GENERAL COUNSEL'S REPORT

I. Background

The Reports Analysis Division referred to the Office of General Counsel the Garn Campaign Committee for the Committee's failure to provide year-to-date totals for its contributors, to provide the occupation and principal place of business of contributors, to indicate whether contributions were for the primary or general election, and to explain receipts from General Motors Corporation and the State Bank of Ephraim. On September 9, 1980, the Commission found reason to believe that the Committee had violated 2 U.S.C. § 434(b)(2), § 434(b)(14), § 441b(a) and § 434(b)(7) and 11 C.F.R. § 104.2(b)(7)(i). 1/

1/ As the alleged violations occurred before the Act was amended on January 8, 1980, by Public Law 96-187, all citations to the Act and regulations are to them as they existed before amendment.

II. Legal Analysis

On October 6, 1980, the Garn Campaign Committee submitted in response to the Commission's Reason To Believe Notification a copy of an amendment to its July 10, 1978, Quarterly Report. This amendment is dated October 10, 1979; however, there is no record of the Commission receiving this amendment previously. The amendment provides some of the occupation and principal place of business information which had been omitted on the original report and there are notations that letters were sent to those individuals for whom information had not been obtained. The amendment also provides year-to-date totals and designations for the primary or general election for all contributors.

Darrell Newman, Treasurer of the Garn Campaign Committee, also submitted a letter in response to the Commission's Reason To Believe Notification. Mr. Newman states that there was not a contribution from the State Bank of Ephraim. An individual sent a Bank of Ephraim Cashier's Check to the Committee and this was reported incorrectly. The amendment shows this contribution as a contribution from an individual. With respect to the receipt of $100 listed from General Motors Corporation Mr. Newman states that a typist mistakenly listed an individual's principal place of business in place of a name.

Because the Garn Campaign Committee has filed an amendment addressing the Commission's questions, the Office of General Counsel recommends that the Commission take no further action in this matter.

III. Recommendation

It is recommended that the Commission:

1) take no further action against the Garn Campaign Committee;

2) close the file on this matter; and,

3) send the attached letters.

Dear Michelle:

We are responding to your recent phone call concerning Ephraim State Bank and GMC.

To answer the Eprhaim State Bank question, that was a donation from Edgar R. Anderson who works with the Bank.

In regards to the GMC contribution, you can see in our ammended FEC report that GMC is not included. The reason for that was due to the fact that the typist apparently put down the address where the check came from and not the contributors name.

We hope that this will clear up your questions.

Sincerely,

Darrel Newman

Re: MUR 1224

Dear Mr. Newman:

We are in receipt of the amendment to the July 10, 1979 Quarterly Report of the Garn Campaign Committee in response to the Commission's letter dated September 16, 1980. As Michele Brown of my staff indicated to you on Wednesday, October 29, 1980, in a telephone conversation, the questions raised in our September 16th letter about a receipt of $100 from General Motors Corporation and of $150 from State Bank of Ephraim remain unanswered. Please explain the nature of both receipts.

If you have any questions, please contact Michele D. Brown, the staff member assigned to this matter at (202)523-4175.

Re: MUR 1224

Dear Senator Garn:

This is to advise you that on September 9, 1980, the Federal Election Commission found reason to believe that your committee, the Garn Campaign Committee, has violated 2 U.S.C. § 434(b)(2) by failing to provide occupation and principal place of business of contributors, § 434(b)(7) and 11 C.F.R. § 104.2(b)(7)(i) by incorrectly reporting a receipt from a state bank, § 434(b)(14) by failing to provide year-to-date totals for contributors and failing to indicate whether contributions are for the primary or general election, and § 441b(a) by accepting a contribution from a corporation.1/

While the Committee Treasurer is responsible for the reporting of contributions received by a Federal committee, we believe that you, as the candidate, should be made aware of this development. A copy of our letter to your Committee Treasurer and a copy of the Commission's reason to believe notification is enclosed.

Under 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A), this matter will remain confidential unless the Committee notifies the Commission in writing that it wishes the investigation to be made public.

1/ As the alleged violations occurred before the Federal Election Campaign Act was amended on January 8, 1980, by Pub. Law 96-187, all citations to the Act and Regulations are to them as they existed before being amended.

If you have any questions, please contact Michele D. Brown, the staff member assigned to this matter at (202) 523-4175. We have numbered this matter MUR 1224.

Sincerely,

John Warren McGarry

RESPONDENT: Garn Campaign Committee

SOURCE OF MUR: I N T E R N A L L Y G E N E R A T E D

BACKGROUND

On April 2, 1980, the Reports Analysis Division referred to the Office of General Counsel the Garn Campaign Committee for the committee's failure to provide year-to-date totals for its contributors, to provide the occupation and principal place of business of contributors, to indicate whether contributions were for the primary or general election, and to explain receipts from General Motors Corporation and the State Bank of Ephraim.1/

FACTUAL BASIS AND LEGAL ANALYSIS

The Garn Campaign Committee failed to provide on its July 10, 1979, Quarterly Report, year-to-date totals for 387 of 390 of its contributors, failed to provide occupations and principal places of business for 58% of its contributors, and failed to indicate whether contributions were for the primary or general election. 2 U.S.C. § 434(b)(2) requires that a committee report the occupation and principal place of business for each person who made a contribution in the aggregate in excess of $100. Also, 2 U.S.C. § 434(b)(14) states that each report must disclose "such other information as shall be required by the Commission." Because the Commission prescribed the reporting forms and the forms request the year-to-date totals and a designation of which election the contribution is to be applied, this would fall under the requirements of 2 U.S.C. § 434(b)(14).

1/ As the alleged violations occurred before the Federal Election Campaign Act was amended on January 8, 1980, by Pub. Law 96-187, all citations to the Act and Regulations are to them as they existed before being amended.

to the State Bank of Ephraim, a call was made to the Comptroller of the Currency to determine if it is a national bank. According to that office, Bank of Ephraim is a state bank and not a national bank. The payment, according to Reports Analysis, could be an interest payment from the bank to the Garn Campaign Committee. If this is the case, the committee should have reported it as such in accordance with 2 U.S.C. § 434(b)(7) and 11 C.F.R. § 104.2(b)(7)(i). Thus, the Office of General Counsel recommended that the Commission find reason to believe that the Garn Campaign Committee violated 2 U.S.C. § 441b(a), § 434(b)(14), § 434(b)(7) and 11 C.F.R. § 104.2(b)(7)(i).

Based on the foregoing analysis, the Federal Election Commission found reason to believe that the Garn Campaign Committee violated:

1. 2 U.S.C. § 434(b)(2) by failing to provide occupation and principal place of business information for 58% of the itemized contributors on the July 10 Quarterly Report;

2. 2 U.S.C. § 434(b)(14) by failing to provide year-to-date totals for its contributors and to indicate whether contributions were designated for the primary or general election;

3. 2 U.S.C. § 441b(a) by accepting a contribution from General Motors Corporation; and,

4. 2 U.S.C. § 434(b)(7) and 11 C.F.R. § 104.2(b)(7)(i) by failing to correctly report a receipt from the State Bank of Ephraim.

CERTIFICATION

I, Marjorie W. Emmons, recording secretary for the Federal Election Commission's executive session on September 9, 1980, do hereby certify that the Commission decided by a vote of 5-1 to take the following actions in MUR 1224:

1. Find reason to believe that the Garn Campaign Committee violated:

   a) 2 U.S.C. §434(b)(2) by failing to provide occupation and principal place of business information for 58% of the itemized contributors on the July 10 Quarterly Report;

   b) 2 U.S.C. §434(b)(14) by failing to provide year-to-date totals for its contributions and to indicate whether contributions were designated for the primary or general election;

   c) 2 U.S.C. §441b(a) by accepting a contribution from General Motors Corporation; and,

   d) 2 U.S.C. §434(b)(7) and 11 C.F.R. §104.2(b)(7)(i) by failing to correctly report a receipt from the State Bank of Ephraim.

2. Approve and authorize the sending of letters as prepared by the Office of General Counsel.

Re: MUR 1224

Dear Mr. Newman:

The Federal Election Commission notified you by letters requesting additional information, dated November 16 and December 20, 1980, that your committee may have violated certain sections of the Federal Election Campaign Act of 1971, as amended (the "Act"). 1/

Upon further review of the information available to the Commission and information supplied by you, the Commission determined, on September 9, 1980, that there is reason to believe that you have violated 2 U.S.C. § 434(b)(2), § 434(b)(7), § 434(b)(14), § 441b(a), and 11 C.F.R. § 104.2(b)(7)(i). A report on the Commission's finding is attached for your information. You may submit any factual or legal materials which you believe are revelant to the Commission's analysis of this matter.

Your response to the Commission's initial notification of the possible violation did not provide complete information regarding the matters in question. Please submit within 10 days an amendment to your July 10 Quarterly Report disclosing occupation and principal place of business information missing from the original report, along with year-to-date totals for contributors and designations of the election to which the contribution was to be applied. Also, your report lists a receipt from General Motors Corporation. Is this from GMC's

political action committee? If so, please indicate this on your amendment. If not, please explain the nature of this receipt. With regard to the receipt from the State Bank of Ephraim, please indicate whether this was a contribution or interest income. If interest income, please include this on your amendment.

In the absence of any additional information which demonstrates that no further action should be taken against your committee, the Commission may find probable cause to believe that a violation has occurred, and proceed with formal conciliation. Of course, this does not preclude the settlement of this matter through informal conciliation prior to a finding of probable cause to believe if you so desire.

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public.

If you have any questions, please contact Michele D. Brown, the staff member assigned to this matter at 202/523-4175.

INTERNAL REPORTS CHECKED: None

SUMMARY OF ALLEGATIONS

On April 2, 1980, the Reports Analysis Division referred to the Office of General Counsel the Garn Campaign Committee for the committee's failure to provide year-to-date totals for its contributors, to provide the occupation and principal place of business of contributors, to indicate whether contributions were for the primary or general election, and to explain receipts from General Motors Corporation and the State Bank of Ephraim.

FACTUAL AND LEGAL ANALYSIS

The Garn Campaign Committee failed to provide on its July 10, 1979, Quarterly Report, year-to-date totals for 387 of 390 of its contributors, failed to provide occupations and principal places of business for 58% of its contributors, and failed to indicate whether contributions were for the primary or general election. 2 U.S.C. § 434(b)(2) requires that a committee report the occupation and principal place of business for each person who made a contribution in the aggregate in excess of $100. Also, 2 U.S.C. § 434(b)(14) requires that each report must disclose "such other information as shall be required by the Commission." Because the Commission prescribed the reporting forms and the forms request the year-to-date totals and a designation of which election the contribution is to be applied, this would fall under the requirements of 2 U.S.C. § 434(b)(14).

0 0 0 1 2 2 5 0 4 3

The Garn Campaign Committee also failed to explain receipts from the General Motors Corporation and from the State Bank of Ephraim. With regard to the receipt from General Motors Corporation, the amount involved was $100. This amount is minimal. However, it is unexplained and could be a corporate contribution. With regard to the State Bank of Ephraim, a call was made to the Comptroller of the Currency to determine if it is a national bank. According to that office, the State Bank of Ephraim is a state bank and not a national bank. The payment, according to Reports Analysis, could be an interest payment from the bank to the Garn Campaign Committee. If this is the case, the committee should have reported it as such in accordance with 2 U.S.C. § 434(b)(7) and 11 C.F.R. § 104.2(b)(7)(i). Thus, the Office of General Counsel recommends that the Commission find reason to believe that the Garn Campaign Committee violated 2 U.S.C. § 441b(a), § 434(b)(14), § 434(b)(7) and 11 C.F.R. § 104.2(b)(7)(i).

RECOMMENDATIONS

A. The Office of General Counsel recommends that the Commission find reason to believe that the Garn Campaign Committee violated:

1. 2 U.S.C. § 434(b)(2) by failing to provide occupation and principal place of business information for 58% of the itemized contributors on the July 10 Quarterly Report;

2. 2 U.S.C. § 434(b)(14) by failing to provide year-to-date totals for its contributors and to indicate whether contributions were designated for the primary or general election;

3. 2 U.S.C. § 441b(a) by accepting a contribution from General Motors Corporation; and,

4. 2 U.S.C. § 434(b)(7) and 11 C.F.R. § 104.2(b)(7)(i) by failing to correctly report a receipt from the State Bank of Ephraim.

B. The Office of General Counsel recommends that the Commission approve and authorize the sending of the attached letters.

MEMORANDUM: FOR FILES

RE: TELECON

FROM: Benita Marcus

DATE: 8/23/79 and 8/24/79

NAME OF COMMITTEE: Garn Campaign Committee
Darrel Newman, Treasurer

Mr. Newman called concerning an rfai on the 79 Q1. He said that the letter just got there and it was mailed from the FEC on July 29, so he wanted to explain why there was no response. He seemed very cooperative and I told him there would be no problems, just to get the amendment in ASAP. He said he would mail it by the end of the week.

Mr. Newman called back today to say that he thought there was a problem with his Q2. I explained that I had not reviewed it yet, but would pull the folder and see if I could answer his questions. He forgot to include a Schedule D with the report. He seemed somewhat concerned about how he was filling out the forms. I told him I would send a copy of the Act, Regs, Campaign Guide and Bookkeeping Manual to update his files. He said that he has been Senator Garn's treasurer for over 2 years, but was concerned since he had never been through an election cycle. I told him about the FEC Seminars, and told him I would send the information sheet on them. I suggested that he consider attending the one for the Southwest in December.

10. The Detailed Summary Page (Page 2) of your report does not correctly itemize the activity for your committee. Line 14a should include only contributions from individuals whose aggregate year-to-date contributions exceed $100 and under. Transfers from Political Committees must be itemized on a separate Schedule A and the totals entered on the appropriate Line 15. Please amend your report accordingly.

NAME OF COMMITTEE: Garn Campaign Committee

Mr. Newman called today to again request information on the RFAI he received. He called wanting to know"who the little girl was who was handling Utah." I told him I was the analyst he had spoken to before, and it was my understanding that what was being requested was understood the last time I spoke with him. He proceded to explain that the problems were with the "little girl" in his office who was typing the reports and how it was so hard to get good help. He wanted an extension, and I told him that no further time could be given and he had already told me that a response would be in by the beginning of September. He said he'd see what he could do whenever he had the time. I told him that was his decision to make but that I would strongly suggest getting the committee's books in order before the problems get completely out of hand. (Many reporting problems, wrong lines, PPB etc.)

Re: MUR 1224

Dear Mr. Newman:

The Federal Election Commission notified you by letters requesting additional information, dated November 16 and December 20, 1980, that your committee may have violated certain sections of the Federal Election Campaign Act of 1971, as amended (the "Act").

Upon further review of the information available to the Commission and information supplied by you, the Commission determined, on , 1980, that there is reason to believe that you have violated 2 U.S.C. § 434(b)(2), § 434(b)(7), § 434(b)(14), § 441b(a), and 11 C.F.R. § 104.2(b)(7)(i). A report on the Commission's finding is attached for your information. You may submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter.

Your response to the Commission's initial notification of the possible violation did not provide complete information regarding the matters in question. Please submit within 10 days an amendment to your July 10 Quarterly Report disclosing occupation and principal place of business information missing from the original report, along with year-to-date totals for contributors and designations of the election to which the contribution was to be applied. Also, your report lists a receipt from General Motors Corporation. Is this from GMC's political action committee? If so, please indicate this on your amendment. If not, please explain the nature of this receipt. With regard to the receipt from the State Bank of Ephraim, please indicate whether this was a contribution or interest income. If interest income, please include this on your amendment.

In the absence of any additional information which demonstrates that no further action should be taken against your committee, the Commission may find probable cause to believe that a violation has occurred, and proceed with formal conciliation. Of course, this does not preclude the settlement of this matter through informal conciliation prior to a finding of probable cause to believe if you so desire.

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public.

If you have any questions, please contact Michele D. Brown, the staff member assigned to this matter at 202/523-4175.

Sincerely,

The Honorable Edwin J. Garn

Re: MUR 1224

Dear Senator Garn:

This is to advise you that on , 1980, the Federal Election Commission found reason to believe that your committee, the Garn Campaign Committee, has violated 2 U.S.C. § 434(b)(2) by failing to provide occupation and principal place of business of contributors, § 434(b)(7) and 11 C.F.R. § 104.2(b)(7)(i) by incorrectly reporting a receipt from a state bank, § 434(b)(14) by failing to provide year-to-date totals for contributors and failing to indicate whether contributions are for the primary or general election, and § 441b(a) by accepting a contribution from a corporation.

While the Committee Treasurer is responsible for the reporting of contributions received by a Federal committee, we believe that you, as the candidate, should be made aware of this development. A copy of our letter to your Committee Treasurer and a copy of the Commission's reason to believe notification is enclosed.

Under 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A), this matter will remain confidential unless the Committee notifies the Commission in writing that it wishes the investigation to be made public.

If you have any questions, please contact Michele D. Brown, the staff member assigned to this matter at 202-523-4175. We have numbered this matter MUR 1224.

Sincerely,

Charles N. Steele

RE: TELECON

FROM: Benita Marcus

DATE: 8/23/79 and 8/24/79

NAME OF COMMITTEE: Garn Campaign Committee
Darrel Newman, Treasurer

Mr. Newman called concerning an rfai on the 79 Q1. He said that the letter just got there and it was mailed from the FEC on July 29, so he wanted to explain why there was no response. He seemed very cooperative and I told him there would be no problems, just to get the amendment in ASAP. He said he would mail it by the end of the week.

Mr. Newman called back today to say that he thought there was a problem with his Q2. I explained that I had not reviewed it yet, but would pull the folder and see if I could answer his questions. He forgot to include a Schedule D with the report. He seemed somewhat concerned about how he was filling out the forms. I told him I would send a copy of the Act, Regs, Campaign Guide and Bookkeeping Manual to update his files. He said that he has been Senator Garn's treasurer for over 2 years, but was concerned since he had never been through an election cycle. I told him about the FEC Seminars, and told him I would send the information sheet on them. I suggested that he consider attending the one for the Southwest in December.

1. Aggregate Year-To-Date Totals are omitted for Schedule A.

2. Election Designation is omitted for Schedule A.

corrected on amend. (attach. #1(3)

3. The April 10 Quarterly Report filed by you disclosed $585.64 closing cash on hand. However, on your July 10 Quarterly Report, you disclose a beginning cash figure of $631.62. Please amend your report to explain this discrepancy.

4. Please amend your report to disclose transfers from political committees on a separate Schedule A, Line 15b and include the total on Column A, Line 15b of the Detailed Summary Page.

5. Please be advised that Section 104.2(b)(3)(ii) of the Commission's Regulations requires contributions of $100 or less, which are itemized to be reported on a separate schedule and not itemized with contributions in excess of $100 for the calendar year.

corrected on amend (attach #3)

6. Several expenditures itemized on Line 20a of Schedule B indicate a possible fundraising activity sponsored by your committee during the reporting period. Please be advised that Section 104.2(b)(6) of the Commission's Regulations requires disclosure of all fundraising events to include the total gross proceeds. In addition, the date (s) and location(s) of the event(s) should be provided. This information should be reported on Schedule D and the total entered as a memo entry on Line 14c of the Detailed Summary Page. Any receipt in excess of $100 must be itemized on a separate Schedule A of Line 14a, of the Detailed Summary Page. All contributions from political committees must be reported regardless of the amount on Line 15b and the total included on Column A, Line 15b of the Detailed Summary Page.

7. Please be advised that "principal place of business" is defined to be the full name under which the business is conducted and the city and state in which the person is employed or conducts business. Please amend your report to include the principal place of business for those contributors whose aggregate year-to-date contributions exceed $100.

8. On Schedule A you indicate a receipt from the State Bank of Ephriam of $150. Please define the nature of this receipt. If it is interest from an account, it should be itemized on a separate Schedule A and entered on Line 16 of the Detailed Summary Page under "Other Income".

9. You itemize a receipt of $100 from GMC. Please clarify the nature of this receipt. If it is a contribution from the General Motors Political Action Committee, it should be included with similar contributions on Schedule A and included in the total on Line 15b.

10. The Detailed Summary Page (Page 2) of your report does not correctly itemize the activity for your committee. Line 14a should include only contributions from individuals whose aggregate year-to-date contributions exceed $100 and under. Transfers from Political Committees must be itemized on a separate Schedule A and the totals entered on the appropriate Line 15. Please amend your report accordingly.

DATE: December 1, 1979

FROM: Darrel Newman

TO: Benita Marcus

NAME OF COMMITTEE: Garn Campaign Committee

Mr. Newman called today to again request information on the RFAI he received. He called wanting to know"who the little girl was who was handling Utah." I told him I was the analyst he had spoken to before, and it was my understanding that what was being requested was understood the last time I spoke with him. He proceded to explain that the problems were with the "little girl" in his office who was typing the reports and how it was so hard to get good help. He wanted an extension, and I told him that no further time could be given and he had already told me that a response would be in by the beginning of September. He said he'd see what he could do whenever he had the time. I told him that was his decision to make but that I would strongly suggest getting the committee's books in order before the problems get completely out of hand. (Many reporting problems, wrong lines, PPB etc.)
