RE: MUR 1488

Dear Mr. Avakian:

This is in reference to the complaint filed by your client, Robert J. Dornan, with the Commission on October 21, 1982 concerning the Howard for Congress Committee, James Howard, William Eyres, Frank Hanley, Engineers Political Education Committee, John Eichele, International Union of Operating Engineers, Local 825, Political Action and Education Committee, Vincent J. Giblin, International Union of Operating Engineers, Local 68, Political Action Committee, Stephen J. Leslie and Special Voluntary Fund, International Union of Operating Engineers, Local 25.

The Commission found reason to believe that the International Union of Operating Engineers Political Education Committee and affiliated Locals 825, 68 and 25 violated 2 U.S.C. § 441a(a)(2)(A); the 1980 and 1982 campaign committees of James Howard violated 2 U.S.C. § 441a(f); the 1982 primary campaign committee of James Howard violated 11 C.F.R. § 103.3(a); the Special Voluntary Fund of Local 25 violated 2 U.S.C. §§ 433 and 434; and Locals 25 and 68 violated 2 U.S.C. § 439(a)(1) and conducted an investigation into the matter. Conciliation agreements signed by the respondents have been accepted by the Commission, thereby concluding this matter. Copies of these agreements are enclosed for your information.

The file number in this matter is MUR 1488. If you have any questions, please contact Lois G. Lerner, the Assistant General Counsel assigned to the matter at (202) 523-4143.

CONCILIATION AGREEMENT

3 4 0 4 0 4 6 3 7 2
This matter was initiated following the filing of a signed, sworn and notarized complaint by Robert J. K. Dornan. An investigation was conducted, and reason to believe was found that the International Union of Operating Engineers -- Engineers Political Education Committee ("IUOE", "EPEC"), IUOE Local 825's Political Action Education Committee, IUOE Local 68's Engineers Political Action Education Committee, and IUOE Local 25's Special Voluntary Fund ("respondents") violated 2 U.S.C. § 441a(a)(2)(A), by making contributions to the 1980 and 1982 campaign committees of U.S. Representative James Howard that exceeded the limits imposed by that statutory provision.

NOW, THEREFORE, the Commission and respondents, having participated in informal methods of conciliation prior to a finding of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over respondents, and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C. § 437g(a)(4) (A)(i).

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this Agreement with the Commission.

IV. The pertinent facts in this matter are:

1. Respondents are separate segregated funds of the International Union of Operating Engineers and Locals 825 and 68 of that union, and the unregistered Special Voluntary Fund of IUOE Local 25. Under 2 U.S.C. § 441a(a)(5), all contributions made by respondents shall be considered to have been made by a single political committee.

2. In the 1980 election cycle, respondents contributed a total of \$7,150 to the Howard for Congress Committee, all of which is attributable to the general election period under 11 C.F.R. § 110.2, because the contributions were designated for the general election or, in the case of the contribution by Local 25's Special Voluntary Fund, were undesignated but made after the primary election. Since the initiation of this matter, respondents have obtained a refund of \$650 impermissibly contributed to the 1980 Howard committee by Local 25's Special Voluntary Fund and have filed with the Commission amended reports reflecting the appropriate designation of its contributions to the 1980 Howard committee.

84040463373

3. In the 1982 election cycle, respondents contributed a total of \$10,500 to the Howard for Congress Committee, all of which is attributable to the primary election period under 11 C.F.R. § 110.2, and which exceeded the limits available to respondents for both the primary and general election periods. On August 5, 1982 respondents obtained a refund of \$2,500 impermissibly contributed to the 1982 Howard committee by Local 25's Special Voluntary Fund. Since the initiation of this matter, respondents have filed with the Commission amended reports reflecting the appropriate designation of its contributions to the 1982 Howard Committee.

V. Respondents have made contributions to the 1980 and 1982 campaign committees of U.S. Representative James Howard that exceeded \$5,000, in violation of 2 U.S.C. § 441a(a)(2)(A).

VI. Respondents agree that they will not undertake any activity that is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. § 431 et seq.

VII. Respondents agree to pay to the United States Treasury a civil penalty in the amount of \$1,900, for the actions described in Paragraph V, supra.

VIII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein, or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any

3404046374

requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

IX. It is mutually agreed that this agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

X. It is agreed that respondents shall have no more than thirty days from the date this agreement becomes effective to comply with and implement the requirements contained in this agreement and to so notify the Commission.

CONCILIATION AGREEMENT

This matter was initiated following the filing of a complaint by Robert J.K. Dornan. Reason to believe was found that the 1980 and 1982 campaign committees to Rep. James Howard ("Respondent") violated 2 U.S.C. § 441a(f) by accepting contributions from the International Union of Operating Engineers -- Engineers Political Education Committee, and certain of its affiliated locals' separate segregated funds ("EPEC") that exceeded the contributors' statutory contribution limits, and 11 C.F.R. § 103.3(a), by failing to deposit all receipts within ten days of the committee treasurer's receipt thereof. An investigation was then conducted into the matter.

NOW, THEREFORE, the Commission and Respondent, having duly entered into conciliation pursuant to 2 U.S.C. § 437g(a)(4)(i) do hereby agree as follows:

I. The Commission has jurisdiction over Respondent, and the subject matter of this proceeding;

II. Respondent has had a reasonable opportunity to demonstrate that no action should be taken in this matter; and

III. Respondent enters voluntarily into this agreement with the Commission.

3404046376

11/1/81 p2: M

3782

IV. The pertinent facts in this matter are:

1. Respondent was the authorized campaign committee of U.S. Representative James Howard for the 1980 and 1982 election cycles.

2. During the 1980 election cycle, Respondent received a total of \$7,150 from EPEC. Respondent states that \$1,500 of that total, contributed on July 16, 1979 and June 9, 1980, was intended to be made for the primary election and was mistakenly designated for the general election. However, the total of \$7,150 is attributable to the general election period under 11 C.F.R. § 110.2, because all of the contributions were designated for the general election, or were undesignated but made after the primary election. Since the initiation of this matter, Respondent has refunded to EPEC \$650, which was contributed to the 1980 Howard committee by an unregistered committee of one local. Respondent states that it was unaware that that local committee was affiliated with EPEC until so notified after the initiation of this matter.

3. In the 1982 election cycle, Respondent accepted a total of \$10,500 from EPEC. Respondent states that it intended to designate a portion of that

34040463377

total for the general election. However, the contributions were attributed to the primary election period under 11 C.F.R. 110.1(a)(2)(i).

On August 5, 1982, Respondent refunded \$2,500 contributed by an unregistered committee of one local union. Respondent states that it was unaware that that local committee was affiliated with EPEC until so notified by the Commission.

4. Respondent reported receiving a contribution on May 25, 1982, which EPEC reported as having been made on March 23, 1982.

V. 1. Respondent accepted contributions from EPEC that exceeded EPEC's contribution limits under 2 U.S.C. § 441a(a)(2)(A), resulting in a violation.

2. Based upon reports filed with the Commission by Respondent and EPEC, the Commission found that Respondent failed to timely deposit contribution reported made by EPEC on March 23, 1982, in violation of 11 C.F.R. § 103.3(a).

VI. Respondent agrees that it will not undertake any activity that is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. § 431 et seq.

VII. Respondent agrees to file with the Commission amended reports appropriately designating EPEC contributions received for the 1980 and 1982 elections as either primary or general election campaign contributions. However, in the

3 4 0 4 0 4 6 3 7 8

case of the \$1,000 contribution made by EPEC on June 9, 1980, no such redesignation may be made, because it would not be consistent with EPEC's designation of that contribution, which is for the general election. Therefore, Respondent agrees to refund \$1,000 to EPEC.

VIII. Respondent agrees to pay to the United States Treasury a civil penalty in the amount of two hundred fifty dollars (\$250), for the actions described in Paragraph V, supra.

IX. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein, or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

X. It is mutually agreed that this agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

XI. It is agreed that Respondent shall have no more than 30 days from the date this agreement becomes effective

3404046372

to comply with and implement the requirements contained in
this agreement and to so notify the Commission.

This matter was initiated with the filing of a complaint by Robert J.K. Dornan. On January 25, 1983, the Commission found reason to believe that the Howard for Congress Committee ("respondent") violated 2 U.S.C. § 441a(f) by accepting excessive contributions from the International Union of Operating Engineers - Engineers Political Education Committee and several of the union's locals' separate segregated funds ("EPEC"). 1/ On the same date, the Commission also found reason to believe that the 1982 Howard for Congress Committee violated 11 C.F.R. § 103.3(a) by its failure to timely deposit all receipts.

On August 10, 1983,
a General Counsel's brief was submitted to respondent; following

1/ The Commission also found reason to believe, inter alia, that EPEC violated 2 U.S.C. § 441a in making the excessive contributions. On May 4, 1983, the Commission accepted a signed conciliation agreement with EPEC and closed the file as to that respondent.

a requested and granted extension of time, respondent submitted a response brief on September 22, 1983.

II. LEGAL ANALYSIS
Acceptance of Excessive Contributions

Respondent's brief argues that its violations in both 1980 and 1982, which resulted principally from a failure to properly designate contributions, are merely technical. Respondent contends that \$650 of the \$7,150 it accepted from EPEC should not be considered a part of the total of excessive contributions

accepted, because the \$650 was refunded to the donor (a local union's unregistered political committee) when respondent was made aware that it was impermissible to accept it. Respondent similarly contends that \$2,500 accepted in the 1982 election cycle from the same unregistered committee should be ignored by the Commission in determining the amount in violation for that cycle, since the amount was returned after the Commission notified the Committee of its illegality, about a year after the contribution was accepted.

Section 441a(f) of Title 2, United States Code, prohibits acceptance of impermissible contributions. The Commission has provided a route by which committees may avoid violating 2 U.S.C. § 441a(f) and still accept contributions that later prove impermissible. If a committee has a good enough system to identify contributions that appear to be illegal before deposit, it may deposit such funds, provided their receipt is noted in the committee's report and they are refunded within a reasonable time. 11 C.F.R. § 103.3(b)(2).

Respondent urges that it refunded the impermissible contributions as soon as it learned of their impermissibility -- i.e., as soon as Commission auditors or reports analysts notified it of their impermissibility. The statute would be made meaningless by measuring the time a committee has to refund unacceptable contributions from the point at which the Commission

8404046397

notifies a committee of its past acceptance of impermissible funds. The regulatory exception of 11 C.F.R. § 103.3(b)(2) is intended to benefit committees acting vigilantly and on their own. In the instant matter, the effort to determine the permissibility of questionable contributions was not undertaken by respondent sua sponte, but only as a result of the audit and reports analysis processes.

Respondent also argues that the amount of the excessive contributions accepted in the 1980 election cycle should be reduced by another \$500 because a contribution in that amount made in 1979, and designated in writing for the general election by both the contributor EPEC and by respondent, must have been intended for the primary election. Similarly, respondent contends that, although all its EPEC receipts in the 1982 cycle were designated for the general election, the amount over the \$5,000 limit should not be considered part of the amount in violation because they all were received before the primary election.

Section 110.1(a)(2)(i) of Title 2, Code of Federal Regulations, makes it clear that contributions designated in writing for particular elections must be counted toward the limit applicable for that election. Respondent contends that its violations should be excused because contribution limits should be set for election cycles, rather than separately for primary and general elections. That contention ignores the provisions of

the statute and regulations in force and applicable to this matter. Respondent asserts that the excessive amounts resulted only from failure to properly designate receipts, since the total amounts accepted during each election cycle were not excessive, 2/ and therefore that its violation of 2 U.S.C. § 441a(f) should be excused.

Failure to Timely Deposit all Receipts

Respondent argues that its consistent "best efforts" to comply with reporting requirements excuse the instance of delay that formed the basis for the Commission's finding of reason to believe respondent violated 11 C.F.R. § 103.3(b)(2). While the complaint in this matter alleged a pattern of failure by respondent to deposit all contributions within ten days of their receipt, as required by § 103.3(b)(2), the Commission restricted its finding to one instance of two months' delay.

As was noted in the General Counsel's brief in this matter, respondent EPEC informed the Commission, in its response to the reason to believe finding, that its general practice is to report the dates on which contributions are authorized, rather than the

2/ We note, however, that, as to 1982, respondent can make that argument only by also eliminating the impermissible \$2,500 from an unregistered committee which it says should not be counted because eventually it was refunded. Since we do not agree with that contention, the 1982 contributions do include the \$2,500 from the unregistered committee and, therefore, total \$10,500, according to Commission calculations, which, exceeds the limit available for the entire cycle.

84040463399

84040463400
dates on which they are issued and sent to recipients, which sometimes may be a few days after contributions are authorized. The General Counsel argued and the Commission concluded that, in the one instance in question, the delay of two months was too long to be explained away by the EPEC reporting practice.

Respondent argues that the Commission must prove the violation by showing when respondent received the contribution in question. No such burden of proof is applicable. The reported dates are the evidence before the Commission, and respondent has failed throughout the pendency of this matter to establish that the date on which it reported receiving the contribution was incorrect.

Respondent further argues that its history of satisfying the requirements of 11 C.F.R. § 103.3(a) demonstrates that it has used "best efforts" to comply with the law, and that a failure on one occasion should be excused. The regulatory section on "best efforts" in reporting provides that, where such efforts have been "used to obtain, maintain and submit" information required, reports will be considered to be in compliance with the law. 11 C.F.R. § 104.7(a). That provision is concerned not with deposit of receipts, as is § 103.3(a), but with reporting requirements.

The General Counsel reaffirms its recommendation that the Commission find probable cause to believe that the Howard for Congress Committee violated 11 C.F.R. § 103.3(a).

III. RECOMMENDATIONS:

The General Counsel recommends that the Commission:

2. Find probable cause to believe the Howard for Congress Committee violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 103.3(a).
3. Approve and send the attached conciliation agreement and letter.

BEFORE THE FEDERAL ELECTION COMMISSION

In the Matter of)
Howard for Congress Committee) MUR 1488

Brief of Respondent Howard for Congress Committee

I. Counterstatement of the Case

The Statement of the Case set forth in the General Counsel's Brief in the above-captioned matter generally recites accurately the facts underlying the instant complaint. There are, however, certain items that require either more precise description or slight correction in order to present a complete accounting the facts at issue.

A. Alleged Acceptance of Excessive Contributions

1. 1980

The General Counsel's Brief contends that the Howard for Congress Committee ("Committee") accepted \$7,150 in contributions from the International Union of Operating Engineers Political Education Committee ("EPEC") and three local EPEC's (collectively, "EPEC/affiliates"). Its recital mentioned only in passing that the Committee returned \$650 it received from one of the local EPEC's immediately upon learning that the particular fund from which the local (Local 25) contributed the money had not been registered with the Federal Election Commission ("FEC" or "Commission") at the time the contributions were made. Of the remaining \$6,500, \$500 was contributed in 1979, well before the primary election

84040463403

and despite the general election designation for the funds, they likely were intended for use in Rep. Howard's primary campaign. Therefore, the amount involved with respect to the 1980 general election is \$6,000, or at most, \$1,000 in excess of the § 441a limits.

2. 1982

The General Counsel's Brief allegation of a 1982 contribution violation is predicated upon an assertion that the Committee accepted \$10,500 from EPEC/affiliates for use Rep. Howard's primary campaign. Again, the General Counsel ignores the Committee's prompt return of the \$2,500 contributed by the unregistered Local 25 immediately upon learning that this particular local was unregistered and significantly, before the initial complaint was filed. The total amount thus reasonably in dispute is only \$8,000 all of which was received prior to the primary election. When this amount is added to EPEC's \$2,000 1982 contribution, the contribution totals \$10,000, which meets, but does not exceed, the maximum any one multi-candidate political committee may contribute in a full election cycle.

B. Alleged Failure to Timely Deposit All Receipts

The facts concerning this allegation are simple and straight-forward. EPEC reported the contribution at issue on March 23, 1982. Consistent, however, with their admitted practice with regard to reporting and sending con-

8404043404

tributions, the contribution was not mailed that day. The General Counsel Brief is silent concerning when the contribution actually was mailed. The Committee reported depositing the contribution on May 25. Also consistent of its practice of depositing contributions within days of receipt (and always within the required ten day period), the Committee received the contribution only a few days prior to making the deposit. Again, the General Counsel's Brief is devoid of facts specifying when the Committee received this specific EBEC contribution.

II. Analysis

A. The Contributions

The Federal Election Campaign Act prescribes certain specific limitations on the amount individuals or multi-candidate political committees may make to individuals seeking election to federal office. Specifically, the Act allows multi-candidate committees to contribute no more than \$5,000 to individual candidates per election. 2 U.S.C. § 441a(a)(2)(A). Individuals facing both a primary and general election within one election year may receive up to \$10,000 from a single multi-candidate committee where the contribution is divided between the two elections.

In neither 1980 nor 1982 did the Committee accept in excess of the \$10,000 cap from EPEC and its affiliates. For the full 1980 election cycle (primary and general), the committee accepted \$6,500 from EPEC and its affiliates and in

84040463405

1982 it accepted \$10,000 from these groups, neither year exceeding the contribution ceiling. In both election cycles, it had accepted additional funds from an unregistered multi-candidate committee, Local 25, but returned these funds as soon as it learned that the Local had not been registered with the FEC.^{1/}

Clearly, the amounts at issue do not exceed the maximum aggregate allowable amount permitted during an election cycle. The general counsel position when put in the most favorable light would be that the Howard for Congress Committee accepted 1,000 in excess of the 441a limit in 1980.

The problem in this matter, accordingly, is not that EPEC/affiliates contributed too much money, but rather, that neither the Committee nor the contributors properly allocated the funds to the correct election. As the commission is aware allocation errors constitute a significant problem for candidates, their committees, and contributors. In its 1980 Annual Report to Congress, reprinted in Federal Elec. Camp. Fin. Guide (CCH) ¶ 9150, at 51,130, the FEC, evidently in response to a recurrent election contribution

^{1/} Even including the Local 25 contribution, the total that EPEC and affiliates contribution \$7,150, still well below the contribution cap. In 1982, the Local 25 contribution would have pushed the Committee over the top, but the Committee quickly returned the full amount of the Local 25 contribution immediately upon receipt of FEC notice that multi-candidate committee could not contribute more than \$1,000, which brought the EPEC/affiliates contribution down to the statutory maximum.

84040463406

allocation problem, recommended to Congress that "[t]he Act be simplified by changing the contribution limitations from a 'per-election' basis to an 'annual' or 'election cycle' basis." Adoption of this amendment would have eliminated the reporting deficiencies found in the Committee's reports and would have avoided the instant complaint. More significantly, and as noted above, the recommendation implicitly recognizes and underscores the fact that registered multi-candidate may and often do contribute up to \$10,000.

Reporting deficiencies clearly are the problem here. The Committee will not--indeed cannot--dispute the General Counsel's contention that all of the 1980 contributions, except one, were received and reported after the primary election. Similarly, all of the 1982 EPEC/affiliates contributions were reported before the 1982 primary. It further is clear on the face of the contributions that they all were specifically designated for the 1980 general election or 1982 primary or undesignated but received at a time permitting a presumption of designation consistent with the other contributions. Nevertheless, it also cannot be argued that the Committee accepted an amount from EPEC/affiliates in excess of the "election-cycle" cap, a cap that the Commission has recognized as being consistent with the intent and purpose of the Act.

Moreover, the Committee reported all of the contributions received from EPEC/affiliates, and reported them in

34040463407

3 4 0 4 0 4 6 3 4 0 8

a timely fashion. The Act is complex and its obligations on a volunteer staff often confusing. As one court has noted, it serves neither the interest of the public, the FEC, or the court to "in effect impose sanctions upon a public figure who has acted in good faith" FEC v. Committee for a Constitutional Presidency, No. 77-1442 (D.D.C. March 7, 1979), reported in Federal Elec. Camp. Guide (CCH) ¶ 9074, at 50,632. Reporting is the important act; mischaracterization of reported contributions constitutes an often and unfortunate side effect. But "[b]y reporting the individual sources of the payment, the defendant provided the FEC and the public with sufficient information to satisfy the spirit, if not the letter of the Act" Id.

The Committee asserts that its efforts in this regard--as evidenced by its timely and full disclosure of contributions and prompt correction and resolution of improper contributions--fall within the spirit and intent of 11 C.F.R. § 104-7. Specifically, the Committee, staffed primarily by volunteers, engaged in a significant effort to comply with the mandates of the Act. That its "best efforts . . . to obtain, maintain, and submit the information required by the Act . . ." perhaps fell short does not affect a determination that it nevertheless acted "in compliance with the Act." Id.

B. The Reporting Requirement

3 4 0 4 0 4 6 3 4 0 9

The General Counsel's second allegation, pertaining to an alleged failure timely to report a contribution, constitute a classic example of the ipse dixit: no evidence or proof is offered that the Committee received the EPEC contribution at issue more than ten days prior to depositing and reporting it. Rather, the General Counsel simply assumes that because EPEC reported making the contribution two months before the Committee deposited it the fault must lie with the Committee. In so making this assumption, the General Counsel ignores completely EPEC's admission that they often did not mail contributions immediately to candidates. The General Counsel further ignores the Committee's general practice of depositing and reporting contributions almost immediately upon receipt.

The General Counsel attempts to place the burden of proof for this issue on to the Committee. It asserts that because the Committee has presented no evidence to prove its assertion that assertion must be wrong. The burden of proof, however, rests with the General Counsel. The Committee does not have to prove that it did not violate the Act; rather the General Counsel must prove that it did. And in this regard, the General Counsel has not presented the Commission with any evidence concerning either when EPEC mailed the controverted contribution or when the Committee received it.

In contrast, the Commission has before it statements from the accused parties concerning the mailing, receiving, and reporting of contributions. These statements strongly suggest that it is more probable than not that EPEC reported the contribution when it issued the check in March, but that it simply failed to mail it until May, when the Committee reported receiving it.

Respectfully submitted,

William C. Oldaker

BEFORE THE FEDERAL ELECTION COMMISSION

In the Matter of)

Howard for Congress Committee)

MUR 1488

GENERAL COUNSEL'S BRIEF

I. Statement of the Case

34040463416
This matter was initiated with the filing of a complaint by Robert J.K. Dornan against, inter alia, the 1980 and 1982 campaign committees of Representative James Howard ("the Committee"). Following its investigation of the complaint and the filing of responses by the Committee and by the International Union of Operating Engineers Political Education Committee ("EPEC"), and three union locals' EPECs, the Commission found reason to believe, on January 25, 1982, that the Committee had violated 2 U.S.C. § 441a(f) by its acceptance of contributions from EPEC that were violative of the limits imposed on EPEC by 2 U.S.C. § 441a(a)(2)(A). The Commission also found reason to believe that the Committee had violated 11 C.F.R. § 103.3(a) by its failure to timely deposit all receipts within ten days of its treasurer's receipt thereof.

A. Acceptance of Excessive Contributions

In 1980, EPEC contributed a total of \$7,150 to the Committee. As the chart below illustrates, nearly all of the contributions were designated for the general election by the Committee. The Committee failed to designate two contributions - one from local 825's PAC (\$1,000) and one from unregistered local 25's PAC (\$400) -- that were made after the June 3 primary.

Attachment 1-1098

<u>Contributor</u>	<u>Committee's Reported Date Received and Designation</u>	<u>Amount</u>

Local 25 PAC <u>1/</u>	7/11/80 none	400
	7/28/80 G	250
		<hr/> \$7,150

The Commission found reason to believe that in 1982, a total of \$10,500 that is attributable to the primary election period was contributed to the Committee by EPEC. 2/ The chart below shows that all of the contributions were made before the primary on June 8, 1982, and none was designated for the general election by the Committee.

Local 68 PAC	12/29/81 P	1,000

1/ After the initiation of this matter, the Committee refunded the Local 25 PAC's contributions totaling \$650.

2/ Another \$1,000 was contributed by Local 825's PAC on 12/29/81, but was not included in the figure on which the Commission based its reason to believe finding as to the 1982 election cycle. The complaint specifically excluded that \$1,000 contribution from its calculations, because its designation was "ambiguous", according to the complainant. (On FEC reports, the contributor designated it for the general election, while the Committee designated it for the primary.)

B. Failure to Timely Deposit All Receipts

The complaint alleged that the 1982 Committee consistently failed to comply with the 11 C.F.R. § 103.3(a) requirement that all contributions be deposited within ten days of the treasurer's receipt thereof, and that, in 1980, the Committee failed in one instance to deposit an EPEC contribution until 32 days after it was reported made.

While a comparison of EPEC's and the Committee's reports did disclose that, in some cases, there was a delay in the Committee's reporting of its receipt of EPEC contributions that exceeded the ten day limit, the Commission's reason to believe finding was based on one instance in 1982, when a contribution reported made by EPEC on March 23 was reported received by the Committee on May 25.

EPEC's response to the complaint explained that it lists in its reports the dates contributions are authorized, and that, in practice, checks actually are issued up to several days later.

3/ Upon receipt of notice from the Commission's Reports Analysis Division that the \$2,500 contributed by Local 25's PAC would exceed its \$1,000 contribution limit and trigger reporting status for that local PAC, the Committee refunded \$2,500 on August 5, 1982.

84040463418

The Commission concluded that, while such a practice might explain the instances in which the Committee deposited EPEC contributions a few days beyond the ten day limit, it did not explain the delay of two months that occurred in 1982.

II. Legal Analysis

A. Acceptance of Excessive Contributions

It is a violation of 2 U.S.C. § 441a(f) for a candidate's committee to accept contributions in excess of \$5,000 with respect to any election from a single multicandidate committee. Under 2 U.S.C. § 441a(a)(5), all contributions made by political committees established, financed, maintained or controlled by any labor organization or local unit thereof shall be considered to have been made by a single political committee. Therefore, contributions by the International Union of Operating Engineers Political Education Committee and by three local unions' PACs (one of which was unregistered) are treated as if made by a single political committee.

For the 1980 election cycle, total EPEC contributions to the Committee amounted to \$7,150. For the 1982 cycle, EPEC contributed a total of \$10,500 to the Committee, attributable to the primary election period. 11 C.F.R. § 110.1(a)(2)(i) provides that contributions designated for a particular election are attributable to that election. 11 C.F.R. §§ 110.1(a)(2)(ii)(A) and (B) provide that when a contributing committee fails to designate a contribution, the contribution can be designated

Attachment 1 - 4 of 8

84040463419

for the primary only if made on or before the primary. Those provisions are made applicable to multicandidate committees by 11 C.F.R. § 110.2(a)(1).

For 1980, all of EPEC's contributions totaling \$7,150 are attributable to the general election period. The Committee designated all but two EPEC contributions received during that election cycle for the general election. Under 11 C.F.R. § 110.1(a)(2)(i), those designated contributions must be attributed to the general election. The two undesignated receipts also are attributable to the general election, under 11 C.F.R. § 110.1(a)(2)(ii)(A) and (B), because they were made after the date of the primary election.

Section 110.1(a)(2)(i) also provides that contributions made after the date of the primary can be designated for the primary to the extent such contributions do not exceed net debts outstanding from the primary, provided that those contributions are designated in writing for the primary (emphasis added). While no net outstanding primary debt has been demonstrated by the Committee, since all EPEC contributions were designated for the general election or were undesignated, none could be considered eligible for designation for the primary even if such a debt were to be demonstrated.

For the 1982 election cycle, all of EPEC's contributions totaling \$10,500 are attributable to the primary election period. The Committee designated \$7,500 of its EPEC receipts for the

Attachment 1-5 of 8

94040463420

primary, thus making that amount attributable to the primary.
11 C.F.R. § 110.1(a)(2)(i). The remaining \$3,000 was not
attributed to either election. Because the undesignated amounts
were contributed before the primary election, they may be
attributed only to the primary election period. 11 C.F.R.
§§ 110.1(a)(2)(ii)(A) and (B). 4/

B. Failure to Timely Deposit All Receipts

Section 103.3(a) of Title 11, Code of Federal Regulations,
requires that a committee deposit receipts within ten days of its
treasurer's receipt thereof. The Commission found reason to
believe that, on May 25, 1982, the Committee deposited an EPEC
contribution reported made on March 23, 1982, in violation of
11 C.F.R. § 103.3(a).

The Committee has asserted that its practice has been to
comply with the regulation by adhering to a routine procedure of
prompt deposit of all receipts. It further has asserted that,
because it has followed that routine, it assumes that the
instance of two months' delay between EPEC's making of a
contribution and its reported deposit must have resulted from a
delay in EPEC's forwarding of the check.

4/ If \$5,000 had been attributable to the general election
period, the Committee still would have violated 2 U.S.C.
§ 441a(f) because the \$10,500 contributed by EPEC for 1982
exceeds the limits available even for a full election cycle.
Further, addition of the \$1,000 contributed by Local 825's PAC on
12/29/81 and not included in the complaint or in the \$10,500
amount in violation that formed the basis for the Commission's
reason to believe finding, (see note 2, supra), makes the total
EPEC contributions during the 1982 cycle \$11,500.

While the complaint in this matter alleged that the Committee repeatedly failed to satisfy the requirement of timely deposit, the Commission's reason to believe finding was based solely on one instance of delay, i.e., the contribution reported deposited on May 25, 1982. EPEC's admitted procedure of reporting a contribution made on the date authorized and then issuing it days later, or the passing of checks from the International to locals for transmittal to the Committee, could explain delays of a few days that occurred occasionally in the Committee's deposit of EPEC contributions. Such factors would not, however, explain a two month delay. No evidence has been presented by the Committee to document its assertion that, in that one instance, the check was not received by the Committee for nearly two months after the date EPEC reported authorizing its issuance.

It is the General Counsel's recommendation that the Commission find probable cause to believe that the 1980 and 1982 Howard for Congress Committees violated 2 U.S.C. § 441a(f) by accepting contributions from the International Union of Operating Engineers Political Education Committee that exceeded the contributor's limit under 2 U.S.C. § 441a(a)(2)(A). Further, the General Counsel recommends that the Commission find probable cause to believe that the 1982 Howard for Congress Committee

Attachment 1-7 of 8

violated 11 C.F.R. § 103.3(a) by its failure to deposit a contribution reported issued on March 23, 1982, by the contributor and reported deposited on May 25, 1982, by the Committee.

III. General Counsel's Recommendations

1. Find probable cause to believe that the 1980 and 1982 Howard for Congress Committees violated 2 U.S.C. § 441a(f).
2. Find probable cause to believe that the 1982 Howard for Congress Committee violated 11 C.F.R. § 103.3(a).

Re: MUR 1488
Howard for Congress Committee

Dear Mr. Oldaker:

Based on a complaint filed with the Commission on October 21, 1982, and information supplied by your client, the Commission determined on January 25, 1983, that there was reason to believe that your client had violated 2 U.S.C. § 441a(f), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"), and 11 C.F.R. § 103.3(a), and instituted an investigation of this matter.

After considering all the evidence available to the Commission, the Office of General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation has occurred.

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within 15 days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies if possible) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of General Counsel, if possible.) The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of probable cause to believe a violation has occurred.

If you are unable to file a responsive brief within 15 days, you may submit a written request to the Commission for an extension of time in which to file a brief. The Commission will not grant any extensions beyond 20 days.

A finding of probable cause to believe requires that the Office of General Counsel attempt for a period of not less than 30, but not more than 90, days to settle this matter through a conciliation agreement.

Find reason to believe that the International Union of Operating Engineers-Engineers Political Education Committee ("EPEC") and affiliated political action committees of Locals 825, 68 and 25 violated 2 U.S.C. § 441a (a)(2)(A) by making contributions to the 1982 primary campaign committee of Representative James Howard that exceeded statutory limits.
2. Find reason to believe the 1982 campaign committee of Representative James Howard violated 2 U.S.C. § 441a(f) by accepting contributions violative of 2 U.S.C. § 441a(a)(2)(A) from EPEC and the affiliated political action committees of Locals 825, 68 and 25.
3. Find reason to believe that EPEC and affiliated political action committees of Locals 825 and 25 violated 2 U.S.C. § 441a(a)(2)(A) by making contributions to the 1980 campaign committee of Representative James Howard that exceeded statutory limits.

Dear Mr. Fanning:

The Federal Election Commission notified your committee on October 25, 1982, of a complaint that alleged that your committee had violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to your committee at that time.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on January 25, 1983, determined that there is reason to believe that your committee has violated 2 U.S.C. § 441a(a)(2)(A), a provision of the Act. Specifically, it appears that your committee made contributions to the 1980 and 1982 campaign committees of Representative James Howard that exceeded the limits imposed by that section. In 1980, EPEC and the affiliated PACs of Locals 825 and 25 contributed \$7,150 to the Howard Committee, all of which is attributable to the general election period under 11 C.F.R. § 110.2, because the contributions were designated for the general election or, in the case of \$650 from Local 25's PAC, were undesignated but made after the primary election. In 1982, a total of \$10,500 was contributed by EPEC and the PACs of IOUE Locals 825, 68 and 25 which is attributable to the primary election period, under 11 C.F.R. § 110.2. Despite the eventual refund of Local 25's PAC's contributions, the making of those contributions violated the Act.

The Federal Election Commission notified your client on October 25, 1982, of a complaint that alleged that your client had violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to your client at that time.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on January 25, 1983, determined that there is reason to believe that your client has violated 2 U.S.C. §§ 441a(a)(2)(A) and 439(a)(1), provisions of the Act. Specifically, it appears that your client made contributions to the 1982 campaign committee of Representative James Howard that exceeded the limits imposed by that section. In 1982, EPEC and some affiliated separate segregated funds, including your client, contributed a total of \$10,500 attributable to the primary election period, under 11 C.F.R. § 110.2. Under 2 U.S.C. § 441a(a)(5), all those contributions are considered to have been made by a single political committee. Your client also failed to file with the New Jersey Secretary of State copies of reports to the Commission of contributions made to the Howard committee. Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on January 25, 1983, determined that there is reason to believe that your client has violated 2 U.S.C. § 441a(f), a provision of the Act, and 11 C.F.R. § 103.3(a), a provision of the Commission's Regulations. Specifically, it appears that your client accepted contributions from the Engineers' Political Education Committee and its affiliated committees in 1980 and 1982 that exceeded statutory limits. In 1980, EPEC and the separate segregated funds of IUOE Locals 825 and 25 contributed \$7,150, all of which is attributable to the general election period under 11 C.F.R. § 110.2, because the contributions were designated for the general election or, in the case of \$650 from Local 25's PAC, were undesignated but made after the primary election. In 1982 a total of \$10,500 was contributed by EPEC and the PACs of IUOE Locals 825, 68 and 25 which is attributable to the primary election period, under 11 C.F.R. § 110.2. Despite the eventual refund of Local 25's PAC's contributions, their making and acceptance violated the Act. In addition, it appears that your client failed to deposit all receipts within ten days of the treasurer's receipt thereof.

Dear Mr. Mooney:

The Federal Election Commission notified your client on October 25, 1982, of a complaint that alleged that your client had violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to your client at that time.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on January 25, 1983, determined that there is reason to believe that your client has violated 2 U.S.C. § 441a(a)(2)(A), a provision of the Act. Specifically, it appears that your client made contributions to the 1980 and 1982 campaign committees of Representative James Howard that exceeded statutory limits. In 1980, EPEC and some affiliated separate segregated funds, including your client, contributed a total of \$7,150 to the Howard Committee, all of which is attributable to the general election period under 11 C.F.R. § 110.2, because the contributions were designated for the general election and/or were made after the primary election. Dear Mr. Mooney:

The Federal Election Commission notified your client on October 25, 1982, of a complaint that alleged that your client had violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to your client at that time.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on January 25, 1983, determined that there is reason to believe that your client has violated 2 U.S.C. §§ 441a(a)(2)(A), 433, 434, and 439(a)(1), provisions of the Act. Specifically, it appears that your client made contributions to the 1980 and 1982 campaign committees of Representative James Howard that exceeded statutory limits. Despite the eventual refunds of the Special Voluntary Fund's contributions, their making violated the Act.

Your client also failed to register and report as a political committee, and failed to file with the New Jersey Secretary of State copies of reports required by the Commission reflecting contributions to the Howard campaign committees. With respect to the violations of 2 U.S.C. §§ 433, 434 and 439(a)(1), in view of circumstances related by you in your response to the Commission's notice of the complaint, and other information, the Commission also voted to take no further action.

MUR 1488

GENERAL COUNSEL'S REPORT

On October 21, 1982, Robert K. Dornan filed a complaint against the respondents listed above, alleging that the 1980 general election, and 1982 primary election, campaign committees of Rep. James Howard accepted excessive contributions from the International Union of Operating Engineers' Political Education Committee ("EPEC") and from three local unions' separate segregated funds. Further, the complaint alleged that one of the local unions' separate segregated fund had failed to register and report. Finally, the complaint alleged that the Howard committees failed to comply with 11 C.F.R. § 103.3(a), by failing to deposit all contributions within ten days of the

84040463452

treasurer's receipt thereof. 1/

In the First General Counsel's Report dated December 3, 1982, this Office noted that extensions of time in which to respond to the complaint had been granted to all respondents. That Report further noted that respondents' reports on file with the Commission appeared to substantiate, at least in part, the complaint's allegations, but that factual discrepancies existed between the complaint's allegations and the facts and figures contained in respondents' reports on file. Because of the granted extensions of time, and the presence of those factual discrepancies necessitating review of respondents' replies, the First General Counsel's Report contained no recommendations for Commission action.

The filings received from respondents do, in fact, clarify the discrepancies. The positions of the union committee respondents (Attachments 1-4) and of the Howard committee (Attachment 5) coincide.

1/ The complainant included as respondents Representative Howard and the Howard committee treasurer individually, and also the treasurers of EPEC and each affiliated local's political action committee. This Office's recommendations do not concern those individual respondents; notice of the Commission's findings will be sent to the individuals, however.

84040463453

A. Making and Acceptance of Excessive Contributions

Generally, the excessive contributions by EPEC and its affiliates, 2/ for both 1980 and 1982, resulted from certain amounts being incorrectly designated for a particular election period, or being left undesignated, on Form 3s filed by respondents. In addition, some excessive contributions were apparent because corrections made by means of amended reports were, for various reasons, not related in the complaint to the appropriate originally-reported contribution.

Specifically, for the 1980 election campaign periods, the following facts were detailed by the complaint and responses:

<u>Contributor</u>	<u>Reported Date Made & Designation</u>	<u>Reported Date Rec'd & Designation</u>	<u>Amount (per complainant)</u>	<u>Amount (per respondents)</u>
EPEC (Int'l)	6/09/80 G	6/11/80 G	\$1,000	\$1,000
	7/22/80 G	7/28/80 G	500	500
	9/26/80 G	10/28/80 G	2,500	2,500
	7/13/79 G	7/16/79 G	500	500 <u>3/</u>
Local 825 PAC	10/17/80 G	10/21/80 G	1,000	1,000
	9/15/80 G	9/15/80 none	1,000	1,000
Local 25 PAC	unregistered	7/11/80 none	400	400
	unregistered	7/28/80 G	250	250 <u>4/</u>
			\$7,150	\$7,150

2/ Under 2 U.S.C. § 441a(a)(5), all contributions made by political committees established, financed, maintained or controlled by any labor organization or local unit thereof shall be considered to have been made by a single political committee. Contributions by the three local union committees named as respondents (including the Local 25 Special Voluntary Fund, which is not registered with the Commission) therefore would be treated as having been made by a single political committee.

3/ and 4/ on next page

84040463454

Respondents contend that no violation of 2 U.S.C. § 441a(a) (2) (A) is made out by the total 1980 contributions by EPEC and its affiliates. Respondents first subtract the \$650 in contributions by Local 25 PAC because, they argue, it was and is not an affiliated separate segregated fund of EPEC. Further, respondents argue that \$1,500 of the remaining \$6,500 was intended for the primary election campaign, and, by error, was not so designated. 5/ (See page 6, infra, re treatment of misdesignated amounts under 11 C.F.R. § 110.2.) EPEC refers to boilerplate language contained in cover letters sent by EPEC to recipients of its contributions, requesting that EPEC be advised of any excessive contribution resulting from EPEC's contributions combined with those of affiliates. EPEC states that, unless

3/ Complainant alleged that this amount was unreported by EPEC. EPEC's response attaches a copy of the Quarterly Report filed October 9, 1979, on which it was reported. Respondent EPEC states that the contribution was intended for the primary election, despite the designation on Form 3 for the general election. An amended report has been filed with the Commission reflecting the changed designation.

4/ The responses by both Local 25's PAC and the Howard committee state that the \$650 contributed by Local 25's PAC has been refunded since the filing of the instant complaint. That refund was confirmed by letter to the Commission dated December 18, 1982. The Howard Committee states that it was unaware Local 25's PAC was unregistered when it accepted the contributions in 1979 and 1980.

5/ Respondent EPEC states that its \$500 contribution on July 13, 1979, made eleven months before the primary, should have been designated for the primary, and EPEC has filed an amended report so designating it. As to the remaining \$1,000, EPEC states that it assumed that the Howard committee would allocate properly (between primary and general elections) amounts received from EPEC and its affiliates, in order to avoid an excessive contribution for either period.

84040463455

notified, it assumes that the recipient properly has allocated contributions so that excessive contributions will be avoided.

As to the 1982 primary election campaign, the following facts were contained in the complaint and the responses:

<u>Contributor</u>	<u>Reported Date Made & Designation</u>	<u>Reported Date Rec'd & Designation</u>	<u>Amount (per complainant)</u>	<u>Amount (per respondents)</u>
EPEC	05/26/81 P	06/08/81 none	\$ 2,000	\$2,000
	11/30/81 P	12/29/81 P	1,000	1,000
	12/02/81 P	12/29/81 P	1,000	1,000
	03/23/82 P	- N/A	2,500 6/	2,000
	unreported N/A	- P	2,000 7/	0
	07/15/82 none	- N/A	3,000 8/	0
Local 825 PAC	05/13/81 P	06/18/81 none	1,000	1,000
	12/04/81 G	12/29/81 P	- 9/	1,000
Local 68 PAC	12/04/81 none	12/29/81 P	1,000	1,000
Local 25 PAC	unregistered	-	2,500 10/	0
			<u>\$16,000</u>	<u>\$9,000</u>

6/ The contribution of March 23, 1982, originally reported by EPEC as \$2,500, was actually \$2,000, and an amendment filed soon thereafter made the correction. See footnote 7, infra.

7/ The \$2,000 that complainant alleges was not reported by EPEC was, in fact, not a separate contribution, but the \$2,000 contribution made in March (and originally erroneously reported by EPEC as \$2,500) and reported by the Howard Committee.

8/ The \$3,000 was reported by EPEC as having been made, but was not delivered to the Howard Committee when it was determined that it would result in an excessive contribution. Respondent EPEC notes that an amendment later was filed to show the \$3,000 as having been refunded by the Howard Committee.

9/ By its terms, the complaint did not include this \$1,000 in the total complained of for 1982.

10/ This reflects three contributions which the Howard Committee reported receiving from this unregistered committee (\$1,000 on 6/18/81, \$500 on 8/4/81, and \$1,000 on 12/29/81). The Howard Committee designated these as primary receipts. Upon receipt of notice from the Commission's Reports Analysis Division to the
(continued on next page)

94040463456

Respondents state that the failure to allocate the \$9,000 total between the primary and general election campaigns was an oversight. While Local 825's \$1,000 contribution of December 4, 1981, was the only one designated for the general election, respondent EPEC states that Local 68's \$1,000 contribution of December 4, 1981, 11/ and EPEC's March 23, 1982, \$2,000 contribution, also should have been designated for the general election campaign.

Under 11 C.F.R. § 110.1(a)(2) (which applies also to § 110.2(a)(1)), when a multicandidate political committee designates a contribution for a particular election, the contribution is to be applied to that election. If a contributing committee fails to designate a contribution in writing for a particular election, the contribution will be allocated to the primary only if made on or before the primary, and otherwise will be allocated to the general election. While respondents assert that, for both 1980 and 1982, total EPEC contributions can be allocated between primary and general election periods to avoid exceeding the \$5,000 limits for each period, under 11 C.F.R. § 110.2(a)(1), that resolution is not

10/ (continued)

effect that these contributions would exceed a non-multicandidate committee's \$1,000 contribution limit and would trigger reporting status for the contributor, the Howard Committee refunded the full \$2,500 on August 5, 1982.

EPEC contends in its response that Local 25 PAC is not an affiliated committee. There does not appear to be any support for such an assertion. See footnote 1, supra.

11/ Local 68 states that it has filed an amended report to so designate the December 4, 1981, contribution.

34040463457

permissible. For 1982, the amount that is attributable to the primary election is \$10,500. 12/ A violation by EPEC and the committees of Locals 825, 68 and 25 of 2 U.S.C. § 441a(a)(2)(A) therefore is apparent, and a violation of § 441a(f) by the Howard Committee for its acceptance of the impermissible contributions also is made out.

For 1980, contributions totaling \$7,150 are attributable to the general election period. Therefore, despite respondents' assertions of oversight in failing to designate certain contributions differently, a violation of 2 U.S.C. § 441a(a)(2)(A) by EPEC and the committees of Locals 825 and 25 is apparent. The Howard Committee violated 2 U.S.C. § 441a(f) by its acceptance of such impermissible contributions.

While recommendations that "no reason to believe" or "reason to believe and take no further action" have been made in similar recent MURs initiated by the same complainant (see the First General Counsel's Reports in MURs 1489, 1491, 1492 and 1493), in this case no evidence has been presented to indicate that the contributors involved actually directed or intended that certain contributions be made for an election different from the election designation made on their reports. For both 1980 and

12/ This includes the \$8,000 which respondents concede was not designated by the contributors for the primary, plus the \$2,500 contributed by the Local 25 committee. It should be noted that this amount exceeds the \$10,000 these affiliated committees could have contributed for the entire 1982 election cycle (i.e., for both the primary and general elections).

1982, the evidence indicates that no efforts were made (beyond inclusion of boilerplate language directing recipients of EPEC contributions to notify EPEC if such contributions were impermissible) to ensure that an excessive contribution would not result. The Howard committee also failed to monitor its receipts to identify apparent excessive receipts. While there is no provision of the Act or Regulations requiring that a designation be made (such requirement appears only on the face of the reporting forms), the Regulations address the issue raised here where, except for one relevant instance, a specific designation was made by the contributor. As to the one relevant instance where the contributor's report does not evidence a specific designation (the \$1,000 contribution on 12/4/81 by the PAC of Local 68), the responses failed to demonstrate that a designation for the general election was communicated at the time of the contribution. 13/

13/ In the General Counsel's view, the recipient committee cannot, without obtaining the consent of the contributor, treat a contribution received before the primary as a general election contribution. Although 11 C.F.R. § 102.9(e) (which requires a candidate or candidate's committee to set up separate records or separate accounts for general election contributions received before the primary) uses the phrase "contributions...designated by the candidate or his or her authorized committee(s) for use in connection with the general election," this regulation should not be read to permit the recipient committee to decide for which election a contribution will be used without obtaining the contributor's consent. Otherwise, a contributor's intent might be contravened, and the contributor might be unaware of the fact that he or she has been deemed to have made such a contribution. Moreover, to read § 102.9(e) to permit the recipient committee to independently make a designation would be inconsistent with the rules for designated and undesignated contributions set forth at 11 C.F.R. § 110.1(a)(2).

84040463459

B. Failure of a Local Union's PAC to Register and Report

The failure by Local 25's PAC to register and report is admitted. As noted supra, as a result of the instant inquiry, a refund has been issued to Local 25's PAC by the Howard Committee in the amount of Local 25's 1980 contribution (\$650). As also noted supra, 1982 contributions by Local 25's PAC totaling \$2,500 were refunded at the PAC's request in August, 1982, following a recommendation by the Commission's Reports Analysis Division that such a refund be made in view of Local 25's unregistered status. This Office recommends that the Commission find reason to believe that the Special Voluntary Fund of Local 25 of the International Union of Operating Engineers violated 2 U.S.C. §§ 433 and 434 in 1980 and 1982 by failing to register and report as a political committee. However, because the Howard Committee has returned the contributions involved, it is recommended that no further action be taken against the PAC of Local 25 for this violation.

C. Failure by Howard Committee to Timely Deposit Receipts

The complaint also charged that the Howard Committee repeatedly failed to comply with 11 C.F.R. § 103.3(a), by failing to deposit all contributions within ten days of the treasurer's receipt thereof. The complaint alleges a pattern of failure to make timely deposits, by listing contributions for the 1982 election that were made on varying dates by EPEC, but deposited later, in two batches, by the Howard Committee. As to the 1980 election cycle, the complaint contends that one EPEC contribution

84040463460

8 4 0 4 0 4 6 3 4 6 1

was not reported as received until 32 days after EPEC reported making it. The lapse of time between the contributor's reported dates and the recipient's reported dates is partially explained by EPEC in footnote 1 of its response. The date it lists in its reports is the date the contribution was authorized; under EPEC's procedure, the check may be written days later and actually forwarded even later than that. While we do not have specific evidence that this explains the lapse of time in each instance cited in the complaint, we believe it explains most of the examples cited by the complainant. However, regarding the contribution reported by EPEC with a March 23, 1982 date and by the Howard Committee with a May 25, 1982 date, there is no such plausible explanation. The EPEC response, at footnote 1, states that this contribution was "forwarded with its cover letter" on March 30, 1982, thus suggesting that more than ten days did in fact elapse from the time the contribution was received by the Howard Committee treasurer to the time it was deposited in a campaign depository. Although the Howard Committee's response asserts that "a practice of prompt deposit is the routine followed," this Office recommends a finding of reason to believe a violation of § 103.3(a) has occurred.

D. Failure by Two Locals to File Report Copies with Secretary of State

Complainant additionally has documented violations by the PACs of Locals 68 and 25 of 2 U.S.C. § 439(a)(1), which requires

them to file with New Jersey's Secretary of State copies of reports they are required to file with the Commission. This Office recommends that the Commission find reason to believe that the PACs of Locals 25 and 68 violated 2 U.S.C. § 439(a)(1) in 1982, but that no further action be taken with respect to those violations.

Recommendations:

1. Find reason to believe that the International Union of Operating Engineers-Engineers Political Education Committee ("EPEC") and affiliated political action committees of Locals 825, 68 and 25 violated 2 U.S.C. § 441a(a)(2)(A) by making contributions to the 1982 primary campaign committee of Representative James Howard that exceeded statutory limits.
2. Find reason to believe the 1982 campaign committee of Representative James Howard violated 2 U.S.C. § 441a(f) by accepting contributions violative of 2 U.S.C. § 441a(a)(2)(A) from EPEC and the affiliated political action committees of Locals 825, 68 and 25.
3. Find reason to believe that EPEC and affiliated political action committees of Locals 825 and 25 violated 2 U.S.C. § 441a(a)(2)(A) by making contributions to the 1980 campaign committee of Representative James Howard that exceeded statutory limits.

34040463462

4. Find reason to believe that the 1980 campaign committee of Representative James Howard violated 2 U.S.C. § 441a(f) by accepting contributions violative of 2 U.S.C. § 441a(a)(2)(A) from EPEC and the affiliated political action committees of Locals 825 and 25.

5. Find reason to believe that the 1982 primary campaign committee of Representative James Howard violated 11 C.F.R. § 103.3(a), by its failure to deposit all receipts within ten days of its treasurer's receipt thereof.

6. Find reason to believe that the Special Voluntary Fund of Local 25 violated 2 U.S.C. §§ 433 and 434 in 1980 and 1982, by failing to register and report as a political committee, and take no further action.

7. Find reason to believe that the political action committees of Locals 25 and 68 violated 2 U.S.C. § 439(a)(1) in 1982, by failing to file with New Jersey's Secretary of State copies of reports to the Commission of their contributions to the campaign committee of Representative James Howard, and take no further action.

RE: MUR 1488

Dear Mr. Steele:

This statement is submitted on behalf of the Engineers Political Education Committee of the International Union of Operating Engineers ("EPEC") and its Treasurer, Frank Hanley, in response to the Complaint in the above-captioned matter. It will establish that neither EPEC nor its Treasurer violated the Federal Election Campaign Act ("the Act") with respect to either the 1982 or 1980 election campaigns of candidate James Howard.

The 1982 Election

The Complaint alleges that EPEC and its affiliated committees violated 2U.S.C.441a(a)(2)(A) by contributing a total of \$13,000 (para. 28) or \$17,000 (para. 29) to the Howard for Congress Committee ("the Howard Committee") for the 1982 primary election. As we will show, however, the contributions cited at subparagraphs (c), (h), and (j) of paragraph 28, totalling \$8,000, were not made by EPEC or its affiliated committees and may not be so attributed:

Attachment 1 - 1

- 84040463466
- a) Paragraph 28 (c) lists three contributions made by the Local 25 Special Voluntary Fund ("the Local 25 Fund"), totalling \$2500. The Local 25 Fund is not an affiliated committee of EPEC nor has it ever been so listed on EPEC's Statement of Organization filed with the Federal Election Commission ("the Commission"). Attached hereto is a current copy of EPEC's Statement of Organization which includes a listing of all affiliated committees (Attachment 1). Additionally, as the Complaint acknowledges, the contributions of the Local 25 Fund were returned by the Howard Committee upon advice of the Commission (para. 38). Such refund complies with the recommended Commission procedure under such circumstances. Accordingly, these contributions may not be attributed to EPEC and its affiliated committees.
- b) Paragraph 28 (h) lists a March 23, 1982 contribution by EPEC of \$2500. Complainant, however, apparently failed to discover that on September 27, 1982 EPEC filed an amended report with the Commission, a copy of the relevant portions of which is attached hereto, correcting its March report to reflect that the actual amount of the March 23 contribution was \$2000 (Attachment-2). This amended report was filed after it was discovered that a typing error on the original report had listed the amount as \$2500. A copy of the voucher and cover letter which accompanied the contribution is attached and confirm that the actual amount of the March 23 contribution was \$2000¹ (Attachment 3).

Complainant's omission of EPEC's amended March report has allowed him to erroneously conclude in paragraph 28(i) that EPEC failed to report a \$2000 contribution reported by the Howard Committee on May 25, 1982. Upon information and belief this is the same \$2000 contribution reported by EPEC on its amended March report.

¹ EPEC reports contributions on the date they are authorized by the Committee. Accordingly, while EPEC reported the contribution on March 23, 1982, the check was not drafted until March 29 and was not forwarded with its cover letter until March 30.

- c) Paragraph 28 (j) lists a \$3000 contribution by EPEC on July 15, 1982. This contribution, however, was never forwarded to the Howard Committee and was reported as a refund of contribution on EPEC's August, 1982 report, a copy of the relevant portions of which is attached hereto (Attachment 4). A check in the amount of \$3000 was drafted on July 15, but, prior to its delivery, it was discovered that this amount would exceed the permissible limitations of the Act and the check was voided. A copy of the voided check is attached hereto (Attachment 5). In the interim, however, EPEC's July report was filed listing the \$3000 contribution. Accordingly, and in compliance with recommended Commission procedures for uncashed checks, the \$3000 was listed on EPEC's August report as a refund of contribution from the Howard Committee.

Elimination of the above described amounts from the Complainant's computation results in the accurate total of contributions to the Howard Committee from EPEC and its affiliated committees, i.e., the International Union of Operating Engineers, Local 825, Political Action and Education Committee ("the Local 825 Committee"), and the International Union of Operating Engineers, Local 68, Political Action Committee ("the Local 68 Committee"), during the 1982 election cycle: \$9000. The total is broken down chronologically as follows:

<u>Committee</u>	<u>Amount</u>	<u>Date</u>
Local 825	\$1000	05/13/81
EPEC	\$2000	05/26/81
EPEC	\$1000	11/30/81
EPEC	\$1000	12/02/81
Local 68	\$1000	12/04/81
Local 825	\$1000	12/04/81
EPEC	\$2000	03/23/82

While this amount does not exceed the total of \$10,000 which permissibly could have been contributed to candidate Howard for the primary and general elections combined, the remaining question is whether EPEC and its affiliated committees properly allocated their contributions between the primary and general elections so as not to exceed the Act's limitation of \$5000 per election. To this question we respond in the affirmative.

The chronological tally demonstrates that as of December 2, 1981 EPEC and its affiliated committees had contributed a total of \$5000 to the Howard Committee for the 1982 primary election. Accordingly, the remaining \$4000 contributed after that date should have been designated for the general election.

84040463467

The Form 3X reports, filed by EPEC and its affiliated committees, however, reflect that the box "general" was checked only with regard to the \$1000 contribution of the Local 825 Committee on December 4, 1981. In addition, the "general" box should have been checked with respect to the \$1000 contribution of the Local 68 Committee on December 4, 1981², and the \$2000 contribution of EPEC on March 23, 1982.

EPEC's March 23 contribution was accompanied by a cover letter, a copy of which is attached hereto (Attachment 3). The final paragraph of the letter advises the Candidate:

"If this check together with any other contributions from our Local Unions exceeds the amount provided by Federal Law, please advise."

We are advised that the \$1000 contribution of the Local 68 Committee on December 4, 1981 was accompanied by a similar letter.

The referenced sentence is included in all EPEC contribution letters in order to avoid that which is alleged in the Complaint herein, i.e., a violation of the contribution limitations of the Act. In this manner, candidates are placed on notice that EPEC contributions must be allocated in accordance with the Act. Thus, if a particular contribution from EPEC, when aggregated with those of any of its affiliated committees, should exceed the contribution limit prior to a primary, the candidate should allocate that contribution to the general election. The Commission's regulations contemplate such a procedure. A method is set forth at 11 CFR 102.9(E) whereby a candidate may designate contributions received prior to a primary election for the general election.

Under the circumstances of this case, EPEC's cover letter evidenced its intention that its March 23, 1982 contribution of \$2000 be allocated to the general election by the Howard Committee. Its failure to so identify the contribution by checking the appropriate box on its Form 3X report was a technical error which does not constitute a substantive violation of the Act.

² Although the Local 68 Committee failed to designate the purpose of this contribution on their Form 3X report, we are advised that they are amending the report to designate general election.

In order to rectify this error, an amended report, a copy of which is attached hereto as Attachment 6, is being filed contemporaneously with the submission of this statement, designating EPEC's March 23 contribution for the general election.

This amended report, along with that being filed by the Local 68 Committee, establishes for the record that which was intended and expressed in the respective cover letters, i.e., that of the \$9000 contributed by EPEC and its affiliated committees, \$5000 was to be allocated to the primary election and \$4000 was to be allocated to the general election. Accordingly, no violation of the Act occurred.

The 1980 Election

Much of the previous discussion concerning the 1982 election applies as well to the allegations of the Complaint concerning the 1980 election.

It is alleged that EPEC and its affiliated committees violated 2U.S.C.441a(a)(2)(A) by contributing a total of \$6,650 to the Howard Committee for the 1980 general election (para. 40). It is also alleged that EPEC contributed, but failed to report, an additional \$500 to the Howard Committee on July 16, 1979 (para. 41(c)).

Addressing the second allegation first, EPEC did contribute \$500 to the Howard campaign on July 13, 1979. Contrary to the allegation, however, EPEC reported this contribution on its Form 3 Quarterly Report for the period July 1, 1979 through September 30, 1979. A copy of the relevant portions of that report, which was duly filed on October 9, 1979, is attached hereto (Attachment 7). The \$500 contribution is listed on the first line of page 4 of the schedule supporting line 22(b).

With respect to the Complaint's allegation of excessive contributions it must first be pointed out that Complainant has, again, included in his total contributions made by the Local 25 Fund. As discussed earlier, the Local 25 Fund is not, nor has it ever been, an affiliated committee of EPEC. The contributions of the Local 25 Fund, listed at paragraph 41(g) and (h), may not be attributed to EPEC and its affiliated committees.

Accordingly, the accurate total of contributions made to the Howard Committee by EPEC and its affiliated committees during the entire 1980 election cycle was \$6500. The total is broken down chronologically as follows:

<u>Committee</u>	<u>Amount</u>	<u>Date</u>
EPEC	\$500	07/13/79
EPEC	\$1000	06/09/80
EPEC	\$500	07/22/80
Local 825	\$1000	09/15/80
EPEC	\$2500	09/26/80
Local 825	\$1000	10/17/80

While the first \$5500 of these contributions, i.e., the first five contributions listed, were designated on the respective Form 3 reports as general election contributions, EPEC's \$500 contribution of July 13, 1979 was intended for the primary. The contribution was made eleven months prior to the primary, at a time when no other contributions had been made to the Howard Committee. The failure to properly check the box "primary" on the relevant quarterly report was an administrative error. Again, such a technical error does not constitute a substantive violation of the Act, and is being corrected by the filing of an amended report, contemporaneously with the submission of this statement. A copy is attached hereto as Attachment 8.

The remaining five contributions listed above totalled \$6,000. Clearly, \$1000 of that amount should have been allocated to the primary election by the Howard Committee in order to avoid a violation of the Act. As discussed previously, EPEC accompanies its contributions with a cover letter which advises the candidate of the nature of EPEC and requests that if its contributions, combined with those of its affiliated committees, exceeds the amount provided by federal law that EPEC be so advised³. EPEC was not so advised by the Howard Committee and it is, therefore, assumed that the Howard Committee properly allocated the referenced \$6,000 between the general and primary elections so as to comply with the Act⁴. If, however, the Commission believes that, in order to clarify this matter, EPEC should amend its reports to change the election designation of any contribution or contributions, we will be happy to do so.

³ Each of the listed contributions was accompanied by such a cover letter.

⁴ Likewise, we are advised that the Local 825 Committee accompanies its contributions with a similar cover letter.

84040463470

Conclusion

For the foregoing reasons, the Commission should find no reason to believe that the Act has been violated and should dismiss the Complaint.

Respectfully submitted,

J. ALBERT WOLL, Esq.
MICHAEL R. FANNING, Esq.

Re: I.D. No. C00029504 (3/1/82 - 3/31/82;
4/1/82 - 4/30/82 Reports)

Dear Mr. Tangney:

In response to your letter of September 15, 1982, the following information is being provided.

As indicated in my letter of this date concerning the Engineers Political Education Committee's February, 1982 report, certain contributions were inadvertently reported during that reporting period instead of during the month of March, 1982 when they in fact were made. Accordingly, the following Line 21 itemizations should be added:

1. Congressman Patterson Election Committee (\$250.00)
2. Dave Evans for Congress Committee (\$500.00)
3. Barney Frank for Congress Committee (\$500.00)
4. Brodhead for Congress Committee (\$500.00)
5. Jones for Congress Committee (\$1,000.00)
6. Burdick Campaign Committee (\$5,000.00)
7. Shamansky for Congress Committee (\$500.00)
8. Return Herb Harris to Congress (\$1,500.00)
9. Mike Lowry for Congress Committee (\$500.00)

In addition, the following contributions were made during the month of March, 1982 and should be added to the Line 21 itemizations:

Attachment 1 - 10

1. Democratic Congressional Campaign Committee
(\$15,000.00)
2. Senate Democratic Leadership Circle
(\$15,000.00)
3. Demoratic National Finance Council
(\$10,000.00)

Finally, the "Babbit for Arizona Committee" contribution of \$1,500.00, which was erroneously reported as being made in February, 1982, should be added to the Line 27 itemizations.

In addition to the foregoing, several other corrections should be noted. On the Line 21 itemization, page 3, a \$2,500.00 contribution for the "Howard for Congress Committee" is incorrect and should in fact be \$2,000.00. Moreover, the following contributions reported during the March, 1982 period were made in April, 1982 and should, accordingly, be deleted from the March, 1982 reporting period and added to the April, 1982 period:

1. Anthony for Congress Campaign Committee
(\$500.0)
2. Stafford Reelection Committee (\$500.00)
3. Citizens for Gilman for Congress (\$400.00)

The respective reports for March and April, 1982 have been modified to reflect the referenced corrections and are attached hereto.

I trust that the foregoing information sufficiently addresses the issues raised in your letter.

Very truly yours,

Frank Hanley
Treasurer

RE: I.D. No. C00029504
(3/1/82 - 3/31/82 Report)

Dear Mr. Tangney:

Enclosed herewith is a report Form 3X amending EPEC's amended report, filed September 27, 1982, covering the period March 1 through March 31, 1982.

A \$2,000 contribution to the HOWARD FOR CONGRESS COMMITTEE, listed as the first entry on Page 3 of the itemized line 21 contributions on Schedule B, was incorrectly designated as a primary election contribution.

This amended report correctly designates the entry as a general election contribution.

Very truly yours

OF COUNSEL

PLEASE REPLY TO NEWARK

Mr. Charles N. Steele
General Counsel
Federal Election Commission
1325 K Street, N.W.
Washington, D.C. 20463

Re: Dornan v. Howard, et als.; MUR 1488

Dear Mr. Steele:

This office represents the International Union of Operating Engineers (IUOE), Local 68, P.A.C., and Mr. Vincent Giblin in the above-captioned matter. A Statement of Designation of Counsel is enclosed herewith.

Upon a review of the complaint in this matter, and in accordance with previous correspondence, the following is submitted on behalf of both respondents.

Preliminarily, it should be noted that the complaint only alleges election violations by Local 68 in 1982. With respect to the 1980 election cycle, there is not even an alleged violation by Local 68. Moreover, even accepting the complainant's facts at face value, the involvement of Local 68 and Mr. Giblin with reference to the alleged violations in 1982 is at best peripheral.

Specifically, the complaint alleges that the Local 68 P.A.C. made a \$1,000 contribution to the Howard for Congress Committee on December 4, 1981. That amount, of course, is well within the monetary limitations of 2 U.S.C. 441a, and does not individually constitute an offense whether it is allocated to the primary election or general election conducted in 1982. The particular allegation is that this amount, when combined with other campaign contributions of affiliated political action committees of the IUOE, constitutes a violation of the above-referenced statutes.

In response to this charge, we adopt the letter response submitted to you on December 13, 1982 by Counsel for the International Union of Operating Engineers, Engineers Political Education Committee, and its Treasurer. That letter sets forth a detailed response and, to the extent that Local 68 and Mr. Giblin are involved at all, the remarks contained therein are apposite. Accordingly, the same are incorporated herein by reference.

Attachment 2 - 1

84040463507

However, the following additional comments with respect to Local 68 are in order.

The complainant's assumption that the \$1,000 contribution by Local 68 was for the 1982 primary is without any basis in fact. Local 68 made no representation concerning the particular "election" to which this contribution was to be allocated, and was apparently not under a legal obligation to do so. In fact, this amount was intended for the 1982 general election. Moreover, that contribution was forwarded to the Howard for Congress Committee with an accompanying letter requesting that the Committee review the total contributions of both the IUOE and other local unions to insure that this amount, if combined with other contributions, would not exceed applicable election limitations.

The reasons for this accompanying instruction to the Howard Committee were twofold. The regulations of the Federal Election Commission apparently recognize such instructions as one method for insuring proper allocation of campaign contributions. See 11 C.F.R. 110.1 et seq. More importantly, it is the recipient of such election contributions which is in the best position to monitor the receipt of such funds and to allocate them properly.

It is clearly unreasonable for the complainant to convert this \$1,000 contribution by Local 68, which on its face is clearly within legal limitations, into an election violation by both combining it with the total amount of IUOE and affiliated union contributions and also unilaterally attributing it to whatever 1982 election will suit his purpose. A more appropriate and reasonable course, particularly when a contribution is not earmarked for a specific election, would be to allocate the contribution in a manner which will not result in a violation. In any event, this was the intention of Local 68 at the time of its December, 1981 contribution.

If there was a violation it was neither substantial nor substantive. So as to bring this matter to a sensible and rational conclusion, an amended report will be filed with the Commission under separate cover in the immediate future.

The only other reference to Local 68 is in Paragraph 39 of the Complaint where it is said that Local 25 and Local 68 failed to file with the State of New Jersey copies of reports or statements which indicated that they had made contributions to the Howard for Congress Committee for the 1982 federal election. This is allegedly in violation of 2 U.S.C. §439(a) (1), which provides:

"A copy of each report and statement required to be filed by any person under this Act shall be filed by such person with the Secretary of State (where equivalent State Officer) of the appropriate State, or, if different, the officer of such State was charged by State law with maintaining State election campaign reports. The Chief Executive Officer of such State shall designate any such officer and notify the Commission of any such designation."

Attachments 2 - 2

84040463508

Local 68 acknowledges that it did not simultaneously file a copy of this federal report with the appropriate state agency. This action was purely an oversight which has now been corrected. That is, since the instant Complaint was filed, Local 68 advises this office that it has sent the report to the appropriate state authorities. In any event, it is respectfully suggested that such inadvertant failure to forward copies of such reports is not at all unusual, and was merely an administrative error. It hereby assures the Commission that appropriate internal administrative steps will be taken so as to assure that in the future copies of such reports and the like will be filed with the appropriate State official.

Accordingly, it is respectfully submitted that the complaint in this matter is frivolous and should be dismissed against both the Local 68 P.A.C. and Mr. Giblin.

Very truly yours,

RE: MUR 1488

Dear Mr. Steele:

I am the attorney in the above captioned matter for respondents, John Eichele, individually and as Treasurer of the International Union of Operating Engineers Local 825 Political Action And Education Committee and of the International Union of Operating Engineers Local 825 Political Action And Education Committee (hereinafter Local 825 PAC).

I attach herewith duly executed authorization from the respondents for me to represent them in this proceeding and to receive any notifications and other communications from the Commission.

This response is submitted in reply to the complaint that was filed by Robert J. K. Dornan with the Commission on October 21, 1982. Time to respond was heretofore extended by the Commission to December 13, 1982.

The complaint alleges that the Local 825 PAC made excessive campaign contributions in respect to both the 1982 primary election and the 1980 general election by making certain contributions to the Howard

Attachment 3-1

8404046510

DEC 13 1982

For Congress Committee which when taken in conjunction with the contributions made by Engineers Political Education Committee (hereinafter EPEC), the International Union of Operating Engineers Local 68 Political Action Committee (hereinafter Local 68 PAC) and the Special Voluntary Fund International Union of Operating Engineers Local 25 (hereinafter Local 25 Special Voluntary Fund) exceeded the \$5,000.00 limitation for each of the two elections.

With respect to the 1982 election process, the Local 825 PAC gave a contribution on May 13, 1981 of \$1,000.00 to the Howard For Congress Committee and indicated on its filed report with the FEC that this amount was for the primary. The candidate's committee did not reflect on its report as to whether it was for the primary or the general election. The Local 825 PAC gave another \$1,000.00 contribution to the Howard For Congress Committee on December 4, 1981 and indicated on its FEC report that this was for the general election.

The Local 825 PAC contributions, whether considered individually or collectively with the contributions of affiliated SSF's, did not constitute a violation of the Federal Election Campaign Act.

The complaint alleges that the Local 25 Special Voluntary Fund is an affiliated fund. However, as the complaint itself indicates, the Local 25 Special Voluntary Fund was not registered with the Federal Election Commission and its contribution of \$2,500.00 to the Howard For Congress Committee in connection with the 1982 election was returned on August 5, 1982, prior to the primary. The amount of such contribution should accordingly not be included in determining the sums that were contributed to the Howard For Congress Committee in the 1982 election by Local 825 PAC and its affiliates, EPEC and Local 68 PAC.

The response of EPEC in this proceeding points out several

Attachment 3-2

84040463511

misstatements of fact in the complaint which result in the complainant's erroneous conclusion that total amounts contributed to the Howard For Congress Committee by the respondents exceeded the permissible limit. EPEC properly points out that in all the sum of \$9,000.00 was contributed by EPEC and its two affiliated committees to the Howard For Congress Committee in connection with the 1982 election. This consists of \$2,000.00 by Local 825 PAC; \$1,000.00 by Local 68 PAC; and \$6,000.00 by EPEC. However, some \$4,000.00 of this \$9,000.00 total contributions were made by EPEC on November 30, 1981, December 2, 1981 and March 3, 1982 and were intended to be, and were in fact, made for the 1982 general election but were erroneously checked by EPEC in its FEC report for the primary. It would appear, therefore, the true facts as to these contributions are set forth in the EPEC response and accordingly the total contributions of EPEC and its affiliates for the 1982 primary election did not exceed the proscribed limit of \$5,000.00.

With respect to the 1980 federal general election, the complaint alleges that EPEC and its affiliated committees contributed a total of \$6,650.00 to the Howard For Congress Committee. However, this sum includes \$650.00 contributed by Local 25 Special Voluntary Fund which as previously pointed out is not a registered Political Action Committee and is not affiliated in any way with the other respondents in this proceeding.

The contributions made by the Local 68 PAC in the 1980 election were in the total amount of \$2,000.00. Payments of \$1,000.00 each were made on September 15, 1980 and October 17, 1980. The Local 825 PAC did not indicate on its report filed with the FEC on October 20, 1980 as to whether the September 15th contribution was for the primary or the general election, although the Howard For Congress Committee report

Attachment 3-3

84040463512

to the FEC designated that it was for the general election. The Local 825 PAC did designate on its FEC report that the contribution on October 17, 1980 was for the general election.

EPEC in its response to the complaint herein has pointed out that it inadvertently and erroneously checked on its FEC report that a \$500.00 contribution on July 13, 1979 and a \$1,000.00 contribution in June, 1980 were for the general election when in fact they were intended for the 1980 primary election of the candidate James Howard. If these contributions are now properly allocated to the general election as they should be in the light of the response made by EPEC, it is clear that total contributions to the 1980 Howard For Congress Committee for the general election were not in excess of the permitted amount.

EPEC in its response has noted that all contributions that it sent to the Howard For Congress Committee were accompanied by an attached letter which specifically stated "If this check together with any other contributions from our Local Unions exceeds the amount provided by federal law, please advise." This practice followed by EPEC was also standard with the Local 825 PAC and all contributions that were made were accompanied by a similar admonition. In no instance was the Local 825 PAC advised that there was an excessive contribution.

It is respectfully submitted that on the basis of the response made herein and the response of EPEC and the Local 68 PAC that no factual basis exists to support the complaint herein and the charges should be dismissed.

Respectfully submitted,

John J. Mooney

RE: MUR 1488

Dear Mr. Steele:

I am the attorney in the above captioned matter for respondents, Stephen J. Leslie, individually and as treasurer of the Special Voluntary Fund of the International Union of Operating Engineers, Local 25, and of the said Special Voluntary Fund.

I attach herewith duly executed authorization from the respondents for me to represent them in this proceeding and to receive any notifications and other communications from the Commission.

This response is submitted to the complaint which was filed by Robert J. K. Dornan with the Commission on October 21, 1982. Time to respond was heretofore extended by the Commission to December 13, 1982.

The complaint alleges that the Special Voluntary Fund, International Union of Operating Engineers, Local 25, made improper campaign contributions to the Howard For Congress Committee in connection with the 1982 primary election and the 1980 general election. It is further alleged that Local 25 Special Voluntary Fund violated the Federal Election Commission Act in that it had failed to register as a Political Action Committee.

Attachment 4-1

34040463514

The complaint alleges with respect to the 1982 primary election that the Local 25 Special Voluntary Fund made total contributions of \$2,500.00 and were not registered and are not presently registered with the Federal Election Commission. The payments were made on the following dates in the indicated amounts:

June 18, 1981	-	\$1,000.00
August 4, 1981	-	\$ 500.00
December 29, 1981	-	\$1,000.00

8404046351
The factual allegations of the complaint as to these contributions are admitted. However, the complaint itself shows that the Local 25 Special Voluntary Fund obtained a return of these contributions from the Howard For Congress Committee on August 5, 1982. The return of these funds was brought about after the Federal Election Commission notified the respondent, Local 25 Special Voluntary Fund, by letter dated April 8, 1982, that the Local 25 Special Voluntary Fund had failed to register as a Political Action Committee and that it must either register and fulfill all reporting requirements with respect to contributions or obtain a full refund from the Political Committee to which it had made the contributions.

After reviewing the matter, the respondents elected not to register and decided that they would obtain a return of the contributions and so notified Mike Tangney of the Commission staff on July 29, 1982.

In the meantime, respondents had already notified the Howard For Congress Committee of its request that the contributions be returned and on August 5, 1982, prior to the primary date with respect to which they were made, the contributions were returned in full. It was the

Attachment 4-2

1982 10 10

understanding of the respondents that the return of these contributions would in all likelihood close out the matter and nothing further was heard from the Commission regarding it until notification of the filing of the complaint by Robert J. K. Dornan on October 21, 1982.

The allegations of the complaint with respect to contributions by the Local 25 Special Voluntary Fund to the Howard For Congress Committee in connection with the 1980 general election set forth two contributions; one in the amount of \$400.00 on July 11, 1979 and the second in the amount of \$250.00 on July 28, 1980. I was not aware of these contributions when I conferred with Mr. Tangney on the telephone in July, 1982 and advised him that the Local 25 Special Voluntary Fund was obtaining the return of the \$2,500.00 given to the Howard For Congress Committee.

Upon receipt of the complaint in the instant case with its allegation of the improper \$650.00 total contributions in the 1980 general election, my clients advised me that they would undertake the immediate return of this sum from the Howard For Congress Committee and that they had not knowingly intended to make any illegal contributions. I communicated with the Howard For Congress Committee through its Counsel and requested that the contributions be returned. I believe that this will be accomplished prior to the December 13th date on which this response is due and that the Howard For Congress Committee will so advise the Commission in its response to the pending complaint in this matter.

The Local 25 Special Voluntary Fund, which is supported entirely by voluntary contributions from members, is a separate segregated fund and contributions thereto are not part of the dues and assessments of members of Local 25 nor are contributions required to become

Attachment 4-3

8404046515

or remain members of Local 25. Failure to register the Special Voluntary Fund was not a willful act to avoid compliance with the law but was the result of a lack of understanding of the requirements of the Federal Election Commission Act.

In the future, the Local 25 Special Voluntary Fund will refrain from making any political contributions in federal elections so long as it remains unregistered.

The respondents respectfully submit that the pending charge should be dismissed in view of the return of the \$2,500.00 in August, 1982 and the anticipated return of the \$650.00 which was paid in connection with the 1980 general election.

Respectfully submitted,

John J. Mooney

RE: Robert J. K. Dornan -vs- James Howard, et al
MUR 1488

Dear Ms. Nathan:

This response to the above mentioned matter is filed on behalf of the respondents Howard For Congress Committee, William J. Eyres, Treasurer of the Howard for Congress Committee and Congressman James J. Howard.

We acknowledge the notice of October 25, 1982 and submit the following to demonstrate that no action should be taken against these respondents in connection with this matter.

The Complaint alleges violations of the Act, asserting acceptance of contributions in excess of \$5,000 for both the 1980 general election and the 1982 primary election. The Complaint alleges, as to both 1980 and 1982, that excessive contributions were received from the Engineers Political Education Committee of

Attachment 5-1

84040463513

the International Union of Operating Engineers and its affiliated SSPs. The allegation is that as much as \$7,150 was received for the 1980 election and as much as \$17,000 was received for the 1982 election.

The Complaint further alleges a failure to report receipts and a failure to make deposits within ten days of receipt by the treasurer.

These allegations are denied and we assert that these respondents have always attempted to comply with both the letter and spirit of the Act.

This response will address the allegations by first responding to the 1980 general election allegations and than the 1982 primary election allegations. Such response will also demonstrate that the allegations of failure to report receipts is unfounded.

The allegations of failure to make deposits within ten days of receipt by the treasurer is denied. Every effort is made by these respondents to promptly make deposits of monies as received. Both the Congressman and the Treasurer have given strict instructions that campaign contributions are to be deposited promptly. Such a practice of prompt deposit is the routine followed by the candidate's committee and Treasurer. We urge that there has been substantial compliance with this requirement and that no action should be taken by the FEC as to this allegation.

The 1980 General Election

Initially, it should be noted that a contribution of \$400 was received by check dated July 11, 1979 and \$250 by check dated July 28, 1980 from the International Union of Operating Engineers, Local 25 Special Voluntary Fund. This is an unregistered local union political fund and the Howard for Congress Committee has recently returned this \$650 sum. The respondents were not aware that this organization was not registered; otherwise, the contributions would not have been accepted.

For the 1980 primary and general elections, there was (exclusive of the above mentioned \$650) a total contribution of \$6,500 from the International Union of Operating Engineers and the SSFs. Of this sum, the \$1,500 was contributed toward the primary election and \$5,000 to the general election. If a formal amendment to our FEC report is desired, we shall submit a report changing and showing the correct designations.

For convenient reference we have attached to this response a copy of Exhibit B from the Complaint and have marked up in red ink this Exhibit to correctly demonstrate the returned funds.

It is probable that a reason for the allegations concerning these contributions is the mistaken or inadvertent designation upon the FEC forms as to allocation of the contribution to the primary or general election. However, it is submitted that there is no violation in either the spirit or the substance of the Act.

84040463520

1982 Primary Election

For convenience sake, reference is made to Exhibit A attached to the Complaint. This Exhibit lists 12 separate amounts as contributed to and received by the candidate's committee in the total amount of \$17,000. It then correctly notes that three contributions in the total amount of \$2,500 from Local 25, Special Voluntary Fund, were returned by the candidate's committee.

Exhibit "A", at its last entry, indicates contributions of I.U.O.E. Engineers Political Education Committee in the amounts of \$2,500, \$2,000 and \$3,000. It notes that only the \$2,000 contribution was reported by the candidate's committee and that the sums of \$2,500 and \$3,000 had not been reported. The fact is that only the \$2,000 contribution was received by the candidate's committee. Neither the \$3,000 nor \$2,500 was received.

On information and belief we state that the contributors FEC reports reflect that in fact only the \$2,000 contribution was made.

Thus, of the total of \$17,000 listed on Exhibit A the total amount remaining in question is \$9,000. That is, \$2,500 had been returned by the candidate's committee and \$5,500 was never received by the campaign.

84040463522

Of this remaining \$9,000 concerning the 1982 elections, again the confusion leading to the allegations may have arisen by reason of the mistaken or inadvertent designation of the contribution for a particular election. A total of \$5,000 was contributed to the primary election and a total of \$4,000 was contributed to the general election. The contributions of \$1,000 and \$2,000 received on 6/18/81 were received for the primary election although our FEC form did not designate any election for these receipts.

The two \$1,000 receipts of 12/29/81 were both designated for the primary election. The remaining contribution of two \$1,000 receipts of 12/29/81 and \$2,000 on 5/25/82 were mistakenly designated as primary when the same were actually allocated for the general 1982 election. If a formal amendment to our FEC report is desired, an appropriate amended report will be filed to correctly designate these contributions. However, in no event was there, with regard to the \$9,000 contributed to the 1982 primary and general elections, any violation of the spirit or intent of the Act and therefore it is urged that no action should be taken as to these allegations.

We believe the preceding responds to the allegations but we wish to further state that the Congressman and Treasurer have and shall continue to take steps to insure compliance with the Act.

As you may know, the campaign committee relies upon volunteers (including the volunteer treasurer). The Congressman recognizes the important and beneficial purposes of the Act. He therefore, has given directions over the years that the campaign financial management and reporting be given close attention and that all items be transacted and documented in full and clear detail.

In addition, the Congressman has directed that in the future all individuals involved with campaign finances and the related paper work shall be provided additional training with regard to the Act. Further, the opening of separate accounts to receive primary election contributions and general election contributions is planned. If the FEC has any suggestions with regard to such training, or how otherwise the candidate's committee can improve it's functions and operations, such suggestions would be happily received and implemented.

CONCLUSION

In summary it is submitted that no action should be taken on the Complaint.

The \$650 contribution made in 1979 and 1980 by an unregistered SSF has been returned by the campaign committee.

The respondents deny the allegation that deposits are not made within ten days by receipt of the Treasurer. All receipts are promptly deposited and in accordance with the Act.

In the 1980 elections, a total of \$6,500 was received, of which \$1,500 was properly allocated to the primary election and \$5,000 to the general election. It is asserted there was no violation to either the spirit or intent of the Act.

In the 1982 election, a total of \$9,000 was received and retained. Of this, \$5,000 is properly designated to the primary election and \$4,000 to the general election. It is asserted there was no violation to either the spirit or intent of the Act.

It may be desirable, for housekeeping purposes and to make the records totally clear, that respondents file formal amended FEC reports for 1980 and 1982 to reflect the proper allocation between primary and general elections.

84040463524

For the foregoing reasons, it is respectfully submitted that Howard For Congress Committee, William J. Eyres, Treasurer of the Howard for Congress Committee and Congressman James J. Howard have demonstrated that no action should be taken on the Complaint.

Respectfully submitted,

RICHARD T. O'CONNOR

Re: MUR 1488

Dear Mr. O'Connor:

The Federal Election Commission notified your client on October 25, 1982, of a complaint that alleged that your client had violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to your client at that time.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on , 198 , determined that there is reason to believe that your client has violated 2 U.S.C. § 441a(f), a provision of the Act, and 11 C.F.R. § 103.3(a), a provision of the Commission's Regulations. Specifically, it appears that your client accepted contributions from the Engineers' Political Education Committee and its affiliated committees in 1980 and 1982 that exceeded statutory limits. In 1980, EPEC and the separate segregated funds of IUOE Locals 825 and 25 contributed \$7,150, all of which is attributable to the general election period under 11 C.F.R. § 110.2, because the contributions were designated for the general election or, in the case of \$650 from Local 25's PAC, were undesignated but made after the primary election. In 1982 a total of \$10,500 was contributed by EPEC and the PACs of IUOE Locals 825, 68 and 25 which is attributable to the primary election period, under 11 C.F.R. § 110.2. Despite the eventual refund of Local 25's PAC's contributions, their making and acceptance violated the Act. In addition, it appears that your client failed to deposit all receipts within ten days of the treasurer's receipt thereof.

Re: MUR 1488

Dear Mr. Zazzali:

The Federal Election Commission notified your client on October 25, 1982, of a complaint that alleged that your client had violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to your client at that time.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on , 198 , determined that there is reason to believe that your client has violated 2 U.S.C. §§ 441a(a)(2)(A) and 439(a)(1), provisions of the Act. Specifically, it appears that your client made contributions to the 1982 campaign committee of Representative James Howard that exceeded the limits imposed by that section. In 1982, EPEC and some affiliated separate segregated funds, including your client, contributed a total of \$10,500 attributable to the primary election period, under 11 C.F.R. § 110.2. Under 2 U.S.C. § 441a(a)(5), all those contributions are considered to have been made by a single political committee. Your client also failed to file with the New Jersey Secretary of State copies of reports to the Commission of contributions made to the Howard committee. With respect to the violation of 2 U.S.C. § 439(a)(1), the Commission also voted to take no further action in the matter.

Re: MUR 1488
International Union of
Operating Engineers
Local 825 EPEC

Dear Mr. Mooney:

The Federal Election Commission notified your client on October 25, 1982, of a complaint that alleged that your client had violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to your client at that time.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on , 198 , determined that there is reason to believe that your client has violated 2 U.S.C. § 441a(a)(2)(A), a provision of the Act. Specifically, it appears that your client made contributions to the 1980 and 1982 campaign committees of Representative James Howard that exceeded statutory limits. In 1980, EPEC and some affiliated separate segregated funds, including your client, contributed a total of \$7,150 to the Howard Committee, all of which is attributable to the general election period under 11 C.F.R. § 110.2, because the contributions were designated for the general election and/or were made after the primary election. In 1982, EPEC and affiliates contributed \$10,500 attributable to the primary elections, under 11 C.F.R. § 110.2. Under 2 U.S.C. § 441a(a)(5), all those contributions are considered to have been made by a single political committee.

Re: MUR 1488

Fund

Dear Mr. Mooney:

The Federal Election Commission notified your client on October 25, 1982, of a complaint that alleged that your client had violated certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to your client at that time.

Upon further review of the allegations contained in the complaint and information supplied by you, the Commission, on , 198 , determined that there is reason to believe that your client has violated 2 U.S.C. §§ 441a(a)(2)(A), 433, 434, and 439(a)(1), provisions of the Act. Specifically, it appears that your client made contributions to the 1980 and 1982 campaign committees of Representative James Howard that exceeded statutory limits. In 1980, EPEC and some affiliated separate segregated funds, including your client, contributed a total of \$7,150 to the Howard Committee, all of which is attributable to the general election period under 11 C.F.R. § 110.2, because the contributions either were designated for the general election, or, in the case of your client's contribution of \$650, were made after the primary election. In 1982, EPEC and affiliated PACs contributed a total of \$10,500 attributable to the primary election period, under 11 C.F.R. § 110.2. Under 2 U.S.C. § 441a(a)(5), all those contributions are considered to have been made by a single political committee. Despite the eventual refunds of the Special Voluntary Fund's contributions, their making violated the Act.

Your client also failed to register and report as a political committee, and failed to file with the New Jersey Secretary of State copies of reports required by the Commission reflecting contributions to the Howard campaign committees. With respect to the violations of 2 U.S.C. §§ 433, 434 and 439(a)(1), in view of circumstances related by you in your response to the Commission's notice of the complaint, and other information, the Commission also voted to take no further action.

The Office of General Counsel would like to settle this matter through conciliation prior to a finding of probable cause. However, in the absence of any information which demonstrates that no further action should be taken against your client, the Office of General Counsel must proceed to the next compliance stage as noted on page 2, paragraph 2 of the enclosed procedures.

This matter will remain confidential in accordance with 2 U.S.C. § 437g(a)(4)(B) and § 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public.

Dear Mrs. Papillo:

Your letter of October 27, 1982 to the Attorney General regarding possible violations of the Federal Election Campaign Act by congressional candidate James Howard and various political committees has been referred to this office for appropriate action.

We have reviewed the information you have provided, including a copy of a complaint filed by Congressman Robert J.K. Dornan with the Federal Election Commission in which Mr. Dornan alleges that Mr. Howard knowingly received and the International Union of Operating Engineers-Engineers Political Education Committee knowingly made contributions in excess of the \$5,000 limit set forth in 2 U.S.C. §441a (a)(2)(A). Based on that review, we have concluded that the facts do not warrant criminal action.

As you are aware, the Federal Election Commission is empowered to impose civil sanctions for all violations of the Federal Election Campaign Act; the jurisdiction of the Department of Justice is limited to violations that are both aggravated in amount and committed with specific intent. 2 U.S.C. §437g(d). Because these criteria do not appear reflected in the submitted documents, we plan to take no further action in this matter.

Re: Dornan v. Howard, et als.; MUR 1488

Dear Mr. Steele:

This office represents the International Union of Operating Engineers (IUOE), Local 68, P.A.C., and Mr. Vincent Giblin in the above-captioned matter. A Statement of Designation of Counsel is enclosed herewith.

Upon a review of the complaint in this matter, and in accordance with previous correspondence, the following is submitted on behalf of both respondents.

Preliminarily, it should be noted that the complaint only alleges election violations by Local 68 in 1982. With respect to the 1980 election cycle, there is not even an alleged violation by Local 68. Moreover, even accepting the complainant's facts at face value, the involvement of Local 68 and Mr. Giblin with reference to the alleged violations in 1982 is at best peripheral.

Specifically, the complaint alleges that the Local 68 P.A.C. made a \$1,000 contribution to the Howard for Congress Committee on December 4, 1981. That amount, of course, is well within the monetary limitations of 2 U.S.C. 441a, and does not individually constitute an offense whether it is allocated to the primary election or general election conducted in 1982. The particular allegation is that this amount, when combined with other campaign contributions of affiliated political action committees of the IUOE, constitutes a violation of the above-referenced statutes.

In response to this charge, we adopt the letter response submitted to you on December 13, 1982 by Counsel for the International Union of Operating Engineers, Engineers Political Education Committee, and its Treasurer. That letter sets forth a detailed response and, to the extent that Local 68 and Mr. Giblin are involved at all, the remarks contained therein are apposite. Accordingly, the same are incorporated herein by reference.

84040463556

However, the following additional comments with respect to Local 68 are in order.

The complainant's assumption that the \$1,000 contribution by Local 68 was for the 1982 primary is without any basis in fact. Local 68 made no representation concerning the particular "election" to which this contribution was to be allocated, and was apparently not under a legal obligation to do so. In fact, this amount was intended for the 1982 general election. Moreover, that contribution was forwarded to the Howard for Congress Committee with an accompanying letter requesting that the Committee review the total contributions of both the IUOE and other local unions to insure that this amount, if combined with other contributions, would not exceed applicable election limitations.

The reasons for this accompanying instruction to the Howard Committee were twofold. The regulations of the Federal Election Commission apparently recognize such instructions as one method for insuring proper allocation of campaign contributions. See 11 C.F.R. 110.1 et seq. More importantly, it is the recipient of such election contributions which is in the best position to monitor the receipt of such funds and to allocate them properly.

It is clearly unreasonable for the complainant to convert this \$1,000 contribution by Local 68, which on its face is clearly within legal limitations, into an election violation by both combining it with the total amount of IUOE and affiliated union contributions and also unilaterally attributing it to whatever 1982 election will suit his purpose. A more appropriate and reasonable course, particularly when a contribution is not earmarked for a specific election, would be to allocate the contribution in a manner which will not result in a violation. In any event, this was the intention of Local 68 at the time of its December, 1981 contribution.

If there was a violation it was neither substantial nor substantive. So as to bring this matter to a sensible and rational conclusion, an amended report will be filed with the Commission under separate cover in the immediate future.

The only other reference to Local 68 is in Paragraph 39 of the Complaint where it is said that Local 25 and Local 68 failed to file with the State of New Jersey copies of reports or statements which indicated that they had made contributions to the Howard for Congress Committee for the 1982 federal election. This is allegedly in violation of 2 U.S.C. §439(a) (1), which provides:

"A copy of each report and statement required to be filed by any person under this Act shall be filed by such person with the Secretary of State (where equivalent State Officer) of the appropriate State, or, if different, the officer of such State was charged by State law with maintaining State election campaign reports. The Chief Executive Officer of such State shall designate any such officer and notify the Commission of any such designation."

8404046557

Local 68 acknowledges that it did not simultaneously file a copy of this federal report with the appropriate state agency. This action was purely an oversight which has now been corrected. That is, since the instant Complaint was filed, Local 68 advises this office that it has sent the report to the appropriate state authorities. In any event, it is respectfully suggested that such inadvertant failure to forward copies of such reports is not at all unusual, and was merely an administrative error. It hereby assures the Commission that appropriate internal administrative steps will be taken so as to assure that in the future copies of such reports and the like will be filed with the appropriate State official.

Accordingly, it is respectfully submitted that the complaint in this matter is frivolous and should be dismissed against both the Local 68 P.A.C. and Mr. Giblin.

Very truly yours,

James B. Zaccari

RE: MUR 1488

Dear Mr. Steele:

This statement is submitted on behalf of the Engineers Political Education Committee of the International Union of Operating Engineers ("EPEC") and its Treasurer, Frank Hanley, in response to the Complaint in the above-captioned matter. It will establish that neither EPEC nor its Treasurer violated the Federal Election Campaign Act ("the Act") with respect to either the 1982 or 1980 election campaigns of candidate James Howard.

The 1982 Election

The Complaint alleges that EPEC and its affiliated committees violated 2U.S.C.441a(a)(2)(A) by contributing a total of \$13,000 (para. 28) or \$17,000 (para. 29) to the Howard for Congress Committee ("the Howard Committee") for the 1982 primary election. As we will show, however, the contributions cited at subparagraphs (c), (h), and (j) of paragraph 28, totalling \$8,000, were not made by EPEC or its affiliated committees and may not be so attributed:

84040463562

- 3 4 0 4 0 4 6 3 5 6 3
- a) Paragraph 28 (c) lists three contributions made by the Local 25 Special Voluntary Fund ("the Local 25 Fund") totalling \$2500. The Local 25 Fund is not an affiliated committee of EPEC nor has it ever been so listed on EPEC's Statement of Organization filed with the Federal Election Commission ("the Commission"). Attached hereto is a current copy of EPEC's Statement of Organization which includes a listing of all affiliated committees (Attachment 1). Additionally, as the Complaint acknowledges, the contributions of the Local 25 Fund were returned by the Howard Committee upon advice of the Commission (para. 38). Such refund complies with the recommended Commission procedure under such circumstances. Accordingly, these contributions may not be attributed to EPEC and its affiliated committees.
- b) Paragraph 28 (h) lists a March 23, 1982 contribution by EPEC of \$2500. Complainant, however, apparently failed to discover that on September 27, 1982 EPEC filed an amended report with the Commission, a copy of the relevant portions of which is attached hereto, correcting its March report to reflect that the actual amount of the March 23 contribution was \$2000 (Attachment 2). This amended report was filed after it was discovered that a typing error on the original report had listed the amount as \$2500. A copy of the voucher and cover letter which accompanied the contribution is attached and confirm that the actual amount of the March 23 contribution was \$2000¹ (Attachment 3).

Complainant's omission of EPEC's amended March report has allowed him to erroneously conclude in paragraph 28(i) that EPEC failed to report a \$2000 contribution reported by the Howard Committee on May 25, 1982. Upon information and belief this is the same \$2000 contribution reported by EPEC on its amended March report.

¹ EPEC reports contributions on the date they are authorized by the Committee. Accordingly, while EPEC reported the contribution on March 23, 1982, the check was not drafted until March 29 and was not forwarded with its cover letter until March 30.

- c) Paragraph 28 (j) lists a \$3000 contribution by EPEC on July 15, 1982. This contribution, however, was never forwarded to the Howard Committee and was reported as a refund of contribution on EPEC's August, 1982 report, a copy of the relevant portions of which is attached hereto (Attachment 4). A check in the amount of \$3000 was drafted on July 15, but, prior to its delivery, it was discovered that this amount would exceed the permissible limitations of the Act and the check was voided. A copy of the voided check is attached hereto (Attachment 5). In the interim, however, EPEC's July report was filed listing the \$3000 contribution. Accordingly, and in compliance with recommended Commission procedures for uncashed checks, the \$3000 was listed on EPEC's August report as a refund of contribution from the Howard Committee.

Elimination of the above described amounts from the Complainant's computation results in the accurate total of contributions to the Howard Committee from EPEC and its affiliated committees, i.e., the International Union of Operating Engineers, Local 825, Political Action and Education Committee ("the Local 825 Committee"), and the International Union of Operating Engineers, Local 68, Political Action Committee ("the Local 68 Committee"), during the 1982 election cycle: \$9000. The total is broken down chronologically as follows:

<u>Committee</u>	<u>Amount</u>	<u>Date</u>
Local 825	\$1000	05/13/81
EPEC	\$2000	05/26/81
EPEC	\$1000	11/30/81
EPEC	\$1000	12/02/81
Local 68	\$1000	12/04/81
Local 825	\$1000	12/04/81
EPEC	\$2000	03/23/82

While this amount does not exceed the total of \$10,000 which permissibly could have been contributed to candidate Howard for the primary and general elections combined, the remaining question is whether EPEC and its affiliated committees properly allocated their contributions between the primary and general elections so as not to exceed the Act's limitation of \$5000 per election. To this question we respond in the affirmative.

The chronological tally demonstrates that as of December 2, 1981 EPEC and its affiliated committees had contributed a total of \$5000 to the Howard Committee for the 1982 primary election. Accordingly, the remaining \$4000 contributed after that date should have been designated for the general election.

3 4 0 4 0 4 6 3 5 6 4

The Form 3X reports, filed by EPEC and its affiliated committees, however, reflect that the box "general" was checked only with regard to the \$1000 contribution of the Local 825 Committee on December 4, 1981. In addition, the "general" box should have been checked with respect to the \$1000 contribution of the Local 68 Committee on December 4, 1981², and the \$2000 contribution of EPEC on March 23, 1982.

EPEC's March 23 contribution was accompanied by a cover letter, a copy of which is attached hereto (Attachment 3). The final paragraph of the letter advises the Candidate:

"If this check together with any other contributions from our Local Unions exceeds the amount provided by Federal Law, please advise."

We are advised that the \$1000 contribution of the Local 68 Committee on December 4, 1981 was accompanied by a similar letter.

The referenced sentence is included in all EPEC contribution letters in order to avoid that which is alleged in the Complaint herein, i.e., a violation of the contribution limitations of the Act. In this manner, candidates are placed on notice that EPEC contributions must be allocated in accordance with the Act. Thus, if a particular contribution from EPEC, when aggregated with those of any of its affiliated committees, should exceed the contribution limit prior to a primary, the candidate should allocate that contribution to the general election. The Commission's regulations contemplate such a procedure. A method is set forth at 11 CFR 102.9(E) whereby a candidate may designate contributions received prior to a primary election for the general election.

Under the circumstances of this case, EPEC's cover letter evidenced its intention that its March 23, 1982 contribution of \$2000 be allocated to the general election by the Howard Committee. Its failure to so identify the contribution by checking the appropriate box on its Form 3X report was a technical error which does not constitute a substantive violation of the Act.

² Although the Local 68 Committee failed to designate the purpose of this contribution on their Form 3X report, we are advised that they are amending the report to designate general election.

34040463565

In order to rectify this error, an amended report, a copy of which is attached hereto as Attachment 6, is being filed contemporaneously with the submission of this statement, designating EPEC's March 23 contribution for the general election.

This amended report, along with that being filed by the Local 68 Committee, establishes for the record that which was intended and expressed in the respective cover letters, i.e., that of the \$9000 contributed by EPEC and its affiliated committees, \$5000 was to be allocated to the primary election and \$4000 was to be allocated to the general election. Accordingly, no violation of the Act occurred.

The 1980 Election

Much of the previous discussion concerning the 1982 election applies as well to the allegations of the Complaint concerning the 1980 election.

It is alleged that EPEC and its affiliated committees violated 2U.S.C.441a(a)(2)(A) by contributing a total of \$6,650 to the Howard Committee for the 1980 general election (para. 40). It is also alleged that EPEC contributed, but failed to report, an additional \$500 to the Howard Committee on July 16, 1979 (para. 41(d)).

Addressing the second allegation first, EPEC did contribute \$500 to the Howard campaign on July 13, 1979. Contrary to the allegation, however, EPEC reported this contribution on its Form 3 Quarterly Report for the period July 1, 1979 through September 30, 1979. A copy of the relevant portions of that report, which was duly filed on October 9, 1979, is attached hereto (Attachment 7). The \$500 contribution is listed on the first line of page 4 of the schedule supporting line 22(b).

With respect to the Complaint's allegation of excessive contributions it must first be pointed out that Complainant has, again, included in his total contributions made by the Local 25 Fund. As discussed earlier, the Local 25 Fund is not, nor has it ever been, an affiliated committee of EPEC. The contributions of the Local 25 Fund, listed at paragraph 41(g) and (h), may not be attributed to EPEC and its affiliated committees.

Accordingly, the accurate total of contributions made to the Howard Committee by EPEC and its affiliated committees during the entire 1980 election cycle was \$6500. The total is broken down chronologically as follows:

3
4
0
4
0
4
0
4
6
3
5
6
6

<u>Committee</u>	<u>Amount</u>	<u>Date</u>
EPEC	\$500	07/13/79
EPEC	\$1000	06/09/80
EPEC	\$500	07/22/80
Local 825	\$1000	09/15/80
EPEC	\$2500	09/26/80
Local 825	\$1000	10/17/80

While the first \$5500 of these contributions, i.e., the first five contributions listed, were designated on the respective Form 3 reports as general election contributions, EPEC's \$500 contribution of July 13, 1979 was intended for the primary. The contribution was made eleven months prior to the primary, at a time when no other contributions had been made to the Howard Committee. The failure to properly check the box "primary" on the relevant quarterly report was an administrative error. Again, such a technical error does not constitute a substantive violation of the Act, and is being corrected by the filing of an amended report, contemporaneously with the submission of this statement. A copy is attached hereto as Attachment 8.

The remaining five contributions listed above totalled \$6,000. Clearly, \$1000 of that amount should have been allocated to the primary election by the Howard Committee in order to avoid a violation of the Act. As discussed previously, EPEC accompanies its contributions with a cover letter which advises the candidate of the nature of EPEC and requests that if its contributions, combined with those of its affiliated committees, exceeds the amount provided by federal law that EPEC be so advised³. EPEC was not so advised by the Howard Committee and it is, therefore, assumed that the Howard Committee properly allocated the referenced \$6,000 between the general and primary elections so as to comply with the Act⁴. If, however, the Commission believes that, in order to clarify this matter, EPEC should amend its reports to change the election designation of any contribution or contributions, we will be happy to do so.

³ Each of the listed contributions was accompanied by such a cover letter.

⁴ Likewise, we are advised that the Local 825 Committee accompanies its contributions with a similar cover letter.

34040463567

Conclusion

For the foregoing reasons, the Commission should find no reason to believe that the Act has been violated and should dismiss the Complaint.

Respectfully submitted,

J. ALBERT WOLL, Esq.

Re: I.D. No. C00029504 (3/1/82 - 3/31/82;
4/1/82 - 4/30/82 Reports)

Dear Mr. Tangney:

In response to your letter of September 15, 1982, the following information is being provided.

As indicated in my letter of this date concerning the Engineers Political Education Committee's February, 1982 report, certain contributions were inadvertently reported during that reporting period instead of during the month of March, 1982 when they in fact were made. Accordingly, the following Line 21 itemizations should be added:

1. Congressman Patterson Election Committee (\$250.00)
2. Dave Evans for Congress Committee (\$500.00)
3. Barney Frank for Congress Committee (\$500.00)
4. Brodhead for Congress Committee (\$500.00)
5. Jones for Congress Committee (\$1,000.00)
6. Burdick Campaign Committee (\$5,000.00)
7. Shamansky for Congress Committee (\$500.00)
8. Return Herb Harris to Congress (\$1,500.00)
9. Mike Lowry for Congress Committee (\$500.00)

In addition, the following contributions were made during the month of March, 1982 and should be added to the Line 21 itemizations:

34040460571

1. Democratic Congressional Campaign Committee
(\$15,000.00)
2. Senate Democratic Leadership Circle
(\$15,000.00)
3. Demoratic National Finance Council
(\$10,000.00)

Finally, the "Babbit for Arizona Committee" contribution of \$1,500.00, which was erroneously reported as being made in February, 1982, should be added to the Line 27 itemizations.

In addition to the foregoing, several other corrections should be noted. On the Line 21 itemization, page 3, a \$2,500.00 contribution for the "Howard for Congress Committee" is incorrect and should in fact be \$2,000.00. Moreover, the following contributions reported during the March, 1982 period were made in April, 1982 and should, accordingly, be deleted from the March, 1982 reporting period and added to the April, 1982 period:

1. Anthony for Congress Campaign Committee
(\$500.0)
2. Stafford Reelection Committee (\$500.00)
3. Citizens for Gilman for Congress (\$400.00)

The respective reports for March and April, 1982 have been modified to reflect the referenced corrections and are attached hereto.

I trust that the foregoing information sufficiently addresses the issues raised in your letter.

Very truly yours,

Frank Hanley
Treasurer

RE: I.D. No. C00029504
(3/1/82 - 3/31/82 Report)

Dear Mr. Tangney:

Enclosed herewith is a report Form 3X amending EPEC's amended report, filed September 27, 1982, covering the period March 1 through March 31, 1982.

A \$2,000 contribution to the HOWARD FOR CONGRESS COMMITTEE, listed as the first entry on Page 3 of the itemized line 21 contributions on Schedule B, was incorrectly designated as a primary election contribution.

This amended report correctly designates the entry as a general election contribution.

Very truly yours

Frank Hanley

Attention: Ms. Nancy Nathan

RE: Robert J. K. Dornan -vs- James Howard, et al
MUR 1488

Dear Ms. Nathan:

This response to the above mentioned matter is filed on behalf of the respondents Howard For Congress Committee, William J. Eyres, Treasurer of the Howard for Congress Committee and Congressman James J. Howard.

We acknowledge the notice of October 25, 1982 and submit the following to demonstrate that no action should be taken against these respondents in connection with this matter.

The Complaint alleges violations of the Act, asserting acceptance of contributions in excess of \$5,000 for both the 1980 general election and the 1982 primary election. The Complaint alleges, as to both 1980 and 1982, that excessive contributions were received from the Engineers Political Education Committee of

34040463605

the International Union of Operating Engineers and its affiliated SSFs. The allegation is that as much as \$7,150 was received for the 1980 election and as much as \$17,000 was received for the 1982 election.

The Complaint further alleges a failure to report receipts and a failure to make deposits within ten days of receipt by the treasurer.

These allegations are denied and we assert that these respondents have always attempted to comply with both the letter and spirit of the Act.

This response will address the allegations by first responding to the 1980 general election allegations and than the 1982 primary election allegations. Such response will also demonstrate that the allegations of failure to report receipts is unfounded.

The allegations of failure to make deposits within ten days of receipt by the treasurer is denied. Every effort is made by these respondents to promptly make deposits of monies as received. Both the Congressman and the Treasurer have given strict instructions that campaign contributions are to be deposited promptly. Such a practice of prompt deposit is the routine followed by the candidate's committee and Treasurer. We urge that there has been substantial compliance with this requirement and that no action should be taken by the FEC as to this allegation.

34040463606

The 1980 General Election

Initially, it should be noted that a contribution of \$400 was received by check dated July 11, 1979 and \$250 by check dated July 28, 1980 from the International Union of Operating Engineers, Local 25 Special Voluntary Fund. This is an unregistered local union political fund and the Howard for Congress Committee has recently returned this \$650 sum. The respondents were not aware that this organization was not registered; otherwise, the contributions would not have been accepted.

For the 1980 primary and general elections, there was (exclusive of the above mentioned \$650) a total contribution of \$6,500 from the International Union of Operating Engineers and the SSFs. Of this sum, the \$1,500 was contributed toward the primary election and \$5,000 to the general election. If a formal amendment to our FEC report is desired, we shall submit a report changing and showing the correct designations.

For convenient reference we have attached to this response a copy of Exhibit B from the Complaint and have marked up in red ink this Exhibit to correctly demonstrate the returned funds.

It is probable that a reason for the allegations concerning these contributions is the mistaken or inadvertent designation upon the FEC forms as to allocation of the contribution to the primary or general election. However, it is submitted that there is no violation in either the spirit or the substance of the Act.

34040463607

1982 Primary Election

For convenience sake, reference is made to Exhibit A attached to the Complaint. This Exhibit lists 12 separate amounts as contributed to and received by the candidate's committee in the total amount of \$17,000. It then correctly notes that three contributions in the total amount of \$2,500 from Local 25, Special Voluntary Fund, were returned by the candidate's committee.

Exhibit "A", at its last entry, indicates contributions of I.U.O.E. Engineers Political Education Committee in the amounts of \$2,500, \$2,000 and \$3,000. It notes that only the \$2,000 contribution was reported by the candidate's committee and that the sums of \$2,500 and \$3,000 had not been reported. The fact is that only the \$2,000 contribution was received by the candidate's committee. Neither the \$3,000 nor \$2,500 was received.

On information and belief we state that the contributors FEC reports reflect that in fact only the \$2,000 contribution was made.

Thus, of the total of \$17,000 listed on Exhibit A the total amount remaining in question is \$9,000. That is, \$2,500 had been returned by the candidate's committee and \$5,500 was never received by the campaign.

34040463608

Of this remaining \$9,000 concerning the 1982 elections, again the confusion leading to the allegations may have arisen by reason of the mistaken or inadvertent designation of the contribution for a particular election. A total of \$5,000 was contributed to the primary election and a total of \$4,000 was contributed to the general election. The contributions of \$1,000 and \$2,000 received on 6/18/81 were received for the primary election although our FEC form did not designate any election for these receipts.

84040463609
The two \$1,000 receipts of 12/29/81 were both designated for the primary election. The remaining contribution of two \$1,000 receipts of 12/29/81 and \$2,000 on 5/25/82 were mistakenly designated as primary when the same were actually allocated for the general 1982 election. If a formal amendment to our FEC report is desired, an appropriate amended report will be filed to correctly designate these contributions. However, in no event was there, with regard to the \$9,000 contributed to the 1982 primary and general elections, any violation of the spirit or intent of the Act and therefore it is urged that no action should be taken as to these allegations.

We believe the preceding responds to the allegations but we wish to further state that the Congressman and Treasurer have and shall continue to take steps to insure compliance with the Act.

As you may know, the campaign committee relies upon volunteers (including the volunteer treasurer). The Congressman recognizes the important and beneficial purposes of the Act. He therefore, has given directions over the years that the campaign financial management and reporting be given close attention and that all items be transacted and documented in full and clear detail.

In addition, the Congressman has directed that in the future all individuals involved with campaign finances and the related paper work shall be provided additional training with regard to the Act. Further, the opening of separate accounts to receive primary election contributions and general election contributions is planned. If the FEC has any suggestions with regard to such training, or how otherwise the candidate's committee can improve it's functions and operations, such suggestions would be happily received and implemented.

34040465610

CONCLUSION

In summary it is submitted that no action should be taken on the Complaint.

The \$650 contribution made in 1979 and 1980 by an unregistered SSF has been returned by the campaign committee.

The respondents deny the allegation that deposits are not made within ten days by receipt of the Treasurer. All receipts are promptly deposited and in accordance with the Act.

In the 1980 elections, a total of \$6,500 was received, of which \$1,500 was properly allocated to the primary election and \$5,000 to the general election. It is asserted there was no violation to either the spirit or intent of the Act.

In the 1982 election, a total of \$9,000 was received and retained. Of this, \$5,000 is properly designated to the primary election and \$4,000 to the general election. It is asserted there was no violation to either the spirit or intent of the Act.

It may be desirable, for housekeeping purposes and to make the records totally clear, that respondents file formal amended FEC reports for 1980 and 1982 to reflect the proper allocation between primary and general elections.

For the foregoing reasons, it is respectfully submitted that Howard For Congress Committee, William J. Eyres, Treasurer of the Howard for Congress Committee and Congressman James J. Howard have demonstrated that no action should be taken on the Complaint.

Respectfully submitted,

RICHARD T. O'CONNOR

RE: MUR 1488

Dear Mr. Steele:

I am the attorney in the above captioned matter for respondents, Stephen J. Leslie, individually and as treasurer of the Special Voluntary Fund of the International Union of Operating Engineers, Local 25, and of the said Special Voluntary Fund.

I attach herewith duly executed authorization from the respondents for me to represent them in this proceeding and to receive any notifications and other communications from the Commission.

This response is submitted to the complaint which was filed by Robert J. K. Dornan with the Commission on October 21, 1982. Time to respond was heretofore extended by the Commission to December 13, 1982.

The complaint alleges that the Special Voluntary Fund, International Union of Operating Engineers, Local 25, made improper campaign contributions to the Howard For Congress Committee in connection with the 1982 primary election and the 1980 general election. It is further alleged that Local 25 Special Voluntary Fund violated the Federal Election Commission Act in that it had failed to register as a Political Action Committee.

840404617

82 JUL 13 4 11:10

The complaint alleges with respect to the 1982 primary election that the Local 25 Special Voluntary Fund made total contributions of \$2,500.00 and were not registered and are not presently registered with the Federal Election Commission. The payments were made on the following dates in the indicated amounts:

June 18, 1981	-	\$1,000.00
August 4, 1981	-	\$ 500.00
December 29, 1981	-	\$1,000.00

84040463618

The factual allegations of the complaint as to these contributions are admitted. However, the complaint itself shows that the Local 25 Special Voluntary Fund obtained a return of these contributions from the Howard For Congress Committee on August 5, 1982. The return of these funds was brought about after the Federal Election Commission notified the respondent, Local 25 Special Voluntary Fund, by letter dated April 8, 1982, that the Local 25 Special Voluntary Fund had failed to register as a Political Action Committee and that it must either register and fulfill all reporting requirements with respect to contributions or obtain a full refund from the Political Committee to which it had made the contributions.

After reviewing the matter, the respondents elected not to register and decided that they would obtain a return of the contributions and so notified Mike Tangney of the Commission staff on July 29, 1982.

In the meantime, respondents had already notified the Howard For Congress Committee of its request that the contributions be returned and on August 5, 1982, prior to the primary date with respect to which they were made, the contributions were returned in full. It was the

82 BFC/2 All: 10

understanding of the respondents that the return of these contributions would in all likelihood close out the matter and nothing further was heard from the Commission regarding it until notification of the filing of the complaint by Robert J. K. Dornan on October 21, 1982.

The allegations of the complaint with respect to contributions by the Local 25 Special Voluntary Fund to the Howard For Congress Committee in connection with the 1980 general election set forth two contributions; one in the amount of \$400.00 on July 11, 1979 and the second in the amount of \$250.00 on July 28, 1980. I was not aware of these contributions when I conferred with Mr. Tangney on the telephone in July, 1982 and advised him that the Local 25 Special Voluntary Fund was obtaining the return of the \$2,500.00 given to the Howard For Congress Committee.

Upon receipt of the complaint in the instant case with its allegation of the improper \$650.00 total contributions in the 1980 general election, my clients advised me that they would undertake the immediate return of this sum from the Howard For Congress Committee and that they had not knowingly intended to make any illegal contributions. I communicated with the Howard For Congress Committee through its Counsel and requested that the contributions be returned. I believe that this will be accomplished prior to the December 13th date on which this response is due and that the Howard For Congress Committee will so advise the Commission in its response to the pending complaint in this matter.

The Local 25 Special Voluntary Fund, which is supported entirely by voluntary contributions from members, is a separate segregated fund and contributions thereto are not part of the dues and assessments of members of Local 25 nor are contributions required to become

84040463619

82 SEP 13 AM 10

or remain members of Local 25. Failure to register the Special Voluntary Fund was not a willful act to avoid compliance with the law but was the result of a lack of understanding of the requirements of the Federal Election Commission Act.

In the future, the Local 25 Special Voluntary Fund will refrain from making any political contributions in federal elections so long as it remains unregistered.

The respondents respectfully submit that the pending charge should be dismissed in view of the return of the \$2,500.00 in August, 1982 and the anticipated return of the \$650.00 which was paid in connection with the 1980 general election.

Respectfully submitted,

John J. Mooney

RE: MUR 1488

Dear Mr. Steele:

I am the attorney in the above captioned matter for respondents, John Eichele, individually and as Treasurer of the International Union of Operating Engineers Local 825 Political Action And Education Committee and of the International Union of Operating Engineers Local 825 Political Action And Education Committee (hereinafter Local 825 PAC).

I attach herewith duly executed authorization from the respondents for me to represent them in this proceeding and to receive any notifications and other communications from the Commission.

This response is submitted in reply to the complaint that was filed by Robert J. K. Dornan with the Commission on October 21, 1982. Time to respond was heretofore extended by the Commission to December 13, 1982.

The complaint alleges that the Local 825 PAC made excessive campaign contributions in respect to both the 1982 primary election and the 1980 general election by making certain contributions to the Howard

82 DEC 13 AM 1:18
For Congress Committee which when taken in conjunction with the contributions made by Engineers Political Education Committee (hereinafter EPEC), the International Union of Operating Engineers Local 68 Political Action Committee (hereinafter Local 68 PAC) and the Special Voluntary Fund International Union of Operating Engineers Local 25 (hereinafter Local 25 Special Voluntary Fund) exceeded the \$5,000.00 limitation for each of the two elections.

34040933624
With respect to the 1982 election process, the Local 825 PAC gave a contribution on May 13, 1981 of \$1,000.00 to the Howard For Congress Committee and indicated on its filed report with the FEC that this amount was for the primary. The candidate's committee did not reflect on its report as to whether it was for the primary or the general election. The Local 825 PAC gave another \$1,000.00 contribution to the Howard For Congress Committee on December 4, 1981 and indicated on its FEC report that this was for the general election.

The Local 825 PAC contributions, whether considered individually or collectively with the contributions of affiliated SSF's, did not constitute a violation of the Federal Election Campaign Act.

The complaint alleges that the Local 25 Special Voluntary Fund is an affiliated fund. However, as the complaint itself indicates, the Local 25 Special Voluntary Fund was not registered with the Federal Election Commission and its contribution of \$2,500.00 to the Howard For Congress Committee in connection with the 1982 election was returned on August 5, 1982, prior to the primary. The amount of such contribution should accordingly not be included in determining the sums that were contributed to the Howard For Congress Committee in the 1982 election by Local 825 PAC and its affiliates, EPEC and Local 68 PAC.

The response of EPEC in this proceeding points out several

02 DEC 19 911:10
misstatements of fact in the complaint which result in the complainant's erroneous conclusion that total amounts contributed to the Howard For Congress Committee by the respondents exceeded the permissible limit. EPEC properly points out that in all the sum of \$9,000.00 was contributed by EPEC and its two affiliated committees to the Howard For Congress Committee in connection with the 1982 election. This consists of \$2,000.00 by Local 825 PAC; \$1,000.00 by Local 68 PAC; and \$6,000.00 by EPEC. However, some \$4,000.00 of this \$9,000.00 total contributions were made by EPEC on November 30, 1981, December 2, 1981 and March 3, 1982 and were intended to be, and were in fact, made for the 1982 general election but were erroneously checked by EPEC in its FEC report for the primary. It would appear, therefore, the true facts as to these contributions are set forth in the EPEC response and accordingly the total contributions of EPEC and its affiliates for the 1982 primary election did not exceed the proscribed limit of \$5,000.00.

With respect to the 1980 federal general election, the complaint alleges that EPEC and its affiliated committees contributed a total of \$6,650.00 to the Howard For Congress Committee. However, this sum includes \$650.00 contributed by Local 25 Special Voluntary Fund which as previously pointed out is not a registered Political Action Committee and is not affiliated in any way with the other respondents in this proceeding.

The contributions made by the Local 68 PAC in the 1980 election were in the total amount of \$2,000.00. Payments of \$1,000.00 each were made on September 15, 1980 and October 17, 1980. The Local 825 PAC did not indicate on its report filed with the FEC on October 20, 1980 as to whether the September 15th contribution was for the primary or the general election, although the Howard For Congress Committee report

84040463625

to the FEC designated that it was for the general election. The Local 825 PAC did designate on its FEC report that the contribution on October 17, 1980 was for the general election.

EPEC in its response to the complaint herein has pointed out that it inadvertently and erroneously checked on its FEC report that a \$500.00 contribution on July 13, 1979 and a \$1,000.00 contribution in June, 1980 were for the general election when in fact they were intended for the 1980 primary election of the candidate James Howard. If these contributions are now properly allocated to the general election as they should be in the light of the response made by EPEC, it is clear that total contributions to the 1980 Howard For Congress Committee for the general election were not in excess of the permitted amount.

EPEC in its response has noted that all contributions that it sent to the Howard For Congress Committee were accompanied by an attached letter which specifically stated "If this check together with any other contributions from our Local Unions exceeds the amount provided by federal law, please advise." This practice followed by EPEC was also standard with the Local 825 PAC and all contributions that were made were accompanied by a similar admonition. In no instance was the Local 825 PAC advised that there was an excessive contribution.

It is respectfully submitted that on the basis of the response made herein and the response of EPEC and the Local 68 PAC that no factual basis exists to support the complaint herein and the charges should be dismissed.

Respectfully submitted,

John J. Mooney

SUMMARY OF ALLEGATIONS

Complainant Robert Dornan alleges that the campaign committee of Rep. James Howard accepted contributions to the 1980 primary and general election campaigns and to the 1982 primary election campaign from the International Union of Operating Engineers' Political Education Committee ("EPEC"), and from three Union locals' EPECs, that totaled more than \$5,000 for each election cycle. Further, the complaint alleges that contributions were impermissibly made by and accepted from an unregistered PAC of one of the three contributing locals. It also asserts that the Howard committee repeatedly failed

840404634

to comply with 11 C.F.R. § 103.3(a) by failing to deposit all receipts within ten days of the treasurer's receipt thereof.

The Federal Election Campaign Act of 1971, as amended ("the Act"), limits a multicandidate political committee's contribution to a candidate and his authorized committees to \$5,000 for each election. See 2 U.S.C. § 441a(a)(2)(A). The Act also requires that unions' separate segregated funds register as political committees. See 2 U.S.C. § 433. At 11 C.F.R. § 103.3(a), the Commission's Regulations require that a political committee deposit all receipts within ten days of its treasurer's receipt thereof.

The complaint alleges that the International Union's EPEC, as well as three locals' EPECs, contributed over \$5,000 to the Howard committee during the primary and general election cycles of 1980, and the primary election cycle of 1982. A preliminary check of the FEC reports on file indicates that excessive contributions may have been made and accepted. However, factual errors appear to have been made in the complaint's listings of dates and amounts of contributions, and those listings therefore do not correspond to Commission reports by any respondents.

Respondents have requested and received an extension of time to December 13, 1982, in which to respond to the complaint.

The Howard committee sought the extension because allegations involving the 1980 campaign require obtaining records from storage; the union respondents sought an extension in order that representatives of the International and all involved locals can meet.

A preliminary response by EPEC asserts that apparent illegalities will be clarified by its response, which it says will correct the complaint's factual errors. The respondents have not yet submitted formal responses; this Office will make recommendations to the Commission shortly after receiving those responses.

Dear Mr. Fanning:

We have received your request for an extension of time in which to respond, on behalf of the International Union and local unions cited as respondents in the above-referenced matter, to the Commission's notice of the filing of a complaint naming your organization and the local unions as respondents.

In view of the stated necessity for your office to meet with the local union respondents in order to submit a response, your request for an extension of time in which to reply, to December 13, 1982, is granted.

We also note your suggestion that your representatives meet with members of this Office to discuss this matter. As Mrs. Nathan explained to Mr. James when he delivered your request for an extension of time to reply, your efforts to clarify the records may be aided by the information available in the Commission's Public Records Office. Your response to the complaint should set forth the factual clarifications and any discussion of the issues that you wish to present. If a meeting would be helpful after you have had an opportunity to investigate discrepancies in the records, or at a later date, please let us know.

Sincerely,

ATTENTION: NANCY NATHAN

Dear Ms. Nathan:

Confirming telephone conversation, we are the attorneys for the respondents, James Howard, William J. Eyres and Howard for Congress Committee.

It is respectfully requested that we be granted an extension of thirty days to file a response to the complaint.

As you know, the complaint contains allegations with regard to the 1980 campaign as well as the 1982 campaign. The financial records for the 1980 campaign had been placed in storage and I have not yet received the same. The reason for the request of adjournment is to allow me adequate time to obtain these records and to review the same in order to file a response.

Sincerely yours,

Re: MUR 1488

Dear Ms. Nathan:

I have been authorized by all named respondents in the above captioned matter to request an extension of time within which to file written responses to the Complaint. While the International Union of Operating Engineers, Engineers Political Education Committee received a copy of the Complaint on October 26, service upon the other respondents was completed only yesterday. Accordingly, in order to allow sufficient time for appropriate and fully informed responses to be prepared, an extension of time for all respondents is requested until Monday, December 13.

In addition, respondents request the opportunity to meet with the General Counsel or his designees during the week of November 29 in order to clarify apparent errors of fact in the Complaint, and FEC records cited therein, and enable them to prepare responses which fully and properly address the issues. The respondents or their authorized representatives will be available for such meeting at any time during the week of November 29 that is designated by your office.

Enclosed are duly executed Designation of Counsel forms, filed on behalf of IUOE-EPEC and its Treasurer, Frank Hanley.

MEMORANDUM TO: The Commission

FROM: Charles N. Steele
General Counsel

By: Kenneth A. Gross
Associate General Counsel *KAG*

SUBJECT: MUR 1488; complaint received October 21, 1982

On October 21, 1982, the Commission received a complaint from Robert J.K. Dornan, alleging possible reporting and contribution limitation violations by Rep. James Howard, and the Howard for Congress Committee, the International Union of Operating Engineers-Engineers Political Education Committee, two Union locals' political action committees, and one Union local's special voluntary fund. Specifically, the complaint asserts that the Union and its affiliated separate segregated funds contributed in excess of \$5,000 to Rep. Howard's 1980 primary and general election campaigns, and also to the 1982 primary election campaign, and that the Howard committees accepted those excessive contributions.

The complaint refers to the Nashua Telegraph matter, MURs 1167, 1168 and 1170 (1980), suggesting that similar expedited relief be provided in this matter. While the instant matter is distinguishable from the Nashua MURs because it does not involve the same degree of imminency, it is important to note that in the Nashua MURs the respondent had an opportunity to respond before the Commission took action. Thus, both the Nashua MURs and the requirements of the Act provide a basis for affording the respondents in MUR 1488 an opportunity to answer the allegations.

Letters notifying the respondents of the complaint were sent October 22, 1982. While responses must be awaited in order to resolve the matter, Commission records will be checked immediately in case a facial determination can be made that would permit partial dismissal as to the candidate in advance of the 15-day deadline for responses.

Complaint
MUR No. 1488

I. INTRODUCTION

1. Pursuant to 2 U.S.C. §437g(a)(1), Robert J. K. III. LIABILITY

3. Liability may be imposed upon the candidate, James Howard, the Howard for Congress Committee, the E.P.E.C. and its affiliated SSFs pursuant to 2 U.S.C. §441a, which establishes the \$5,000.00 (FIVE THOUSAND DOLLAR) maximum contribution and 2 U.S.C. §441a(f), which proscribes a candidate or political committee from accepting any contributions in excess of \$5,000.00 (FIVE THOUSAND DOLLARS).

4. Liability may be imposed on the treasurers, personally and in their capacities as treasurers pursuant to 11 C.F.R. §104.14(d).

5. For purposes of this complaint, contributions made by E.P.E.C. and its affiliated SSFs are treated as contributions made from a single committee in accordance with 2 U.S.C. §441a(a) (5) as implemented through 11 C.F.R. §100.5(g) (i) (b).

IV. OVERVIEW

6. Based on complainant's information and belief, Respondents have contributed or received an aggregate in excess of \$5,000.00 (FIVE THOUSAND DOLLARS) for the 1980 federal general election and an aggregate in excess of \$5,000.00 (FIVE THOUSAND

DOLLARS) for the 1982 federal primary election in which James Howard was a candidate for public office. Complainant bases his belief on review of the Federal Election Commission's Forms 3 and 3X, Schedules "A" and "B" and applicable amendments which James Howard, the Howard for Congress Committee, E.P.E.C. and its affiliated SSFs filed for the 1982 federal primary election which covers the May 13, 1981 to the August 20, 1982 time frame, and which E.P.E.C. and its affiliated SSFs filed for the 1980 federal general election which covers the July 16, 1979 to December 10, 1980 time frame.

7. For the 1982 federal primary election, excessive funds were contributed to the Howard for Congress Committee by E.P.E.C. and its affiliated SSFs. They also contributed excessive funds to the Howard for Congress Committee in the 1980 federal general election.

8. These unlawful contributions constitute a violation of the Federal Election Campaign Act, 2 U.S.C. §441a(a)(2)(A), which provides that a multicandidate political committee may not contribute more than \$5,000.00 (FIVE THOUSAND DOLLARS) to any candidate and his authorized political committee with respect to any election for federal office and §441a(f) which prohibits a candidate from receiving illegal contributions.

V. SUPPORTIVE DOCUMENTATION

9. Complainant bases his beliefs on research of the periodic reports, Federal Election Commission Forms 3 and 3X, Schedules "A" and "B" and applicable amendments, which Respondents submitted to the Commission.

10. A succinct compilation of this research may be found in Exhibits "A" and "B" of the appendix. Also submitted are the pertinent sections of the above-referenced reports.

11. Exhibits "A" and "B" list the contributors and the designated election to which the contribution is to be applied. Where the Howard for Congress Committee and the contributors' reports concur as to the designated election, the letter "P" or "G" indicating "Primary" or "General" stands alone. Where there is a discrepancy between the contributor and recipient, the election indicated on their respective reports has been indicated. If no election is indicated the letters "NI" (Not Indicated) have been used.

12. The exhibits also indicate the amount contributed and received, the dates the contributions were made and received, and the dates and pages of the reports in which the data was located which are on file with the Federal Election Commission.

VI. HOWARD FOR CONGRESS COMMITTEE
1982 FEDERAL PRIMARY ELECTION
EXHIBIT "A" AND SUPPORTING DOCUMENTS

13. Based on a review of the periodic reports, Federal Election Commission Forms 3 and 3X, Schedules "A" and "B" and applicable amendments, which Respondents filed with the Federal Election Commission, Complainant believes that candidate for public office, James Howard, the Howard for Congress Committee and its treasurer, in violation of 2 U.S.C. § 441a(f) knowingly accepted contributions for the 1982 federal primary election from E.P.E.C. and its affiliated SSFs in the amount of \$13,000.00 (THIRTEEN THOUSAND DOLLARS) of which \$2,500.00 (TWO THOUSAND FIVE HUNDRED DOLLARS) was returned to SSF, Local 25, on August 5, 1982 per the Federal Election Commission's request of July 27, 1982.*

* The FEC request correctly evaluated the excessive contributions by the SSF, Local 25, but failed to recognize Local 25's contribution combined with its affiliated SSFs far exceeds the illegal \$2,500.00 (TWO THOUSAND FIVE HUNDRED DOLLARS) contribution.

14. Not included in the above-stated \$13,000.00 (THIRTEEN THOUSAND DOLLAR) aggregate received is a \$1,000.00 (ONE THOUSAND DOLLAR) contribution, received from Local 825 on December 29, 1981, because its election designation is ambiguous. On the reports filed with the Federal Election Commission, the contributor has designated it for the general election, but the recipient designated it for the primary election.

15. The \$3,000.00 (THREE THOUSAND DOLLARS) the E.P.E.C. contributed on July 15, 1982, to be reported by the recipient James Howard, was not included in the \$13,000.00 (THIRTEEN THOUSAND DOLLAR) aggregate because the contributor failed to designate the election to which these funds were to be applied. These funds were contributed so close to the primary that they may be considered a primary gift.

16. If these \$4,000.00 (FOUR THOUSAND DOLLARS) were intended for the 1982 federal primary election, the aggregate received by James Howard, the Howard for Congress Committee and its treasurer for the 1982 federal primary election is \$17,000.00 (SEVENTEEN THOUSAND DOLLARS) in violation of law.

17. Candidate James Howard, the Howard for Congress Committee and its treasurer, for the 1982 federal primary election, accepted contributions from E.P.E.C. and its affiliated SSFs

in the following amounts:

<u>Date Received</u>	<u>Amount</u>	<u>Contributor</u>
6/18/81	\$1,000.00	Local 825
6/18/81	\$2,000.00	E.P.E.C.
6/18/81	\$1,000.00 (returned)	Local 25
8/4/81	\$ 500.00 (returned)	Local 25
12/29/81	\$1,000.00	E.P.E.C.
12/29/81	\$1,000.00	E.P.E.C.
12/29/81	\$1,000.00	Local 68
12/29/81	\$1,000.00 (returned)	Local 25-Marine
5/25/82	\$2,000.00	E.P.E.C. - Unreported by E.P.E.C.
Unreported	\$2,500.00	E.P.E.C. made this contribution 3/23/82
To be reported	\$3,000.00	E.P.E.C. made this contribution 7/15/82 (election not designated)
12/29/81	\$1,000.00	Local 825 descrpency in election designation

18. A running total of contributions from E.P.E.C. and its affiliated SSFs would have put on notice James Howard, the Howard for Congress Committee and its treasurer that they had received \$4,500.00 (FOUR THOUSAND FIVE HUNDRED DOLLARS) in contributions on August 4, 1981. On that date, James Howard, the Howard for Congress Committee and its treasurer were only permitted to accept an additional contribution of \$500.00 (FIVE HUNDRED DOLLARS) from E.P.E.C. and its affiliated SSFs. In violation of 2 U.S.C. §441a(f) James Howard, the Howard for Congress Committee and its treasurer proceeded to repeatedly accept additional contributions.

19. James Howard, the Howard for Congress Committee and its treasurer knowingly accepted \$2,500.00 (TWO THOUSAND FIVE HUNDRED DOLLARS) in contributions from Local 25, an

unregistered SSF. Section 432(i) of the Federal Election Campaign Act ("the Act") requires "the best efforts of the treasurer" to ascertain the legality of a contribution. The legality of these contributions could readily have been determined by checking with the Commission as to whether or not Local 25 was a registered SSF. Since it was not registered, there is a violation of 11 C.F.R. §103.3(b)(1).

20. A comparison of the dates E.P.E.C. and its affiliated SSFs report contributing to James Howard, the Howard for Congress Committee and its treasurer with the dates they report receiving these same contributions strongly suggests that James Howard, the Howard for Congress Committee and its Treasurer repeatedly failed to comply with 11 C.F.R. §103.3(a) which requires that "[a]ll deposits shall be made within ten days of the treasurer's receipt." Indeed, it is highly suspicious that eight contributions made by E.P.E.C. and its affiliated SSFs on different dates are reported by James Howard, the Howard for Congress Committee and its treasurer as being received on two dates - June 18, 1981 and December 29, 1981. See table below.

<u>SSF Contributor</u>	<u>Date SSF Made Contribution</u>	<u>Date Candidate Received Contribution</u>
Local 825	5/13/81	6/18/81
E.P.E.C.	5/26/81	6/18/81
Local 25	Unreported Unregistered	6/18/81
E.P.E.C.	11/30/81 12/2/81	12/29/81 12/29/81
Local 68	12/4/81	12/29/81
Local 825	12/4/81	12/29/81
Local 25	Unreported Unregistered	12/29/81

21. In violation of 11 C.F.R. §104.14(d), James Howard, the Howard for Congress Committee and its treasurer failed to report the E.P.E.C.'s \$2,500.00 (TWO THOUSAND FIVE HUNDRED DOLLAR) contribution of March 3, 1982. The F.E.C. regulations, 11 C.F.R. §104.14(d) statute require that a treasurer "shall be

personally responsible for the timely and complete filing of the report or statement and for the accuracy of any information or statement contained therein;" and 11 C.F.R. §103.3(a) mandates that "deposits shall be made within ten days of the treasurer's receipt."

VII. HOWARD FOR CONGRESS COMMITTEE
1980 FEDERAL GENERAL ELECTION
(EXHIBIT "B" AND SUPPORTING DOCUMENTS)

22. Based on a review of the periodic reports, F.E.C. Forms 3 and 3X, Schedules "A" and "B" and applicable amendments, which Respondents filed with the Federal Election Commission, the Complainant believes candidate for public office, James Howard, the Howard for Congress Committee and its treasurer, in violation of 2 U.S.C. §441a(f), knowingly accepted contributions for the 1980 federal primary election from E.P.E.C. and affiliated SSFs in the amount of \$6,650.00 (SIX THOUSAND SIX HUNDRED FIFTY DOLLARS) which is \$1,650.00 (ONE THOUSAND SIX HUNDRED FIFTY DOLLARS) in excess of the \$5,000.00 (FIVE THOUSAND DOLLAR) ceiling imposed by law.

23. The \$500.00 (FIVE HUNDRED DOLLAR) contribution received on July 16, 1979 from E.P.E.C., but not reported by them, has not been included in the above-stated total because the reports on file with the Commission do not indicate whether the funds were for the primary or general election. If this contribution was intended for the general election, the total contribution received from E.P.E.C. and affiliated SSFs is \$7,150.00 (SEVEN THOUSAND ONE HUNDRED FIFTY DOLLARS), which is \$2,150.00 (TWO THOUSAND ONE HUNDRED FIFTY DOLLARS) above the \$5000.00 (FIVE THOUSAND DOLLAR) lawful ceiling.

24. Candidate James Howard, the Howard for Congress Committee, and its treasurer, accepted contributions for the 1980 federal general election from E.P.E.C. and its affiliated SSFs in the

following amounts:

<u>Date Received</u>	<u>Amount</u>	<u>Contributor</u>
6/11/80	\$1,000.00	E.P.E.C.
7/28/80	\$ 500.00	E.P.E.C.
10/28/80	\$2,500.00	E.P.E.C.
7/16/79	\$ 500.00	E.P.E.C. (Unreported by E.P.E.C.)
10/21/80	\$1,000.00	Local 825
9/15/80	\$1,000.00	Local 825
7/11/79	\$ 400.00	Local 25
7/28/80	\$ 250.00	Local 25

25. A running total of the amount of contributions received from E.P.E.C. and its affiliated SSFs would have put on notice James Howard, the Howard for Congress Committee and its treasurer that they had received \$4,500.00 (FOUR THOUSAND FIVE HUNDRED DOLLARS) on July 16, 1979. On that date, James Howard, the Howard for Congress Committee and its treasurer were only permitted to accept an additional contribution of \$500.00 (FIVE HUNDRED DOLLARS). In violation of 2 U.S.C. §441a(f) they accepted additional contributions and thereby exceeded the maximum \$5,000.00 (FIVE THOUSAND DOLLARS) the statute permits them to accept.

26. James Howard, the Howard for Congress Committee and its treasurer knowingly accepted \$650.00 (SIX HUNDRED FIFTY DOLLARS) in contributions from Local 25's Special Voluntary Fund, an SSF. Section 432(i) of the Act requires "the best efforts of the treasurer" to ascertain the legality of the contribution. Legality of these contributions could readily have been determined by checking with the Federal Election Commission as to whether or not Local 25's Special Voluntary Fund was a registered SSF. Since it was not, there is a violation of 11 C.F.R. §103.3(b)(1).

27. James Howard, the Howard for Congress Committee and its

treasurer knowingly failed to timely deposit the September 26, 1980 E.P.E.C. contribution of \$2,500 (TWO THOUSAND FIVE HUNDRED DOLLARS) until October 28, 1980 and thereby violated 11 C.F.R. §103.3(a) which mandates that "[a]ll deposits shall be made within 10 days of the treasurer's receipt."

VIII. E.P.E.C. AND AFFILIATED SSFs
1982 FEDERAL PRIMARY ELECTION
(EXHIBIT "A" AND SUPPORTING DOCUMENTS)

28. Based on a review of the periodic reports, Federal Election Commission Forms 3 and 3X, Schedules "A" and "B" and applicable amendments, which Respondents filed with the Federal Election Commission, the Complainant believes that E.P.E.C. and its affiliated SSFs for the 1982 federal primary election contributed to candidate James Howard, to the Howard for Congress Committee and its treasurer a total of \$13,000.00 (THIRTEEN THOUSAND DOLLARS) of which \$2,500 (TWO THOUSAND FIVE HUNDRED DOLLARS) was returned to Local 25's SSF, on August 5, 1982 per the Federal Election Commission's request of July 27, 1982. E.P.E.C. and affiliated SSFs contributed the following:

a) On May 13, 1981, Local 825 contributed \$1,000 (ONE THOUSAND DOLLARS).

b) On May 26, 1981, E.P.E.C. contributed \$2,000 (TWO THOUSAND DOLLARS).

c) The Howard for Congress Committee reports receiving from Local 25-Marine the following:

1) June 18, 1981 \$1,000.00 (ONE THOUSAND DOLLARS)

2) August 4, 1981 \$500.00 (FIVE HUNDRED DOLLARS)

3) December 29, 1981 \$1,000.00 (ONE THOUSAND DOLLARS).

d) On November 30, 1981 E.P.E.C. contributed \$1,000.00 (ONE THOUSAND DOLLARS).

e) On December 2, 1981 E.P.E.C. contributed \$1,000.00 (ONE THOUSAND DOLLARS).

f) On December 4, 1981 Local 68 contributed \$1,000.00 (ONE THOUSAND DOLLARS).

g) On December 4, 1981 Local 825 contributed \$1,000.00 (ONE THOUSAND DOLLARS) for the 1982 federal general election. The Howard for Congress Committee reported this contribution as being designated for the 1982 federal primary election. This contribution was not included in the \$13,000.00 (THIRTEEN THOUSAND DOLLAR) aggregate E.P.E.C. and its affiliated SSFs contributed for the federal primary election.

h) On March 23, 1982 E.P.E.C. contributed \$2,500.00 (TWO THOUSAND FIVE HUNDRED DOLLARS).

i) On May 25, 1982 the Howard for Congress Committee reports receiving a \$2,000.00 (TWO THOUSAND DOLLAR) contribution from the E.P.E.C. which the contributor did not report to the Commission.

j) On July 15, 1982 E.P.E.C. contributed \$3,000.00 (THREE THOUSAND DOLLARS), but it did not designate whether the funds were for the 1982 federal primary or general election.

29. If Local 825's December 4, 1981 contribution of \$1,000.00 (ONE THOUSAND DOLLARS) and E.P.E.C.'s contribution of \$3,000.00 (THREE THOUSAND DOLLARS) were intended for the 1982 federal primary election, the aggregate contributed to James Howard, to the Howard for Congress Committee and its Treasurer for the 1982 federal primary election is \$17,000.00 (SEVENTEEN THOUSAND DOLLARS).

30. A running total of the amount contributed by E.P.E.C. and its affiliated SSFs would have put them on notice that as of August 4, 1981 they had contributed \$4,500.00 (FOUR THOUSAND FIVE HUNDRED DOLLARS) and only an additional \$500.00 (FIVE HUNDRED DOLLAR) contribution was lawfully permissible. In violation of 2 U.S.C. §441a(a)(2)(A), E.P.E.C. and its affiliated SSFs continued to make contributions in excess of the \$5,000.00 (FIVE THOUSAND DOLLAR) ceiling.

31. A review of the contributions made by the E.P.E.C. reveals that it individually violated 2 U.S.C. §441a(a)(2)(A) by contributing to James Howard, the Howard for Congress Committee and its treasurer for the 1982 federal primary election a total of \$8,500.00 (EIGHT THOUSAND FIVE HUNDRED DOLLARS) which exceeds the lawful amount it and its affiliated SSFs acting as one political action committee are permitted to contribute. The \$8,500.00 (EIGHT THOUSAND FIVE HUNDRED DOLLARS) has been computed as follows:

E.P.E.C. Contributions	5/26/81	\$2,000.00
	11/30/81	1,000.00
	12/2/81	1,000.00
	3/23/82	2,500.00
(date received by the Howard Committee but not reported by E.P.E.C.)	5/25/82	<u>2,000.00</u>
		\$8,500.00

32. E.P.E.C.'s July 15, 1982 contribution of \$3,000.00 (THREE THOUSAND DOLLARS) is not included in the above total because E.P.E.C. did not designate the election for which the funds were intended.

33. E.P.E.C.'s contributions in excess of the permissible \$5,000.00 (FIVE THOUSAND DOLLARS) is a 2 U.S.C. §441a(a)(2)(A) violation separate and distinct from the violation committed when all the affiliated SSFs acted as one political action committee, sharing one common contribution limit.

34. E.P.E.C., in violation of 2 U.S.C. §434(a), failed to report to the commission a \$2,000.00 (TWO THOUSAND DOLLAR) contribution to James Howard, the Howard for Congress Committee and its treasurer which James Howard, the Howard for Congress Committee and its treasurer received on May 25, 1982 as indicated in its June 9, 1982 report.

35. E.P.E.C.'s Treasurer, in his report of August 20, 1982, failed to indicate whether a \$3,000.00 (THREE THOUSAND DOLLAR) contribution to James Howard, the Howard for Congress Committee and its treasurer was for the 1982 primary or general election.

36. Local 25-Special Voluntary Fund, is an unregistered SSF. In spite of its failure to register, this SSF, again, in the 1982 federal primary election contributed a total of \$2,500.00 (TWO THOUSAND FIVE HUNDRED DOLLARS) to James Howard, the Howard for Congress Committee and its treasurer on three different occasions. Exhibits "A" and "B" indicate that this SSF has made the following illegal contributions:

GENERAL ELECTION 1980:

July 11, 1979	\$ 400.00
July 28, 1980	\$ 250.00

PRIMARY ELECTION 1982:

June 18, 1981	\$1,000.00 (returned)
August 4, 1981	\$ 500.00 (returned)
December 29, 1981	\$1,000.00 (returned)

37. Five unlawful contributions clearly shows disregard for 2 U.S.C. §433(a) which mandates that "[a] separate segregated fund ... shall file a statement of organization no later than 10 days after establishment." Local 25-Marine's long-standing practice of engaging in unlawful actions warrants not only civil sanctions, but that the Commission consider referral of this action to the Attorney General of the United States.

38. The fact that these funds were returned on August 5, 1982, upon the Federal Election Commission's request of July 27, 1982, does not absolve SSF Local 25-Special Voluntary Fund, of violating the spirit and letter of the law. Once the funds were contributed, received and deposited, the five unlawful transactions became completed acts. Therefore, I urge full investigation of all political activities of Local 25-Marine and that sanctions be imposed for all violations.

39. Based on telephone confirmation with the Elections Division of the State of New Jersey, in violation of 2 U.S.C. §439(a)(1), Local 25 and Local 68 failed to file with the State of New Jersey copies of reports or statements which indicated they had made contributions to the Howard for Congress Committee for the 1982 federal primary election.

(Verification: Telephone inquiry was made on September 28, 1982 at 2:31 P.M.)

E.P.E.C. AND AFFILIATED SSFs
THE 1980 GENERAL ELECTION
(EXHIBIT "B" AND SUPPORTING DOCUMENTS)

40. Based on a review of the periodic reports (Federal Election Commission Forms 3 and 3X, Schedules "A" and "B" and applicable amendments which Respondents filed with the F.E.C.), Complainant believes that E.P.E.C. and its affiliated SSFs for the 1980 federal general election contributed to candidate James Howard, the Howard for Congress Committee and its treasurer, a total of \$6,650.00 (SIX THOUSAND SIX HUNDRED FIFTY DOLLARS) which is \$1,650.00 (ONE THOUSAND SIX HUNDRED FIFTY DOLLARS) in excess of the \$5,000.00 (FIVE THOUSAND DOLLAR) ceiling imposed by 2 U.S.C. §441a(a)(2)(A). The unreported E.P.E.C. contribution of \$500.00 (FIVE HUNDRED DOLLARS) has been excluded from the \$6,650 (SIX THOUSAND SIX HUNDRED FIFTY DOLLAR) total because E.P.E.C. did not designate the election to which these funds were to be applied.

41. For the 1980 federal general election E.P.E.C. and its

affiliated SSFs contributed the following:

- a) On June 9, 1980 E.P.E.C. contributed \$1,000.00 (ONE THOUSAND DOLLARS).
- b) On July 22, 1980 E.P.E.C. contributed \$500.00 (FIVE HUNDRED DOLLARS).
- c) On September 26, 1980 E.P.E.C. contributed \$2,500.00 (TWO THOUSAND FIVE HUNDRED DOLLARS).
- d) James Howard, the Howard for Congress Committee and its treasurer report receiving a \$500.00 (FIVE HUNDRED DOLLAR) contribution on July 16, 1979, which E.P.E.C. did not report.
- e) On November 17, 1980 (amended to October 17, 1980), SSF, Local 825 contributed \$1,000.00 (ONE THOUSAND DOLLARS).
- f) On September 15, 1980, SSF Local 825, contributed \$1,000.00 (ONE THOUSAND DOLLARS).
- g) Local 25's unregistered SSF contributed \$400.00 which James Howard, the Howard for Congress Committee and its treasurer received on July 11, 1979.
- h). Local 25's unregistered SSF contributed \$250.00 (TWO HUNDRED FIFTY DOLLARS) which the Howard for Congress Committee received on July 28, 1980.

42. If E.P.E.C. and its affiliated SSFs had kept a running total of the amounts they were contributing to James Howard, the Howard for Congress Committee and its treasurer, they would have been placed on notice that they had contributed \$4,500.00 (FOUR THOUSAND FIVE HUNDRED DOLLARS) by July 16, 1979, and that they were only permitted to make an additional contribution of \$500.00 (FIVE HUNDRED DOLLARS). In violation of 2 U.S.C.

§441(a)(2)(A) they continued to make contributions which exceeded the \$5,000.00 (FIVE THOUSAND DOLLAR) ceiling.

43. Local 25's SSF is not registered with the Commission, but it has contributed to the 1980 and 1982 federal elections in violation of 2 U.S.C. §433(a), which mandates that SSFs file a statement of organization within ten days of their establishment. James Howard, the Howard for Congress Committee and its treasurer report receiving from Local 25-Marine, contributions in the amount of \$400.00 (FOUR HUNDRED DOLLARS) on July 11, 1979 and \$250.00 (TWO HUNDRED FIFTY DOLLARS) on July 28, 1979. Local 25's SSF continued its unlawful practice of contributing to the Howard for Congress Committee as an unregistered SSF on three occasions in the 1982 federal primary election.

44. Based on telephone conversations with the Elections Division for the State of New Jersey, in violation of 2 U.S.C. § 439(a)(1), Local 25's SSF failed to file with the State of New Jersey reports or statements which indicated that they had made contributions to the Howard for Congress Committee for the 1980 federal general election. (Verification: Telephone inquiry was made on September 28, 1982 at 2:31 P.M.)

EXPEDITED COMPLIANCE PROCEDURE

45. In order for the electorate to knowledgeably assess James Howard as a candidate for federal office, it is necessary for Respondents to truthfully and accurately disclose their political and financial activities. Therefore, Complainant requests an expedited compliance action procedure. Federal precedent for this action may be found in Nashua Telegraph Case, Matter Under Review Nos. 1167, 1168, 1170 (1980).

46. Complainant submits that the electorate is irreparably harmed if it is denied this information before the November 2,

1982 election. Lack of financial data in an election leads to a vote based on misinformation. Publication of this data after the ballots have been tallied is worthless.

47. Any disadvantage the Respondents may suffer must be balanced against the electorates' right to have complete and truthful information about a candidate. Respondent's failure to comply with the mandates of the law brings on their own disadvantage.

CONCLUSION

48. As documented above, Respondents have repeatedly violated the spirit and letter of the Federal Election Campaign Act.

49. Complainant requests that an expeditious investigation into this complaint be undertaken and that Respondents be ordered to return the accepted excess contributions prior to the November 2, 1982 elections. In addition to the imposition of civil sanctions, the complainant requests that this complaint be forwarded to the Attorney General of the United States. A copy of this complaint is being filed with him.

Mr. William J. Eyres, Treasurer

Identification Number: C00008821

Reference: Year End Report (7/1/81-12/31/81)

Dear Mr. Eyres:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. An individual or a political committee, other than a multicandidate committee may not make contributions to a candidate for Federal office in excess of \$1,000 per election. If you have received a contribution(s) which exceeds the limits, the Commission recommends that you refund to the donor(s) the amount in excess of \$1,000. The Commission should be notified in writing if a refund is necessary. In addition, any refund should appear on Line 20(c) of the Detailed Summary Page of your next report. (2 U.S.C. 441a(a) and (f))

The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office.

If you find the contribution(s) in question was disclosed incompletely or incorrectly, please amend your original report with the clarifying information.

Although the Commission may take further legal steps concerning the acceptance of an excessive contribution(s), prompt action by you to refund the excessive amount will be taken into consideration by the Commission.

84040463704

-Contributions from political committees, including in-
kinds, should be reported on Line 11(c).

An amendment to your original report(s) correcting the above
problem(s) should be filed with the Clerk of the House of
Representatives, 1036 Longworth House Office Building,
Washington, DC 20515 within fifteen (15) days of the date of
this letter. If you need assistance, please feel free to contact
me on our toll-free number, (800) 424-9530. My local number is

Re/ Amended Report
30th Day following General
Election, 11/4/80

Dear Sir:

In reviewing our December 4, 1980 report we discovered a mathematical error on the summary page of receipts and disbursements Line 27 and 28, enclosed please find corrected summary pages 1 and 2. Also, there was a typographical error on Schedule B page 1 line 21, the date of disbursement had been inaccurately recorded as made in November 1980 instead of October 1980 on some of the items.

We sincerely hope that the corrections meet with your requirements.

Very truly yours,

John Eichele
