GENERAL COUNSEL'S BRIEF

I. Statement of the Case

These matters were generated as the result of information compiled by the Reports Analysis Division (RAD) during the ordinary course of review of Quarterly Reports. As the result of earlier recommendations made directly to the Commission by RAD, the Commission found reason to believe that the Orange County Democratic Central Committee violated 2 U.S.C. §§ 434, 441a and 441b.

Additionally, the Round Up '78 Committee (the "Chairs Committee") was referred to the Office of General Counsel ("OGC") for failure to adequately respond to surface violation notifications from RAD. However, no formal reason to believe findings have been made with respect to the Chairs Committee.

After a review and legal analysis of the information referred to OGC, a recommendation was made, and the Commission authorized, an audit of OCDCC and the Chairs Committee pursuant to 2 U.S.C. § 437g(a)(2). The audit was conducted and covered the period from the Committee's registration on May 23, 1978, through December 31, 1980.

0204034 1360

The auditors had access to all Committee bank records for the period January 1, 1978 through December 31, 1980. However, they did not have access to bank records prior to 1978 and therefore could not verify the nature of the funds in the Committee accounts on January 1, 1978.

On January 1, 1978, the Committee maintained the following bank accounts:

Name	Type	Apparent Purpose
General	one savings and one checking	to separate receipts and to prevent commingling of prohibited funds in making contributions to federal candidates
Restricted	one savings and one checking	to receive funds prohibited by the Act to support state and local candidates
VIP	savings	to receive individual contributions through a monthly bank deduction program
69th/70th Assembly District	checking	to receive transfers and make expenditures targeted to the 69th and 70th Assembly District
74th Assembly District	checking	to receive transfers and make expenditures targeted to the 74th Assembly District

The Commission's previous findings as well as evidence obtained during the audit are discussed below in the context of the legal analysis.

6204034136 1

II. Legal Analysis

2 U.S.C. § 434 Violations

The Commission has previously found reason to believe that OCDCC violated 2 U.S.C. § 434 by failing to adequately disclose its opening funds and failure to properly disclose the individuals involved in partnership contributions.

A review of the committee's records by the Audit Division revealed that the Committee had cash on hand of $59,617 at registration; however, no explanation as to the source of funds was available.

The auditors also noted numerous contributions from partnerships and married couples which were not attributed to individuals as required by 11 C.F.R. § 104.8(d) (11 C.F.R. § 104.5(e) prior to the 1979 Amendments to the Act and Regulations).

The audit findings with regard to the violations of 2 U.S.C. § 434(b) were consistent with the previous determination by the Commission that reporting violations had been committed.

In addition to those previous findings, it was noted by the auditors that the total activity of the Chairs Committee was not disclosed in reports with the Commission.

In response to a failure to register notification from RAD, it was discovered that the Chairs Committee was an account established by the Chairman of OCDCC to hold fundraising proceeds until such time as all expenses for the fundraiser had been paid. The balance was then transferred to the OCDCC General Account.

6204034136 2

Therefore, the Chairs Committee is not deemed to be an unregistered political committee but rather, is an undisclosed account of OCDCC.

OCDCC's failure to disclose the financial activity of the Chairs Committee is also a violation of the reporting requirements of § 434(b) of which a reason to believe finding has previously been made.

Thus, the Office of General Counsel recommends the Commission find probable cause to believe that OCDCC has committed violations of § 434b.

2 U.S.C. § 441a Violations

The Commission has previously found reason to believe that OCDCC violated 2 U.S.C. § 441a(f) by accepting excessive contributions from the Re-Elect Paul Bell Committee and Californians for Brown. The auditor's finding confirmed the Commission's finding that OCDCC accepted $7,876 from the Re-Elect Paul Bell Committee and $9,330 from Californians for Brown in violation of § 441a(f).

The audit staff also noted that OCDCC made transfers of $5,000 each to the Committee to Re-Elect Patterson to Congress and the Hannaford Re-Election Committee prior to achieving multicandidate status also in violation of 2 U.S.C. § 441a. Thus, it is recommended that the Commission find probable cause to believe OCDCC violated 2 U.S.C. § 441a.

6204034 1363

Therefore, the Chairs Committee is not deemed to be an unregistered political committee but rather, is an undisclosed account of OCDCC.

OCDCC's failure to disclose the financial activity of the Chairs Committee is also a violation of the reporting requirements of § 434(b) of which a reason to believe finding has previously been made.

Thus, the Office of General Counsel recommends the Commission find probable cause to believe that OCDCC has committed violations of § 434b.

2 U.S.C. § 44la Violations

The Commission has previously found reason to believe that OCDCC violated 2 U.S.C. § 44la(f) by accepting excessive contributions from the Re-Elect Paul Bell Committee and Californians for Brown. The auditor's finding confirmed the Commission's finding that OCDCC accepted $7,876 from the Re-Elect Paul Bell Committee and $9,330 from Californians for Brown in violation of § 44la(f).

The audit staff also noted that OCDCC made transfers of $5,000 each to the Committee to Re-Elect Patterson to Congress and the Hannaford Re-Election Committee prior to achieving

6204034 1364

2 U.S.C. § 441b Violations

The Commission has previously found reason to believe that OCDCC violated 2 U.S.C. § 441b by accepting union and corporate contributions.

Pursuant to § 441b, corporations and labor organizations are prohibited from making contributions in connection with federal elections and prohibits any person from accepting such a contribution. In addition, Section 102.5(a)(1)(i) and (ii) of Title 11 of the Code of Federal Regulations (11 C.F.R. Section 102.6 prior to the 1979 amendments to the Act and Regulations) requires that each party committee which finances political activity in connection with activity in both federal and non-federal elections shall either: (i) Establish a separate federal account which shall be treated as a separate federal committee and only funds subject to the prohibitions and limitations of the Act shall be deposited in this account. All disbursements in connection with federal activity shall be made from this account and no transfers may be made to such federal account from an account maintained for the purpose of financing activity in connection with non-federal elections, or (ii) Establish a political committee which shall receive only contributions subject to the prohibitions and limitations of the Act, regardless of whether such contributions are for use in connection with federal or non-federal elections.

The auditors analyzed the activity in all of the Committee accounts. The auditor's findings with respect to OCDCC's

0204034136 5

acceptance of corporate and union funds during the time period audited (1978-1980) are as follows:

(a) receipt of $515 in apparent corporate contributions into the general account;

(b) receipt of $3,000 in apparent union contributions into the general account;

(c) receipt of $31,553 from unregistered state and local committees which are permitted to accept corporate and union contributions under state law, and thus, may have contained such prohibited funds; and

(d) receipt of $2,700 from the restricted account into the general account.

The Office of General Counsel recommends that the Commission find probable cause to believe that violations of 2 U.S.C. § 441b have been committed.

III. General Counsel's Recommendations

It is recommended that the Commission:

1. Find probable cause to believe that OCDCC violated 2 U.S.C. § 434(b);

2. Find probable cause to believe that OCDCC violated 2 U.S.C. § 441a; and

3. Find probable cause to believe that OCDCC violated 2 U.S.C. § 441b.

RE: MURs 1115 and 1122

Dear Mr. Young:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, and information supplied by your committee, the Federal Election Commission has previously found reason to believe that your committee violated 2 U.S.C. § 434, § 441a and § 441b, and instituted an investigation in this matter.

After considering all the evidence available to the Commission, the Office of General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation has occurred.

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies if possible) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of General Counsel, if possible). The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of probable cause to believe a violation has occurred.

If you are unable to file a responsive brief within fifteen days, you may submit a written request to the Commission for an extension of time in which to file a brief. The Commission will not grant any extensions beyond twenty days.

8204034113 67

A finding of probable cause to believe requires that the Office of General Counsel attempt for a period of not less than thirty, but not more than ninety days to settle this matter through a conciliation agreement.

Should you have any questions, please contact Suzanne Callahan, at (202) 523-4057.

MEMORANDUM

TO: CHARLES N. STEELE
GENERAL COUNSEL

THROUGH: B. ALLEN CLUTTER
STAFF DIRECTOR

FROM: BOB COSTA

SUBJECT: AUDIT OF ORANGE COUNTY
DEMOCRATIC CENTRAL COMMITTEE

I. Background

Attached for your information are the findings of our audit of the Orange County Democratic Central Committee (OCDCC) ("the Committee"). On September 22, 1981 the Commission approved the Audit Division's recommendation that "an audit be conducted in order to evaluate compliance with the Act, to correct and clarify the public record, and to expedite the resolution of the matters contained in MUR's 1115 and 1122," and "that the audit cover the full scope contemplated in the Commission approved Audit Program and Procedure." The audit covered the period from the Committee's registration on May 23, 1978 through December 31, 1980. In addition the audit included procedures to determine the source of the Committee's reported cash on hand at May 23, 1978.

The audit was conducted in accordance with Section 437g(a)(2) of Title 2 of the United States Code which provides that when the Commission determines, by an affirmative vote of 4 of its members, that it has reason to believe that a person has committed a violation of the Federal Election Campaign Act of 1971 as amended ("the Act"), the Commission shall make an investigation of such alleged violation, which may include an audit.

The principal officers of the Committee during the period covered by the audit were Howard Adler, Treasurer during 1978; Jacqueline Jessie, Treasurer during 1979 and 1980; and Mr. Frank Barbaro, Chairman. The current Treasurer is Dan Young. The Committee is now located in Westminster, California.

II. Overview

The auditors had access to all Committee bank records for the period January 1, 1978 through December 31, 1980. However, we did not have access to bank records prior to 1978 and therefore could not verify the nature of the funds in the Committee accounts on January 1, 1978.

On January 1, 1978, the Committee maintained the following bank accounts:

Name	Type	Apparent Purpose 1/
General	one savings 2/ and one checking	to separate receipts and to prevent commingling of prohibited funds in making contributions to federal candidates
Restricted	one savings 2/ and one checking	to receive funds prohibited by the Act to support state and local candidates
VIP	savings	to receive individual contributions through a monthly bank deduction program
69th/70th Assembly District 2/	checking	to receive transfers and make expenditures targeted to the 69th and 70th Assembly District
74th Assembly District 2/	Checking	to receive transfers and make expenditures targeted to the 74th Assembly District

---

1/ For a detailed analysis of the activity and interrelationships of the Committee accounts, see Attachment I.

2/ Account closed in Summer, 1978. All other accounts remained open through 1980.

In addition to the above mentioned accounts, the auditors had access to records for 1979 for the Chairs Committee account (aka Round Up '78 in 1978). Former Committee officials could not provide records for this account in 1978. Therefore, the source of cash on hand in this account on January 1, 1979 totaling $446.98 could not be verified. 3/ The OCDCC Treasurer (Mrs. Jacqueline Jessie) was also the bookkeeper and signatory for the Chairs Committee account.

The Committee reported activity from all accounts (except the Chairs Committee) in 1978 and 1979. No evidence was found that the activity of the Chairs Committee was ever reported to the Federal Election Commission. In 1980, only the activity from the General account was reported. This change in reporting caused a discrepancy in reported cash on hand between December 31, 1979 ($3,222.00) and January 1, 1980 ($555.30). The Committee reported a beginning cash balance of $59,617; total receipts for the period of $94,157.02; total expenditures of $151,546.90; and closing cash balance of $86.42. In addition to the discrepancy described above, the Committee made a $526.00 error in reporting cash on hand in October 1978.

III. Summary of Findings

A. Disclosure of Cash on Hand

Section 104.12 of Title 11, Code of Federal Regulations (11 C.F.R. Section 104.10 prior to the 1979 amendments to the Act and Regulations) requires political committees which have cash on hand at time of registration, to disclose in their reports, the source of the cash on hand at registration.

A review of reports revealed that the Committee had cash on hand of $59,617.00 at registration but no explanation as to the source of the funds. The auditors only had records to review the source of the increase in cash on hand between January 1, 1978 (when the reported cash balance was $3,916.00) and May 22, 1978. The Committee received $128,641.65 during the period broken down as follows:

3/ For more detail on the Chairs Committee, see Finding III.C.

6204034137

a. $ 28,770.00 from apparent corporations

b. $ 14,720.00 from apparent labor unions

c. $ 31,750.00 from unregistered state and local committees

d. $ 7,945.00 from partnerships

e. $ 3,250.00 from FEC registered committees

f. $ 42,206.65 from individuals

$128,641.65 total 4/

During this period the Committee spent approximately $72,000 and the cash on hand therefore increased by approximately $56,000.

The auditors also noted numerous contributions from partnerships and married couples which were not attributed to individuals as required by 11 C.F.R. 104.8(d). (11 C.F.R. 104.5(e) prior to the 1979 amendments to the Act and Regulations)

B. Source of Funds Contributed to Federal Candidates

Section 441b of Title 2, United States Code prohibits any corporation or labor organization from making a contribution in connection with any federal election and prohibits any person from accepting such a contribution. In addition Section 102.5(a)(1)(i) and (ii) of Title 11 of the Code of Federal Regulations (11 C.F.R. Section 102.6 prior to the 1979 amendments to the Act and Regulations) requires that each party committee which finances political activty in connection with activity in both federal and non-federal elections shall either: (i) Establish a separate federal account which shall be treated as a separate federal committee and only funds subject to the prohibitions and limitations of the Act shall be deposited in this account. All disbursements in connection with federal activity shall be made from this account and no transfers may be made to such federal account from an account maintained for the purpose of financing activity in connection with non-federal elections, or (ii) Establish a political committee which shall receive only contributions subject to the prohibitions and limitations of the Act, regardless of whether such contributions are for use in connection with federal or non-federal elections.

4/ See Finding III.B. and Attachment I for details of the flow of these funds through the Committee's accounts.

8204034137 2

The auditors analyzed the activity in all of the Committee accounts. For a detailed diagram of the activity in the accounts and their interrelationship see Attachment I. During calendar years 1978 and 1979, the Committee chose to report activity from all accounts with the exception of the Chairs Committee Account.

On June 7, 1978 transfers of $5,000.00 each were made from the general account to committees supporting Congressional candidates Mark Hannaford and Jerry Patterson. Between January 1, 1978 and May 23, 1978 four (4) apparent corporate contributions totaling $465.00 were deposited in the general account.

On October 31, 1978 transfers of $700.00 each from the general account were made to committees supporting Congressional candidates Bill Farris and Jim McGuy. Between June 9, 1978 and October 31, 1978 the following deposits were made to the general account:

1. On July 24, 1978 a $1,700.00 transfer from the restricted account. Between January 1, 1978 and July 24, 1978 the restricted account received $29,555.00 in apparent corporate contributions, $14,720.00 in contributions from apparent labor unions, and $23,900.00 in contributions from non-registered state and local committees (since California law allows corporate and labor contributions, the receipts from these committees may contain funds prohibited by the Act).

2. A $50.00 contribution from an apparent corporation on October 13, 1978.

3. $3,000.00 in apparent labor union contributions.

4. $18,224.00 in contributions from state and local committees (since California law allows corporate and labor union contributions, the receipts from these committees may contain funds prohibited by the Act).

Between October 31, 1978 and September 17, 1979 the general account received an additional $13,329.00 from unregistered state and local committees (since California law allows corporate and labor union contributions, the receipts from these committees may contain funds prohibited by the Act). Included in this $13,329 was $8,170.00 ($1,425.00 in 1978 and $6,745.00 in 1979) from the Chairs Committee (also known as the Round-Up '78 Committee).

6204034137 3

We did not have sufficient records to verify the source of the $1,425.00 received in 1978. The $6,745.00 received in 1979 represents the profits from a fundraiser held in 1979 which collected a total of $13,474.50 including $4,075.00 from apparent corporations, $3,500.00 from apparent labor unions, and $150.00 from an unregistered state committee. During this period the general account also received $1,040.00 from apparent labor unions.

In October, 1980 transfers of $500.00 each were made from the general account to committees supporting Congressional candidates Leonard Lahtinen and Michael Dow. On September 16, 1980, the general account received a $1,000.00 transfer from the restricted account. In addition to funds received in the restricted account prior to July 24, 1978 described above, the restricted account received a $400.00 apparent corporate contribution, and a $2,000 contribution from an unregistered committee prior to the $1,000.00 transfer to the general account.

Previously, on October 5, 1979 a $99.96 transfer was made from the restricted account to the Jerry Patterson for Congress Committee. On June 16, 1980 additional transfers of $500.00 each were made to committees supporting federal candidates Leonard Lahtinen and Michael Dow from the restricted account. On July 15, 1980, there was also an $87.46 transfer to Patterson for Congress Committee from the restricted account. This account contained substantial amounts of contributions from corporations, labor unions, and unregistered state and local committees as described above.

C. Chairs Committee (aka Round Up '78)

Section 433(a) of Title 2 of the United States Code (2 U.S.C. 431(e)(1) prior to the 1979 amendments to the Act and Regulations) requires each political committee to file a Statement of Organization within 10 days of becoming a committee. Section 431(4)(C) of Title 2 of the United States Code in part defines a political committee as any local committee of a political party which receives contributions aggregating in excess of $5,000.00 during a calendar year or makes contributions in excess of $1,000.00 during a calendar year. Section 434(a) of Title 2 of the United States Code requires each Treasurer of a political committee to file reports in accordance with the provisions of this subsection. Section 100.5(g)(2) of Title 11 of the Code of Federal Regulations in part defines affiliated committees as those established, financed, maintained, or controlled by the same person or group of persons.

6204034137 4

The auditors only had access to records for this account for 1979. There was $446.98 in the account on January 1, 1979 with no explanation as to its source. According to former Treasurer Howard Adler, this account was not part of the Committee in 1978 but operated as a separate entity. Mr. Adler said he was not familiar with the activity in the account in 1978. The Orange County Democratic Central Committee received $1,425.00 from this account in 1978. As noted in Finding B. above, during 1979 the account received $13,474.50 from a fundraising event. Included in this amount was $4,075.00 from apparent corporations, $3,500.00 from apparent labor unions, $150.00 from an unregistered state committee, and $5,749.50 from individuals which includes $650.00 from a partnership. After paying expenses which were adequately documented, the account made three (3) transfers totaling $6,745.00 to the Committee's general account. The OCDCC Treasurer at the time (Jacqueline Jessie) was also the bookkeeper and signatory for the Chairs Account. No evidence could be found that the activity in this account was ever reported to the Federal Election Commission. The account name changed from Round Up '78 to Chairs in 1979 presumably because the former name was obsolete. This account was closed at the end of 1979.

D. Acceptance of Excessive Contributions

Section 44la(a)(1)(C) of Title 2, United States Code states no person shall make contributions to any other political committee in any calendar year which, in the aggregate, exceed $5,000.00. Section 44la(f) prohibits a political committee from accepting contributions in violation of section 44la.

During 1978 the Committee accepted contributions totaling $7,876.00 from the Re-Elect Paul Bell Committee and $9,330.00 from Californians for Brown which are unregistered state and local committees.

E. Excessive Contributions to Candidates

Section 44la(a)(1)(A) prohibits a person (except a multicandidate committee) from making a contribution in excess of $1,000 to any federal candidates' authorized committee.

On June 7, 1978 the Committee made transfers of $5,000 each to the Committee to Re-Elect Patterson to Congress and the Hannaford Re-Election Committee. The Committee did not achieve multicandidate status until October 15, 1980. 5/

5/ Date Committee achieved multicandidate status per Reports Analysis Division.

0 2 0 4 0 3 4 1 3 7 5

On May 25, 1979, the Committee filed an amendment to its Statement of Organization claiming affiliation with the California Democratic Party State Central Committee (CDSCC). This claim of affiliation was made presumably to show that the contributions to Federal candidates Patterson and Hannaford were not excessive. In 1977 it was noted that the Committee enrolled in CDSCC's insurance program, and correspondence at the end of 1979 indicated the Committee was considering joining CDSCC's "VIP program" for collecting contributions. In addition, the Federal Election Commission audited CDSCC and the auditors report that CDSCC claims no affiliation with the Committee.

F. Failure to Report Contributions to Candidates

Section 434(b)(4)(H) of Title 2 of the United States Code requires a committee to report all contributions made to other committees and candidates. As noted in Finding III.B., in June of 1980, the Committee made transfers of $500.00 each to committees supporting Federal candidates Michael Dow and Leonard Lahtinen from the restricted account. On July 15, 1980, the Committee made a transfer of $87.46 to Congressman Jerry Patterson from the restricted account. Since activity of the restricted account was not reported in 1980, these Federal transfers were not reported.

G. Voter Registration Activity

Section 106.1(c)(2) of Title 11 of the Code of Federal Regulations requires payments made on behalf of more than one candidate be attributed to each candidate in proportion to reflect the benefit reasonably expected to be derived.

The auditors reviewed documentation related to the Committee's voter registration activity in 1978. The documentation indicates that the drive was targeted for Jerry Brown who was then a California gubernatorial candidate. Expenditures were made from all Committee accounts and all expenditures were reported.

The total expended from the general account was $30,620.35; the total expended from the 69th-70th Assembly District account was $4,182.85; the total expended from the 74th Assembly District account was $1,090.10; and the total expended from the restricted account was $118.57.

8204034137 6

A discussion was held between the auditors and Suzanne Callahan in the Office of General Counsel. Ms. Callahan said she had calculated the appropriate figures based on various Advisory Opinions to allocate to the federal account and we should only advise the Committee of their future responsibilities.

H. Excessive Contributions From an Individual

Section 441a(a)(1)(C) of Title 2 of the United States Code prohibits a person from making contributions to committees other than authorized committees or national party committees in excess of $5,000.00. Section 441a(f) prohibits a committee from accepting contributions prohibited by Section 441a. Section 431(8)(A)(i) (2 U.S.C. 431(e)(1) prior to the 1979 amendments to the Act and Regulations) defines contributions to include any gift, subscription, loan, deposit of money or anything of value.

On August 8, 1978 Mr. Richard J. O'Neill made a $4,000.00 loan to the Committee. On October 6, 1978 Mr. O'Neill made a $4,000.00 contribution to the Committee apparently for the voter registration effort. On December 31, 1978 the Committee reported a $2,000.00 in-kind contribution from Mr. O'Neill for rent. In addition Mr. O'Neill joined the Committee's VIP contribution program and gave $20.00 for 6 months or $120.00. Therefore, Mr. O'Neill's contributions to the Committee for 1978 totaled $10,120.00.

I. Debt Owed to R. J. O'Neill

Section 434(b)(8) requires a committee to continuously report the nature of and retirement of debts owed by the committee.

On August 8, 1978, the Committee received a $4,000 loan from Richard O'Neill which was deposited in the general account. On May 5, 1980 a $2,000.00 payment was made on this loan from the restricted account. Since this account's activity was not reported in 1980, the $2,000.00 payment was not shown, but the amount owed to Mr. O'Neill was shown as reduced by $2,000.00. No interest was paid on this loan.

J. Referral From Reports Analysis Division

A referral from the Reports Analysis Division recommending the Committee for audit based on 1980 reports was considered with the following results:

0204031377

1. The referral noted a $2,000.00 reduction in a loan owed to Richard O'Neill on the July 15, 1980 report without any corresponding expenditures. The auditors noted that the $2,000.00 loan payment to Mr. O'Neill was made from the restricted account which was not reported in 1980 (see Finding III.I above);

2. The referral noted that the Committee made several mathematical errors and failed to provide aggregate year-to-date summary schedules on two (2) reports. The auditors talked with Committee Treasurer Jacqueline Jessie and noted that she was not familiar with FEC reporting requirements and thus prepared the schedules inadequately; and

3. The referral also noted that the Committee failed to itemize the expense of a $900.00 in-kind contribution. The $900.00 itemized in-kind contribution was from R. J. O'Neill and represents use of telephones.

K. Segregation of Accounts, Failure to Register and to Report

Section 102.5(a) of Title 11, Code of Federal Regulations (11 C.F.R. Section 102.6 prior to the 1979 amendments to the Act and Regulations) requires that party committees which finance activity in connection with both federal and non-federal elections shall either: (i) Establish a separate federal account which can only accept funds subject to the prohibitions and limitations of the Act or (ii) Establish a committee which shall receive only contributions subject to the prohibitions and limitations of the Act. The following are the only types of contributions allowed for either of the above choices:

1. contributions designated for the federal account

2. contributions that result from a solicitation which expressly state the contribution will be used in connection with federal elections

3. contributions from contributors who are informed that contributions are subject to the prohibitions and limitations of the Act.

No evidence could be found that the Committee had established a separate account or committee in accordance with 11 C.F.R. 102.5. It was further noted that none of the solicitation material presented by the Committee contained the required statement.

6204031378

However, it appears that the general account was intended as the federal account and deposits were made in that account for eventual support of federal candidates. The Committee did not register and report when this account was opened. Registration occurred on May 23, 1978, two weeks prior to the making of 2 transfers of $5,000 each paid to committees supporting federal candidates Patterson and Hannaford (see Finding III.B. above).

IV. Procedural Recommendations Made to New Committee Treasurer

At the conclusion of the fieldwork an exit conference was held with the current Treasurer Dan Young. In addition to briefly summarizing our findings, the conference was held to inform Mr. Young of his responsibilities as the Treasurer of the Committee and to provide assistance in avoiding any recurrence of the problems noted.

Specifically, we advised Mr. Young to open a separate federal account in accordance with 11 C.F.R. 102.5. In addition it was suggested that the Committee do a mailing to their monthly bank deduction contributors advising them of the federal nature of their contributions as required by 11 C.F.R. 102.5. Mr. Young said he had opened a new account and showed a good knowledge of the basic provisons of the Act, especially relating to commingling of prohibited funds in accounts from which federal candidates are supported. We advised Mr. Young that the Commission has viewed commingling of federal and non-federal funds as a serious matter and that he should institute procedures to prevent future commingling.

We further advised Mr. Young that the Committee is prohibited from accepting contributions into their federal account from labor unions, corporations or any contributions in excess of the $5,000.00 limitation. Similarly they should not accept contributions from state and local committees unless there is documentation that the contributions were not made from accounts containing funds prohibited by the Act.

We also advised Mr. Young that as of October 1980 his Committee had achieved multicandidate status and could now make contributions to candidates seeking federal office not exceeding $5,000 per election.

MEMORANDUM

THROUGH: B. ALLEN CLUTTER
STAFF DIRECTOR

FROM: BOB COSTA

EXECUTIVE SESSION
SEP 22 1981

SUBJECT: RECOMMENDATION OF THE AUDIT DIVISION CONCERNING MURS 1115, 1122 - ORANGE COUNTY DEMOCRATIC CENTRAL COMMITTEE ("THE COMMITTEE") AND ROUND UP '78 COMMITTEE

8204034 1382

I. Background

On August 11, 1981, the Commission referred to the Audit Division the Orange County Democratic Central Committee and Round Up '78 Committee (also known as the Chairs Committee account of the Committee for review (pursuant to 2 U.S.C. 437g) for a possible audit. The results of the review and issues raised are outlined in Section II, the referral from Reports Analysis Division is discussed in Section III, and the Audit Division's recommendation is contained in Section IV.

II. Summary of Issues

A. Matters Addressed in MURS 1115 and 1122

1. Acceptance of Corporate and Union Contributions

In MUR 1115 the Commission found Reason to Believe that the Committee violated 2 U.S.C. Section 441b by accepting contributions from corporations and labor unions. The Audit staff's review of disclosure reports revealed that the Committee apparently accepted seven (7) corporate contributions totaling $4,350.00 and six (6) labor union contributions totaling $6,240.00. It is the opinion of the Audit staff that a review of the Committee's receipt system is necessary to determine if the Committee has accepted prohibited contributions.

2. Acceptance of Excessive Contributions

In MUR 1115 the Commission found Reason to Believe that the Committee had violated 2 U.S.C. 441a(f) by accepting excessive contributions totaling $8,330.00 from Californians for Brown '78 and RAD has noted that the Committee has apparently violated 2 U.S.C. 441a by receiving excessive contributions totaling $7,876.00 from the Re-Elect Paul Bell Committee. The Audit staff reviewed these transactions and confirmed the amount from Californians for Brown '78 but reports indicate that only $7,376 was received from the Re-Elect Paul Bell Committee.

It is the opinion of the Audit staff that a review of the Committee's receipt aggregation system is necessary to determine if the Committee has accepted excessive contributions.

3. Disclosure of Source of Cash on Hand and Other Receipts

In MUR 1115 the Commission found Reason to Believe that the Committee had violated 2 U.S.C. 434 by failing to report opening cash on hand and by failing to properly report receipts from partnerships (six (6) contributions totaling $455.00). The Audit staff's review of reports and correspondence revealed that the Committee had cash on hand of $3,916 on January 1, 1978, and $59,617 on May 23, 1978. Since the Committee did not report activity prior to May 23, 1978, the Reports Analysis Division requested the Committee to explain the source of these funds. The Committee responded that the information was on file with the California Secretary of State and offered no other explanation or details. The Audit staff noted that the Committee apparently violated 2 U.S.C. 434 by reporting husband and wife contributions together as one rather than attributing the contributions to each individual.

It is the opinion of the Audit staff that a review should be made of the Committee's receipts, expenditures, and bank statements to determine the source of opening cash, and to determine if the Committee should have reported activity prior to May 23, 1978. In addition, the review should include an analysis of partnership and joint contributions to determine if these items are properly reported.

4. Excessive Contributions to Candidates

As noted in MUR 1115, the Committee also apparently violated 2 U.S.C. 441a by making excessive contributions totaling $5,000 each during June of 1978 to the Committee to Re-Elect Patterson to Congress and the Hannaford Re-Election Committee.

8204034138

On May 25, 1979, the Committee filed an amended Statement of Organization claiming affiliation with the California Democratic State Central Committee. However, as discussed in MUR 1115, an affiliation relationship between these two committees is not indicated. Therefore, the contributions made by the Committee in June 1978 are excessive as the Committee did not achieve multicandidate status until October 15, 1980.

It is the opinion of the Audit staff, that a review of the Committee's transfers to other committees will be necessary to determine if any violations have occurred.

B. Open Questions Contained in MURS 1115 and 1122

1. Committee Accounts

MUR 1115 discusses the various Committee accounts and their purposes. The interrelationship of these accounts is unclear and it is not possible to tell into which account(s) the funds from other committees were deposited. It is the opinion of the Audit staff that a review of the Committee's bank statements and activity among the various accounts would clarify the relationship among these accounts.

2. GOTV Activity

MUR 1115 discusses earmarked contributions received for voter registration and GOTV activity. However, the amount and nature of the GOTV activity is unclear as well as through which Committee accounts these funds were transacted. It is the opinion of the Audit staff that all GOTV and voter registration contributions and expenditures be reviewed to determine whether they are properly reported and attributed to candidates.

3. Affiliation with California Democratic State Central Committee

As mentioned above in Section II.A.4 and in MUR 1115 there was a question as to whether the Committee is affiliated with the California Democratic State Central Committee (DSCC). Based on a review of the California State Election Code, the Committee does not appear to be affiliated. In the opinion of the Audit staff, a review of Committee records, minutes, and correspondence, as well as discussions with Committee officials would clarify this question.

8204034364

C. Other Matters Noted With Respect to the Committee's Disclosure Reports

1. Discrepancy in Cash on Hand

The Committee reported $3,222.00 in cash on hand as of December 31, 1979 and $555.30 in cash on hand as of January 1, 1980. The Committee's explanation for this discrepancy was a letter to the Commission received on April 21, 1980 which stated that only Federally related activity is being reported and "Any discrepancies in the accumlated (sic) balances will be due to the change in reporting."

The Audit staff should review the Committee's bank statements and supporting documents in order to determine the correct amount of cash-on-hand, and reconcile discrepancies in the Committee's reports. Such a review would also determine the uses of the various Committee accounts.

2. Debt Owed to R. J. O'Neill

On August 8, 1978 the Committee received a $4,000.00 loan from a California rancher named Richard J. O'Neill. On September 27, 1979 Mr. O'Neill forgave $680.00 of this loan which was reported as an in-kind contribution by the Committee. On December 31, 1979 the Committee reported an additional $900.00 in-kind contribution from Mr. O'Neill, but there was no corresponding entry to show what this contribution represents or how it was expended. The $900.00 was not used to reduce the loan due to Mr. O'Neill. However, the amount owed to Mr. O'Neill was reduced by $2,000.00 on the Second Quarter 1980 report covering April 1, 1980 to June 30, 1980 without explanation or corresponding expenditure by the Committee. According to disclosure reports, no interest has been paid on this loan.

In order to determine whether or not loans to the Committee were properly reported, the Audit staff should review all loans and their repayments.

3. Contributions From Unregistered Committees

Current section 102.5(a)(2) and former section 102.6(b)(2) of Title 11 of the Code of Federal Regulations restricts contributions deposited in a Federal account established under 11 C.F.R. 102.5(a)(1)(i) to:

9204034 1385

(i) contributions designated for the Federal committee or account;

(ii) contributions received as a result of a solicitation which expressly states that the contribution will be used for Federal elections; and

(iii) contributions from contributors who are informed that all contributions are subject to the prohibitions and limitations of the Act.

Between May 23, 1978 and December 31, 1980 the Committee reported receiving 42 contributions totaling $31,664.00 from apparent unregistered committees operating in California. Since California law permits corporations and labor unions to make direct contributions to influence non-Federal elections, it is possible these receipts include funds prohibited by 2 U.S.C. 441b.

It is the opinion of the Audit staff that all contributions from other Committees be reviewed to determine whether or not the Committee is receiving transfers which include prohibited funds.

III. Referral from Reports Analysis Division

During the course of reviewing the reports and correspondence between the Committee and the Commission, the Audit staff discussed the Committee's reports with the analyst in the Reports Analysis Division. During the course of these discussions, it was discovered that the Committee was to be referred to the Commission for audit based on the Commission's Audit Referral Policy. The Committee has 4 referral points based on reports and correspondence covering 1980 activity. The Reports Analysis Division has prepared and forwarded the referral early so that it may be considered simultaneously with the 437g referral. (See Attachment 1)

IV. Recommendation

Based upon the matters addressed in MUR's 1115 and 1122, the referral from the Reports Analysis Division, and the additional matters noted as a result of our review of the Committee's disclosure reports, the Audit Division recommends that an audit be conducted in order to evaluate compliance with the Act, to correct and clarify the public record, and to expedite the resolution of matters contained in MUR's 1115 and 1122. Due to the extent of the problems noted in all areas of the Committee's reporting and compliance with the Act, the Audit staff recommends that the audit cover the full scope contemplated in the Commission approved Audit Program and Procedures. The Audit staff further recommends that the audit cover the period from the date of inception through December 31, 1980.

8204034-1386

In accordance with requests by the Office of General Counsel in previous 437(g) audits, the lead auditor and the Office of General Counsel staff member assigned to MURs 1115 and 1122 will meet to discuss the issues and scope of the audit. At that time the Audit Division will advise what records and documents are necessary in order to investigate the activities at issue. The Audit Division will also indicate when and where the audit will take place. Furthermore, as the Office of General Counsel has the responsibility for investigating MURs, the OGC staff member assigned to MURs 1115 and 1122 will be asked to accompany the auditors in order to assist in the audit and oversee the investigation. Lastly, the Audit Division will submit a memorandum to the Office of General Counsel regarding its findings upon conclusion of the audit.

GENERAL COUNSEL'S REPORT

SENSITIVE

6204034139 4

Background

These matters were generated as the result of information compiled by the Reports Analysis Division (RAD) during the ordinary course of review of Quarterly Reports. As the result of earlier recommendations made directly to the Commission by RAD, the Commission has previously found reason to believe that United for Orange County, the Orange County Democratic Central Committee, the Committee to Re-Elect Patterson, the Hannaford Re-Election Committee, the Mobile Homes PAC, and the Re-Elect Paul Bell Committee violated the Act.

Additionally, the Assemblyman Cordova Committee, Californians for Brown, and the Round Up '78 Committee were referred to OGC for failure to adequately respond to surface violation notifications from RAD.

The specific allegations are discussed separately, by respondent, below.

Orange County Democratic Central Committee ("OCDCC") - MUR 1115

The Commission has found reason to believe that OCDCC violated (a) 2 U.S.C. § 434 by failing to adequately disclose its opening funds and failure to properly disclose the individuals involved in partnership contributions; (b) 2 U.S.C. § 441a(f) by accepting excessive contributions totalling $8,330 from Californians for Brown '78;

and (c) 2 U.S.C. § 441b by accepting contributions from corporations and labor unions.

RAD has also noted that OCDCC has apparently violated: (a) 2 U.S.C. § 441a by making excessive contributions totalling $5,000 to the Committee to Re-Elect Patterson to Congress as well as to the Hannaford Re-Election Committee; and (b) 2 U.S.C. § 441a(f) by receiving $7,876 in excessive contributions from the Re-Elect Paul Bell Committee. (MURS 1115, 1117, 1119, 1121 and 1122 have in common the accounts of the Orange County Democratic State Central Committee).

8204034395

At the time of the referral, all that was known about OCDCC's financial activity was that OCDCC apparently operated with three accounts - a restricted account containing corporate and union monies, a general account, and the "Chairs Committee" account which was established for purposes of segregating proceeds from fundraisers until all expenses for such events had been paid, at which time any remaining proceeds were placed in the general account. OCDCC's reports to the Commission apparently included the activities of both the general and the restricted accounts. It was not possible to determine the relationships of these accounts to the OCDCC's federal activity. Nor was it ascertained into which account the contributions from Californians for Brown '78, the Re-Elect Paul Bell Committee, and the contributions from an individual contributor, Richard J. O'Neill, were placed.

Therefore, on June 3, 1980, the Commission issued an order to OCDCC to clarify unanswered questions surrounding its financial activities as well as its purported affiliation with the California

Democratic State Central Committee - Federal Account ("DSCC - Federal Account"). In light of the fact that DSCC - Federal Account denied affiliation with OCDCC, it was also issued an order concerning the affiliation issue.

In response to the order, DSCC - Federal Candidate Fund reiterated its previous position that it is not affiliated with OCDCC. OCDCC stated that the relationship between the two is contained in the California State Election Code. A review of the State Election Code Articles which outline membership in the State Central Committee and in the County Committees, does not indicate control, overlapping membership or any other indicia of affiliation between the two. Therefore, absent affiliation with DCSS - Federal Candidates Fund, OCDCC has violated 2 U.S.C. § 441a by making excessive contributions of $5,000 to the Committee to Re-Elect Patterson to Congress and the Hannaford Re-Election Committee.

The Commission has also found reason to believe that OCDCC violated 2 U.S.C. § 441a(f) by accepting excessive contributions totalling $8,330 from Californians for Brown and $7,876 from the Re-Elect Bell Committee. While both contributors maintained that their contributions were earmarked for Registration and GOTV activities of OCDCC, it appears from the reports that the subject contributions were co-mingled with the federal monies held in the various accounts of OCDCC. In response to the Commission's Order, OCDCC filed amended reports but still failed to establish whether certain contributions and expenditures were made from the general account or the federal account and failed to provide the dollar amount expended in connection with GOTV activities.

8204034396

As discussed in detail with respect to United for Orange County (see discussion MUR 1116, which follows), the Commission has held in AO 1978-28 that the expenses of a political party organization for GOTV drives in a federal election year are, at least in part, for the purpose of influencing the election of persons to federal office even though the drive is not conducted expressly or exclusively on behalf of federal candidates.

However, because the dollar amount expended in connection with GOTV activities has not been provided, it is impossible to ascertain what portion of the contributions from Brown and Bell were used in connection with federal elections.

The Commission has also found reason to believe that OCDCC violated § 434 for failure to report opening cash on hand and for failure to provide complete partnership itemizations. The amended reports do not provide any information which would negate the Commission's previous finding.

The Commission has previously found reason to believe that OCDCC has accepted corporate and union contributions which have been used in connection with federal elections. Again, OCDCC has not provided any information which refutes the Commission's finding.

OCDCC registered in September 1978 and according to a computer run of the Commission C index, OCDCC expended $92,648 in connection with 1978 primary elections, $32,730 in connection with the 1978 general election and additionally expended $25,000 in 1980. In light of the fact that OCDCC is an ongoing Committee, has repeatedly failed to provide adequate disclosure information

0204031397

to the Commission and because unanswered questions regarding their financial activities remain, especially those questions pertaining to the restricted account, the Office of General Counsel recommends that the Commission refer this committee to the Audit Division for consideration of a 2 U.S.C. § 437g audit within the parameters of the findings previously made in this matter.

It is recommended that the Commission take no further action against DSCC - Federal Candidates Fund for possible violation of 2 U.S.C. § 433 pending an audit of OCDCC.

9204034139 8

United for Orange County
MUR 1116

The Commission has found reason to believe that United for Orange County violated (a) § 441a(f) by accepting an excessive contribution totalling $14,000 from Californians for Brown '78 and (b) § 433 for failure to file a statement of organization.

Conversely, the Commission has found reason to believe that Californians for Brown violated 2 U.S.C. §§ 433, 434, and 441a in connection with making excessive contributions to a political committee while an unregistered committee.

In response to the Commission's findings of reason to believe that this committee may have violated 2 U.S.C. § 433 and § 441a(f), the committee's treasurer informed RAD that United for Orange County filed reports with the Commission by mistake. According to the treasurer, its voter registration activities were conducted exclusively at the state and local levels, particularly in support of Governor Brown's state campaign in 1978.

On June 3, 1980, the Commission issued an Order to James Kozik, the committee's treasurer, in connection with its get-out-the-vote ("GOTV") activities. The respondent, through counsel, reiterated its previous position that United for Orange is not a political committee as defined by the Act. Jerry Simmons, counsel to the respondent, maintains that the committee was solely organized to conduct voter registration and GOTV activities in a non-partisan manner and its filing of reports with the Commission was an error by their accountant.

United for Orange spent $30,794 in connection with voter registration and GOTV activities in 1978.

Pursuant to 2 U.S.C. § 433, a political committee is required to register with the Commission within ten days of becoming a political committee under the Act. A political committee is further required by 2 U.S.C. § 434 to file periodic reports of receipts and expenditures with the Commission.

The Commission has recognized in Advisory Opinion 1978-50 that GOTV and voter registration expenditures are considered administrative expenses and may be allocated in the same manner as administrative expenses. Pursuant to 11 C.F.R. § 106.1(e) party committees and other political committees which have established federal campaign committees shall allocate administrative expenses on a reasonable basis between their federal and non-federal accounts in proportion to the amount of funds expended on federal and non-federal elections, or on another reasonable basis. The Commission has further recognized in Advisory Opinions 1978-50, 1978-28, 1978-102, 1978-10, Re: AOR 1976-72, and its

8204034139

December 1977 guideline, that various methods may be "reasonable" for the allocation of the GOTV expenses of political committees. Additionally, the Commission has held in AO 1978-28 that the expenses of a political party organization for GOTV drives in a federal election year are, at least in part, for the purpose of influencing the election of persons to federal office even though the drive is not conducted expressly or exclusively on behalf of federal candidates. See also AO 1978-50 and AO 1978-10.

It appears that the method of allocation set forth in Advisory Opinion 1978-102 is the method most appropriate for the allocation of the GOTV expenses of the United for Orange during 1978. The Commission determined in AO 1978-102 that a reasonable basis of allocation for GOTV activity is to determine the ratio of the number of federal candidates seeking election in the areas where get-out-the-vote activity is conducted, to the total number of all candidates, federal, state, and local, seeking office in the areas where get-out-the-vote activity is conducted. Thus, the application of this formula to the GOTV activity conducted by United for Orange and the committees to whom United for Orange made transfers in 1978 for GOTV activity results in the determination that an amount of $3,240 is the amount attributable to federal activity that year.

This figure is derived from information received from the registrar of voters which indicates that the general election ballots in Orange County included a total of thirty-eight democratic candidates, four of which were federal candidates. Counsel for the respondent states that there were also numerous non-partisan

8204034140

city and county races in Orange County in 1978. Thus, total Committee expenditures of $30,794 divided by the total number of candidates equal $810 per candidate multiplied by four (the number of democratic federal candidates) equal $3,240 total federal activity conducted by United for Orange.

In regard to this allocation, it should be noted that if the total number of local candidates were known and the total amount expended on exempted activities were known, the federal allocation would become smaller.

In view of the fact that the federal GOTV activity of United for Orange was only $3,240 and since United did not engage in any other federal activity during 1978, it is recommended that the Commission take no further action against United for Orange. It is recommended, however, that the Commission advise United for Orange, through the attached letter, that in the future, it must take care to allocate GOTV activities to federal elections if the activities are conducted in a federal election year or are on behalf of federal candidates.

9204031401

Californians for Brown
MUR 1117

The Commission has previously advised Californians for Brown '78 that it appeared to have violated 2 U.S.C. §§ 433, 434 and 441a by making excessive contributions totalling $8,330 to Orange County Democratic Central Committee (1115) and $14,000 to United for Orange County (1116).

The Brown Committee maintains that the subject contributions to the above committees were expressly intended for voter registration and GOTV activities at the State and local levels.

The Brown Committee has stated that their contributions were misreported as being received in connection with federal elections.

Even though it is not known at this time whether the Brown Committee's contributions were deposited into non-federal accounts, the respondent contends that the subject contributions were earmarked for State and local activity.

Therefore, the intent of the respondent should be considered a mitigating factor and it is recommended that the Commission take no further action against Californians for Brown and close the file.

0204031402

Committee to Re-Elect Patterson
MUR 1118

and

Hannaford Re-Election Committee
MUR 1120

As previously stated, the Commission has found reason to believe the Orange County Democratic State Central Committee violated 2 U.S.C. § 441a by making excessive contributions totalling $5,000 to the Committee to Re-Elect Patterson to Congress as well as the Hannaford Re-Election Committee.

Conversely, both the Patterson and Hannaford Committees were found to have violated 2 U.S.C. § 441a(f) by accepting the subject excessive contributions. In light of the fact that both recipient committees were incorrectly advised by the contributor that it was affiliated with the State Central Committee and able to make the excessive contributions, since the contributions were accepted in connection with the 1978 election, and since the respondent committees are now terminated, it is recommended that

the Commission take no further action with respect to the § 441a(f) violations and close the files.

Assemblyman Cordova Committee
MUR 1119

The Assemblyman Cordova Committee contributed $1,365 to the Orange County Democratic Central Committee during 1978.

Since the Committee exceeded $1,000 in contribuions, RAD advised the Committee that it appeared to have violated 2 U.S.C. §§ 433 and 434 for failure to report and register as a political committee with the Commission. No response was ever made by the respondent committee. However, in light of the small ammount of the excessive contribution, the fact that it was made in 1978, and because the committee is not likely to again be active in federal elections, it is recommended that the Commission take no further action and close the file.

Re-Elect Paul Bell Committee
MUR 1121

The Re-Elect Paul Bell Committee contributed $7,876 to the Orange County Democratic Central Committee (OCDCC) in 1978.

Since the Committee exceeded $1,000 in contributions, RAD advised the Committee that it appeared to have violated 2 U.S.C. § 433 and § 434 for failure to report and register as a political committee with the Commission. On March 20, 1979, the Commission found reason to believe that such violations had been committed.

The Bell Committee then sent a letter to OCDCC requesting a refund of the excessive portion of the contribution. The Bell Committee was advised that OCDCC could not make the requested refund because it was in debt. The Bell Committee then indicated

0204034140 3

to RAD that it would request an advisory opinion to determine whether a repayment plan with OCDCC would be appropriate to bring the Committee into compliance with the Act. According to Commission records, no AOR was ever submitted by the respondent.

In light of the fact that the subject violation occurred in 1978 and because the respondent is not likely to be involved in federal elections in the future, it is recommended that the Commission take no further action and close the files.

Round Up '78 Committee
(AKA Chairs Committee) - MUR 1122

The Round Up '78 Committee was referred to OGC by RAD for making a contribution of $5,300 to the Orange County Democratic Central Committee.

Since the Committee exceeded $1,000 in contributions, RAD advised the committee that it appeared to have violated 2 U.S.C. § 433 and § 434 for failure to report and register as a political committee with the Commission. In response, it was discovered that the Chairs Committee was an account established by the chairman of OCDCC to hold fundraising proceeds until such time as all expenses for the fundraiser had been paid. The balance was then transferred to the OCDCC General Account.

An AOR was submitted by OCDCC concerning the Chairs account but an advisory opinion was not issued because this issue was part of a compliance matter and because the subject transactions had already occurred.

Because the Chairs Committee is actually an account of OCDCC which OGC has recommended be referred to Audit, it is recommended that this matter also be reviewed by Audit at that time.

0204031404

Mobile Homes PAC
MUR 1123

The Mobile Homes PAC, as an unregistered committee, contributed $5,000 to United for Orange County (MUR 1116), $1,000 to Nate Holden Campaign Committee, and $950 to Roos for Assemblyman Committee.

Since the Committee exceeded $1,000 in contributions, RAD advised the committee that it appeared to have violated 2 U.S.C. § 433 and § 434 for failure to report and register as a political committee with the Commission. The Commission, on July 13, 1979, found reason to believe that such violations had been committed. The Committee responded by stating that the subject contributions were expressly earmarked for Voter Registration and GOTV at the state and local levels.

In light of the fact that these contributions were not intended for use in connection with federal elections, the recipient Committees erred, and since the violation is not likely to be repeated in the future, it is recommended that no further action be taken and close the file.

Recommendations

It is recommended that the Commission:

1. MUR 1115 - take no further action against DSCC - Federal Candidates Fund;
2. MUR 1115 - refer OCDCC to audit for review pursuant to 2 U.S.C. § 437g;
3. MUR 1116 - take no further action against United for Orange County's violations of 2 U.S.C. §§ 433 and 441a(f) and close the file;

0204031405

4. MUR 1117 - take no further action against Californians for Brown's violations of 2 U.S.C. § 433, § 434 and § 441a and close file;
5. MUR 1118 - take no further action against the Committee to Re-Elect Patterson's violation of § 441a(f) and close the file;
6. MUR 1119 - take no further action against Assemblyman Cordova Committee's violations of § 433 and § 434 and close the file;
7. MUR 1120 - take no further action against Hannaford Re-Election Committee's violations of § 441a(f) and close the file;
8. MUR 1121 - take no further action against Re-Elect Paul Bell Committee's violations of §§ 433 and 434 and close file;

INTERIM INVESTIGATIVE REPORT #4

Central to alleged violations in these MURs are the finances of the Orange County Democratic Central Committee (OCDCC) and United for Orange County (UOC), and the relationships, if any, between OCDCC, UOC and the Democratic State Central Committee of California (DSCCC). On May 29, 1980, the Commission voted to defer action pending receipt of information solicited in orders to be sent to the respective treasurers of each of these three organizations. On June 2, 1980, the orders were sent. Those addressed to the treasurers of OCDCC and DSCCC apparently were not received. New orders were sent on July 14, 1980. Responses received to the orders raise the possibility that OCDCC and UOC may not be political committees as defined by 2 U.S.C. §431(4)(c).

Therefore, additional information was requested from the Registrar of Voters (Orange County, California) and has recently been received by the Office of General Counsel. A final

recommendation, based on the ballot information, will be made to the Commission shortly.

INTERIM INVESTIGATIVE REPORT #3

The operations and finances of the Orange County Democratic Central Committee (OCDCC) are central to the possible violations by other respondent's in these MURs. Upon analysis, the lengthy response of OCDCC to an order from the Commission was inadequate to answer many of the outstanding questions about OCDCC's structure. The Office of General Counsel is developing a further proposed order to be sent to OCDCC to clarify remaining issues.

Thank you for your cooperation in this matter.

Ref: MUR 1115

Dear Mr. Friedersdorf,

Enclosed you will find amended reports for the Orange County Democratic Central Committee for the year 1978, and a letter from Mr. Frank Barbaro, who was the chairman at that time. The reports have been prepared by Mr. Howard Adler, who was the treasurer and who has all the records for that period. My signature is on the last report as Mr. Adler resigned in December of 1978. However, since I have confidence in Mr. Adler, I signed the official treasurer at the time.

In response to:

A. I have already sent you a list of OCDCC accounts.
B. The enclosed amended reports identify sources of income.
C. The enclosed amended reports identify all contributions.
D. The enclosed reports do not specify which account was utilized, but the OCDCC maintained segregated accounts. Registration and GOTV activities would have been supported by the general account. OCDCC erred in reporting its income in toto, instead of reporting income and contributions concerning federal candidated.
E. The amended reports identify candidates receiving contributions.
F. Other than normal office supplies I do not believe any printed material were used for registration and GOTV. A very large and concentrated effort was made for registration and we employed many individuals for whatever time they could participate.
G. The total amount for Registration and GOTV is not specified as some amounts werer included in the unitemised figure.
H. The only thing I can refer to regarding the relationship between the State Central Committee and the OCDCC is the California State Election Code The reports would show any contributions.
I. The By-laws have already beenesent.

I sincerely hope that this will enable the FEC to allay any doubts it has regarding the Orange County Democratic Commission and reach the conclusion the OCDCC acted responsibly in financial matters and transactions during the period in question.

Sincerely,

Jacqueline A Jessie

Please be adivsed that in 1978 this committee filed reports with the FEC and California's FPPC detailing every transaction from all accounts of the committee

We have subsequently been advised that providing the data from all accounts has caused confusion and was not necessary.

We are attaching to this letter amended reports that detail in full transactions from what was then our committee's general account.

We hope this assists in clarifying the concerns that have been raised.

In regard to other issues that have been brought to our attention we would emphasize that our committee has already made to the FEC a full disclosure of every financial transaction of the committee during 1978.

We would appreciate an explanation of why any additional information may be required.

SUBJECT: MUR 1115
Request for Extension of Time

Attached is a letter from Jacqueline A. Jessie, Treasurer of the Orange County Democratic Central Committee in which she requests an extension of time until August 25, 1980, to answer an order issued by the Commission. (Attachment 1) As she received the order on July 19, 1980, her response would have been due on July 29, 1980. As Ms. Jessie explains in her letter, she is not in possession of all the files necessary to answer the order. In a telephone conversation with a member of the General Counsel's staff she indicated that the files were very extensive and that she was already working to obtain them. Therefore, the General Counsel recommends that the Commission grant the request for an extension until August 25, 1980.

Subject: MUR 1115

Dear Mr. Steele,

I received the Commission's request for detailed information regarding the financial activities of the Orange County Democratic Central Committee on July 19, 1980, and have taken the preliminary steps necessary to comply. However, because I do not have all the records for 1978, in my possession, It will not be possible for me to meet the July 30, deadline. I would like to request an extension until August 25, 1980.

Mr. Frank Barbaro, Former Chairman, and Mr. Howard Adler, former Treasurer, have been requested to get the 1978, records out of storage and compile the information the Commission is requesting.

I hope the Commission will see fit to allow the additional time.

Sincerely,

Jacqueline A. Jessie

INTERIM INVESTIGATIVE REPORT #1

Central to alleged violations in these MURs are the finances of the Orange County Democratic Central Committee (OCDCC) and United for Orange County (UOC), and the relationships, if any, between OCDCC, UOC and the Democratic State Central Committee of California (DSCCC). On May 29, 1980, the Commission voted to defer action pending receipt of information solicited in orders to be sent to the respective treasurers of each of these three organizations. On June 2, 1980, the orders were sent. Those addressed to the treasurers of OCDCC and DSCCC apparently were not received. New orders were sent on July 14, 1980. The Office of General Counsel has recently received a response from the Treasurer of UOC. When this response has been analyzed and the other responses have been received we will report further to the Commission.

BYLAWS of the

ORANGE COUNTY DEMOCRATIC CENTRAL COMMITTEE

PREAMBLE

We, the Democrats of Orange County, united in common purpose, hereby rededicate ourselves to the principles which have sustained our Party since its establishment.

Recognizing that the vitality of its political institutions has been the foundation of our nation's enduring strength, we acknowledge that a political party which wishes to lead must listen to those it would lead, a party which asks for the people's trust must prove that it trusts the people and a party which hopes to call forth the best our Nation can achieve must embody the best of our heritage and traditions.

What we seek for our Nation and for our County, we hope for all people: individual freedom within a just society, political freedom with meaningful and direct participation by all citizens. Bound by the Constitutions of the United States and California, aware that a Party must be responsive to be worthy of responsibility, we pledge ourselves to open, honest endeavor and to the conduct of public affairs in a manner worthy of a free society.

Under God, upon these principles and for these ends, we do establish and adopt these bylaws of the Orange County Democratic Central Committee.

The responses received from the committee have not provided complete information or explanations regarding the possible violations of which the committee has been informed. Therefore, the matter has been referred to the Office of General Counsel for investigation.

You will find enclosed a set of written questions and requests for documents plus an Order of the Commission. The Order requires that the requested answers and documents be supplied to the Commission within 10 days of your receipt of the Order.

RE: MUR 1116

Dear Mr. Kozik:

On February 27 and March 30, 1979, your committee was notified that the Commission had found reason to believe that your committee has violated 2 U.S.C. §§ 441a and 433. You were given an opportunity to demonstrate that no further action should be taken in this matter.

The responses received from your committee, including your letter of March 20, 1980, have not provided complete information regarding the activities which may constitute the violations about which the committee has been informed. Therefore the matter has been referred to the Office of General Counsel for further investigation.

The specific matter of concern to the Commission is whether the voter registration and get-out-the-vote activities undertaken by the committee in 1978 benefited candidates for federal office and, if so, how much of the committee's expenditures should be allocated to such federally-related activity. If such an allocation resulted in federally-related expenditures in excess of $1000, the committee became a political committee for purposes of the Federal Election Campaign Act and thus covered by the registration and reporting requirements and the contribution and expenditure limitations contained therein.

With regard to the above issue, you will find enclosed a set of written questions and requests for documents, plus on Order of the Commission. This Order requires that the requested answers and documents be supplied to the Commission within 10 days of your receipt of the Order.

INTERNAL REPORTS CHECKED: Committee Reports

SUMMARY OF ALLEGATIONS

These matters were generated as the result of information compiled by the Reports Analysis Division during the ordinary course of review of Quarterly Reports submitted by the Orange County Democratic Central Committee (hereinafter "OCDCC"), by the Committee to Re-Elect Patterson, by the Hannaford Re-Election Committee, and by United for Orange County. (See Attachments I-IX.)

Apparent Violations

The Reports Analysis Division has found with regard to the 1978 election cycle

1. that OCDCC violated 2 U.S.C. § 441a by making excessive contributions to the Committee to Re-Elect Patterson to Congress, and to the Hannaford Re-Election Committee and 2 U.S.C. § 441a(f) by receiving excessive contributions from the Re-Elect Paul Bell Committee;

2. that several corporate and union contributions were made to OCDCC in violation of 2 U.S.C.. § 441b;

0204034156 5

2. that several corporate and union contributions were made to OCDCC in violation of 2 U.S.C. § 441b;

3. that an individual contributor violated 2 U.S.C. § 441a by making an excessive contribution to OCDCC;

4. that the Assemblyman Cordova Committee violated 2 U.S.C. §§ 433 and 434 by making a contribution to OCDCC without registering with and reporting to the Commission;

5. and that Californians for Brown '78 violated 2 U.S.C. § 441a, 433 and 434 by making excessive contributions to OCDCC and to United for Orange County and by not registering with and reporting to the Commission.

Earlier RTB Findings

As the result of earlier recommendations made directly to the Commission by the Reports Analysis Division, the Commission has already found reason to believe that OCDCC may have violated

1. 2 U.S.C. § 434 by failing adequately to disclose its opening funds and to disclose properly the individuals involved in partnership contributions;

2. 2 U.S.C. § 441a(f) by accepting excessive contributions from Californians for Brown '78; and

3. 2 U.S.C. § 441b by accepting contributions from corporations and labor unions.

Upon the recommendation of the Reports Analysis Division, the Commission has also found reason to believe

1. that the Democratic State Central Committee of California violated 2 U.S.C. § 433 by failing to report its affiliation with OCDCC;

2. that United for Orange violated 2 U.S.C. § 441a(f) by accepting excessive contributions from Californians for Brown '78;

3. that the Mobile Home Parks PAC violated 2 U.S.C. §§ 433 and 434 by failing to register with and report to the Commission after making contributions to United for Orange County and to two candidates for federal and state office;

4. that the Re-Elect Paul Bell Committee violated 2 U.S.C. §§ 433 and 434 by failing to register with and report to the Commission after making contribution to OCDCC;

5. that Round-Up '78 (now the Chairs Committee) violated 2 U.S.C. §§ 433 and 434 by failing to register with and report to the Commission after making contributions to OCDCC; and

6204034155 66

6. that the Hannaford Re-Election Committee and the Committee to Re-Elect Patterson violated 2 U.S.C. § 441a(f) by accepting excessive contributions from OCDCC.

FACTUAL AND LEGAL ANALYSIS

A. MURs 1115, 1117, 1119, 1121 and 1122 have in common the activities and accounts of the Orange County Democratic Central Committee. Although many efforts have been made by the Reports Analysis Division to obtain clear and complete explanations of OCDCC's financial structure and transactions, particularly during 1978, no official, written explanation has been forthcoming. All that is known is that OCDCC has apparently operated with three accounts - a restricted account containing corporate and union monies, a general account, and the "Chairs Committee" account which was established for purposes of segregating proceeds from fundraisers until all expenses for such events had been paid, at which time any remaining proceeds were placed in the general account. OCDCC's reports to the Commission have apparently included the activities of both the general and the restricted accounts. It has not been possible to determine the relationships of these accounts to the OCDCC's federal activity. Nor has it been ascertained into which account the contributions from Californians for Brown '78, the Re-Elect Paul Bell Committee, and the contributions from an individual contributor, Richard J. O'Neill, have been placed.

Californians for Brown '78 insists that its contribution was intended for voter registration/get-out-the-vote activity at the state and local levels. (See Attachment III-b.) However. no information has been supplied in support of an actual division in OCDCC's 1978 activities and accounts between state/local elections and federal elections. In light of the Commission's policy that voter registration/get-outthe-vote activities during a federal election year are to be deemed as having been carried out for purposes of influencing the persons contacted to vote for all candidates of a political party, it can be assumed that a portion of OCDCC's voter registration/get-outthe-vote activities involved federal campaigns. (See AO's 1978-28 and 1978-50).

It is the opinion of the Office of General Counsel that more information is needed from OCDCC before decisions can be made concerning possible violations of the Act by that committee or by Californians for Brown '78, the Assemblyman Cordova Round-Up '78, or by individual, corporate and union contributors. Therefore it is recommended that pursuant to 2 U.S.C. § 437d(a)(1) an order be issued to OCDCC for answers to the questions attached hereto.

B. MURs 1115, 1118 and 1120 involve the acceptance by the Committee to Re-Elect Patterson to Congress and the Hannaford Re-Election Committee of $5,000 each in contributions from OCDCC in 1978. On February 28, 1979, upon the recommendation

9204031567

of the Reports Analysis Division, the Commission found reason to believe that violations of 2 U.S.C. § 441a on the parts of these two candidate committees had occurred.

In response to the RTB finding, these committees and OCDCC have all asserted that OCDCC is a multi-candidate committee by virtue of affiliation with the California Democratic Party State Central Committee and therefore qualified to make $5,000 contributions to federal candidates. OCDCC has submitted an amendment to its statement of organization claiming such affiliation. (See Attachment I-f.) However, differing opinions on this issue have been expressed by the former and present treasurers of OCDCC. (See Attachments I-g, h and i.) The State Central Committee has not replied to inquiries as to its agreement or disagreement with OCDCC's claim. Upon the recommendation of the Reports Analysis Division, the Commission on September 13, 1979, found reason to believe that the Democratic State Central Committee's Federal Candidates Fund has violated 2 U.S.C. § 433.

11 C.F.R. § 110.3(b)(2)(ii) states that

> "(a)ll contributions made by the political committees established, financed, maintained, or controlled by a State party committee and by subordinate State party committees shall be presumed to be made by one political committee."

In the present instance it is unclear, absent confirmation by the California Democratic State Central Committee, whether that committee established, maintains, finances or controls OCDCC. The reports filed by OCDCC do not itemize transfers from the state committee. Therefore, it is the opinion of the Office of General Counsel that additional information is needed before decisions can be made concerning the disposition of MURs 1118 and 1120. It is recommended that any order issued to OCDCC for further information include questions related to that committee's relationship to the California Democratic Party-State Central Committee. Such questions are included in the proposed inquiry attached hereto. It is also recommended that, pursuant to 2 U.S.C. § 437d(a)(1), an order be issued to the California State Central Committee for answers to questions concerning that committee's relationship with OCDCC.

C. MURs 1116 and 1123 involve the activities of United for Orange County, a political committee allegedly unaffiliated with the Orange County Democratic Central Committee. In response to the Commission's findings of reason to believe that this committee may have violated 2 U.S.C. §§ 433 and 441a(f), the committee's treasurer has informed the Reports Analysis Division that United for Orange County filed reports with the Commission by mistake. According to the treasurer, its voter registration activities were conducted exclusively at the state and local levels, particularly in support of Governor Brown's state campaign in 1978. Later, in a telegram dated May 21, 1979, and a letter dated March 20, 1980, the treasurer repeated this assertion. He has stated that the Committee's reports are being amended; but no such amendments have been received by the Commission. (See Attachments II-b, c and d.)

0204034156 8

Again, it is the opinion of the Office of General Counsel that additional information is needed concerning the accounts and activities of United for Orange County before decisions can be made concerning possible violations of the Act by this committee, by Mobile Park Homes PAC, by Californians for Brown '70, and by OCDCC. Therefore, the Office of General Counsel recommends that, pursuant to 2 U.S.C. § 437d(a)(1), an order be issued to United for Orange County for answers to the questions attached hereto.

Recommendation

1. Defer action pending receipt of information solicited in the attached Orders.

2. Approve and send the attached Orders and letters.

Re: C00100677

Dear Mr. Krause:

Please be advised that at all times during 1978, the Orange County Democratic Central Committee was affiliated with the California Democratic Party - State Central Committee.

This affiliation proscribes to all of the precepts of the election code of California.

Please consider this letter as an amendment to the Statement of Organization filed by me on behalf of the Democratic Party of Orange County.

Sincerely,

PERSON SPOKEN TO: Jackie Jessie

SUBJECT: Assorted Questions

Ms. Jessie called with several questions about SV's that were sent, specifically the M letters. She knew nothing about limitations or the Act & Regs and while. She said that she has gotten calls from newspapers about the M letters, and that she was not informed by the FEC of these violations. I explained that the FEC sends the M letters only to the contributing committees. I also explained the $1,000 threshold as well as the prohibition against corp. & labor contributions. She said that the Committee has a "restricted" account in which they put corporate contributions. She said that this account is not used for federal activity because it has "dirty" money in it. I asked why the cmte. is reporting these receipts if in fact the $ was not received by the Fed. Acct. She paused and said that she thinks that the cmte. is reporting the activity in both accounts, but that she was not totally sure because an accounting firm files the reports. I requested that she familiarize herself with the cmte's bookkeeping system and find out exactly what the cmte. has been reporting to the FEC. I explained that the more she knows, and is able to relate to me, the better able I will be to assist

committee - I also told her that she call me back once she has all of the information together.

Ms. Jessie was very easy to talk with, and she was sincere in her assertions that she wants to comply w/ the law. I also believe that she was totally ignorant of the FEC, and its limitations & prohibitions — she honestly did not know.

She also asked me about affiliation. She said that by statute, they are affiliated with the California Dem. State Central Cmte (non-registered), & they don't transfer funds, or consult with them about cmte. operations — they are independent of them; I said that it doesn't matter though they were affiliated by our definition. I asked (however) about their relationship to United for Orange. She said that they were totally separate & distinct entities & they are not involved at all in their operations.

SUBJECT: 3SVI/78-39

Mr. Adler called me in response to 3SVI/78-39 which ~~dealt~~ dealt with 2 $5000 contributions to Patterson & Hannaford. Orange County was notified that, since they had not yet acquired multi-candidate status, they could not contribute in excess of $1,000 per candidate, per election.

Mr. Adler told me that they are affiliated with the D.S.C.C. Federal Candidates Fund in Beverly Hills, but that he neglected to claim affiliation on the Cmte's Statement of Organization. He said that he contacted the State Central Cmte. prior to transferring the money to the candidates, and they informed him that they had not contributed any money to the candidates. Adler surmised that by virtue of affiliation the 2 committees had a joint limitation.

I told him that Orange County and the State Central Cmte. had to amend their Statements of Organization to claim mutual affiliation. Once we receive this documentation, we can resolve the

J.J.: asked me if I had spoken w/ Howard Adler & whether I had sent him Form 3's. I said yes on both accounts. She asked me whether the Hannaford-Patterson matter had been resolved. I ~~told her the~~ reiterated the conversation Adler & I had (see Telecon 5/1). J.J. said that it was very odd that Adler said that Orange County & the State Cent. Cmte. were affiliated. She had asked him that question before and he stated that they were NOT affiliated. Then J.J. asked me whether they were affiliated. I said that I couldn't answer that question and advised her to consult with the other members of the Committee.

SUBJECT: SV's

I contacted Mr. Kosik today to speak with him about the SV's that were sent and why they were not responded to.

Mr. Kosik said that the letters were just forwarded to him last night from the Santa Ana address, and that he has contacted Jules Glazer's accounting firm to "clean up" the reports.

- Briefly, Mr. Kosik said that United for Orange was registered with the Commission erroneously, because the voter registration activity that was conducted was exclusively for state/local activity (particularly for Gov. Brown). He said that he has records to prove it.

- I asked that he forward a letter to the FEC in the interim, stating that the cmte is working toward responding to the SV's. I gave Mr. Kosik my phone number & he said that he would give it to Mr. Glazer, since he will be working with the reports. A letter is forthcoming.

Dear Mr. Haselhorst:

Please be advised that United For Orange County has not operated as a state campaign committee since November 1978. United For Orange County was permanently terminated in November 1978.

Also be advised that United For Orange County was a State Committee and in no way conducted any activity that would require filing with the F.E.C. In 1978, our accountant made a mistake and filed with the F.E.C. Since 1978, I have written over 12 letters explaining this, hopefully this letter will be the last.

CALIFORNIANS BROWN '78

May 30, 1979

Ms. Linda Stolaruk
Federal Elections Commission
1325 K Street, NW
Washington, DC 20463

RE: 3SV1/78-65

Dear Ms. Stolaruk:

Regarding the letter from Orlando B. Potter dated December 26, 1978, I wish to restate that Californians for Brown '78 is not a political committee under federal law, per Ms. Fox's telephone conversation with Chadwick R. Gore in January, 1979.

Jim Kossack of the United for Orange County and the Orange County Democratic Central Committee indicated to me that the people preparing the reports did not know of the requirements concerning segregating income related to federal vs. local elections. He also indicated that amendments will be filed on both these reports to correct this. He emphasized that none of the money expended by our committee was used in any manner for any federal campaign.

The amounts expended by Californians for Brown '78 were intended for, and used for, expenses regarding registration of voters and a "get out the vote" campaign, and both efforts were directed toward state and local candidates. Therefore, Californians for Brown '78 is not liable for filing reports under the Federal Elections Commission.

If you have any further questions, I would be happy to help you.

Sincerely,

Mark Robert Lubow

RE: MUR 1115

Dear Ms. Jessie:

On June 11, July 19, and August 3, 1979, your committee was notified that the Commission had found reason to believe that your committee may have violated 2 U.S.C. §§ 441a, 441b and 434. You were given an opportunity to demonstrate that no further action should be taken in this matter.

In addition, on August 14, and October 16, 1979, your committee was informed that additional apparent violations of the Federal Election Campaign Act had been discovered during reviews of the committee's October 10, 10 Day Pre-General and Year End reports for 1978.

The responses received from the committee have not provided complete information or explanations regarding the possible violations of which the committee has been informed. Therefore, the matter has been referred to the Office of General Counsel for investigation.

You will find enclosed a set of written questions and requests for documents plus an Order of the Commission. The Order requires that the requested answers and documents be supplied to the Commission within 10 days of your receipt of the Order.

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(4)(B)(i) and § 437g(a)(12)(A) unless you notify the Commission in writing that you wish the investigation to be made public.

RE: MUR 1116

Dear Mr. Kozik:

On February 27 and March 30, 1979, your committee was notified that the Commission had found reason to believe that your committee has violated 2 U.S.C. §§ 441a and 433. You were given an opportunity to demonstrate that no further action should be taken in this matter.

The responses received from your committee, including your letter of March 20, 1980, have not provided complete information regarding the activities which may constitute the violations about which the committee has been informed. Therefore the matter has been referred to the Office of General Counsel for further investigation.

The specific matter of concern to the Commission is whether the voter registration and get-out-the-vote activities undertaken by the committee in 1978 benefited candidates for federal office and, if so, how much of the committee's expenditures should be allocated to such federally-related activity. If such an allocation resulted in federally-related expenditures in excess of $1000, the committee became a political committee for purposes of the Federal Election Campaign Act and thus covered by the registration and reporting requirements and the contribution and expenditure limitations contained therein.

With regard to the above issue, you will find enclosed a set of written questions and requests for documents, plus on Order of the Commission. This Order requires that the requested answers and documents be supplied to the Commission within 10 days of your receipt of the Order.

5204034597

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(4)(B)(i) and § 437g(a)(12)(A) unless you notify the Commission in writing that you wish the investigation to be made public.

DATE OF ORIGINAL REFERRAL 12/27/79

PURPOSE: INFORMATION

Orange County Democratic Central Committee
Jacqueline Jessie, Treasurer
826 Norht Broadway
Santa Ana, CA 92701

Attached, please find the following:

1. Copies of RFAIs (as approved by your office) dated June 3, 1981 and Second Notice dated June 26, 1981. (Attachments 1-4)

2. Response from committee received August 10, 1981. (Attachment 5)

Please note that the response states that the "restricted" account made a $2,000 loan repayment to an individual who had made an earlier loan to the committee. (It is unclear whether the loan was received into the general or the restricted account, but the balance of the loan is still being carried by the general (federal) account.)

Since this payment relates to similar transactions involved in this MUR, this matter is being referred to your office and RAD will take no further action with regard to this matter.

Dear Ms. Jessie:

This letter is prompted by the Commission's preliminary review of your July Quarterly Report. The review raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act. An itemization of these areas follows:

-You have previously disclosed, on your April 15th Report, an outstanding loan balance of $3,320 owed to R.J. O'Neil. This report, however, discloses that balance to be $1,320. When there is a change in a debt or obligation, the expenditure(s) made to reduce the obligation must be disclosed on Schedule B.

-In addition, Schedule C discloses that $2,000 has been paid towards this obligation. However, your report discloses only $70.00 in total expenditures. Please clarify this discrepancy.

-There are no figures entered in Column B of the Detailed Summary Page.

An amendment to your original report correcting the above problems should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel

Att: Dikes Thompson.

Re: C00100677 - July '80 Report.

The Orange County Dem. Central Committee has always maintained segregated accounts. Most of the committee's problems in the past with the FEC has resulted from incorrect reporting of those accounts. The general account is for monies that can be used for any purpose including federal and is the one that should be reported to the FEC. The restricted acct is only state & local and is freely reported to the State & City. The loan from Dr. O'Neill was paid at 2 state funds from the restricted acct. The money was raised from a local fundraiser & by small (under $100) contributors. Since it was a year round I reported the change.

Re: C00100677 - year end Report. - The $900 in kind contribution was value of office space and that's why it was included in expenditures. - The account would not balance otherwise.

I did not receive forms for amending the reports (3x) and did not have the opportunities to obtain any... so filed in the blank reports as original copies.

COMMITTEE: Orange County Democratic Central Committee

PERSON SPOKEN TO: Jacqueline Jessie, Treasurer

ANALYST: Lisa Stolaruk

SUBJECT: April 15 Quarterly; Reporting of Federal Account

Ms. Jessie called this afternoon to request an extension on the deadline for filing the April 15 Quarterly report. I informed her that, due to Commission policy, I could not grant her an extension. However, I asked that she file her report as soon as she can.

She also informed me that the Committee will begin to report only the federal account to the Commission, starting with the April 15 submission. She said that most of the problems that the committee confronted in 1978 could have been resolved or avoided, had the committee only reported the activity in the federal account. I asked that she include a cover letter with her Q1 submission, explaining that the discrepancy in cash-on-hand figures between the Year End '79 and Q1 '80 is due to the separation of accounts.

RE: Orange County Democratic Central Committee

Attached please find a response to a surface violation that was sent to UAW Region 6 PAC (unregistered) for contributing in excess of $1,000 to Orange County Democratic Central Committee during calendar year 1978. Please note that the response directs attention to financial activity which took place in 1977. Orange County Democratic Central Committee did not register with the Commission until mid-1978. Furthermore, although the surface violation was initially generated due to a receipt of $2,000 (Schedule A attached), note that the aggregate year-to-date listed is $11,500 which has not been accounted for.

Asst. Staff Director
Federal Election Commission

Dear Sir:

In regard to your communication dated 12/21/79 (28V1/79-94KK) a search of our records indicates this organization made no contributions to the Orange County Democratic Central committee during the year 1978.

However, in 1977, we did make two contributions to that organization dated 5-3-77 and totaling $2,000.00. Both of these checks were stamped on the back with the following message: UNION TREASURY FUNDS. FEDERAL LAW PROHIBITS USE IN CONNECTION WITH FEDERAL ELECTIONS. Along with these checks went a letter to the Committee stating that these monies were not to be used for campaign contributions but for administrative purposes only.

If you have any further questions about the matter please contact me.

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

DEC 21 1979

Treasurer
UAW Region 6 PAC
5150 East Gage Avenue
Bell, CA 90201

Dear Treasurer:

This letter is prompted by the Commission's interest in assisting committees who wish to comply with the Federal Election Campaign Act. Our review of the receipts reported by Orange County Democratic Central Committee indicates that your organization may have made contributions which total in excess of $1,000 during the calendar year. Enclosed is a copy(s) of the report(s) in which your contribution(s) is listed.

The Act defines "political committee" to mean any organization, or other group of persons which receives contributions or makes expenditures (which includes contributions to Federal candidates and committees supporting Federal candidates), aggregating in excess of $1,000 during a calendar year. It would appear that your organization may qualify as a "political committee" subject to registration, reporting, and contribution limitation requirements of the Act.

If you agree that your organization is a political committee, please submit a Statement of Organization on FEC Form 1, in accordance with 2 U.S.C. 433. In addition, your committee will be required to file disclosure reports in accordance with 2 U.S.C. 434 on FEC Form 3.

If you agree that your organization has made contributions or expenditures which qualify you as a "political committee", but you do not wish to be considered as a "political committee", you must request refund(s) from the candidate(s) and/or political committee(s) to which you have contributed. As an alternative, political committees to which you made contributions may transfer all or part of the contributions to accounts which are not used to influence Federal elections. Refunds or transfers must be made in such amounts that the total remaining contributions made by you do not exceed $1,000 during a calendar year.

If you believe that your organization is not a political committee, or that the Commission is otherwise in error, please submit a statement which would clarify this matter for the public record. We have also enclosed relevant informational materials and forms for the registration of and reporting by the political committee. Please examine the enclosed materials.

b20403416 26

Please notify the Commission within thirty (30) days from the date on this letter of your decision on this matter. If you have any questions, please contact Kevin Kelly, in our Reports Analysis Division at (800)424-9530. Our local number is (202)357-0023.

Sincerely,

Thomas J. Kaselhorst
Assistant Staff Director

Mr. Orlando B. Potter
Federal Election Commission
1325 "K" Street North West
Washington D.C. 20463

Dear Mr. Potter:

Regarding your letter of October 2, 1978, I hope the following clarifies the issues raised.

A. Page one F.E.C. Form 3 --
Since this is a committee formed by The California Elections Code the figure $3916.00 reported on line 6 is the net cash on hand at the beginning of the year after recording the receipts and expenditures of the committee to that date. Also, on line 7, the $59617.00 figure represents the net cash on hand as of May 22, 1978 for the same reason. We have filed reports showing the detail of this activity with the California Secretary of State. If necessary, we can furnish copies of these reports.

B. Line 14a Schedule A --
Di Cesare and Weaver is a law partnership firm. Contributions are made by the firm. See copies of attached contribution checks.

C. Line 20a Schedule B --
Regarding "The San Francisco Chef", this was not a fund raising event, see attached billing.

D. Report being amended to show only those contributors of $100.00 or more during the report period.

Sincerely,

Howard Adler, Treasurer

Dear Ms. Jessie:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, as amended. During review of the Jerry Patterson for Congress and Hannaford for Congress Reports of Receipts and Expenditures, we noticed entries indicating that you have made contributions which exceed the limits set forth in the Act. A copy of that portion of your report is attached so that a review of your records can be made.

The Act precludes individuals and political committees, other than multicandidate political committees, from making political contributions to a candidate for Federal office in excess of $1,000 per election. The Act defines a multicandidate committee as one which has been registered with the Commission for a period of not less than six months; has received contributions from more than fifty persons; and has made contributions to five or more candidates for Federal office.

The Commission recommends that if you have made contributions in excess of the limits set forth in the Act that you notify the recipients and request refunds of the amounts in excess of $1,000. By separate letters to the recipients we have recommended that such refunds be made upon confirmation from you that the contributions were in excess of the limits. These returns should be reported immediately by letter and should be reflected as refunds on your next report of receipts and expenditures. If you find that the entries in question are incomplete or incorrect, please submit a statement which would clarify these particular matters for the public record. You may do so by amending your original report of receipts and expenditures.

9204034165

Please notify the Commission within fifteen (15) days from the date of this letter of the determination made on these matters. If you have any questions concerning these matters, please do not hesitate to contact Lisa Stolaruk (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is 523-1474..

Sincerely,

Orlando B. Potter

PERSON SPOKEN TO: Jacqueline Jesse

FEC'R: Gina Stolarek

SUBJECT: Inadequate responses to RFAI's

I called Ms. Jesse because the cmte did not seem to understand what the RFAI's required. They have also accepted corporate contributions.

(1) Cash on hand at time of registration must be accounted for. Their 1st ~~resp~~ response was inadequate. Since the sum of $ was quite large, it is safe to presume that there were several indiv. contributions in excess of $100.

(2) Cmte. was not attributing properly ~~past~~ partnership contributions. They report them as lump sums. I explained this, as well as the prohibition of corporate contributions. Ms. Jesse did not know anything about this. She said that the accountants handled the responses to the RFAI's.

I also told her that the FEC was forwarding 2 important pieces of correspondence to the cmte. today & to watch for their arrival, because they require immediate attention.

Dear Ms. Jessie:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, as amended. During review of the July 10, 1978, and October 10, 1978, Reports of Receipts and Expenditures, we noticed entries indicating that you may have accepted contributions from corporations or unions, which are prohibited by the Act, unless segregated accounts have been established by the corporations or unions. A copy of that portion of your report is attached for your review and clarification.

The Commission recommends that if you have accepted prohibited contributions that you return the full amounts to the donors. These returns should be reported immediately by letter and should be reflected as expenditures on your next report of receipts and expenditures. If you find your identification of the source of these contributions are incomplete or incorrect, please submit a statement which would clarify these particular matters for the public record. You may do so by amending your original report by letter.

Please notify the Commission within fifteen (15) days of receipt of this letter of the determination made on this matter. If you have any questions concerning this matter, please do not hesitate to contact Lisa Stolaruk (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is 523-1474.

SUBJECT: Assorted problems

Ms. Jessie called with several questions about SV's that were sent, specifically the M letters. She knew nothing about limitations or the Act & Regs as a whole. She said that she has gotten calls from newspapers about the M letters, and that she was not informed by the FEC of these violations. I explained that the FEC sends the M letters only to the contributing committees. I also explained the $1,000 threshold as well as the prohibition against corp. & labor contributions. She said that the Committee has a "restricted" account in which they put corporate contributions. She said that this account is not used for federal activity because it has "dirty" money in it. I asked why the Cmte. is reporting these receipts if in fact the $$ was not received by the Fed. Acct. She paused and said that she thinks that the Cmte. is reporting the activity in both accounts, but that she was not totally sure because an accounting firm fills out the reports. I requested that she familiarize herself with the Cmte.'s bookkeeping system and find out exactly what the Cmte. has been reporting to the FEC. I explained that the more she knows, and is able to relate to me, the better able I will be to assist

Committee. I asked that she call me back once she has all of the information together.

Ms. Jessie was very easy to talk with, and she was sincere in her assertions that she wants to comply w/ the law. I also believe that she was totally ignorant of the law, and its limitations & prohibitions — she honestly did not know.

She also asked me about affiliation. She said that by statute, they are affiliated with the California Dem. State Central Cmte (non-registered), but they don't transfer funds, or consult with them about cmte. operations — they are independent of them. I said that it didn't matter, though they were affiliated by our ~~statute~~ definition. I asked (however) about their relationship to United for Orange. She said that they were totally separate & distinct entities & that they are not involved at all in their operations.

Mr. Adler called me in response to 3SVI/78-39 which dealt with 2 $5000 contributions to Patterson & Hannaford. Orange County was notified that, since they had not yet acquired multi-candidate status, they could not contribute in excess of $1,000 per candidate, per election.

Mr. Adler told me that they are affiliated with the D.S.C.C. Federal Candidates Fund in Beverly Hills, but that he neglected to claim affiliation on the Cmte's Statement of Organization. He said that he contacted the State Central Cmte. prior to transferring the money to the candidates, and they informed him that they had not contributed any money to the candidates. Adler surmised that by virtue of affiliation the 2 committees had a joint limitation.

I told him that Orange County and the State Central Cmte. had to amend their Statements of Organization to claim mutual affiliation. Once we receive this documentation, we can resolve the 5

Committee

Dear Ms. Jessie:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, (the Act) as amended. During the review of the October 10 Quarterly Report of Receipts and Expenditures, we noticed entries indicating that you may have received contributions which exceed the limits set forth in the Act. A copy of that portion of your report is attached so that a review of your records can be made.

The Act prohibits political committees from making contributions to any other political committee in any calendar year which, in the aggregate, exceed $5,000.

If you find that the entries in question are incomplete or incorrect, please submit a statement which would clarify this particular matter for the public record. You may do so by amending your original report by letter.

Alternatively, if you find that you have received contributions in excess of the limits set forth in the Act, the Commission recommends that you notify the donor and refund the amount in excess of $5,000. This return should be reported immediately by letter and should be reflected as a contribution refund on your next report of receipts and expenditures.

Please notify the Commission within fifteen (15) days from the date of this letter of the determination made on this matter. If you

SUBJECT: Receipt of SV

I called Ms. Jessie to alert her to the fact that we sent her a letter (no one was at the office to sign for certified mail). She said she'd check into it.

J.J. asked me if I had spoken w/Howard Adler & whether I had sent him Form 3's. I said yes on both accounts. She asked me whether the Hannaford-Patterson matter had been resolved. I ~~told her~~ reiterated the conversation Adler & I had (see Telecon 5/1). J.J. said that it was very odd that Adler said that Orange County & the State Cent. Cmte. were affiliated. She had asked him that question before and he stated that they were NOT affiliated. Then J.J. asked me whether they were affiliated. I said that I couldn't answer that question and advised her to consult with the other members of the Committee.

NOTE: The phone number for the Committee (Orange County), (714) 835-7460, was out of service. Ms. Jessie said that they were moving the phones. The number at the top of the Telecon is Ms. Jessie's work number.

SUBJECT: Reporting receipts from fundraiser

J.J. called this afternoon & wanted to know how to report the receipts of a fundraising committee called the Chair's Committee. Apparently, this is a fundraising arm for the Central Committee, is not registered, and contains prohibited funds. J.J. said that it used to be called the "'78 Fund-up Committee." At that point, I recalled that I had submitted an M letter to the Committee, for contributions over $1,000 to Orange County during a previous reporting period. J.J. said that the committee transferred $5,000 to Orange County from this recent fundraiser. This complicated the situation a great deal, so I told J.J. that I would call her back tomorrow with more information, but told her that the Committee would probably have to end up registering.

FROM: Krouse to Patterson's Cong/. Office 225-2965 (Gilbert)

DATE: 5/21/79

NAME OF COMMITTEE: Committee to Re-Elect Cong. Patterson

I informed Patterson's staff person that no answer has been received from the committee re. the $5,000 contribution from the Orange County Dem. Central Committee. I also told him that the last attempt to get in touch with the cmte. had resulted in the refusal of a certified letter. He will get back to me on the disposition of the Orange County contribution and a change in address for the letter.

LATER THAT DAY

Varlyn Jensen, General Counsel for the House Select Committee on Committees, called to find out what Gilbert of Patterson's staff seemed so worried about. Jensen, whose wife is Patterson's new treasurer, was aware of the $5,000 contrbution, and had been assured several times by them that the matter was being taken care of. They said that are affiliated with the State Dem. Cmte, and that fact had been communicated to the FEC. Itold Jensen that we do not have any correspondence indicating any affiliation, and that right now his committee is still considered to have received an illegal contribution. He thinks that he is getting caught in the middle between a battle bewtween Orange County and the State committee. He said that he will get on the phone and "shake some feathers" to get the matterstraightened out.

Dear Ms. Jessie:

This letter is prompted by the Commission's analysis of disclosure reports undertaken in the normal course of carrying out its supervisory responsibilities under the Federal Election Campaign Act. During review of the 10 Day Pre-General and Year End Report of Receipts and Expenditures, we noticed entries indicating that you may have accepted contributions from corporations and labor organizations, which are prohibited by the Act, unless made from separate segregated funds established by the corporations and labor organizations. A copy of that portion of your report is attached for your review and clarification.

If you have accepted prohibited contributions, you must return the full amounts to the donors. These returns should be reported immediately by letter and should be reflected as expenditures on your next report of receipts and expenditures. If you find that the sources of these contributions are permissible under the Federal Election Campaign Act, please submit a statement for the public record which would clarify the sources of the contributions and the exact nature of the accounts upon which the checks were drawn. If the sources of these contributions has been reported incompletely or incorrectly, please amend your original report.

Please notify the Commission within fifteen (15) days from the date of this letter of any determination you make on this matter. Enforcement action may be initiated by the Commission for: failure to respond within fifteen (15) days; failure to refund any impermissible contributions; and/or acceptance of corporate and labor organization contributions. FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

May 31, 1979

Jacqueline Jessie
Treasurer
Orange County Democratic Central
Committee
826 North Broadway
Santa Ana, California 92701

Dear Ms. Jessie:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, (the Act) as amended. During review of the October 10, 10-Day Pre-General and Year End Reports of Receipts and Expenditures, we noticed entries indicating that you may have received contributions which exceed the limits set forth in the Act. A copy of those portions of your reports are attached so that a review of your records can be made.

The Act precludes an individual from making political contributions to a multicandidate committee in any calendar year in excess of $5,000.

The Commission recommends that if you find the contributions you received were in excess of the limits set forth in the Act, you return the amount in excess of $5,000 to the donor. This return should be reported immediately by letter and should be reflected as a contribution refund on your next report of receipts and expenditures. If you find that the entries in question are incomplete or incorrect, please submit a statement which would clarify this particular matter for the public record. You may do so by amending your original report by letter.

Please notify the Commission within fifteen (15) days from the date of this letter of the determination made on this matter. If you have any questions concerning this matter, please do not hesitate to contact Lisa Stolaruk (800)424-9530, our Reports Analyst assigned to you. Our local telephone number is (202) 357-0023.

Sincerely,

Orlando B. Potter
Staff Director

COMMITTEE: Orange County Democratic Central Committee

PERSON SPOKEN TO: Jacqueline Jessie, Treasurer (714)530-9206

FEC'R: Lisa Stolaruk

SUBJECT: Assorted problems

I returned Jackie Jessie's call this morning. She was upset that nothing was solved about the compliance matters and that she was paying accountants to straighten the problems out, yet nothing has been accomplished.

I reviewed all of the compliance letters that have been sent to the committee with JJ, telling her why they were sent and how to respond to them. She could not understand why they were getting SV's and RQ's when all along the cmte. has been reporting all of the activity and thus being completely honest. Our conversation covered the following points:

1. The number of existing accounts, what the accounts are composed of, which account was used for Federal purposes, and how many accounts the comte. is reporting to the FEC. JJ said that the cmte. has two accounts: one is a general operating account and the other is a restricted account. The restricted account contains corporate and union treasury funds, the general account contains "miscellaneous money". She could not tell me off-hand which account was used for federal activity, but she was certain that they were reporting the activity of both accounts to the FEC. I told her that this was incorrect--that the cmte. need only report the account from which federal activity was undertaken. I told her that if the cmte. is indeed reporting the activity of both accounts, that it may be necessary to amend all of their reports to remove the activity of the non-federal account. I emphasized the point several times that they must report the account that the federal activity evolved from--not just the federal activity that took place. The reason I restated this several times is that I suspect that most of the federal activity was conducted from the restricted account, although substantive evidence of this suspicion is non-existent.

2. The SV's and RQ's. I reviewed with JJ each SV and RQ that was sent to the cmte. I explained why the corporate SV's were sent, ie, that federally-registerd committees cannot accept corporate and/or union treasury funds including in-kinds. I explained to her that the respnse to the RQ was inadequate in that the cash-on-hand was not accounted for in specific terms and that partnership contributions were not reported correctly. I explained the $1000 contribution limitation on unregistered committees, and the 3 options available to remedy the situation. I told her why we sent the SVon the cmte's. two $5,000 contributions to Federal Candidates Hannaford and Patterson and explained multi-candidate status. I said that Howard Adler responded on behalf of Orange County by saying that Orange County was affiliated with the State Central Committee and that, as such, they

9204034172 2

Orange County Democratic Central Committee, Jackie Jessie
Lisa Stolaruk, FEC

shared a combined contribution limitation of $5,000 per candidate, per election. However, the State Central Committee has yet to respond to the RFAI requesting clarification of affiliates. JJ was told that Orange County requested refunds from the candidates, but that refunds "of course" were not yet made.

3. The excessive contributions from Californians for Brown '78, Re-Elect Paul Bell Committee, and the Assemblyman Cordova Committee. I again discussed the $1,000 limitation in general terms. Then I read JJ part of the response sent by Mr. Lubow, treasurer of Brown's committee, which said that Jim Kossick, of Orange County DCC and United for Orange explained that both committees were confused about reporting federal and non-federal accounts, and the amendments to reports of both committees would be forthcoming. Mr. Lubow explained that in the letter that the money Brown contributed was used for GOTV and voter registration only for state/local races. JJ said that this was incorrect, in that it surely benefitted federal candidates indirectly. (She also mentioned in passing that she had a feeling that Jim Kossick was a cause of this whole mess.) In this respect then, I would surmise that funds were indeed comingled and used for federal purposes, though again, this is pure speculation.

Jackie Jessie concluded our conversation by requesting that all forms of correspondence sent by the FEC to Orange County be sent once again to her home address:

12612 Ohmer Way
Garden Grove, CA 92641

She assured me that she would be home to sign for the registered mail. She said that she is determined to take care of this matter once and for all.

Mr. Orlando Potter
Federal Election Commission

Washington, DC 20461

Dear Mr. Potter,

Recently, I have received several letters from the FEC indicating that, as treasurer of the Orange County Democratic Central Committee, I have not responded to the many requests for further information or clarification on our reports for the year 1978, to the FEC. I have referred those request to persons I felt would be able to answer them and I wrote you indicating my action. I have also spoken to Lisa Stolaruk on several occasions. She has been most helpful in trying to acquaint me with the many intricacies of the Campaign Act. I was not treasurer for most of 1978, however, I did sign the last report with utmost confidence in the integrity of the report and the integrity and competence of Mr. Howard Adler, pprevious treasurer, and Mr. Ben Adler, our accountant.

I do not believe that we are in violation in any instance. I do believe that, in our effort to be in complete compliance with the Federal Election Campaing Act, we reported information the FEC did not require. We do have segrated accounts and I cannot ascertain any circumstances where money was impoperly deposited or contributed. Certainly, you do not consider the use of funds for the registration of voters to be in violation if those voters just happen to vote for aa federal office. Especially, if those funds used were from a non-restricted general account.

I requested and received copies of all FEC requests from Ms. Stolaruk and I have sent those copies to Mr. Howard Adler. I am sure that he will be able to Clear this matter entirely.

Sincerely

Jacqueline A. Jessie

Dear Howard,

Enclosed you will find copies of most all the letters the Democratic Central Committee of Orange County has received during the months I have been treasurer. These copies were recently sent to me by Lisa Stolaruk (Report Analyst) at my request. I would like to get all of the queries by the FEC cleared up once and for all. Lately, I have received several letters from the FEC stating their request for information have not been responded to at all or inadequately. Since I had farmed out the original requests to various individual to obtain the information they requested, I no longer had any records. I know that is unwise, but I do not always have access to a copy machine or time to find one. However, I did notify Mr. Potter of my action and have gotten to know Ms. Stolaruk thru telephone conversations. She has been most helpful, aware of my problems. I was hoping to handle this myself, without troubling you further, but find I cannot do so at this time. You know that there is nothing wrong with the reports, but that only the restricted account should have been reported to the FEC. The reports filed do not indicate which account was used, so perhaps, all the FEC needs is proof that all monies in question was deposited (or withdrawn) in the correct account. Also, money contributed by a partnership must be broken down to determine the amount contributed by each partner.

I sincerely appreciated all the time and trouble you will need to go to --to accomplish all this. The FEC would not contact you directly as you are no longer treasurer. They also indicate they have not heard from Mr. Glazer. I had been told that everything had been straightened out.

Once again, Thank You.

Sincerely

Jacquie

J.J. called this afternoon about some reporting problems she had in filling out the Q2. First, however, we spoke about the Committee's accounts. She told me that the "restricted" account has closed out its money, but is now bieng used to collect individual contributions that will then be disbursed to state/local candidates. Since this account is depleted once the money is initially received it does not really act as the Committee's main source of financial support. That activity is actually conducted from the "general" account. J.J. said that she was going over the Q2, and came across something that might pose a problem. Orange County DCC participated in a fundraiser which was sponsored by the Chair's Committee (formerly known as the Round-Up committee, which received an M letter in 1978 for excessive contributions to OCDCC). All of the proceeds and expenditures pertaining to the fundraiser was first deposited into the Chair's Committee's account. The Chair's Committee transferred $5,300 to OCDCC, all of which was immediately forwarded to various debtors. The money, however, first went into OCDCC's general account. J. Jessie wanted to know how to avoid possible problems with the FEC regarding this transfer of money. I asked her what sort of money the fundraiser brought in. J.J. stated that it was predominantly corporate/union money. I told her that the only possible way that she could avoid problems was by refunding the total amount. She said that this was impossible, because the money was already spent, and because the OCDCC was already in great debt. She was curious to know why this money would be of concern to the FEC, since OCDCC is not currently involved in federal elections. I explained that , since the committee registered with the FEC, that we must follow the premise that they will be federally active, and that the committee will abide by the FECA. She did not understand this. I recommended that she request an AO if she wants a more concise, direct answer. I was unable to lend any greater clarification regarding this matter. She also mentioned that Howard Adler, Ben Adler and the State accountants were meeting in Los Angeles today to work on OCDCC's 1978 reports.

The Commission will take no action against you until you have had a reasonable opportunity to respond to this letter. This response should be mailed to the Commission within fifteen (15) days from the date of this letter.

September 10, 1979

Dear Mr. Tiernan,

Enclosed you will find the first and second quarterly reports for 1979, of he Orange County Democratic Central Committee. In order to avoid some of the same problems encountered with the 1978, reports of the OCDCC, I am acting on the advice of Ms. Lisa Stolaruk and requesting an Advisory Opinion from the Commissioners.

An explanation of the OCDCC's checking accounts and activities is as follows:

As a result of large outstanding debt, no monies have been received from or contributed to any Federal Candidate or C Committee. The indebtedness occurred becausedall efforts and monies were concentrated on the 1978, elections and all other debts incurred by the OCDCC were left unpaid. The OCDCC was not awase of this until the new officers were elected. Since January 1979, all OCDCC efforts and monies have been directed toward retiring our obligations.

Checking Accounts:

Restricted Account Temporarily Inactive for this period.

General Account All checks drawn against this account were used to retire debts. or housekeeping.

The Chair's Committee The account was established by Mr. W. J. Thom, OCDCC Chairman, in order to keep funds from fundraisers separate untill all expenses for such events were paid. Then the balance was transferred to OCDCC. General Account. I have drawn the checks.

In the opinion of the Commissioners--

1. Should the Cairs Committee be dissolved in order to avoid further complications?
2. Should all monies contributed by Corporations, Unions and others so restricted be deposited only in the restricted account and that account reported to the Commission even though no Federal Candidatedor Committee made or received no contributions?
3. All other monies would be deposited in the General Account and that account fully reported to the FEC?
4. No report would be needed if the OCDCC neither received nor contributed to a Federal Candidate or Committee?

I am aware that, while trying to keep everyone happy, I may have created some problems. I hope that the Commission will be able and willing to help with the solution.

I apologize for the lateness of the reports, but have been physically unable to complete them. Mr. Ben Adler, our former accountant, kindly came to my assistance and prepared the reports. I am sure you will find the actual accounting accurate.

Sincerely,

Dear Ms. Jessie:

This letter is prompted by the Commission's interest in assisting candidates and committees who wish to comply with the Federal Election Campaign Act, (the Act) as amended. During the review of the October 10, 10 Day Pre-General Election and Year End Reports of Receipts and Expenditures, we noticed an entry indicating that you may have received a contribution which exceeds the limits set forth in the Act. A copy of that portion of your report is attached so that a review of your records can be made.

The Act prohibits political committees from making contributions to any other political committee in any calendar year which, in the aggregate, exceed $5,000.

If you find that the entry in question is incomplete or incorrect, please submit a statement which would clarify this particular matter for the public record. You may do so by amending your original report by letter.

Alternatively, if you find that you have received a contribution in excess of the limits set forth in the Act, the Commission recommends that you notify the donor and refund the amount in excess of $5,000. This return should be reported immediately by letter and should be reflected as a contribution refund on your next report of receipts and expenditures.

Please notify the Commission within fifteen (15) days from the date of this letter of the determination made on this matter. If you have any questions, please do not hesitate to contact Lisa Stolaruk, (800) 424-9530, our Reports Analyst assigned to you. Our local number is (202)523-4048.

I tried to contact Loretta Collier, treasurer of D.S.C.C. Federal Candidates Fund. I first called (213)567-1341, which was the number of Ms. Collier's former place of employment. They referred me to (213)603-7311. However, Ms. Collier does not work there anymore. They had no forwarding phone number. I then called Directory Assistance in Culver City, CA, Collier's listed residence on the Statement of Organization. They had no such listing.

Dear Mr. Haselhorst,

In looking over the records of the Orange County Democratic Central Committee, I do not feel that the OCDCC received any contributions illegally. The monies in question were used in the extensive voter registration drive undertaken by the OCDCC. I do not agree with the Federal Election Commission's assumption that contributions received for and used in registration drives constitutes an illegal use because those registered just might vote for a federal candidate. We just register voters. We do not tell them how to vote. We give them the opportunity to exercise their right and make their own decisions.

However, the OCDCC has, is and will continue to try and comply with all the Federal Commission rulings. The OCDCC has discussed the problem with Mr. Paul Bell and is trying to repay him. He understands the financial status of the OCDCC and is being very co-operative.

Sincerely,

Jacqueline A. Jessie
