Enclosure
Conciliation Agreement

In the Matter of)
)
Council for a Livable World) MUR 2079
William Tarlow, Treasurer)

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission (hereinafter "the Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found reason to believe that the Council for a Livable World and William Tarlow, as treasurer ("Respondents"), violated 2 U.S.C. § 441a(a)(2)(A) by making excessive contributions in-kind to federal candidates.

NOW, THEREFORE, the Commission and Respondents, having participated in informal methods of conciliation, prior to a finding of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents, and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C. § 437q(a)(4)(A)(i).

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

6. When Council realized that its expenditures on behalf of certain candidates had exceeded the limits of 2 U.S.C. § 441(a)(2)(A), it notified the Commission staff and sought and obtained refunds from the candidates involved. Approximately \$13,990 in excessive contributions were returned more than 30 days after Council's payment for the advertisement or mailing. Council has advised the Commission that it has

initiated changes in its accounting and other procedures, including the computerization of its records, to prevent recurrence of the incidents investigated in this matter. Council cooperated with the Commission in its investigation of this matter.

V. WHEREFORE, the Commission and Respondents agree: In violation of 2 U.S.C. § 441a(a)(2)(A) the Council for a Livable World and William Tarlow, as treasurer, made excessive contributions to seven federal candidates. The candidate recipients in this matter could not know in advance that excess contributions were made to them, since their allocated shares of the costs of the advertisements or mailings made on their behalf were not determined until after the payments had been made by Council.

VI. Respondents will pay a civil penalty to the Treasurer of the United States in the amount of three thousand dollars (\$3,000), pursuant to 2 U.S.C. § 437g(a)(5)(A).

VII. Respondents will review their contribution making and bookkeeping procedures and provide the Commission with a written statement of steps they plan to implement to assure that violations such as those in this matter do not recur.

VIII. Respondents agree that they shall not undertake any activity which is in violation of the Federal Election Campaign Act of 1971, as amended, 2 U.S.C. § 431 et seq.

IX. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this

01004033

agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

X. This agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

XI. Respondents shall have no more than thirty (30) days from the date this agreement becomes effective to comply with and implement the requirements contained in this agreement and to so notify the Commission.

XII. This Conciliation Agreement constitutes the entire agreement between the parties on the matters raised herein, and no other statement, promise, or agreement, either written or oral, made by either party or by agents of either party, that is not contained in this written agreement shall be valid.

Re: Council for a Livable World
MUR 2079

Dear Mr. Drury:

Enclosed for your review is a proposed conciliation agreement in full settlement of the above-referenced matter. Although the agreement includes a brief summary of relevant facts, a full account of the circumstances which gave rise to this proceeding are essential in order to place the actions of the Council for a Livable World ("Council") in the proper context. Accordingly, the Council requests that this letter be included in and be made a part of the Commission's official record in this proceeding.

We believe that the facts in this case demonstrate that this matter does not involve a deliberate attempt to evade the statutory limit on contributions or to conceal information from the Commission. As described in the conciliation agreement, the contributions at issue were payments made by the Council for mailings in support of and in cooperation with several candidates. Because the Council maintained its accounting records manually during the period under review, it was virtually impossible for the Council to determine the precise amount of its contributions to a particular candidate until the end of each month when the Council prepared its regular report to the Commission. The Council paid invoices for mailings and advertisements as they were received during each month and, at the end of the month, notified each candidate, by telephone, of his or her allocated contribution based on the total cost and the number of candidates featured in the mailing. Contemporaneously, the Council sent a confirming written notice.

When the Council realized that its expenditures on behalf of certain candidates had exceeded the limits of 2 U.S.C. § 441a(a)(2)(A), it promptly notified, by telephone, the Commission staff as well as the candidates involved. In accordance with the advice of Commission staff, the Council sent a written notice to each candidate, specifying the precise amount of the excess expended on his or her behalf and requesting reimbursement. Most candidates remitted the reimbursements promptly. In a few cases, repayments were delayed pending the resolution of questions concerning the precise amount owed by a candidate. All of the excess payments ultimately were refunded to the Council. Nonetheless, primarily as a result of the delays in advising candidates of the specific amounts to be repaid caused by the Council's manual bookkeeping procedures, most of the funds were received more than 30 days after the Council had paid for the mailing.

Council fully disclosed the excess payments in its monthly reports to the Commission and also described the actions taken to obtain reimbursement. The Council has cooperated willingly and fully with the Commission throughout its investigation of this matter. In addition, the Council already has adopted changes in its accounting and contribution procedures in order to prevent future recurrence of this problem. Briefly stated, the Council has begun the process of computerizing all of its records and accounts so that it can maintain accurate, current accounts of its contributions. The Council also will require firms involved in printing and distributing mailings and advertisements to provide precise estimates of the costs of such mailings and advertisements. This change should minimize the variation between the initial estimate and the amount eventually billed and permit the Council to determine with reasonable accuracy in advance its contribution to a particular candidate. A more detailed description of these changes will be set forth in a separate letter to you from the Council.

In sum, the record in this proceeding shows that this matter does not involve a willful attempt to evade the Commission's statutes and regulations or to conceal information from the Commission. To the contrary, the Council's actions to remedy the problem when it was discovered, the steps taken to prevent recurrence in the future, and its full cooperation

with the Commission during the investigation demonstrate the Council's unswerving effort to comply with the Commission's statutes and regulations.

Re: Council for a Livable World
MUR 2079

Dear Mr. Drury:

This letter is to advise the Commission that the Council for a Livable World (Council) has adopted changes in its accounting and contribution procedures which are intended to prevent a recurrence of the problems that are under review in the above-referenced proceeding. These changes will enable the Council, inter alia, to maintain accurate, current accounts of contributions to and expenditures on behalf of candidates.

The most significant change is the computerization of the Council's accounting records. During the 1984 election period, all of the Council's records and reports were maintained manually. Those recording procedures not only were susceptible to inadvertent arithmetic and similar mechanical errors, but also made it extremely difficult to maintain an on-going, up-to-date account of the Council's contributions to particular candidates. These inherent shortcomings were the principal causes of the Council's problems during the last election period.

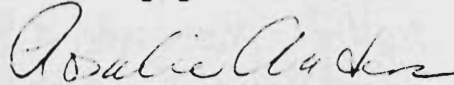

Computerization of the Council's accounting should reduce substantially the risk of future recurrence of those problems. Contributions and expenditures will be recorded in the system as they are made, thus providing the Council with an accurate, current account of its contributions to each candidate for each election. Although no accounting system can assure the complete elimination of human error, the use of a computerized accounting system will minimize the possibility of arithmetic and other mechanical errors and furnish the Council with a much more precise, up-to-date record of its contributions to candidates. The Council has already completed the conversion of its contribution records to a computerized system and the software necessary to convert its accounting records is scheduled to arrive in early January, 1986. The Council anticipates that the entire conversion process will be completed by March 1, 1986.

In addition, the Council has revised its procedures for arranging mailings that are made, in whole or in part, on behalf of candidates. Specifically, Council will insist that the firms involved in printing and distributing such mailings provide precise estimates of the costs of the mailings in advance. This requirement should minimize the variation between the estimated cost and the amount ultimately invoiced.

Collectively, these revised accounting and ordering procedures should enable the Council to monitor its contributions to candidates much more effectively than previously was possible and thereby prevent inadvertent excessive contributions. In addition, the Council will continue to review its internal operating procedures to determine whether other changes can be made that would further reduce the risk of unintended overpayments.

Sincerely yours,

Rosalie Anders

Commission records indicate that the Council for a Livable World is a multicandidate political committee within the meaning of 2 U.S.C. § 441a(a)(4) and that it contributed a total of \$18,797 in excess of the limit of section 441a(a)(2)(A) to seven federal candidates.

At the time of the Commission's reason to believe finding it was noted that all but three committees had fully refunded the Council's excessive contributions. Those three committees and their outstanding amounts were Growe for Senate \$733, Friends of Senator Carl Levin \$.02, Citizens for Harkin \$50.

Respondents concede that the General Counsel's initial factual and legal analysis was essentially correct. Respondents supplied copies of letters sent to the candidates who had not fully refunded excessive amounts.

Respondents' letter of September 20, 1985, contended that Council's excessive contribution to Citizens for Harkin was \$3.32 more than originally disclosed because of an error in Council's books. Respondents also contended that Council's contribution to the Growe for Senate Committee was less than originally reported based on Council's bookkeeping errors. Respondent's second letter indicates that Council, upon further review of its records actually received an additional reimbursement from the Growe for Senate Committee on July 8, 1985 (Attachment 1 at 21). Thus, Council says, the total excessive amount, plus some additional \$500, has been refunded to Council by the Growe Committee. Respondents letter of October 1 indicates that the Levin Committee has refunded the outstanding amount of \$.02 by check number 3945 (Attachment 1 at 22).

In view of the small amount of the Harkin Committee's discrepancy and Council's assertion that the Growe Committee has

8504050020

fully refunded Council's excessive contribution, the General Counsel recommends that the Commission enter into pre-probable cause conciliation with the Respondents.

Dear Mr. McGarry:

Since writing to you on September 20, we have discovered that we were reimbursed an additional \$1200 by the Grove for Senate Committee on July 8, 1985. Because the check arrived during a week of staff changeover, it was recorded appropriately for our year-end FEC report, but was not entered in our records for the Joan Grove campaign.

We have, therefore, been reimbursed completely by the committee, and are only awaiting reimbursement by the Harkin and Levin committees.

RE: MUR 2079
Council for a Livable World
William Tarlow, Treasurer

Dear Mr. Tarlow:

On September 4, 1985, the Federal Election Commission determined that there is reason to believe that the Committee for a Livable World and you, as treasurer, violated 2 U.S.C. § 441a(a)(2)(A), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). The General Counsel's factual and legal analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you and the committee. You may submit any factual or legal materials which you believe are relevant to the Commission's consideration of this matter. Please submit any such materials, along with your answers to the enclosed questions, within ten days of your receipt of this letter.

If pre-probable cause conciliation is requested, the Commission may decide not to propose a conciliation agreement until it has completed its review and analysis of the submitted materials. In the absence of any additional information which demonstrates that no further action should be taken against your committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation. You should be advised, however, that the Commission is not required to enter into any negotiations directed towards reaching a conciliation agreement unless and until it makes a finding of probable cause to believe. See 11 C.F.R. § 111.18(d).

In the absence of any additional information which demonstrates that no further action should be taken against your committee and you, as treasurer, the Commission may find

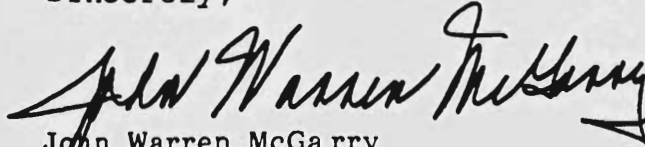

probable cause to believe that a violation has occurred and proceed with conciliation. Of course, this does not preclude the settlement of this matter through conciliation prior to a finding of probable cause to believe if so desired. See 11 C.F.R. § 111.18(d).

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address and telephone number of such counsel, and a statement authorizing such counsel to receive any notifications and other communications from the Commission.

The investigation now being conducted will be confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Paul Reyes, the staff member assigned to this matter, at (202) 523-4000.

GENERATION OF MATTER

Based upon information ascertained in the normal course of its supervisory responsibilities the Reports Analysis Division (RAD) referred this matter to the Office of General Counsel on July 26, 1985.

SUMMARY OF ALLEGATIONS

The Council for a Livable World and William Tarlow, as treasurer, apparently made contributions to seven (7) federal candidates in the 1983-84 election cycle for Primary, run-off and/or the General election(s) which contributions exceeded the limitation established by 2 U.S.C. § 441a(a)(2)(A). These excessive contributions total approximately \$18,797. To date, the Council reports receiving about \$16,799 in refunds.

FACTUAL AND LEGAL ANALYSIS

Section 441a(a)(2)(A) of Title 2, United States Code provides that no multicandidate committee shall make contributions to any candidate and the candidate's authorized political committees with respect to any election for Federal office which, in the aggregate, exceed \$5,000.

Commission records indicate that the Council for a Livable World is a multicandidate political committee and that William Tarlow is treasurer of the Council.

Disclosure reports filed by the Council indicate that the Council contributed in excess of \$5,000 to each of seven federal candidates' committees as indicated below:

		<u>Excess</u>	<u>Refunded</u>
1.	Citizens for Harkin	(P) \$1,057	998
		(G) 4,394	4,562
2.	Committee to Re-elect Senator Huddleston	(P) 875	875
3.	D'Amours for Senate	(P) 47	51
		(G) 2,628	2,675
4.	Friends of Senator Carl Levin	(P) 4,088	4,088
5.	Grove for Senate Volunteer Committee	(G) 2,106	Unknown
6.	Lloyd Doggett Campaign Fund	(R) 113	113
7.	Simon for Senate	(G) 3,485	3,485

RAD explains that approximately \$13,440 of the \$18,797 in aggregated excessive amounts appears to have been refunded to the Council more than thirty days after receipt by the candidates.

The rest, according to RAD, appears to have been refunded within thirty days of receipt by the candidates.

In each instance, it appears that the Council initiated refund requests before being notified of the excessives by RAD. In all but one instance, the Growe for Senate Volunteer Committee, it is clear that all or virtually all of the excessive contributions have been fully refunded. The Growe Committee, according to RAD, has made a partial refund but the amount is unknown as yet. It also appears that Citizens for Harkin Committee has refunded all but some \$58 over the Primary limit and the Friends of Senator Carl Levin Committee has refunded all but \$.02 of the excessive it received for the 1984 Primary election. Altogether, less than \$2,000 of the excessives involved appears not to have been refunded to the Council.

Based upon review of RAD's referral this Office recommends that the Commission find reason to believe that the Council for a Livable World and William Tarlow violated 2 U.S.C. § 441a(a)(2)(A) by making excessive contributions to seven federal candidates.

III. RECOMMENDATIONS

1. Open a MUR.
2. Find reason to believe that the Council for a Livable World and William Tarlow, as treasurer, violated 2 U.S.C. § 441a(a)(2)(A).

3. Approve and send the attached proposed letter and factual legal analysis.

MEMORANDUM

TO: CHARLES N. STEELE
GENERAL COUNSEL

THROUGH: JOHN C. SURINA
STAFF DIRECTOR

FROM: JOHN D. GIBSON
ASSISTANT STAFF DIRECTOR
REPORTS ANALYSIS DIVISION

SUBJECT: REFERRAL OF COUNCIL FOR A LIVABLE WORLD

This is a referral of the Council for a Livable World ("Council") for making apparent excessive in-kind contributions to seven (7) Federal candidates during the 1983-84 election

Although the excessive amounts total approximately \$18,797.97, only \$13,440.69 appears to be referable. The remainder appears to have been refunded within thirty (30) days of receipt. Contributions refunded within thirty (30) days have been referenced in this referral because of the manner in which the Council reported their contributions and refunds. The amounts which appear to have been refunded within thirty (30) days have been noted with an asterisk on the chart in the referral.

The excessive amounts noted for each Federal candidate are based on Council's original and amended reports, as well as telephone conversations between a Council representative and the Reports Analysis Division ("RAD") analyst. Please note that apparent excessive in-kind contributions made on behalf of D'Amours for Senate ("D'Amours") were not found during initial review of Council's reports. Council had inadvertently reported one (1) in-kind contribution on behalf of D'Amours to another candidate and incorrectly reported the amount of another in-kind contribution. These reporting discrepancies were found during preparation of this referral. Council was never notified concerning apparent excessive in-kind contributions made on behalf of D'Amours. Also, please note that no RFAI or Informational Notice was sent to the Lloyd Doggett Campaign Fund because the apparent excessive amount did not meet the threshold for notification.

A separate referral is being forwarded to your office concerning apparent excessive contributions to Simon for Senate. None of the other Federal candidate committees involved in this referral reported receipt of excessive contributions requiring referral to your office.

If you have any questions concerning this matter, please contact Lisa J. Stolaruk at 523-4048.

II. RELEVANT STATUTE: 2 U.S.C. §441a(a)(2)(A)
11 CFR 110.2(a)(1)

III. BACKGROUND:

Apparent Excessive Contributions to Federal Candidates

Council for a Livable World ("Council") made apparent excessive in-kind contributions on behalf of seven (7) Federal candidates for the Primary, Run-Off and/or General Election during the 1983-1984 election cycle. The amount of the apparent excessive contributions totalled approximately \$18,797.97. To date, refunds totalling \$16,799.75 have been received by Council.²/₁ (See Chart and Attachments 2 through 10).

Prior to notification by the Reports Analysis Division ("RAD"), Council sent refund request letters to all of the candidates' committees concerning the excessive in-kind contributions (Attachments 2B, 3B, 4B, 5B, 6B, 7B, 8B, 9B and 10B). In recognition of Council's corrective steps, Informational Notices ("INs") were sent for the following reports:

<u>Report Type</u>	<u>Date of Notice</u>
1984 May Monthly	7/19/84 (Attachment 11)
1984 July Monthly	9/19/84 (Attachment 12)

1984 12 Day Pre-General	1/04/85 (Attachment 13)
1984 30 Day Post-General	1/25/85 (Attachment 14)

¹/₁ Council notified the Commission of this new address on July 10, 1985.

²/₁ A partial refund has been made by the Growe for Senate Volunteer Committee but the amount was not disclosed by Council.

During preparation of this referral, further review of Council's reports indicated apparent discrepancies in the total amount of in-kind contributions for five (5) Federal candidates. A telephone call was made by the RAD analyst to Council to clarify the apparent discrepancies (Attachment 15). The RAD analyst spoke with Council's Executive Director, Rosalee Anders, and inquired about discrepancies concerning in-kind contributions to the following Federal candidates: Citizens for Harkin, D'Amours for Senate, Friends of Carl Levin, Lloyd Doggett Campaign Fund and Simon for Senate.

On June 18 and 19, 1985, Ms. Anders called to confirm and correct some of the discrepancies and agreed that she would send a complete item by item listing of all reporting corrections (Attachment 16 and 17). On June 25, 1985 a response was received at the Commission which amended several discrepancies that were noted by the RAD analyst (Attachment 18). Minor discrepancies remain for contributions made and/or refunds received for Citizens for Harkin (Primary and General), D'Amours For Senate (Primary and General), Friends of Carl Levin (Primary), and Grove for Senate Volunteer Committee (General).

Dear Sirs:

FEC Identification Number: C 00029165

Enclosed please find the Council for a Livable World's complete
FEC report for the period October 18, 1984 through November 26 1984.
Please note: An Asterisk on line 11A indicates that the aggregate
figure includes contributions to our affiliated PAC, Peace Political
Action Committee.

Please note that on page 1 of line 21 we have subtracted \$254.30.
This is done with the permission of Lisa Stelander in Reports Analysis,
since the figure was entered in error and has never paid out
of our funds. To amend our August report would have necessitated
doing four separate amendments.

In addition, please note that we have refunded the excess contribution
given by Doris Bato (line 11A, page 1D). This excess contribution was
discovered at the end of this reporting period.

Also enclosed are copies of letters to the following campaigns asking
for payment for excess in-kind contributions:

Doggett for Senate (TX)
Grove for Senate Committee (MN)
Citizens for Tom Harkin (IA) ☒
Simon for Senate (IL)
D'Amours for Senate (NH)

Other committees affected by our contributions or transmittals are:

Pratt for U.S. Senate (NM) Committee to Reelect Sen. Huddleston (KY)
Libby Mitchell for U.S. Senate (ME) David Pryor for Senate (AR)
Jim Hunt for U.S. Senate (NC)
John Kerry for Senate (MA)

Robert Walsh
 Treasurer for Senate Committee
 102 Elm Street 0600
 Rochester, NH 06860

Dear Robert Walsh:

The Council's Federal Election Commission report for the period July 1, 1964 through July 31, 1964 shows to-kind contributions amounting to \$832.67 for the primary election.

\$398.62 out of \$17,481.49 expenditure to Balfay Press, 288 Cusumy Street, Boston, MA 02114 for printing.

\$182.62 out of \$7,446.78 expenditure to WECO, 30 Cobble Hill Road, Somerville, MA 02143 for envelopes.

\$20.93 out of \$1,005.00 expenditure to Harriet Willis, Inc., 57 Babcock Street, Brookline, MA 02146 for design.

\$30.90 out of \$500.00 expenditure to Postmaster Boston, Permit Fee Window, Boston, MA 02206 for DNE account.

This puts us \$61.12 over the limit for the primary campaign. Can you please reimburse us for this amount so that we may remain in compliance with Federal Election Commission Act Law? The check should be made out to Council for a Livable World.

Please do not hesitate to call with any questions you may have.

Sincerely,

Catherine Clark

Dear Lisa:

Find enclosed the amendment to our July report covering in-kind contributions for D'Amours for Senate Committee, 922 Elm Street Room 404, Manchester, NH 03101; also, the wrong addition of line 21.

The D'Amours campaign informed us that rather than refund an excess in-kind contribution of \$51.12 (which we informed the FEC had been billed to the candidate committee) they instead allocated \$51.12 to the general election campaign. Since D'Amours won the New Hampshire primary unopposed, this is satisfactory to us.

Sincerely,

Catherine Clark

\$398.62 out of \$17,651.49 expenditure to Bailey Press, 251 Causeway Street, Boston, MA 02114 for printing.

\$182.62 out of \$7,446.70 expenditure to MECO, 30 Cobble Hill Road, Somerville, MA 02143 for envelopes.

Dear Sirs:

FEC Identification Number: C 00029165

Enclosed please find the Council for a Livable World's complete
FEC report for the period October 18, 1984 through November 26 1984.
Please note: An Asterisk on line 11A indicates that the aggregate
figure includes contributions to our affiliated PAC, Peace Political
Action Committee.

Please note that on page 1 of line 21 we have subtracted \$254.30.
This is done with the permission of Lisa Stelmach in Reports Analysis,
since the figure was entered in error and has never been paid out
of our funds. To amend our August report would have necessitated
doing four separate amendments.

In addition, please note that we have refunded the excess contribution
given by Doris Bato(line 11A, page 1D). This excess contribution was
discovered at the end of this reporting period.

Also enclosed are copies of letters to the following campaigns asking
for payment for excess in-kind contributions:

Dear Mr. Tarlow:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Records at the Commission indicate that your committee has made a total of \$5,519.27 in contributions to Citizens for Tom Harkin. The Act precludes a multicandidate committee from making contributions to a candidate for Federal office that exceed \$5,000 per election. (2 U.S.C. 441a(a))

A letter accompanying your 1984 May Monthly Report requests a refund of \$519.27 from Citizens for Tom Harkin. Although the Commission may take further legal steps concerning the excessive contribution, your prompt action to recover the excessive amount will be taken into consideration.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 523-4048.

Identification Number: C00029165

Reference: 30 Day Post-General Report (10/18/84-11/26/84)

Dear Mr. Tarlow:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Records at the Commission indicate that your committee has made contributions which exceed the \$5,000 limitation on behalf of five Federal candidates. The Act precludes a multicandidate committee from making contributions to a candidate for Federal office that exceed \$5,000 per election. (2 U.S.C. §441a(a))

Included with your 30 Day Post-General Election Report are copies of letters to the five candidates requesting refunds of the excessive contributions.

In addition, Schedule A of your report (pertinent portion attached) discloses the receipt of a contribution from an individual which appears to exceed the limits set forth in the Act. The Act precludes a committee from receiving contributions from another political committee or a person in excess of \$5,000 per calendar year. (2 U.S.C. §441a(f))

A letter accompanying your 30 Day Post-General Election Report indicates that your committee has refunded the excessive contribution.

Although the Commission may take further legal steps concerning the excessive contributions noted above, your prompt action will be taken into consideration.

-Schedule A of your report (pertinent portion attached) discloses a contribution from an organization

which is not a political committee registered with the Commission. Under 11 CFR 102.5(b), organizations which are not political committees under the Act must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

Please clarify whether the contribution received from this organization is permissible, as required by 11 CFR 102.5(a). To the extent that your committee has received funds which are not permissible, the amount should be either refunded to the organization or transferred out to a non-Federal account. Please inform the Commission in writing and provide a photocopy of your check for the refund or transfer-out. Contributions which are refunded should be disclosed on Schedule B for Line 26a of your next report; those which are transferred-out should be disclosed on Schedule B for Line 20 or Line 27, as appropriate.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 523-4048.

CONVERSATION WITH: Rosalee Anders, Executive Director

COMMITTEE: Council for a Livable World

DATE: 6/18/85

SUBJECT(S): Reporting Discrepancies

I called Ms. Anders concerning discrepancies in the reporting of contributions in-kind. I asked Ms. Anders to look into the following matters and respond in writing with the correct information.

1. A contribution in-kind was given to Tom Harkin on 5/8/84. Line 19 disclosed the contribution as being designated for the Primary while Line 21 disclosed it as being designated for the General.
2. Line 19 disclosed a \$113.75 contribution in-kind on behalf of Lloyd Doggett which was designated for the Primary. Line 21 listed it as being for the Run-Off.
3. Line 19 listed a contribution in-kind on behalf of Carl Levin in the amount of \$44.24, while Line 21 disclosed this amount as \$42.24.
4. Line 19 disclosed three contributions in-kind on 7/11/84 on behalf of Harkin, Levin and Simon. Each was for \$20.93, but none of the contributions was reported on Line 21.
5. Council's reports disclosed a total of \$5,821 in contributions in-kind made on behalf of Norman D'Amours. D'Amours refunded \$2,675.54 on 12/5/84 which appears to be in excess of the amount that needed to be refunded.

Ms. Anders stated that she would call me when she gathered the information, and would also report her findings in a letter.

ANALYST: Lisa Stolaruk

CONVERSATION WITH: Rosalee Anders, Executive Director

COMMITTEE: Council for a Livable World

DATE: 6/18/85

SUBJECT(S): Response to Oral Inquiry

Ms. Anders called this afternoon with answers to some of the questions I had regarding discrepancies apparent on their reports.

Ms Anders stated that:

1. The \$29.25 in-kind on behalf of Tom Harkin was for the general election.
2. The \$113.75 on behalf of Lloyd Doggett was for the run-off.
3. The discrepancy in amounts regarding a contribution to Carl Levin was a typographical error and should have been properly reported as \$44.24, rather than \$42.24.
4. The contributions in the amount of \$20.93 on behalf of Harkin, Levin and Paul Simon were not itemized on Line 21. Two additional candidates, Doggett and Norman D'Amours, were also omitted.

Ms. Anders also stated that she was still looking into the matter involving D'Amours's refund. I requested that she send an item-by-item listing of all reporting corrections. She agreed to do so.

TELECON

ANALYST: Lisa Stolaruk

CONVERSATION WITH: Rosalee Anders, Executive Director

COMMITTEE: Council for a Livable World

DATE: 6/19/85

SUBJECT(S): Contributions on behalf of Norman D'Amours

Ms. Anders called with information regarding the contributions in-kind that Council for a Livable World made on behalf of Norman D'Amours.

Ms. Anders stated that:

1. A \$362.66 contribution was mis-reported as \$163.20;
2. A \$1,466.66 contribution was erroneously reported as being given on behalf of Carl Levin but should have been reported as going to D'Amours;
3. A \$20.93 contribution was omitted from the report.

Ms. Anders then mentioned that the Growe for Senate Committee had made a partial refund of the excessive contributions that had been given by Council for her general election. She said that the Growe for Senate Committee decided to designate a portion of the excessive to the primary election, thus reducing the amount that needed to be refunded. Ms. Anders wanted to know if this was permissible. I told her that it was not, and recommended that she notify the Growe committee that a full refund must be made.

Ms. Anders indicated that she will send a complete list of all changes that needed to be made on the Council's reports to correct the discrepancies.

Lisa Stolaruk
FEC

Washington, DC 20463

Dear Lisa:

Thanks for your patience and your information. We're enclosing copies of the letters we sent to the D'Amours committee, which list correctly the amounts we spent. The notes highlighted in pink are to let you know where the FEC reports are incorrect.

Our guess is that in arriving at the \$5281.20 total for D'Amours expenditures, your computer missed the expenditure for \$51.12 in July and the \$136.50 expenditure in September.

The other matter--the July 1984 \$20.93 expenditure to Doggett, D'Amours, Levin, Harkin, and Simon, listed on line 19 and omitted from line 21--does change the total for line 21 from \$10,945.79 to \$11,050.44.

I hope this is all reasonably clear.

Sincerely,

Rosalie Anders
