BEFORE THE FEDERAL ELECTION COMMISSION

In the Matter of §

Perry R. Bass § MUR 1064

CONCILIATION AGREEMENT

This matter having been initiated by the Federal Election Commission (hereinafter "the Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities, and after probable cause to believe having been found that Perry R. Bass ("Respondent") violated 2 U.S.C. § 441a(a)(3) by making contributions totalling \$38,800 for federal elections held in 1978;

NOW THEREFORE, the Commission and Respondent, having duly entered into conciliation pursuant to 2 U.S.C. § 437g(a)(4)(A), do hereby agree as follows:

I. The Commission has jurisdiction over the Respondent and the subject matter of this proceeding.

II. Respondent has had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondent enters voluntarily into this Agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

dated May 28, 1980, which states their intent to have one-half of the amounts of the contributions attributed to Respondent and one-half to Mrs. Bass. (Attachment).

3. Respondent did not indicate on the contribution checks or in accompanying writings signed by all contributors that one-half of the amounts of the contributions were to be attributed to Mrs. Bass, in accordance with 11 C.F.R. § 104.8(d) (formerly 11 C.F.R. § 104.5(e)).

WHEREFORE, Respondent agrees:

V. Respondent violated 2 U.S.C. § 441a(a)(3). Respondent contends that the violation was not knowing or willful.

GENERAL COUNSEL'S REPORT

I. Background

This matter was referred to the Office of General Counsel by the Reports Analysis Division. On May 15, 1980, the Commission found reason to believe that the respondent had violated 2 U.S.C. § 441a(a)(3) by making contributions totalling \$38,800 attributable to 1978. On June 23, 1980, a brief was sent to the respondent's attorney, Dee J. Kelly, stating the General Counsel's intent to recommend to the Commission a finding of probable cause to believe against Mr. Bass. A Reply Brief, dated July 18, 1980, from Mr. Kelly was received and circulated to the Commission.

II. Legal Analysis

2 U.S.C. § 441a(a)(3) prohibits any individual from making contributions aggregating more than \$25,000 in a calendar year.

On June 2, 1980, Mr. & Mrs. Bass filed, with the Commission, an affidavit signed by both which states their intent to have one-half of the amounts of the contributions in question attributed to the respondent and one-half to Mrs. Bass. The

61040252307

attribution of the amounts of the contributions in accordance with Mr. & Mrs. Bass' statement results in total contributions of \$19,400 for each in the calendar year 1978.

In his brief, Mr. Kelly states that the "General Counsel disregards the affidavit and refuses to accord Mr. Bass the same treatment the Commission gave Tom Hayden and Jane Fonda in 1976", referring to MUR 149. The Commission's disposition of MUR 149, however, is not relevant to the present matter because the conclusion reached in that MUR was that community property would be considered part of the "personal funds" of a candidate as defined in 11 C.F.R. § 110.10. That MUR did not concern an issue of whether or not expenditures from community property could be attributed to the candidate's spouse. In the present matter, even if the contributions in question were made from community property, this would not make them automatically contributions by both Mr. and Mrs. Bass. (see OGC Brief dated June 13, 1980 and 11 C.F.R. §§ 104.8(c) and 104.8(d)). In order for a contribution made by using one instrument to be considered a contribution by both a husband and wife, each must sign either the instrument or an accompanying writing specifying that each is a contributor and the amount to be attributed to each. (See AO 1980-67) Therefore, it is the opinion of the General Counsel that a violation of 2 U.S.C. § 441a(a)(3) has occurred.

IV. Recommendation

1. Find probable cause to believe that Perry R. Bass violated 2 U.S.C. § 441a(a)(3).
2. Approve the attached conciliation agreement.
3. Approve the attached letter.

Re: MUR 1064
Perry R. Bass

Dear Mr. Kelly.

On , 1980, the Commission determined there was probable cause to believe that your client committed a violation of 2 U.S.C. § 441a(a)(3), a provision of the Federal Election Campaign Act of 1971, as amended, in connection with the making of \$38,800 in contributions attributable to 1978.

The Commission has a duty to attempt to correct such violations for a period of thirty to ninety days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. If we are unable to reach an agreement during that period, the Commission may institute civil suit in United States District Court and seek payment of a civil penalty.

We enclose a conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter. If you agree with the provisions of the enclosed agreement, please sign and return it along with the civil penalty to the Commission within ten days. I will then recommend that the Commission approve the agreement. Please make your check for the civil penalty payable to the U.S. Treasurer.

I wish to reply to your brief but I would like to request a fifteen day extension of time to do so. Because of previous engagements, I will also be out of my office most of next week, which would leave me too short a time to make a proper response within the prescribed fifteen (15) day period.

BEFORE THE FEDERAL ELECTION COMMISSION
July 18, 1980

In the Matter of §
Perry R. Bass § MUR 1064

REPLY BRIEF OF PERRY R. BASS

I. STATEMENT OF THE CASE

8 1 4 0 2 5 2 3 1 9

Relying on strictly technical grounds, the Office of General Counsel is seeking to hold Mr. Bass in violation of U.S.C. § 441a(a)(3) of the Federal Election Campaign Act of 1971 (the "Act") for allegedly making contributions totaling \$38,8000 attributable to 1978. On behalf of Mr. Bass, we have informed General Counsel that the contributions in question were made from *community* funds of Nancy Lee and Perry R. Bass and furnished an affidavit to this effect from Mr. and Mrs. Bass. The attribution of the amounts of these contributions in accordance with the Affidavit results in total contributions of \$19,400 for each for the calendar year 1978, an amount which is not in violation of the Act. But General Counsel disregards the Affidavit and refuses to accord Mr. Bass the same treatment the Commission gave Tom Hayden and Jane Fonda in 1976. [See MUR 149(76)].

II. LEGAL ANALYSIS

The General Counsel relies on two regulations in support of its position. 11 CFR § 104.5(c) provides:

Absent evidence to the contrary, any contribution made by check, money order, or other written instrument shall be reported as a contribution by the last person signing the instrument prior to the delivery to the candidate or committee.

Additionally, 11 CFR § 104.8(b), (formerly §104.5[e]), provides:

A contribution which represents contributions by more than one person shall indicate on a written instrument, or an accompanying written statement signed by all contributors, the amount to be attributed to each contributor.

These regulations simply do not support the General Counsel's position. He ignores that §104.5(c) begins with the clause "Absent evidence to the contrary.... " Surely the Affidavit is evidence that the contributions were *community* property contributions of both Mr. and Mrs. Bass.

Mr. Bass, as custodian of the community property estate, has legal access and control over both his and Mrs. Bass' checking accounts and expenditures of funds, and as a result thereof, there was a pattern long-established as to the use of such *community* funds by Mr. Bass on behalf of Mrs. Bass.

Mrs. Bass is an active civic leader in Texas, serving on many eleemosynary boards, and has on many occasions asked her husband to make political contributions on her behalf. In her letter which is attached to this Reply, she states unequivocally that she had knowledge of the contributions which were made in 1978 and that she gave her husband authority to make the contributions on her behalf.

Mr. and Mrs. Bass have filed joint tax returns since their marriage, including the year 1978, and they therefore assume joint liabilities and debts.

General Counsel argues that because a citizen fails to provide an accompanying statement indicating that the contributions were made by more than two people, then the contributions must automatically be attributed to only one person, and therefore, a violation of the Act occurs. As Mr. Bass has repeatedly pointed out, the only reason that he did not make it clear in the first instance that the 1978 contributions were made from himself and Mrs. Bass, was because he did not think any violation had occurred. The contribution that caused the \$25,000 limitation to be exceeded was made to the Republican National Committee. Mr. Bass did not think a contribution to a national committees counted against the limitation.

At most, a technical violation of Section 104.8(b) of the Code has occurred, but clearly, there is no violation of the Act. Without a violation of the Act, the charge against Mr. Bass should be dismissed.

The intent of Congress in cases of this type is indicated in § 453 of the Act, which provides:

The provisions of this Act, and of rules prescribed under this Act, supersede and preempt any provision of State law with respect to election to Federal office.

51040252322
The Commission will note that Congress was careful to limit this preemption provision only "to election to Federal office," and not to the fundamental nature of property as determined by particular states, such as, *community* property law in Texas.

For the Commission to find a violation in this case would be not only to ignore its previous decision in the Hayden/Fonda case, MUR 149(76), but would fuel the Office of the General Counsel to chase every technical violation possible. This is the type of federal "over-regulation" which the Commission should not countenance.

RECOMMENDATION

Respondent, therefore, respectfully urges that the Commission find that there is not probable cause to believe that a violation of the Subsection has occurred with respect to Mr. Bass.

For years, my husband and I have made political contributions to various state and national candidates. My husband has made contributions on my behalf from community funds from joint bank accounts. Dear Ms. Tarrant:

I returned to my office last night to find your letter of June 23, 1980 with reference to the above case again indicating that General Counsel has found probable cause to believe a violation has occurred.

I wish to reply to your brief but I would like to request a fifteen day extension of time to do so. Because of previous engagements, I will also be out of my office most of next week, which would leave me too short a time to make a proper response within the prescribed fifteen (15) day period.

Respectfully submitted,

Re: MUR 1064

Dear Mr. Kelly:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission, on May 15, 1980, found reason to believe that your client had violated 2 U.S.C. § 441a(a)(3), a provision of the Federal Election Campaign Act of 1971, as amended, and instituted an investigation of this matter.

After considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation has occurred.

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of General Counsel.) The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote on probable cause to believe a violation has occurred.

A finding of probable cause to believe requires that the Office of General Counsel attempt for a period of not less than thirty, but not more than ninety days, to settle this matter through a conciliation agreement. This does not preclude settlement of this matter through informal conciliation prior to a finding of probable cause to believe, if your client so desires.

MEMORANDUM TO: The Commission
FROM: Charles N. Steele *CN*
General Counsel
SUBJECT: MUR 1064

Attached for the Commission's review is a brief stating the position of the General Counsel on the legal and factual issues of the above-captioned matter. A copy of this brief and a letter notifying the respondent of the General Counsel's intent to recommend to the Commission a finding of probable cause to believe was mailed on June 23, 1980. Following receipt of the Respondent's reply to this notice, this Office will make a further report to the Commission.

Attachments

1. Brief
2. Letter to Respondent

6104025332

In response to the Commission's first letter, Mr. Kelly responded by saying that Mr. Bass was not aware that contributions made in 1977 and 1979 could count against his 1978 contribution limitation. In addition, he stated that the respondent understood

his \$10,000 contribution to the Republican National Committee (RNC) would be used for state and local elections only and, therefore, would not count against his \$25,000 limitation.

In order to obtain more information on this \$10,000 contribution, a letter, with questions, was sent to the RNC. As indicated by the RNC's response, Mr. Bass did not earmark his contribution for state and/or local elections, nor was he told that his contribution would be used for such a purpose. In addition, the RNC did not have a separate account for non-federal purposes.

In response to the Commission's reason to believe finding, Mr. Kelly, in addition to reiterating the above arguments, stated that the contributions in question were made from community funds of Nancy Lee and Perry R. Bass and should have been reported as set forth in an accompanying affidavit. The attached affidavit, which was signed by both Mr. & Mrs. Bass, attributed half of each contribution in question to Mrs. Bass and half to Mr. Bass. The attribution of the amounts of the contributions in accordance with the Bass' statement results in total contributions of \$19,400 for each for calendar year 1978.

However, pursuant to 11 C.F.R. § 104.5(c),

Absent evidence to the contrary, any contribution made by check, money order, or other written instrument shall be reported as a contribution by the last person signing the instrument prior to delivery to the candidate or committee.

Additionally, 11 C.F.R. § 104.8(d), (formerly § 104.5(e)) requires that

A contribution which represents contributions by more than one person shall indicate on the written instrument, or on an accompanying written statement signed by all contributors, the amount to be attributed to each contributor.

8194725334

Therefore, regardless of the community property laws of Texas, as there was no accompanying statement indicating the contributions were from both Mr. & Mrs. Bass at the time the contributions were made, the contributions made by Perry Bass were rightly attributed only to him. Accordingly, the General Counsel recommends the Commission find probable cause to believe a violation of 2 U.S.C. § 441a(a)(3) has been committed.

III. RECOMMENDATION

Find probable cause to believe that Perry R. Bass violated 2 U.S.C. § 441a(a)(3).

Dear Ms. Tarrant:

Responding to Mr. Tiernan's letter of May 16, 1980, addressed to Perry R. Bass regarding his contributions during 1978, I hand you herewith an affidavit from Mr. and Mrs. Bass stating that the contributions which are the subject of the inquiry of the FEC were made from community funds of Nancy Lee and Perry R. Bass and should have been reported as set forth in the affidavit. You will note that the total contributions of \$38,800 should have been reported as follows:

Nancy Lee Bass	\$19,400
Perry R. Bass	\$19,400

I would like to again emphasize that Mr. Bass was of the impression that the contribution to the Republican National Committee was to be used in local and state races and would not count against individual federal election limits. Furthermore, \$5,000 of the contributions were not made during the calendar year of 1978. In view of the affidavit and particularly in view of the mitigating circumstances regarding the contribution to the Republican National Committee and the non-calendar year contributions, I respectfully request that the Commission reconsider this matter and find that no violation has occurred.

Respectfully submitted,

Re: MUR 1064

Dear Mr. Bass:

The Federal Election Commission notified you in a letter dated February 28, 1980, that you may have violated a certain provision of the Federal Election Campaign Act of 1971, as amended ("the Act").

Upon further review of the information available to the Commission and information supplied by your attorney, Dee J. Kelly, the Commission determined, on , 1980, that there is reason to believe that you violated 2 U.S.C. § 441a(a)(3). A report on the Commission's finding is attached for your information. You may submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter.

In the absence of any additional information which demonstrates that no further action should be taken against you, the Commission may find probable cause to believe that a violation has occurred, and proceed with formal conciliation. Of course, this does not preclude the settlement of this matter through informal conciliation prior to a finding of probable cause to believe if you so desire.

MUR NO. 1064

STAFF MEMBER(S) & TEL. NO.

RESPONDENT Perry R. Bass

202/523-4175

SOURCE OF MUR: I N T E R N A L L Y G E N E R A T E D

BACKGROUND

The Reports Analysis Division referred to the Office of General Counsel the matter in which Perry R. Bass may have violated 2 U.S.C. § 441a(a)(3) by making \$38,800 in contributions involving federal elections during 1978. On February 28, 1980, a letter was sent to Mr. Bass informing him of a possible violation of the Act.

FACTUAL BASIS AND LEGAL ANALYSIS

On March 24, 1980, a response was received from Mr. Bass' attorney, Dee J. Kelly. According to Mr. Kelly, Mr. Bass understood his \$10,000 contribution to the Republican National Committee (RNC) would not count against his \$25,000 limitation because the entire amount was to be used only for state and local elections. A letter requesting more information on Mr. Bass' contribution was sent to the RNC. Their response indicates that Mr. Bass did not earmark his contribution for state and local elections only and that the money was placed in a central account from which both federal and non-federal expenditures were made.

2 U.S.C. § 441a(a)(3) prohibits an individual from making contributions aggregating in excess of \$25,000 in a calendar year. For purposes of this section, any contribution made to a candidate in a year other than the calendar year in which the election is held with respect to which such contribution is made, is considered to have been made during the calendar year in which such election is held.

According to reports filed at the Commission, the respondent has exceeded his limit by \$13,800. Therefore, the Office of General Counsel recommended the Commission find reason to believe that Perry R. Bass violated 2 U.S.C. § 441a(a)(3).

Based on the foregoing analysis, the Federal Election Commission has:

1. Found reason to believe that Perry R. Bass violated 2 U.S.C. § 441a(a)(3).

2. Approved the sending of the proposed letter.

A letter requesting more information on Mr. Bass' contribution was sent to the RNC. Their response indicates that Mr. Bass did not earmark his contribution for state and local elections only and that the money was placed in a central account from which both federal and non-federal expenditures were made.

2 U.S.C. § 441a(a)(3) prohibits an individual from making contributions aggregating in excess of \$25,000 in a calendar year. For purposes of this section, any contribution made to a candidate in a year other than the calendar year in which the election is held with respect to which such contribution is made, is considered to have been made during the calendar year in which such election is held.

According to reports filed at the Commission, the respondent has exceeded his limit by \$13,800. Therefore, the Office of General Counsel recommended the Commission find reason to believe that Perry R. Bass violated 2 U.S.C. § 441a(a)(3).

Based on the foregoing analysis, the Federal Election Commission has:

1. Found reason to believe that Perry R. Bass violated 2 U.S.C. § 441a(a)(3).
2. Approved the sending of the proposed letter.

GENERAL COUNSEL'S REPORT

I. Background

On February 26, 1980, the Commission approved the sending of a letter to Mr. Bass informing him of a possible violation of 2 U.S.C. § 441a(a)(3). The letter was sent on February 28, 1980.

II. FACTUAL BASIS & LEGAL ANALYSIS

On March 24, 1980, Mr. Bass' attorney, Dee J. Kelly, responded to our letter. (See Attachment 1) Mr. Kelly stated that Mr. Bass thought his \$10,000 contribution to the Republican National Committee (RNC) would not count against his limit because it was only going to be used for state and local elections.

In order to obtain more information on this \$10,000 contribution, a letter, with questions, was sent to the RNC. (See Attachment 2) As indicated by the RNC's response, Mr. Bass did not earmark his contribution for state and local elections, nor was he told that his contribution would be used for such a purpose. In addition, the RNC did not have a separate account for non-federal purposes. Accordingly, this contribution should

count against Mr. Bass' limit.

2 U.S.C. § 441a(a)(3) prohibits an individual from making contributions aggregating in excess of \$25,000 in a calendar year. For purposes of this section, any contributions made to a candidate in a year other than the calendar year in which the election is held with respect to which such contribution is made, is considered to have been made during the calendar year in which such election is held. As it appears Mr. Bass has gone over his limit by \$13,800, the Office of General Counsel recommends the Commission find reason to believe that Mr. Bass violated 2 U.S.C. § 441a(a)(3).

III. Recommendation

1. Find reason to believe that Perry R. Bass violated 2 U.S.C. § 441a(a)(3).

Dear Mr. Steele:

91040252359
This firm represents Mr. Perry Bass, and he is in receipt of your letter of February 28, 1980, in regard to my campaign contributions during the calendar year of 1978. Based on the figures outlined in your letter, during the year 1978, Mr. Bass made contributions in the total amount of \$33,800. However, included in such amount was a \$10,000 contribution to the Republican National Committee, which Mr. Bass understood would not be counted against his \$25,000 limitation, because the entire \$10,000 would be used only for state and local campaigns. Accordingly, based on this understanding, Mr. Bass only contributed \$23,800 to federal campaigns in the calendar year 1978, and therefore, he felt that he was in compliance with the Federal Election Commission Act and Regulations in this regard.

Your letter indicates that Mr. Bass made four contributions for a total of \$4,000 in the year 1977. Additionally, your letter refers to one contribution of \$1,000 that Mr. Bass made in 1979, which together with his 1977 contributions, would also be counted for the fiscal year 1978. At the time Mr. Bass made these contributions in 1977 and 1979, it was his understanding that they would be fully expended in the particular year in which they were donated, and therefore, would not be counted against his 1978 total. Accordingly, based on this understanding, Mr. Bass felt that he was in compliance with the law in this regard.

Based upon all of the above, Mr. Bass would hope that this matter can be resolved with an understanding that he complied with the Federal Election Commission Act and Regulations.

If you have any questions, please do not hesitate to contact the undersigned.

Yours sincerely,

Dear Mr. Bass:

The Federal Election Commission notified you in a letter dated February 28, 1980, that you may have violated a certain provision of the Federal Election Campaign Act of 1971, as amended ("the Act").

Upon further review of the information available to the Commission and information supplied by your attorney, Dee J. Kelly, the Commission determined, on , 1980, that there is reason to believe that you violated 2 U.S.C. § 441a(a)(3). A report on the Commission's finding is attached for your information. You may submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter.

In the absence of any additional information which demonstrates that no further action should be taken against you, the Commission may find probable cause to believe that a violation has occurred, and proceed with formal conciliation. Of course, this does not preclude the settlement of this matter through informal conciliation prior to a finding of probable cause to believe if you so desire.

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public.

BACKGROUND

The Reports Analysis Division referred to the Office of General Counsel the matter in which Perry R. Bass may have violated 2 U.S.C. § 441a(a)(3) by making \$38,800 in contributions involving federal elections during 1978. On February 28, 1980, a letter was sent to Mr. Bass informing him of a possible violation of the Act.

FACTUAL BASIS AND LEGAL ANALYSIS

On March 24, 1980, a response was received from Mr. Bass' attorney, Dee J. Kelly. According to Mr. Kelly, Mr. Bass understood his \$10,000 contribution to the Republican National Committee (RNC) would not count against his \$25,000 limitation because the entire amount was to be used only for state and local elections. A letter requesting more information on Mr. Bass' contribution was sent to the RNC. Their response indicates that Mr. Bass did not earmark his contribution for state and local elections only and that the money was placed in a central account from which both federal and non-federal expenditures were made.

2 U.S.C. § 441a(a)(3) prohibits an individual from making contributions aggregating in excess of \$25,000 in a calendar year. For purposes of this section, any contribution made to a candidate in a year other than the calendar year in which the election is held with respect to which such contribution is made, is considered to have been made during the calendar year in which such election is held.

According to reports filed at the Commission, the respondent has exceeded his limit by \$13,800. Therefore, the Office of General Counsel recommended the Commission find reason to believe that Perry R. Bass violated 2 U.S.C. § 441a(a)(3).

Based on the foregoing analysis, the Federal Election Commission has:

1. Found reason to believe that Perry R. Bass violated 2 U.S.C. § 441a(a)(3).
2. Approved the sending of the proposed letter.

Dear Mr. Steele:

This firm represents Mr. Perry Bass, and he is in receipt of your letter of February 28, 1980, in regard to my campaign contributions during the calendar year of 1978. Based on the figures outlined in your letter, during the year 1978, Mr. Bass made contributions in the total amount of \$33,800. However, included in such amount was a \$10,000 contribution to the Republican National Committee, which Mr. Bass understood would not be counted against his \$25,000 limitation, because the entire \$10,000 would be used only for state and local campaigns. Accordingly, based on this understanding, Mr. Bass only contributed \$23,800 to federal campaigns in the calendar year 1978, and therefore, he felt that he was in compliance with the Federal Election Commission Act and Regulations in this regard.

Your letter indicates that Mr. Bass made four contributions for a total of \$4,000 in the year 1977. Additionally, your letter refers to one contribution of \$1,000 that Mr. Bass made in 1979, which together with his 1977 contributions, would also be counted for the fiscal year 1978. Dear Mr. Bass:

This is to notify you that a normal review of reports filed with the Federal Election Commission indicates that you made contributions totalling \$38,800.00 for federal elections in 1978. Section 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended, (the "Act") prohibits any individual from making contributions for federal elections aggregating in excess of \$25,000 in a calendar year. Please note that your total includes contributions made in 1977 and 1979 which were given to candidates running for election during 1978 and therefore are attributable to 1978. See also section 110.5 of the Commission's Regulations. Please see the attached chart detailing your contributions. The dates used indicate the receipt date by the committees.

We notify you of this information in order to provide you an opportunity to submit a response for the Commission's consideration of this matter.

Mr. Perry B. Bass
45 Westover Road
Fort Worth, Texas 76107

Dear Mr. Bass:

This is to notify you that a recent review of reports filed with the Federal Election Commission indicates that you made contributions totalling \$25,000.00 for Federal elections in 1978. Section 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended, (the "Act") prohibits any individual from making contributions for Federal elections aggregating in excess of \$25,000 in a calendar year. Please note that your total includes contributions made in 1977 and 1978 which were given to candidates running for election during 1978 and therefore are attributable to 1978. Section 110.5 of the Commission's Regulations, dated 10/10/77, and the attached chart detailing your contributions. The dates used indicate the receipt date by the committee.

We notify you of this information in order to provide you an opportunity to submit a response for the Commission's consideration of this matter.

If you have any questions, please contact Deborah Tarrant, the staff member assigned to this matter, at (202) 523-4173. For your information, we have attached a brief description of the Commission's procedures for handling possible violations.

Sincerely,

Charles W. Steele
General Counsel

MUR 1064

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This matter involves a possible violation of §441a(a) (3) by the respondent contributor. On November 16, 1979, the Commission voted to defer action on the matter pending receipt and analysis by the Office of General Counsel of new information from the Reports Analysis Division (RAD).

II. EVIDENCE/ANALYSIS

On November 23, 1979, this office received a referral update from RAD. This update included 1977 and 1979 contributions made by the respondent to the principal campaign committees of candidates running for election in 1978 and, in accordance with the Act, are considered as having been made during calendar year 1978. See also Section 110.5(b) of the Regulations.

According to Section I of the G Index, Mr. Bass made a total of \$38,800 in contributions for 1978. (See the attached referral and referral update for specific recipients, dates and amounts. Therefore, it appears that the respondent may have

violated 2 U.S.C. §441a(a)(3) which prohibits an individual from making contributions aggregating in excess of \$25,000 in a calendar year.

In accordance with the Commission's instructions of February 5, 1980, regarding prior notification to respondents of a possible violation, the Office of General Counsel recommends the attached letter be sent.

III. RECOMMENDATION

CERTIFIED MAIL
RETURN RECEIPT REQUESTED

Mr. Perry R. Bass
45 Westover Road
Fort Worth, Texas 76107

Dear Mr. Bass:

This is to notify you that a normal review of reports filed with the Federal Election Commission indicates that you made contributions totalling \$38,800.00 for federal elections in 1978. Section 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended, (the "Act") prohibits any individual from making contributions for federal elections aggregating in excess of \$25,000 in a calendar year. Please note that your total includes contributions made in 1977 and 1979 which were given to candidates running for election during 1978 and therefore are attributable to 1978. See also section 110.5 of the Commission's Regulations. Please see the attached chart detailing your contributions. The dates used indicate the receipt date by the committees.

We notify you of this information in order to provide you an opportunity to submit a response for the Commission's consideration of this matter.

If you have any questions, please contact Marybeth Tarrant, the staff member assigned to this matter, at (202) 523-4175. For your information, we have attached a brief description of the Commission's procedures for handling possible violations.

Sincerely,

Charles N. Steele
General Counsel

MUR 1064

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This matter involves a possible violation of §441a(a) (3) by the respondent contributor. On November 16, 1979, the Commission voted to defer action on the matter pending receipt and analysis by the Office of General Counsel of new information from the Reports Analysis Division (RAD).

II. EVIDENCE/ANALYSIS

On November 23, 1979, this office received a referral update from RAD. This update included 1977 and 1979 contributions made by the respondent to the principal campaign committees of candidates running for election in 1978 and, in accordance with the Act, are considered as having been made during calendar year 1978. See also Section 110.5(b) of the Regulations.

According to Section I of the G Index, Mr. Bass made a total of \$38,800 in contributions for 1978. (See the attached referral and referral update for specific recipients, dates and amounts.) Therefore, it appears that the respondent may have

31040252401

violated 2 U.S.C. §441a(a)(3) which prohibits an individual from making contributions aggregating in excess of \$25,000 in a calendar year.

III. RECOMMENDATION

1. Find reason to believe that Perry R. Bass may have violated 2 U.S.C. §441a(a)(3).
2. Send the attached letter.

Re: MUR 1064

Dear Mr. Bass:

This letter is to notify you that the Federal Election Commission, in the normal course of its supervisory responsibilities, has found reason to believe that you may have violated 2 U.S.C. § 441a(a)(3) of the Federal Election Campaign Act of 1971, as amended ("the Act"). A summary of the reason to believe finding is enclosed.

Please submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter within fifteen days of your receipt of this letter. In the absence of any additional information or further explanation of circumstances which demonstrate that no further action should be taken against you, the Commission may find probable cause to believe that a violation has occurred, and proceed with formal conciliation. Of course, this does not preclude the settlement of this matter through informal conciliation prior to a finding of probable cause to believe if you so desire.

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A) (formerly 2 U.S.C. § 437g(a)(3)(B) unless you notify the Commission in writing that you wish the matter to be made public.

If you intend to be represented by counsel in this matter, please advise the Commission by sending a letter of representation stating the name, address and telephone number of such counsel, and a statement authorizing such counsel to receive any notifications and other communications from the Commission.

BACKGROUND

On October 22, 1979, the Reports Analysis Division referred to the Office of General Counsel the matter in which Perry R. Bass may have violated 2 U.S.C. §441a(a)(3) by making \$38,800 in contributions involving federal elections during 1978.

FACTUAL BASIS AND LEGAL ANALYSIS

2 U.S.C. §441a(a)(3) prohibits an individual from making contributions aggregating in excess of \$25,000 in a calendar year. For purposes of this section, any contribution made to a candidate in a year other than the calendar year in which the election is held with respect to which such contribution is made, is considered to have been made during the calendar year in which such election is held.

According to reports filed at the Commission, the respondent has exceeded his limit by \$13,800.00. Please see the attached chart for specific recipients, dates and amounts. Therefore, the Office of General Counsel recommends finding reason to believe that Perry R. Bass may have violated 2 U.S.C. §441a(a)(3).

Based on the foregoing analysis, the Federal Election Commission has found:

Reason to believe that Perry R. Bass may have violated 2 U.S.C. §441a(a)(3).

SUBJECT: INDIVIDUALS EXCEEDING \$25,000 YEARLY LIMIT.

Attached are MUR updates to seven of nine RAD referrals concerning individuals who exceeded the \$25,000 yearly limits. These updates contain contributions made in 1977 and 1979 to candidates or candidate committees which may be attributed to the 1978 limitations.

In the case of an individual residing in a community property state the pages of the G Index showing all contributions from the contributor and his/her spouse have been attached.

All contributions from an individual which aggregate in excess of \$1,000 to a Federal candidate have been reviewed for election designation. Unless otherwise noted, no contributions aggregating in excess of \$1,000 were designated to a particular election.

GENERATION OF MATTER

This matter was one of a number of similar matters referred to this office by the Reports Analysis Division on October 22, 1979. The matter involves a possible violation of 2 U.S.C. §441a(a)(3) by the respondent Contributor.

BACKGROUND

Section 441a(a)(3) of the Act prohibits aggregate contributions by an individual in excess of \$25,000 in any calendar year. The Act and §110.5 of the Regulations also provide that non-election year contributions made to a principal, authorized or single campaign committee, or independent expenditures made, and designated for an election, shall count against the \$25,000 limit.

The RAD referral included contributor information about this respondent for 1978 only. Consistent with the Act and the Regulations, we requested RAD to supplement its referral with information about 1977 and 1979 contributions. We expect to receive this information by November 13, 1979.

After this information is received and analyzed we will present a full report and recommendation to the Commission. We expect to make this presentation within two weeks.

RECOMMENDATION

Defer action on this matter pending receipt and analysis by Office of General Counsel of new information from Reports Analysis Division.

MEMORANDUM

TO: WILLIAM OLDAKER
THROUGH: ORLANDO B. POTTER *OB.P.*
FROM: THOMAS HASELHORST *TH*
SUBJECT: NINE REFERRALS OF INDIVIDUALS WHO HAVE EXCEEDED THE \$25,000
AGGREGATE CONTRIBUTION LIMIT PER CALENDAR YEAR.

This packet contains eight of nine referrals of individuals who have exceeded the aggregate yearly contribution limitation. The ninth referral is being forwarded with the Kansas Democratic State Committee referral because the individual made an excessive contribution to that committee.

These referrals were initiated through review of Section 1 of the G Index. Each contribution listed was verified by checking the committee reports. All contributions shown on the G Index and included in the referrals were made during 1978.

The Reports Analysis Division has made no attempt to communicate with the individuals in question.

If you have any questions please contact Mary Luppi in the Compliance Section at 357-0023.
