Re: MUR 1124

Dear Mr. McLaughlin:

On March 16, April 21 and September 13, 1979, the Commission found reason to believe that your committee may have violated 2 U.S.C. §§ 434(b)(2), (b)(5) and (b)(12) of the Federal Election Campaign Act of 1971, as amended (the "Act"). However, after considering the circumstances of this matter, the Commission has determined to take no further action and close its file in this matter. This matter will be made part of the public record within 30 days. Should you wish to submit any materials to appear on the public record, please do so within 10 days.

The Commission reminds you that the failure: to provide the nature of the loan, to continuously report debts and obligations, and to provide occupations and principal place of business of contributors, is nevertheless a violation of the Act. You should take immediate steps to insure that the type of activity that is the subject of this matter does not occur in the future.

If you have any questions, please direct them to Deborah Curry, the attorney assigned to this matter, at (202)523-4060.

Sincerely,

MUR 1124

GENERAL COUNSEL'S REPORT

I. Background/Previous Commission Action

This matter was generated by the Reports Analysis Division, after its analysis of the disclosure reports of the McLaughlin for Congress Finance Committee. After review by the Reports Analysis Division, this matter was referred to the Office of General Counsel because of the committee's failure: 1) to provide the nature of loans from the candidate to the committee, 2) to continuously report debts and obligations, and 3) to provide occupations and principal places of business of its contributors.

The Reports Analysis Division sent requests for additional information to the committee on January 6, January 30, June 1, August 24, and November 2, 1979. Reports Analysis also sent reason to believe letters on March 16, April 21 and September 13, 1979. The committee did not submit any written response to these requests, nor did it file amendments to its reports. Subsequently, the Office of General Counsel, with the Commissions' approval, sent letters and questions to John J. McLaughlin, Sr., the committee treasurer, and Michael R. McLaughlin, the candidate.

Due to lack of response by the committee, again the Office of General Counsel sent another letter to the treasurer and

candidate on April 15, 1980. On May 12, 1980 the Office of General Counsel received a response from the treasurer answering five questions requested by the Office of General Counsel (Attachment 1). In answering our questions, Mr. McLaughlin stated that the committee did attempt to obtain the occupations and principal place of business of contributors by calling the individuals. The committee was not able to locate or reach everyone. The treasurer did not, however, submit amendments to the committees' reports disclosing the information obtained through telephone calls.

With respect to the loans from the candidate to the committee, the treasurer states that the \$17,300 lent to the committee was from the candidate's personal funds. According to Mr. McLaughlin's letter the committee has repaid the candidate only \$5,000 so far. However, again the committee did not submit any documentation to verify this fact.

On July 3, 1980 the Office of General Counsel sent the treasurer a letter requesting, among other things, that the reports be amended to show the information obtained by the committee via telephone on those contributors of contributions in excess of \$100. In addition, it was requested that the amendments include information on the loan (including payments, balances, due date and interest rate). The Office of General Counsel also requested that the committee provide documentation that the loan funds were from the personal funds of the candidate

and that the committee continue to file reports until the debts are forgiven or extinguished.

On October 15, 1980, the Office of General Counsel sent a letter to the treasurer of the committee. Enclosed in the letter were enclosures of copies of the receipt pages from the disclosure reports, in response to respondent's oral request for such items. The letter asked that the committee correct the omissions, describe any attempts to contact contributors, provide documentation to support the treasurer's statement that the loan came from the personal funds of Mr. McLaughlin, and continuous reporting of the debt until repaid or forgiven.

On November 7, 1980, the Office of General Counsel received a written response from the candidate providing the principal place of business and occupations of some of the names provided by the Office of General Counsel in its letter of October 15, 1980 (Attachment 2). Mr. McLaughlin stated that letters would be sent out to the individuals whose occupation and principal place of business was left blank. Such information when received would be sent to our office according the letter. Also, Mr. McLaughlin stated that he would send documentary support to show that the loans were indeed from his personal funds.

On January 5, 1981, the Office of General Counsel received another letter from the candidate (Attachment 3). This letter contained information obtained by sending letters, on the occupation and principal place of business on those individuals

not in the November 5, 1980, correspondence. In addition, Mr. McLaughlin included two photo copied checks, from his personal checking account amounting to \$17,000.^{1/}

McLaughlin for Congress Finance Committee filed an April 10, 1979 Quarterly Report and a July 10, 1979, Quarterly Report. There have been no reports filed since then.

II. Legal Analysis

2 U.S.C. § 434(b)(2) requires that each report contain:

"The full name and mailing address (occupation and the principal place of business if any) of each person who has made one or more contributions to or for such committee or candidate ... within the calendar year in an aggregate amount or value in excess of \$100, together with the amount and date of such contributions; see also 11 C.F.R. 104.2(b)(2) 2/.

The failure of the McLaughlin for Congress Finance Committee to provide such information in their reports was the basis for the Commission's reason to believe finding on this issue. As noted above the committee has made numerous attempts to fully correct these omissions. (See attachments 2 and 3) The committee has obtained the required information by telephone

^{1/} These checks were barely readable due to the poor quality of the photo-copy. However, the amount and the name of the candidate is clear.

^{2/} As the alleged violations occurred before the Federal Election Campaign Act was amended on January 8, 1980, by Pub. Law 96-187, all citations to the Act and the Regulations are to the Act as it existed before amendment.

contact and letters to those individuals who could not be reached by phone. Consequently, the majority of the omissions have been corrected.^{3/} These good faith efforts by the committee constitute reasonable compliance with the Act with regard to this issue.

2 U.S.C. § 434(b)(5) requires the disclosure of loans in excess of \$100 along with the date and amount of such loan. See also 11 C.F.R. §§ 104.2(b)(5)(i)(B) and (ii)(A). 2 U.S.C. requires the disclosure of the amount and nature of debts and obligations as well as continuous reporting until such debts are extinguished or forgiven. See also 11 C.F.R. 104.8(a).

The failure of the McLaughlin for Congress Finance Committee to provide this information, on four loans totaling \$17,300, was the basis of the Commission's reason to believe finding on these issues.

On May 20, 1980, the Office of General Counsel received from RAD an amended April 10 Quarterly Report disclosing the four loans (total 17,300) made by the candidate to the committee. The November 5, 1980 response from the candidate stated that the loan was made from the personal funds of the candidate. (See Attachment 2). Included in the December 29, 1980 response was two photocopied checks. One check was for \$10,000 and the other for \$7,000. Though the checks were barely readable,

^{3/} Omitted from correction is the October 10, 1978 Quarterly Report because the microfilm tape is illegible.

the amounts of the checks and the fact that they were from the personal account of the candidate Michael McLaughlin were discernable. No documentation has been received on the two other loans made by the candidate to the committee of \$100 and \$200. According to the July 10 Quarterly Report, the last report filed, \$5,000 of the loan debt has been repaid.

Therefore, excluding the two loans totalling \$300 (\$100 + \$200) which may have been a cash contribution, documentation of the nature and amount of the loans as well as amended reports of the funds in dispute has been provided by the committee. Though the committee has not continuously reported its debts until forgiven or extinguished, the fact that the loans were made from personal funds together with the committee's good faith efforts to supply information on the debt constitutes substantial compliance with the Act. Also, the committee notes in its letter of November 5, 1980, that it has not made expenditures or accepted contributions since its last reporting date (July 10). (See Attachment 2).

III. Recommendations

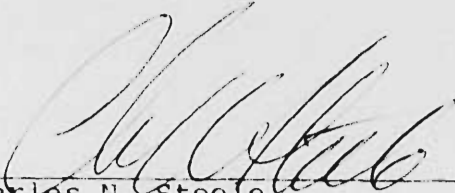

The Office of General Counsel recommends that the Commission:

1. take no further action against the McLaughlin for Congress Finance Committee;
2. approve and send the attached letters to respondents;

and,

3. close the file.

Dear Mr. Steele:

Enclosed please find the principal place of business and occupations of some of the names you had expressed an interest in with respect to your letter of October 15, 1980. The information obtained regarding these individuals is the most accurate data available to date.

I am in the process of trying to locate those names who's occupation and place of business have been left blank. A letter will go out to each of these individuals. As soon as this information is obtained it will be forwarded to your office.

I am also in the process of compiling documented evidence to support my statement that money came from my personal funds and was later loaned to the McLaughlin for Congress Committee. There have been no expenditures or monies received regarding this committee since our last reporting date. As soon as I have compiled the information regarding my loan to the committee I will also forward this material to you.

If I can be of any further assistance or answer any questions, please do not hesitate to contact me.

Dear Mr. Steele:

Enclosed please find the principal place of business and occupations of some of the names you have expressed an interest in with respect to your letter of October 15, 1980. This information was obtained by sending a letter to the individuals who were not listed in our correspondence November 5, 1980.

In addition to the above mentioned names I have also included a copy of the checks from my personal funds to the campaign committee, which you also had expressed an interest in. I hope this complies with the request you have made to my committee.

Re: MUR 1124

Dear Mr. McLaughlin:

On March 16, April 21 and September 13, 1979, the Commission found reason to believe that your committee may have violated 2 U.S.C. §§ 434(b)(2), (b)(5) and (b)(12) of the Federal Election Campaign Act of 1971, as amended (the "Act"). However, after considering the circumstances of this matter, the Commission has determined to take no further action and close its file in this matter. This matter will be made part of the public record within 30 days. Should you wish to submit any materials to appear on the public record, please do so within 10 days.

The Commission reminds you that the failure: to provide the nature of the loan, to continuously report debts and obligations, and to provide occupations and principal place of business of contributors, is nevertheless a violation of the Act. You should take immediate steps to insure that the type of activity that is the subject of this matter does not occur in the future.

If you have any questions, please direct them to Deborah Curry, the attorney assigned to this matter, at (202)523-4060.

Sincerely,

Charles N. Steele
General Counsel

Dear Mr. Steele:

Enclosed please find the principal place of business and occupations of some of the names you had expressed an interest in with respect to your letter of October 15, 1980. The information obtained regarding these individuals is the most accurate data available to date.

I am in the process of trying to locate those names who's occupation and place of business have been left blank. A letter will go out to each of these individuals. As soon as this information is obtained it will be forwarded to your office.

I am also in the process of compiling documented evidence to support my statement that money came from my personal funds and was later loaned to the McLaughlin for Congress Committee. There have been no expenditures or monies received regarding this committee since our last reporting date. As soon as I have compiled the information regarding my loan to the committee I will also forward this material to you.

If I can be of any further assistance or answer any questions, please do not hesitate to contact me.

Sincerely,

Re: MUR 1124

Dear Mr. McLaughlin:

Enclosed are copies of pages from reports filed by your committee. The names and mailing addresses of contributors are disclosed on these pages. However, the occupations and principal places of business are missing for most of the contributors. In a telephone conversation between Mr. Bill Meehan of your committee and Michele Brown of this staff, Mr. Meehan requested that we send these copies to you so that you could correct these omissions. Please provide any information you have obtained and describe any attempts by your committee to obtain this information.

Mr. Meehan stated also that you would clarify the status of the funds lent by Mr. Michael E. McLaughlin, the candidate, to the McLaughlin for Congress Finance Committee. Please provide documentation to support your statement that this money came from Mr. McLaughlin's personal funds. Also, please note that unless the funds have been repaid or Mr. McLaughlin has forgiven the debt owed to him by the committee, McLaughlin for Congress Finance Committee may not terminate its reporting obligations but must continue filing disclosure reports with the Commission until the debt has been either repaid or forgiven and the Commission has been so notified.

As stated in our letter of September 30, 1980, your response to the General Counsel's Brief should be submitted to the Commission Secretary. If you have any further questions, contact Michele Brown at (202)523-4175.

Sincerely,

Charles N. Steele

Dear Mr. McLaughlin:

Enclosed are copies of pages from reports filed by your committee. The names and mailing addresses of contributors are disclosed on these pages. However, the occupations and principal places of business are missing for most of the contributors. In a telephone conversation between Mr. Bill Meehan of your committee and Michele Brown of this staff, Mr. Meehan requested that we send these copies to you so that you could correct these omissions. Please provide any information you have obtained and describe any attempts by your committee to obtain this information.

Mr. Meehan stated also that you would clarify the status of the funds lent by Mr. Michael E. McLaughlin, the candidate, to the McLaughlin for Congress Finance Committee. Please provide documentation to support your statement that this money came from Mr. McLaughlin's personal funds. Also, please note that unless the funds have been repaid or Mr. McLaughlin has forgiven the debt owed to him by the committee, McLaughlin for Congress

GENERAL COUNSEL'S BRIEF

I. STATEMENT OF THE CASE

On January 3, 1980, the Reports Analysis Division referred to the Office of General Counsel the McLaughlin for Congress Finance Committee for its failure to provide the nature of loans from the candidate to the committee, to continuously report debts and obligations, and to provide occupations and principal places of business of its contributors. 1/

The Reports Analysis Division sent requests for additional information to the committee on January 6, January 30, June 1, August 24, and November 2, 1979. Reports Analysis also sent reason to believe letters on March 16, April 21 and September 13, 1979. Because the committee did not submit any written responses nor did it file amendments to its reports, the Office of General Counsel sent letters and questions to John J. McLaughlin, Sr., the committee treasurer, and Michael R. McLaughlin, the candidate.

1/ As the alleged violations occurred before the Federal Election Campaign Act was amended on January 8, 1980, by Pub. Law 96-187, all citations to the Act and the Regulations are to the Act as it existed before amendment.

Again, no response was received and on April 15, 1980, another letter was sent to the treasurer and the candidate requesting that each respond within five days. The candidate did not claim his letter, but on May 12, 1980, the Office of General Counsel received a response from the treasurer (see Attachment 1). In answer to our questions, Mr. McLaughlin stated that the committee did attempt to obtain the occupations and principal places of business of contributors by calling the individuals. The committee was not able to locate or reach everyone. The treasurer did not, however, submit amendments to the committee's reports disclosing the information obtained through the telephone calls.

With respect to the loans from the candidate to the committee, the treasurer states that the \$17,300 lent to the committee was from the candidate's personal funds. The committee has repaid the candidate only \$5,000, according to Mr. McLaughlin's letter.

McLaughlin for Congress Finance Committee filed an April 10 Quarterly report and a July 10 Quarterly Report during 1979. No reports have been filed since that time.

II. LEGAL ANALYSIS

McLaughlin for Congress Finance Committee did not provide occupations and principal places of business for contributors, did not report the nature of loans from the candidate to the committee, nor has it reported its debts and obligations continuously until extinguished. The committee did not submit any written responses to the five requests for additional information nor to the three reason

to believe letters sent by the Reports Analysis Division. The treasurer's response to the letter from this office answered some specific questions but did not provide the further information on contributors which the committee presumably obtained nor was documentation provided to substantiate the answers given. Also, no response has been submitted in regard to the last letter sent by this office requesting the information and documentation.

III. GENERAL COUNSEL'S RECOMMENDATION

The Office of General Counsel recommends that the Commission find probable cause to believe that the McLaughlin for Congress Finance Committee violated 2 U.S.C. § 434(b)(2), § 434(b)(5), and § 434(b)(12), and 11 C.F.R. § 104.2(b)(12), § 104.2(b)(5)(i)(B), and § 104.8(a) by failing to provide occupations and principal places of business of contributors, by failing to provide the nature of loans from the candidate to the committee, and by failing to continuously report debts and obligations until extinguished.

Re: MUR 1124

Dear Mr. McLaughlin:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission, on March 16, April 12, and September 13, 1979, found reason to believe that your committee may have violated section 434 of the Federal Election Campaign Act of 1971, as amended, and instituted an investigation of this matter.

After considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation has occurred.

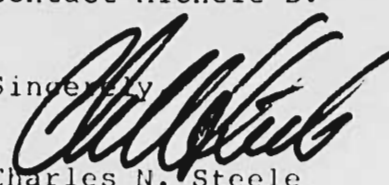

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies) stating your position on the issues and replying to the brief of the General Counsel. Three copies of such brief should also be forwarded to the Office of General Counsel. The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of probable cause to believe a violation has occurred.

A finding of probable cause to believe requires that the Office of General Counsel attempt for a period of not less than thirty, but not more than ninety days to settle this matter through a conciliation agreement. This does not preclude settlement of this matter through informal conciliation prior to a finding of probable cause to believe, if you so desire.

On July 3, 1980, the Office of General Counsel sent a letter to the treasurer, John J. McLaughlin Sr., of the McLaughlin for Senate Finance Committee. In the letter we requested that Mr. McLaughlin answer questions which had been submitted to him in a previous letter but which were not addressed in his response. Re: MUR 1124

Dear Mr. McLaughlin:

We are in receipt of your letter dated May 7, 1980, which enclosed answers to the interrogatories included in our letter of March 6, 1980. In our letter we stated that the McLaughlin for Congress Finance Committee had violated 2 U.S.C. § 434(b)(2) and (12) by its failure to provide occupations and principal places of business of contributors, to provide the nature of loans from the candidate to the committee and to continuously file reports of debts and obligations until they are extinguished.

In your response you stated that your committee has attempted to obtain occupation and principal place of business information for those contributors of contributions in excess of \$100, however, you were unable to locate or reach everyone. The information you were able to obtain should be submitted to the Commission in the form of amendments to the committee reports.

Also, the amendments should include information regarding the loans from the candidate to the committee. This would include the original amount of the loan, any cumulative payment, the outstanding balance, the date the loan was incurred, the due date, and the interest rate, if any. Please provide documentation to show that the funds were the personal funds of the candidate prior to his becoming a candidate (11 C.F.R. § 110.10). If the candidate has not been repaid nor has he forgiven the debt, or if the committee has other outstanding debts, the committee must file reports disclosing the debts until they are extinguished.

John J. McLaughlin, Sr.

You may submit any additional information to demonstrate that no further action should be taken against your committee.

Enclosed are Report of Receipts and Disbursement forms. Please submit the amendments, the back-up documentation, and any reports reporting unextinguished debts and obligations within ten days of your receipt of this letter.

Sincerely

Charles N. Steele
General Counsel

MUR 1124

INTERIM INVESTIGATIVE REPORT #2

Because the McLaughlin for Congress Finance Committee did not respond to the letters requesting information and answers to specific questions, the Office of General Counsel sent follow-up letters to the candidate and the committee treasurer on April 15, 1980. The candidate did not claim his letter so copies were re-sent to him by both regular and certified mail. The committee treasurer submitted a written response dated May 7, 1980 which the Office of General Counsel is presently analyzing. If the candidate does not respond, a report will be prepared based solely on the treasurer's response.

INTERIM INVESTIGATIVE REPORT # 1

The Reports Analysis Division referred the McLaughlin for Congress Finance Committee to the Office of General Counsel for the Committee's failure to provide the nature of loans from the candidate to the Committee, to continuously report debts and obligations, and to provide occupation and principal place of business information for its contributors. The Commission sent reason to believe letters to the Committee on March 16, April 12, and September 13, 1979, however, the Committee had not submitted any written responses. The Commission, on February 28, 1980, approved the sending of letters to the candidate and the Committee requesting answers to specific questions. The letters were mailed on March 6, 1980. The candidate received his letter on March 11, 1980, and the committee treasurer received his letter on March 13, 1980, but neither has responded. The Office of General Counsel is attempting to contact the Committee one more time and will make a recommendation to the Commission in two weeks.

In connection with its investigation in this matter, the Commission requests that you supply the following information:

1. Did you lend money to the committee?
If so, indicate the date and amount of each loan.
2. Were any of the loans from your personal funds?
If so, please provide documentation. Where you repaid by the committee? Please provide the date, amount and source of any repayment.

Dear Mr. McLaughlin:

On March 16, 1979, April 12, 1979 and September 13, 1979, the Commission found reason to believe that your committee may have violated 2 U.S.C. §§ 434(b)(2) and (12) of the Federal Election Campaign Act of 1971, as amended ("the Act"). You were notified of the Commission's determination at that time and given an opportunity to demonstrate that no further action should be taken in this matter.

As of this date, we have received no written response from you in connection with this matter. Please submit answers to the enclosed questions within ten days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In absence of any additional information which demonstrates that no further action should be taken against your committee, the Commission may find probable cause to believe that a violation has occurred, and proceed with formal conciliation. Of course, this does not preclude the settlement of this matter through informal conciliation prior to a finding of probable cause to believe.

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A) (formerly 2 U.S.C. § 437g(a)(3)(B)) unless you notify the Commission in writing that you wish the investigation to be made public.

SUMMARY OF ALLEGATIONS

On January 3, 1980, the Reports Analysis Division referred the McLaughlin for Congress Finance Committee to the Office of General Counsel for the committee's failure to provide the nature of loans from the candidate to the committee, to continuously report debts and obligations, and to provide occupation and principal place of business information for its contributors.

FACTUAL AND LEGAL ANALYSIS

Requests for additional information were sent to the committee on January 6, January 30, and June 1, 1979 as well as August 24, and November 2, 1979. These were followed up by reason to believe letters on March 16, April 12, and September 13, 1979. No written response has been received from the committee nor have any amendments been filed. We recommend, therefore, that the attached letters requesting responses to specific questions be sent.

RECOMMENDATION

Approve and authorize the sending of the attached letters to Mr. John J. McLaughlin, Sr., treasurer of the McLaughlin for Congress Finance Committee, and to the candidate, Michael R. McLaughlin.

Re: MUR 1124

Dear Mr. McLaughlin:

On March 16, 1979, April 12, 1979 and September 13, 1979, the Commission found reason to believe that your committee may have violated 2 U.S.C. §§ 434(b)(2) and (12) of the Federal Election Campaign Act of 1971, as amended ("the Act"). You were notified of the Commission's determination at that time and given an opportunity to demonstrate that no further action should be taken in this matter.

As of this date, we have received no written response from you in connection with this matter. Please submit answers to the enclosed questions within ten days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In absence of any additional information which demonstrates that no further action should be taken against your committee, the Commission may find probable cause to believe that a violation has occurred, and proceed with formal conciliation. Of course, this does not preclude the settlement of this matter through informal conciliation prior to a finding of probable cause to believe.

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A) (formerly 2 U.S.C. § 437g(a)(3)(B)) unless you notify the Commission in writing that you wish the investigation to be made public.

Mr. John J. McLaughlin, Sr., Treasurer

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Michele D. Brown, the staff member assigned to this matter at (202) 523-4175.

Sincerely,

Re: MUR 1124

Dear Mr. McLaughlin:

This is to advise you that on March 16, 1979, April 12, 1979, and September 13, 1979, the Federal Election Commission found reason to believe that your committee, the McLaughlin for Congress Finance Committee, may have violated 2 U.S.C. §§ 434(b)(2) and (12) by failing to provide occupation and principal place of business information for contributors, by failing to provide the nature of loans from you to the committee and by failing to continuously report debts and obligations of the committee.

While the Committee Treasurer is responsible for the preparation and filing of the Committee's reports, we believe that you, as the candidate, should be made aware of this development. A copy of our letter to your Committee Treasurer is enclosed.

In connection with its investigation in this matter, the Commission requests that you supply the following information:

1. Did you lend money to the committee?
If so, indicate the date and amount of each loan.
2. Were any of the loans from your personal funds?
If so, please provide documentation. Where you repaid by the committee? Please provide the date, amount and source of any repayment.
3. If any of the loans were not from your personal funds, what was the source of the funds? Please provide the name and address of each lender and the interest rate and terms of each loan. Have

any of these funds been repaid? Please provide
the date amount and source of any repayment.

Please respond within ten days.

Under the 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A)
(formerly 2 U.S.C. § 437g(a)(3)(B)), this matter will remain
confidential unless the Committee notifies the Commission in
writing that it wishes the investigation to be made public.

If you have any questions, please contact Michele D.

I again called Mr. Cooney to urge him to file his amendments (10P, Oct. 10, 10G, YE, April 10, July 10, 1979). He said he's stuck on some principal places of business.. I advised him to get the loan information in immediately, as that is most important (he said the loans were from candidate's personal funds). He said that could be done immediately. I told him to remind Mr. McLaughlin, Sr. (the treasurer) that he is ultimately responsible for filing these reports -- Cooney said McLaughlin was aware of that. I told him I'd be watching for his amendment.
