Re: MUR 1964 - Citizens for Percy 1984

Dear Chairman Aikens:

The purpose of this letter is to put on the public file the views of Citizens for Percy 1984 regarding the recently concluded compliance action which the Federal Election Commission undertook against the committee and its treasurer a year ago.

The committee reluctantly agreed to the conciliation agreement, even though it continues to believe that the violations were minor and inadvertent, and warranted a civil penalty of much less than that imposed.

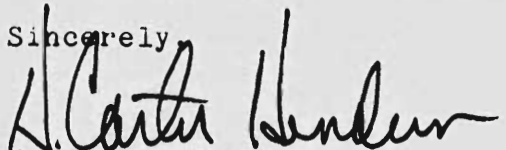

Indeed, it was the advice of counsel to the committee that if it challenged the FEC's proposed findings in U. S. District Court, it was likely that the committee would have prevailed on all issues, and certainly to the extent of having the penalty substantially reduced.

The committee ultimately concluded that the value of undertaking the time-consuming and expensive litigation was outweighed by its desire to wrap up its affairs and terminate its status by June 30, 1986. More than three years have passed since the first of the alleged violations supposedly occurred; the time has come for the committee and Senator Percy to put the campaign in the past.

The FEC enforcement system is inherently unfair in that the Commission's unlimited resources permit it to set unreasonably high penalties and then say to losing, in-debt campaigns, "sue us if you don't like it." Few campaigns in that situation are able to meet that challenge.

Citizens for Percy decided, reluctantly, that it could not.

Sincerely,

  
H. Carter Hendren

Citizens for Percy, 1984 ) MUR 1964

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission (hereinafter "the Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found reason to believe that the Citizens for Percy, 1984, and Philip W. Hummer, as treasurer ("Respondents"), violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.14(d) by knowingly accepting excessive contributions and inaccurately reporting contributions.

NOW, THEREFORE, the Commission and Respondents, having participated in informal methods of conciliation, prior to a finding of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents, and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C. § 437g(a)(4)(A)(i).

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

86040732892

1. Respondent Citizens for Percy, 1984, is a political committee within the meaning of 2 U.S.C. § 431(4) (hereinafter "CFP" or "the Committee").

2. Respondent Philip W. Hummer is the treasurer of CFP.

3. Respondents received contributions in excess of the contributors' contribution limits under 2 U.S.C.

§ 441a(a)(1)(A) totaling \$44,301 which were not refunded or redesignated within a reasonable period of time. The Committee agrees that it received excess contributions; the Committee contends, however, that they were not intentionally solicited or received in an effort to violate the contribution limitations of the Act.

4. CFP reattributed 16 contributions to the spouse of the person initially reported with the express authorization of the contributor but without the written authorizations required by 11 C.F.R. §§ 100.7(c) and 104.8(d). CFP has refunded the excess portion of contributions received, and has amended its reports to accurately disclose all transactions.

V. WHEREFORE, Respondents and the Commission agree: In violation of 2 U.S.C. § 441a(f) respondents accepted contributions totaling \$44,301 in excess of the limits of 2 U.S.C. § 441a(a)(1)(A), and in violation of 11 C.F.R. § 104.14 (d) inaccurately reported certain of those contributions.

VI. Respondents will pay a civil penalty to the Treasurer of the United States in the amount of five thousand dollars

85040582893

(\$5,000), pursuant to 2 U.S.C. § 437g(a)(5)(A).

VII. Respondents agree that they shall not undertake any activity which is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. § 431, et seq.

VIII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

IX. This agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

X. Respondents shall have no more than thirty (30) days from the date of this agreement becomes effective to comply with and implement the requirements contained in this agreement and to so notify the Commission.

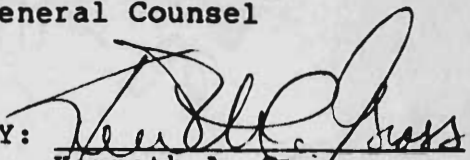

XI. This Conciliation Agreement constitutes the entire agreement between the parties on the matters raised herein, and no other statement, promise, or agreement, either written or oral, made

85040162894

by either party or by agents of either party, that is not contained in this written agreement shall be valid.

Dear Mr. Swillinger:

On March 21, 1986, the Commission accepted the conciliation agreement signed by your clients in settlement of a violation of 2 U.S.C. § 441a(f), a provision of the Federal Election Campaign Act of 1971, as amended, and 11 C.F.R. § 104.14(d). We remind you that, pursuant to the agreement, you have thirty days in which to remit a check for the civil penalty. Upon receipt of that check by the Commission, the file will be closed in this matter, and it will become a part of the public record within thirty days thereafter. However, 2 U.S.C. § 437g(a)(4)(B) prohibits any information derived in connection with any conciliation attempt from becoming public without the written consent of the respondent and the Commission. **BEFORE THE FEDERAL ELECTION COMMISSION**

In the Matter of	)	
	)	
Citizens for Percy, 1984	)	MUR 1964
Philip W. Hummer,	)	
Treasurer	)	

**GENERAL COUNSEL'S REPORT**

**I. BACKGROUND**

On March 29, 1985, the Commission found reason to believe that the Citizens for Percy, 1984, (hereinafter "CFP" or "the Committee") and Philip W. Hummer, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.14(d). The Committee was notified of this determination by letter dated April 1, 1985. By letter dated April 17, 1985, the Committee requested a thirty-nine day extension of time in which to respond to the Commission's notice. The Committee was given eighteen additional days in which to respond, making its response due on May 10, 1985. By letter dated April 30, 1985, the Committee requested pre-probable cause conciliation.

**II. LEGAL ANALYSIS**

Section 441a(a)(1)(A) of Title 2, United States Code provides that no person shall make contributions to a federal candidate and his authorized political committee with respect to any Federal election which, in the aggregate, exceeds \$1,000. Section 441a(f) of Title 2, United States Code provides that no candidate or political committee shall knowingly accept any contribution made in violation of 2 U.S.C. § 441a(a)(1)(A).

96040702899

committee made aware of its receipt of excessive contributions. Although the Committee has refunded, redesignated or reattributed the subject contributions, its accounting system did not allow it to comply with 11 C.F.R. § 103.3(b). The Committee's responsibility to insure that its receipts were properly screened within 10 days of receipt and timely accounted for to avoid violating 2 U.S.C. § 441a(f) could not be met by examining receipts at the end of a reporting period for the appearance of illegality. The Committee was notified by RAD at least twice to check its screening procedures. The first notice was on February 14, 1984 and the second on March 19, 1984.

Section 104.14(d) of Title 11, Code of Federal Regulations makes committee treasurers liable for the accuracy of information in reports filed by the Committee. Three contributions, made by Francis L. Kellogg, Ruth D. Woods and the American National Bank & Trust Co. PAC, were designated, according to CFP, for different elections, i.e. general instead of primary. The General Counsel thus concludes that these contributions were not originally reported accurately as required by 11 C.F.R. § 104.14(d).

Section 100.7(c) of Title 11, Code of Federal Regulations, provides that contributions or payments made by a married individual shall not be attributed to that individual's spouse unless otherwise specified by that individual or by the individual's spouse. Section 104.8(d) of Title 11, Code of Federal Regulations, provides that contributions which represent contributions by more than one person shall indicate on the

35040362901

written instrument, or on an accompanying written statement signed by all contributors, the amount to be attributed to each contributor. The Committee has not provided such documentation in support of its sixteen reattributions. Therefore, consistent with MURS 1142/1255 and 1360 the General Counsel believes that the originally reported contributor must be treated as making an excessive contribution until any such documentation is produced.

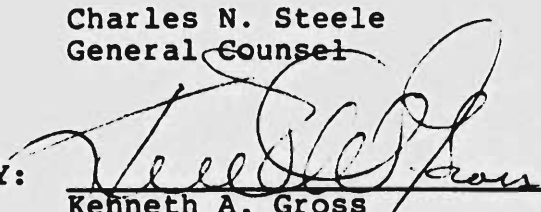

**II. DISCUSSION OF CONCILIATION PROVISIONS AND CIVIL PENALTY**

**IV. RECOMMENDATIONS**

1. Enter into conciliation with the Citizens for Percy, 1984, and Philip W. Hummer, as treasurer, prior to a finding of probable cause to believe.
2. Approve and send the attached proposed conciliation agreement and letter.

RE: MUR 1964  
Citizens for Percy, 1984  
Philip W. Hummer,  
Treasurer

Dear Mr. Hummer:

On March 29, 1985, the Federal Election Commission determined that there is reason to believe Citizens for Percy, 1984, and you, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.14(d) provisions of the Federal Election Campaign Act of 1971, as amended (the "Act") and the Code of Federal Regulations. The General Counsel's factual and legal analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you and the committee. You may submit any factual or legal materials which you believe are relevant to the Commission's consideration of this matter. Please submit any such materials within ten days of your receipt of this letter.

In the absence of any additional information which demonstrates that no further action should be taken against your committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation. Of course, this does not preclude the settlement of this matter through conciliation prior to a finding of probable cause to believe if so desired. See 11 C.F.R. § 111.18(d).

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address and telephone number of such counsel, and a statement authorizing such counsel to receive any notification and other communications from the Commission.

The investigation now being conducted will be confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Paul Reyes, the staff member assigned to this matter, at (202)523-4000.

**GENERATION OF MATTER**

This matter was referred from the Reports Analysis Division ("RAD") on the basis of information obtained in the normal course of the supervisory responsibilities of the Federal Election Commission.

**SUMMARY OF ALLEGATIONS**

The Citizens for Percy, 1984, Committee, ("CFP or the "Committee"), and Philip W. Hummer, as treasurer, ("Respondents") disclosed the receipt of contributions apparently in excess of the limit of 2 U.S.C. § 441a(a)(1)(A), totaling \$44,301 from 42 individuals and two political committees which have not qualified for multicandidate status.

**FACTUAL AND LEGAL ANALYSIS**

Section 441a(a)(1)(A) of Title 2, United States Code provides that no person shall make contributions to a federal

86040532906

candidate and his authorized political committees with respect to any Federal election which, in the aggregate, exceed \$1,000. Section 441a(f) of Title 2, United States Code provides that no candidate or political committee shall knowingly accept any contribution made in violation of 2 U.S.C. § 441a(a)(1)(A).

In the normal course of its supervisory responsibilities, the Commission discovered that the Citizens for Percy Committee, 1984, has disclosed receipt of contributions apparently in excess of the limits of 2 U.S.C. § 441a(a)(1)(A), totaling \$44,301 from 42 individuals and two political committees which have not qualified for multicandidate status. Most of the contributions have been the subject of Requests for Additional Information ("RFAI's") by the Commission's Reports Analysis Division ("RAD"). The attached table summarizes the committee's receipts and refund or redesignation activity regarding these contributions. (Attachment 1, pages 8-13.)

CFP has reported that it has either refunded, redesignated or reattributed portions of most of the subject contributions. Although some refunds of excessive amounts took place less than thirty days after receipt, others occurred as long as eight months after receipt. Section 103.3(b), of Title 11, Code of Federal Regulations requires that contributions that appear illegal shall be refunded within ten days or deposited into the campaign depository and reported. If deposited, the treasurer shall make and retain a written record noting the basis for the

85040332907

appearance of illegality. A statement noting that the legality of the contribution is in question should be included in the report. When a contribution cannot be determined to be legal, refunds shall be made within a reasonable time and the Treasurer shall note the refund by amending the current report or noting the change on the Committee's next report.

8 5 0 4 0 5 0 2 9 0 3  
This Office believes that in that the Committee waited up to eight months, in some instances, to make refunds, it has not acted reasonably under Section 103.3(b). In its RFAI responses, CFP relies on the fact that the committee uses a bank lock box receipt system whereby all checks are deposited immediately and copies of checks are sent to the committee's controller. (See Attachment 1, page 35.) CFP says that only after contributions are put into the committee's computer and reports are run at the end of a reporting period is the committee made aware of its receipt of excessive contributions. Although the Committee has refunded, redesignated or reattributed the subject contributions, its accounting system does not allow it to comply with 11 C.F.R. § 103.3(b). It is the Committee's responsibility to insure that its receipts are properly screened<sup>1/</sup> and timely accounted for to avoid violating 2 U.S.C. § 441a(f). The Committee has been notified by RAD at least twice to check its screening procedures. (See Attachment 1 Pages 4 and 6.) The first notice was on

<sup>1/</sup> See, MUR 1114, First General Counsel's Report at 2. Attachment 2.

February 14, 1984 and the second on March 19, 1984.

Section 104.14(d) of Title 11, Code of Federal Regulations makes committee treasurers liable for the accuracy of information in reports filed by the Committee. Certain contributions were designated, according to CFP, for different elections, i.e. general instead of primary. It is not clear from the CFP RFAI responses which, if any, contributions were originally designated via contemporaneously communicated writings for a particular election by the contributor and which were not, allowing the Committee to rely on the presumption of 11 C.F.R. § 110.12/ (See Attachment 1, page 5.) Thus it appears, that these contributions were not originally reported accurately as required by 11 C.F.R. § 104.14(d). Therefore, the General Counsel recommends that there is reason to believe that the Committee and Philip W. Hummer, as treasurer, violated 11 C.F.R. § 104.14(d).

Section 100.7(c) of Title 11, Code of Federal Regulations, provides that contributions or payments made by a married individual shall not be attributed to that individual's spouse unless otherwise specified by that individual or by the individual's spouse. Section 104.8(d) of Title 11, Code of Federal Regulations, provides that contributions which

2/ 11 C.F.R. § 110.1 provides, essentially, that contributions not designated in writing by the contributor for a particular election are presumed to be for the election next occurring after the contribution is received.

25040502909

represent contributions by more than one person shall indicate on the written instrument, or on an accompanying written statement signed by all contributors, the amount to be attributed to each contributor. The Committee has not provided such documentation in support of its redesignations.

Since some of the CFP receipts were reported as refunded within thirty days, RAD would not generally refer such apparent excessives; however in those instances, the Committee has either reported that it voided refund checks and subsequently the contributions were reattributed to the contributor's spouse or redesignated for a different election. No documentation has been provided for the Committee's authority to so reattribute the contributions. Thus, this Office recommends that the Commission find reason to believe that the Percy Committee and Philip W. Hummer, as treasurer violated 2 U.S.C. § 441a(f). This Office is making no recommendations concerning the individual or political committee contributors' apparent violations of 2 U.S.C. § 441a(a)(1)(A). The two non-qualified political committees, which each gave a total of \$5,000 or \$4,000 in excess of the Primary limit, do not meet the Commission's internal referral standards. Since only seven of the forty-two individual contributors contributed in excess of \$1,000 over the limit of 2 U.S.C. § 441a(a)(1)(A) (fourteen (14) individuals contributed \$1,000 and twenty-one (21) contributed less than \$1,000 over the

95040562910

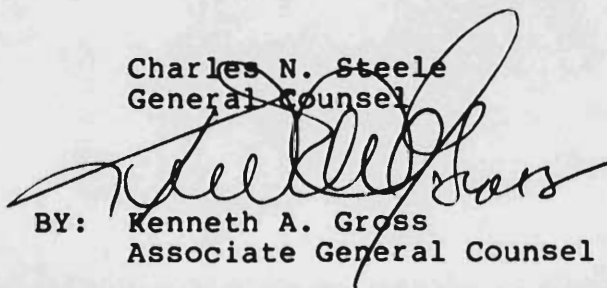

limit) the General Counsel believes that investigation of CFP only at this stage is warranted.

FEDERAL ELECTION COMMISSION  
GENERAL COUNSEL'S FACTUAL AND LEGAL ANALYSIS

RESPONDENT Citizens for Percy,  
1984, and  
Philip W. Hummer,  
as Treasurer

MUR NO. 1964

**SUMMARY OF ALLEGATIONS**

This matter was referred from the Reports Analysis Division ("RAD") of the Federal Election Commission on the basis of information obtained in the normal course of its supervisory responsibilities. The Citizens for Percy, 1984, Committee, ("CFP or the "Committee"), and Philip W. Hummer, as treasurer, ("Respondents") disclosed the receipt of contributions apparently in excess of the limit of 2 U.S.C. § 441a(a)(1)(A), totaling \$44,801 from 42 individuals and two political committees which have not qualified for multicandidate status.

**FACTUAL BASIS AND LEGAL ANALYSIS**

Section 441a(a)(1)(A) of Title 2, United States Code provides that no person shall make contributions to a federal candidate and his authorized political committees with respect to any Federal election which, in the aggregate, exceed \$1,000. Section 441a(f) of Title 2, United States Code provides that no candidate or political committee shall knowingly accept any contribution made in violation of 2 U.S.C. § 441a(a)(1)(A).

In the normal course of its supervisory responsibilities, the Commission discovered that the Citizens for Percy Committee, 1984, has disclosed receipt of contributions apparently in excess

86040562912

of the limits of 2 U.S.C. § 441a(a)(1)(A), totaling \$44,301 from 42 individuals and two political committees which have not qualified for multicandidate status. Most of the contributions have been the subject of Requests for Additional Information ("RFAI's") by the Commission's Reports Analysis Division ("RAD"). The attached table summarizes the committee's receipts and refund or redesignation activity regarding these contributions. (See Attachment)

CFP has reported that it has either refunded, redesignated or reattributed portions of most of the subject contributions. Although some refunds of excessive amounts took place less than thirty days after receipt, others occurred as long as eight months after receipt. Section 103.3(b), of Title 11, Code of Federal Regulations requires that contributions which appear to be illegal shall be refunded within ten days or deposited into the campaign depository and reported. If deposited, the treasurer shall make and retain a written record noting the basis for the appearance of illegality. A statement noting that the legality of the contribution is in question should be included in the report. When a contribution cannot be determined to be legal, refunds shall be made within a reasonable time, and the treasurer shall note the refund by amending the current report or noting the change on the Committee's next report. This Office believes that in that the Committee waited up to eight months, in some instances, to make refunds, it has not acted reasonably

35040332913

under Section 103.3(b). In its RFAI responses, CFP relies on the fact that the committee uses a bank lock box receipt system whereby all checks are deposited immediately and copies of checks are sent to the committee's controller. CFP says that only after contributions are put into the committee's computer and reports are run at the end of a reporting period is the committee made aware of its receipt of excessive contributions. Although the Committee has refunded, redesignated or reattributed the subject contributions, its accounting system does not allow it to comply with 11 C.F.R. § 103.3(b). It is the Committee's responsibility to insure that its receipts are properly screened<sup>1</sup> and timely accounted for to avoid violating 2 U.S.C. § 441a(f). The Committee has been notified by RAD at least twice to check its screening procedures. The first notice was on February 14, 1984 and the second on March 19, 1984.

Section 104.14(d) of Title 11, Code of Federal Regulations makes committee treasurers liable for the accuracy of information in reports filed by the committee. Certain contributions were designated, according to CFP, for different elections, i.e. general instead of primary. It is not clear from the CFP RFAI responses which, if any, contributions were originally designated via contemporaneously communicated writings for a particular election by the contributor and which were not, allowing the Committee to rely on the presumption of 11 C.F.R.

<sup>1</sup> See, MUR 1114, First General Counsel's Report at 2. FEC microfilm location 80040203890, 80040203891 (1980).

85040562914

§ 110.1.2/ Thus, it appears that these contributions were not originally reported accurately as required by 11 C.F.R. § 104.14(d). Therefore, the General Counsel recommends that there is reason to believe that the Committee and Philip W. Hummer, as treasurer, violated 11 C.F.R. § 104.14(d)

Section 100.7(c) of Title 11, Code of Federal Regulations, provides that contributions or payments made by a married individual shall not be attributed to that individual's spouse unless otherwise specified by that individual or by the individual's spouse. Section 104.8(d) of Title 11, Code of Federal Regulations, provides that contributions which represent contributions by more than one person shall indicate on the written instrument, or on an accompanying written statement signed by all contributors, the amount to be attributed to each contributor. The Committee has not provided such documentation in support of its redesignations.

#### RECOMMENDATIONS

1. Find reason to believe that Citizens for Percy, 1984, and Philip W. Hummer, as treasurer violated 2 U.S.C. § 441a(f).
2. Find reason to believe that Citizens for Percy, 1984, and Philip W. Hummer, as treasurer violated 11 C.F.R. § 104.14(d).

2/ 11 C.F.R. § 110.1 provides essentially that contributions not designated in writing by the contributor for a particular election are presumed to be for the election next occurring after the contribution is received.

REPORTS ANALYSIS DIVISION

**SUBJECT:** REFERRAL OF CITIZENS FOR PERCY, 1984

This is a referral of the Citizens for Percy, 1984 ("CFP"). CFP has accepted apparent excessive contributions during four consecutive reporting periods.

further examination by your office is required.

Please note that often the amounts questioned in the original Requests for Additional Information ("RFAIs") differ from the amounts actually being referred for three reasons. First, reporting errors which were corrected in response to RFAIs were excluded. Second, certain excessive contributions were not questioned initially because they were reported as having been refunded within thirty days. However, a review of later reports disclosed that the refund checks had been voided and any corrective action occurred more than thirty days after receipt. Finally, excessive contributions have been included which were not discernible during the review of each report, but were discovered during preparation of this referral. The attached chart denotes excessive contributions which were included in RFAIs sent to the committee.

In certain instances, the amounts appearing on the chart do not equal the amounts disclosed on CFP's schedules. Reported refunds to Albert B. Dick, III, Albert E. Jenner, Jr., and Peter Nauert and the reported contributions of Lydia Schweppe exceed the amounts appearing on the chart. The difference is due to the refund of excessive amounts within 30 days of receipt.

II. RELEVANT STATUTE: 2 U.S.C. §441a(f)

## III. BACKGROUND:

## Receipt of Excessive Contributions

Citizens for Percy, 1984 ("CFP") disclosed the receipt of apparent excessive contributions totalling \$44,301 which were contributed by 42 individuals and two non-qualified political action committees. The contributions were disclosed in the 1983 Mid-Year, 1983 Year End, 1984 12 Day Pre-Primary and 1984 April Quarterly Reports. A summary of the excessive contributions received in each calendar year, the notices sent, and responses received is presented below. A chart which follows this summary provides detailed information on each excessive contribution.

## A. Excessive Contributions Received in 1983

## 1. Possible Violations Discovered During Review

CFP's 1983 Mid-Year Report disclosed the receipt of apparent excessive contributions totalling \$9,900: \$5,900 from five individuals and \$4,000 from F.H. Prince & Co. Political Action Committee ("Prince PAC"). CFP's 1983 Year End Report disclosed the refund of \$5,100 of the excessive amounts to the five individuals. The 1983 Year End Report also disclosed the receipt of excessive contributions totalling \$2,500 from six individuals. In most cases, the reports identified the excessive contributions and the amounts to be refunded.

35040532913

Requests for Additional Information ("RFAIs") were sent for the 1983 Mid-Year and Year End Reports on February 14 and March 6, 1984, respectively, which noted the receipt of the excessive contributions (Attachments 1 and 2). In addition, the RFAI for the Mid-Year Report noted CFP's efforts to refund excessive contributions and advised CFP to check the procedures they used to screen for excessive contributions. Second Notices for failure to respond were sent for the Mid-Year and the Year End Reports on March 8 and March 29, 1984, respectively (Attachments 3 and 4).

CFP's responses, received on March 16 and April 19, 1984 for the Mid-Year and Year End Reports, respectively, acknowledged the receipt of excessive contributions. The responses also indicated that excessive contributions were not identified until after the contributions were entered into CFP's computer and "period-end" reports were produced.

The 1984 12 Day Pre-Primary Report disclosed refunds to six individuals whose excessive contributions had been identified in the 1983 Year End Report. The refunds, totalling \$2,500, were made on February 1, 1984. This report also disclosed a voided \$500 refund originally made to Bertrand Goldberg for his excessive contribution of January 20, 1983. No refunds to Prince PAC were disclosed.

On April 20, 1984, the Reports Analysis Division ("RAD") analyst phoned CFP to inquire about the failure to refund the excessive amount to Prince PAC (Attachment 7). Ms. Amy Gilbert, a CFP agent, explained that she had received the letter which identified the excessive receipt but she assumed that the Prince PAC was a qualified committee and therefore the contribution was not excessive. Ms. Gilbert said that it wasn't until the PAC contacted the Committee about the contribution that CFP took action. On April 23, 1984, Mr. Tom Exton, a CFP agent, hand-delivered the Committee's written response which included photocopies of the refund checks to Prince PAC (Attachment 8). The 1984 July Quarterly Report confirmed these refunds.

The 1984 July Quarterly Report also disclosed that refunds disclosed on the 12 Day Pre-Primary Report totalling \$1,700 to three of the six individuals were voided with the amounts reattributed to spouses.

95040502919

Please note that no further action has been taken regarding the remaining \$1,300 in excessive contributions from two individuals (Goldberg and Blair) which had been mentioned in an RFAI.

2. Possible Violations Discovered During Referral Preparation

The final review of reports filed by CFP prior to this referral noted the receipt of additional apparent excessive contributions in 1983: \$8,100 from 11 individuals and \$400 from the American National Bank and Trust Co. Political Action Committee ("ANB&T PAC"). The 1983 Mid-Year, 1983 Year End, 1984 12 Day Pre-Primary and 1984 April Quarterly Reports disclosed refunds of the excessive amounts totalling \$4,400 to six of these individuals. The refunds were made between 55 and 411 calendar days after receipt of the excessive contributions.

In a telephone conversation on June 27, 1984, the RAD analyst and CFP's comptroller, Dina M. Beaumont, discussed an RFAI for an excessive contribution from ANB&T PAC received by CFP in 1984 (Attachment 9). During the conversation, the receipt of the \$400 apparent excessive contribution from ANB&T PAC in 1983 was also discussed. This contribution was also addressed in an Informational Notice sent on July 3, 1984, for the 1983 Year End Report (Attachment 10). On July 16, 1984, a written response was received from CFP noting the redesignation of the excessive amount of \$400 from the primary to the general election (Attachment 11).

CFP has not been notified of the remaining apparent excessive contributions totalling \$3,700 from five individuals (E. Dick, Duchossois, Feron, Kaplan and T. Ryan) discovered during the preparation of this referral. These contributions have never been refunded, reattributed, or redesignated.

B. Excessive Contributions Received in 1984

A review of CFP's 1984 12 Day Pre-Primary Report disclosed the receipt of apparent excessive contributions totalling \$22,250: \$16,250 from 20 individuals, \$4,000 from Prince PAC and \$2,000 from ANB&T PAC. The 12 Day Pre-Primary Report disclosed

95040762920

refunds of excessive amounts totalling \$14,750 to 18 of the individuals. Subsequently, the 1984 April and July Quarterly Reports disclosed that \$13,550 of these refund checks to 15 individuals were voided and the amounts reattributed to spouses or again refunded. An amendment received from CFP on April 23, 1984 disclosed the refund of the excessive amount to Prince PAC.

An RFAI noting the receipt of the excessive contributions from the two PACs was sent for the 12 Day Pre-Primary Report on June 13, 1984 (Attachment 12). The RFAI noted the refund to Prince PAC of the excessive contribution.

On June 27, 1984, Dina Beaumont called the RAD analyst to request an extension of time to respond to the RFAI (Attachment 9). The analyst told her that she should at least provide a timely response to the Second Notice which would be sent if her response was not received. A Second Notice was sent on July 5, 1984, when no written response was received (Attachment 13).

On July 17, 1984, a written response was received from CFP disclosing the refund of \$1,400 to ANB&T PAC (Attachment 14). The response indicated that the contribution had been accepted under the assumption that ANB&T was a qualified PAC. On July 26, 1984, CFP submitted a "correction" to the 12 Day Pre-Primary Report which redesignated the remaining \$600 from the primary to the general election (Attachment 15).<sup>1/</sup> The 1984 July Quarterly Report confirmed the refunds made to Prince PAC and ANB&T PAC.

A letter noting the repeated acceptance of excessive contributions in the 1983 Mid-Year and the 1983 Year End Reports had been sent to CFP on March 19, 1984, after receipt of the 12 Day Pre-Primary Report (Attachment 16). This letter advised CFP to examine and adjust the procedures used to screen contributions. It also stated that the Commission might initiate legal enforcement action if the Committee's next report disclosed excessive contributions.

---

<sup>1/</sup> This response references a conversation between Amy Gilbert and the Reports Analyst; however, no record of this conversation exists. Although this response notes the correction of a typographical error, CFP's previously stated assumption that ANB&T PAC was qualified suggests that CFP redesignated the contribution.

36040562921

On September 11, 1984, an RFAI was sent for CFP's next report, the 1984 April Quarterly Report (Attachment 17). The RFAI noted the receipt on March 28 and 29, 1984 of apparent excessive contributions from three individuals totalling \$1,151. On September 27, 1984, a written response was received from CFP disclosing the refund of excessive amounts totalling \$750 and the redesignation of the remaining \$401 in excessive contributions from the primary to the general election (Attachment 18). The 1984 October Quarterly Report confirmed the refunds. CFP has not been notified of the remaining apparent excessive contributions totalling \$1,500 from two individuals (Fitzmorris and Stuart) which have not been refunded, reattributed, or redesignated.

IV. OTHER PENDING MATTERS INITIATED BY RAD:

An Informational Notice will be generated for the committee's 1984 July Quarterly Report concerning the acceptance and refund of an apparent excessive contribution of \$250 from one individual. This matter may require further action by your office.

Chicago, IL 60603

Reference: Mid-Year Report (1/1/83-6/30/83)

Dear Mr. Hummer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. An individual or a political committee, other than a multicandidate committee may not make contributions to a candidate for Federal office in excess of \$1,000 per election. If you have received a contribution(s) which exceeds the limits, the Commission recommends that you refund to the donor(s) the amount in excess of \$1,000. The Commission should be notified in writing if a refund is necessary. In addition, any refund should appear on Line 20 of the Detailed Summary Page of your next report. (2 U.S.C. 441a(a) and (f))

The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office.

If you find the contribution(s) in question was disclosed incompletely or incorrectly, please amend your original report with the clarifying information.

-The Commission notes your efforts to comply with the Act by refunding excessive contributions. It is suggested that you check your procedures for screening contributions in order to avoid this problem in the future. Acceptance of contributions which are in violation of 2 U.S.C. 441a, may result in legal enforcement action by the Commission.

-Your previous report disclosed an outstanding debt of \$2,466 owed to Clesa. This report discloses payment of \$703 on this debt; however, the outstanding balance is not included on Schedule D. Please clarify and amend accordingly.

-You must provide the occupation and name of employer for each contributor required to be itemized on Schedule A. Please amend your report by supplying the omitted information.

With respect to the occupation and name of employer of the contributor, your committee may demonstrate "best efforts" to obtain the required information. This demonstration should describe your committee's procedures for requesting the information. You may also supply a copy of the solicitation and a statement that all solicitations request the required information. See 11 CFR 104.3(a)(4)(i) and 11 CFR 104.7.

An amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 119 D Street, N.E., Room 623, Washington, DC 20510 within fifteen (15) days of the date of this letter. -Debt payments for this period (Schedule D) do not equal the payments itemized on Schedule B. Each expenditure to a person which in the aggregate is greater than \$200 for the year must be reported on Schedule B. "Person" includes an individual, partnership, corporation, association, or public or private organization, other than an agency of the United States Government. (11 CFR 104.3(b)(4)(i)(A) and 100.10)

-You must provide the occupation and name of employer for each contributor required to be itemized on Schedule A. Please amend your report by supplying the omitted information.

DEAR MR. JOHNSON:

YOUR LETTER NOTES THAT OUR COMMITTEE HAS COMPLIED WITH THE ACT BY REFUNDING EXCESSIVE CONTRIBUTIONS. HOWEVER IT MENTIONS THAT PROCEDURES MIGHT BE CHANGED IN ORDER TO AVOID THIS OCCURRING AGAIN. THE COMMITTEE USES A BANK LOCK BOX AND ALL CHECKS ARE DEPOSITED IMMEDIATELY AND COPIES OF CHECKS ARE THEN SENT TO THE COMMITTEE'S CONTROLLER. IT IS ONLY AFTER CONTRIBUTIONS ARE INPUT INTO THE COMMITTEE'S COMPUTER AND PERIOD-END REPORTS ARE RUN THAT THE COMMITTEE IS MADE AWARE OF EXCESSIVE CONTRIBUTIONS. IT IS AT THAT POINT THAT REFUNDS ARE MADE.

YOUR SECOND POINT IS THAT THERE IS A DISCREPANCY ON THE DEBT SCHEDULE. THIS DISCREPANCY IS IN THE BEGINNING BALANCE OF AN AMOUNT DUE CLESA. I HAVE ENCLOSED FOR YOUR CONVENIENCE OUR AMENDED REPORT FOR THE PERIOD OF 12/31/82 FILED IN JULY, 1983 WHICH SHOWS THE ONLY DEBTS OUTSTANDING AT 12/31/82. PLEASE NOTE.....CLESA WAS NOT A DEBT AT 12/31/82 IN THE AMOUNT OF \$2,466 AS THIS AMOUNT WAS PAID ON 12/31/82 AND WAS REFLECTED IN THE APPROPRIATE YEAR-END REPORT.

OUR COMMITTEE HAS ALSO DEMONSTRATED 'BEST EFFORTS' TO OBTAIN OCCUPATION AND NAME OF EMPLOYER. THE COMMITTEE REQUESTS THIS INFORMATION ON ALL ITS SOLICITATIONS AS STANDARD PROCEDURE. WE HAVE ENCLOSED A COPY OF OUR SOLICITATION FOR YOUR CONVENIENCE.

Re: Your letter of 6 March, 1984  
Year-end Reports (7/1/83-12/31/83)

Gentlemen:

Your letter notes that our committee has accepted contributions which exceed the limits as set forth in the act and you have enclosed particular pages of our FEC report showing the above fact. However, you will notice that our committee clearly states that a refund is due the contributors and a date is referenced. The committee tries to refund these excessive contributions as soon as the information is known. Please refer to our letter of March 5, 1984 (a copy is enclosed for your convenience) in which we talk of our committee's procedures in processing contributions. Our procedures are such that excessive contributions are only known when our reporting period ends. It is at that point that refunds are made.

Your second point is that there is a discrepancy on the debt schedule. This is not so. We have reviewed our debt schedule and find that all payments as shown on our debt schedule are also disclosed on schedule B. It seems that the one in question, though not referenced in your letter is Ailes Communications, Inc. We have enclosed pages 18, 19 and 27 of line 17 which clearly shows that the \$12,876.98 shown as payment on our debt schedule is properly disclosed on our schedule B - line 17.

You again reference the requirement that occupation and name of employer be provided. We again please refer to our letter of March 5 in which we state that our committee has demonstrated "best effort".

With the above information, please note that there is no need to amend our FEC report.

Sincerely,

**MEMORANDUM FOR FILES:TELECON**

**SUBJECT:** 441a from F.H. Prince PAC totalling \$8,000

**DATE:** April 20, 1984

**FROM:** Amy Gilbert, C.P.A. / Mr. Tom Exton (state campaign agent)

**TO:** Greg Swanson, Analyst

**NAME OF COMMITTEE:** Citizens for Percy, 1984 C00146423 Senate/IL

---

Amy Gilbert returned my call from earlier in the day. I asked Ms. Gilbert if the committee intended to refund the \$4,000 in excessive contributions from F.H. Prince PAC which had been addressed in an RFAI from R. Todd Johnson (former analyst). She explained that she had received the letter from Mr. Johnson but overlooked the highlighted PAC receipt assuming that the F.H. Prince PAC was qualified. In addition, she said that F.H. Prince PAC phoned her just last week to indicate that the FEC had contacted them concerning the excessives. She said that an individual at the state campaign office was currently preparing a letter to the Commission outlining the situation and showing the refund. I explained that I was about to generate another request for additional information as I had identified the second \$5,000 contribution from F.H. Prince PAC. She asked if the letter would help their situation. I said that the RFAI would go out Tuesday however, the explanation and refund would be taken into consideration by the Commission. In addition, I asked the status of the \$1,500 in refunds of contributions from companies (32 apparent corporations) and at what point they were received. Ms. Gilbert indicated that those contributions fell into the unitemized category for Line 11(a) and as a result were not itemized on Schedule A. In addition, she felt that this request for clarification of receipt date on these contributions was unnecessary and would cause the committee a great deal of clerical work however, that she would comply with the request. Ms. Gilbert said she would contact their state office and have Mr. Tom Exton rush the letter of explanation to the Commission.

Mr. Exton phoned me shortly thereafter to indicate that the letter was drafted and the refunds were made. Further, he said that he'd be in Washington, D.C. on Monday and would deliver the letter by hand to the Commission.

Re: F.H. Prince PAC contributions

Dear Mr. Swanson:

Please be advised that upon notification from F.H. Prince PAC that their contributions to our committee were in excess (because they are not a qualified multi-candidate committee), our committee immediately issued checks refunding the excess amounts. These refunds included a General Election contribution received by this committee in January of 1984. (Copies of these checks are attached.)

Please place this correspondence in the public record.

MEMORANDUM FOR FILES: TELECON

SUBJECT: 1st letter - Percy 12 Day Pre-Primary report

DATE: 6/27/84

FROM: Dina M. Beaumont - Comptroller

TO: Greg Swanson - Analyst

NAME OF COMMITTEE: Citizens for Percy, 1984 - C00146423

---

Ms. Beaumont phoned to inform the Commission that she was compiling the necessary information to respond to the request; however, wished to request an extension so as not to receive a second letter. I explained to her that, as a matter of policy, the Commission doesn't grant extensions and assured her that if the response was received within the due date of the second letter the Commission would not consider the amendment late. In addition, I explained to her that I would be sending another letter concerning their acceptance of apparent excessive contributions from the American National Bank & Trust PAC. Ms. Beaumont examined her Year End report and found that the PAC had, in fact, contributed \$1,400 earlier and that the Committee would make the necessary refunds.

Dear Mr. Hummer:

In the letter dated June 13, 1984, the Commission notified you of the excessive contributions received from American National Bank and Trust PAC by your committee. Included with the letter was that portion of Schedule A which itemized the \$2,000 receipt designated for the primary election. It has come to the attention of the Commission that the American National Bank and Trust PAC had made a \$1,400 contribution, received by your committee December 12, 1983, which was also designated for the primary election. (See attached Schedule A.)

If you have received contributions which exceed the limits, the Commission recommends that you refund to the donor the amount in excess of \$1,000. In addition, any refund should appear on Line 20 of the Detailed Summary Page of your next report. (2 U.S.C. 441a(a) and (f))

The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office.

If the contribution(s) in question was incorrectly reported and/or you have additional information regarding the contributor(s), you may wish to submit documentation for the public record. Please amend your report with the clarifying information.

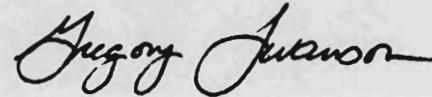

Although the Commission may take further legal steps concerning the acceptance of an excessive contribution(s), prompt action by you to refund the excessive amount will be taken into consideration.

Any amendment or clarification should be filed with the Secretary of the Senate, 232 Hart Senate Office Building,

The Commission should be notified in writing if a refund is necessary. In addition, any refund should appear on Line 20 of the Detailed Summary Page of your next report. (2 U.S.C. 441a(a) and (f))

The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office.

The Commission notes your refund of the excessive contributions from F.H. Prince PAC. However, if the contribution from American National Bank and Trust PAC was incorrectly reported and/or you have additional information regarding the contributor, you may wish to submit documentation for the public record. Please amend your report with the clarifying information.

Although the Commission may take further legal steps concerning the acceptance of excessive contributions, prompt action by you to refund the excessive amounts will be taken into consideration.

Also, please find enclosed our amended page supporting line 11c showing that American National Bank & Trust PAC was refunded an excess contribution of \$1,400 and, thus, they have given \$1,000 to the primary and \$1,000 to the general. Again, this excess contribution was refunded upon our discovery that the committee was not a multi-candidate PAC.

The committee uses bank lockbox which is instructed not to deposit any checks which could possibly be corporate checks. However, as with any lockbox system, some checks erroneously get deposited. The committee began its internal computerized accounting system in 1984, and it was at that time these 1983 contributions were input into the computer through source documents and, thus, the realization that some contributions were deposited erroneously. Refunds were immediately made and were reported appropriately on our FEC report as contribution refunds.
