Re: MUR 1425 and 1426

Dear Mr. McTeague:

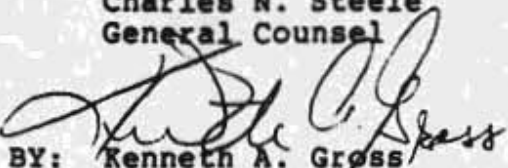

This is in reference to the complaints you filed with the Commission on February 4, 1982, concerning Friends of Denny Smith, Senior Political Action Committee, and A Columbia River Trust Political Action Committee.

On August 19, 1982, a conciliation agreement signed by the respondents was accepted by the Commission, thereby concluding the matter. A copy of the agreement is enclosed for your information.

The file numbers in these matters are MUR 1425 and 1426. If you have any questions, please contact Judy Thedford, at 202-523-4529.

DENNY SMITH for Congress

July 1, 1982

Mr. Dick Lytle
5723 Jerome Prairie Road
Grants Pass, OR 97526

Dear Mr. Lytle:

Enclosed you will find a check made out to you for \$500.00 from the Friends of Denny Smith campaign committee.

I am obliged to send this check to you because of a complaint that was filed with the Federal Election Commission by one of Denny's opponents in the primary election, Dave McTeague, and because of the subsequent litigation and resulting judgement of that commission. (See additional enclosures).

The complaint by Mr. McTeague stated his belief that the Friends of Denny Smith committee had two affiliated committees, and that failure of the Friends of Denny Smith committee to so declare them as such was illegal. We contested the complaint vigorously, as it was never our intention or design to have any such affiliated committees, nor were they established to help the Friends of Denny Smith committee in any way.

As you will see, the matter is not entirely settled, but we are taking the steps necessary to meet the requirements of the conciliation agreement.

If you have any questions regarding this matter, please don't hesitate to call me at 371-6328.

Sincerely,

Rosemary D. Wood

Re: MUR 1425 and 1426

Dear Mr. McTeague:

This is in reference to the complaints you filed with the Commission on February 4, 1982, concerning Friends of Denny Smith, Senior Political Action Committee, and A Columbia River Trust Political Action Committee.

After conducting an investigation in these matters, the Commission determined there was reason to believe that the committees violated 2 U.S.C. § 433(b)(2), a provision of the Federal Election Campaign Act of 1971, as amended. On August 1982, a conciliation agreement signed by the respondents was accepted by the Commission, thereby concluding the matter. A copy of the agreement is enclosed for your information.

The file numbers in these matters are MUR 1425 and 1426. If you have any questions, please contact Judy Thedford, at 202-523-4529.

Dear Mr. Herge:

On May 10, 1982, the Commission found reason to believe that Friends of Denny Smith ("FDS"), Senior Political Action Committee ("SRPAC"), and A Columbia River Trust Political Action Committee ("ACRT-PAC") violated 2 U.S.C. § 433(b)(2). RE: MUR 1425/1426
Friends of Denny Smith
Senior Political Action
Committee

Dear Mr. Herge:

The Federal Election Commission previously notified your clients, Friends of Denny Smith ("FDS") and Senior Political Action Committee ("SRPAC"), of a complaint which alleges that they had violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to you at that time.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on May 10, 1982, determined that there is reason to believe that Friends of Denny Smith and Senior Political Action Committee violated 2 U.S.C. § 433(b)(2), a provision of the Act. Specifically, it appears that FDS and SRPAC and FDS and ACRT-PAC are affiliated and that the Statement of Organizations filed by these committees failed to disclose an affiliated committee.

You may submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Please file any such response within ten days of your receipt of this notification.

The Office of General Counsel would like to settle this matter through conciliation prior to a finding of probable cause. However in the absence of any information which demonstrates that no further action should be taken against your clients, the Office of General Counsel must proceed to the next compliance stage as noted on page 2, paragraph 2 of the enclosed procedures.

Dear Mr. Pfarrer:

The Federal Election Commission notified you on April 20, 1982, of a complaint which alleges that A Columbia Trust Political Action Committee ("ACRT-PAC") had violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to you at that time.

Upon further review of the allegations contained in the complaint, the Commission, on May 10, 1982, determined that there is reason to believe that your committee has violated 2 U.S.C. § 433(b)(2), a provision of the Act. Specifically, it appears that ACRT-PAC and Friends of Denny Smith are affiliated committees and that ACRT-PAC's Statement of Organization failed to disclose an affiliate committee.

As of this date, we have received no written response from you in connection with this matter. You may submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Please file any such response within ten days of your receipt of this notification.

The Office of General Counsel would like to settle this matter through conciliation prior to a finding of probable cause. However in the absence of any information which demonstrates that no further action should be taken against your committee, the Office of General Counsel must proceed to the next compliance stage as noted on page 2, paragraph 2 of the enclosed procedures.

FEDERAL AGENCIES CHECKED: N/A

SUMMARY OF ALLEGATIONS

The complainant in MURs 1425 and 1426, Dave McTeague, alleges that the Friends of Denny Smith, the principal campaign committee of Congressman Smith, violated provisions of the Act by failing to report affiliated committees on its Statement of Organization, FEC Form 1. Specifically, MUR 1425 alleges that Senior Political Action Committee ("SRPAC") is an affiliate of Friends of Denny Smith ("FDS") and MUR 1426 alleges that A

02040344935

Columbia River Trust Political Action Committee ("ACRT-PAC") is an affiliate of FDS.

In support of the allegation that SRPAC and FDS are affiliated (MUR 1425), Mr. McTeague submitted the following documents:

1. A copy of the September 15, 1981 solicitation letter from Rosemary Wood, Executive Director of SRPAC, stating that SRPAC will mail to people in the 5th Congressional district, that Congressman Smith has endorsed and supports the PAC, and that other similar packets had been mailed to 49 other businessman friends of Denny Smith.

2. A copy of a letter from Congressman Smith to SRPAC which carries the disclaimer that the letter was "Paid for and Authorized by ACRT-PAC."

3. A copy of a letter from Dr. Stan Wells, Chairman of SRPAC.

4. A copy of a letter from Kenneth Cooper acknowledging receipt of the Wood and Wells letters and noting that Ruth Chism, SRPAC's treasurer, is also chairperson of Congressman Smith's local Senior Citizens Advisory Committee.

5. A copy of FDS's Statement of Organization Amendment dated September 29, 1981 which does not list any affiliates.

6. A copy of FDS campaign material from the 1980 election listing Rosemary Wood as chairman.

02040344936

7. A page out of the Salem, Oregon NW Bell Phone Directory showing SRPAC's address listed as the home of Ruth Chism (See Attachment I).

On February 1, 1980, Mr. McTeague amended the complaint in MUR 1425. The amendment noted that the 1981 Year-End Report filed by FDS disclosed salary disbursements to Rosemary Wood while she was Executive Director of SRPAC, that Dr. Wells contributed \$1,000 to FDS on November 12, 1981, and that Ruth Chism treasurer of SRPAC was reimbursed for mailing by FDS on August 11, 1981. Additionally, the complainant contends that both SRPAC and FDS have the same phone number (See Attachment II).

The complaint filed in MUR 1426 makes reference to the complaint in MUR 1425. Mr. McTeague states that his investigation of SRPAC lead to the discovery of another affiliated committee of FDS. Specifically, the complainant referred to the SRPAC solicitation letter in MUR 1425 enclosing a letter from Congressman Smith. The complainant describes the Smith letter as being written on "Congressman Denny Smith" letterhead and having the printed signature "Denny Smith, M.C." He notes, however, that the letter carried the disclaimer "Paid for and authorized by ACRT-PAC". Mr. McTeague's further research discovered that ACRT-PAC was registered with the Commission and had filed reports.

After reviewing the reports filed by ACRT-PAC, the complainant submitted evidence showing that: 1) Peter Meagher, the Executive Director of ACRT-PAC had been on salary with

02040344937

FDS; 2) that FDS loaned \$4,500 to ACRT-PAC; 3) Frederick Pfarrer, ACRT-PAC's treasurer, contributed to FDS; 4) ACRT-PAC's address is that of its Executive Director; 5) an ACRT-PAC report was mailed in an envelope with the return address of FDS; 6) FDS and ACRT-PAC use the same vendors; 7) 45% of ACRT-PAC funds were from FDS or its donors; 8) ACRT-PAC paid for and authorized a letter from Denny Smith to SRPAC; and 9) FDS's Statement of Organization amendment dated September 29, 1981 does not list any affiliates.

Mr. McTeague then concludes that FDS maintains power and control over ACRT-PAC, ACRT-PAC received initial financing almost exclusively from FDS, ACRT-PAC and FDS show similar contribution and expenditure patterns, ACRT-PAC used firms in California and no disbursements are reported for phone calls or travel, the first postage payment reported by the ACRT-PAC was April 3, 1981 and before this time ACRT-PAC had activity, and that ACRT-PAC ordered art work and printing that was completed before its loan from FDS was received (See Attachment III).

Copies of the complaints were forwarded to the respondents. FDS and SRPAC filed Designation of Counsel Statements showing that they would be represented by Sedam and Herge. The copy of the complaint forwarded to ACRT-PAC was returned "Unclaimed", it was resent "Certified Mail" and a copy sent through the regular mail. Peter Meagher assistant treasurer of ACRT-PAC received the letter and phoned the Commission. He stated that he is no longer associated with ACRT-PAC and would return the letter with ACRT-

02040344938

PAC's new address. Mr. Neagber returned the letter and gave ACRT-PAC's new address. A copy of the complaint was sent to the new address.

LEGAL ANALYSIS

In both complaints filed by Mr. McTeague, affiliation between political committees is alleged. MUR 1425 alleges affiliation between FDS and SRPAC; MUR 1426 alleges affiliation between FDS and ACRT-PAC. As the complainant is the same in both MURs and the issue of affiliation the main allegation in each MUR, it is recommended that MUR 1425 and MUR 1426 be merged. Counsel for FDS and SRPAC has also requested the merger.

Title 11 of the Code of Federal Regulation section 100.5(g) (1) and (2) describe the term "affiliation committees." 11 C.F.R. § 100.5(g)(1) states that all authorized committees of the same candidates are affiliated. The Statement of Organizations filed by FDS, SRPAC, and ACRT-PAC do not identify any affiliated committees. The response to the complaint filed by Mr. Herge on behalf of FDS submitted an affidavit from Congressman Smith which stated that FDS is his principal campaign committee, that he has not authorized any other political committee to accept contributions or made expenditures on his behalf and that he disavows any authority or influence over the decisions of officers or members of SRPAC and ACRT-PAC. Pursuant to AO-1978-12, Mr. Herge claims the affidavit is sufficient to

02040344939

demonstrate no affiliation between FDS and SRPAC and FDS and ACRT-PAC.

2 U.S.C. § 441a(a)(5) and 11 C.F.R. § 100.5(g)(2) states that all committees established, financed, maintained or controlled by the same person or group of persons are affiliated.

The committee involved, FDS, ACRT-PAC, and SRPAC, share some of the same officers. In particular, the complainant notes that Rosemary Wood is Executive Director of SRPAC and chairman of FDS, Ruth Chism is treasurer of SRPAC and chairperson of a local Senior Citizen Advisory Committee for Representative Smith. Peter Meagher is assistant treasurer and executive director of ACRT-PAC and was former director of FDS until July 1981. Mr. Herge acknowledges these overlapping officers in his response and submits that "limited crossovers such as this does not make the committees affiliated. See AO 1975-35." He also notes that the treasurer of each committee is a different person. Ruth Chism is treasurer of SRPAC, Robert Johnson is treasurer of FDS, Reginald Hansen is treasurer of FDS, and Frederick Pfarrar is treasurer of ACRT-PAC.

It would seem that persons serving as officers of two committees simultaneously are influenced in their decision making by their actions in each position. In this case, the overlapping officers, Rosemary Wood and Peter Meagher, appear to have been involved in influential and decision making positions of FDS and SRPAC and FDS and ACRT-PAC, respectively. The advisory opinion cited by Mr. Herge in defense of these overlapping officers, AO-

02040344940

1975-35 states that the Act "would not preclude a person from serving in an official capacity with more than one political committee raising funds for Federal purposes." The opinion, however, points out that the contribution and expenditures limitations apply to the committees which are, in fact, truly independent committees and that political committees which have the same person or persons serving as key officers may be compromising the committees independence. The opinion concludes that in such cases, such interconnection may lead to the legal conclusion that for the purposes of applying limitations, several committees are in fact only one.

The complaints filed by McTeague also submit other evidence which demonstrates some "influence" between the committees: the phone number printed on SRPAC stationery is answered "Friends of Denny Smith"; ACRT-PAC's Special Primary Election Report was mailed in an envelope with "Friends of Denny Smith" as the return addressee; disbursements had been made to Ruth Chism, Rosemary Wood, and Peter Meagher by FDS as they serve as officers of ACRT-PAC and SRPAC; the SRPAC solicitation letter states that the letter has been sent to "49 other businessman friends of Denny Smith"; and, ACRT-PAC uses the same vendors as FDS.

In reply to one of these allegations, Mr. Herge responded by submitting an affidavit from FDS's treasurer stating that the disbursements made to Chism, Wood and Meagher by FDS were for FDS activities and nothing else (See Attachment IV).

The complainant also contends that the loan of \$4,500 from FDS to ACRT-PAC represented 90% of ACRT-PAC's funds at the time

02040344941

it was made. Additionally, the complainant states that from April 1, 1980 to June 30, 1981, 45% of ACRT-PAC's contributions were from FDS or mutual contributors.

Mr. Herge responded that the loan to ACRT-PAC by FDS was repaid in full by ACRT-PAC on February 4, 1982 and that the loan fell within the limits of 441a(a)(1)(C). Mr. Herge notes AO-1976-104 and concludes that \$4,500 loan is not sufficient to conclude affiliation between ACRT-PAC and FDS.

The \$4,500 loan by ACRT-PAC to FDS accounts for 35 percent of ACRT-PAC's receipts in 1981. The percentage is close to that cited in the advisory opinion (40%) which was sufficient to demonstrate affiliation.

In defense of the affiliation allegations, Mr. Herge submitted literature published by SRPAC and ACRT-PAC. As stated by Mr. Herge, the documents do not state or show any affiliation with or authorization by FDS. With regard to the letter by Congressman Smith incorporated in SRPAC solicitation letter, Mr. Herge argued that the letter does not constitute a contribution or expenditure by FDS pursuant to AO-1977-54 and that such letters are not indicia of affiliation.

From the evidence submitted by the complainant and counsel's response to the complaint, the relationship between SRPAC and FDS and ACRT-PAC and FDS is undefined. A question of affiliation between SRPAC and ACRT-PAC also arises. Further, investigation seems appropriate to ascertain the actual relationship, if any, between these committees.

02040344942

The Office of General Counsel recommends finding reason to believe that FDS, SRPAC, and ACRT-PAC may have failed to report each other as affiliated committees in violation of 2 U.S.C. § 433(b) (2).

RECOMMENDATIONS

1. Merge MUR 1425 with MUR 1426.
2. Find reason to believe Friends of Denny Smith violated 2 U.S.C. § 433(b) (2).
3. Find reason to believe Senior Political Action Committee violated 2 U.S.C. § 433(b) (2).
4. Find reason to believe A Columbia River Trust Political Action Committee violated 2 U.S.C. § 433(b) (2).
5. Send the attached letters.

To the Commission:

As a candidate for Congress in Oregon's 5th Congressional District I wish to file a complaint concerning the incumbent 2nd District Congressman Denny Smith, also a candidate for the 5th District seat.

From the information I have received it appears that Rep. Smith has violated FEC provisions that a candidate must register any affiliated political committee on the candidates FEC 1.

The committee which it appears should have been registered by Smith is: Senior Political Action Committee (SRPAC), 320 Richmond SE, Salem, Oregon 97301; Ruth Chism, Treasurer; Rosemary Wood, Executive Director.

Attached are the following items:

- 1) A copy of a letter dated September 15, 1981 from Rosemary D. Wood, Executive Director of SRPAC, which makes these points among others:
 - (A) That SRPAC intends to mail to Seniors in the 5th Congressional District;
 - (B) That the SRPAC mailing will contain a letter from Denny Smith about SRPAC and his campaign and an additional letter from SRPAC soliciting contributions;
 - (C) That Denny Smith has given his "full support and endorsement to the PAC.";
 - (D) and that Wood mailed "similar packets to 49 other businessmen friends of Denny Smith..."
- 2) A copy of a SRPAC letter referred to in Wood's aforementioned letter.
- 3) A copy of the aforementioned letter from Denny Smith to SRPAC in which he clearly indicates SRPAC is a Federal PAC, that Smith discusses his campaign and requests continued contact with SRPAC. This letter carries on the letterhead "Congressman Denny Smith" and carries the disclaimer "Paid for and Authorized by ACORT PAC."
- 4) A copy of a letter from Kenneth Cooper, 1444 Salishan SE, Salem, Oregon 97302 which makes these points:
 - (A) Rosemary Wood, Executive Director of SRPAC, was Chairman of Friends of Denny Smith, Smith's primary campaign committee.
 - (B) Ruth Chism, Treasurer of SRPAC, is Chairperson of a Senior Citizens Advisory Committee for Denny Smith.
- 5) A copy of Denny Smith's official statement in the 1980 General Election Oregon Voter's Pamphlet listing Rosemary Wood as Chairman of Friends of Denny Smith.
- 6) A copy of Smith's FEC 1 dated September 29, 1981 which shows no connected or affiliated Committees. (FEC 1 copy obtained from the Oregon Secretary of State.)
- 7) A copy of Page 51, Salem, Oregon NW Bell Directory, indicating the

return address of SRPAC (320 Richmond S.E.) is also the home address of Ruth Chism.

Furthermore, my analysis of the "Friends of Denny Smith" Report of Receipts and Disbursements on file with the Oregon Secretary of State, shows the following disbursements:

FRIENDS OF DENNY SMITH DISBURSEMENTS

To	Date	Amount	Reasons
Rosemary Wood	6/25/81	\$40.00	T-SHIRT Deposit
Rosemary Wood	5/9/80	\$25.79	Fundraiser Supplies
Rosemary Wood	3/12/80	\$ 8.00	Expenses
Rosemary Wood	3/3/80	\$78.74	Expenses
Rosemary Wood	2/8/80	\$25.75	Expenses
Ruth Chism	2/5/81	\$74.40	Caging Mail
Ruth Chism	11/3/80	\$127.16	Payroll
Ruth Chism	10/15/80	\$47.13	Payroll

From this information it seems as SRPAC is raising funds specifically for Congressman Smith, with his consent; and that SRPAC intends to spend funds for Congressman Smith, with his consent; and that this appeal for funds has been sent to "friends of Denny Smith;" and that persons with direct and longstanding political ties to Congressman Smith's campaign committee are directing SRPAC.

Thank you for your attention to this matter.

I, Dave McTeague, being first duly sworn, say that the foregoing facts are true as I verily believe.

I am writing to you to enlist your support of a new program which I feel is worthy of your consideration.

That program is called Senior PAC (Political Action Committee).

The purpose of the Senior PAC will be to support, with financial contributions, those candidates for public office who exhibit a sincere desire to address the specific problems that relate to seniors and their well-being.

In order to implement this program, we will need to raise \$5,000 to cover the costs of printing and postage for our first mailing. The ultimate goal is to become a national PAC, but our first mailing will be sent to a sampling of seniors in the counties of the new 5th district of Oregon.

The enclosure consists of two letters (combined here, for our purposes, on one page) which will be part of the eventual mailing: the first from Congressman Denny Smith, directed to Dr. Stanley Wells, a retired physician from Hood River, expressing support of the SR.PAC; and the second from Dr. Wells (who has agreed to be our national chairman) to the seniors, asking for their financial support of the concept of a political action committee for seniors only. It pleases me to inform you of Congressman Smith's full support and endorsement of the PAC.

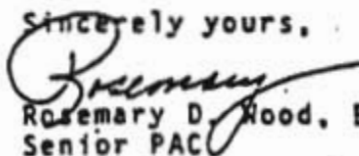

A survey and a self-addressed return envelope for contributions of any amount to the SR. PAC will be enclosed with the letters for mailing.

It is my hope that you will take the ten enclosed packets and mail them, along with a request for a \$50 contribution, to ten of your personal friends. Perhaps you could pen a small, personal note to them, expressing your endorsement of the SR.PAC.

I have mailed similar packets to 49 other businessman friends of Denny Smith's throughout the state. If they all pitch in to help, as I hope you will, we will have raised, without too much difficulty, the funds needed to accomplish our initial task.

Thank you for taking the time to read this letter. If I can answer any questions concerning the SR.PAC, please feel free to call me at 371-9255.

Sincerely yours,

Dear Friend:

I am writing to you with some really exciting news.

A new group is being formed, one with a single purpose in mind and that is to really represent the senior citizens of our country. We will see that our state and federal-elected officials are kept informed of the needs and concerns of all seniors.

Periodic newsletters will come out to keep you informed of our activities and to let you know how you, too, can be involved in the decision making process.

You and I, as senior citizens, desperately need real anti-crime legislation. We know from first hand experience the fear of walking down the street at night - or even in the daytime - and the need to live constantly behind locked doors in our homes.

Only good laws which protect the victims, more than the crooks, will help us.

The other big problem constantly with us is inflation and with it our shattered Social Security System. Our fixed income life style really is hurting because of this situation.

This can only be changed by the election of good, conservative legislators who know how to turn the economy around and who are willing to work for it.

For most of our lives the rules have been made by the big-spender types who seem to think that we can solve everything by printing more money and never even trying to pay our debts.

That's why I think you will really want to be a part of our group - Senior Political Action Committee (SRPAC). That's why I am asking you to send the enclosed Active Seniors Response to me today.

As soon as I receive this Response, I will get right back with your membership card and we will begin our important job.

The enclosed SRPAC brochure is for your information. Our telephone number is 503/371-9255 if you need to discuss this further.

A contribution according to your means, even a dollar or five dollars, will be wisely used to cover printing and mailing costs, a lobby effort with our legislature and congress, plus an office set up. I receive no salary or expenses for myself. Volunteer help is more than needed and will certainly be welcomed.

It is our intent to support candidates for office who are responsive to the needs of our long time citizens and voters.

I look forward to hearing from you soon. Together we become a formidable opponent of the big-spending, big-government liberals who pretend to represent us.

Sincerely,

Dr. Stan Wells
Chairman

P.S. It is nice to know that there are other seniors out there who want to work, as I do, to correct some of these problems that we all share.

Dear Stan,

I'm delighted to hear about the formation of Senior Political Action Committee (SRPAC). It is certainly time for concerned seniors to form a political action committee in addition to the many informational, lobbying and other associations.

By registering with the Federal Election Commission and becoming directly involved with the election process, SRPAC will have more political clout than most other senior citizens groups.

I have a deep concern for senior Americans.

During my campaign I tried to call attention to the bankruptcy of our Social Security System. And since coming to Congress, I have been constantly fighting to preserve the integrity of our Social Security System.

As you know, I've been devoting long hours to fighting inflation and government spending - helping President Reagan cut the budget and taxes.

I look forward to the advice and counsel of SRPAC on these issues that are of direct concern to seniors.

Sincerely,

Denny Smith, M.C.

DS/jc

To all Seniors and Friends of Seniors:

We have in hand two letters prompting the formation of yet another senior citizen organization. One letter is over the name of Doctor Stan Wells, Chairman - the other is over the name and signature of Rosemary D. Wood, Executive Director of SR/PAC (Senior Political Action Committee).

Most interesting to note is that on SR/PAC stationery, Mrs. Ruth Chism, Treasurer, is chairperson of the local Senior Citizen Advisory Committee for Representative Denny Smith. From all the information we have been able to gather, the Executive Director was campaign chairperson for Representative Smith in the last election.

The promoters of SR/PAC have registered with the Federal Election Commission which permits the program to function in all states. The promoters of SR/PAC have every right to do exactly what they are doing. However, in view of the consequences, we would have to question their sincerity about their proclamation of concern for the elderly - and this for a number of reasons: (1) We already have two national organizations - they are AARP/NRTA and the National Council for Senior Citizens; (2) a \$50 contribution is being requested which is an appeal to the affluent only; (3) this would siphon off money that is badly needed to support and maintain existing senior organizations; (4) last but not least, it would create a division among our elderly, pitting elderly against elderly, poor against rich and so it would go. It doesn't seem that we elderly can afford that kind of luxury.

Representative in Congress

2ND
DISTRICT

DENNY
SMITH

Republican

OCCUPATION: Newspaper publisher.

OCCUPATIONAL BACKGROUND: Chairman of Eagle Newspapers, Inc., a family corporation that has 18 community newspapers in Oregon and Washington. Former pilot/flight engineer for Pan American World Airways.

EDUCATIONAL BACKGROUND: Elementary and high school education in Ontario, John Day and Salem. B.A. in Political Science, Willamette University, 1961.

PRIOR GOVERNMENTAL EXPERIENCE: None.

Family:

Denny Smith and his wife Kathleen are raising six children at their home in Salem where they have lived since 1969.

Military Background:

Denny Smith was commissioned in the U.S. Air Force in 1958 and was graduated from pilot training in 1960. He served in the Oregon Air Guard from 1960-62. During the Vietnam conflict, he served as a fighter-pilot and earned the Air Medal with six clusters.

DENNY SMITH proved in the primary that an ordinary citizen with an extraordinary concern could mount a campaign and win the confidence and support of Oregonians. Oregonians showed they wanted a change and now the national spotlight is focused on Denny Smith's challenge.

DENNY SMITH has lived and worked in nearly every corner of the 2nd district. He understands our needs and is concerned about our future. Like us, he has a big stake in Oregon.

DENNY SMITH says:

- We don't need new taxes, we need less government spending.
- Nowhere do we need new leadership more than in preserving the future of Social Security.
- Local control is the best control.
- We don't need more government, we need better government.

DENNY SMITH began his campaign for Congress by calling for a halt to increasing taxation. He reminded Oregonians that Carter and Ullman have doubled federal taxes in just four years.

DENNY SMITH offered new leadership to put America back on the right track. We cannot count on those who got us into this mess to get us out. New tax schemes won't solve our problems... new leadership will. Oregonians agreed.

DENNY SMITH talked about problems of raising a family on a budget eaten away by inflation. He spoke out against increases in federal spending that trigger higher inflation. Oregon families understood.

DENNY SMITH showed concern for Oregon's senior citizens when he urged firm funding for Social Security. He pointed out that the checks were a day late in May and that allowing Social Security to go broke would be a national disgrace. Older Oregonians realized he was right.

DENNY SMITH knows the surest way to guarantee peace is a strong national defense. He saw the grim realities of combat in Vietnam. Oregonians want to be second to none for our own safety and that of the Free World.

DENNY SMITH drew on his business experience when he told civic groups that incentives were needed to expand production. Government must stay out of the way and let the free enterprise system stimulate new jobs and create a vital economy. Working Oregonians applauded.

DENNY SMITH'S concerns and ideas appealed to Oregonians.

DENNY SMITH challenged the Carter-Ullman record. He linked our problems with their policies. Oregonians joined Denny Smith questioning double-digit inflation. Questioning higher and higher unemployment. Questioning spiraling interest rates. Questioning programs that cost millions of dollars and only interfere in our lives.

DENNY SMITH believes that too much of our tax money goes back to Washington, D.C. Sewer and water projects should be designed and governed at the local level, rather than regulated by bureaucrats 3,000 miles away.

DENNY SMITH stood up for local control and his opponent stood up for federal control. Denny Smith stood up for less government spending, and his opponent voted for the largest federal budget in our history. Denny Smith stood up for a tax cut, and his opponent said "no." That's why Oregonians question the incumbent's record.

OREGONIANS ask:

- Why did the incumbent vote against reasonable tax cuts last year and refuse to allow a reduction in our taxes this year?
- Why would the incumbent even consider a national sales tax?
- Why did the incumbent return to the district just 14 times in the last two years, when our tax money makes it possible for congressmen to return 66 times?
- How could the incumbent vote against allowing some senior citizens the ability to earn a little more money after they retire?
- How has the incumbent used his "power" and what has it cost us in federal taxes?

DENNY SMITH listened to those questions. He heard our concerns. And he offered us a choice.

OREGONIANS from his birthplace in Ontario, to where he went to high school in John Day stood up for Denny. People he worked with in Hood River and Albany in the '60s, and Salem in the '70s stepped forward because of his experience, ideas and concern. Oregonians in places such as Prineville, Madras, The Dalles, Hermiston, Molalla and Woodburn—communities where he does business—joined his effort. And now Oregonians throughout the 2nd District are ready for his new, vigorous leadership for the '80s.

IT'S TIME FOR A CHANGE. IT'S TIME FOR DENNY SMITH.

DENNY SMITH... FOR CONGRESS... FOR OREGON...
FOR US.

To the Commission:

On January 25, 1982 I mailed to the FEC a complaint regarding the fact that Congressman Denny Smith's primary campaign committee "Friends of Denny Smith" had not claimed affiliation with "SRPAC" (Senior Political Action Committee.).

After examining the Report of Receipts and Disbursements of Friends of Denny Smith (FDS) filed with the Oregon Secretary of State on January 31st I have learned the following facts which pertain to this complaint:

- FDS paid salary to Rosemary D. Wood from 7/15/81 through 12/15/81. The SRPAC fundraising letter dated 9/15/81 is signed by Rosemary D. Wood as Executive Director.
- FDS received \$1,000 from Stan Wells, SRPAC Chairman, on 11/12/81.

Furthermore, I have determined that the phone number (503) 371-9255, which is given as the number for SRPAC in both of their fundraising letters, is in fact a number of "Friends of Denny Smith."

I and others have phoned this number on several instances during the last week and this number has invariably and consistently been answered "Friends of Denny Smith." One person who phoned and received this reply is Mr. Paul Hansen, Reporter, KATU NEWS, Portland, Oregon.

I submit this information to the commission in that I believe it further indicates that "Friends of Danny Smith" and "Senior Political Action Committee" are in fact affiliated and controlled by the same person or group of persons.

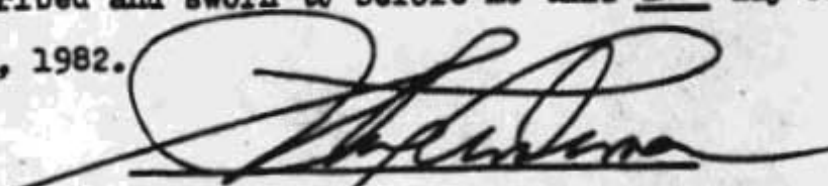

Furthermore, it should also be noted that the same FDS Report of Receipts and Disbursements also indicates that Ruth Chism, SRPAO Treasurer, was reimbursed \$9.55 for postage by FDS on 8/11/81.

This is all the further information I have to submit at this time.

I, Dave McTeague, being first duly sworn, say that the foregoing facts are true as I verily believe.

To the Commission:

As a candidate for Congress in Oregon's 5th Congressional District I wish to file an additional complaint concerning the campaign activities of Congressman Denny Smith also a candidate for the 5th District seat.

As the Commission is aware I previously filed a complaint that Smith apparently violated FEC provisions by failing to declare Senior Political Action Committee (SRPAC) as an affiliated committee on the candidate's FEC 1.

As the result of other investigation I have concluded that Rep. Smith has apparently violated the same FEC requirement by failing to claim "Columbia River Trust Political Action Committee" or "ACRT PAC" as an affiliated committee. (Columbia River Trust PAC FEC ID # C00 138 859)

The existence of "Columbia River Trust" PAC (hereafter referred to as CRT-PAC) came to my attention in examining the material concerning SRPAC.

The SRPAC fundraising letter mailed by Rosemary Wood, SRPAC Executive Director and Chairman of Friends of Denny Smith, refers to an enclosed letter from Denny Smith.

This letter from Smith carries the letterhead address: "Congressman Denny Smith, Washington D.C. 20515" and has printed as signator "Denny Smith, M.C." This letter carries the disclaimer: "Paid for and authorized by ACRT PAC." This letter carries no other individuals name or committee name as a responsible party.

Both the SRPAC letters and the ACRT PAC letter are again enclosed. And I would refer the Commission to the material in my previous complaint identifying Rosemary Wood as the Chairman of Friends of Denny Smith.

In my attempts to identify "ACRT-PAC" my volunteer researchers contacted the FEC, and in specific Mr. Rory Conley, a FEC research officer. Immediately Conley determined no PAC "ACRT PAC" was filed with the FEC.

Having no further information, such as Treasurers name, to proceed on, Conley said he would attempt to locate any PAC with the initials "ACRT" in the PAC name. Conley later contacted my committee and informed us no PAC has the initials "ACRT" in its name.

ATTACHMENT III pg 12

RECEIVED
GENERAL COUNSEL
FEB 4 1982

At this point my research volunteer explained the relationship between "ACRT PAC" and SRPAC. Conley said he would check SRPAC papers and see if he could obtain information regarding "ACRT PAC" identity.

Conley later contacted my volunteer researcher and said that he believed the identity of "ACRT PAC" was the Columbia River Trust PAC and no other PAC has initials so similar. Conley said he discovered CRT PAC when he was examining SRPAC papers on FEC microfilm but the information came to his attention not because the SRPAC papers contained any relating information but that he accidentally noticed CRT PAC was next to SRPAC on the microfilm and that in addition to the initials, CRT PAC had received a \$4,500 loan from Friends of Denny Smith.

Upon obtaining this information we requested the names and addresses of the CRT PAC and learned that CRT PAC Executive Director was Peter Meagher and the Treasurer is Fred J. Pfarrer. The address of CRT PAC was listed on the organizational form as 383 Owens S. Suite 30, Salem, Oregon 97302.

We then requested and subsequently received copies of the two CRT PAC Reports of Receipts and Disbursements on file with the FEC.

Since then, from these reports, the Reports of Receipts and Disbursements of Friends of Denny Smith and other public records the following facts:

1) Peter Meagher, Executive Director of CRT PAC, was an employee of Friends of Denny Smith. Several times we saw Meagher referred to as "Campaign Director" of Friends of Denny Smith. From the period 12/17/79 to 6/15/81 Meagher has received the following total disbursements from Friends of Denny Smith: \$18,204.02 in Salary; \$1,548.96 in Fees; and, \$459.76 in expenses.

2) On 4/1/81 Friends of Denny Smith financed a \$4,500 loan to CRT-PAC. From 1/1/81 to 4/1/81 the total receipts of CRT-PAC were \$4,825. This included the \$4,500 loan and \$325 of unitemized contributions. In excess of 90% of CRT PAC financing was from Friends of Denny Smith for this period.

3) Frederick Pfarrer, CRT PAC Treasurer, contributed \$1,000 to Friends of Denny Smith in 1980. (3/31- \$250; 6/20- \$500 and 7/17- \$250.)

4) The CRT PAC address, 383 Owens S, Suite 30, Salem, Oregon is the same address Meagher received his disbursements from Friends of Denny Smith and is Meagher's apartment.

5) The CRT PAC Report of Receipts and Disbursements of the period 1/1/81 to 4/1/81 received by the FEC on 4/13/81 was mailed to the FEC which bears as the return address: "Denny Smith/ U.S. Congress/ Friends of Denny Smith/ P. O. Box 12868/ Salem, Oregon 97309." The envelope bears the names of no other responsible party.

6) The Report of Receipts and Disbursements of CRT PAC shows CRT PAC expended funds at the following businesses:

- (A) Moulton Data, Northridge, California
- (B) Political Advertising and Consulting, Los Angeles, California
- (C) Mail-Mark Inc., Portland, Oregon
- (D) Hollywood Printing Co., Salem, Oregon
- (E) Polk County Itemiser-Observer, Dallas, Oregon. (The Polk County Itemiser-Observer is a business owned by Blue Mountain Eagle, a corporation of which Denny Smith is the primary owner.)

The Reports of Receipts and Disbursements of Friends of Denny Smith show that committee has made repeated and substantial expenditures at these firms for basically the same services rendered CRT PAC.

7) The Report of Receipts and Disbursements shows CRT PAC received donations of \$6,679 for the reporting period 4/1/81 through 6/30/81. Of these donations \$4,679.55 were reported as unitemized contributions. Four contributions were itemized. Of these four, two were previous contributors to Friends of Denny Smith. These two are: Earle M. Craig Jr. of Midland, Texas who contributed \$250 to CRT PAC on 6/1/81 and \$200 to Friends of Denny Smith on 4/24/80; and, Frederick J. Warren of Los Angeles, California who contributed \$500 to CRT PAC on 4/23/81 and contributed \$500 to Friends of Denny Smith on 10/22/80.

During these two aforementioned reporting periods in excess of 45% of CRT PAC funds are either from Friends of Denny Smith or previous Friends of Denny Smith donors. 43% of CRT PAC donors are not identified.

8) Sometime prior to 9/15/81 CRT PAC paid for and authorized a letter from Denny Smith to SRPAC in which Smith indicates:

- (A) He understands he is writing to a Federal PAC.
- (B) He discusses his campaign.
- (C) He expresses his desire for "advice and counsel" from SRPAC.

This letter is only identified as authorized and paid for by "ACRT PAC" and carries no address except that of "Congressman Denny Smith" and bears no other persons name.

9) Friends of Denny Smith FEC 1, Statement of Organization, filed and dated 9/29/81 claimed "None" for affiliated Committees.

Based on this information it appears:

1) A paid employee of Friends of Denny Smith has been the only Executive Director of CRT PAC. Presumably Smith or another Friends of Denny Smith employee maintained a power to fire Meagher and direct his actions.

2) CRT PAC received initial financing almost exclusively from Friends of Denny Smith. Subsequent CRT PAC financing indicates a similarity of contributions to Friends of Denny Smith.

82 FEB 2 P3:40

3) CRT PAC expended a large portion of the available funds at firms repeatedly used by Friends of Denny Smith, for the same purposes as Friends of Denny Smith. These indicated a similarity of expenditures.

4) Despite the fact several of these firms are in California no disbursements by CRT PAC are made for phone calls, or travel.

5) Despite the fact CRT PAC has donated funds to congressional campaigns in Missouri and Maryland and has done over \$1,600 of business in California before 4/3/81 no expenditures for postage, telegrams, etc. were made prior to 4/3/81 when the first expenditure for postage is made.

6) The Friends of Denny Smith loan was made on 4/1/81. Prior to that date CRT had expended \$293.35 of \$325 available. On 4/1/81 CRT expended \$1,634.16 to two Los Angeles firms for printing and art work. It would seem unlikely CRT PAC, with very limited assets, and, having expended no funds for postage or phone calls to raise funds, would contract for such services without an assurance of funds prior to 4/1/81. From the odd amounts of the expenditures it would seem that any artwork and printing has been ordered and completed by this date.

With this information it appears to me that, in fact, CRT PAC is affiliated with Friends of Denny Smith. It would also seem that both CRT PAC and SRPAC are controlled by substantially the same persons as Friends of Denny Smith. To me these persons appear to be acting with an intentional plan in cooperation or collusion to raise funds and expend funds in promotion of Denny Smith's congressional campaign without properly claiming affiliation between their subsidiary committees.

I see one PAC, directed by Denny Smith's campaign staff and located in his apartment, writing to another PAC, directed by Denny Smith's former and/or present Campaign Chairman at that PAC's treasurers home address. Each is involved with the obvious political promotion of Denny Smith and neither claims affiliation with Denny Smith's committee. Furthermore, Denny Smith obviously understands what is happening and he claims no affiliation to the committees. It seems improper.

Thank you for your attention to this matter.

I, Dave McTeague, being first duly sworn, say that the foregoing facts are true as I verily believe.

Dear Friend:

I am writing to you with some really exciting news.

A new group is being formed, one with a single purpose in mind and that is to really represent the senior citizens of our country. We will see that our state and federal elected officials are kept informed of the needs and concerns of all seniors.

Periodic newsletters will come out to keep you informed of our activities and to let you know how you, too, can be involved in the decision making process.

You and I, as senior citizens, desperately need real anti-crime legislation. We know from first hand experience the fear of walking down the street at night - or even in the daytime - and the need to live constantly behind locked doors in our homes.

Only good laws which protect the victims, more than the crooks, will help us.

The other big problem constantly with us is inflation and with it our shattered Social Security System. Our fixed income life style really is hurting because of this situation.

This can only be changed by the election of good, conservative legislators who know how to turn the economy around and who are willing to work for it.

For most of our lives the rules have been made by the big-spender types who seem to think that we can solve everything by printing more money and never even trying to pay our debts.

That's why I think you will really want to be a part of our group - Senior Political Action Committee (SRPAC). That's why I am asking you to send the enclosed Active Seniors Response to me today.

As soon as I receive this Response, I will get right back with your membership card and we will begin our important job.

The enclosed SRPAC brochure is for your information. Our telephone number is 503/371-9255 if you need to discuss this further.

A contribution according to your means, even a dollar or five dollars, will be wisely used to cover printing and mailing costs, a lobby effort with our legislature and congress, plus an office set up. I receive no salary or expenses for myself. Volunteer help is more than needed and will certainly be welcomed.

It is our intent to support candidates for office who are responsive to the needs of our long time citizens and voters.

I look forward to hearing from you soon. Together we become a formidable opponent of the big-spending, big-government liberals who pretend to represent us.

Sincerely,

Dr. Stan Wells
Chairman

P.S. It is nice to know that there are other seniors out there who want to work, as I do, to correct some of these problems that we all share.

Congressman Denny Smith

Washington, D.C. 20515

Dear Stan;

I'm delighted to hear about the formation of Senior Political Action Committee (SRPAC). It is certainly time for concerned seniors to form a political action committee in addition to the many informational, lobbying and other associations.

By registering with the Federal Election Commission and becoming directly involved with the election process, SRPAC will have more political clout than most other senior citizens groups.

I have a deep concern for senior Americans.

During my campaign I tried to call attention to the bankruptcy of our Social Security System. And since coming to Congress, I have been constantly fighting to preserve the integrity of our Social Security System.

As you know, I've been devoting long hours to fighting inflation and government spending - helping President Reagan cut the budget and taxes.

I look forward to the advice and counsel of SRPAC on these issues that are of direct concern to seniors.

Sincerely,

Denny Smith, M.C.

I am writing to you to enlist your support of a new program which I feel is worthy of your consideration.

That program is called Senior PAC (Political Action Committee).

The purpose of the Senior PAC will be to support, with financial contributions, those candidates for public office who exhibit a sincere desire to address the specific problems that relate to seniors and their well-being.

In order to implement this program, we will need to raise \$5,000 to cover the costs of printing and postage for our first mailing. The ultimate goal is to become a national PAC, but our first mailing will be sent to a sampling of seniors in the counties of the new 5th district of Oregon.

The enclosure consists of two letters (combined here, for our purposes, on one page) which will be part of the eventual mailing: the first from Congressman Denny Smith, directed to Dr. Stanley Wells, a retired physician from Hood River, expressing support of the SR.PAC; and the second from Dr. Wells (who has agreed to be our national chairman) to the seniors, asking for their financial support of the concept of a political action committee for seniors only. It pleases me to inform you of Congressman Smith's full support and endorsement of the PAC.

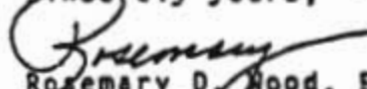

A survey and a self-addressed return envelope for contributions of any amount to the SR. PAC will be enclosed with the letters for mailing.

It is my hope that you will take the ten enclosed packets and mail them, along with a request for a \$50 contribution, to ten of your personal friends. Perhaps you could pen a small, personal note to them, expressing your endorsement of the SR.PAC.

I have mailed similar packets to 49 other businessman friends of Denny Smith's throughout the state. If they all pitch in to help, as I hope you will, we will have raised, without too much difficulty, the funds needed to accomplish our initial task.

Thank you for taking the time to read this letter. If I can answer any questions concerning the SR.PAC, please feel free to call me at 371-9255.

Sincerely yours,

Rosemary D. Wood, Exec. Director
Senior PAC

DENNY
SMITH

Republican

OCCUPATION: Newspaper publisher.

OCCUPATIONAL BACKGROUND: Chairman of Eagle Newspapers, Inc., a family corporation that has 18 community newspapers in Oregon and Washington. Former pilot flight engineer for Pan American World Airways.

EDUCATIONAL BACKGROUND: Elementary and high school education in Ontario, John Day and Salem. B.A. in Political Science, Willamette University, 1961.

PRIOR GOVERNMENTAL EXPERIENCE: None.

Family:

Denny Smith and his wife Kathleen are raising six children at their home in Salem where they have lived since 1960.

Military Background:

Denny Smith was commissioned in the U.S. Air Force in 1954 and was graduated from pilot training in 1960. He served in the Oregon Air Guard from 1960-62. During the Vietnam conflict, he served as a fighter-pilot and earned the Air Medal with six clusters.

DENNY SMITH proved in the primary that an ordinary citizen with an extraordinary concern could mount a campaign and win the confidence and support of Oregonians. Oregonians showed they wanted a change and now the national spotlight is focused on Denny Smith's challenge.

DENNY SMITH has lived and worked in nearly every corner of the 2nd district. He understands our needs and is concerned about our future. Like us, he has a big stake in Oregon.

DENNY SMITH says:

- We don't need new taxes, we need less government spending.
- Nowhere do we need new leadership more than in preserving the future of Social Security.
- Local control is the best control.
- We don't need more government, we need better government.

DENNY SMITH began his campaign for Congress by calling for a halt to increasing taxation. He reminded Oregonians that Carter and Ulman have doubled federal taxes in just four years.

DENNY SMITH offered new leadership to put America back on the right track. We cannot count on those who put us into this mess to get us out. New tax schemes won't solve our problems... new leadership will. Oregonians agreed.

DENNY SMITH talked about problems of raising a family on a budget eaten away by inflation. He spoke out against increases in federal spending that trigger higher inflation. Oregon families understood.

DENNY SMITH showed concern for Oregon's senior citizens when he urged firm funding for Social Security. He pointed out that the checks were a day late in May and that allowing Social Security to go broke would be a national disgrace. Older Oregonians realized he was right.

DENNY SMITH knows the surest way to guarantee peace is a strong national defense. He saw the grim realities of conflict in Vietnam. Oregonians want to be second to none for our own safety and that of the Free World.

DENNY SMITH drew on his business experience when he told civic groups that incentives were needed to expand production. Government must stay out of the way and let the free enterprise system stimulate new jobs and create a vital economy. Working Oregonians applauded.

DENNY SMITH'S concerns and ideas appealed to Oregonians.

DENNY SMITH challenged the Carter-Ulman record. He linked our problems with their policies. Oregonians joined Denny Smith questioning double-digit inflation. Questioning higher and higher unemployment. Questioning spiraling interest rates. Questioning programs that cost millions of dollars and only interfere in our lives.

DENNY SMITH believes that too much of our tax money goes back to Washington, D.C. Sewer and water projects should be designed and governed at the local level, rather than regulated by bureaucrats 3,000 miles away.

DENNY SMITH stood up for local control and his opponent stood up for federal control. Denny Smith stood up for less government spending, and his opponent voted for the largest federal budget in our history. Denny Smith stood up for a tax cut, and his opponent said "no." That's why Oregonians question the incumbent's record.

OREGONIANS ask:

- Why did the incumbent vote against reasonable tax cuts last year and refuse to allow a reduction in our taxes this year?
- Why would the incumbent even reconsider a national sales tax?
- Why did the incumbent return to the district just 14 times in the last two years, when our tax money makes it possible for congressmen to return 66 times?
- How could the incumbent vote against allowing some senior citizens the ability to earn a little more money after they retire?
- How has the incumbent used his "power" and what has it cost us in federal taxes?

DENNY SMITH listened to those questions. He heard our concerns. And he offered us a choice.

OREGONIANS from his birthplace in Ontario, to where he went to high school in John Day stood up for Denny. People he worked with in Hood River and Albany in the '60s, and Salem in the '70s stepped forward because of his experience, ideas and concern. Oregonians in places such as Prineville, Madras, The Dalles, Hermiston, Molalla and Woodburn—communities where he does business—joined his effort. And now Oregonians throughout the 2nd District are ready for his new, vigorous leadership for the '80s.

IT'S TIME FOR A CHANGE. IT'S TIME FOR DENNY SMITH.

DENNY SMITH... FOR CONGRESS... FOR OREGON...
FOR US

Re: MUR 1425 and MUR 1426

Dear Mr. Gross:

This letter constitutes a consolidated response on behalf of our clients, Friends of Denny Smith and Senior Political Action Committee, to your letters of notification dated February 10, 1982, regarding the complaints filed by Mr. Dave McTeague numbered MUR 1425 and MUR 1426.

In his complaints, Mr. McTeague (hereinafter "the Complainant") alleged that Senior Political Action Committee (hereinafter "Sr. PAC") and A Columbia River Trust Political Action Committee (hereinafter "ACRT PAC") are authorized committees of Rep. Denny Smith and that, as a consequence, Friends of Denny Smith, the principal campaign committee of Rep. Smith, has violated the provisions of the Federal Election Campaign Act of 1971, as amended, by failing to amend its Statement of Organization to record the fact that Sr. PAC and ACRT PAC are authorized committees. In support of that allegation, the Complainant notes that certain officers of Sr. PAC and ACRT PAC have, or had, some association with Friends of Denny Smith. The Complainant also asserts that there is a pattern of activities which reflects "an intentional plan in (sic) cooperation or collusion to raise funds and expend funds in promotion of Denny Smith's congressional campaign without properly claiming affiliation between their subsidiary committees."

Friends of Denny Smith, P.O. Box 12868, Salem, Oregon 97309, is the principal campaign committee of Rep. Denny Smith.

March 10, 1982

That committee was first established on or about August 9, 1979, pursuant to a Statement of Candidacy signed by Mr. Smith and a Statement of Organization signed by Mr. Robert R. Johnson, its treasurer. Mrs. Rosemary Wood was listed as the chairman of Friends of Denny Smith. The Statement of Organization was amended on or about September 29, 1981 to designate Friends of Denny Smith as Rep. Smith's principal campaign committee for the 1982 election and to record the designation of Mr. Reginald E. Hansen as its treasurer. Friends of Denny Smith has no charter, or other organizational document, which governs its administration and management.

Rep. Smith has not authorized or empowered any political committee, other than Friends of Denny Smith, to accept contributions or make expenditures on his behalf. Enclosed herewith is the affidavit of Rep. Smith in which he avers that (1) Friends of Denny Smith is his principal campaign committee, (2) he has not given his written authorization to any other political committee to accept contributions or make expenditures on his behalf, and (3) he denies, or disavows, any authority, power or ability to hire, appoint, discipline, discharge, demote or remove or otherwise influence the decisions of the officers or members of Sr. PAC or of ACRT PAC. This affidavit is sufficient to prove, pursuant to Advisory Opinion 1978-12, that Sr. PAC and ACRT PAC are not authorized committees of Friends of Denny Smith. This affidavit should also be sufficient, in and of itself, to demonstrate that Sr. PAC and ACRT PAC are not affiliated committees of Friends of Denny Smith.

Senior Political Action Committee, 320 Richmond S.E., Salem, Oregon 97301, was first established on or about May 21, 1981, pursuant to a Statement of Organization signed by Ruth Chism, its treasurer. The Statement of Organization states that Sr. PAC supports or opposes more than one Federal candidate and that it is not a separate segregated fund or party committee. Sr. PAC has no charter, or other organizational document, which governs its administration and management. Dr. Stanley Wells serves informally as the chairman of Sr. PAC and Mrs. Rosemary Wood serves informally as its executive director.

From the date of its organization through December 31, 1981, Sr. PAC received aggregate contributions of \$140.00 and made aggregate expenditures of \$102.65. The expenditures were made to pay its administrative and fund-raising costs. Sr. PAC has made no contributions to candidates.

28 28

To the complaint numbered MUR 1425, the Complainant attached copies of three letters which describe the purposes for which Sr. PAC was established. In the letter signed by Mrs. Wood on behalf of Sr. PAC, it states that Sr. PAC was established "to support, with financial contributions, those candidates for public office who exhibit a sincere desire to address the specific problems that relate to seniors and their well-being." In the letter signed by Dr. Wells on behalf of Sr. PAC, it states that Sr. PAC was formed "with a single purpose in mind and that is to really represent senior citizens of our country." We are enclosing herewith copies of additional items of correspondence which reflect that identical purpose. There is not a modicum of evidence in those letters that could lead one to conclude that Sr. PAC is an authorized or affiliated committee of Friends of Denny Smith.

Also attached to the complaint was a copy of a letter from Rep. Smith to Dr. Wells, endorsing the organization and purposes of Sr. PAC. That letter did not identify Rep. Smith as a candidate, it did not solicit contributions for Rep. Smith and it did not advocate the election of Rep. Smith or the defeat of another candidate. As such, pursuant to Advisory Opinion 1977-54, the expense of that letter, its reproduction and its distribution would not be considered as a contribution to or an expenditure by Friends of Denny Smith. Such letters are commonplace and do not constitute indicia of affiliation.

A Columbia River Trust Political Action Committee, 383 Owens S., #30, Salem, Oregon 97302, was first established on or about November 24, 1980, pursuant to a Statement of Organization signed by Frederick J. Pfarrer, its treasurer. The Statement of Organization, which also lists Peter G. Meagher as assistant treasurer and executive director, states that ACRT PAC supports or opposes more than one Federal candidate and that it is not a separate segregated fund or party committee. ACRT PAC has no charter, or other organizational document, which governs its administration or management. Mr. David R. Hinson serves informally as the chairman of ACRT PAC.

From the date of its organization through December 31, 1981, ACRT PAC received aggregate contributions of \$12,854.80. Included in that amount was a loan to ACRT PAC of \$4,500.00 by Friends of Denny Smith, which was made on or about April 1, 1981. During that period, ACRT PAC made aggregate expenditures

of \$10,772.38. Those expenditures were made (1) to pay its administrative and fund-raising costs, (2) to repay Friends of Denny Smith \$3,500.00, and (3) as three \$100.00 contributions to Globensky for Congress Committee, Hogan for Congress Committee and Scott for Congress. The single loan from Friends of Denny Smith to ACRT PAC, which was within the limitation of 2 U.S.C. 441a(a)(1)(C) and which has been repaid in full, is not sufficient to conclude that the two are affiliated committees. See Advisory Opinion 1976-104 for an example of the type of factual pattern necessary to conclude affiliation under 11 CFR 100.5(g)(2)(i)(E).

Enclosed herewith is a copy of a brochure published by ACRT PAC, which states that that committee was established "to help elect public officials who have a strong commitment to fiscally responsible government and who support the principles of free enterprise." Also enclosed is a copy of a form letter that was designed to accompany the brochure and describe the purposes of ACRT PAC. There is not a modicum of evidence in these materials that could lead one to conclude that ACRT PAC is an authorized or affiliated committee of Friends of Denny Smith.

The Complainant has alleged that Sr. PAC and ACRT PAC are affiliated with Friends of Denny Smith by reason of 11 CFR 100.5(g)(2)(i)(E), in that they were established by the same person or group of persons. Because all three committees exist by reason of and pursuant to their respective statements of organization and because none has any other governing document, the statutory officer of each committee is its treasurer and assistant treasurer. 2 U.S.C. 432(a), 11 CFR 102.7. The treasurer of Friends of Denny Smith is Reginald E. Hansen. The treasurer of Sr. PAC is Ruth Chism. The treasurer of ACRT PAC is Frederick J. Pfarrer and its assistant treasurer is Peter Meagher. Thus, each committee was "established" by a different person.

The chairman of Friends of Denny Smith serves as the executive director of Sr. PAC; and, the former campaign manager

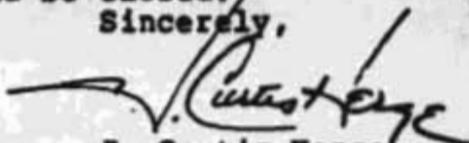

* The loan from Friends of Denny Smith to ACRT PAC was repaid in full on February 4, 1982.

Kenneth A. Gross, Esq.

of Friends of Denny Smith serves as the executive director and assistant treasurer of ACRT PAC. (Mr. Meagher terminated his employment with Friends of Denny Smith in July, 1981.). It is submitted, however, that limited crossover such as this does not make the committees affiliated. See Advisory Opinion 1975-35. Furthermore, as additional evidence of lack of affiliation, there is submitted herewith the affidavit of the treasurer of Friends of Denny Smith, in which he avers that the payments made by Friends of Denny Smith to Rosemary Wood, Ruth Chism and Peter Meagher were for services rendered to and/or for expenses incurred on behalf of Friends of Denny Smith and not any other political committee.

In conclusion, for the reasons set forth herein, there is no reason to believe that either Br. PAC, or ACRT PAC, is an affiliated or authorized committee of Friends of Denny Smith and the file on this matter should be closed.

Sincerely,

J. Curtis Herge

Dear Mr. Parker:

Please accept my sincere thanks for your recent contribution of \$100.00 to the Senior PAC. Because of your interest in and support of the SRPAC, we are now on our way toward getting out our first mailing.

Besides Stan's financial support, you are our first contributor! That, I believe, is a fine point to make.

Once begun, the SRPAC will provide an excellent means of support financial & philosophical, to political candidates who share the concerns of seniors across the country, and who wish to help them.

We appreciate your help.

Dear Mrs. Anderson:

Ruth Chism, Treasurer for Senior PAC, informed me of your recent call requesting information about the SR. PAC.

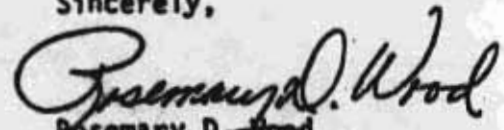

I wish I could tell you that there has been a lot of activity with the PAC, but unfortunately I cannot. It is a fledgling organization with no funds, and an effort made some time back to raise money was very unsuccessful.

The idea of the SR. PAC is to raise enough money to be able to support candidates for public office who will be sensitive to, and helpful with, issues involving senior citizens.

The hope is that the SR. PAC will become a national, rather than a state-wide, PAC. At this time, however, with the economy so poor, things are temporarily dead. We have no paid staff-just a volunteer director, treasurer and chairman. I do not have a brochure to send you, as no funds have been raised to produce one. If things improve, I will send you additional information.

Thank you for your interest.

Political

Political Action — Your Best Investment in Responsible Government

A Columbia River Trust is a political action committee of businesses and individuals whose purpose is to help elect public officials who have a strong commitment to fiscally responsible government and who support the principles of free enterprise.

A Columbia River Trust contributes money and the help of consultants and technicians experienced in all facets of political campaigns. Support is given to both challengers and incumbents on a non-partisan basis.

Labor unions, public employee groups and numerous other special interest groups are annually contributing hundreds of thousands of dollars and man-hours to elect public officials sympathetic to their causes. Those of us who are advocates of the free enterprise system then spend inordinate time and money lobbying these liberal big-spending, big-government elected officials just to get "a law we can live with."

If we are to prevent laws that over-regulate, over-spend and over-tax, we must become involved at the beginning of the political process in the selecting, financing, campaigning for and electing candidates.

This is where we have been losing the battle.

For too long, we have been trying to make our viewpoint known to elected officials whose campaigns for office have been financed and waged by special interest forces contrary to our fiscally responsible view of the role of government.

We must elect people to office who have an interest in and a basic understanding of our viewpoint. Our political representatives will be most aware of and interested in our problems when they know we are aware of, interested in and involved in the total political process.

If more money were made available and wisely spent in campaigns for fiscally responsible candidates, many of the burdens, regulations and loss of freedom in our business and private lives would disappear. Without money politicians cannot be elected. With money, they can be either elected or defeated.

Political action, through your membership in A Columbia River Trust is your best investment in responsible government and a productive economy.

Dear _____:

Enclosed you will find a brochure explaining the newly formed A Columbia River Trust PAC. My purpose in writing to you today is to acquaint you with the PAC and enlist your assistance in furthering our efforts.

A Columbia River Trust (ACRTPAC) is a political action committee of businesses and individuals whose purpose is to help elect public officials who have a strong commitment to fiscally responsible government and who support the principles of free enterprise.

One unique aspect of ACRTPAC is that we have no intention of becoming a National PAC. It is our desire to remain a Northwest regional group, dedicated to electing people who are business oriented and who have a stake in our part of the country.

Our chairman is David Hinson, President of Flightcraft at the Portland airport. Our treasurer is Frederick Pfarrer, who is Vice President and manager of the First State Bank of Oregon, and I am the Executive Director, running the daily affairs of ACRTPAC. Since we are in the early stages of formulating this group, our board is not yet complete. However, we are talking with a number of people from the business community, like yourself, whom we perceive to be aligned with our interests.

It is our intention to form both congressional and business advisory boards for the PAC. A majority vote of the board members will determine disbursements to candidates. The PAC will support challengers to House and Senate seats with a minimum of \$2,500 per candidate contribution.

RE: MUR 1425/1426
Friends of Denny Smith

Committee

Dear Mr. Herge:

The Federal Election Commission previously notified your clients, Friends of Denny Smith ("FDS") and Senior Political Action Committee ("SRPAC"), of a complaint which alleges that they had violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to you at that time.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on May 1, 1982, determined that there is reason to believe that Friends of Denny Smith and Senior Political Action Committee violated 2 U.S.C. § 433(b)(2), a provision of the Act. Specifically, it appears that FDS and SRPAC and FDS and ACRT-PAC are affiliated and that the Statement of Organizations filed by these committees failed to disclose an affiliated committee.

You may submit any factual or legal materials which you believe are relevant to the Commission's analysis of this matter. Please file any such response within ten days of your receipt of this notification.

The Office of General Counsel would like to settle this matter through conciliation prior to a finding of probable cause. However in the absence of any information which demonstrates that no further action should be taken against your clients, the Office of General Counsel must proceed to the next compliance stage as noted on page 2, paragraph 2 of the enclosed procedures.

Dear Judy,

Enclosed is all the material pertaining to MUR 1426. As per our March 31, 1982 conversation, I am formally notifying the F.E.C, that I have not been affiliated with any of the three committees in questions (Friends of Denny Smith, A Columbia River Trust P.A.C., And Senior P.A.C.) since June 15, 1981. I feel it is necessary to take this action since my requests to have my old address (383 Owens S) and my name as assistant treasurer removed from A Columbia River Trust P.A.C.'s statement of organization have not been honored. ACRT PAC's new mailing address is P.O. Box 13519, Salem, OR 97213. I would appreciate you altering your records accordingly.

To the Commission:

As a candidate for Congress in Oregon's 5th Congressional District I wish to file an additional complaint concerning the campaign activities of Congressman Denny Smith also a candidate for the 5th District seat.

As the Commission is aware I previously filed a complaint that Smith apparently violated FEC provisions by failing to declare Senior Political Action Committee (SRPAC) as an affiliated committee on the candidate's FEC 1.

As the result of other investigation I have concluded that Rep. Smith has apparently violated the same FEC requirement by failing to claim "Columbia River Trust Political Action Committee" or "ACRT PAC" as an affiliated committee. (Columbia River Trust PAC FEC ID # COO 138 859)

The existence of "Columbia River Trust" PAC (hereafter referred to as CRT-PAC) came to my attention in examining the material concerning SRPAC.

The SRPAC fundraising letter mailed by Rosemary Wood, SRPAC Executive Director and Chairman of Friends of Denny Smith, refers to an enclosed letter from Denny Smith.

This letter from Smith carries the letterhead address: "Congressman Denny Smith, Washington D.C. 20515" and has printed as signator "Denny Smith, M.C." This letter carries the disclaimer: "Paid for and authorized by ACRT PAC." This letter carries no other individuals name or committee name as a responsible party.

Both the SRPAC letters and the ACRT PAC letter are again enclosed. And I would refer the Commission to the material in my previous complaint identifying Rosemary Wood as the Chairman of Friends of Denny Smith.

In my attempts to identify "ACRT-PAC" my volunteer researchers contacted the FEC, and in specific Mr. Rory Conley, a FEC research officer. Immediately Conley determined no PAC "ACRT PAC" was filed with the FEC.

Having no further information, such as Treasurers name, to proceed on, Conley said he would attempt to locate any PAC with the initials "ACRT" in the PAC name. Conley later contacted my committee and informed us no PAC has the initials "ACRT" in its name.

At this point my research volunteer explained the relationship between "ACRT PAC" and SRPAC. Conley said he would check SRPAC papers and see if he could obtain information regarding "ACRT PAC" identity.

Conley later contacted my volunteer researcher and said that he believed the identity of "ACRT PAC" was the Columbia River Trust PAC and no other PAC has initials so similar. Conley said he discovered CRT PAC when he was examining SRPAC papers on FEC microfilm but the information came to his attention not because the SRPAC papers contained any relating information but that he accidentally noticed CRT PAC was next to SRPAC on the microfilm and that in addition to the initials, CRT PAC had received a \$4,500 loan from Friends of Denny Smith.

Upon obtaining this information we requested the names and addresses of the CRT PAC and learned that CRT PAC Executive Director was Peter Meagher and the Treasurer is Fred J. Pfarrer. The address of CRT PAC was listed on the organizational form as 383 Owens S. Suite 30, Salem, Oregon 97302.

We then requested and subsequently received copies of the two CRT PAC Reports of Receipts and Disbursements on file with the FEC.

Since then, from these reports, the Reports of Receipts and Disbursements of Friends of Denny Smith and other public records the following facts:

1) Peter Meagher, Executive Director of CRT PAC, was an employee of Friends of Denny Smith. Several times we saw Meagher referred to as "Campaign Director" of Friends of Denny Smith. From the period 12/17/79 to 6/15/81 Meagher has received the following total disbursements from Friends of Denny Smith: \$18,204.02 in Salary; \$1,548.96 in Fees; and, \$459.76 in expenses.

2) On 4/1/81 Friends of Denny Smith financed a \$4,500 loan to CRT-PAC. From 1/1/81 to 4/1/81 the total receipts of CRT-PAC were \$4,825. This included the \$4,500 loan and \$325 of unitemized contributions. In excess of 90% of CRT PAC financing was from Friends of Denny Smith for this period.

3) Frederick Pfarrer, CRT PAC Treasurer, contributed \$1,000 to Friends of Denny Smith in 1980. (3/31- \$250; 6/20- \$500 and 7/17- \$250.)

4) The CRT PAC address, 383 Owens S, Suite 30, Salem, Oregon is the same address Meagher received his disbursements from Friends of Denny Smith and is Meagher's apartment.

5) The CRT PAC Report of Receipts and Disbursements of the period 1/1/81 to 4/1/81 received by the FEC on 4/13/81 was mailed to the FEC which bears as the return address: "Denny Smith/ U.S. Congress/ Friends of Denny Smith/ P. O. Box 12868/ Salem, Oregon 97309." The envelope bears the names of no other responsible party.

02040344993

82 FEB 2 13:40

- 6) The Report of Receipts and Disbursements of CRT PAC shows CRT PAC expended funds at the following businesses:
- (A) Moulton Data, Northridge, California
 - (B) Political Advertising and Consulting, Los Angeles, California
 - (C) Mail-Mark Inc., Portland, Oregon
 - (D) Hollywood Printing Co., Salem, Oregon
 - (E) Polk County Itemizer-Observer, Dallas, Oregon. (The Polk County Itemizer-Observer is a business owned by Blue Mountain Eagle, a corporation of which Denny Smith is the primary owner.)

The Reports of Receipts and Disbursements of Friends of Denny Smith show that committee has made repeated and substantial expenditures at these firms for basically the same services rendered CRT PAC.

- 7) The Report of Receipts and Disbursements shows CRT PAC received donations of \$6,679 for the reporting period 4/1/81 through 6/30/81. Of these donations \$4,679.55 were reported as unitemized contributions. Four contributions were itemized. Of these four, two were previous contributors to Friends of Denny Smith. These two are: Earle M. Craig Jr. of Midland, Texas who contributed \$250 to CRT PAC on 6/1/81 and \$200 to Friends of Denny Smith on 4/24/80; and, Frederick J. Warren of Los Angeles, California who contributed \$500 to CRT PAC on 4/23/81 and contributed \$500 to Friends of Denny Smith on 10/22/80.

During these two aforementioned reporting periods in excess of 45% of CRT PAC funds are either from Friends of Denny Smith or previous Friends of Denny Smith donors. 43% of CRT PAC donors are not identified.

- 8) Sometime prior to 9/15/81 CRT PAC paid for and authorized a letter from Denny Smith to SRPAC in which Smith indicates:
- (A) He understands he is writing to a Federal PAC.
 - (B) He discusses his campaign.
 - (C) He expresses his desire for "advice and counsel" from SRPAC.

This letter is only identified as authorized and paid for by "ACRT PAC" and carries no address except that of "Congressman Denny Smith" and bears no other persons name.

- 9) Friends of Denny Smith FEC 1, Statement of Organization, filed and dated 9/29/81 claimed "None" for affiliated Committees.

Based on this information it appears:

- 1) A paid employee of Friends of Denny Smith has been the only Executive Director of CRT PAC. Presumably Smith or another Friends of Denny Smith employee maintained a power to fire Meagher and direct his actions.
- 2) CRT PAC received initial financing almost exclusively from Friends of Denny Smith. Subsequent CRT PAC financing indicates a similarity of contributions to Friends of Denny Smith.

02040314994

RECEIVED

Page 4

82 FEB 2 P3:40

3) CRT PAC expended a large portion of the available funds at firms repeatedly used by Friends of Denny Smith, for the same purposes as Friends of Denny Smith. These indicated a similarity of expenditures.

4) Despite the fact several of these firms are in California no disbursements by CRT PAC are made for phone calls, or travel.

5) Despite the fact CRT PAC has donated funds to congressional campaigns in Missouri and Maryland and has done over \$1,600 of business in California before 4/3/81 no expenditures for postage, telegrams, etc. were made prior to 4/3/81 when the first expenditure for postage is made.

6) The Friends of Denny Smith loan was made on 4/1/81. Prior to that date CRT had expended \$293.35 of \$325 available. On 4/1/81 CRT expended \$1,634.16 to two Los Angeles firms for printing and art work. It would seem unlikely CRT PAC, with very limited assets, and, having expended no funds for postage or phone calls to raise funds, would contract for such services without an assurance of funds prior to 4/1/81. From the odd amounts of the expenditures it would seem that any artwork and printing has been ordered and completed by this date.

With this information it appears to me that, in fact, CRT PAC is affiliated with Friends of Denny Smith. It would also seem that both CRT PAC and SRPAC are controlled by substantially the same persons as Friends of Denny Smith. To me these persons appear to be acting with an intentional plan in cooperation or collusion to raise funds and expend funds in promotion of Denny Smith's congressional campaign without properly claiming affiliation between their subsidiary committees.

I see one PAC, directed by Denny Smith's campaign staff and located in his apartment, writing to another PAC, directed by Denny Smith's former and/or present Campaign Chairman at that PAC's treasurers home address. Each is involved with the obvious political promotion of Denny Smith and neither claims affiliation with Denny Smith's committee. Furthermore, Denny Smith obviously understands what is happening and he claims no affiliation to the committees. It seems improper.

Thank you for your attention to this matter.

I, Dave McTeague, being first duly sworn, say that the foregoing facts are true as I verily believe.

Dear Friend:

I am writing to you with some really exciting news.

A new group is being formed, one with a single purpose in mind and that is to really represent the senior citizens of our country. We will see that our state and federal elected officials are kept informed of the needs and concerns of all seniors.

Periodic newsletters will come out to keep you informed of our activities and to let you know how you, too, can be involved in the decision making process.

You and I, as senior citizens, desperately need real anti-crime legislation. We know from first hand experience the fear of walking down the street at night - or even in the daytime - and the need to live constantly behind locked doors in our homes.

Only good laws which protect the victims, more than the crooks, will help us.

The other big problem constantly with us is inflation and with it our shattered Social Security System. Our fixed income life style really is hurting because of this situation.

This can only be changed by the election of good, conservative legislators who know how to turn the economy around and who are willing to work for it.

For most of our lives the rules have been made by the big-spender types who seem to think that we can solve everything by printing more money and never even trying to pay our debts.

That's why I think you will really want to be a part of our group - Senior Political Action Committee (SRPAC). That's why I am asking you to send the enclosed Active Seniors Response to me today.

As soon as I receive this Response, I will get right back with your membership card and we will begin our important job.

The enclosed SRPAC brochure is for your information. Our telephone number is 503/371-9255 if you need to discuss this further.

A contribution according to your means, even a dollar or five dollars, will be wisely used to cover printing and mailing costs, a lobby effort with our legislature and congress, plus an office set up. I receive no salary or expenses for myself. Volunteer help is more than needed and will certainly be welcomed.

It is our intent to support candidates for office who are responsive to the needs of our long time citizens and voters.

I look forward to hearing from you soon. Together we become a formidable opponent of the big-spending, big-government liberals who pretend to represent us.

Sincerely,

Dr. Stan Wells
Chairman

P.S. It is nice to know that there are other seniors out there who want to work, as I do, to correct some of these problems that we all share.

I am writing to you to enlist your support of a new program which I feel is worthy of your consideration.

That program is called Senior PAC (Political Action Committee).

The purpose of the Senior PAC will be to support, with financial contributions, those candidates for public office who exhibit a sincere desire to address the specific problems that relate to seniors and their well-being.

In order to implement this program, we will need to raise \$5,000 to cover the costs of printing and postage for our first mailing. The ultimate goal is to become a national PAC, but our first mailing will be sent to a sampling of seniors in the counties of the new 5th district of Oregon.

The enclosure consists of two letters (combined here, for our purposes, on one page) which will be part of the eventual mailing: the first from Congressman Denny Smith, directed to Dr. Stanley Wells, a retired physician from Hood River, expressing support of the SR.PAC; and the second from Dr. Wells (who has agreed to be our national chairman) to the seniors, asking for their financial support of the concept of a political action committee for seniors only. It pleases me to inform you of Congressman Smith's full support and endorsement of the PAC.

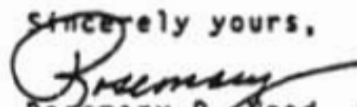

A survey and a self-addressed return envelope for contributions of any amount to the SR. PAC will be enclosed with the letters for mailing.

It is my hope that you will take the ten enclosed packets and mail them, along with a request for a \$50 contribution, to ten of your personal friends. Perhaps you could pen a small, personal note to them, expressing your endorsement of the SR.PAC.

I have mailed similar packets to 49 other businessman friends of Denny Smith's throughout the state. If they all pitch in to help, as I hope you will, we will have raised, without too much difficulty, the funds needed to accomplish our initial task.

Thank you for taking the time to read this letter. If I can answer any questions concerning the SR.PAC, please feel free to call me at 371-9255.

Sincerely yours,

Rosemary D. Wood, Exec. Director
Senior PAC

DENNY SMITH

Republican

OCCUPATION: Newspaper publisher

OCCUPATIONAL BACKGROUND: Chairman of Eagle Newspapers, Inc., a family corporation that has 18 community newspapers in Oregon and Washington. Former pilot flight engineer for Pan American World Airways.

EDUCATIONAL BACKGROUND: Elementary and high school education in Ontario, John Day and Salem. B.A. in Political Science, Willamette University, 1961.

PRIOR GOVERNMENTAL EXPERIENCE: None.

Family:

Denny Smith and his wife Kathleen are raising six children at their home in Salem where they have lived since 1960.

Military Background:

Denny Smith was commissioned in the U.S. Air Force in 1954 and was graduated from pilot training in 1960. He served in the Oregon Air Guard from 1960-62. During the Vietnam conflict, he served as a fighter-pilot and earned the Air Medal with six clusters.

DENNY SMITH proved in the primary that an ordinary citizen with an extraordinary concern could mount a campaign and win the confidence and support of Oregonians. Oregonians showed they wanted a change and now the national spotlight is focused on Denny Smith's challenge.

DENNY SMITH has lived and worked in nearly every corner of the 2nd district. He understands our needs and is concerned about our future. Like us, he has a big stake in Oregon.

DENNY SMITH says:

- We don't need new taxes, we need less government spending.
- Nowhere do we need new leadership more than in preserving the future of Social Security.
- Local control is the best control.
- We don't need more government, we need better government.

DENNY SMITH began his campaign for Congress by calling for a halt to increasing taxation. He reminded Oregonians that Carter and Ullman have doubled federal taxes in just four years.

DENNY SMITH offered new leadership to put America back on the right track. We cannot count on those who got us into this mess to get us out. New tax schemes won't solve our problems. New leadership will. Oregonians agreed.

DENNY SMITH talked about problems of raising a family on a budget eaten away by inflation. He spoke out against increases in federal spending that trigger higher inflation. Oregon families understood.

DENNY SMITH showed concern for Oregon's senior citizens when he urged firm funding for Social Security. He pointed out that the checks were a day late in May and that allowing Social Security to go broke would be a national disgrace. Older Oregonians realized he was right.

DENNY SMITH knows the surest way to guarantee peace is a strong national defense. He saw the grim realities of combat in Vietnam. Oregonians want to be second to none for our own safety and that of the Free World.

DENNY SMITH drew on his business experience when he told civic groups that incentives were needed to expand production. Government must stay out of the way and let the free enterprise system stimulate new jobs and create a vital economy. Working Oregonians applauded.

DENNY SMITH'S concerns and ideas appealed to Oregonians.

DENNY SMITH challenged the Carter-Ullman record. He linked our problems with their policies. Oregonians joined Denny Smith questioning double-digit inflation. Questioning higher and higher unemployment. Questioning spiraling interest rates. Questioning programs that cost millions of dollars and only interfere in our lives.

DENNY SMITH believes that too much of our tax money goes back to Washington, D.C. Sewer and water projects should be designed and governed at the local level, rather than regulated by bureaucrats 3,000 miles away.

DENNY SMITH stood up for local control and his opponent stood up for federal control. Denny Smith stood up for less government spending, and his opponent voted for the largest federal budget in our history. Denny Smith stood up for a tax cut, and his opponent said "no." That's why Oregonians question the incumbent's record.

OREGONIANS ask:

- Why did the incumbent vote against reasonable tax cuts last year and refuse to allow a reduction in our taxes this year?
- Why would the incumbent even consider a national sales tax?
- Why did the incumbent return to the district just 14 times in the last two years, when our tax money makes it possible for congressmen to return 66 times?
- How could the incumbent vote against allowing some senior citizens the ability to earn a little more money after they retire?
- How has the incumbent used his "power" and what has it cost us in federal taxes?

DENNY SMITH listened to those questions. He heard our concerns. And he offered us a choice.

OREGONIANS from his birthplace in Ontario, to where he went to high school in John Day stood up for Denny. People he worked with in Hood River and Albany in the '60s, and Salem in the '70s stepped forward because of his experience, ideas and concern. Oregonians in places such as Prineville, Madras, The Dalles, Hermiston, Molalla and Woodburn—communities where he does business—joined his effort. And now Oregonians throughout the 2nd District are ready for his new, vigorous leadership for the '80s.

IT'S TIME FOR A CHANGE. IT'S TIME FOR DENNY SMITH.

DESCRIPTION OF PRELIMINARY PROCEDURES
FOR PROCESSING COMPLAINTS FILED WITH THE
FEDERAL ELECTION COMMISSION

Complaints filed with the Federal Election Commission shall be referred to the Enforcement Division of the Office of the General Counsel, where they are assigned a MUR (Matter Under Review) number and assigned to a staff member. Within 5 days of receipt of a complaint, the Commission shall notify, in writing, any respondent listed in the complaint that the complaint has been filed and shall include with such notification a copy of the complaint. Simultaneously, the complainant shall be notified that the complaint has been received and will be acted upon. The respondent(s) shall then have 15 days to demonstrate, in writing, that no action should be taken against him/ her in response to the complaint.

At the end of the 15 days, the Office of General Counsel shall report to the Commission making a recommendation(s) based upon a preliminary legal and factual analysis of the complaint and any submission made by the respondent(s). A copy of respondent's submission shall be attached to the Office of General Counsel's report and forwarded to the Commission. This initial report shall recommend either: (a) that the Commission find reason to believe that the complaint sets forth a possible violation of the Federal Election Campaign Act (FECA) and that the Commission will conduct an investigation of the matter; or (b) that the Commission finds no reason to believe that the complaint sets forth a possible violation of the Federal Election Campaign Act (FECA) and, accordingly, that the Commission close the file on the matter.

If, by an affirmative vote of four (4) Commissioners, the Commission decides that it has reason to believe that a person has committed or is about to commit a violation of the Federal Election Campaign Act (FECA), the Office of the General Counsel shall open an investigation into the matter. During the investigation, the Commission shall have the power to subpoena documents, to subpoena individuals to appear for deposition, and to order answers to interrogatories. If, during this period of investigation, the respondent(s) indicate a desire to enter into conciliation, the Office of General Counsel staff may begin the conciliation process prior to a finding of probable cause to believe a violation has been committed. Conciliation is an informal method of conference and persuasion to endeavor to correct or prevent a violation of the Federal Election Campaign Act (FECA). Most often, the result of conciliation is an agreement signed by the Commission and the respondent(s). The Conciliation Agreement must be adopted by four votes of the Commission before it becomes final. After signature by the Commission and the respondent(s), the Commission shall make public the Conciliation Agreement.

[If the investigation warrants], and no conciliation agreement is entered into prior to a probable cause to believe finding, the General Counsel must notify the respondent(s) of his intent to proceed to a vote on probable cause to believe that a violation of the Federal Election Campaign Act (FECA) has occurred or may occur. Included with the notification to the respondent(s) shall be a brief setting forth the position of the General Counsel on the legal and factual issues of the case. Within 15 days of receipt of such brief, the respondent(s) may submit a brief posing the position of respondent(s) and replying to the brief of the General Counsel. Both briefs will then be filed with the Commission Secretary and will be considered by the Commission. Thereafter, if the Commission determines by an affirmative vote of four (4) Commissioners, that there is probable cause to believe that a violation of the FECA has been committed or is about to be committed conciliation must be undertaken for a period of at least 30 days but not more than 90 days. If the Commission is unable to correct or prevent any violation of the FECA through conciliation the Office of General Counsel may recommend that the Commission file a civil suit against the respondent(s) to enforce the Federal Election Campaign Act (FECA). Thereafter, the Commission may, upon an affirmative vote of four (4) Commissioners, institute civil action for relief in the District Court of the United States.

Re: MUR 1425 and MUR 1426

Dear Mr. Gross:

This letter constitutes a consolidated response on behalf of our clients, Friends of Denny Smith and Senior Political Action Committee, to your letters of notification dated February 10, 1982, regarding the complaints filed by Mr. Dave McTeague numbered MUR 1425 and MUR 1426.

In his complaints, Mr. McTeague (hereinafter "the Complainant") alleged that Senior Political Action Committee (hereinafter "Sr. PAC") and A Columbia River Trust Political Action Committee (hereinafter "ACRT PAC") are authorized committees of Rep. Denny Smith and that, as a consequence, Friends of Denny Smith, the principal campaign committee of Rep. Smith, has violated the provisions of the Federal Election Campaign Act of 1971, as amended, by failing to amend its Statement of Organization to record the fact that Sr. PAC and ACRT PAC are authorized committees. In support of that allegation, the Complainant notes that certain officers of Sr. PAC and ACRT PAC have, or had, some association with Friends of Denny Smith. The Complainant also asserts that there is a pattern of activities which reflects "an intentional plan in (sic) cooperation or collusion to raise funds and expend funds in promotion of Denny Smith's congressional campaign without properly claiming affiliation between their subsidiary committees."

Friends of Denny Smith, P.O. Box 12868, Salem, Oregon 97309, is the principal campaign committee of Rep. Denny Smith.

GENERAL COUNSEL

Kenneth A. Gross, Esq.
Page Two
March 10, 1982

That committee was first established on or about August 9, 1979, pursuant to a Statement of Candidacy signed by Mr. Smith and a Statement of Organization signed by Mr. Robert R. Johnson, its treasurer. Mrs. Rosemary Wood was listed as the chairman of Friends of Denny Smith. The Statement of Organization was amended on or about September 29, 1981 to designate Friends of Denny Smith as Rep. Smith's principal campaign committee for the 1982 election and to record the designation of Mr. Reginald E. Hansen as its treasurer. Friends of Denny Smith has no charter, or other organizational document, which governs its administration and management.

Rep. Smith has not authorized or empowered any political committee, other than Friends of Denny Smith, to accept contributions or make expenditures on his behalf. Enclosed herewith is the affidavit of Rep. Smith in which he avers that (1) Friends of Denny Smith is his principal campaign committee, (2) he has not given his written authorization to any other political committee to accept contributions or make expenditures on his behalf, and (3) he denies, or disavows, any authority, power or ability to hire, appoint, discipline, discharge, demote or remove or otherwise influence the decisions of the officers or members of Sr. PAC or of ACRT PAC. This affidavit is sufficient to prove, pursuant to Advisory Opinion 1978-12, that Sr. PAC and ACRT PAC are not authorized committees of Friends of Denny Smith. This affidavit should also be sufficient, in and of itself, to demonstrate that Sr. PAC and ACRT PAC are not affiliated committees of Friends of Denny Smith.

Senior Political Action Committee, 320 Richmond S.E., Salem, Oregon 97301, was first established on or about May 21, 1981, pursuant to a Statement of Organization signed by Ruth Chism, its treasurer. The Statement of Organization states that Sr. PAC supports or opposes more than one Federal candidate and that it is not a separate segregated fund or party committee. Sr. PAC has no charter, or other organizational document, which governs its administration and management. Dr. Stanley Wells serves informally as the chairman of Sr. PAC and Mrs. Rosemary Wood serves informally as its executive director.

From the date of its organization through December 31, 1981, Sr. PAC received aggregate contributions of \$140.00 and made aggregate expenditures of \$102.65. The expenditures were made to pay its administrative and fund-raising costs. Sr. PAC has made no contributions to candidates.

Kenneth A. Gross, Esq.
Page Three
March 10, 1982

To the complaint numbered MUR 1425, the Complainant attached copies of three letters which describe the purposes for which Sr. PAC was established. In the letter signed by Mrs. Wood on behalf of Sr. PAC, it states that Sr. PAC was established "to support, with financial contributions, those candidates for public office who exhibit a sincere desire to address the specific problems that relate to seniors and their well-being." In the letter signed by Dr. Wells on behalf of Sr. PAC, it states that Sr. PAC was formed "with a single purpose in mind and that is to really represent senior citizens of our country." We are enclosing herewith copies of additional items of correspondence which reflect that identical purpose. There is not a modicum of evidence in those letters that could lead one to conclude that Sr. PAC is an authorized or affiliated committee of Friends of Denny Smith.

Also attached to the complaint was a copy of a letter from Rep. Smith to Dr. Wells, endorsing the organization and purposes of Sr. PAC. That letter did not identify Rep. Smith as a candidate, it did not solicit contributions for Rep. Smith and it did not advocate the election of Rep. Smith or the defeat of another candidate. As such, pursuant to Advisory Opinion 1977-54, the expense of that letter, its reproduction and its distribution would not be considered as a contribution to or an expenditure by Friends of Denny Smith. Such letters are commonplace and do not constitute indicia of affiliation.

A Columbia River Trust Political Action Committee, 383 Owens S., #30, Salem, Oregon 97302, was first established on or about November 24, 1980, pursuant to a Statement of Organization signed by Frederick J. Pfarrer, its treasurer. The Statement of Organization, which also lists Peter G. Meagher as assistant treasurer and executive director, states that ACRT PAC supports or opposes more than one Federal candidate and that it is not a separate segregated fund or party committee. ACRT PAC has no charter, or other organizational document, which governs its administration or management. Mr. David R. Hinson serves informally as the chairman of ACRT PAC.

From the date of its organization through December 31, 1981, ACRT PAC received aggregate contributions of \$12,854.80. Included in that amount was a loan to ACRT PAC of \$4,500.00 by Friends of Denny Smith, which was made on or about April 1, 1981. During that period, ACRT PAC made aggregate expenditures

62040345012

Kenneth A. Gross, Esq.
Page Four
March 10, 1982

of \$10,772.38. Those expenditures were made (1) to pay its administrative and fund-raising costs, (2) to repay Friends of Denny Smith \$3,500.00,* and (3) as three \$100.00 contributions to Globensky for Congress Committee, Hogan for Congress Committee and Scott for Congress. The single loan from Friends of Denny Smith to ACRT PAC, which was within the limitation of 2 U.S.C. 441a(a)(1)(C) and which has been repaid in full, is not sufficient to conclude that the two are affiliated committees. See Advisory Opinion 1976-104 for an example of the type of factual pattern necessary to conclude affiliation under 11 CFR 100.5(g)(2)(ii)(E).

Enclosed herewith is a copy of a brochure published by ACRT PAC, which states that that committee was established "to help elect public officials who have a strong commitment to fiscally responsible government and who support the principles of free enterprise." Also enclosed is a copy of a form letter that was designed to accompany the brochure and describe the purposes of ACRT PAC. There is not a modicum of evidence in these materials that could lead one to conclude that ACRT PAC is an authorized or affiliated committee of Friends of Denny Smith.

The Complainant has alleged that Sr. PAC and ACRT PAC are affiliated with Friends of Denny Smith by reason of 11 CFR 100.5(g)(2)(i)(E), in that they were established by the same person or group of persons. Because all three committees exist by reason of and pursuant to their respective statements of organization and because none has any other governing document, the statutory officer of each committee is its treasurer and assistant treasurer. 2 U.S.C. 432(a), 11 CFR 102.7. The treasurer of Friends of Denny Smith is Reginald E. Hansen. The treasurer of Sr. PAC is Ruth Chism. The treasurer of ACRT PAC is Frederick J. Pfarrer and its assistant treasurer is Peter Meagher. Thus, each committee was "established" by a different person.

The chairman of Friends of Denny Smith serves as the executive director of Sr. PAC; and, the former campaign manager

* The loan from Friends of Denny Smith to ACRT PAC was repaid in full on February 4, 1982.

of Friends of Denny Smith serves as the executive director and assistant treasurer of ACRT PAC. (Mr. Meagher terminated his employment with Friends of Denny Smith in July, 1981.). It is submitted, however, that limited crossover such as this does not make the committees affiliated. See Advisory Opinion 1975-35. Furthermore, as additional evidence of lack of affiliation, there is submitted herewith the affidavit of the treasurer of Friends of Denny Smith, in which he avers that the payments made by Friends of Denny Smith to Rosemary Wood, Ruth Chism and Peter Meagher were for services rendered to and/or for expenses incurred on behalf of Friends of Denny Smith and not any other political committee.

In conclusion, for the reasons set forth herein, there is no reason to believe that either Sr. PAC, or ACRT PAC, is an affiliated or authorized committee of Friends of Denny Smith and the file on this matter should be closed.

Sincerely,

J. Curtis Herge

Dear Mr. Parker:

Please accept my sincere thanks for your recent contribution of \$100.00 to the Senior PAC. Because of your interest in and support of the SRPAC, we are now on our way toward getting out our first mailing.

Besides Stan's financial support, you are our first contributor! That, I believe, is a fine point to make.

Once begun, the SRPAC will provide an excellent means of support, financial & philosophical, to political candidates who share the concerns of seniors across the country, and who wish to help them.

We appreciate your help.

Dear Mrs. Anderson:

Ruth Chism, Treasurer for Senior PAC, informed me of your recent call requesting information about the SR. PAC.

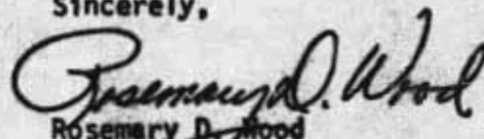

I wish I could tell you that there has been a lot of activity with the PAC, but unfortunately I cannot. It is a fledgling organization with no funds, and an effort made some time back to raise money was very unsuccessful.

The idea of the SR. PAC is to raise enough money to be able to support candidates for public office who will be sensitive to, and helpful with, issues involving senior citizens.

The hope is that the SR. PAC will become a national, rather than a state-wide, PAC. At this time, however, with the economy so poor, things are temporarily dead. We have no paid staff-just a volunteer director, treasurer and chairman. I do not have a brochure to send you, as no funds have been raised to produce one. If things improve, I will send you additional information.

Thank you for your interest.

_____, 1981

Dear _____:

Enclosed you will find a brochure explaining the newly formed A Columbia River Trust PAC. My purpose in writing to you today is to acquaint you with the PAC and enlist your assistance in furthering our efforts.

A Columbia River Trust (ACRTPAC) is a political action committee of businesses and individuals whose purpose is to help elect public officials who have a strong commitment to fiscally responsible government and who support the principles of free enterprise.

One unique aspect of ACRTPAC is that we have no intention of becoming a National PAC. It is our desire to remain a Northwest regional group, dedicated to electing people who are business oriented and who have a stake in our part of the country.

Our chairman is David Hinson, President of Flightcraft at the Portland airport. Our treasurer is Frederick Pfarrer, who is Vice President and manager of the First State Bank of Oregon, and I am the Executive Director, running the daily affairs of ACRTPAC. Since we are in the early stages of formulating this group, our board is not yet complete. However, we are talking with a number of people from the business community, like yourself, whom we perceive to be aligned with our interests.

It is our intention to form both congressional and business advisory boards for the PAC. A majority vote of the board members will determine disbursements to candidates. The PAC will support challengers to House and Senate seats with a minimum of \$2,500 per candidate contribution.

Political Action — Your Best Investment in Responsible Government

A Columbia River Trust is a political action committee of businesses and individuals whose purpose is to help elect public officials who have a strong commitment to fiscally responsible government and who support the principles of free enterprise.

A Columbia River Trust contributes money and the help of consultants and technicians experienced in all facets of political campaigns. Support is given to both challengers and incumbents on a non-partisan basis.

Labor unions, public employee groups and numerous other special interest groups are annually contributing hundreds of thousands of dollars and man-hours to elect public officials sympathetic to their causes. Those of us who are advocates of the free enterprise system then spend inordinate time and money lobbying these liberal big-spending, big-government elected officials just to get "a law we can live with."

If we are to prevent laws that over-regulate, over-spend and over-tax, we must become involved at the beginning of the political process in the selecting, financing, campaigning for and electing candidates.

This is where we have been in the battle.

For too long, we have been trying to make our viewpoint known to elected officials whose campaigns for office have been financed and waged by special interest groups contrary to our fiscally responsible view of the role of government.

We must elect people to office who have an interest in and a basic understanding of our viewpoint. Our political representatives will be most aware of and interested in our problems when they know we are aware of, interested in and involved in the total political process.

If more money were made available and wisely spent in campaigns for fiscally responsible candidates, many of the burdens, regulations and loss of freedom in our business and private lives would disappear. Without money politicians cannot be elected. With money, they can be either elected or defeated.

Political action, through your membership in A Columbia River Trust is your best investment in responsible government and a productive economy.

It is our hope that you will agree to serving A Columbia River Trust PAC as a member of the Executive Board.

If you have any questions concerning the PAC, please feel free to call me anytime at 363-4849. I will be most happy to assist you in any way that I can.

Sincerely,

Executive Director

Re: MUR 1425 and MUR 1426

Dear Mr. Gross:

This is written with reference to my letter to you, dated February 18, 1982, relative to the complaints filed by Mr. Dave McTeague, which have been numbered MUR 1425 and MUR 1426.

On February 25, 1982, I received from Friends of Denny Smith its Statement of Designation of Counsel, the original of which is enclosed herewith. I have also been asked by Senior Political Action Committee, another named respondent in this matter, to represent its interest in this matter. Accordingly, its Statement of Designation of Counsel is also enclosed herewith.

I have been advised that Friends of Denny Smith received its copy of the complaint on February 15, 1982, and that Senior Political Action Committee received its copy of the complaint on February 13, 1982. In view of the fact that I received that information on February 25, 1982, and the fact that both respondents are now providing me with documents and information relevant to the complaints, I respectfully request that an extension be granted to March 12, 1982, within which to submit an initial response.

Sincerely yours,

Re: MURs 1425 & 1426

Dear Mr. Herge:

We are in receipt of your February 18, 1982 letter in which you advised the Office of General Counsel that you would be representing the Friends of Denny Smith in the above-captioned matters. Your letter also noted that several attachments relevant to the allegations in the complaints were not sent to your client in the letters dated February 10, 1982. The complaints filed by Mr. McTeague have been reviewed and the exhibits listed in paragraph 2 of your letter were submitted by the complainant. Therefore, we have enclosed the following exhibits for your review and response:

- 1) Representative Smith's letter to Senior Political Action Committee (MUR 1425).
- 2) Attachments 2, 4, and 7 of Mr. McTeague's complaint labeled MUR 1426.

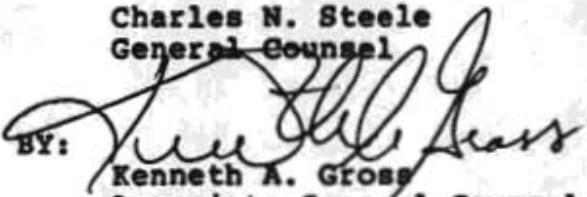

As these exhibits were not in the copies of the complaints sent to your client on February 10, 1982, you are hereby afforded an additional 15 days in which to respond to the allegations.

If you have any questions concerning MURs 1425 and 1426, please contact Judy Thedford at (202)523-4057.

Dear Stan,

I'm delighted to hear about the formation of Senior Political Action Committee (SRPAC). It is certainly time for concerned seniors to form a political action committee in addition to the many informational, lobbying and other associations.

By registering with the Federal Election Commission and becoming directly involved with the election process, SRPAC will have more political clout than most other senior citizens groups.

I have a deep concern for senior Americans.

During my campaign I tried to call attention to the bankruptcy of our Social Security System. And since coming to Congress, I have been constantly fighting to preserve the integrity of our Social Security System.

As you know, I've been devoting long hours to fighting inflation and government spending - helping President Reagan cut the budget and taxes.

I look forward to the advice and counsel of SRPAC on these issues that are of direct concern to seniors.

Sincerely,

Re: MUR 1425 and MUR 1426

Dear Ken:

I am writing with reference to your two letters to Mr. Reginald Hansen, Treasurer of Friends of Denny Smith, dated February 10, 1982, relative to the complaints filed by Mr. Dave McTeague. The two matters have been numbered MUR 1425 and MUR 1426. Friends of Denny Smith has engaged me as its counsel in connection with these matters. I will secure and send to you a Statement of Designation of Counsel in due course.

Pending your receipt of the Statement of Designation of Counsel, I would appreciate your consideration of the following:

(1) You have reported that MUR 1425 has been assigned to Judith Thedford and that MUR 1426 has been assigned to Susanne Callahan. Because the issues raised in the two complaints involve identical provisions of the law and because we intend, as a result, to consolidate our responses, I suggest that it would facilitate handling if both matters were assigned to one individual on your staff.

(2) It appears that Mr. McTeague failed to attach to his complaints several relevant exhibits. With respect to MUR 1425, Mr. McTeague stated that he attached a letter from Rep. Smith relative to the formation of Senior Political Action Committee. (See paragraph 3 of Mr. McTeague's letter of January 25, 1982.) We did not receive a copy of that letter. With

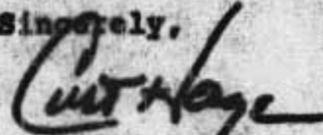

62040345035

Kenneth A. Gross, Esq.
Page Two

respect to MUR 1426, Mr. McTeague attached to his complaint a page entitled, "Attachments." With reference to that page, we did not receive copies of the material referred to as items 2, 4 or 7. In view of the fact that we are required to respond to the specific allegations made by the complainant, it is not unreasonable to require the submission of the specific documents upon which the allegations are based.

It would be helpful if you could advise me of your reaction to the foregoing in advance of the deadline for our response.

Sincerely,

J. Curtis Herge

To the Commission:

On January 25, 1982 I mailed to the FEC a complaint regarding the fact that Congressman Denny Smith's primary campaign committee "Friends of Denny Smith" had not claimed affiliation with "SRPAC" (Senior Political Action Committee.)

After examining the Report of Receipts and Disbursements of Friends of Denny Smith (FDS) filed with the Oregon Secretary of State on January 31st I have learned the following facts which pertain to this complaint:

- FDS paid salary to Rosemary D. Wood from 7/15/81 through 12/15/81. The SRPAC fundraising letter dated 9/15/81 is signed by Rosemary D. Wood as Executive Director.
- FDS received \$1,000 from Stan Wells, SRPAC Chairman, on 11/12/81.

Furthermore, I have determined that the phone number (503) 371-9255, which is given as the number for SRPAC in both of their fundraising letters, is in fact a number of "Friends of Denny Smith."

I and others have phoned this number on several instances during the last week and this number has invariably and consistently been answered "Friends of Denny Smith." One person who phoned and received this reply is Mr. Paul Hansen, Reporter, KATU NEWS, Portland, Oregon.

I submit this information to the commission in that I believe it further indicates that "Friends of Denny Smith" and "Senior Political Action Committee" are in fact affiliated and controlled by the same person or group of persons.

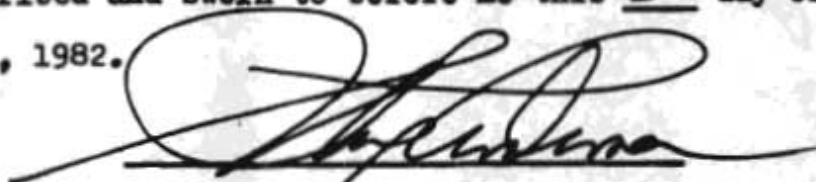

Furthermore, it should also be noted that the same FDS Report of Receipts and Disbursements also indicates that Ruth Chism, SRPAC Treasurer, was reimbursed \$9.55 for postage by FDS on 8/11/81.

This is all the further information I have to submit at this time.

I, Dave McTeague, being first duly sworn, say that the foregoing facts are true as I verily believe.

To the Commission:

As a candidate for Congress in Oregon's 5th Congressional District I wish to file a complaint concerning the incumbent 2nd District Congressman Denny Smith, also a candidate for the 5th District seat.

From the information I have received it appears that Rep. Smith has violated FEC provisions that a candidate must register any affiliated political committee on the candidates FEC 1.

The committee which it appears should have been registered by Smith is: Senior Political Action Committee (SRPAC), 320 Richmond SE, Salem, Oregon 97301; Ruth Chism, Treasurer; Rosemary Wood, Executive Director.

Attached are the following items:

- 1) A copy of a letter dated September 15, 1981 from Rosemary D. Wood, Executive Director of SRPAC, which makes these points among others:
 - (A) That SRPAC intends to mail to Seniors in the 5th Congressional District;
 - (B) That the SRPAC mailing will contain a letter from Denny Smith about SRPAC and his campaign and an additional letter from SRPAC soliciting contributions;
 - (C) That Denny Smith has given his "Full support and endorsement to the PAC.";
 - (D) and that Wood mailed "similar packets to 49 other businessmen friends of Denny Smith..."
- 2) A copy of a SRPAC letter referred to in Wood's aforementioned letter.
- 3) A copy of the aforementioned letter from Denny Smith to SRPAC in which he clearly indicates SRPAC is a Federal PAC, that Smith discusses his campaign and requests continued contact with SRPAC. This letter carries on the letterhead "Congressman Denny Smith" and carries the disclaimer "Paid for and Authorized by ACRT PAC."
- 4) A copy of a letter from Kenneth Cooper, 1444 Salishan SE, Salem, Oregon 97302 which makes these points:
 - (A) Rosemary Wood, Executive Director of SRPAC, was Chairman of Friends of Denny Smith, Smith's primary campaign committee
 - (B) Ruth Chism, Treasurer of SRPAC, is Chairperson of a Senior Citizens Advisory Committee for Denny Smith.
- 5) A copy of Denny Smith's official statement in the 1980 General Election Oregon Voter's Pamphlet listing Rosemary Wood as Chairman of Friends of Denny Smith.
- 6) A copy of Smith's FEC 1 dated September 29, 1981 which shows no connected or affiliated Committees. (FEC 1 copy obtained from the Oregon Secretary of State.)
- 7) A copy of Page 51, Salem, Oregon NW Bell Directory, indicating the

82 FEB 2 P2:10

return address of SRPAC (320 Richmond S.E.) is also the home address of Ruth Chism.

Furthermore, my analysis of the "Friends of Denny Smith" Report of Receipts and Disbursements on file with the Oregon Secretary of State, shows the following disbursements:

FRIENDS OF DENNY SMITH DISBURSEMENTS

To	Date	Amount	Reasons
Rosemary Wood	6/25/81	\$40.00	T-Shirt Deposit
Rosemary Wood	5/9/80	\$25.79	Fundraiser Supplies
Rosemary Wood	3/12/80	\$ 8.00	Expenses
Rosemary Wood	3/3/80	\$78.74	Expenses
Rosemary Wood	2/8/80	\$25.75	Expenses
Ruth Chism	2/5/81	\$74.40	Caging Mail
Ruth Chism	11/3/80	\$127.16	Payroll
Ruth Chism	10/15/80	\$47.13	Payroll

From this information it seems as SRPAC is raising funds specifically for Congressman Smith, with his consent; and that SRPAC intends to spend funds for Congressman Smith, with his consent; and that this appeal for funds has been sent to "friends of Denny Smith;" and that persons with direct and longstanding political ties to Congressman Smith's campaign committee are directing SRPAC.

Thank you for your attention to this matter.

I, Dave McTeague, being first duly sworn, say that the foregoing facts are true as I verily believe.

I am writing to you to enlist your support of a new program which I feel is worthy of your consideration.

That program is called Senior PAC (Political Action Committee).

The purpose of the Senior PAC will be to support, with financial contributions, those candidates for public office who exhibit a sincere desire to address the specific problems that relate to seniors and their well-being.

In order to implement this program, we will need to raise \$5,000 to cover the costs of printing and postage for our first mailing. The ultimate goal is to become a national PAC, but our first mailing will be sent to a sampling of seniors in the counties of the new 5th district of Oregon.

The enclosure consists of two letters (combined here, for our purposes, on one page) which will be part of the eventual mailing: the first from Congressman Denny Smith, directed to Dr. Stanley Wells, a retired physician from Hood River, expressing support of the SR.PAC; and the second from Dr. Wells (who has agreed to be our national chairman) to the seniors, asking for their financial support of the concept of a political action committee for seniors only. It pleases me to inform you of Congressman Smith's full support and endorsement of the PAC.

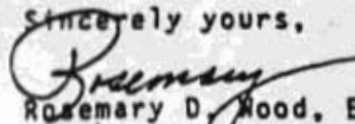

A survey and a self-addressed return envelope for contributions of any amount to the SR. PAC will be enclosed with the letters for mailing.

It is my hope that you will take the ten enclosed packets and mail them, along with a request for a \$50 contribution, to ten of your personal friends. Perhaps you could pen a small, personal note to them, expressing your endorsement of the SR.PAC.

I have mailed similar packets to 49 other businessman friends of Denny Smith's throughout the state. If they all pitch in to help, as I hope you will, we will have raised, without too much difficulty, the funds needed to accomplish our initial task.

Thank you for taking the time to read this letter. If I can answer any questions concerning the SR.PAC, please feel free to call me at 371-9255.

Sincerely yours,

Rosemary D. Hood, Exec. Director

Dear Friend:

I am writing to you with some really exciting news.

A new group is being formed, one with a single purpose in mind and that is to really represent the senior citizens of our country. We will see that our state and federal elected officials are kept informed of the needs and concerns of all seniors.

Periodic newsletters will come out to keep you informed of our activities and to let you know how you, too, can be involved in the decision making process.

You and I, as senior citizens, desperately need real anti-crime legislation. We know from first hand experience the fear of walking down the street at night - or even in the daytime - and the need to live constantly behind locked doors in our homes.

Only good laws which protect the victims, more than the crooks, will help us.

The other big problem constantly with us is inflation and with it our shattered Social Security System. Our fixed income life style really is hurting because of this situation.

This can only be changed by the election of good, conservative legislators who know how to turn the economy around and who are willing to work for it.

For most of our lives the rules have been made by the big-spender types who seem to think that we can solve everything by printing more money and never even trying to pay our debts.

That's why I think you will really want to be a part of our group - Senior Political Action Committee (SRPAC). That's why I am asking you to send the enclosed Active Seniors Response to me today.

As soon as I receive this Response, I will get right back with your membership card and we will begin our important job.

The enclosed SRPAC brochure is for your information. Our telephone number is 503/371-9255 if you need to discuss this further.

A contribution according to your means, even a dollar or five dollars, will be wisely used to cover printing and mailing costs, a lobby effort with our legislature and congress, plus an office set up. I receive no salary or expenses for myself. Volunteer help is more than needed and will certainly be welcomed.

It is our intent to support candidates for office who are responsive to the needs of our long time citizens and voters.

I look forward to hearing from you soon. Together we become a formidable opponent of the big-spending, big-government liberals who pretend to represent us.

Sincerely,

Dr. Stan Wells
Chairman

P.S. It is nice to know that there are other seniors out there who want to work, as I do, to correct some of these problems that we all share.

Dear Stan,

I'm delighted to hear about the formation of Senior Political Action Committee (SRPAC). It is certainly time for concerned seniors to form a political action committee in addition to the many informational, lobbying and other associations.

By registering with the Federal Election Commission and becoming directly involved with the election process, SRPAC will have more political clout than most other senior citizens groups.

I have a deep concern for senior Americans.

During my campaign I tried to call attention to the bankruptcy of our Social Security System. And since coming to Congress, I have been constantly fighting to preserve the integrity of our Social Security System.

As you know, I've been devoting long hours to fighting inflation and government spending - helping President Reagan cut the budget and taxes.

I look forward to the advice and counsel of SRPAC on these issues that are of direct concern to seniors.

Sincerely,

Denny Smith, M.C.

To all Seniors and Friends of Seniors:

We have in hand two letters prompting the formation of yet another senior citizen organization. One letter is over the name of Doctor Stan Walls, Chairman - the other is over the name and signature of Rosemary D. Wood, Executive Director of SR/PAC (Senior Political Action Committee).

Most interesting to note is that on SR/PAC stationery, Mrs. Ruth Chism, Treasurer, is chairperson of the local Senior Citizen Advisory Committee for Representative Denny Smith. From all the information we have been able to gather, the Executive Director was campaign chairperson for Representative Smith in the last election.

The promoters of SR/PAC have registered with the Federal Election Commission which permits the program to function in all states. The promoters of SR/PAC have every right to do exactly what they are doing. However, in view of the consequences, we would have to question their sincerity about their proclamation of concern for the elderly - and this for a number of reasons: (1) We already have two national organizations - they are AARP/NRTA and the National Council for Senior Citizens; (2) a \$50 contribution is being requested which is an appeal to the affluent only; (3) this would siphon off money that is badly needed to support and maintain existing senior organizations; (4) last but not least, it would create a division among our elderly, pitting elderly against elderly, poor against rich and so it would go. It doesn't seem that we elderly can afford that kind of luxury.

DENNY SMITH

OCCUPATION: Newspaper publisher.

OCCUPATIONAL BACKGROUND: Chairman of Eagle Newspapers, Inc., a family corporation that has 18 community newspapers in Oregon and Washington. Former pilot/flight engineer for Pan American World Airways.

EDUCATIONAL BACKGROUND: Elementary and high school education in Ontario, John Day and Salem, B.A. in Political Science, Willamette University, 1961.

PRIOR GOVERNMENTAL EXPERIENCE: None.

Family:

Denny Smith and his wife Kathleen are raising six children at their home in Salem where they have lived since 1969.

Military Background:

Denny Smith was commissioned in the U.S. Air Force in 1958 and was graduated from pilot training in 1960. He served in the Oregon Air Guard from 1960-62. During the Vietnam conflict, he served as a fighter-pilot and earned the Air Medal with six clusters.

DENNY SMITH proved in the primary that an ordinary citizen with an extraordinary concern could mount a campaign and win the confidence and support of Oregonians. Oregonians showed they wanted a change and now the national spotlight is focused on Denny Smith's challenge.

DENNY SMITH has lived and worked in nearly every corner of the 2nd district. He understands our needs and is concerned about our future. Like us, he has a big stake in Oregon.

DENNY SMITH says:

- We don't need new taxes, we need less government spending.
- Nowhere do we need new leadership more than in preserving the future of Social Security.
- Local control is the best control.
- We don't need more government, we need better government.

DENNY SMITH began his campaign for Congress by calling for a halt to increasing taxation. He reminded Oregonians that Carter and Ullman have doubled federal taxes in just four years.

DENNY SMITH offered new leadership to put America back on the right track. We cannot count on those who got us into this mess to get us out. New tax schemes won't solve our problems... new leadership will. Oregonians agreed.

DENNY SMITH talked about problems of raising a family on a budget eaten away by inflation. He spoke out against increases in federal spending that trigger higher inflation. Oregon families understood.

DENNY SMITH showed concern for Oregon's senior citizens when he urged firm funding for Social Security. He pointed out that the checks were a day late in May and that allowing Social Security to go broke would be a national disgrace. Older Oregonians realized he was right.

DENNY SMITH knows the surest way to guarantee peace is a strong national defense. He saw the grim realities of combat in Vietnam. Oregonians want to be second to none for our own safety and that of the Free World.

DENNY SMITH drew on his business experience when he told civic groups that incentives were needed to expand production. Government must stay out of the way and let the free enterprise system stimulate new jobs and create a vital economy. Working Oregonians applauded.

DENNY SMITH'S concerns and ideas appealed to Oregonians.

DENNY SMITH challenged the Carter-Ullman record. He linked our problems with their policies. Oregonians joined Denny Smith questioning double-digit inflation. Questioning higher and higher unemployment. Questioning spiraling interest rates. Questioning programs that cost millions of dollars and only interfere in our lives.

DENNY SMITH believes that too much of our tax money goes back to Washington, D.C. Sewer and water projects should be designed and governed at the local level, rather than regulated by bureaucrats 3,000 miles away.

DENNY SMITH stood up for local control and his opponent stood up for federal control. Denny Smith stood up for less government spending, and his opponent voted for the largest federal budget in our history. Denny Smith stood up for a tax cut, and his opponent said "no." That's why Oregonians question the incumbent's record.

OREGONIANS ask:

- Why did the incumbent vote against reasonable tax cuts last year and refuse to allow a reduction in our taxes this year?
- Why would the incumbent even consider a national sales tax?
- Why did the incumbent return to the district just 14 times in the last two years, when our tax money makes it possible for congressmen to return 66 times?
- How could the incumbent vote against allowing some senior citizens the ability to earn a little more money after they retire?
- How has the incumbent used his "power" and what has it cost us in federal taxes?

DENNY SMITH listened to those questions. He heard our concerns. And he offered us a choice.

OREGONIANS from his birthplace in Ontario, to where he went to high school in John Day stood up for Denny. People he worked with in Hood River and Albany in the '60s, and Salem in the '70s stepped forward because of his experience, ideas and concern. Oregonians in places such as Prineville, Madras, The Dalles, Hermiston, Molalla and Woodburn—communities where he does business—joined his effort. And now Oregonians throughout the 2nd District are ready for his new, vigorous leadership for the '80s.

IT'S TIME FOR A CHANGE. IT'S TIME FOR DENNY SMITH.
DENNY SMITH... FOR CONGRESS... FOR OREGON...
FOR US.

To the Commission:

As a candidate for Congress in Oregon's 5th Congressional District I wish to file an additional complaint concerning the campaign activities of Congressman Denny Smith also a candidate for the 5th District seat.

As the Commission is aware I previously filed a complaint that Smith apparently violated FEC provisions by failing to declare Senior Political Action Committee (SRPAC) as an affiliated committee on the candidate's FEC 1.

As the result of other investigation I have concluded that Rep. Smith has apparently violated the same FEC requirement by failing to claim "Columbia River Trust Political Action Committee" or "ACRT PAC" as an affiliated committee. (Columbia River Trust PAC FEC ID # 000 138 859)

The existence of "Columbia River Trust" PAC (hereafter referred to as CRT-PAC) came to my attention in examining the material concerning SRPAC.

The SRPAC fundraising letter mailed by Rosemary Wood, SRPAC Executive Director and Chairman of Friends of Denny Smith, refers to an enclosed letter from Denny Smith.

This letter from Smith carries the letterhead address: "Congressman Denny Smith, Washington D.C. 20515" and has printed as signator "Denny Smith, M.C." This letter carries the disclaimer: "Paid for and authorized by ACRT PAC." This letter carries no other individuals name or committee name as a responsible party.

Both the SRPAC letters and the ACRT PAC letter are again enclosed. And I would refer the Commission to the material in my previous complaint identifying Rosemary Wood as the Chairman of Friends of Denny Smith.

In my attempts to identify "ACRT-PAC" my volunteer researchers contacted the FEC, and in specific Mr. Rory Conley, a FEC research officer. Immediately Conley determined no PAC "ACRT PAC" was filed with the FEC.

Having no further information, such as Treasurers name, to proceed on, Conley said he would attempt to locate any PAC with the initials "ACRT" in the PAC name. Conley later contacted my committee and informed us no PAC has the initials "ACRT" in its name.

RECEIVED
OFFICE OF THE
GENERAL COUNSEL

690543040206

At this point my research volunteer explained the relationship between "ACRT PAC" and SRPAC. Conley said he would check SRPAC papers and see if he could obtain information regarding "ACRT PAC" identity.

Conley later contacted my volunteer researcher and said that he believed the identity of "ACRT PAC" was the Columbia River Trust PAC and no other PAC has initials so similar. Conley said he discovered CRT PAC when he was examining SRPAC papers on FEC microfilm but the information came to his attention not because the SRPAC papers contained any relating information but that he accidentally noticed CRT PAC was next to SRPAC on the microfilm and that in addition to the initials, CRT PAC had received a \$4,500 loan from Friends of Denny Smith.

Upon obtaining this information we requested the names and addresses of the CRT PAC and learned that CRT PAC Executive Director was Peter Meagher and the Treasurer is Fred J. Pfarrer. The address of CRT PAC was listed on the organizational form as 383 Owens S. Suite 30, Salem, Oregon 97302.

We then requested and subsequently received copies of the two CRT PAC Reports of Receipts and Disbursements on file with the FEC.

Since then, from these reports, the Reports of Receipts and Disbursements of Friends of Denny Smith and other public records the following facts:

1) Peter Meagher, Executive Director of CRT PAC, was an employee of Friends of Denny Smith. Several times we saw Meagher referred to as "Campaign Director" of Friends of Denny Smith. From the period 12/17/79 to 6/15/81 Meagher has received the following total disbursements from Friends of Denny Smith: \$18,204.02 in Salary; \$1,548.96 in Fees; and, \$459.76 in expenses.

2) On 4/1/81 Friends of Denny Smith financed a \$4,500 loan to CRT-PAC. From 1/1/81 to 4/1/81 the total receipts of CRT-PAC were \$4,825. This included the \$4,500 loan and \$325 of unitemized contributions. In excess of 90% of CRT PAC financing was from Friends of Denny Smith for this period.

3) Frederick Pfarrer, CRT PAC Treasurer, contributed \$1,000 to Friends of Denny Smith in 1980. (3/31- \$250; 6/20- \$500 and 7/17- \$250.)

4) The CRT PAC address, 383 Owens S, Suite 30, Salem, Oregon is the same address Meagher received his disbursements from Friends of Denny Smith and is Meagher's apartment.

5) The CRT PAC Report of Receipts and Disbursements of the period 1/1/81 to 4/1/81 received by the FEC on 4/13/81 was mailed to the FEC which bears as the return address: "Denny Smith/ U.S. Congress/ Friends of Denny Smith/ P. O. Box 12868/ Salem, Oregon 97309." The envelope bears the names of no other responsible party.

02040315070

82 FEB 2 3:40

6) The Report of Receipts and Disbursements of CRT PAC shows CRT PAC expended funds at the following businesses:

- (A) Neulten Data, Northridge, California
- (B) Political Advertising and Consulting, Los Angeles, California
- (C) Mail-Mark Inc., Portland, Oregon
- (D) Hollywood Printing Co., Salem, Oregon
- (E) Polk County Itemiser-Observer, Dallas, Oregon. (The Polk County Itemiser-Observer is a business owned by Blue Mountain Eagle, a corporation of which Denny Smith is the primary owner.)

The Reports of Receipts and Disbursements of Friends of Denny Smith show that committee has made repeated and substantial expenditures at these firms for basically the same services rendered CRT PAC.

7) The Report of Receipts and Disbursements shows CRT PAC received donations of \$6,679 for the reporting period 4/1/81 through 6/30/81. Of these donations \$4,679.55 were reported as unitemized contributions. Four contributions were itemized. Of these four, two were previous contributors to Friends of Denny Smith. These two are: Earle M. Craig Jr. of Midland, Texas who contributed \$250 to CRT PAC on 6/1/81 and \$200 to Friends of Denny Smith on 4/24/80; and, Frederick J. Warren of Los Angeles, California who contributed \$500 to CRT PAC on 4/23/81 and contributed \$500 to Friends of Denny Smith on 10/22/80.

During these two aforementioned reporting periods in excess of 45% of CRT PAC funds are either from Friends of Denny Smith or previous Friends of Denny Smith donors. 43% of CRT PAC donors are not identified.

8) Sometime prior to 9/15/81 CRT PAC paid for and authorized a letter from Denny Smith to SRPAC in which Smith indicates:

- (A) He understands he is writing to a Federal PAC.
- (B) He discusses his campaign.
- (C) He expresses his desire for "advice and counsel" from SRPAC.

This letter is only identified as authorized and paid for by "ACRT PAC" and carries no address except that of "Congressman Denny Smith" and bears no other persons name.

9) Friends of Denny Smith FEC 1, Statement of Organization, filed and dated 9/29/81 claimed "None" for affiliated Committees.

Based on this information it appears:

1) A paid employee of Friends of Denny Smith has been the only Executive Director of CRT PAC. Presumably Smith or another Friends of Denny Smith employee maintained a power to fire Meagher and direct his actions.

2) CRT PAC received initial financing almost exclusively from Friends of Denny Smith. Subsequent CRT PAC financing indicates a similarity of contributions to Friends of Denny Smith.

RECEIVED

Page 4

3) ORT PAC expended a large portion of the available funds at firms repeatedly used by Friends of Denny Smith, for the same purposes as Friends of Denny Smith. These indicated a similarity of expenditures.

4) Despite the fact several of these firms are in California no disbursements by ORT PAC are made for phone calls or travel.

5) Despite the fact ORT PAC has donated funds to congressional campaigns in Missouri and Maryland and has done over \$1,600 of business in California before 4/3/81 no expenditures for postage, telegrams, etc., were made prior to 4/3/81 when the first expenditure for postage is made.

6) The Friends of Denny Smith loan was made on 4/1/81. Prior to that date ORT had expended \$293.35 of \$325 available. On 4/1/81 ORT expended \$1,634.16 to two Los Angeles firms for printing and art work. It would seem unlikely ORT PAC, with very limited assets, and, having expended no funds for postage or phone calls to raise funds, would contract for such services without an assurance of funds prior to 4/1/81. From the odd amounts of the expenditures it would seem that any artwork and printing has been ordered and completed by this date.

With this information it appears to me that, in fact, ORT PAC is affiliated with Friends of Denny Smith. It would also seem that both ORT PAC and SRPAC are controlled by substantially the same persons as Friends of Denny Smith. To me these persons appear to be acting with an intentional plan in cooperation or collusion to raise funds and expend funds in promotion of Denny Smith's congressional campaign without properly claiming affiliation between their subsidiary committees.

I see one PAC, directed by Denny Smith's campaign staff and located in his apartment, writing to another PAC, directed by Denny Smith's former and/or present Campaign Chairman at that PAC's treasurer's home address. Each is involved with the obvious political promotion of Denny Smith and neither claims affiliation with Denny Smith's committee. Furthermore, Denny Smith obviously understands what is happening and he claims no affiliation to the committees. It seems improper.

Thank you for your attention to this matter.

I, Dave McTeague, being first duly sworn, say that the foregoing facts are true as I verily believe.

Dear Friend:

I am writing to you with some really exciting news.

A new group is being formed, one with a single purpose in mind and that is to really represent the senior citizens of our country. We will see that our state and federal elected officials are kept informed of the needs and concerns of all seniors.

Periodic newsletters will come out to keep you informed of our activities and to let you know how you, too, can be involved in the decision making process.

You and I, as senior citizens, desperately need real anti-crime legislation. We know from first hand experience the fear of walking down the street at night - or even in the daytime - and the need to live constantly behind locked doors in our homes.

Only good laws which protect the victims, more than the crooks, will help us.

The other big problem constantly with us is inflation and with it our shattered Social Security System. Our fixed income life style really is hurting because of this situation.

This can only be changed by the election of good, conservative legislators who know how to turn the economy around and who are willing to work for it.

For most of our lives the rules have been made by the big-spender types who seem to think that we can solve everything by printing more money and never even trying to pay our debts.

That's why I think you will really want to be a part of our group - Senior Political Action Committee (SRPAC). That's why I am asking you to send the enclosed Active Seniors Response to me today.

As soon as I receive this Response, I will get right back with your membership card and we will begin our important job.

The enclosed SRPAC brochure is for your information. Our telephone number is 503/371-9255 if you need to discuss this further.

A contribution according to your means, even a dollar or five dollars, will be wisely used to cover printing and mailing costs, a lobby effort with our legislature and congress, plus an office set up. I receive no salary or expenses for myself. Volunteer help is more than needed and will certainly be welcomed.

It is our intent to support candidates for office who are responsive to the needs of our long time citizens and voters.

I look forward to hearing from you soon. Together we become a formidable opponent of the big-spending, big-government liberals who pretend to represent us.

Sincerely,

Dr. Stan Wells
Chairman

P.S. It is nice to know that there are other seniors out there who want to work, as I do, to correct some of these problems that we all share.

Dear Stan,

I'm delighted to hear about the formation of Senior Political Action Committee (SRPAC). It is certainly time for concerned seniors to form a political action committee in addition to the many informational, lobbying and other associations.

By registering with the Federal Election Commission and becoming directly involved with the election process, SRPAC will have more political clout than most other senior citizens groups.

I have a deep concern for senior Americans.

During my campaign I tried to call attention to the bankruptcy of our Social Security System. And since coming to Congress, I have been constantly fighting to preserve the integrity of our Social Security System.

As you know, I've been devoting long hours to fighting inflation and government spending - helping President Reagan cut the budget and taxes.

I look forward to the advice and counsel of SRPAC on these issues that are of direct concern to seniors.

Sincerely,

Denny Smith, M.C.

I am writing to you to enlist your support of a new program which I feel is worthy of your consideration.

That program is called Senior PAC (Political Action Committee).

The purpose of the Senior PAC will be to support, with financial contributions, those candidates for public office who exhibit a sincere desire to address the specific problems that relate to seniors and their well-being.

In order to implement this program, we will need to raise \$5,000 to cover the costs of printing and postage for our first mailing. The ultimate goal is to become a national PAC, but our first mailing will be sent to a sampling of seniors in the counties of the new 5th district of Oregon.

The enclosure consists of two letters (combined here, for our purposes, on one page) which will be part of the eventual mailing: the first from Congressman Denny Smith, directed to Dr. Stanley Wells, a retired physician from Hood River, expressing support of the SR.PAC; and the second from Dr. Wells (who has agreed to be our national chairman) to the seniors, asking for their financial support of the concept of a political action committee for seniors only. It pleases me to inform you of Congressman Smith's full support and endorsement of the PAC.

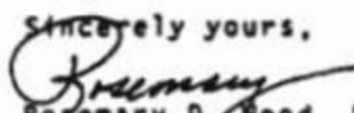

A survey and a self-addressed return envelope for contributions of any amount to the SR. PAC will be enclosed with the letters for mailing.

It is my hope that you will take the ten enclosed packets and mail them, along with a request for a \$50 contribution, to ten of your personal friends. Perhaps you could pen a small, personal note to them, expressing your endorsement of the SR.PAC.

I have mailed similar packets to 49 other businessman friends of Denny Smith's throughout the state. If they all pitch in to help, as I hope you will, we will have raised, without too much difficulty, the funds needed to accomplish our initial task.

Thank you for taking the time to read this letter. If I can answer any questions concerning the SR.PAC, please feel free to call me at 371-9255.

Sincerely yours,

Rosemary D. Wood, Exec. Director
Senior PAC

DENNY SMITH

Republican

OCCUPATION: Newspaper publisher.

OCCUPATIONAL BACKGROUND: Chairman of Eagle Newspapers, Inc., a family corporation that has 18 community newspapers in Oregon and Washington. Former pilot/flight engineer for Pan American World Airways.

EDUCATIONAL BACKGROUND: Elementary and high school education in Ontario, John Day and Salem. B.A. in Political Science, Willamette University, 1961.

PRIOR GOVERNMENTAL EXPERIENCE: None.

Family:

Denny Smith and his wife Kathleen are raising six children at their home in Salem where they have lived since 1968.

Military Background:

Denny Smith was commissioned in the U.S. Air Force in 1954 and was graduated from pilot training in 1960. He served in the Oregon Air Guard from 1960-62. During the Vietnam conflict, he served as a fighter-pilot and earned the Air Medal with six clusters.

DENNY SMITH proved in the primary that an ordinary citizen with an extraordinary concern could mount a campaign and win the confidence and support of Oregonians. Oregonians showed they wanted a change and now the national spotlight is focused on Denny Smith's challenge.

DENNY SMITH has lived and worked in nearly every corner of the 2nd district. He understands our needs and is concerned about our future. Like us, he has a big stake in Oregon.

DENNY SMITH says:

- We don't need new taxes, we need less government spending.
- Nowhere do we need new leadership more than in preserving the future of Social Security.
- Local control is the best control.
- We don't need more government, we need better government.

DENNY SMITH began his campaign for Congress by calling for a halt to increasing taxation. He reminded Oregonians that Carter and Ullman have doubled federal taxes in just four years.

DENNY SMITH offered new leadership to put America back on the right track. We cannot count on those who got us into this mess to get us out. New tax schemes won't solve our problems... new leadership will. Oregonians agreed.

DENNY SMITH talked about problems of raising a family on a budget eaten away by inflation. He spoke out against increased federal spending that trigger higher inflation. Oregon families understood.

DENNY SMITH showed concern for Oregon's senior citizens when he urged firm funding for Social Security. He pointed out that the checks were a day late in May and that allowing Social Security to go broke would be a national disgrace. Older Oregonians realized he was right.

DENNY SMITH knows the surest way to guarantee peace is a strong national defense. He saw the grim realities of combat in Vietnam. Oregonians want to be second to none for our own safety and that of the Free World.

DENNY SMITH drew on his business experience when he told civic groups that incentives were needed to expand production. Government must stay out of the way and let the free enterprise system stimulate new jobs and create a vital economy. Working Oregonians applauded.

DENNY SMITH'S concerns and ideas appealed to Oregonians.

DENNY SMITH challenged the Carter-Ullman record. He linked our problems with their policies. Oregonians joined Denny Smith questioning double-digit inflation. Questioning higher and higher unemployment. Questioning spiraling interest rates. Questioning programs that cost millions of dollars and only interfere in our lives.

DENNY SMITH believes that too much of our tax money goes back to Washington, D.C. Sewer and water projects should be designed and governed at the local level, rather than regulated by bureaucrats 3,000 miles away.

DENNY SMITH stood up for local control and his opponent stood up for federal control. Denny Smith stood up for less government spending, and his opponent voted for the largest federal budget in our history. Denny Smith stood up for a tax cut, and his opponent said "no." That's why Oregonians question the incumbent's record.

OREGONIANS ask:

- Why did the incumbent vote against reasonable tax cuts last year and refuse to allow a reduction in our taxes this year?
- Why would the incumbent even consider a national sales tax?
- Why did the incumbent return to the district just 14 times in the last two years, when our tax money makes it possible for congressmen to return 66 times?
- How could the incumbent vote against allowing some senior citizens the ability to earn a little more money after they retire?
- How has the incumbent used his "power" and what has it cost us in federal taxes?

DENNY SMITH listened to those questions. He heard our concerns. And he offered us a choice.

OREGONIANS from his birthplace in Ontario, to where he went to high school in John Day stood up for Denny. People he worked with in Hood River and Albany in the '60s, and Salem in the '70s stepped forward because of his experience, ideas and concern. Oregonians in places such as Prineville, Madras, The Dalles, Hermiston, Molalla and Woodburn—communities where he does business—joined his effort. And now Oregonians throughout the 2nd District are ready for his new, vigorous leadership for the '80s.

IT'S TIME FOR A CHANGE. IT'S TIME FOR DENNY SMITH
DENNY SMITH... FOR CONGRESS... FOR OREGON
