CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission (hereinafter "the Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. SUBJECT: MUR 1447

On May 3, 1983, the Commission authorized the filing of civil suit for relief against Citizens' Advocate Political Action Committee ("CAPAC"). The Commission directed the Office of General Counsel to delay the filing of the suit until June 1, 1983 in order to afford CAPAC additional time to produce promised documentation.

On May 24, and June 3, 1983, documentation was received from CAPAC consisting of bank statements, contributor checks, and deposit summary sheets.

The Office of General Counsel forwarded the CAPAC documentation to the Audit Division for its review on June 9, 1983. The Audit staff's review concluded "that the amount of unidentified/undocumented contributions is now at an acceptable level and no further action is necessary." (See attached memorandum from Audit).

To date, CAPAC has complied with three out of four recommendations made by the Audit Division in its Interim Audit Report. The outstanding recommendation concerns CAPAC's receipt of contributions from three other political committees. The Commission has requested the filing of amended reports disclosing receipt of the contributions or notification to the contrary.

8304043409 1

It is recommended that the Commission approve the sending of the attached agreement to Citizens' Advocate Political Action Committee.

EXECUTIVE SESSION

MAY 3 1983

GENERAL COUNSEL'S REPORT

I. BACKGROUND/PREVIOUS COMMISSION ACTION:

On February 23, 1983, the Commission found probable cause to believe that Citizens' Advocate Political Action Committee (CAPAC) violated 2 U.S.C. § 434(b)(1), (2), (4), and (5), § 432(c), § 434(b)(3)(B), and § 433(c). The Commission initiated conciliation with CAPAC at this time by sending a conciliation agreement to C. McClain Haddow on February 25, 1983. No response was received from Mr. Haddow; therefore, a letter was sent to him on March 29, 1983, stating that in the absence of a response, a recommendation concerning the filing of civil suit may be made against CAPAC by the General Counsel's Office. To date, no response has been received from Mr. Haddow.

II. RECOMMENDATION:

Authorize the Office of General Counsel to file a civil suit for relief in the United States District Court against Citizens' Advocate Political Action Committee, C. McClain Haddow, treasurer.

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This matter evolves from an audit of Citizens' Advocate Political Action Committee ("CAPAC") conducted by the Commission pursuant to 2 U.S.C. § 438(b). CAPAC failed to respond to the Interim Audit Report and was referred to the Office of General Counsel for possible compliance action.

On July 1, 1982, the Commission found reason to believe that CAPAC violated 2 U.S.C. §§ 434(b)(1), (2), (4), (5), 432(c), 434(b)(3)(B), and 433(c). An RTB notification letter and the General Counsel's Legal and Factual Analysis were forwarded to C. McClain Haddow CAPAC's Executive Director. The letter and analysis were returned to the Commission on August 10, 1982 marked "BOX CLOSED-NO ORDER". Subsequently, the RTB letter and analysis were forwarded to Mr. Haddow's personal address.

On August 25, 1982, Mr. Haddow phoned the Commission and left his number. The phone call was returned; however, Mr. Haddow could not be reached.

On August 31, 1982, a brief recommending that the Commission find probable cause to believe that CAPAC violated the Act was sent to Mr. Haddow due to the absence of any response.

8304043482

On or around September 27, 1982, Mr. Haddow phoned the Office of General Counsel and informed us of his receipt of the RTB notice and the brief. Mr. Haddow stated his willingness to comply with the audit report recommendations. Concerning the documentation problems, Mr. Haddow stated that he needed to contact a direct mail company and obtain further information. On October 7, 1982, Mr. Haddow sent a mailgram to the Commission stating that he contacted Eberle Direct Mail and that the necessary information would be forwarded immediately.

Since communication with Mr. Haddow had finally been established and he indicated his desire to file the amended reports as recommended by the Audit Division, the Office of General Counsel allowed Mr. Haddow additional time to set the Committee's records in order.

On November 10, 1982, an attempt was made to reach Mr. Haddow by phone. Messages were left at his office and home. Mr. Haddow returned the call on November 17, 1982. During the conversation, Mr. Haddow stated that information had been forwarded to the Commission around November 2, 1982. Office of General Counsel staff indicated to Mr. Haddow that the information he claimed to have sent to the Commission was never received. Mr. Haddow then made arrangements for a meeting on December 3, 1982. The meeting was eventually cancelled. Mr. Haddow explained that his accountant who had the reports did not make it down from New York on December 3. Mr. Haddow stated, however, that he would send the reports to the Commission for

8304043418

review and would be back in Washington to discuss any problems. On January 11, 1983 CAPAC filed amended reports with the Commission. The reports are currently being reviewed by the Audit Division. Additionally, Mr. Haddow has stated some supporting documentation of $12,755.50 in contributions has also been found. The Office of General Counsel requested Mr. Haddow to submit the documentation as soon as possible.

The Office of General Counsel recommends that the Commission proceed in this matter and find probable cause to believe that Citizens' Advocate Political Action Committee violated 2 U.S.C. §§ 434(b)(1), (2), (4), (5), 432(c), 434(b)(3)(B), and 433(c) and to initiate conciliation.

II. LEGAL ANALYSIS

See OGC Brief of August 31, 1982. CAPAC did not file a responsive brief.

8304043418

IV. Recommendations:

It is recommended that the Commission:

1) Find probable cause to believe that Citizens' Advocate Political Action Committee violated 2 U.S.C. §§ 434(b)(1), (2), (4), (5), 432(c), 434(c), 434(b)(3)(B), and 433(c).

2) Initiate concilation by sending the attached conciliation agreement to C. McClain Haddow.

Re: MUR 1447

Dear Mr. Haddow:

On January , 1983, the Commission determined there is probable cause to believe that Citizens' Advocate Political Action Committee committed violations of the Federal Election Campaign Act of 1971, as amended, specifically, 2 U.S.C. §§ 434(b)(1), (2), (4), (5), 432(c), 434(b)(3)(B), and 433(c).

The Commission has a duty to attempt to correct such violations for a period of thirty to ninety days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. If we are unable to reach an agreement during that period, the Commission may institute civil suit in United States District Court and seek payment of a civil penalty.

We enclose a conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter. If you agree with the provisions of the enclosed agreement, please sign and return it along with the civil penalty to the Commission within ten days. I will then recommend that the Commission approve the agreement. Please make your check for the civil penalty payable to the U.S. Treasurer.

If you have any questions or suggestions for changes in the enclosed conciliation agreement, please contact Judy Thedford, at (202)523-4529.

Sincerely,

Charles N. Steele
General Counsel

Re: MUR 1447

Dear Mr. Haddow:

This letter is to acknowledge receipt of the amended reports filed by Citizens' Advocate Political Action Committee ("CAPAC") covering January 1, 1980 through December 31, 1980. The reports have been reviewed by the Audit Division with respect to its recommendations set forth in the Interim Audit Report. The Audit Division has concluded that the amend reports properly disclose previously understated receipts, expenditures, and cash-on-hand, and two previously undisclosed bank accounts. The Audit Division's review also noted that the amended reports failed to itemize three contributions from other political committees. Specifically, the following political committees reported making the following contributions to CAPAC:

Flour Public Affairs Committee
$2500 on May 16, 1980;
Public Service Political Action Committee
$2000 on October 3, 1980; and
Western Company of North America (Safepac)
$750 on March 7, 1980.

The Act and Regulations require CAPAC to disclose the identification of these committees along with the date and amount of each contribution. If CAPAC did not receive these contributions, please notify us accordingly.

Finally, your January 10, 1983, letter enclosing the amended reports, stated that problem #2 identified in the Interim Audit Report could not be resolved because "back-up records appear to be irretrievably lost." However, in a subsequent phone call, you

8304043487

stated that some records have been found. The Office of General Counsel requested that the documentation be forwarded to the Commission as soon as possible. To date, no documentation has been received.

The Office of General Counsel intends to proceed in this matter. As was stated in the Brief which was previously sent to you, the Office of General Counsel intends to recommend that the Commission find probable cause to believe CAPAC violated the Act and initiate conciliation. Your continued effort in amending the reports will be considered by the Commission in its review of this matter.

If you have any questions, please contact Judy Thedford at (202) 523-4529.

Sincerely,

Charles N. Steele

MEMORANDUM

TO: Charles N. Steele
General Counsel

THROUGH: B. Allen Clutter
Staff Director

FROM: Bob Costa

SUBJECT: MUR 1447 - Citizens Advocate Political Action Committee - Amended Reports

On January 20, 1982, the Committee received the interim audit report which requested compliance with the recommendations within 30 days of receipt of the report. The Committee's response to the interim audit report was due on February 19, 1982.

On February 23, 1982, the Audit Division received a letter (dated 2/16/82) from the Committee requesting an extension of time to March 1, 1982 in which to respond to the interim audit report. The Commission granted that request on February 26, 1982 and the Committee was notified by letter (dated 2/26/82) of the Commission's decision. Since the Committee's response was not received by March 1, 1982, the Audit Division attempted to contact its executive director, Mr. Haddow, concerning the response. After several unsuccessful attempts were made to contact Mr. Haddow, including sending a certified letter on April 13, 1982, this matter was referred to the Office of General Counsel on May 18, 1982.

It should be noted that the audit covered the period January 1, 1980 through December 31, 1980. During that period, the Committee filed on a monthly basis for the period 1/1/80-3/31/80, reports were filed on a quarterly basis for the period 4/1/80-9/30/80, thereafter for the period 10/1/80-12/31/80, the Committee filed a 12 day pre-election report which covered the period October 1 through October 15, a 30 day post-election report which covered the period October 16 through November 24, and a year-end report which covered the period November 25 through December 31, 1980.

8304043419

On January 11, 1983, the Committee submitted amended disclosure reports to the Office of General Counsel which were subsequently forwarded to the Audit Division on January 13, 1983 for review. These amended reports replaced the disclosure reports originally filed in their entirety covering the period January 1, 1980 through December 31, 1980.

The Committee's amended reports, unlike its original reports, disclosed transactions on a monthly basis. These amendments supersede the original reports filed. Accordingly, the Audit Staff reviewed the Committee's amended reports to insure that the necessary corrective actions with respect to the audit findings had been taken and that the amended reports contained all information disclosed in the Committee's original reports.

It is our opinion that the receipt and expenditure information as originally reported is contained within the amended reports, however with respect to the findings contained in the Interim audit report, the Audit staff offers the following.

Finding II.A.- Misstatement of Financial Activity

1) Reported receipts were understated $6,490.00.

The Committee disclosed additional receipts totaling $3,377.50 and clarified the four in-kind contributions totaling $3,225.00 noted in the interim report.

2) Reported expenditures were understated $2,359.73.

a. Originally, the Committee erroneously reported two disbursements totaling $2,500 as one $250 disbursement. The Committee's amended reports disclose the original $250 disbursement plus disbursements previously not reported of $1,000, $500, and $500. As a result, reported disbursements remain understated by $250.

b. Five disbursements totaling $119.13 were not reported and another disbursement for $565.60 was erroneously reported as $575.00 ($9.40 overstated). Committee officials have corrected these deficiencies.

3) Cash on hand as of December 31, 1980 was understated $4,130.27.

Since the Committee has materially complied with 1) and 2) above, cash on hand, as of December 31, 1980, is now materially in agreement with the figure developed by the Audit staff.

8304041960

Finding II.B. - Documentation of Contributions

1) The Committee failed to submit the documentation for $12,755.50 in contributions. Committee officials stated that the documentation in question has been irretrievably lost.

Finding II.C. - Contributions from Other Political Committees

1) Three contributions from other political committees totaling $5,250.00 were not itemized.

The Committee still failed to itemize the three contributions mentioned above.

Finding II.D. - Disclosure of Changes in the Statement of Organization

1) The Committee failed to amend its Statement of Organization to disclose two of its bank depositories.

Committee officials have filed the necessary amendments.

Based on our review, it is our opinion that the Committee has with the exception of Finding II.B. and II. C. complied materially with the recommendations contained in the interim report.

Should you have any questions, please contact Lorenzo David or Tom Nurthen on extension 3-4155.

Attached for the Audit Division's review are amended reports filed by Citizens' Advocate Political Action Committee ("CAPAC"). These reports are purported by Mr. Haddow to resolve problems 1, 3 and 4 identified in the Interim Audit Report. Mr. Haddow claims that the documentation requested in Finding 2 is "irretrievably lost".

The Office of General Counsel requests that the amended reports be reviewed by the Audit Division with respect to their recommendations outlined in the Interim Audit Report and that the Office of General Counsel be notified accordingly.

Re: MUR 1447

Dear Ms. Thedford:

Enclosed you will find the amended reports for the Citizens' Advocate Political Action Committee for the period covering 1/1/80 through 12/31/80. These documents should clear up some of the problems identified with the audit conducted by the Federal Election Commission.

These amended reports will resolve the problems identified as Interim Audit Report findings numbers 1, 3, and 4. The problem identified in finding number 2, "the Committee lacked documentation for $12,755.50 in contributions", cannot be resolved because the back-up records appear to be irretrievably lost. The clerical personnel responsible for the maintenance of the contribution and deposit records for that period of time was subsequently dismissed from employment because of mishandling of filing responsibilities, and conversations with her in the past month indicate she was aware that the records were lost but cannot provide any indication as to where they might be.

Therefore, we are preparing a request for the bank depository to copy any microfilm data they might have of the deposited checks for the deposits that lack contribution documentation. Pending their response, please be advised this is the most complete information we could find for these reports.

I would be delighted to provide any further information needed by you or your audit staff.

Sincerely,

Mac

C. McClain Haddow

SENSITIVE

COMPREHENSIVE INVESTIGATIVE REPORT #1

On July 1, 1982, the Commission found reason to believe that Citizens' Advocate Political Action Committee (CAPAC) violated 2 U.S.C. §§ 434(b)(1), (2), (4), (5), 432(c), 434(b)(3)(B), and 433(c). An RTB notification letter and the General Counsel's Legal and Factual Analysis were forwarded to C. McClain Haddow CAPAC's Executive Director. The letter and analysis were returned to the Commission on August 10, 1982 marked "BOX CLOSED-NO ORDER". Subsequently, the RTB letter and analysis were forwarded to Mr. Haddow's personal address.

On August 25, 1982, Mr. Haddow phoned the Commission and left his number. The phone call was returned; however, Mr. Haddow could not be reached.

On August 31, 1982, a brief recommending that the Commission find probable cause to believe that CAPAC violated the Act was sent to Mr. Haddow due to the absence of any response.

On or around September 27, 1982, Mr. Haddow phoned the Office of the General Counsel and informed us of his receipt of the RTB notice and the brief. Mr. Haddow stated his willingness to comply with the audit report recommendations. Concerning the documentation problems, Mr. Haddow stated that he needed to

8304043390

contact a direct mail company and obtain further information. On October 7, 1982, Mr. Haddow sent a mailgram to the Commission stating that he contacted Eberly Direct Mail and that the necessary information would be forwarded immediately.

Since communication with Mr. Haddow has finally been established and he has indicated his desire to file the amended reports as recommended by the Audit Division, it is the intention of the Office of General Counsel to allow Mr. Haddow additional time to set the Committee's records in order. If Mr. Haddow does not respond within one month from the date of the mailgram and comply with the Audit recommendations by filing the amended reports the General Counsel will proceed with a probable cause to believe recommendation.

Re: MUR 1447

Dear Mr. Haddow:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission, on July 1, 1982, found reason to believe that Citizens' Advocate Political Action Committee ("the Committee") had violated 2 U.S.C. § 434(b)(1), (2), (4), and (5), § 432(c), § 434(b)(B)(3), and § 433(c), and instituted an investigation in this matter.

After considering all the evidence available to the Commission, the Office of General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation has occurred.

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies if possible) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of General Counsel, if possible.) The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of probable cause to believe a violation has occurred.

8304043438 4

If you are unable to file a responsive brief within 15 days, you may submit a written request to the Commission for an extension of time in which to file a brief. The Commission will not grant any extensions beyond 20 days.

A finding of probable cause to believe requires that the Office of General Counsel attempt for a period of not less than thirty, but not more than ninety days to settle this matter through a conciliation agreement.

Should you have any questions, please contact Judy Thedford at (202)523-4057.

Sincerely,

Charles N. Steele

GENERAL COUNSEL'S BRIEF

I. STATEMENT OF THE CASE:

This matter evolves from an audit of Citizens' Advocate Political Action Commission ("the Commitee") conducted pursuant to 2 U.S.C. § 438(b). The Committee failed to respond to the Interim Audit Report and was referred to the Office of General Counsel. On July 1, 1982, the Commission found reason to believe that the Committee violated 2 U.S.C. § 434(b)(1), (2), (4), and (5), § 432(c), § 434(b)(3)(B), and § 433(c). The Committee was notified of the reason to believe determination by a letter dated July 1, 1982.

The Committee failed to respond to the reason to believe notice; therefore, on August 4, 1982, a letter was sent to the Committee stating the Commission's intention to conclude the investigation shortly. No response was submitted by the Committee.

8304043487

II. LEGAL ANALYSIS:

The Interim Audit Report discussed four audit findings. Specifically, the Committee understated receipts, expenditures, and cash-on-hand during 1980; lacked documentation for contributions; failed to report three contributions from other political committees; and failed to disclose two bank depositories.

Each of these four audit findings and recommendations are discussed separately below.

1. Misstatement of Financial Activity

Section 434(b)(1) and (2) of Title 2 of the United States Code requires disclosure of the amount of cash on hand at the beginning of the reporting period and the total sum of all receipts.

Section 434(b)(4) and (5) of Title 2 of the United States Code requires disclosure of the total sum of all expenditures and the name and address of each person to whom an expenditure in an aggregate amount or value in excess of $200 within the calendar year is made by the reporting committee to meet a candidate or committee operating expense, together with the date, amount, and purpose of such operating expenditure.

In addition, Section 104.13(a)(1) and (2) of Title 11 of the Code of Federal Regulations states the amount of an in-kind contribution shall be equal to the usual and normal value on the date received. Each in-kind contribution shall be reported

8304043438

as a contribution and expenditure in accordance with 11 C.F.R. § 104.3(a) and (b).

An Audit Division reconciliation of the Committee's bank records to its disclosure reports covering the period January 1, 1980, through December 31, 1980, indicated that:

1) Reported receipts were understated $6,490.00

2) Reported expenditures were understated $2,359.73

3) Cash on hand as of December 31, 1980, was understated $4,130.27

The understatement of receipts ($6,490.00) was the result of four in-kind contributions totaling $3,225.00, which were reported as expenditures but not as receipts. The remaining difference of $3,265.00 could not be explained, since the Committee did not maintain certain contributor records to determine the nature of such a difference.

The understatement of expenditures ($2,359.73) resulted from a $2,500 expenditure erroneously reported as $250; five expenditures, totaling $119.13, which were not reported; and one expenditure for $565.60 erroneously reported at $575.00 (overstated - $9.40).

The understatement of cash on hand as of December 31, 1980 ($4,130.27) resulted from the reporting errors noted above. The difference appeared to be a direct result of the unexplained difference noted in receipts above.

The Audit staff recommended that the Committee, within 30 days of receipt of the Interim Audit Report, amend its reports to

8304043489

properly disclose the transactions noted above, and make efforts to determine the disposition of the unexplained difference ($3,265.00) noted in reported receipts above.

2. Documentation of Contributions

Section 432(c) of Title 2 of the United States Code states, in part, that the treasurer of a political committee shall keep an account of all contributions received by or on behalf of such political committee; the name and address of any person who makes any contribution in excess of $50, together with the date and amount of such contribution by any person; and the identification of any person who makes a contribution or contributions aggregating more than $200 during a calendar year, together with the date and amount of any such contribution.

Section 102.9(a) of Title 11 of the Code of Federal Regulations states, in part, that an account shall be kept by any reasonable accounting procedure of all contributions received by or on behalf of the political committee.

The Audit staff's review of receipts indicated that the Committee did not maintain contribution records for the 13 deposits totaling $12,755.50. The only records available for review were 13 deposit tickets which detailed the date and total amount of the deposit, but did not detail the source or individual amount of each contribution included in the deposit. Normally, the Committee maintains a control sheet for each deposit which includes the contributor's name, address,

8304043390

occupation and name of employer, if applicable, amount of contribution and a photocopy of each contributor check. As a result, the Audit staff was unable to test the contributions for recordkeeping and/or other requirements of the Act.

The Audit staff recommended that within 30 days of receipt of the interim report, the Committee obtain and submit the documentation (i.e., appropriate records for each particular contribution) for the $12,755.50 in contributions or provide evidence which demonstrates that best efforts to comply with the recordkeeping requirements of the Act have been made. The Audit staff also recommended that within the same 30 day response period the Committee amend its reports, if applicable, to disclose any contributions in excess of $200 or aggregating in excess of $200.

3. Contributions from Other Political Committees

Section 434(b)(3)(B) of Title 2 of the United States Code requires the disclosure of the identification of each political committee which makes a contribution during the reporting priod, together with the date and amount of any such contribution.

Further, Section 104.3(a)(4)(ii) of Title 11, Code of Federal Regulations requires, in part, the itemization of receipts for all committees. Each report shall disclose the identification (as defined at 11 C.F.R. 100.12) of each contributor and the aggregate year-to-date total for such contributor including all committees which make contributions to

8304043391

the reporting committee during the reporting period, together with the date of receipt and amount of any such contribution.

During the pre-audit review, it was noted that the Committee did not itemize three contributions from political committees totaling $5,250.00. The Audit staff was unable to verify the Committee's receipt of the contributions since the Committee did not maintain contributor records for 13 deposits totaling $12,755.50. It should be noted that two of the 13 deposits were for the exact amount of two of the contributions in question.

The Audit staff recommended that the Committee, within 30 days of receipt of the interim report, determine the disposition of the three contributions and if necessary amend their disclosure reports accordingly or provide evidence that demonstrates that the contributions were not received by the Committee.

4. Disclosure of Changes in the Statement of Organization

Section 433(c) of Title 2 of the United States Code states, in part, that any change in information previously submitted in a statement of organization shall be reported no later than 10 days after the date of the change.

During the course of the fieldwork it was noted that the Committee failed to amend its Statement of Organization to disclose two of its bank depositories. Both depositories were opened in calendar year 1980.

8304043392

The Audit staff recommended that the Committee file an amendment to the Statement of Organization disclosing the two depositories within 30 days of receipt of the interim report.

On January 20, 1982, the Committee received the interim audit report which requested compliance with the recommendations within 30 days of receipt of the report. The Committee's response to the interim audit report was due on February 19, 1982.

On February 23, 1982, the Audit Division received a letter (dated 02/16/82) from the Committee requesting an extension of time to March 1, 1982 in which to respond to the interim audit report. The Commission granted that request on February 26, 1982, and the Committee was notified by letter (dated 02/26/82) of the Commission's decision.

Since the Committee's response was not received by March 1, 1982, the Audit Division attempted to contact its executive director, Mr. Haddow, concerning the response. Several telephone calls were made to the Committee; each call was unsuccessful in locating Mr. Haddow. Therefore, messages were left. Mr. Haddow returned one call, but because of the time of the call did not reach the auditor.

One last written attempt was made to reach the Committee on April 13, 1982. The letter officially notified the Committee of its failure to comply with the interim report. The letter was refused by the Committee and returned to the Commission.

8304043439

Therefore, it is recommended that the Commission find probable cause to believe that the Committee violated 2 U.S.C. § 434(b)(1), (2), (4), and (5), § 432(c), § 434(b)(3)(B), and § 433(c).

III. GENERAL COUNSEL'S RECOMMENDATION:

1. Find probable cause to believe Citizens' Advocate Political Action Committee violated 2 U.S.C. § 434(b)(1), (2), (4), and (5).

2. Find probable cause to believe Citizens' Advocate Political Action Committee violate 2 U.S.C. § 432(c).

3. Find probable cause to believe Citizens' Advocate Political Action Committee violated 2 U.S.C. § 434(b)(3)(B).

4. Find probable cause to believe Citizens' Advocate Political Action Committee violated 2 U.S.C. § 433(c).

Re: MUR 1447

Dear Mr. Haddow:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission, on July 1, 1982, found reason to believe that Citizens' Advocate Political Action Committee ("the Committee") had violated 2 U.S.C. § 434(b)(1), (2), (4), and (5), § 432(c), § 434(b)(B)(3), and § 433(c), and instituted an investigation in this matter.

After considering all the evidence available to the Commission, the Office of General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation has occurred.

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies if possible) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of General Counsel, if possible.) The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of probable cause to believe a violation has occurred.

8304043395

If you are unable to file a responsive brief within 15 days, you may submit a written request to the Commission for an extension of time in which to file a brief. The Commission will not grant any extensions beyond 20 days.

GENERAL COUNSEL'S BRIEF

I. STATEMENT OF THE CASE:

This matter evolves from an audit of Citizens' Advocate Political Action Commission ("the Commitee") conducted pursuant to 2 U.S.C. § 438(b). The Committee failed to respond to the Interim Audit Report and was referred to the Office of General Counsel. On July 1, 1982, the Commission found reason to believe that the Committee violated 2 U.S.C. § 434(b)(1), (2), (4), and (5), § 432(c), § 434(b)(3)(B), and § 433(c). The Committee was notified of the reason to believe determination by a letter dated July 1, 1982.

The Committee failed to respond to the reason to believe notice; therefore, on August 4, 1982, a letter was sent to the Committee stating the Commission's intention to conclude the investigation shortly. No response was submitted by the Committee.

8304043495

II. LEGAL ANALYSIS:

The Interim Audit Report discussed four audit findings. Specifically, the Committee understated receipts, expenditures, and cash-on-hand during 1980; lacked documentation for contributions; failed to report three contributions from other political committees; and failed to disclose two bank depositories.

Each of these four audit findings and recommendations are discussed separately below.

1. Misstatement of Financial Activity

Section 434(b)(1) and (2) of Title 2 of the United States Code requires disclosure of the amount of cash on hand at the beginning of the reporting period and the total sum of all receipts.

Section 434(b)(4) and (5) of Title 2 of the United States Code requires disclosure of the total sum of all expenditures and the name and address of each person to whom an expenditure in an aggregate amount or value in excess of $200 within the calendar year is made by the reporting committee to meet a candidate or committee operating expense, together with the date, amount, and purpose of such operating expenditure.

In addition, Section 104.13(a)(1) and (2) of Title 11 of the Code of Federal Regulations states the amount of an in-kind contribution shall be equal to the usual and normal value on the date received. Each in-kind contribution shall be reported

8304043410

as a contribution and expenditure in accordance with 11 C.F.R. § 104.3(a) and (b).

An Audit Division reconciliation of the Committee's bank records to its disclosure reports covering the period January 1, 1980, through December 31, 1980, indicated that:

1) Reported receipts were understated $6,490.00
2) Reported expenditures were understated $2,359.73
3) Cash on hand as of December 31, 1980, was understated $4,130.27

The understatement of receipts ($6,490.00) was the result of four in-kind contributions totaling $3,225.00, which were reported as expenditures but not as receipts. The remaining difference of $3,265.00 could not be explained, since the Committee did not maintain certain contributor records to determine the nature of such a difference.

The understatement of expenditures ($2,359.73) resulted from a $2,500 expenditure erroneously reported as $250; five expenditures, totaling $119.13, which were not reported; and one expenditure for $565.60 erroneously reported at $575.00 (overstated - $9.40).

The understatement of cash on hand as of December 31, 1980 ($4,130.27) resulted from the reporting errors noted above. The difference appeared to be a direct result of the unexplained difference noted in receipts above.

The Audit staff recommended that the Committee, within 30 days of receipt of the Interim Audit Report, amend its reports to

8304043401

properly disclose the transactions noted above, and make efforts to determine the disposition of the unexplained difference ($3,265.00) noted in reported receipts above.

2. Documentation of Contributions

Section 432(c) of Title 2 of the United States Code states, in part, that the treasurer of a political committee shall keep an account of all contributions received by or on behalf of such political committee; the name and address of any person who makes any contribution in excess of $50, together with the date and amount of such contribution by any person; and the identification of any person who makes a contribution or contributions aggregating more than $200 during a calendar year, together with the date and amount of any such contribution.

Section 102.9(a) of Title 11 of the Code of Federal Regulations states, in part, that an account shall be kept by any reasonable accounting procedure of all contributions received by or on behalf of the political committee.

The Audit staff's review of receipts indicated that the Committee did not maintain contribution records for the 13 deposits totaling $12,755.50. The only records available for review were 13 deposit tickets which detailed the date and total amount of the deposit, but did not detail the source or individual amount of each contribution included in the deposit. Normally, the Committee maintains a control sheet for each deposit which includes the contributor's name, address,

8304043402

occupation and name of employer, if applicable, amount of contribution and a photocopy of each contributor check. As a result, the Audit staff was unable to test the contributions for recordkeeping and/or other requirements of the Act.

The Audit staff recommended that within 30 days of receipt of the interim report, the Committee obtain and submit the documentation (i.e., appropriate records for each particular contribution) for the $12,755.50 in contributions or provide evidence which demonstrates that best efforts to comply with the recordkeeping requirements of the Act have been made. The Audit staff also recommended that within the same 30 day response period the Committee amend its reports, if applicable, to disclose any contributions in excess of $200 or aggregating in excess of $200.

3. Contributions from Other Political Committees

Section 434(b)(3)(B) of Title 2 of the United States Code requires the disclosure of the identification of each political committee which makes a contribution during the reporting priod, together with the date and amount of any such contribution.

Further, Section 104.3(a)(4)(ii) of Title 11, Code of Federal Regulations requires, in part, the itemization of receipts for all committees. Each report shall disclose the identification (as defined at 11 C.F.R. 100.12) of each contributor and the aggregate year-to-date total for such contributor including all committees which make contributions to

8304043405

the reporting committee during the reporting period, together with the date of receipt and amount of any such contribution.

During the pre-audit review, it was noted that the Committee did not itemize three contributions from political committees totaling $5,250.00. The Audit staff was unable to verify the Committee's receipt of the contributions since the Committee did not maintain contributor records for 13 deposits totaling $12,755.50. It should be noted that two of the 13 deposits were for the exact amount of two of the contributions in question.

The Audit staff recommended that the Committee, within 30 days of receipt of the interim report, determine the disposition of the three contributions and if necessary amend their disclosure reports accordingly or provide evidence that demonstrates that the contributions were not received by the Committee.

4. Disclosure of Changes in the Statement of Organization

Section 433(c) of Title 2 of the United States Code states, in part, that any change in information previously submitted in a statement of organization shall be reported no later than 10 days after the date of the change.

During the course of the fieldwork it was noted that the Committee failed to amend its Statement of Organization to disclose two of its bank depositories. Both depositories were opened in calendar year 1980.

8304043404

The Audit staff recommended that the Committee file an amendment to the Statement of Organization disclosing the two depositories within 30 days of receipt of the interim report.

On January 20, 1982, the Committee received the interim audit report which requested compliance with the recommendations within 30 days of receipt of the report. The Committee's response to the interim audit report was due on February 19, 1982.

On February 23, 1982, the Audit Division received a letter (dated 02/16/82) from the Committee requesting an extension of time to March 1, 1982 in which to respond to the interim audit report. The Commission granted that request on February 26, 1982, and the Committee was notified by letter (dated 02/26/82) of the Commission's decision.

Since the Committee's response was not received by March 1, 1982, the Audit Division attempted to contact its executive director, Mr. Haddow, concerning the response. Several telephone calls were made to the Committee; each call was unsuccessful in locating Mr. Haddow. Therefore, messages were left. Mr. Haddow returned one call, but because of the time of the call did not reach the auditor.

One last written attempt was made to reach the Committee on April 13, 1982. The letter officially notified the Committee of its failure to comply with the interim report. The letter was refused by the Committee and returned to the Commission.

8304043495

Therefore, it is recommended that the Commission find probable cause to believe that the Committee violated 2 U.S.C. § 434(b)(1), (2), (4), and (5), § 432(c), § 434(b)(3)(B), and § 433(c).

III. GENERAL COUNSEL'S RECOMMENDATION:

1. Find probable cause to believe Citizens' Advocate Political Action Committee violated 2 U.S.C. § 434(b)(1), (2), (4), and (5).

2. Find probable cause to believe Citizens' Advocate Political Action Committee violate 2 U.S.C. § 432(c).

3. Find probable cause to believe Citizens' Advocate Political Action Committee violated 2 U.S.C. § 434(b)(3)(B).

4. Find probable cause to believe Citizens' Advocate Political Action Committee violated 2 U.S.C. § 433(c).

Re: MUR 1447

Dear Mr. Haddow:

On July 1, 1982, you were sent notification that the Commission had found reason to believe that Citizens' Advocate Political Action Committee ("the Committee") had violated 2 U.S.C. § 434(b)(1), (2), (4), and (5), § 432(c), § 434(b)(3)(B), and § 433(c), provisions of the Federal Election Campaign Act of 1971, as amended ("the Act").

As of this date we have received no response. The Commission intends to conclude its investigation shortly. Dear Mr. Haddow:

On July 1, 1982, the Federal Election Commission determined that there is reason to believe that Citizens' Advocate Political Action Committee violated 2 U.S.C. § 434(b)(1), (2), (4), (5), § 432(c), § 434(b)(3)(B), and § 433(c), provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). In the absence of any additional information which demonstrates that no further action should be taken against your committee, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation. Of course, this does not preclude the settlement of this matter through conciliation prior to a finding of probable cause to believe if you so desire. See 11 C.F.R. § 111.18(d).

SUMMARY OF ALLEGATIONS

This matter evolves from an audit of Citizens' Advocate Political Action Committee ("the Committee") conducted by the Commission pursuant to 2 U.S.C. § 438(b). The Committee has failed to respond to the Interim Audit Report and was referred to the Office of General Counsel for possible compliance action.

The Interim Audit Report discussed the following four audit findings:

1. The Committee understated receipts by $6,490, expenditures by $2,359.73, and cash-on-hand by $4,130.27 during 1980.

2. The Committee lacked documentation for $12,755.50 in contributions.

3. The Committee failed to report three contributions totalling $5,250 from other political committees.

4. The Committee failed to disclose two bank depositories.

The above findings describe violations of 2 U.S.C. § 434(b)(1), (2), (4), and (5), § 432(c), § 434(b)(3)(B), and § 433(c), respectively.

8304043416

FACTUAL BASIS AND LEGAL ANALYSIS

Each of the four audit findings and recommendations will be discussed separately below.

1. Misstatement of Financial Activity

Section 434(b)(1) and (2) of Title 2 of the United States Code requires disclosure of the amount of cash on hand at the beginning of the reporting period and the total sum of all receipts.

Section 434(b)(4) and (5) of Title 2 of the United States Code requires disclosure of the total sum of all expenditures and the name and address of each person to whom an expenditure in an aggregate amount or value in excess of $200 within the calendar year is made by the reporting committee to meet a candidate or committee operating expense, together with the date, amount, and purpose of such operating expenditure.

In addition, Section 104.13(a)(1) and (2) of Title 11 of the Code of Federal Regulations states the amount of an in-kind contribution shall be equal to the usual and normal value on the date received. Each in-kind contribution shall be reported as a contribution and expenditure in accordance with 11 C.F.R. § 104.3(a) and (b).

An Audit Division reconciliation of the Committee's bank records to its disclosure reports covering the period January 1, 1980, through December 31, 1980, indicated that:

1) Reported receipts were understated $6,490.00

2) Reported expenditures were understated $2,359.73

8304043417

3) Cash on hand as of December 31, 1980, was understated $4,130.27

The understatement of receipts ($6,490.00) was the result of four in-kind contributions totaling $3,225.00, which were reported as expenditures but not as receipts. The remaining difference of $3,265.00 could not be explained, since the Committee did not maintain certain contributor records to determine the nature of such a difference.

The understatement of expenditures ($2,359.73) resulted from a $2,500 expenditure erroneously reported as $250; five expenditures, totaling $119.13, which were not reported; and one expenditure for $565.60 erroneously reported at $575.00 (overstated - $9.40).

The understatement of cash on hand as of December 31, 1980 ($4,130.27) resulted from the reporting errors noted above. The difference appeared to be a direct result of the unexplained difference noted in receipts above.

The Audit staff recommended that the Committee, within 30 days of receipt of the Interim Audit Report, amend its reports to properly disclose the transactions noted above, and make efforts to determine the disposition of the unexplained difference ($3,265.00) noted in reported receipts above.

2. Documentation of Contributions

Section 432(c) of Title 2 of the United States Code states, in part, that the treasurer of a political committee shall keep an account of all contributions received by or on

8304043441

behalf of such political committee; the name and address of any person who makes any contribution in excess of $50, together with the date and amount of such contribution by any person; and the identification of any person who makes a contribution or contributions aggregating more than $200 during a calendar year, together with the date and amount of any such contribution.

Section 102.9(a) of Title 11 of the Code of Federal Regulations states, in part, that an account shall be kept by any reasonable accounting procedure of all contributions received by or on behalf of the political committee.

The Audit staff's review of receipts indicated that the Committee did not maintain contribution records for the 13 deposits totaling $12,755.50. The only records available for review were 13 deposit tickets which detailed the date and total amount of the deposit, but did not detail the source or individual amount of each contribution included in the deposit. Normally, the Committee maintains a control sheet for each deposit which includes the contributor's name, address, occupation and name of employer, if applicable, amount of contribution and a photocopy of each contributor check. As a result, the Audit staff was unable to test the contributions for recordkeeping and/or other requirements of the Act.

The Audit staff recommended that within 30 days of receipt of the interim report, the Committee obtain and submit the documentation (i.e., appropriate records for each particular contribution) for the $12,755.50 in contributions or provide

8304043419

evidence which demonstrates that best efforts to comply with the recordkeeping requirements of the Act have been made. The Audit staff also recommended that within the same 30 day response period the Committee amend its reports, if applicable, to disclose any contributions in excess of $200 or aggregating in excess of $200.

3. Contributions from Other Political Committees

Section 434(b)(3)(B) of Title 2 of the United States Code requires the disclosure of the identification of each political committee which makes a contribution during the reporting priod, together with the date and amount of any such contribution.

Further, Section 104.3(a)(4)(ii) of Title 11, Code of Federal Regulations requires, in part, the itemization of receipts for all committees. Each report shall disclose the identification (as defined at 11 C.F.R. 100.12) of each contributor and the aggregate year-to-date total for such contributor including all committees which make contributions to the reporting committee during the reporting period, together with the date of receipt and amount of any such contribution.

During the pre-audit review, it was noted that the Committee did not itemize three contributions from political committees totaling $5,250.00. The Audit staff was unable to verify the Committee's receipt of the contributions since the Committee did not maintain contributor records for 13 deposits totaling $12,755.50. It should be noted that two of the 13

8304043442 0

deposits were for the exact amount of two of the contributions in question.

The Audit staff recommended that the Committee, within 30 days of receipt of the interim report, determine the disposition of the three contributions and if necessary amend their disclosure reports accordingly or provide evidence that demonstrates that the contributions were not received by the Committee.

4. Disclosure of Changes in the Statement of Organization

Section 433(c) of Title 2 of the United States Code states, in part, that any change in information previously submitted in a statement of organization shall be reported no later than 10 days after the date of the change.

During the course of the fieldwork it was noted that the Committee failed to amend its Statement of Organization to disclose two of its bank depositories. Both depositories were opened in calendar year 1980.

The Audit staff recommended that the Committee file an amendment to the Statement of Organization disclosing the two depositories within 30 days of receipt of the interim report.

On January 20, 1982, the Committee received the interim audit report which requested compliance with the recommendations within 30 days of receipt of the report. The Committee's

8304043442 1

response to the interim audit report was due on February 19, 1982.

On February 23, 1982, the Audit Division received a letter (dated 02/16/82) from the Committee requesting an extension of time to March 1, 1982 in which to respond to the interim audit report. The Commission granted that request on February 26, 1982, and the Committee was notified by letter (dated 02/26/82) of the Commission's decision.

Since the Committee's response was not received by March 1, 1982, the Audit Division attempted to contact its executive director, Mr. Haddow, concerning the response. Several telephone calls were made to the Committee; each call was unsuccessful in locating Mr. Haddow. Therefore, messages were left. Mr. Haddow returned one call, but because of the time of the call did not reach the auditor.

One last written attempt was made to reach the Committee on April 13, 1982. The letter officially notified the Committee of its failure to comply with the interim report. The letter was refused by the Committee and returned to the Commission.

Therefore, the General Counsel recommends that the Commission find reason to believe the Committee violated 2 U.S.C. § 434(b)(1), (2), (4), (5), § 432(c), § 434(b)(3)(B), and § 433(c).

8304043442

RECOMMENDATIONS

1. Find reason to believe Citizens' Advocate Political Action Committee violated 2 U.S.C. § 434(b)(1), (2), (4), and (5).

2. Find reason to believe Citizens' Advocate Political Action Committee violate 2 U.S.C. § 432(c).

3. Find reason to believe Citizens' Advocate Political Action Committee violated 2 U.S.C. § 434(b)(3)(B).

4. Find reason to believe Citizens' Advocate Political Action Committee violated 2 U.S.C. § 433(c).

5. Send the attached letter and General Counsel's Legal and Factual Analysis to the respondent.

GENERATION OF MATTER

This matter evolves from an audit of Citizens' Advocate Political Action Committee ("the Committee") conducted by the Commission pursuant to 2 U.S.C. § 438(b). The Committee has failed to respond to the Interim Audit Report and was referred to the Office of General Counsel for possible compliance action.

SUMMARY OF ALLEGATIONS

The Interim Audit Report discussed the following four audit findings:

1. The Committee understated receipts by $6,490, expenditures by $2,359.73, and cash-on-hand by $4,130.27 during 1980.

8304043431

2. The Committee lacked documentation for $12,755.50 in contributions.

3. The Committee failed to report three contributions totalling $5,250 from other political committees.

4. The Committee failed to disclose two bank depositories.

The above findings describe violations of 2 U.S.C. § 434(b)(1), (2), (4), and (5), § 432(c), § 434(b)(3)(B), and § 433(c), respectively.

8304043432

LEGAL AND FACTUAL ANALYSIS

Each of the four audit findings and recommendations will be discussed separately below.

1. Misstatement of Financial Activity

Section 434(b)(1) and (2) of Title 2 of the United States Code requires disclosure of the amount of cash on hand at the beginning of the reporting period and the total sum of all receipts.

Section 434(b)(4) and (5) of Title 2 of the United States Code requires disclosure of the total sum of all expenditures and the name and address of each person to whom an expenditure in an aggregate amount or value in excess of $200 within the calendar year is made by the reporting committee to meet a candidate or committee operating expense, together with the date, amount, and purpose of such operating expenditure.

In addition, Section 104.13(a)(1) and (2) of Title 11 of the Code of Federal Regulations states the amount of an in-kind contribution shall be equal to the usual and normal value on the date received. Each in-kind contribution shall be reported as a contribution and expenditure in accordance with 11 C.F.R. § 104.3(a) and (b).

An Audit Division reconciliation of the Committee's bank records to its disclosure reports covering the period January 1, 1980, through December 31, 1980, indicated that:

1) Reported receipts were understated $6,490.00

2) Reported expenditures were understated $2,359.73

3) Cash on hand as of December 31, 1980, was understated $4,130.27

The understatement of receipts ($6,490.00) was the result of four in-kind contributions totaling $3,225.00, which were reported as expenditures but not as receipts. The remaining difference of $3,265.00 could not be explained, since the Committee did not maintain certain contributor records to determine the nature of such a difference.

The understatement of expenditures ($2,359.73) resulted from a $2,500 expenditure erroneously reported as $250; five expenditures, totaling $119.13, which were not reported; and one expenditure for $565.60 erroneously reported at $575.00 (overstated - $9.40).

The understatement of cash on hand as of December 31, 1980 ($4,130.27) resulted from the reporting errors noted above.

8304043443

The difference appeared to be a direct result of the unexplained difference noted in receipts above.

The Audit staff recommended that the Committee, within 30 days of receipt of the Interim Audit Report, amend its reports to properly disclose the transactions noted above, and make efforts to determine the disposition of the unexplained difference ($3,265.00) noted in reported receipts above.

2. Documentation of Contributions

Section 432(c) of Title 2 of the United States Code states, in part, that the treasurer of a political committee shall keep an account of all contributions received by or on behalf of such political committee; the name and address of any person who makes any contribution in excess of $50, together with the date and amount of such contribution by any person; and the identification of any person who makes a contribution or contributions aggregating more than $200 during a calendar year, together with the date and amount of any such contribution.

Section 102.9(a) of Title 11 of the Code of Federal Regulations states, in part, that an account shall be kept by any reasonable accounting procedure of all contributions received by or on behalf of the political committee.

The Audit staff's review of receipts indicated that the Committee did not maintain contribution records for the 13 deposits totaling $12,755.50. The only records available for review were 13 deposit tickets which detailed the date and total amount of the deposit, but did not detail the source or

8304043443

individual amount of each contribution included in the deposit. Normally, the Committee maintains a control sheet for each deposit which includes the contributor's name, address, occupation and name of employer, if applicable, amount of contribution and a photocopy of each contributor check. As a result, the Audit staff was unable to test the contributions for recordkeeping and/or other requirements of the Act.

The Audit staff recommended that within 30 days of receipt of the interim report, the Committee obtain and submit the documentation (i.e., appropriate records for each particular contribution) for the $12,755.50 in contributions or provide evidence which demonstrates that best efforts to comply with the recordkeeping requirements of the Act have been made. The Audit staff also recommended that within the same 30 day response period the Committee amend its reports, if applicable, to disclose any contributions in excess of $200 or aggregating in excess of $200.

8304043435

3. Contributions from Other Political Committees

Section 434(b)(3)(B) of Title 2 of the United States Code requires the disclosure of the identification of each political committee which makes a contribution during the reporting priod, together with the date and amount of any such contribution.

Further, Section 104.3(a)(4)(ii) of Title 11, Code of Federal Regulations requires, in part, the itemization of receipts for all committees. Each report shall disclose the identification (as defined at 11 C.F.R. 100.12) of each

contributor and the aggregate year-to-date total for such contributor including all committees which make contributions to the reporting committee during the reporting period, together with the date of receipt and amount of any such contribution.

During the pre-audit review, it was noted that the Committee did not itemize three contributions from political committees totaling $5,250.00. The Audit staff was unable to verify the Committee's receipt of the contributions since the Committee did not maintain contributor records for 13 deposits totaling $12,755.50. It should be noted that two of the 13 deposits were for the exact amount of two of the contributions in question.

The Audit staff recommended that the Committee, within 30 days of receipt of the interim report, determine the disposition of the three contributions and if necessary amend their disclosure reports accordingly or provide evidence that demonstrates that the contributions were not received by the Committee.

8304043436

4. Disclosure of Changes in the Statement of Organization

Section 433(c) of Title 2 of the United States Code states, in part, that any change in information previously submitted in a statement of organization shall be reported no later than 10 days after the date of the change.

During the course of the fieldwork it was noted that the Committee failed to amend its Statement of Organization to

disclose two of its bank depositories. Both depositories were opened in calendar year 1980.

The Audit staff recommended that the Committee file an amendment to the Statement of Organization disclosing the two depositories within 30 days of receipt of the interim report.

On January 20, 1982, the Committee received the interim audit report which requested compliance with the recommendations within 30 days of receipt of the report. The Committee's response to the interim audit report was due on February 19, 1982.

On February 23, 1982, the Audit Division received a letter (dated 02/16/82) from the Committee requesting an extension of time to March 1, 1982 in which to respond to the interim audit report. The Commission granted that request on February 26, 1982, and the Committee was notified by letter (dated 02/26/82) of the Commission's decision.

Since the Committee's response was not received by March 1, 1982, the Audit Division attempted to contact its executive director, Mr. Haddow, concerning the response. Several telephone calls were made to the Committee; each call was unsuccessful in locating Mr. Haddow. Therefore, messages were left. Mr. Haddow returned one call, but because of the time of the call did not reach the auditor.

One last written attempt was made to reach the Committee on April 13, 1982. The letter officially notified the Committee of

8304043437

its failure to comply with the interim report. The letter was refused by the Committee and returned to the Commission.

It is, therefore, recommended that the Commission find reason to believe the Committee violated 2 U.S.C. § 434(b)(1), (2), (4), (5), § 432(c), § 434(b)(3)(B), and § 433(c).

RECOMMENDATIONS

1. Find reason to believe Citizens' Advocate Political Action Committee violated 2 U.S.C. § 434(b)(1), (2), (4), and (5).

2. Find reason to believe Citizens' Advocate Political Action Committee violate 2 U.S.C. § 432(c).

3. Find reason to believe Citizens' Advocate Political Action Committee violated 2 U.S.C. § 434(b)(3)(B).

4. Find reason to believe Citizens' Advocate Political Action Committee violated 2 U.S.C. § 433(c).

5. Send the attached letter and General Counsel's Legal and Factual Analysis to the respondent.

MEMORANDUM

TO: THE COMMISSIONERS

THROUGH: B. ALLEN CLUTTER
STAFF DIRECTOR

FROM: BOB COSTA

SUBJECT: FINAL AUDIT REPORT - CITIZENS ADVOCATE POLITICAL ACTION COMMITTEE (A81-31)

8304043440

Please find attached the above subject final audit report for your review and consideration. Also attached at Exhibit A is the Audit Division's memorandum to the Office of General Counsel wherein a recommendation was made, based on the Committee's failure to respond to the interim audit report, that the matter be referred to the Office of General Counsel for possible compliance action.

The Counsel's response to that memorandum is attached at Exhibit B. Pursuant to the Office of General Counsel's recommendation, the Audit staff attempted to inform the Committee that it had an additional 10 days to comply with the recommendations contained in the interim report (see Exhibit C). As of this date, no response has been received and, according to the U.S. Postal Service, the Committee twice refused the 10 day extension letter and the United States Postal Service is in the process of returning said letter.

Therefore, at this juncture, it is the Audit staff's opinion that the matter would be best handled in the compliance area.

Recommendation

1. The Audit staff recommends that the Commission approve the attached Track B final audit report on the Citizens Advocate Political Action Committee.

2. The Audit staff recommends that the findings contained in the interim audit report be referred to the Office of General Counsel. The referral is based on the Committee's failure to respond to the interim audit report.

PS 9

3. Since the Audit staff has experienced continuous difficulties in contacting the Committee and/or effecting delivery of Commission correspondence, it is recommended that the final audit report be released publicly not later than 15 days from the transmittal date of the informational copy of the final audit report or upon notification of the Committee's receipt, whichever occurs first.

This matter is circulated on a tally vote basis. Should an objection be received, it is recommended that this matter be placed on the next Executive Session agenda.

Should you have any questions, please contact Lorenzo David or Tom Nurthen at extension 3-4155.

REPORT OF THE AUDIT DIVISION ON THE CITIZENS' ADVOCATE POLITICAL ACTION COMMITTEE

I. Background

A. Overview

This report is based on an audit of the Citizens' Advocate Political Action Committee ("the Committee"), undertaken by the Audit Division of the Federal Election Commission in accordance with the Commission's audit policy to determine whether there has been compliance with the provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). The audit was conducted pursuant to Section 438(b) of Title 2 of the United States Code which states, in part, that the Commission may conduct audits and field investigations of any political committee required to file a report under Section 434 of this title. Prior to conducting any audit under this section, the Commission shall perform an internal review of reports filed by selected committees to determine if the reports filed by a particular committee meet the threshold requirements for substantial compliance with the Act.

8304044 2

The Committee registered with the Federal Election Commission on November 29, 1979. The Committee maintains its headquarters in Salt Lake City, Utah.

The audit covered the period January 1, 1980, through December 31, 1980. The Committee reported a cash balance at January 1, 1980 of $6,645.00; total receipts for the period of $108,728.98; total expenditures for the period of $115,334.81; and a cash balance on December 31, 1980 of $39.17.

This audit report is based on documents and work papers which support each of its factual statements. They form part of the record upon which the Commission based its decisions on the matters in the report and were available to the Commissioners and appropriate staff for review.

B. Key Personnel

The Treasurer of the Committee during the period covered by the audit was Mr. Charles W. Akerlow.

PROPOSED FINAL AUDIT REPORT

P 2/2

C. Scope

The audit included such tests as verification of total reported receipts and expenditures and individual transactions; review of required supporting documentation; analysis of Committee debts and obligations; and such other audit procedures as deemed necessary under the circumstances. However, for Committee receipts raised by a direct mail firm, which represents 84% of the Committee's individual receipts, the contribution records provided met the recordkeeping requirements of 2 U.S.C. 432(c) and 11 C.F.R. 102.9(a), but did not include any materials prepared outside of the Committee. Therefore, no verification of individual contribution transactions was performed.

II. Audit Findings and Recommendations

Matters noted during the audit were referred to the Commission's Office of General Counsel on

SUBJECT: FAILURE TO RESPOND TO INTERIM AUDIT REPORT
BY CITIZENS ADVOCATE POLITICAL ACTION COMMITTEE

Attached please find a copy of the interim audit report of the Citizens Advocate Political Action Committee ("the Committee"). This report was approved by the Commission on January 7, 1982.

On January 20, 1982 the Committee received the interim audit report which requested compliance with the recommendations within 30 days of receipt of the report. The Committee's response to the interim audit report was due on February 19, 1982.

On February 23, 1982 the Audit Division received a letter (dated 2/16/82) from the Committee requesting an extension of time to March 1, 1982 in which to respond to the interim audit report. The Commission granted that request on February 26, 1982 and the Committee was notified by letter (dated 2/26/82) of the Commission's decision.

Since the Committee's response was not received by March 1, 1982, the Audit Division attempted to contact its executive director, Mr. Haddow concerning the response. Telephone calls were made to the Committee on March 2, 3, 4, 9, 10, 11, 12, 15, 16, and 17. Each call was unsuccessful in locating Mr. Haddow, therefore a message was left each time asking that he return the call. During this period (March 2-17), Mr. Haddow returned one call (5:30 P.M. on 3/11/82), however, the auditor had gone for the day.

It is our recommendation, based on the Committee's failure to respond to the interim audit report, that this matter be referred to the Office of General Counsel for possible compliance action.

INTERIM REPORT OF THE AUDIT DIVISION ON THE CITIZENS' ADVOCATE POLITICAL ACTION COMMITTEE

I. Background

A. Overview

This report is based on an audit of the Citizens' Advocate Political Action Committee ("the Committee"), undertaken by the Audit Division of the Federal Election Commission in accordance with the Commission's audit policy to determine whether there has been compliance with the provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). The audit was conducted pursuant to Section 438(b) of Title 2 of the United States Code which states, in part, that the Commission may conduct audits and field investigations of any political committee required to file a report under Section 434 of this title. Prior to conducting any audit under this section, the Commission shall perform an internal review of reports filed by selected committees to determine if the reports filed by a particular committee meet the threshold requirements for substantial compliance with the Act.

The Committee registered with the Federal Election Commission on November 29, 1979. The Committee maintains its headquarters in Salt Lake City, Utah.

The audit covered the period January 1, 1980, through December 31, 1980. The Committee reported a cash balance at January 1, 1980 of $6,645.00; total receipts for the period of $108,728.98; total expenditures for the period of $115,334.81; and a cash balance on December 31, 1980 of $39.17.

This audit report is based on documents and work papers which support each of its factual statements. They form part of the record upon which the Commission based its decisions on the matters in the report and were available to the Commissioners and appropriate staff for review.

B. Key Personnel

The Treasurer of the Committee during the period covered by the audit was Mr. Charles W. Akerlow.

8304043446

EXHIBIT A P. 4/7

C. Scope

The audit included such tests as verification of total reported receipts and expenditures and individual transactions; review of required supporting documentation; analysis of Committee debts and obligations; and such other audit procedures as deemed necessary under the circumstances. However, for Committee receipts raised by a direct mail firm, which represents 84% of the Committee's individual receipts, the contribution records provided met the recordkeeping requirements of 2 U.S.C. 432(c) and 11 C.F.R. 102.9(a), but did not include any materials prepared outside of the Committee. Therefore, no verification of individual contribution transactions was performed.

II. Audit Findings and Recommendations

A. Misstatement of Financial Activity

Section 434(b)(1) and (2) of Title 2 of the United States Code requires disclosure of the amount of cash on hand at the beginning of the reporting period and the total sum of all receipts.

Section 434(b)(4) and (5) of Title 2 of the United States Code requires disclosure of the total sum of all expenditures and the name and address of each person to whom an expenditure in an aggregate amount or value in excess of $200 within the calendar year is made by the reporting committee to meet a candidate or committee operating expense, together with the date, amount, and purpose of such operating expenditure.

In addition, Section 104.13(a)(1) and (2) of Title 11 of the Code of Federal Regulations states the amount of an in-kind contribution shall be equal to the usual and normal value on the date received. Each in-kind contribution shall be reported as a contribution and expenditure in accordance with 11 C.F.R. 104.3(a) and (b).

A reconciliation of the Committee's bank records to its disclosure reports covering the period January 1, 1980, through December 31, 1980, indicated that:

1) Reported receipts were understated $6,490.00

2) Reported expenditures were understated $2,359.73

3) Cash on hand as of December 31, 1980, was understated $4,130.27

The understatement of receipts ($6,490.00) was the result of four in-kind contributions totaling $3,225.00, which

8304043447

EXHIBIT A P. 5/7

were reported as expenditures but not as receipts. The remaining difference of $3,265.00 cannot be explained, since the Committee did not maintain certain contributor records to determine the nature of such a difference.

The understatement of expenditures ($2,359.73) resulted from a $2,500 expenditure erroneously reported as $250; five expenditures, totaling $119.13, which were not reported; and one expenditure for $565.60 erroneously reported at $575.00 (overstated- $9.40).

The understatement of cash on hand as of December 31, 1980 ($4,130.27) resulted from the reporting errors noted above. This difference appears to be a direct result of the unexplained difference noted in receipts above.

Committee officials stated that amended reports would be filed to correct the above discrepancies.

Recommendation

The Audit staff recommends that the Committee, within 30 days of receipt of this report, amend its reports to properly disclose the transactions noted above, and make efforts to determine the disposition of the unexplained difference ($3,265.00) noted in reported receipts above.

B. Documentation of Contributions

Section 432(c) of Title 2 of the United States Code states, in part, that the treasurer of a political committee shall keep an account of all contributions received by or on behalf of such political committee; the name and address of any person who makes any contribution in excess of $50, together with the date and amount of such contribution by any person; and the identification of any person who makes a contribution or contributions aggregating more than $200 during a calendar year, together with the date and amount of any such contribution.

Section 102.9(a) of Title 11 of the Code of Federal Regulations states, in part, that an account shall be kept by any reasonable accounting procedure of all contributions received by or on behalf of the political committee.

8304043446

 EXHIBIT A

P.6/7

The Audit staff's review of receipts indicated that the Committee did not maintain contribution records for the 13 deposits totaling $12,755.50. The only records available for review were 13 deposit tickets which detailed the date and total amount of the deposit, but did not detail the source or individual amount of each contribution included in the deposit. Normally, the Committee maintains a control sheet for each deposit which includes the contributor's name, address, occupation and name of employer, if applicable, amount of contribution and a photocopy of each contributor check. As a result, the Audit staff was unable to test the contributions for recordkeeping and/or other requirements of the Act.

Recommendation

The Audit staff recommends that within 30 days of receipt of this report, the Committee obtain and submit the documentation (i.e., appropriate records for each particular contribution) for the $12,755.50 in contributions or provide evidence which demonstrates that best efforts to comply with the recordkeeping requirements of the Act have been made. The Audit staff also recommends that within the same 30 day response period the Committee amend its reports, if applicable, to disclose any contributions in excess of $200 or aggregating in excess of $200.

C. Contributions from Other Political Committees

Section 434(b)(3)(B) of Title 2 of the United States Code requires the disclosure of the identification of each political committee which makes a contribution during the reporting period, together with the date and amount of any such contribution.

Further, Section 104.3(a)(4)(ii) of Title 11, Code of Federal Regulations requires, in part, the itemization of receipts for all committees. Each report shall disclose the identification (as defined at 11 C.F.R. 100.12) of each contributor and the aggregate year-to-date total for such contributor including all committees which make contributions to the reporting committee during the reporting period, together with the date of receipt and amount of any such contribution.

During the pre-audit review, it was noted that the Committee did not itemize three contributions from political committees totaling $5,250.00. The Audit staff was unable to verify the Committee's receipt of the contributions since the Committee did not maintain contributor records for 13 deposits totaling $12,755.50 (Finding II.B.). It should be noted that two of the 13 deposits were for the exact amount of two of the contributions in question.

pg 11

8304043446

EXHIBIT A P. 7/7

Recommendation

The Audit staff recommends that the Committee, within 30 days of receipt of this report, determine the disposition of the three contributions and if necessary amend their disclosure reports accordingly or provide evidence that demonstrates that the contributions were not received by the Committee.

D. Disclosure of Changes in the Statement of Organization

Section 433(c) of Title 2 of the United States Code states, in part, that any change in information previously submitted in a statement of organization shall be reported no later than 10 days after the date of the change.

During the course of the fieldwork it was noted that the Committee failed to amend its Statement of Organization to disclose two of its bank depositories. Both depositories were opened in calendar year 1980.

Committee officials agreed to file the necessary amendments.

Recommendation

The Audit staff recommends that the Committee file an amendment to the Statement of Organization disclosing the two depositories within 30 days of receipt of this report.

FROM: Charles N. Steele
General Counsel

SUBJECT: Failure to Respond to Interim Report by Citizens Advocate Political Action Committee (82 AR 20)

The Office of General Counsel has reviewed the Interim and Final Audit reports of Citizens Advocate Political Action Committee ("the Committee"). As stated in your March 23, 1982 cover memo, the Committee has failed to amend its reports and submit further documentation as outlined in the Audit Division's Interim Audit Report. Specifically, the Report requested the Committee to amend its reports to correct understated receipts, expenditures and cash-on-hand figures, and to disclose two bank depositories. Further documentation was requested for thirteen deposits and contributions for other political committees not reported by the Committee and, if necessary, the reports were to be amended accordingly. The Audit Division also requested the Committee to make efforts to determine the disposition of a difference in reported receipts.

The Office of General Counsel notes that the Committee received written notification from the Audit Division on February 26, 1982, which granted an extension of time and that all other communications with the Committee after this date were telephone calls which were unsuccessful in reaching the Committee's representative.

EXHIBIT B

P.2/2

Under general procedures, we would agree that the next step in the process is to refer this matter to our Office for consideration for MUR action as you suggest. However, in this case it appears that the apparent violations could be substantially cleared up through the audit process if the committee responded to the audit recommendations. It is also our understanding that no written document has been forwarded to the Committee notifying it of its continued failure to comply with the interim report recommendations and that further action may be taken by the Commission if the requested documents and amendments are not submitted to the Commission.

Therefore, under these particular circumstances, the Office of General Counsel recommends that the Audit Division draft a letter to the Committee stating that it has failed to comply with Audit Division's recommendations and that consultation with the Office of General Counsel indicates that legal action may be initiated if a response is not promptly submitted to the Audit Division. It is suggested that a ten day deadline be extended to the Committee for compliance.

Dear Mr. Haddow:

On February 26, 1982, you were notified by letter that your request for an extension of time until March 1, 1982 in which to respond to the interim audit report had been granted by the Commission. As of this date, the Commission has not received the Committee's response. The Audit Division has not been successful in its attempts to contact you regarding this matter.

This letter serves to officially notify the Committee that failure to comply with the interim audit report recommendations could necessitate the institution of enforcement proceedings against the Committee regarding apparent violations of the Federal Election Campaign Act of 1971, as amended. Should you not respond adequately within 10 days from the receipt of this letter, this matter may be referred to the Commission's Office of General Counsel with a recommendation that legal action be initiated.

Re: MUR 1447

Dear Mr. Haddow:

On July , 1982, the Federal Election Commission determined that there is reason to believe that Citizens' Advocate Political Action Committee violated 2 U.S.C. § 434(b)(1), (2), (4), (5), § 432(c), § 434(b)(3)(B), and § 433(c), provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). The General Counsel's Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. Please submit any factual or legal materials which you believe are relevant to the Commission's consideration of this matter.

In the absence of any additional information which demonstrates that no further action should be taken against your committee, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation. Of course, this does not preclude the settlement of this matter through conciliation prior to a finding of probable cause to believe if you so desire. See 11 C.F.R. § 111.18(d).

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address and telephone number of such counsel, and a statement authorizing such counsel to receive any notification and other communications from the Commission.

SUMMARY OF ALLEGATIONS

This matter evolves from an audit of Citizens' Advocate Political Action Committee ("the Committee") conducted by the Commission pursuant to 2 U.S.C. § 438(b). The Committee has failed to respond to the Interim Audit Report and was referred to the Office of General Counsel for possible compliance action.

The Interim Audit Report discussed the following four audit findings:

1. The Committee understated receipts by $6,490, expenditures by $2,359.73, and cash-on-hand by $4,130.27 during 1980.

2. The Committee lacked documentation for $12,755.50 in contributions.

3. The Committee failed to report three contributions totalling $5,250 from other political committees.

4. The Committee failed to disclose two bank depositories.

The above findings describe violations of 2 U.S.C. § 434(b)(1), (2), (4), and (5), § 432(c), § 434(b)(3)(B), and § 433(c), respectively.

ATTACHMENT III pg 18

8304043456

FACTUAL BASIS AND LEGAL ANALYSIS

Each of the four audit findings and recommendations will be discussed separately below.

1. Misstatement of Financial Activity

Section 434(b)(1) and (2) of Title 2 of the United States Code requires disclosure of the amount of cash on hand at the beginning of the reporting period and the total sum of all receipts.

Section 434(b)(4) and (5) of Title 2 of the United States Code requires disclosure of the total sum of all expenditures and the name and address of each person to whom an expenditure in an aggregate amount or value in excess of $200 within the calendar year is made by the reporting committee to meet a candidate or committee operating expense, together with the date, amount, and purpose of such operating expenditure.

In addition, Section 104.13(a)(1) and (2) of Title 11 of the Code of Federal Regulations states the amount of an in-kind contribution shall be equal to the usual and normal value on the date received. Each in-kind contribution shall be reported as a contribution and expenditure in accordance with 11 C.F.R. § 104.3(a) and (b).

An Audit Division reconciliation of the Committee's bank records to its disclosure reports covering the period January 1, 1980, through December 31, 1980, indicated that:

1) Reported receipts were understated $6,490.00

2) Reported expenditures were understated $2,359.73

8304043457

3) Cash on hand as of December 31, 1980, was understated $4,130.27

The understatement of receipts ($6,490.00) was the result of four in-kind contributions totaling $3,225.00, which were reported as expenditures but not as receipts. The remaining difference of $3,265.00 could not be explained, since the Committee did not maintain certain contributor records to determine the nature of such a difference.

The understatement of expenditures ($2,359.73) resulted from a $2,500 expenditure erroneously reported as $250; five expenditures, totaling $119.13, which were not reported; and one expenditure for $565.60 erroneously reported at $575.00 (overstated - $9.40).

The understatement of cash on hand as of December 31, 1980 ($4,130.27) resulted from the reporting errors noted above. The difference appeared to be a direct result of the unexplained difference noted in receipts above.

The Audit staff recommended that the Committee, within 30 days of receipt of the Interim Audit Report, amend its reports to properly disclose the transactions noted above, and make efforts to determine the disposition of the unexplained difference ($3,265.00) noted in reported receipts above.

2. Documentation of Contributions

Section 432(c) of Title 2 of the United States Code states, in part, that the treasurer of a political committee shall keep an account of all contributions received by or on

8304043458

behalf of such political committee; the name and address of any person who makes any contribution in excess of $50, together with the date and amount of such contribution by any person; and the identification of any person who makes a contribution or contributions aggregating more than $200 during a calendar year, together with the date and amount of any such contribution.

Section 102.9(a) of Title 11 of the Code of Federal Regulations states, in part, that an account shall be kept by any reasonable accounting procedure of all contributions received by or on behalf of the political committee.

The Audit staff's review of receipts indicated that the Committee did not maintain contribution records for the 13 deposits totaling $12,755.50. The only records available for review were 13 deposit tickets which detailed the date and total amount of the deposit, but did not detail the source or individual amount of each contribution included in the deposit. Normally, the Committee maintains a control sheet for each deposit which includes the contributor's name, address, occupation and name of employer, if applicable, amount of contribution and a photocopy of each contributor check. As a result, the Audit staff was unable to test the contributions for recordkeeping and/or other requirements of the Act.

The Audit staff recommended that within 30 days of receipt of the interim report, the Committee obtain and submit the documentation (i.e., appropriate records for each particular contribution) for the $12,755.50 in contributions or provide

8304043459

evidence which demonstrates that best efforts to comply with the recordkeeping requirements of the Act have been made. The Audit staff also recommended that within the same 30 day response period the Committee amend its reports, if applicable, to disclose any contributions in excess of $200 or aggregating in excess of $200.

3. Contributions from Other Political Committees

Section 434(b)(3)(B) of Title 2 of the United States Code requires the disclosure of the identification of each political committee which makes a contribution during the reporting priod, together with the date and amount of any such contribution.

Further, Section 104.3(a)(4)(ii) of Title 11, Code of Federal Regulations requires, in part, the itemization of receipts for all committees. Each report shall disclose the identification (as defined at 11 C.F.R. 100.12) of each contributor and the aggregate year-to-date total for such contributor including all committees which make contributions to the reporting committee during the reporting period, together with the date of receipt and amount of any such contribution.

During the pre-audit review, it was noted that the Committee did not itemize three contributions from political committees totaling $5,250.00. The Audit staff was unable to verify the Committee's receipt of the contributions since the Committee did not maintain contributor records for 13 deposits totaling $12,755.50. It should be noted that two of the 13

8304043446

deposits were for the exact amount of two of the contributions in question.

The Audit staff recommended that the Committee, within 30 days of receipt of the interim report, determine the disposition of the three contributions and if necessary amend their disclosure reports accordingly or provide evidence that demonstrates that the contributions were not received by the Committee.

8304043451

4. Disclosure of Changes in the Statement of Organization

Section 433(c) of Title 2 of the United States Code states, in part, that any change in information previously submitted in a statement of organization shall be reported no later than 10 days after the date of the change.

During the course of the fieldwork it was noted that the Committee failed to amend its Statement of Organization to disclose two of its bank depositories. Both depositories were opened in calendar year 1980.

The Audit staff recommended that the Committee file an amendment to the Statement of Organization disclosing the two depositories within 30 days of receipt of the interim report.

On January 20, 1982, the Committee received the interim audit report which requested compliance with the recommendations within 30 days of receipt of the report. The Committee's

response to the interim audit report was due on February 19, 1982.

On February 23, 1982, the Audit Division received a letter (dated 02/16/82) from the Committee requesting an extension of time to March 1, 1982 in which to respond to the interim audit report. The Commission granted that request on February 26, 1982, and the Committee was notified by letter (dated 02/26/82) of the Commission's decision.

Since the Committee's response was not received by March 1, 1982, the Audit Division attempted to contact its executive director, Mr. Haddow, concerning the response. Several telephone calls were made to the Committee; each call was unsuccessful in locating Mr. Haddow. Therefore, messages were left. Mr. Haddow returned one call, but because of the time of the call did not reach the auditor.

One last written attempt was made to reach the Committee on April 13, 1982. The letter officially notified the Committee of its failure to comply with the interim report. The letter was refused by the Committee and returned to the Commission.

Therefore, the General Counsel recommends that the Commission find reason to believe the Committee violated 2 U.S.C. § 434(b)(1), (2), (4), (5), § 432(c), § 434(b)(3)(B), and § 433(c).

FROM: BOB COSTA

SUBJECT: FINAL AUDIT REPORT - CITIZENS ADVOCATE POLITICAL ACTION COMMITTEE (A81-31)

Please find attached the above subject final audit report for your review and consideration. Also attached at Exhibit A is the Audit Division's memorandum to the Office of General Counsel wherein a recommendation was made, based on the Committee's failure to respond to the interim audit report, that the matter be referred to the Office of General Counsel for possible compliance action.

The Counsel's response to that memorandum is attached at Exhibit B. Pursuant to the Office of General Counsel's recommendation, the Audit staff attempted to inform the Committee that it had an additional 10 days to comply with the recommendations contained in the interim report (see Exhibit C). As of this date, no response has been received and, according to the U.S. Postal Service, the Committee twice refused the 10 day extension letter and the United States Postal Service is in the process of returning said letter.

Therefore, at this juncture, it is the Audit staff's opinion that the matter would be best handled in the compliance area.

Recommendation

1. The Audit staff recommends that the Commission approve the attached Track B final audit report on the Citizens Advocate Political Action Committee.

2. The Audit staff recommends that the findings contained in the interim audit report be referred to the Office of General Counsel. The referral is based on the Committee's failure to respond to the interim audit report.

8304346

3. Since the Audit staff has experienced continuous difficulties in contacting the Committee and/or effecting delivery of Commission correspondence, it is recommended that the final audit report be released publicly not later than 15 days from the transmittal date of the informational copy of the final audit report or upon notification of the Committee's receipt, whichever occurs first.

This matter is circulated on a tally vote basis. Should an objection be received, it is recommended that this matter be placed on the next Executive Session agenda.

Should you have any questions, please contact Lorenzo David or Tom Nurthen at extension 3-4155.

C. Scope

The audit included such tests as verification of total reported receipts and expenditures and individual transactions; review of required supporting documentation; analysis of Committee debts and obligations; and such other audit procedures as deemed necessary under the circumstances. However, for Committee receipts raised by a direct mail firm, which represents 84% of the Committee's individual receipts, the contribution records provided met the recordkeeping requirements of 2 U.S.C. 432(c) and 11 C.F.R. 102.9(a), but did not include any materials prepared outside of the Committee. Therefore, no verification of individual contribution transactions was performed.

REPORT OF THE AUDIT DIVISION ON THE CITIZENS' ADVOCATE POLITICAL ACTION COMMITTEE

I. Background

A. Overview

This report is based on an audit of the Citizens' Advocate Political Action Committee ("the Committee"), undertaken by the Audit Division of the Federal Election Commission in accordance with the Commission's audit policy to determine whether there has been compliance with the provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). The audit was conducted pursuant to Section 438(b) of Title 2 of the United States Code which states, in part, that the Commission may conduct audits and field investigations of any political committee required to file a report under Section 434 of this title. Prior to conducting any audit under this section, the Commission shall perform an internal review of reports filed by selected committees to determine if the reports filed by a particular committee meet the threshold requirements for substantial compliance with the Act.

The Committee registered with the Federal Election Commission on November 29, 1979. The Committee maintains its headquarters in Salt Lake City, Utah.

The audit covered the period January 1, 1980, through December 31, 1980. The Committee reported a cash balance at January 1, 1980 of $6,645.00; total receipts for the period of $108,728.98; total expenditures for the period of $115,334.81; and a cash balance on December 31, 1980 of $39.17.

This audit report is based on documents and work papers which support each of its factual statements. They form part of the record upon which the Commission based its decisions on the matters in the report and were available to the Commissioners and appropriate staff for review.

B. Key Personnel

The Treasurer of the Committee during the period covered by the audit was Mr. Charles W. Akerlow.

SUBJECT: FAILURE TO RESPOND TO INTERIM AUDIT REPORT
BY CITIZENS ADVOCATE POLITICAL ACTION COMMITTEE

Attached please find a copy of the interim audit report of the Citizens Advocate Political Action Committee ("the Committee"). This report was approved by the Commission on January 7, 1982.

On January 20, 1982 the Committee received the interim audit report which requested compliance with the recommendations within 30 days of receipt of the report. The Committee's response to the interim audit report was due on February 19, 1982.

On February 23, 1982 the Audit Division received a letter (dated 2/16/82) from the Committee requesting an extension of time to March 1, 1982 in which to respond to the interim audit report. The Commission granted that request on February 26, 1982 and the Committee was notified by letter (dated 2/26/82) of the Commission's decision.

Since the Committee's response was not received by March 1, 1982, the Audit Division attempted to contact its executive director, Mr. Haddow concerning the response. Telephone calls were made to the Committee on March 2, 3, 4, 9, 10, 11, 12, 15, 16, and 17. Each call was unsuccessful in locating Mr. Haddow, therefore a message was left each time asking that he return the call. During this period (March 2-17), Mr. Haddow returned one call (5:30 P.M. on 3/11/82), however, the auditor had gone for the day.

It is our recommendation, based on the Committee's failure to respond to the interim audit report, that this matter be referred to the Office of General Counsel for possible compliance action.

INTERIM REPORT OF THE AUDIT DIVISION ON THE CITIZENS' ADVOCATE POLITICAL ACTION COMMITTEE

I. Background

A. Overview

This report is based on an audit of the Citizens' Advocate Political Action Committee ("the Committee"), undertaken by the Audit Division of the Federal Election Commission in accordance with the Commission's audit policy to determine whether there has been compliance with the provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). The audit was conducted pursuant to Section 438(b) of Title 2 of the United States Code which states, in part, that the Commission may conduct audits and field investigations of any political committee required to file a report under Section 434 of this title. Prior to conducting any audit under this section, the Commission shall perform an internal review of reports filed by selected committees to determine if the reports filed by a particular committee meet the threshold requirements for substantial compliance with the Act.

The Committee registered with the Federal Election Commission on November 29, 1979. The Committee maintains its headquarters in Salt Lake City, Utah.

The audit covered the period January 1, 1980, through December 31, 1980. The Committee reported a cash balance at January 1, 1980 of $6,645.00; total receipts for the period of $108,728.98; total expenditures for the period of $115,334.81; and a cash balance on December 31, 1980 of $39.17.

This audit report is based on documents and work papers which support each of its factual statements. They form part of the record upon which the Commission based its decisions on the matters in the report and were available to the Commissioners and appropriate staff for review.

B. Key Personnel

The Treasurer of the Committee during the period covered by the audit was Mr. Charles W. Akerlow.

8304043447

EXHIBIT A P. 4/7

C. Scope

The audit included such tests as verification of total reported receipts and expenditures and individual transactions; review of required supporting documentation; analysis of Committee debts and obligations; and such other audit procedures as deemed necessary under the circumstances. However, for Committee receipts raised by a direct mail firm, which represents 84% of the Committee's individual receipts, the contribution records provided met the recordkeeping requirements of 2 U.S.C. 432(c) and 11 C.F.R. 102.9(a), but did not include any materials prepared outside of the Committee. Therefore, no verification of individual contribution transactions was performed.

II. Audit Findings and Recommendations

A. Misstatement of Financial Activity

Section 434(b)(1) and (2) of Title 2 of the United States Code requires disclosure of the amount of cash on hand at the beginning of the reporting period and the total sum of all receipts.

Section 434(b)(4) and (5) of Title 2 of the United States Code requires disclosure of the total sum of all expenditures and the name and address of each person to whom an expenditure in an aggregate amount or value in excess of $200 within the calendar year is made by the reporting committee to meet a candidate or committee operating expense, together with the date, amount, and purpose of such operating expenditure.

In addition, Section 104.13(a)(1) and (2) of Title 11 of the Code of Federal Regulations states the amount of an in-kind contribution shall be equal to the usual and normal value on the date received. Each in-kind contribution shall be reported as a contribution and expenditure in accordance with 11 C.F.R. 104.3(a) and (b).

A reconciliation of the Committee's bank records to its disclosure reports covering the period January 1, 1980, through December 31, 1980, indicated that:

1) Reported receipts were understated $6,490.00

2) Reported expenditures were understated $2,359.73

3) Cash on hand as of December 31, 1980, was understated $4,130.27

The understatement of receipts ($6,490.00) was the result of four in-kind contributions totaling $3,225.00, which

8304043447

were reported as expenditures but not as receipts. The remaining difference of $3,265.00 cannot be explained, since the Committee did not maintain certain contributor records to determine the nature of such a difference.

The understatement of expenditures ($2,359.73) resulted from a $2,500 expenditure erroneously reported as $250; five expenditures, totaling $119.13, which were not reported; and one expenditure for $565.60 erroneously reported at $575.00 (overstated- $9.40).

The understatement of cash on hand as of December 31, 1980 ($4,130.27) resulted from the reporting errors noted above. This difference appears to be a direct result of the unexplained difference noted in receipts above.

Committee officials stated that amended reports would be filed to correct the above discrepancies.

Recommendation

The Audit staff recommends that the Committee, within 30 days of receipt of this report, amend its reports to properly disclose the transactions noted above, and make efforts to determine the disposition of the unexplained difference ($3,265.00) noted in reported receipts above.

B. Documentation of Contributions

Section 432(c) of Title 2 of the United States Code states, in part, that the treasurer of a political committee shall keep an account of all contributions received by or on behalf of such political committee; the name and address of any person who makes any contribution in excess of $50, together with the date and amount of such contribution by any person; and the identification of any person who makes a contribution or contributions aggregating more than $200 during a calendar year, together with the date and amount of any such contribution.

Section 102.9(a) of Title 11 of the Code of Federal Regulations states, in part, that an account shall be kept by any reasonable accounting procedure of all contributions received by or on behalf of the political committee.

8304043474

 EXHIBIT A

P.6/7

The Audit staff's review of receipts indicated that the Committee did not maintain contribution records for the 13 deposits totaling $12,755.50. The only records available for review were 13 deposit tickets which detailed the date and total amount of the deposit, but did not detail the source or individual amount of each contribution included in the deposit. Normally, the Committee maintains a control sheet for each deposit which includes the contributor's name, address, occupation and name of employer, if applicable, amount of contribution and a photocopy of each contributor check. As a result, the Audit staff was unable to test the contributions for recordkeeping and/or other requirements of the Act.

Recommendation

The Audit staff recommends that within 30 days of receipt of this report, the Committee obtain and submit the documentation (i.e., appropriate records for each particular contribution) for the $12,755.50 in contributions or provide evidence which demonstrates that best efforts to comply with the recordkeeping requirements of the Act have been made. The Audit staff also recommends that within the same 30 day response period the Committee amend its reports, if applicable, to disclose any contributions in excess of $200 or aggregating in excess of $200.

C. Contributions from Other Political Committees

Section 434(b)(3)(B) of Title 2 of the United States Code requires the disclosure of the identification of each political committee which makes a contribution during the reporting period, together with the date and amount of any such contribution.

Further, Section 104.3(a)(4)(ii) of Title 11, Code of Federal Regulations requires, in part, the itemization of receipts for all committees. Each report shall disclose the identification (as defined at 11 C.F.R. 100.12) of each contributor and the aggregate year-to-date total for such contributor including all committees which make contributions to the reporting committee during the reporting period, together with the date of receipt and amount of any such contribution.

During the pre-audit review, it was noted that the Committee did not itemize three contributions from political committees totaling $5,250.00. The Audit staff was unable to verify the Committee's receipt of the contributions since the Committee did not maintain contributor records for 13 deposits totaling $12,755.50 (Finding II.B.). It should be noted that two of the 13 deposits were for the exact amount of two of the contributions in question.

3044375

EXHIBIT A P. 7/7

Recommendation

The Audit staff recommends that the Committee, within 30 days of receipt of this report, determine the disposition of the three contributions and if necessary amend their disclosure reports accordingly or provide evidence that demonstrates that the contributions were not received by the Committee.

D. Disclosure of Changes in the Statement of Organization

Section 433(c) of Title 2 of the United States Code states, in part, that any change in information previously submitted in a statement of organization shall be reported no later than 10 days after the date of the change.

During the course of the fieldwork it was noted that the Committee failed to amend its Statement of Organization to disclose two of its bank depositories. Both depositories were opened in calendar year 1980.

Committee officials agreed to file the necessary amendments.

Recommendation

The Audit staff recommends that the Committee file an amendment to the Statement of Organization disclosing the two depositories within 30 days of receipt of this report.

SUBJECT: Failure to Respond to Interim Report by Citizens Advocate Political Action Committee (82 AR 20)

The Office of General Counsel has reviewed the Interim and Final Audit reports of Citizens Advocate Political Action Committee ("the Committee"). As stated in your March 23, 1982 cover memo, the Committee has failed to amend its reports and submit further documentation as outlined in the Audit Division's Interim Audit Report. Specifically, the Report requested the Committee to amend its reports to correct understated receipts, expenditures and cash-on-hand figures, and to disclose two bank depositories. Further documentation was requested for thirteen deposits and contributions for other political committees not reported by the Committee and, if necessary, the reports were to be amended accordingly. The Audit Division also requested the Committee to make efforts to determine the disposition of a difference in reported receipts.

The Office of General Counsel notes that the Committee received written notification from the Audit Division on February 26, 1982, which granted an extension of time and that all other communications with the Committee after this date were telephone calls which were unsuccessful in reaching the Committee's representative.

8304043447

EXHIBIT B

P.2/2

Under general procedures, we would agree that the next step in the process is to refer this matter to our Office for consideration for MUR action as you suggest. However, in this case it appears that the apparent violations could be substantially cleared up through the audit process if the committee responded to the audit recommendations. It is also our understanding that no written document has been forwarded to the Committee notifying it of its continued failure to comply with the interim report recommendations and that further action may be taken by the Commission if the requested documents and amendments are not submitted to the Commission.

Therefore, under these particular circumstances, the Office of General Counsel recommends that the Audit Division draft a letter to the Committee stating that it has failed to comply with Audit Division's recommendations and that consultation with the Office of General Counsel indicates that legal action may be initiated if a response is not promptly submitted to the Audit Division. It is suggested that a ten day deadline be extended to the Committee for compliance.

Dear Mr. Haddow:

On February 26, 1982, you were notified by letter that your request for an extension of time until March 1, 1982 in which to respond to the interim audit report had been granted by the Commission. As of this date, the Commission has not received the Committee's response. The Audit Division has not been successful in its attempts to contact you regarding this matter.

This letter serves to officially notify the Committee that failure to comply with the interim audit report recommendations could necessitate the institution of enforcement proceedings against the Committee regarding apparent violations of the Federal Election Campaign Act of 1971, as amended. Should you not respond adequately within 10 days from the receipt of this letter, this matter may be referred to the Commission's Office of General Counsel with a recommendation that legal action be initiated.

On September 1, 1983, you were notified that the Federal Election Commission had accepted the conciliation agreement signed by you on August 18, 1983, in settlement of violations of the Federal Election Campaign Act of 1971, as amended, by Citizens' Advocate Political Action Committee ("CAPAC"). The agreement was signed by the Associate General Counsel for the Commission on August 31, 1983, and became effective on that date.

Pursuant to Paragraph XV of the agreement, CAPAC had thirty days from the date the agreement became effective to comply with and implement the requirements contained in the agreement. Specifically, the agreement required CAPAC to do the following:

1) Paragraph X (page 4) required CAPAC to file within thirty days of the agreement's execution (September 30, 1983) amended reports disclosing the receipt of contributions from three political committees or notifying the Commission to the contrary; and,

2) Paragraph XI (page 4) required CAPAC to pay within thirty days of the agreement's execution (September 30, 1983) a $200 civil penalty.

As of this date, CAPAC has failed to comply with paragraphs X and XI of the signed agreement.

We request that CAPAC comply with requirements of the agreement by filing the amended reports and submitting the civil penalty within five days of your receipt of this letter.

EXECUTIVE SESSION

JAN 24 1984

GENERAL COUNSEL'S REPORT

SENSITIVE

I. Background:

On August 31, 1983, the Commission voted to approve a conciliation agreement signed by C. McClain Haddow on August 18, 1983, for Citizens' Advocate Political Action Committee ("CAPAC") and to close the file in this matter. The agreement was signed by the Associate General Counsel for the Commission on August 31, 1983, and became effective on that date (Attachment I). Mr. Haddow was notified of the Commission's acceptance of the agreement by letter dated September 1, 1983. A letter was sent to Mr. Haddow on November 9, 1983, requesting CAPAC's compliance with the agreement within five days (Attachment II).

In reply to the November 9 letter, Mr. Haddow submitted a letter to the Commission inquiring into the method that CAPAC may use to solict funds to pay the $200 civil penalty (Attachment III). The Office of General Counsel responded to the letter on December 5, 1983 (Attachment IV).

As of this date, CAPAC has failed to comply with the terms of the conciliation agreement. Accordingly, the Office of General Counsel is recommending in this report that the Commission authorize the filing of civil suit against CAPAC to seek full compliance.

II. Factual and Legal Analysis:

CAPAC entered into an agreement with the Commission in settlement of this matter on August 31, 1983. The agreement

8 0 1 0 4 3 0 3 1 7

required CAPAC to do the following:

1) Paragraph X (page 4) required CAPAC to file within thirty days of the agreement's execution (by September 30, 1983) amended reports disclosing the receipt of contributions from three political committees or to notify the Commission that the contributions were not received; and,

2) Paragraph XI (page 4) required CAPAC to pay within thirty days of the agreement's execution (September 30, 1983) a $200 civil penalty.

As of this date, CAPAC has failed to file the amended reports or to notify the Commission and has failed to pay the civil penalty.

Due to CAPAC's failure to comply with Paragraphs X and XI of the agreement, the Office of General Counsel recommends that the Commission authorize the filing of civil suit pursuant to 2 U.S.C. § 437g(a)(5)(D) and Paragraph XIII of the executed conciliation agreement and to notify CAPAC accordingly.

III. Recommendation:

The Office of General Counsel recommends that the Commission:

1) Authorize the filing of civil suit for relief pursuant to 2 U.S.C. § 437g(a)(5)(D) and Paragraph XIII of the executed conciliation agreement in the U.S. District Court for the District of Columbia against Citizens' Advocate Political Action Committee; and

2) Approve and authorize the sending of the attached letter.

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission (hereinafter "the Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. Probable cause to believe has been found that Citizens' Advocate Political Action Committee ("Respondent") violated 2 U.S.C. § 434(b)(1), (2), (4), (5), § 432(c), § 434(b)(3)(B), and § 433(c).

NOW THEREFORE, the Commission and Respondent, having duly entered into conciliation pursuant to 2 U.S.C. § 437g(a)(4)(A)(i) do hereby agree as follows:

I. The Commission has jurisdiction over the Respondent, and the subject matter of this proceeding.

II. Respondent has had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondent enters voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

1. Respondent, Citizens' Advocate Political Action Committee, is a political committee which registered with the Commission on November 29, 1979.

2. An audit of the Respondent was conducted by the Commission pursuant to 2 U.S.C. § 438(b) and covered the period of January 1, 1980 through December 31, 1980.

3. The audit concluded that the Respondent:

a) Understated its reported receipts by $6,490.00

b) Understated its reported expenditures by $2,359.73.

c) Understated its cash on hand as of December 31, 1980 by $4,130.27.

d) Failed to maintain contributor records for 13 deposits totalling $12,755.50.

e) Failed to itemize three contributions from other political committees totalling $5,250.00

f) Failed to amend its Statement of Organization to disclose two bank depositories.

These findings and the Audit Division's recommendations were presented to the Respondent in an Interim Audit Report it received on January 20, 1982.

4. Respondent failed to comply with the recommendations set forth in the Interim Audit Report within the allowable time period and was referred to the Office of General Counsel.

5. On January 11, 1983, the respondent filed amended reports with the Commission after its receipt of the Commission's reason to believe letter and General Counsel's Brief. An Audit Division review of the reports revealed that the amended reports

8404043041

complied materially with the Audit Division's recommendation corresponding to IV. Paragraph 3a, b, c, and f of this agreement.

6. On May 24, and June 3, 1983, the respondent submitted documentation to the Commission. The documentation reduced the amount of unidentified/undocumented contributions to an acceptable level.

V. Respondent violated 2 U.S.C. § 434(b)(1) and (2) by understating the amount of cash on hand at the beginning of the reporting period and the total amount of all receipts.

VI. Respondent violated 2 U.S.C. § 434(b)(4) and (5) by understating the total sum of all expenditures and failing to disclose the name and address of each person to whom an expenditure in an aggregate amount in excess of $200 within the calendar year is made by the committee to meet an operating expense along with the date, amount, and purpose of such expenditure.

VII. Respondent violated 2 U.S.C. § 432(c) by failing to maintain contributor records for 13 deposits totalling $12,755.50.

VIII. Respondent violated 2 U.S.C. § 434(b)(3)(B) by failing to disclose the identification of three political committees which made contributions totalling $5,250.00 during the reporting period.

IX. Respondent violated 2 U.S.C. § 433(c) by failing to timely file an amended Statement of Organization to disclose two bank depositories.

8404043042

X. Respondent agrees to file amended reports as recommended by the Audit Division in the Interim Audit Report disclosing receipt of contributions from three political committees or notifying the Commission to the contrary.

XI. Respondent will pay a civil penalty to the U.S. Tresurer of the United States in the amount of two hundred dollars ($200), pursuant to 2 U.S.C. § 437g(a)(5)(A).

XII. Respondent agrees that it shall not undertake any activity which is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. § 431, et seq.

XIII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

XIV. This agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

Re: MUR 1447

Dear Mr. Haddow:

On September 1, 1983, you were notified that the Federal Election Commission had accepted the conciliation agreement signed by you on August 18, 1983, in settlement of violations of the Federal Election Campaign Act of 1971, as amended, by Citizens' Advocate Political Action Committee ("CAPAC"). The agreement was signed by the Associate General Counsel for the Commission on August 31, 1983, and became effective on that date.

Pursuant to Paragraph XV of the agreement, CAPAC had thirty days from the date the agreement became effective to comply with and implement the requirements contained in the agreement. Specifically, the agreement required CAPAC to do the following:

1) Paragraph X (page 4) required CAPAC to file within thirty days of the agreement's execution (September 30, 1983) amended reports disclosing the receipt of contributions from three political committees or notifying the Commission to the contrary; and,

2) Paragraph XI (page 4) required CAPAC to pay within thirty days of the agreement's execution (September 30, 1983) a $200 civil penalty.

As of this date, CAPAC has failed to comply with paragraphs X and XI of the signed agreement.

We request that CAPAC comply with requirements of the agreement by filing the amended reports and submitting the civil penalty within five days of your receipt of this letter.

Re: MUR 1447

Dear Mr. Gross:

I am in receipt of your letter of November 9, 1983 regarding the conciliation agreement between the Federal Election Commission and Citizens' Advocate Political Action Committee (CAPAC). The only barrier to the completion of this matter is a technical question put to the Commission in September related to the method by which CAPAC might solicit the funds to cover the $200 penalty assessed.

All of the officers of CAPAC have resigned their positions over the past several years and I have personally left the private sector to join the federal government. Therefore it is difficult to determine how a bank account could be re-opened to accept a contribution for the purpose of payment of the civil penalty to the FEC without violating the Hatch Act provisions that prohibit political activity of this sort.

I will be happy to facilitate whatever procedure that can be approved by the FEC to assure this matter is properly handled for all concerned.

I will await your advice on this matter.

Sincerely,

C. McClain Haddow

Re: MUR 1447

Dear Mr. Haddow:

This letter is in response to your letter dated November 28, 1983, in which you questioned the method by which Citizens' Advocate Political Action Committee ("CAPAC") may solicit funds to pay the $200 civil penalty.

CAPAC may raise the funds in any legal manner it may choose. The penalty may be paid with funds donated by various individuals or from funds contributed by one individual. We cannot advise you on questions concerning the interpretation of the Hatch Act as such matters do not come within the jurisdiction of the Federal Election Commission.

Additionally, the executed agreement also requires the filing of amended reports. These reports were to be received by the Commission no later than September 30, 1983.

Therefore, as the civil penalty and amended reports were to be received by the Commission over two months ago, we request that you comply with these provisions of the agreement within ten days of your receipt of this letter. Should you fail to comply with the agreement within the next ten days, the Office of General Counsel is prepared to recommend that the Commission authorize the filing of a civil suit for relief against Citizens' Advocate Political Action Committee.

If you have any questions, please contact Judy Thedford at (202) 523-4529.

Re: MUR 1447

Dear Mr. Haddow:

You were previously notified that on August 31, 1983, the Federal Election Commission accepted the conciliation agreement signed by you on August 18, 1983, in settlement of violation of the Federal Election Campaign Act of 1971, as amended by Citizens' Advocate Political Action Committee ("CAPAC").

Pursuant to paragraph XV of the agreement, CAPAC had thirty days from the date the agreement became effective to comply with the requirements contained in the agreement, specifically paragraphs X and XI (page 4).

As of this date, CAPAC has failed to comply with paragraphs X and XI of the signed agreement. Therefore, the Commission on , 1983, authorized the institution of a civil suit for relief in the U.S. District Court for the District of Columbia pursuant to 2 U.S.C. § 437g(a)(5)(D) and Paragraph XIII of the executed conciliation agreement.

Dear Mr. Steele:

Citizens Advocate Political Action Committee has been assessed a civil penalty of $200.00 by the Federal Election Committee for various violations of the laws governing conduct of political action committee and reporting requirements for contributions and expenditures. Unfortunately, none of the original officers of CAPAC are still available for the conduct of business. I have been attempting to resolve all outstanding issues for CAPAC and desire to comply with the FEC conciliation agreement in this particular case. The matters is complicated by the fact I accepted a position with the Federal Government and provisions of the Hatch Act restrict political activity on my part.

Would you advise me on a procedure acceptable to you that will allow for the civil penalty to be paid by a contributor on behalf of CAPAC directly to the FEC so as to avoid having to reorganize a new Board of Directors, open a new bank account and meet various other organizational difficulties only to facilitate the payment of this penalty?

Please notice the new address referenced above in future correspondence.

Thank you very much.
