (copy attached) indicated that campaign contributions made in the name of Lewis Rudin were in fact intended to be made by both of us. The contributions were authorized by us and we intended that one-half of the contributions listed on the annexed Schedule be attributed to Lewis Rudin and the remaining one-half be attributed to Basha Rudin.

We will notify each of the listed committees of this fact and request said committees to amend their reports to reflect that each of us made one-half of the contributions.

RE: MUR 1062

Dear Sirs:

This letter is in response to your January 24, 1980 letter to Mr. Lewis Rudin. In accordance with our letter of February 8, 1980 and subsequent conversations with Ms. Marybeth Tarrant of the Commission Staff, we requested and received an extension of time to respond to your letter until today.

It is our understanding from reviewing the Notification of Reason to Believe Finding that the Commission has found that Mr. Rudin may have violated 2 U.S.C. §441a(a)(3) by making contributions aggregating in excess of \$25,000 for federal elections during 1978. We note that the Notification of Reason to Believe Finding states the aggregate contribution figure to be \$38,800, while the body and schedule of such Finding show the aggregate contributions to be \$32,044, or an excess of \$7,044. We assume that the \$38,800 figure is a typographical error.

Before presenting an analysis of this matter on behalf of Mr. Rudin, we would like to point out that Mr. Rudin has no record of having made a \$600 contribution to the "Citizens for the 18th C.D. Committee" as indicated on the Schedule labeled "Contributions In Lewis Rudin".

As for the remaining \$6,444 in excess contributions, it appears from an examination of all relevant records that Mr. Rudin did indeed make those contributions. This would appear to place him over the legal limit. There are, however, several important mitigating factors which account for the situation and of which the Commission should be aware.

1. Mr. Rudin was under the impression that \$4,000 of contributions in question was credited against his 1977 limitation. In December of 1977, he made the following contributions on the following dates:

- 12/1/77 - Friends of Peyser - \$1,000
- 12/12/77 - Bill Bradley for U.S. Senate - \$1,000
- 12/29/77 - Citizens for the 18th C.D. Committee - \$1,000
- 12/29/77 - Jim Wright, Majority Congress Committee - \$1,000

He was unaware at the time that these contributions would count against his 1978 limitation. We recognize that this is no defense, but we submit that it is relevant in the entire context of this matter; and

2. Of the \$2,000 contribution made to the 1978 Eisenhower Silver Jubilee, \$1,000 was clearly earmarked for state committees. (See attached fundraising letter.) Accordingly, Mr. Rudin believed that only \$1,000 of that contribution counted against his \$25,000 limit; and

3. The \$444 reported by Campaign America (8-29-78) represented the costs of a luncheon given by Mr. Rudin, which while not given at his residence, he regarded, mistakenly, as not counting against his personal limitation; and

4. The schedule indicates Mr. Rudin made two \$1,000 contributions to Campaign America. In doing so, he was under the mistaken impression that \$1,000 was for the 1980 presidential campaign of Senator Dole.

The foregoing is presented not as a substantive defense but in order that the Commission understand that Mr. Rudin did not intentionally exceed his spending limitation, nor did he act in a cavalier manner or with any careless disregard for the law. He attempted to act reasonably and within the law.

Indeed, if Mr. Rudin had known that his 1977 contributions to the Peyser, Bradley, Wright and 18th C.D. Committees counted against his 1978 limit, he would have been far more cautious in making his 1978 contributions. In particular, he would not have made the entire \$5,000 contribution to the Democratic Congressional Dinner Committee or the entire \$5,000 contribution to the National Republican Senatorial Committee. These are affairs which both Mr. Rudin and his wife are interested in and both attend when possible. She is capable of having purchased tickets for these events and would have done so in her own name had either she or her husband realized that he was approaching the limit on contributions as it was their intention that the contributions come from both of them. In fact, Mrs. Rudin did not make any contributions on her own for federal elections during 1978.

00040204922

page three
Federal Election Commission

It is clear that any contributions made in excess of \$25,000 were entirely inadvertent and unintentional, and indeed that at least \$10,000 of those contributions could be equally attributable to Mrs. Rudin. Accordingly, we submit to the Commission the following conciliation proposal:

(a) Mr. Rudin acknowledges that he inadvertently and unintentionally made contributions involving federal elections during 1978 which exceeded the limit imposed upon him by 2 U.S.C. §441a(a)(3);

(b) As it was the intention of both Mr. and Mrs. Rudin that all contributions were, in effect, contributions from the "Rudins," particularly the \$5,000 contribution to the Democratic Congressional Dinner Committee and the \$5,000 to the Republican Senatorial Committee, that \$10,000 of the amount contributed by Mr. Rudin be made by and attributed to Mrs. Basha Rudin, and that if requested by the Commission, Mr. and Mrs. Rudin will submit an affidavit to that effect and will notify the two committees in question and request that they amend their reports to the Commission to reflect that fact;

(c) Mr. Rudin agrees not to exceed the legal limit as a contributor in the future; and

(d) For the calendar year 1980, Mr. Rudin will limit his contributions to no more than \$17,956, which is \$7,044 less than \$25,000.

We hope that this is agreeable to the Commission and reiterate the willingness of Mr. Rudin to cooperate in every way with the Commission to resolve this matter in a conciliatory fashion.

Sincerely,

John S. Ward

RE: MUR 1062

Dear Sirs:

This letter is in response to your letter of January 24, 1980 to Mr. Lewis Rudin in which you notify him that the Commission has found reason to believe that Mr. Rudin may have violated 2 U.S.C. §441a(a)(3) of the Federal Election Campaign Act of 1971, as amended. We will represent Mr. Rudin in this matter and request that all future correspondence in this matter be sent in care of the above address.

Your letter to Mr. Rudin was received by him on January 29, 1980. We are currently in the process of reviewing his records to see how they correspond to the list you have prepared and labeled "Contributions In Lewis Rudin." Despite the fact that Mr. Rudin wants very much to cooperate in every way possible with the Commission in resolving this matter, it now appears that we will not be able to present our response to the Commission within fifteen days of receipt of the letter. This delay is largely due to the fact that we are checking our records with those of the thirty-two committees in question and the process is very time consuming. Accordingly, we respectfully request that the Commission extend the period of time in which Mr. Rudin may respond to this inquiry to Tuesday, February 19, 1980.

Thank you for your cooperation in this matter.

Sincerely,

John S. Ward

MUR NO. 1001
STATE NEW YORK & TEL. NO.
Marybeth Tarkenton

RESPONDENT Lewis Rudin

(202) 537-4175

SOURCE OF MUR: INTERNALLY GENERATED

BACKGROUND

On October 22, 1979, the Reports Analysis Division referred to the Office of General Counsel the matter in which Lewis Rudin may have violated 2 U.S.C. § 441a(a)(3) by making \$38,800 in contributions involving federal elections during 1978.

FACTUAL BASIS AND LEGAL ANALYSIS

2 U.S.C. § 441a(a)(3) prohibits an individual from making contributions aggregating in excess of \$25,000 in a calendar year. For purposes of this section, any contribution made to a candidate in a year other than the calendar year in which the election is held with respect to which such contribution is made, is considered to have been made during the calendar year in which such election is held.

According to reports filed at the Commission, the respondent has exceeded his limit by \$7,044.00. Please see the attached chart for specific recipients, dates and amounts. Therefore, the Office of General Counsel recommends finding reason to believe that Lewis Rudin may have violated 2 U.S.C. § 441a(a)(3).

Based on the foregoing analysis, the Federal Election Commission has found:

Reason to believe that Lewis Rudin may have violated 2 U.S.C. § 441a(a)(3).

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This matter involves a possible violation of §441a(a) (3) by the respondent contributor. On November 16, 1979, the Commission voted to defer action on the matter pending receipt and analysis by the Office of General Counsel of new information from the Reports Analysis Division (RAD).

II. EVIDENCE/ANALYSIS

On November 23, 1979, this office received a referral update from RAD. This update included 1977 contributions made by the respondent to the principal campaign committees of candidates running for election in 1978 and, in accordance with the Act, are considered as having been made during calendar year 1978. See also Section 110.5(b) of the Regulations.

According to Section I of the G Index, Mr. Rudin made a total of \$32,044.00 in contributions for 1978. (See the attached referral and referral update for specific recipients, dates and amounts. Therefore, it appears that the respondent may have violated 2 U.S.C. §441a(a)(3) which prohibits an

Re: MUR 1062

Dear Mr. Rudin:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission has found reason to believe that you may have violated section 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended ("the Act"). This section of the Act makes it unlawful for any individual to make contributions to federal elections aggregating in excess of \$25,000 in a calendar year. Specifically it appears that you have made contributions totalling \$32,044.00. Please note that this total includes contributions made in 1977 which were given to candidates running for election during 1978 and therefore are attributable to 1978. See also section 110.5 of the Commission's Regulations, 11 C.F.R. §110.5. Please see the attached sheets detailing your contributions. The dates used indicate the receipt date by the committees.

We have numbered this matter MUR 1062. Please refer to this number in all future correspondence.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Where appropriate, statements should be submitted under oath.

The Commission is under a duty to investigate this matter and your response should be submitted within ten days after receipt of this notification. If no response is received, the Commission may take further action based on the information at hand.

If you have any questions, please contact Margaret

This matter will remain confidential in accordance
with 2 U.S.C. Section 437g(a)(3)(B) unless you notify the
Commission in writing that you wish the investigation to be
made public.

If you intend to be represented by counsel in this
matter, please have such counsel so notify us in writing.

Sincerely,

Charles N. Steele
General Counsel

BACKGROUND

Section 441a(a)(3) of the Act prohibits aggregate contributions by an individual in excess of \$25,000 in any calendar year. The Act and §110.5 of the Regulations also provide that non-election year contributions made to a principal, authorized or single campaign committee, or independent expenditures made, and designated for an election, shall count against the \$25,000 limit.

The RAD referral included contributor information about this respondent for 1978 only. Consistent with the Act and the Regulations, we requested RAD to supplement its referral with information about 1977 and 1979 contributions. We expect to receive this information by November 13, 1979.

After this information is received and analyzed we will present a full report and recommendation to the Commission. We expect to make this presentation within two weeks.

RECOMMENDATION

Defer action on this matter pending receipt and analysis by Office of General Counsel of new information from Reports Analysis Division.

MEMORANDUM

TO: WILLIAM OLDAKER
THROUGH: ORLANDO B. POTTER *OBP*
FROM: THOMAS HASELHORST *TH*
SUBJECT: NINE REFERRALS OF INDIVIDUALS WHO HAVE EXCEEDED THE \$25,000
AGGREGATE CONTRIBUTION LIMIT PER CALENDAR YEAR.

This packet contains eight of nine referrals of individuals who have exceeded the aggregate yearly contribution limitation. The ninth referral is being forwarded with the Kansas Democratic State Committee referral because the individual made an excessive contribution to that committee.

These referrals were initiated through review of Section 1 of the G Index. Each contribution listed was verified by checking the committee reports. All contributions shown on the G Index and included in the referrals were made during 1978.

The Reports Analysis Division has made no attempt to communicate with the individuals in question.

If you have any questions please contact Mary Luppi in the Compliance Section at 357-0023.

Re: MUR 1062

Dear Sirs:

Our attorneys' letter of February 19, 1980 (copy attached) indicated that campaign contributions made in the name of Lewis Rudin were in fact intended to be made by both of us. The contributions were authorized by us and we intended that one-half of the contributions listed on the annexed Schedule be attributed to Lewis Rudin and the remaining one-half be attributed to Basha Rudin.

We will notify each of the listed committees of this fact and request said committees to amend their reports to reflect that each of us made one-half of the contributions.
