Gentlemen:

I am herewith filing a complaint against:

1. The Davis Committee (I.D. #C00193755)
2. Edward M. Davis

for various violations of the Federal Election Campaign Act, as amended.

The basic issue in question is that during 1985, the Davis Committee has repeatedly accepted prohibited contributions under Section 441b of the Act. And, while certain prohibited contributions are shown in the July 1, 1985 - December 31, 1985 report as having been returned, many prohibited contributions remain.

Additionally, the enclosed copies of State of California reports for Friends of Ed Davis (California I.D. #791210) bring into serious question whether funds from that non-Federal committee which contain funds prohibited by Section 441 are being used to further a Federal campaign in violation of the Act. For example, while it has been widely reported that Martha Zilm is Davis' full-time Campaign Manager for his United States Senate campaign, no payments are made to her from the Federal committee. However, the Friends of Ed Davis (California I.D. #791210) did make a \$5,000 payment to her during the period July 1, 1985 through December 31, 1985. This would call into question before the Commission how many other payments made by the state committee during 1984 and 1985 were actually prohibited payments under the Act.

[1]The first question to be raised before the Commission is that of monies owed to Arthur Finkelstein, a nationally known political consultant. The Commission will note that a debt of \$15,178 is owed to Finkelstein in the state report for the period ending December 31, 1984. This was obviously used for a survey in connection with the Federal campaign because as the Federal report filed on July 15, 1985 shows, Davis was collecting money for the Federal race as early as June 12, 1984.

[2]Further, his two Federal filings for 1985 show a \$30,000 debt to Finkelstein for a combined debt of \$45,178. If, as I suspect Arthur Finkelstein and Associates is a corporation, this unpaid debt for such an extended period of time would seem to be a prohibited contribution under Section 441. If he is not a corporation, then all but \$1,000 should be considered a prohibited contribution under Section 439.

The Commission will also note the following, seemingly, prohibited contributions:

1. A \$5,000 contribution on 6/12/84 from Mr. James F. Dickason
2. A \$750 and a \$500 contribution from Al Dick Development Co. which, according to an employee named Helli Keller, is a corporation.
3. A \$350 and a \$250 contribution from Don Major's Bail Bond Agency which, according to Mr. Major's secretary, who would not give her name, is a corporation.
4. A \$500 contribution from Granada Hills Community Hospital which, according to Joanne Martin in the hospital's administration office, is a corporation.
5. A \$500 contribution from Hammer-Hewson Associates which, according to an employee named Diane Dean, is a corporation.
6. A \$500 contribution from S & M Insurance Brokers which, according to an employee named Lavonne Cental, is a corporation.
7. A \$250 contribution and a \$50 contribution from Air Bail Bonds which, according to an employee who would not give their name, is a corporation.
8. A \$700 contribution, a \$750 contribution and a \$100 contribution from Bert Potter's Bail Bonds which, according to an employee who would not give their name, is a corporation.
9. A \$250 contribution from Colombo's Restaurant which may be a corporation, but they are not listed in the telephone book at the address listed in the report.
10. A \$450 in-kind contribution from Herrera Winery which would appear to be a corporation, but is not listed in the telephone book at the address listed in the report.
11. A \$600 contribution, a \$100 contribution, a \$300 contribution and a \$1,000 contribution earmarked for the general election from Northwest Industrial Park which would appear to be a corporation, but they are not listed in the telephone book at the address listed in the report.

23040700423

12. A \$250 contribution from People's Empire Ranch which would appear to be a corporation but they are not listed in the telephone book at the address listed in the report.
13. A \$600 contribution from the Santa Ana Police Benevolent Association, a labor union.
14. A \$1000 contribution from the California Young Republican PAC which has a Federal Multi Candidate Committee. However, the committee listed in the report is a state PAC which may not have a separate segregated fund. Additionally, the July 1 - December 31, 1985 report shows a total of \$5,000 in contributions from the Federal Multi Candidate Committee which would, even if the original contribution was acceptable, put them over their legal limit.
15. A \$500 contribution from the Association Committee to Improve Our Nation, which has a Federal Multi Candidate Committee for Glendale Federal Savings and Loan. However the committee listed in the report is a state PAC and may not have a separate segregated fund.
16. A \$1,000 contribution from the McClintock Committee which is a state campaign committee and may not have a separate segregated fund.
17. A \$500 in-kind contribution from the Shasta County Central Committee which may not have a separate, segregated fund.
18. A \$250 contribution from the Waterbed Industry PAC which is a state PAC and may not have a separate segregated fund.
19. A \$500 contribution from J. P. Gerken Enterprises, which would appear to be a corporation but is not listed in the telephone book at the address in the report.
20. A \$200 contribution from Olvera Investment Company which would appear to be a corporation but is not listed in the telephone book at the address in the report.
21. A \$250 contribution from the Committee for Judge Steven Hintz which is a state campaign committee and may not have a separate segregated fund.
22. A \$1,000 contribution from the Latinos United Coalition which is a state PAC and may not have a separate segregated fund.
23. A \$500 contribution from the Political Action Council of Educators which is a state PAC and may not have a separate segregated fund.

Because these apparent violations of the F.E.C.A. have been going on since, at least, June 12, 1984 and a pattern of abuse is apparent, I would request quick action on the Commission's part

38040700424

and a requirement that the Davis Committee and Edward M. Davis be required to pay back the prohibited contributions within ten days and that the Commission act to fine the respondents triple the amount of the prohibited contributions because these apparent violations have been going on flagrantly for over a year and a half.

The foregoing is true to the best of my knowledge and belief.

Sincerely,

Arnold Steinberg

Gentlemen:

We are enclosing a copy of a computer generated Schedule A for lines 11a, b, c, d & e for the campaign statements which Elsie Olson & Associates will be submitting for the Davis Committee ID# C00193755.

We ran into a little trouble getting the partnerships listed with their individual partners but that problem will be fixed before the next reporting period. As you know computers like to print alphabetically and we have to adjust our program so that it will do something out of the ordinary.

Hopefully we will also have the Schedule B ready for the next report.

If you have any questions please call me at the Davis Committee office (818) 363-1986 or at my office (818) 360-3729.

Sincerely,

GENERAL COUNSEL

Gentlemen:

I am herewith filing a complaint against:

1. Arthur J. Finkelstein
2. Arthur J. Finkelstein & Associates
16 North Astor
Irvington, New York 10533

for violating the Federal Elections Campaign Act, as amended.

Mr. Finkelstein is a nationally known and recognized political consultant and pollster. From the period October 21, 1984 through December 31, 1985, he and/or his company have given \$45,178 in prohibited contributions under Section 441b to Edward M. Davis, a candidate for United States Senate in California and the Davis Committee (C00193755).

The Commission will note that I have also filed a separate complaint against Davis and his Committee for this and other alleged violations of the Act.

[1] In the Fall of 1984, Davis, in numerous press accounts and in fundraising mailers, hailed the fact that Finkelstein had done a survey for him for the United States Senate race. Yet, Davis' filing with the Secretary of the Senate on July 15, 1985 for the period June 1 through December 31, 1984 shows no disbursements to Finkelstein. However, in Davis' state reports for the period October 21 through December 31, 1984 a debt of \$15,178 is shown to Finkelstein.

[2] Further, in Davis' Federal filing for the period January 1, 1985 through June 30, 1985, he shows an additional \$30,000 debt to Finkelstein. And, although Davis raised \$229,589.65 for the period July 1, 1985 through December 31, 1985 not one cent of the debt was paid. Although there were two small payments made to Finkelstein for other expenses during that period, the \$30,000 remains as a debt at the end of the period.

Finkelstein, through his many years of experience, should know the Act. However, he has, in my opinion, flagrantly violated it by not collecting on legitimate debts owed to him by a candidate and a committee which had raised more than sufficient funds to repay the debt. Further, as overall consultant to the Davis campaign, Finkelstein has ultimate control over the

campaign's activities, including the power to direct expenditures.

It is my opinion that this debt is nothing more than a subterfuge for Finkelstein to pump prohibited funds into the Davis campaign. As the Commission will note on the July 1 through December 31 Federal report, other incurred debts were repaid and new debts were incurred. Only Finkelstein's debt remains outstanding and must, at this time, be considered to be a prohibited contribution to the Davis Committee.

The fact that over \$200,000 was spent by The Davis Committee since July 1, 1985 means that Arthur Finkelstein was helping to underwrite the campaign's spending. He should be forced to demonstrate what efforts, if any, he has taken to be paid those sums owed to him.

If, as I suspect, Arthur Finkelstein and Associates is a corporation, this unpaid debt for such an extended period of time would seem to be a prohibited contribution under Section 441. If he is not a corporation, than all but \$1,000 should be considered a prohibited contribution under Section 439.

Because of Mr. Finkelstein's long association with Federal elective politics, I believe the Commission should assess of him the highest fine possible in this instance for this flagrant violation of the law and require that the debts owed by the Davis Committee to Finkelstein be paid within ten days..

Sincerely,

Arnold Steinberg

The foregoing is true to the best of my knowledge and belief.

Gentlemen:

We are enclosing a copy of a computer generated Schedule A for lines 11a, b, c, d & e for the campaign statements which Elsie Olson & Associates will be submitting for the Davis Committee ID# C00193755.

We ran into a little trouble getting the partnerships listed with their individual partners but that problem will be fixed before the next reporting period. As you know computers like to print alphabetically and we have to adjust our program so that it will do something out of the ordinary.

Hopefully we will also have the Schedule B ready for the next report.

If you have any questions please call me at the Davis Committee office (818) 363-1986 or at my office (818) 360-3729.

Re: Granada Hills Community Hospital

November 1986 Ballot)

Dear Joe:

Confirming the matters we discussed by phone on March 27, 1986, James Rose, President of Granada Hills Community Hospital, to whom you addressed your letter dated March 25, 1986, pertaining to the above matters, referred said letter to me and requested I answer the same.

As I explained to you, Granada Hills Community Hospital, as a nonprofit hospital under IRC Section 501(c)(3) and Section 2370ld of the California Revenue and Taxation Code, cannot in my opinion participate either in a campaign for or against a candidate for political office or to influence legislation without jeopardizing its nonprofit status.

It is provided in the Articles of Incorporation of International Philanthropic Hospital Foundation, dba Granada Hills Community Hospital, as follows:

"Second (e) This corporation shall not, as a substantial part of its activities, carry on propaganda or otherwise attempt to influence legislation. This corporation shall not participate in or intervene in (including the publishing or distributing of statements) any political campaign on behalf of any candidate for public office."

California Revenue and Taxation Code Section 2370ld provides, among other things, a nonprofit corporation such as the hospital shall not participate in or intervene in (including the publishing or distribution of statements) any political campaign on behalf of any candidate for public office.

Re: Granada Hills Community Hospital
March 28, 1986 - Page Two

As you and I discussed, as an individual, and not to or for the hospital or with the hospital's direct or indirect help, you are certainly free to approach individuals regardless of who they are and to express your views on any matter. The hospital cannot, however, agree in any way, directly or indirectly, that the facilities of the hospital be used as a forum or as a place for the purpose of influencing legislation or for work for or against a candidate for political office. In my opinion this means, and not by way of limitation, the hospital cannot permit to be placed, kept, maintained or distributed any brochures, literature, posters or other matters to be used for the purposes of either influencing legislation or which set forth views for or against any political candidate.

In closing, it was a pleasure to have had the opportunity of talking to you and I appreciate your courtesy following my request to have you call at a time when you were free.

Sincerely,

Re: MUR2149

Dear Ms. Callaway:

We have received your materials and complaint indicating that the Glendale Federal Savings Association Committee to Improve Our Nation - PAC may have made a prohibited contribution in violation of the Federal Election Campaign Act.

The complaint filed by Bobbi Fiedler alleges that the "committee listed in the report is a state PAC and may not have a separate segregated fund."

The Davis Committee report to the F.E.C. dated July 15, inaccurately listed our committee I.D. number. The correct I.D. # is C-00035295. Our state PAC did not make this contribution, nor any other contribution to the Davis committee.

Our contribution to the Davis Committee was reported to the F.E.C. in our report dated July 23, 1985. The summary page of this report and the page of schedule B indicating the contribution to the Davis Committee is attached.

Since the contribution was made by our Federal Multi Candidate Committee, we obviously contend that no violation of the F.E.C.A. was made, and no action should be taken against us.

If there is other information which you desire which can be helpful in this case, please contact me.

Sincerely,

George Rodearmel

Dear Miss Callaway:

This will confirm our conversation of Mar. 21, 1986 with reference to allegation listed as No. 7 that we have been in violation of the Federal Election Campaign Act of 1971.

This will again confirm my conversation with you that our business is a partnership - as per photostat of our fictitious filing with the County of Los Angeles dated Nov. 26, 1984, attached hereto.

That at no time have we ever given anyone information that we are a corporation.

That our contribution to The Davis committee was \$300.00 for this year.

That based on the information submitted by us of the above that the matter as filed against Air Bail Bonds is to be dropped and would appreciate a letter confirming this.

Thank you for your attention to our reply.

Dear Sir:

Today I have received
in the Mail about two hundred
Pages of garbage, on "Dan Majors
Bail Bond agency" donations to
Sen. Ed Davis.

In the State of Calif.

Bail Bond agency are regulated by
the Department of Insurance. As
of this date, the department does
not permit Bonding Agency to

be corporations. So the checks
that were donated to Sen. Edw. Davis
were from my bail Bond account, which
is a sole proprietorship business, and
I'm sure there is no conflict.

Senator Edward Davis is a Law & order
Candidate and I'm for Law & order. It
seems Bobbie Fiedler will try anything.

If you have any questions

cooperate.

Re: MUR 2149

Dear Mr. Steele:

Pertaining to the above case, I submit the following for your review:

On May 21, 1984, I was contacted by Senator Ed Davis relative to a contribution to a "testing the waters" phase of his possible entrance into the 1986 race for the U.S. Senate (copy of letter attached).

On May 29, 1984, I sent a check to Senator Ed Davis in the amount of \$5,000 for this "testing the waters" phase (copy of letter attached).

On February 1, 1985, the Davis Committee filed a "Statement of Organization" and; therefore, sent a refund of \$4,000 to comply with the Federal Elections Campaign Act (copy of letter attached).

I believe this information should prove to the Commission that no sections of the Federal Election Campaign Act were violated. If you have any questions, please don't hesitate to contact me.

Sincerely,

Dear Mr. Dickason:

On behalf of the Davis Committee I would like to thank you for your donation.

The Federal Elections Commission however, prohibits us from accepting any donation over \$1,000 from an individual for the primary election and \$1,000 again for the general election. Thus, I am enclosing your excess donation. As a suggestion, perhaps other members of your family could donate to my campaign.

We can accept up to \$2,000 from a couple as long as it is so stated on the check and signed by both husband and wife, or if not a joint account, a signed statement to that effect.

I am enclosing a form for your convenience and would appreciate it if you could fill out and return this form so that we may comply with the Federal Elections Commission laws.

Thank you for your dedication to Senator Davis' election efforts, and for your support of the Republican Party's ideals and the election of Senator Davis to the U.S. Senate.

Best regards,

Dear Jim:

Thank you for meeting with me on Saturday. It is very difficult to schedule things during the week, especially in these last few weeks of session.

As we discussed, I am enclosing a copy of a letter of advice from our attorney in Washington, D. C. It is his opinion that it is legal for you or your company to contribute to the "testing the waters" phase of my possible entrance into the 1986 race, with no reporting obligations on either side, unless and until I have filed a declaration of candidacy.

We have also discussed this with our California attorney, John Hodgson, of Nielsen, Hodgson, Parrinello and Mueller who concurs with Curt Herge.

I am hoping to raise the necessary testing of the water money by obtaining \$5000 each from as few as 10 supporters to keep a low profile during the water testing phase for U. S. Senate which occurs during my state senate re-election campaign.

I appreciate the help you and Linda have committed. You have been one of my strongest supporters over many years Jim, and I will appreciate whatever help you can give me.

I look forward to hearing from you soon.

Best personal regards,

Re: Senator Edward M. Davis

Dear Martha:

This responds to your request for an explanation of the types of activities which may be engaged in by an individual and his supporters in determining whether that individual should become a candidate for election to Federal office. As you are aware, the provisions of the Federal Election Campaign Act of 1971, as amended, apply to "candidates" and to their authorized committees, not to individuals who are considering becoming candidates. As a result, the legal distinction is important.

The regulations of the Federal Election Commission set forth specific exemptions from the definitions of "contributions" and "expenditures" which are designed to permit an individual to finance a variety of activities to assist in making a determination of whether to become a candidate for Federal office. Activities which are conducted within the exemption do not result in the occurrence of a contribution or expenditure, and therefore do not by themselves cause the person to become a candidate under the Act. If and when the individual becomes a candidate, the regulation has a retroactive effect in that the financing of all activity coming within the exemption must be reported and otherwise treated as contributions and expenditures for purposes of the Act and regulations. The regulation which grants the exemption from the definition of contribution provides:

Funds received and payments made solely for the purpose of determining whether an individual should become a candidate are not

28040700928

Mrs. Martha Zilm
January 31, 1984
Page Two

contributions. Activities permissible under this exemption include, but are not limited to expenses incurred for conducting a poll, telephone calls and travel, to determine whether an individual should become a candidate. The individual shall keep records of all such funds received and payments made. If the individual subsequently becomes a candidate, the funds received and payments made are contributions and expenditures subject to the limitations, prohibitions and requirements of the Act. Such contributions and expenditures must be reported with the first report filed by the principal campaign committee of the candidate, regardless of the date the funds were received or the payments made. This exemption does not include funds received or payments made for general public political advertising nor does this exemption include funds received or payments made for activities designed to amass campaign funds that would be spent after the individual becomes a candidate.

A parallel exemption is made to the definition of expenditure. These listed exceptions, commonly referred to as the "testing the waters" exemptions, were included in Commission regulations so that an individual would not be discouraged from pursuing a variety of activities to determine whether a candidacy for Federal office is feasible. The Commission has indicated that the exemptions are available to determine "political support" for a potential candidacy and that, under the exemption, funds may be spent to determine whether one should become a candidate. The Commission recognizes that the exemption would apply to funds spent during a time period when one is "evaluating" a candidacy for Federal office. Accordingly, it is apparent that the regulations seek to draw a distinction between activities directed to an evaluation of the feasibility of one's candidacy, as distinguished from conduct signifying that a private decision to become a candidate has been made.

The actual language of the regulation limits the exception to activities designed to determine whether to run; it

Mrs. Martha Zilm
January 31, 1984
Page Three

explicitly limits the activities to those "solely" for this purpose. Moreover, the regulations expressly provide that it is not designed to allow any activities to promote a campaign. Thus, the exemptions prohibit activity designed to accumulate funds to be spent at a date after the decision to become a candidate is made; nor is the exemption available for "general public political advertising." These restrictions demonstrate that the exemption becomes inapplicable once the public activities of the individual take on a partisan political quality which would indicate that a decision has been made to seek nomination for election, or election, to a Federal office. Conduct of this type is distinguished from continuing to deliberate whether one should actually seek elective Federal office.

As a result, the Federal Election Commission has concluded that the testing the waters exemptions of the regulations permit one to raise and spend funds for the following activities provided and only so long as the individual in question continues to deliberate his decision whether to become a candidate for Federal office, as distinguished from pursuing the activity as a means of seeking some affirmation or reinforcement of a private decision he has already made to be a candidate. Specific types of activities which have been approved by the Commission are:

1. Travel for the purpose of speaking to political and non-political groups on a variety of public issues and meeting with opinion makers and others interested in public affairs for the purpose of determining whether potential political support exists for a campaign.
2. Employment of political consultants for the purpose of assisting with advice on the potential and mechanics of constructing a campaign organization.
3. Employment of a public relations consultant for the purpose of arranging and coordinating speaking engagements, disseminating copies of the individual's speeches,

Mrs. Martha Zilm
January 31, 1984

and arranging for the publication of articles by the individual in newspapers and periodicals.

4. Rental of office space.

5. Rental or purchase of office equipment for the purpose of compiling the names and addresses of individuals who indicate an interest in organizing a campaign.

6. Preparation and use of letterhead stationery and correspondence with persons who have indicated an interest in a possible campaign. It is understood that dissemination of information through mailings to the general public would not be appropriate "testing the waters" activity.

7. Supplementing the salary of the individual's personal secretary who will have the additional responsibility during the testing period of making travel arrangements, taking and placing telephone calls related to the testing activities, assisting in receiving and depositing the funds used to finance the testing, and assisting with general correspondence.

8. Reimbursement of the individual's employer for the activities of another employee and who will have the responsibility during the testing period of researching and preparing speeches and coordinating the arrangement of interviews by the news media, answering inquiries of the news media, arranging background briefings on various public issues, and traveling as an aide on some of the testing trips.

9. Reimbursement of the individual's employer for telephone costs, copying costs, and other incidental expenses which may be incurred.

3 3 0 4 0 7 0 0 9 3 1

Mrs. Martha Zilm
January 31, 1984

10. Travel to other parts of the country in order to attend briefings on various public issues, and reimbursement of those who travel to meet with the individual for the purpose of providing briefings on public issues.

11. Employment of a specialist in opinion research to conduct polls for the purpose of determining the feasibility of a campaign.

12. Employment of an assistant to help coordinate travel arrangements and also travel as an aide on some of the testing trips.

13. Preparation and printing of a biographical brochure and possibly photographs to be used in connection with speaking appearances. It is understood that such a brochure and such photographs would not be utilized in a general mailing.

14. Solicitation of contributions for the limited purpose of engaging in such "testing the water" activities as the foregoing. It is understood that this period would not be used for the purpose of raising funds for any possible later campaign.

In this respect, the Commission has cautioned that commencing or continuing the activities listed will fall outside the "testing the waters" exemption if they, in context, represent the establishment of a campaign organization. This means that any oral or written statements by Senator Davis, or by others who assist in any of the listed activities, may not refer to him as a candidate. For example, any name selection for the "testing the waters" effort must avoid expressions such as "Davis for Senate," or "Davis in '84," etc. Also, titles or headings used to identify an office (activity 4) and on letterhead stationery (activity 6) must avoid similar types of campaign connotations.

The Commission is particularly concerned with respect to activities listed as 3, 6, and 13, since they envisage considerable public contact and could entail a purposeful, active

3 8 0 4 0 7 0 0 9 3 2

Mrs. Martha Zilm
January 31, 1984
Page Six

effort to gain all possible political benefit from those contacts. Activities 3 and 13, for example, should not project the individual to the public as a person qualified to be taken seriously as a contender, rather than as a means to ascertain if he would be so perceived by the public. Also, with respect to activity 6, continuing correspondence should not be directed to individuals who initially indicated an interest in a possible campaign by Senator Davis. This is because, if the apparent reason for such correspondence with the individual is reinforcement of his or her initial indication of political support, the activity would be less oriented to ascertaining whether there is an initial base of political support adequate to launch a campaign effort, and more oriented to shoring up a base already identified that will sustain an actual campaign effort. In addition, the Commission is concerned that other activities, 2 and 8 for example, may be carried out in a fashion indicating that a campaign organization is actually being established, rather than remaining a matter for consultation.

Accordingly, if activities 3, 6, and 13 or any other activities take place in a factual context indicating that Senator Davis has moved beyond the deliberative process of deciding to become a candidate, and into the process of planning and scheduling public activities designed to heighten his political appeal to the electorate, then it would be the Commission's opinion that the activities would cease to be within the exemption, and candidacy would arise.

In summary, as long as funds are received and payments are made exclusively for determining whether Senator Davis should become a Senate candidate, those funds would not presently be "contributions" or "expenditures" within the meaning of the Federal Election Campaign Act. As such, donations in excess of the \$1,000 and \$5,000 limits and donations from otherwise prohibited sources may be received and expended for testing-the-waters activities. However, if Senator Davis does become a candidate all the testing-the-waters payments must be brought into conformity with the Act and reported. The applicable regulation provides.

When an individual becomes a candidate, all funds received and payments made in connection with his or her campaign prior to becoming a

Mrs. Martha Zilm
January 31, 1984
Page Seven

3 3 0 4 0 7 0 0 9 3 4

candidate shall be considered contributions or expenditures under the Act and shall be reported in accordance with 11 CFR 104.3 in the first report filed by such candidate's principal campaign committee. The individual shall keep records of the name of each contributor, the date of receipt and amount of all contributions received...and all expenditures made...in connection with the individual's campaign prior to becoming a candidate. Contributions received by an individual prior to becoming a candidate, which contributions are not in compliance with the Act, shall be returned to the contributor within ten (10) days after the individual becomes a candidate. The individual shall keep records of all refunds made. (Emphasis added.)

Thus, I wish to emphasize and caution that, as is apparent from the language of the quoted regulation, if Senator Davis becomes a candidate, he would be required to make refunds or repayments of any excessive or prohibited contributions that were received during the "testing the waters" period. Such refunds or repayments would have to be made within ten (10) days after Senator Davis becomes a "candidate" as defined in the Act and Commission regulations. Moreover, the initial receipt of funds that subsequently become prohibited contributions, as well as the mandatory refunds or repayments within ten (10) days of Senator Davis' candidate status, would have to be disclosed in the first report required to be filed by Senator Davis' principal campaign committee. For that reason, you may decide, as a matter of policy, to accept only funds which are lawful under the Act even during the testing-the-waters phase of the campaign. In that way, you would avoid the need to make refunds and you would avoid the need to answer any questions which might otherwise be posed by an opponent or the media about receipts which might appear to have been unlawful.

Once the funds become "contributions" or "expenditures," e.g. payments received or made for the purpose of influencing Senator Davis' nomination or election, the limitations and provisions of the Act come into play. Once

Mrs. Martha Zilm
January 31, 1984
Page Eight

"contributions" aggregating in excess of \$5,000 have been received, or once "expenditures" aggregating in excess of \$5,000 have been made, then Senator Davis will be a "candidate" under the Act. (No public announcement or other activity is required.) The Senator will then have 15 days to designate a principal campaign committee and to file the required registration documents as required by the Act.

I do hope you have found this discussion to be responsive to your concerns as to what can and what cannot be done during the testing-the-waters stage of a campaign. You should not hesitate to telephone me to discuss any specific questions you may have either about this letter or about issues as they develop in the coming weeks. Furthermore, as you sense that funds are no longer being raised and spent to determine whether Senator Davis should become a candidate, but are being raised and spent to advance his election, you should get in touch with me to discuss the registration and reporting procedures. In the interim, remember to keep accurate records and good luck.

Sincerely,

J. Curtis Herge

Re: Granada Hills Community Hospital
(MUR 2149)

Dear Sirs:

Your letter, dated March 26, 1986, addressed to Granada Hills Community Hospital, was received April 7, 1986.

This letter is intended to demonstrate in writing and to request no further action be taken by the Commission by reason of a possible alleged violation of certain sections of the Federal Election Campaign Act of 1971, as amended.

Enclosed, as requested, is our designation of counsel.

In response to the allegations:

1. That Granada Hills Community Hospital is a California non-profit corporation formed under the laws of the State of California.
2. That Section (e) of Article Second of the hospital's Articles of Incorporation filed with the Secretary of State of California provides as follows: "(e) This corporation shall not, as a substantial part of its activities, carry on propaganda or otherwise attempt to influence legislation. This corporation shall not participate in or intervene in (including the publishing or distributing of statements) any political campaign on behalf of any candidate for public office."
3. That, by reason of the foregoing provision of the hospital's Articles of Incorporation, the policy of the board of directors of the hospital has been and is the hospital not participate in any way in any political campaign on behalf of any candidate for public office. That, as an example of carrying

Re: MUR 2149

out its said policy, the hospital, on March 25, 1986, through its general counsel, replied to a request by a physician on its medical staff to participate in a campaign to unseat Rose Bird as Chief Justice of the Supreme Court of California. The letter, dated March 25, 1986, written by the hospital's general counsel to said medical staff member, is enclosed.

4. That, by reason of what is alleged in this matter, and to reinsure the policy of the hospital, namely that there be no participation in any way in any political campaign, be called to the attention of all of the personnel of the hospital, the board of directors will be requested, at its board meeting to be held April 23, 1986, to formalize its policy by a resolution of the board, which resolution will then be furnished to all who are concerned in the operation of the hospital.
5. That the facts pertaining to the alleged violation are as follows:
 - a. That a contribution was authorized by Lewis Gillette, the then administrator of the hospital, and a check of the hospital in the sum of \$500.00 was sent to "The Davis Committee" by him.
 - b. That Lewis Gillette is no longer the administrator of the hospital and has not, for a period of some months, been the administrator of the hospital.
 - c. That while Lewis Gillette had broad administrator powers in his position as administrator, he exceeded his authority in authorizing said contribution; that while said Lewis Gillette should have known of the hospital policy, said Lewis Gillette was not the type of person who would enter into any transaction that would constitute a violation of law, and it is alleged that an awareness that such a contribution would be improper apparently escaped his mind and his action was inadvertent and in error and with no intent to violate any law or the Articles of Incorporation of the hospital.
 - d. That the matter of the contribution first came to the attention of the board of directors on or about April 4, 1986, when Carl C. Hubanks, Secretary of the corporation, received a phone call from a representative of "The

Davis Committee", who advised him it had come to their attention the hospital was a corporation and it was refunding the \$500.00 that had been received by it as a contribution.

- e. That said \$500.00 was in fact refunded to the hospital and was received by the hospital on April 7, 1986.
- f. That the hospital then received the letter of the Commission on April 7, 1986, at which time it learned of the alleged violation.

That at no time did the hospital intend either to violate the Federal Election Laws or the hospital's Articles of Incorporation and it is respectfully requested no further action in the matter be taken by your Commission.

Your consideration of this response is appreciated and should any further information be needed, it will be furnished upon request.

RE: MUR 2149

Gentlemen:

On March 31, 1986, we received your March 26, 1986 letter and the matter was referred to me for handling.

Simply put, the corporate check in the amount of \$500.00 was sent in error and subsequently, the Davis Committee has refunded the \$500.00 to us.

I respectfully request that no disciplinary action be taken against us as the situation has been rectified.

I trust you will find this to be in order; however, if you have any additional questions, please contact me.

Very truly yours,

RE: MUR 2149

Dear Mr. Gross,

Regarding your letter dated March 26, 1986, received by me April 13, 1986. Please be advised that I feel I have in no way violated any sections of the Federal Election Campaign. I'm not sure what it is that I am alledged to have done? I suspect there is some confusion because my personal checks are printed "John Gerken Enterprises". I am not a corporation, but a deversified individual who works as a Real Estate Broker employed by Century 21 Real Estate #1, Inc. I gave a personal donation not a business or Corporate donation. If there is a violation somewhere please advise, so it may be rectified.

Cordially,

Re: MUR 2149

Gentlemen:

36 APR 18 P 3: 32
RECEIVED
We are in receipt of your letter dated March 26, 1986, received April 4, 1986 regarding a complaint from the Fiedler Committee which alleges that we may have violated certain sections of the Federal Election Campaign Act of 1971, as amended. Any violation we may have committed would have been unintentional on our part.

3 8 0 4 0 7 0 0 9 5 0
The first complaint raised by the Fiedler Committee is that non-federal committee funds have been used to pay Martha Zilm for her services as Campaign Manager. We do not know what Mr. Steinberg means by "it has been widely reported that Martha Zilm is Davis' full-time Campaign Manager" nor do we know from whom these reports emanate. Martha Zilm does spend much time managing the campaign, but we are not aware of any contract establishing a salary. To this date no salary has been paid to Mrs. Zilm, nor has she asked for any.

The \$5000 reported as having been paid to Martha Zilm by Friends of Ed Davis represents two checks each for \$2500. The second check was a replacement for the first which was lost and stopped payment on. This payment was for services rendered to the Friends of Ed Davis Committee. See attachments A, B and C.

The following information is furnished regarding the next two questions raised by the Fiedler Committee.

Item [1] raised the question of whether the \$15,178.00 owed to Arthur Finkelstein was in payment for services to the Davis Committee. This money was to pay for a survey conducted in California for Friends of Ed Davis for use in Senator Davis' reelection campaign to the State Senate. This accrued expense was paid by Friends of Ed Davis during the next reporting period, after an adjustment of \$678.00 had been made. See attachments [1]A and [1]B.

e 2
tion of an accrued expense of \$30,000.00
a survey conducted in January 1985.
Item [2] raised the intention of paying this debt as funds
due Mr. Finkelstein the amount of \$500.00 was paid in March 1986.
The Committee A.
become available.
See attachments.

The Bobbi Finkelson then complained about 23 "seemingly
prohibited contributions". Each of these complaints is discussed
in the following paragraphs.

Contribution on 6/12/84 from Mr. James F. Dickason, Jr.

1. A \$5,000 contribution was received during the "Testing
REMARK: Contributions of this nature are not
considered contributions until the individual becomes a candidate.
The excess \$4000 was refunded to Mr. Dickason within 10 days
after Senator Davis announced his candidacy and was
reported on the FEC REPORT for the period 1/1/85 to 6/30/85.
See attachments 1A, 1B, 1C and 1D.

2. A \$750 and a \$500 contribution from Al Dick Development Co. which,
according to an employee named Helli Keller, is a corporation.

REMARK: At the time these contributions were received, the
Secretary of State for the State of California informed us in
a telephone conversation that the Al Dick Development Co. is
not a corporation. This fact has been further substantiated by
a letter from Mr. Dick, the owner. The \$500 contribution
was, with Mr. Dick's written permission put in the General
Election Fund and was reported as such in the FEC Report
covering period 7/1/85 to 12/31/85. See attachments 2A, 2B,
2C & 2D.

3. A \$350 and a \$250 contribution from Dan Major's Bail Bond
Agency which, according to Mr. Major's secretary, who would
not give her name, is a corporation.

REMARK: California Administrative Code 2054.1 does not permit
corporations to act as Bail Bondsmen. We do not believe local
authorities would permit any agency to operate contrary to
state law. See attachments 3A & 3B.

4. A \$500 contribution from Granada Hills Community Hospital
which, according to Joanne Martin in the hospital administrative
office, is a corporation.

REMARK: At the time that this contribution was received we
were informed by the Secretary of State that the Hospital was
not a corporation. Further investigation by us revealed that it
is a corporation due to the fact that it is a subsidiary of
corporation. We immediately refunded the \$500 and reported
the refund on FEC report covering period 01/01/86 - 02/01/86.
See attachments 4A, 4B, 4C and 4D.

Item [2] raises the question of an accrued expense of \$30,000.00 due Mr. Finkelstein for a survey conducted in January 1985. The Committee has every intention of paying this debt as funds become available. The amount of \$500.00 was paid in March 1986. See attachment [2]A.

The Bobbi Fiedler Committee then complained about 23 "seemingly prohibited contributions". Each of these complaints is discussed in the following paragraphs.

1. A \$5000 contribution on 6/12/84 from Mr. James F. Dickason, Jr.

REMARK: This contribution was received during the "Testing the Waters" period. Contributions of this nature are not considered contributions until the individual becomes a candidate. The excess \$4000 was refunded to Mr. Dickason within 10 days after Senator Davis announced his candidacy and was reported on the FEC REPORT for the period 1/1/85 to 6/30/85. See attachments 1A, 1B, 1C and 1D.

2. A \$750 and a \$500 contribution from Al Dick Development Co. which, according to an employee named Helli Keller, is a corporation.

REMARK: At the time these contributions were received, the Secretary of State for the State of California informed us in a telephone conversation that the Al Dick Development Co. is not a corporation. This fact has been further substantiated by a letter from Mr. Dick, the owner. The \$500 contribution was, with Mr. Dick's written permission put in the General Election Fund and was reported as such in the FEC Report covering period 7/1/85 to 12/31/85. See attachments 2A, 2B, 2C & 2D.

3. A \$350 and a \$250 contribution from Dan Major's Bail Bond Agency which, according to Mr. Major's secretary, who would not give her name, is a corporation.

REMARK: California Administrative Code 2054.1 does not permit corporations to act as Bail Bondsmen. We do not believe local authorities would permit any agency to operate contrary to state law. See attachments 3A & 3B.

4. A \$500 contribution from Granada Hills Community Hospital which, according to Joanne Martin in the hospital administrative office, is a corporation.

REMARK: At the time that this contribution was received we were informed by the Secretary of State that the Hospital was not a corporation. Further investigation by us revealed that it is a corporation due to the fact that it is a subsidiary of a corporation. We immediately refunded the \$500 and reported the refund on FEC report covering period 01/01/86 - 03/31/86. See attachments 4A, 4B, 4C and 4D.

009040700952

5. A \$500 contribution from Hammer-Hewson Associates which, according to an employee named Diane Dean, is a corporation.

REMARK: The firm of Hammer-Hewson Associates is not a corporation but a partnership. Numerous attempts have been made to obtain the required data on the partners. An amendment to the FEC report will be submitted as soon as the data is received. See attachments 5A and 5B.

6. A \$500 contribution from S & M Insurance Brokers which, according to an employee named Lavonne Cental, is a corporation.

REMARK: Upon receipt of this contribution, we were informed by the Secretary of State that S & M Insurance Brokers was not a corporation. We have since learned that Saunders Enterprises Inc. which of course is a corporation, does business as S & M Insurance Brokers. The contribution has been refunded and has been reported on the FEC report covering period 01/01/86 to 03/31/86. See attachments 6A, 6B, 6C and 6D.

7. A \$250 contribution and a \$50 contribution from Air Bail Bonds which, according to an employee who would not give their name, is a corporation.

REMARK: See remark for 3. See attachments 7A, 7B and 7c.

8. A \$700 contribution, a \$750 contribution and a \$100 contribution from Bert Potter's Bail Bonds which, according to an employee who would not give their name, is a corporation.

REMARK: Bert Potter's Bail Bonds is not a corporation. See remark for complaint #3. The \$750 received 11/27/85 was, with Mr. Potter's permission, placed in the General Election Account. See attachments 8A, 8B, 8C, 8D and 8E.

9. A \$250 contribution from Colombo's Restaurant which may be a corporation, but they are not listed in the telephone book at the address listed in the report.

REMARK: Colombo's Restaurant is not a corporation but is owned by Mr. Colombo and his wife. See attachments 9A, 9B and 9C.

10. A \$450 in-kind contribution from Herrera Winery which would appear to be a corporation, but is not listed in the telephone book at the address listed in the report.

REMARK: At the time this contribution was accepted Dr. Herrera stated that he was the owner of Herrera Winery and that it was not a corporation. We don't believe that not being listed in the telephone book makes a contribution illegal. Dr. Herrera is in Europe at the present time and cannot be contacted. See attachments 10A.

11. A \$600 contribution, a \$100 contribution, a \$300 contribution and a \$1000 contribution earmarked for the General Election from Northwest Industrial Park which would appear to be a corporation, but they are not listed in the telephone book at the address listed in the report.

REMARKS: According to the Secretary of State and Susan L. Groff, Northwest Industrial Park is not a corporation regardless of what it may appear to be to Mr. Steinberg. See attachments 11A, 11B and 11C..

3 8 0 4 0 7 0 0 9 5 3

12. A \$250 contribution from People's Empire Ranch which would appear to be a corporation but they are not listed in the telephone book at the address listed in the report.

REMARK: At the time this contribution was received, the Secretary of State was called and they informed us that the People's Empire Ranch was not a corporation. A letter from the Ranch corroborating this information has been requested. See attachments 12A, 12B, and 12C and 12D.

13. A \$600 contribution from the Santa Ana Police Benovolent Association, a labor union.

REMARK: This contribution was received from the PAC and was reported as such. See attachments 13A, 13B and 13C.

14. A \$1000 contribution from the California Young Republican PAC which has a Federal Multi Candidate Committee. However, the committee listed in the report is a state PAC which may not have a separate segregated fund. Additionally, the 7/1/85 - 12/31/85 report shows a total of \$5000 in contributions from the Federal Multi Candidate Committee which would, even if the original contribution was acceptable, put them over their legal limit.

REMARK: At the time we received the first \$1000 we were assured by the CYR that the contribution was legal. We have now been informed by the FEC that their records indicate that the Federal PAC has not qualified as a multi-candidate committee. The CYR insists they have been qualified for many years and have contributed to many federal candidates. The two are in direct contact with each other and will resolve their differences. To get out from the middle we have refunded \$4000 and reported this refund on the FEC report for the period 1/1/86 to 3/31/86. See attachemnts 14A and 14B.

15. A \$500 contribution from the Association Committee to Improve our Nation, which has a Federal Multi Candidate Committee for Glendale Federal Savings and Loan. However, the committee listed in the report is a state PAC and may not have a separate segregated fund.

REMARK: An amended report changing the ID# to C00035295 will be submitted. See attachments 15A, 15B and 15C.

16. A \$1000 contribution from the Mc Clintock Committee which is a state campaign committee and may not have a separate segregated fund.

REMARK: The contribution has been refunded and reported as such on FEC report for period 1/1/86 to 3/31/86. See attachments 16A, 16B, 16C and 16D.

17. A \$500 in-kind contribution from the Shasta County Central Committee which may not have a separate segregated fund.

REMARK: The chairman of the committee stated that this in-kind contribution was paid for from segregated funds. This was verified in writing by the Event Coordinator. See attachments 17A and 17B.

440700954

18. A \$250 contribution from the Waterbed Industry PAC which is a state PAC and may not have a separate segregated fund.

REMARK: This check was intended for Friends of Ed Davis State Committee and the money has been returned and will be reported on the next report. See attachments 18A, 18B, 18C and 18D.

19. A \$500 contribution from J. P. Gerkin Enterprises, which would appear to be a corporation but is not listed in the telephone book at that address in the report.

REMARK: The Secretary of State and Mr. Gerkin have assured us that this is not a corporate check. See attachments 19A and 19B.

20. A \$200 contribution from Olivera Investment Company which would appear to be a corporation but is not listed in the telephone book at the address in the report.

REMARK: The Secretary of State and Mr. Olivera both stated that this is not a corporation. See attachments 20A, 20B, 20C and 20D.

21. A \$250 contribution from the Committee for Judge Steven Hintz which is a state campaign and may not have a separate segregated fund.

REMARK: This money has been refunded and reported on FEC report for the period of 01/01/86 to 03/31/86. See attachments 21A, 21B, 21C and 21D.

22. A \$1000 contribution from the Latinos United Coalition which is a state PAC and may not have a separate segregated fund.

REMARK: Mr. Ford Crane, Treasurer for the Coalition stated that no corporate money is accepted by the Coalition - members only may contribute. See attachment 22.

23. A \$500 contribution from the Political Action Council of Educators which is a state PAC and may not have a separate segregated fund.

REMARK: According to Inola F. Henry the Political Action Council of Educators has no connection with a union but is an organization with a fund wholly made up of contributions from any teacher who wants to contribute. See attachments 23A and 23B.

The above information was derived from data we have on hand at present. If additional information is needed please let us know and we will attempt to obtain it.

It would appear to us that the 23 "seemingly prohibited contributions" listed by Mr. Steinberg are based mainly on conjecture on his part rather than on facts. Phrases like "secretary, who would not give her name", "but are not listed in the telephone book", "which would appear to be a corporation", "may not have a separate segregated fund" are used throughout, indicating to us that all Mr. Steinberg is interested in is harassing an opposing candidate through the Federal Election Commission.

38040700955

We feel that our biggest omission is having taken the word of the Secretary of State for questions of whether or not a firm is a corporation or not. We found that most secretaries and other employees do not know what a corporation is.

In conclusion we wish to state that there has been absolutely no intent on the part of anyone to disregard F.E.C. regulations. The status of all contributors who might be unauthorized is first checked with the Secretary of State and then if needed we question the contributor directly. We have found that in some cases, a company is not registered with the Secretary of State because it is a subsidiary of a larger corporation. Much time and effort is expended in this type of research. Further, many times employees will give us incorrect information or won't return calls. We have changed our policy and no longer accept contributions until the status of contributors is determined.

The forgoing is true to the best of my knowledge and belief.

Sincerely,

Elsie O. Olson

Re: MUR 2150

We are in receipt of your letter notifying us that a complaint has been filed against the Davis Committee by the Bobbi Fiedler Committee.

The complaint lists one alleged violation by Friends of Ed Davis which is responded to below.

[1] The \$15,178.00 listed on our state report for the period October 21, 1984 to December 31, 1984 as an accrued expense due Arthur Finkelstein covered his fee for conducting a survey for Friends of Ed Davis for use in Senator Davis' campaign for reelection to his State Senate seat and for some travel expenses incurred during that survey. This debt was liquidated by Friends of Ed Davis prior to the 6/30/85 report.

As a matter of information we have been treasurer for Friends of Ed Davis only since March 1, 1986.

The foregoing is true to the best of my knowledge and belief.

Sincerely,

Re: Fund Raiser

Dear Ms. Zilm:

Enclosed herein is a check in the amount of \$500.00 for John Hammer of Hammer-Hewson Associates. This is for a sponsorship fee for the June 14th fund raiser.

Further, I am informed that I will be receiving a \$500.00 check from Glen Chase at Chase Brothers. Glen Chase, however, does not want his name used on the sponsor list and when I have that check I will cause it to be forwarded to you.

Please send four tickets to Hammer-Hewson Associates at this time and when the check comes in from Glen Chase, we will send the four tickets on that.

Also they informed me that the finance committee is starting to take form for the City of Ventura. We will have on the finance committee, at the present time, Ron Golden, Vice President of Continental Land and Title, Judy Stafford and Dr. Robert Pazen.

We intend, after the June 14, 1985 fund raiser, to start soliciting funds using mailing lists and other information and it is my suggestion that

Ms. Benita Adler
Senior Reports Analyst
Federal Election Commission
Washington, D.C. 20463

Dear Benita:

In response to your letter about the Davis Committee report dated 7/1/85-12/31/85 the following explanations are tendered.

1. I am enclosing a copy of the refund checks made to the contributors who have donated over the allowed limit. Bert Potter's Bail Bonds however, is for the General Election Account and a copy of his signature giving us permission to do this is enclosed. The check was for \$750 dated 11/27/85 as stated in the letter and I put a "P" instead of a "G" in the computer. All others have been refunded and listed on this report or on the first report 1/1/85-6/30/85 but the YTD remains in the computer. Mr Irving Feffer's check was received 12/31/85 and so will appear on the next report but has already been refunded. A letter from ECCO assured us that they have now qualified as a multi-candidate PAC and so can give up to \$5000. They have now given us \$3200 as the earlier \$2200 was refunded. CA Young Republican PAC assures us that they are a multi-candidate PAC and so can donate up to \$5000.
2. All partnerships are listed together at the end of Schedule A for line 11a. All other companies are sole proprietorships and will be listed by name instead of business in the future if that is what is required.

By the way, all refunds are itemized regardless of amount refunded so as to make it easier for both you and me to check them.

If you have any questions please give me a call.

Sincerely,

Elsie O. Olson

RE: MUR 2149

Dear Mr. Gross,

Regarding your letter dated March 26, 1986, received by me April 13, 1986. Please be advised that I feel I have in no way violated any sections of the Federal Election Campaign. I'm not sure what it is that I am alledged to have done? I suspect there is some confusion because my personal checks are printed "John Gerken Enterprises". I am not a corporation, but a deversified individual who works as a Real Estate Broker employed by Century 21 Real Estate #1, Inc. I gave a personal donation not a business or Corporate donation. If there is a violation somewhere please advise, so it may be rectified.

Cordially,

John Gerken

Dear Ms. Callaway:

I received your letter dated March 26, 1986 today. It was received in very poor tattered condition, but we are able to make out most of the letter.

I note that on page two of Bobbi Fiedler's letter to the Office of General Counsel of your commission, she has alleged that my office manager, Halli Keller stated that Al Dick Development Co. is a corporation. That is untrue. Ms. Keller has been with me since 1978 and knows that Al Dick Development Co. is not a corporation and she has never stated to anyone that it is a corporation.

If you need any further information to clear up this matter, please don't hesitate to contact me.

Yours truly,

Dear Sir:

Re: MUR 2149

Your letter of March 26, 1986 with accompanying materials was delayed in receipt by this office. We moved to the new address shown on this letterhead on November 1, 1985, and mail being forwarded now takes at least ten days.

Raymond P. Delrich, Executive Director, who is in charge of the industry PAC fund, is out of town at this time and will not return until the end of the month.

He is aware of the letter, says there was a misunderstanding which has been resolved, and he requests an extension until May 7, 1986 to reply to your letter with the proper supporting evidence.

Thank you for your consideration.

SUMMARY OF ALLEGATIONS

On March 18, 1986, Arnold Steinberg filed two complaints alleging various violations of the Federal Election Campaign Act of 1971, as amended ("the Act") in connection with the candidacy of Edward Davis for the United States Senate. The complaint filed in MUR 2149 alleges that Edward Davis, The Davis Committee, Friends of Ed Davis, Arthur Finkelstein and Associates, James

38040701074

Dickason, and 23 entities violated the Act. The complaint filed in MUR 2150 alleges violations by Arthur Finkelstein, Arthur Finkelstein and Associates, The Davis Committee, Edward Davis, and Friends of Ed Davis. Because the two complaints essentially contain identical and overlapping allegations with respect to obligations owed to Arthur Finkelstein and Associates by The Davis Committee and Friends of Ed Davis, the two complaints are being dealt with jointly in the instant report.

The complaints allege numerous violations of the Act, as follows:

- 1) Ed Davis and The Davis Committee, the principal campaign committee of Ed Davis for the 1986 senatorial campaign in California, accepted corporate and union contributions from the Al Dick Development Company, Dan Major's Bail Bond Agency, Granada Hills Community Hospital, Hammer-Hewson Associates, Air Bail Bonds, Bert Potter's Bail Bonds, Colombo's Restaurant, Herrera Winery and Vineyard, Northwest Industrial Park, People's Empire Ranch, Santa Ana Police Benevolent Association, J.P. Gerken Enterprises, Olivera Investment Company, and S and M Insurance Brokers;
- 2) Ed Davis and The Davis Committee accepted impermissible contributions from the following eight state political committees, California Young Republican PAC-State, Glendale Federal Savings Association Committee to Improve Our Nation, McClintock Committee, Shasta County

88040701075

Central Committee, Waterbed Industry PAC, Committee for Judge Steven Hintz, Latinos United Coalition, and Political Action Council for Educators;

- 3) Ed Davis and The Davis Committee accepted an excessive contribution from James Dickason;
- 4) The funds of Friends of Ed Davis, a state campaign committee, were used to further the federal candidacy of Ed Davis when Friends of Ed Davis paid the salary of the federal campaign committee's full-time campaign manager;
- 5) The funds of Friends of Ed Davis were used to pay for a survey in connection with the federal campaign. A debt of \$15,178 was reported by Friends of Ed Davis as owed to Arthur Finkelstein and Associates in connection with the survey; and,
- 6) Ed Davis and The Davis Committee accepted prohibited corporate contributions made by Arthur Finkelstein and Arthur Finkelstein and Associates in connection with the above \$15,178 debt for the survey and a \$30,000 debt owed by The Davis Committee. The complainant contends that such debts have become prohibited contributions because they have been outstanding for a length of time beyond normal business and trade practice.

Notification of the complaint was mailed to the respondents in these matters on March 26, 1986. Based upon information provided by the respondents it appears that the

88040701075

respondents received the notification between April 7, 1986, and April 16, 1986. By letters dated April 1, 1986, and April 8, 1986, counsel for Arthur Finkelstein and Arthur Finkelstein and Associates requested an extension to respond to the complaint's allegations. By letter dated April 14, 1986, counsel was notified that the above request had been granted until April 25, 1986.

Subsequent to this office's receipt and review of all of the respondents' replies in this matter, a report will be prepared containing recommendations with respect to the respondents.

Kenneth A. Gross, Esq.
Associate General Counsel

Attention: Mrs. Maura Callaway

RE: MUR 2149 and 2150

Dear Mr. Gross:

On behalf of our clients, Arthur J. Finkelstein and Arthur J. Finkelstein and Associates, we are writing in response to the complaints filed by Mr. Arnold Steinberg numbered MUR 2149 and 2150. By letters dated April 1, 1986 and April 8, 1986, we filed our clients' statements of designation of counsel and requested extensions, until April 25, 1986, within which to respond. The requested extensions were granted by letter dated April 14, 1986.

In his complaints, apparently written on behalf of United States Senate candidate Bobbi Fiedler, Mr. Steinberg alleged that The Davis Committee, the principal campaign committee of Edward M. Davis, violated several provisions of the Federal Election Campaign Act. In addition, Mr. Steinberg alleged that Arthur J. Finkelstein and Associates extended credit to The Davis Committee in violation of 2 U.S.C. 441b. In support of that allegation, Mr. Steinberg asserted that Arthur J. Finkelstein "has ultimate control over the campaign's activities, including the power to direct expenditures", thus suggesting that Mr. Finkelstein has somehow intentionally prevented his firm from being paid. The allegations made by Mr. Steinberg about our clients, Arthur J. Finkelstein and Associates and Arthur J. Finkelstein, are ludicrous and vengeful. They appear to be nothing more than a transparent attempt by the Fiedler campaign

organization to exact revenge for the criminal charges pending against representatives of that organization which arose from allegations made by representatives of The Davis Committee. We will demonstrate that our clients are not in violation of 2 U.S.C. 441b and that no further action should be taken against them in connection with these matters.

Facts

Arthur J. Finkelstein and Associates (hereinafter "AJF") is a New York corporation, engaged in the business of conducting public opinion surveys, or polls. Arthur J. Finkelstein is the President of AJF and Ronald W. Finkelstein is the Office Manager of AJF. Enclosed, in substantive response to the allegations at hand, is the Affidavit of Arthur J. Finkelstein and the Affidavit of Ronald W. Finkelstein. Those affidavits document the following:

(1) Friends of Ed Davis was the non-Federal principal campaign committee of Edward M. Davis, who was a candidate for election to the California State Senate in the November, 1984, election. As of December 31, 1984, Friends of Ed Davis owed AJF the sum of \$14,500 for a poll which had been conducted by AJF in February, 1984. That obligation was paid in full by Friends of Ed Davis in 1985.

(2) After Mr. Davis' election to the California State Senate in November, 1984, AJF was commissioned by The Davis Committee to conduct a poll, that poll being conducted in January, 1985. The Davis Committee is the principal campaign committee of Edward M. Davis, who is a candidate for election to the United States Senate from California. The total cost of that poll was \$30,000, the initial invoice having been submitted by AJF in January, 1985. Of that amount, \$500 has been paid, leaving an unpaid balance due AJF as of today of \$29,500.

38040701079

(3) AJF incurred travel expenses on behalf of Friends of Ed Davis and, subsequently, on behalf of The Davis Committee. The Affidavit of Ronald W. Finkelstein recites the dates upon which those expenses were incurred, invoiced and paid. All the obligations of Friends of Ed Davis to AJF have been paid.

(4) AJF has made numerous and repeated attempts to collect the sum due it from The Davis Committee. Those efforts at collection are recited in paragraph (11) of the Affidavit of Ronald W. Finkelstein. Among other things, Mr. Finkelstein threatened the Campaign Manager of The Davis Committee with legal action on February 3, 1986.

(5) No contract for consulting or other services exists or existed between AJF and The Davis Committee, between AJF and Friends of Ed Davis, or between either or both committees and Arthur J. Finkelstein.

(6) Arthur J. Finkelstein disclaims any ability to control or direct the expenditures of The Davis Committee.

(7) The credit extended by AJF to The Davis Committee was extended in the ordinary course of AJF's business and the terms are substantially similar to the credit extended to all its customers and clients.

(8) AJF has no intention of settling or forgiving the obligation due from The Davis Committee and intends to pursue the debtor, including the filing of a lawsuit, if necessary.

In support of its position that the terms of credit extended to The Davis Committee are substantially similar to that extended to all its clients, Arthur J. Finkelstein and Associates notes the following specific examples.

88040701080

Kenneth A. Gross, Esq.
April 23, 1986
Page 4

(1) In 1982, AJF conducted a poll for a Federal candidate in the 4th Congressional District in North Carolina. The \$33,700 cost was finally paid in 1984.

(2) In 1982, AJF conducted a poll for a Federal candidate in the 2nd Congressional District in Connecticut. The \$2,000 cost was finally paid in 1985.

(3) In 1978, AJF conducted a poll for a Federal candidate in New Hampshire. The \$22,000 cost was not paid until 1982.

(4) In 1984, AJF conducted a poll for a Federal candidate in North Carolina. The \$111,000 cost was paid in late 1985.

(5) In 1984 and 1985, AJF conducted polls in the following jurisdictions for Federal candidates. The amounts listed remain due as of the date of this letter:

New Hampshire	1984	\$ 15,777
Illinois	1984	26,581
Virginia	1985	3,650
New Jersey	1984	2,750
Texas	1985	62,790

In his Affidavit, Ronald W. Finkelstein stated that AJF is willing to resort to litigation, if necessary, to collect its bills. He specifically cited a lawsuit filed in March, 1986 to collect the balance due for the above referenced poll conducted in Illinois in January, 1984.

It is evident that the allegations in the complaint are ill-founded. AJF conducted a poll for Friends of Ed Davis and, in due course, was paid. AJF conducted a poll for The Davis Committee but has not yet been paid in full. A payment on account has been received, however, which under the law constitutes a confirmation of the account and extends the statute

38040701081

Kenneth A. Gross, Esq.
April 23, 1986
Page 5

of limitation for collection. AJF has not ignored the obligation and, to date, has made every reasonable effort to collect the debt short of litigation. Litigation has been threatened, however, and AJF has confirmed its intention to file suit, if necessary. To date, the unpaid portion of the debt is only fifteen months old, which is not inconsistent with the terms of credit extended by AJF to all its other clients.

For the reasons stated, the allegations against our clients are baseless and no further action should be taken against them in this matter.

Sincerely yours,

J. Curtis Herge

Committee is the principal campaign committee of Edward M. Davis, a candidate for election to the United States Senate.

(9) That the total cost of the January, 1985, survey for The Davis Committee was \$30,000.00, Arthur J. Finkelstein and Associates rendering its invoice for that amount on or about January 16, 1985.

(10) That, in addition to the amount invoiced for the January, 1985, survey, Arthur J. Finkelstein and Associates incurred travel expenses of \$671.18 on or about October 14, 1984, which were invoiced on or about December 4, 1984 and which were paid on or about September 19, 1985; travel expenses of \$754.46 on or about November 10, 1984 and of \$920.99 on or about December 10, 1984, which were invoiced on or about January 16, 1985 and which were paid on or about July 2, 1985; travel expenses of \$1,046.41 on or about January 17, 1985 and of \$1,173.23 on or about February 3, 1985, which were invoiced on or about March 7, 1985 and which were paid on or about September 19, 1985; and, travel expenses of \$1,043.39 on or about February 24, 1985, of \$1,103.77 on or about March 24, 1985 and of \$943.47 on or about April 11, 1985, which were invoiced on May 10, 1985 and which were paid on or about January 8, 1986.

(11) That your deponent mailed periodic written demands for payment, and made numerous verbal demands for payment upon, Martha Zilm, the Campaign Manager of The Davis Committee. In addition to numerous requests for "prompt attention" to the invoices, your deponent advised Martha Zilm in writing, on or

88040701085

about June 21, 1985, that: "I can't afford this type of relationship. I need a substantial payment towards reduction of this debt"; and, your deponent advised Martha Zilm in writing, on or about February 3, 1986, that: "If some payment is not made as soon as possible, I will be forced to turn this over to my lawyers."

(12) That, on or about March 24, 1986, The Davis Committee paid Arthur J. Finkelstein and Associates \$500.00 on account toward the cost of the January, 1985, survey.

(13) That your deponent has not been lax in his efforts, on behalf of Arthur J. Finkelstein and Associates, to collect the full amount of the debt owed by The Davis Committee and believes that he has made a commercially reasonable attempt to collect the debt. To the best of knowledge, The Davis Committee has not disputed or challenged the validity of the debt remaining due for the January, 1985 survey and he believes the payment on account is a confirmation of the debt.

(14) Arthur J. Finkelstein and Associates has no present intention or plan to forgive or settle the debt owed to it by The Davis Committee. As evidenced by its statement to Martha Zilm on February 3, 1985, Arthur J. Finkelstein and Associates intends to pursue the debtor, including the filing of a lawsuit, if necessary.

(15) The extension of credit to Friends of Ed Davis and The Davis Committee by Arthur J. Finkelstein and Associates is identical to that extended in the ordinary course of its

3 9 0 4 0 7 0 1 0 8 7

business to all its customers and clients. By reason of the cost of surveys, it is not uncommon for clients of Arthur J. Finkelstein and Associates to have substantial amounts due and outstanding for extended periods of time, many such debts not being paid within two years of the date of an invoice. Arthur J. Finkelstein and Associates does resort to litigation, if necessary, to collect its debts, the current example being the recent filing of a suit in Federal court to collect \$26,581.50 for a debt due from Corcoran for Senate for a survey taken in January, 1984. (See, Arthur J. Finkelstein & Associates v. Thomas Corcoran, U.S.D.C. E.D.Va. Civil Action No. 86-0297-A)

re: MUR 2149 (Fiedler vs Davis) item 17 of basic complaint

Dear Sir;

Had your office forwarded the paper work to the correct address, our reply to the Ms Fiedler's complaint would have been timely. For your records, our address is, and has been for longer than either of us have been alive, Box 95 Redding California 96099.

As to the matron's complaint, the funds in question were a direct expense of the Central Committee paid to Bessie Sanders (ck # 196, dtd 4/2/85) to re-imburse her for \$616 charged to her Master Card pursuant to paying the Senator's direct transportation costs. The expense, which we could have done without, was incurred by her after Mr Davis's original travel plans were changed because of unforeseen circumstances, and she had to hire Patterson Aircraft to bring the Senator to Redding.

Since Mr Davis was the guest speaker for our annual Lincoln Day Dinner, we needed his presence. The Senator had been invited to be the guest speaker and had accepted prior to February 1985. The fact that he announced for the US Senate within days of the dinner was coincidental and subsequent to our agreement to pay for his transportation -- only. To the best of our knowledge, he did not raise campaign funds during his brief sojourn in Redding, nor did he garnish other support that was not his to start with.

The funds utilized for his transportation were obtained through the sale of tickets at \$12.50 each (including dinner) and no one purchased enough to even trigger itemization under California's filing rules. Since we lost \$301.96 on the event, we did have to make up the shortfall from our prior balances. Most of our contributions, however, come from individuals and, during 1985 less than \$200, so that an inadvertant use of corporate sources is moot. We, unfortunately, do not have the problem Ms Fiedler alludes to.

As a GOP county committee, we do not provide either financial or logistical support to primary candidates. Our

88040701092

purpose is to support the election efforts of all Republican nominees in the general election after they've been annointed in the primary election. Since Mr Davis and Ms Feidler cannot be so blessed until 3 June, the former's direct transportation cost for our express benefit is the extent of our involvement.

Dear Mr. Gross:

This is in response to your letter dated March 26, 1986 regarding the status of the Latinos United Coalition.

The Latinos United Coalition, #850564, was a registered recipient committee under the California Fair Political Practices Commission regulations. It was terminated on March 20, 1986. While it was in existence, the committee only accepted funds permitted under the Federal Election Campaign Act. We accepted no corporate or union contributions.

We therefore believe the \$1,000.00 contribution to the Ed Davis Committee is permissible, and the Latinos United Coalition is not in violation of the Federal Election Campaign Act. Please contact me if you have any further questions.

Dear Mr. Gross:

Subject: MUR 2149

In response to your letter of March 26, 1986, requesting an explanation of a possible violation of certain sections of the FECA of 1971, I find that an error was made in contributing to The Davis Committee.

It was our intention to make a \$250 contribution to the Friends of Ed Davis, ID #79120, for his State Senator campaign. However, we had received a piece of correspondence from his U.S. Senator campaign fund, The Davis Committee. Our contribution was mistakenly sent to that Committee, instead of his State Senator Campaign fund.

We have received a refund check from The Davis Committee for the \$250 contribution, advising us of this error.

Thank you for your favorable consideration of this matter.

Sincerely,

MURs 2149 and 2150

General Counsel's Report

I. Background

On March 18, 1986, Arnold Steinberg filed two complaints alleging various violations of the Federal Election Campaign Act of 1971, as amended ("the Act") by Ed Davis, The Davis Committee, Friends of Ed Davis, Arthur Finkelstein, Arthur Finkelstein and Associates, Al Dick Development Company, Dan Major's Bail Bond Agency, Granada Hills Community Hospital, Hammer-Hewson Associates, S and M Insurance Brokers, Air Bail Bonds, Bert Potter's Central Jail Bail Bonds, Colombo's Restaurant, Herrera Winery and Vineyard, Northwest Industrial Park, People's Empire Ranch, Santa Ana Police Benevolent Association, J.P. Gerken Enterprises, Olivera Investment Company, James Dickason, Glendale Federal Savings Association Committee to Improve Our Nation, McClintock Committee, Shasta County Central Committee, Waterbed Industry PAC, Committee for Judge Steven Hintz, Latinos United Coalition, Political Action Council of Educators, the California Young Republican PAC (State), and California Young Republican PAC (Federal).

Notification of the complaints was mailed to the respondents in the respective complaints on March 26, 1986. Responses were received from the respondents during the period of April 7, 1986, through April 28, 1986 (Attachment 1). A combined First General

93040701097

Counsel's Report in MURs 2149 and 2150 was circulated to the Commission on April 23, 1986, noting that because of overlapping issues these two matters would be dealt with jointly by this office.

II. Factual and Legal Analysis

A. The Facts

(1) Corporate and Union Contributions

The complaint filed in MUR 2149 alleges that The Davis Committee, the principal campaign committee of Edward Davis for the 1986 senatorial election, accepted prohibited contributions from 13 corporations and one union. The following contributions, as reported by The Davis Committee in the reports appended to the complaint, are at issue:

<u>Contributor</u>	<u>Date</u>	<u>Amount</u>	<u>Total (reported year-to-date)</u>
1. Al Dick	4-16-85	\$500 (P)	\$1,250

The response received from The Davis Committee states that the Al Dick Development Company, Dan Major's Bail Bond Agency, Hammer-Hewson Associates, Air Bail Bonds, Bert Potter's Central Jail Bail Bonds, Colombo's Restaurant, Herrera Winery and Vineyard, People's Empire Ranch, J.P. Gerken Enterprises Northwest Industrial Park, and Olivera Investment Company are

^{1/}The Davis Committee amended its 1985 Year-End Report on March 20, 1986, to designate this \$750 contribution for the general election. The response included a copy of a form dated October 30, 1985, signed by Bert Potter authorizing the deposit of the contribution into the general election account.

not incorporated based upon information obtained from the California Secretary of State and/or the contributor. ^{2/} Concerning the above contributors in the bail bond business, The Davis Committee's response notes that California Administrative Code 2054.1 does not "permit corporations to act as Bail Bondsmen." The Davis Committee's response also included letters from Al Dick Development Company, Hammer-Hewson Associates, Air Bail Bonds, Colombo's Restaurant, Northwest Industrial Park, People's Empire Ranch, J.P. Gerken Enterprises, and Olivera Investment Company stating that the respective entity is not incorporated. Responses received by this office from People's Empire Ranch, J.P. Gerken Enterprises, Olivera Investment Company, Bert Potter's Central Jail Bail Bonds, Air Bail Bonds, Dan Major's Bail Bond Agency, and Al Dick Development Company substantiate The Davis Committee's statement that these entities are not incorporated.

With respect to the contribution from Granada Hills Community Hospital (\$500), The Davis Committee's response explains that "[a]t the time that this contribution was received we were informed by the Secretary of State that the Hospital was

^{2/} The Committee's response as to Herrera Winery and Vineyard states that at the time the contribution was made the vineyard's owner stated that it was not a corporation. This office was informed by telephone by the California Secretary of State's office that there is no record of the incorporation of Herrera Winery and Vineyard.

33040701100

not a corporation. Further investigation by us revealed that it is a corporation due to the fact that it is a subsidiary of a corporation." The response of The Davis Committee notes that the contribution was refunded on March 31, 1986. The response submitted on behalf of the Granada Hills Community Hospital admits that it is a corporation, but emphasizes that it was against the hospital's policy and its Articles of Incorporation to make any political contributions. The response states that although the contribution was authorized by the hospital's former administrator, the administrator "exceeded his authority in authorizing said contribution." The hospital contends that the former administrator's actions were "inadvertant and in error and with no intent to violate any law or the Articles of Incorporation of the hospital."

The contribution from S and M Insurance Brokers is similarly admitted by The Davis Committee to be prohibited. The Davis Committee's response explains that "[u]pon receipt of this contribution, we were informed by the Secretary of State that S & M Insurance Brokers was not a corporation," but have since learned that Saunders Enterprises, a corporation, does business as S & M Insurance Brokers. The response notes that a refund (\$500) was made on March 31, 1986. The response received from S and M Insurance Brokers states that the corporate contribution at issue "was sent in error."

As to the contribution from the Santa Ana Police Benevolent Association, The Davis Committee's response states that the contribution was not made by the union but instead was "from the PAC and was reported as such."^{3/} Included with the response was a letter from the Santa Ana Police Benevolent Association Political Action Committee confirming that the contribution was from the PAC while noting that these funds "are separate and apart from the Santa Ana Police Benevolent Association funds."

In conclusion, The Davis Committee's response calls the Commission's attention to the fact that "our biggest omission is having taken the word of the Secretary of State for questions of whether or not a firm is a corporation or not. We found that most secretaries and other employees do not know what a corporation is." The response emphasizes that "there has been absolutely no intent on the part of anyone to disregard F.E.C. regulations," and that "[w]e have found that in some cases, a company is not registered with the Secretary of State because it is a subsidiary of a larger corporation. Much time and effort is expended in this time of research We have changed our policy and no longer accept contributions until the status of contributors is determined."

(2) Contributions from State PACs

^{3/}An internal memo submitted by The Davis Committee states that the contribution is from a state PAC which has no corporate money, and that money for the PAC is received only from members. A copy of the contribution check was provided, demonstrating that such was drawn on the PAC account. This office notes that the Santa Ana Police Benevolent Association Political Action Committee is not registered with the Commission.

93040701102

The complaint filed in MUR 2149 alleges that The Davis Committee accepted the following impermissible contributions from eight state political committees, some of which "may not have a separate segregated fund":

<u>Contributor</u>	<u>Date</u>	<u>Amount</u>	<u>Total</u> (including year-to- date)
1. Glendale Federal Savings Association Committee to Improve Our Nation	4-17-85	\$500 (P)	\$500
2. McClintock Committee	2-13-85	\$1000 (P)	\$1000
3. Shasta County Central Committee	2-14-85	\$711 ⁴ / (in-kind)	\$ 711
4. Waterbed Industry PAC	4-18-85	\$250 (P)	\$ 250
5. Committee for Judge Steven Hintz	10-15-85	\$250 (P)	\$ 250
6. Latinos United Coalition	10-18-85	\$1000 (P)	\$1000
7. Political Action Council of Educators	11-20-85	\$500 (P)	\$500
8. California Young Republican PAC (State) ⁵	3-25-85	\$1000 (P)	\$1000

⁴/The complaint refers to a \$500 in-kind contribution, but the reports appended to the complaint disclose only a \$711 in-kind contribution.

⁵/The complaint alternatively contends that if this contribution is from the federal committee of California Young Republicans, rather than the state committee, the contribution limitations would be exceeded because The Davis Committee's reports disclose that it accepted a total of \$5000 from the federal committee. This Office notes that The Davis Committee reported the receipt of \$4,000 from the California Young Republican PAC (Federal) as follows: (continued)

The response filed by The Davis Committee states that the contributions received from the Glendale Federal Savings Association Committee to Improve Our Nation and the Political Action Council of Educators were made by the federal accounts of these entities. This assertion is supported by responses received from the Glendale Federal Savings Association Committee to Improve Our Nation and the Political Action Council of Educators. The federal filings of these two committees confirm that the contributions at issue were drawn on the federal account.^{6/}

The Davis Committee's response with respect to contributions it accepted from the McClintock Committee, Waterbed Industry PAC, and Committee for Judge Steven Hintz states that refunds have been made to these state political committees. Included with the response were copies of refund checks to the McClintock Committee (\$1000 dated March 31, 1986), Waterbed Industry PAC (\$250 dated April 7, 1986), and to the Committee for Judge Steven Hintz (\$250 dated March 31, 1986).

^{5/}(continued) \$152(12-9-85), \$3,000 (12-23-85), \$250 in-kind (9-20-85), and \$598 (12-30-85). Although the reported year-to-date figure for the federal committee is \$5,000, it appears, based upon The Davis Committee's response, that the figure represents both the state committee's and the federal committee's contributions.

^{6/}The 1985 Mid-Year Report of the Glendale Federal Savings Association Committee to Improve Our Nation disclosed a \$500 contribution to The Davis Committee on April 3, 1985. The 1985 Year-End Report of the Political Action Council of Educators disclosed a \$500 contribution to The Davis Committee on November 15, 1985.

Although a refund was made to it, The McClintock Committee responded to the complaint's allegation by providing its bank records which demonstrate that at the time of its contribution to The Davis Committee, The McClintock Committee had sufficient funds in its account subject to the limitations and prohibitions of the Act to make the contribution at issue. Both the response of The Davis Committee and Waterbed Industry PAC note that Waterbed Industry PAC's contribution was intended for Ed Davis' state campaign but the contribution check was mistakenly payable to The Davis Committee.

As to the Shasta County Central Committee, The Davis Committee's reply asserts that the in-kind contribution was comprised only of "segregated funds." Appended to the response was a letter from the Central Committee's Event Coordinator confirming that the Central Committee "has not received any corporate money with which the expense of bringing Senator Davis to Redding was paid. His appearance . . . was paid with receipts from cost of individual ticket purchases."^{7/} With respect to the Latinos United Coalition, The Davis Committee's reply states that it was informed orally by the treasurer that "no corporate money is accepted by the Coalition - members only may contribute." The Latinos United Coalition responded to the

^{7/} A confusing letter received from the treasurer of the Shasta County Central Committee states that the funds for the in-kind contribution "were obtained through the sale of tickets at \$12.50 each" and "[s]ince we lost \$301.96 on the event we did have to make up the shortfall from our prior balances. Most of our contributions, however come from individuals and, during 1985 less than \$200, so that an inadvertant use of corporate sources is moot."

complaint's allegation by stating that it was a registered committee in California which terminated on March 20, 1986, and that while in existence it "only accepted funds permitted under the Federal Election Campaign Act. We accepted no corporate or union contributions."

As shown on the above chart, The Davis Committee accepted \$1,000 from the California Young Republican PAC (State) and then accepted a total of \$4,000 from the California Young Republican PAC (Federal).^{8/} According to The Davis Committee's response, "[a]t the time we received the first \$1,000 we were assured by the CYR that the contribution was legal," and "CYR insists they have been qualified [as a multicandidate committee] for many years and have contributed to many federal candidates." Despite the contributor's claim, The Davis Committee refunded \$4,000 to the California Young Republican PAC (Federal) on March 31, 1986, because it was informed by the Commission that the California Young Republican PAC is not a qualified multicandidate committee. (This office has determined that California Young Republican PAC ("CYR") registered with the Commission on July 12, 1982, as a separate segregated fund, listing California Young Republicans, Inc. as a connected organization (corporation without capital stock). No reports were ever filed. The Secretary of State's

^{8/} The treasurer of The Davis Committee informed staff of this Office by telephone that the checks which were reported as from California Young Republican PAC (Federal) were imprinted "California Young Republican PAC - Fed." and were drawn on a different bank account than was the initial \$1000 contribution received from California Young Republican PAC (State).

office in California informed this Office that California Young Republicans, Inc. is a corporation in good standing.)

(3) Excessive Contribution

According to the complaint filed in MUR 2149, The Davis Committee accepted an excessive contribution from James Dickason. A review of the reports appended to the complaint revealed that James Dickason contributed \$5,000 to The Davis Committee on June 12, 1984, in connection with the 1986 primary election.^{9/} The reports filed by The Davis Committee also reveal, however, that a refund of \$4,000 was made to James Dickason on February 1, 1985.

In response to the complainant's allegation, The Davis Committee submits that the contribution at issue was received during the "testing the waters" period, and "[c]ontributions of this nature are not considered contributions until the individual becomes a candidate." The response emphasizes that the "excess \$4000 was refunded to Mr. Dickason within 10 days after Senator Davis announced his candidacy and was reported." A review of the Statement of Candidate filed by Ed Davis reveals that it was signed on January 25, 1985, and filed on January 31, 1985.^{10/}

^{9/} The reports of The Davis Committee also disclose that James F. Dickason contributed \$1,000 on November 10, 1985, in connection with the general election.

^{10/} The Davis Committee filed a Statement of Organization on January 28, 1985 (signed January 23, 1985) and an amended Statement of Organization on February 11, 1986 (signed February 6, 1986). A testing the waters report covering the period of June 1, 1984, through December 31, 1984, was filed on July 29, 1985.

38040701107

The Davis Committee's position is supported by the response of James Dickason which asserts that the \$5,000 contribution was for testing the waters, and that a \$4,000 refund was received on February 1, 1985.

(4) Use of State Campaign Funds to Finance Federal Campaign

The complaints filed in MUR 2149 and 2150 question whether the funds of Friends of Ed Davis, the campaign committee of Ed Davis for election to the California State Senate, have been used to further Edward Davis' federal campaign. According to the complaint in MUR 2149, "while it has been widely reported that Martha Zilm is Davis' full-time Campaign Manager for his United States Senate Campaign, no payments are made to her from the Federal committee." The complaint further notes that Friends of Ed Davis made a \$5,000 payment to Martha Zilm during the period of July 1, 1985, through December 31, 1985, which would call into question "how many other payments made by the state committee during 1984 and 1985 were actually prohibited payments under the Act."

The complaints filed in MUR 2149 and MUR 2150 also specifically question a \$15,178 debt owed to Arthur Finkelstein and Associates by Friends of Ed Davis. The complaint in MUR 2149 contends that the money owed to Arthur Finkelstein and Associates "was obviously used for a survey in connection with the Federal campaign because as the Federal report filed on July 15, 1985 shows, Davis was collecting money for the Federal race as early as June 12, 1984." The complaint filed in MUR 2150 elaborates

98040701108

38040701109
further by stating that "[i]n the Fall of 1984, Davis, in numerous press accounts and in fundraising mailers, hailed the fact that Finkelstein had done a survey for him for the United States Senate race." The complaint in MUR 2150 also states that the report of The Davis Committee for the period of June 1, 1984, through December 31, 1984, "shows no disbursements to Finkelstein. However, in Davis' state reports for the period of October 21 through December 31, 1984 a debt of \$15,178 is shown to Finkelstein."¹¹/ This office's review of the reports of Friends of Ed Davis provided by the complainant reveals that the instant debt was incurred in connection with travel, accomodations and meals, and professional management and consulting services.

The Davis Committee's response denies the allegation that the funds of Friends of Ed Davis were used to pay Martha Zilm for her services as campaign manager of The Davis Committee. According to the response, "Martha Zilm does spend much time managing the campaign but we are not aware of any contract establishing a salary," and "[t]o this date no salary has been paid to Mrs. Zilm, nor has she asked for any." The response explains that the \$5,000 reported as paid to Martha Zilm by Friends of Ed Davis actually represented two \$2,500 checks, one

¹¹/ The complainant incorrectly states that no disbursements were made to Arthur Finkelstein and Associates during 1984 by The Davis Committee. The Davis Committee's "testing the waters" report (6-1-84 through 12-31-84) discloses a \$5,000 payment to Arthur J. Finkelstein and Associates on August 24, 1984, for a survey.

of which "was a replacement for the first which was lost and stopped payment on." It is The Davis Committee's position that "[t]his payment was for services rendered to the Friends of Ed Davis Committee."

Both Friends of Ed Davis and The Davis Committee deny the allegation that the survey paid for by Friends of Ed Davis was in connection with a federal election. The responses are virtually identical and insist that the payment to Arthur Finkelstein and Associates was for a survey in California for use in Senator Davis' campaign for reelection to his State Senate seat. Friends of Ed Davis' reply adds that the payment included "some travel expenses incurred during that survey" and notes that the "debt was liquidated by Friends of Ed Davis prior to the 6/30/85 report."

(5) Outstanding Obligation

The complaints filed in MURs 2149 and 2150 question a \$30,000 debt owed by The Davis Committee to Arthur Finkelstein and Associates which was initially reported on the 1985 Mid-Year Report and disclosed as outstanding on the 1985 Year-End Report. The reports of The Davis Committee describe the nature of the debt as a poll. The complaint in MUR 2150 further notes that The Davis Committee raised \$229,589 during the last half of 1985 but did not pay off any portion of the debt.^{12/} According to the complaint in MUR 2150, "the debt is nothing more than a

^{12/} The complaint mentions that "two small payments" were made to Arthur Finkelstein and Associates during the above period but contends they were for "other expenses."

subterfuge for Finkelstein to pump prohibited funds into the Davis campaign" because other incurred debts were repaid and new debts incurred. In both MURs 2149 and 2150 the complainant asserts that if Arthur Finkelstein and Associates is a corporation the unpaid bills [\$30,000 plus \$15,178 for the survey discussed above] "for such an extended period of time would seem to be a prohibited contribution under Section 441. If he is not a corporation, then all but \$1,000 should be considered a prohibited contribution under Section 439."

The Davis Committee's response denies the above allegation and insists that it "has every intention of paying this debt as funds become available." This assertion is supported by the payment of \$500 to Arthur Finkelstein and Associates on March 24, 1986, leaving at this writing an unpaid balance of \$29,500 on the debt. ^{13/}

The response of Arthur Finkelstein and Arthur Finkelstein and Associates ("AJF") admits that AJF is a corporation, but denies the allegation that credit was extended to The Davis Committee in violation of 2 U.S.C. § 441b(a). The response explains that as of December 31, 1984, AJF was owed \$14,500 by Friends of Ed Davis for a poll conducted in February 1984, and that the obligation was paid in full by Friends of Ed Davis by

^{13/} The Davis Committee's 1986 April Quarterly Report disclosed \$13,917 in cash-on-hand and \$47,456 in debts and obligations owed to 11 creditors as of March 31, 1986. The 1986 April Quarterly Report also reported a payment of \$3,090.63 to Arthur Finkelstein and Associates for travel expenses.

3304070112
April of 1985.^{14/} The response states that after Ed Davis' election to the California State Senate in November, 1984, AJF "was commissioned by The Davis Committee to conduct a poll, that poll being conducted in January, 1985." According to the response, "the total cost of the poll was \$30,000, the initial invoice having been submitted by AJF in January 1985. Of that amount, \$500 has been paid, leaving an unpaid balance due AJF as of today of \$29,500."^{15/} According to the response, no written contract for consulting or other services existed between AJF and The Davis Committee or Friends of Ed Davis. The ability of Arthur J. Finkelstein to control or direct the expenditures of The Davis Committee so as to obtain payment is specifically denied in response to the complainant's allegation.

Included with the response were the affidavits of Ronald Finkelstein, Office Manager of AJF, and Arthur Finkelstein, President of AJF. The affidavit of Ronald Finkelstein states that in addition to the \$30,000 invoiced on January 16, 1985, for the survey, AJF incurred travel expenses totalling \$6,553, all of which have been paid by The Davis Committee. Ronald Finkelstein's affidavit attests that he mailed periodic written demands for payment to The Davis Committee and made numerous verbal demands for payment upon the Campaign Manager. In

^{14/} AJF's response notes that during 1984 it billed Friends of Ed Davis for travel expenses totalling \$2,001, all of which were paid, and that at this time no amount is due AJF by Friends of Ed Davis.

^{15/} The response states that the payment received "constitutes a confirmation of the account and extends the statute of limitations for collection."

addition to numerous requests for "prompt attention" to the invoices, Ronald Finkelstein avers that he advised the Campaign Manager on or about June 21, 1985, that a substantial payment toward the reduction of the debt was needed, and that on February 3, 1986, he wrote the Campaign Manager: "If some payment is not made as soon as possible, I will be forced to turn this over to my lawyers." Ronald Finkelstein further submits in his affidavit that he "has not been lax in his efforts, on behalf of Arthur J. Finkelstein and Associates, to collect the full amount of the debt owed by The Davis Committee and believes that he has made a commercially reasonable attempt to collect the debt."

Both affidavits emphasize that AJF has no present intention or plan to forgive or settle the debt owed to it by The Davis Committee and that AJF intends to pursue the debtor, including the filing of a lawsuit, if necessary. The affidavit of Ronald Finkelstein states that the extension of credit to The Davis Committee is identical to that extended in the ordinary course of its business to all its customers and clients, and that by reason of the cost of surveys it is not uncommon "to have substantial amounts due and outstanding for extended periods of time, many such debts not being paid within two years of the date of an invoice.^{16/} The affidavit points out that AJF "does resort to

^{16/} The response cites several instances where AJF provided services to federal candidates, but was not paid until two to four years later, and further notes that at this time it is owed a total of \$111,548 for services conducted in 1984 and 1985 for federal candidates in six states.

litigation, if necessary, to collect its debts, the current example being the recent filing of a suit in Federal court to collect \$26,581.50 for a debt due from Corcoran for Senate for a survey taken in January, 1984."

B. The law applicable

Section 441b(a) of Title 2, United States Code, prohibits a corporation or a labor organization from making a contribution or expenditure in connection with a federal election. In addition, it is unlawful for any candidate, political committee, or other person knowingly to accept or receive any contribution prohibited by 2 U.S.C. § 441b.

The term "contribution" is defined at 11 C.F.R. § 100.7(a)(4) to include the extension of credit by any person for a length of time beyond normal business or trade practice, unless the creditor has made a commercially reasonable attempt to collect the debt. (See 11 C.F.R. § 114.10). A debt owed by a political committee which is forgiven or settled for less than the amount owed is a contribution unless such debt is settled in accordance with the standards set forth at 11 C.F.R. § 114.10.

Pursuant to 11 C.F.R. § 114.10(a), a corporation may extend credit to a candidate, political committee, or other person in connection with a federal election provided that the credit is extended in the ordinary course of the corporation's business and the terms are substantially similar to extensions of credit to nonpolitical debtors which are of similar risk and size of obligation.

3304070114

Under 11 C.F.R. § 102.5(b)(1) an organization which is not a political committee under the Act shall either: (i) establish a separate account to which only funds subject to the prohibitions and limitations of the Act shall be deposited and from which contributions, expenditures and exempted payments shall be made. Such organization shall keep records of deposits to and disbursements from such account and, upon request, shall make such records available for examination by the Commission; or, (ii) demonstrate through a reasonable accounting method that whenever such organization makes a contribution, expenditure, or exempted payment, that organization has received sufficient funds subject to the limitations and prohibitions of the Act to make such contribution, expenditure, or payment. Such organization shall keep records of amounts received or expended under this subsection and upon request, shall make such records available for examination by the Commission.

Pursuant to 2 U.S.C. § 441a(a)(1)(A), no person shall make contributions to any candidate and his authorized political committees with respect to any election for federal office, which in the aggregate, exceed \$1,000. As set forth at 2 U.S.C. § 441a(f) no candidate or political committee shall knowingly accept any contribution in violation of the provisions of 2 U.S.C. § 441a.

Included within the definition of "affiliated" committees are all those political committees that are established, financed, maintained, or controlled by the same person or group

8804070115

of persons. See 2 U.S.C. § 441a(a)(5) and 11 C.F.R. §§ 100.5(g)(2) and 110.3(a)(1)(i).

Prior to July 1, 1985, 11 C.F.R. § 100.7(b)(1) stated as follows: Funds received and payments made solely for the purpose of determining whether an individual should become a candidate are not contributions. Activities permissible under this exemption include, but are not limited to expenses incurred for: conducting a poll, telephone calls and travel, to determine whether an individual should become a candidate. The individual shall keep records of all such funds received and payments made. If the individual subsequently becomes a candidate, the funds received and payments made are contributions and expenditures subject to the limitations, prohibitions and requirements of the Act. Such contributions and expenditures must be reported with the first report filed by the principal campaign committee of the candidate, regardless of the date the funds were received or the payments made. These exemptions do not include funds received or payments made for general public political advertising; nor do these exemptions include funds received or payments made for activities designed to amass campaign funds that would be spent after the individual becomes a candidate.

Former 11 C.F.R. § 101.3 provides that when an individual becomes a candidate, all funds received or payments made in connection with his or her campaign prior to becoming a candidate

9304070116

shall be considered contributions or expenditures under the Act and shall be reported in accordance with 11 C.F.R. § 104.3 in the first report filed by such candidate's principal campaign committee. The individual shall keep records of the name of each contributor, the date of receipt and amount of all contributions received (see 11 C.F.R. § 102.9(a)) and all expenditures made (see 11 C.F.R. § 102.9(b)) in connection with the individual's campaign prior to becoming a candidate. Contributions received by an individual prior to becoming a candidate, which contributions are not in compliance with the Act, shall be returned to the contributor within ten days after the individual becomes a candidate. The individual shall keep records of all refunds made.

Pursuant to 2 U.S.C. § 431(8)(B)(i), the term "contribution" does not include the value of services provided without compensation by any individual who volunteers on behalf of a candidate or political committee.

C. Application of the law to the facts

(1) Corporate and Union Contributions

From the information in hand it appears that the Al Dick Development Company, Dan Major's Bail Bond Agency, Hammer-Hewson Associates, Air Bail Bonds, Bert Potter's Central Jail Bail Bonds, Colombo's Restaurant, Herrera Winery and Vineyard, Northwest Industrial Park, People's Empire Ranch, J.P. Gerken Enterprises, and Olivera Investment Company are not incorporated entities. Accordingly, it is the recommendation of this office

3904070117

that the Commission find no reason to believe the Al Dick Development Compnay, Dan Major's Bail Bond Agency, Hammer-Hewson Associates, Air Bail Bonds, Bert Potter's Central Jail Bail Bonds, Colombo's Restaurant, Herrera Winery and Vineyard, Northwest Industrial Park, People's Empire Ranch, J.P. Gerken Enterprises, and Olivera Investment Company violated 2 U.S.C. § 441b(a) by contributing to The Davis Committee. It is also recommended that the Commission find no reason to believe The Davis Committee and Elsie Olson, as treasurer, violated 2 U.S.C. § 441b(a) with respect to the acceptance of contributions from the above 11 entities.

The evidence put forward further reveals that Granada Hills Community Hospital and S and M Insurance Brokers are incorporated entities. In view of the fact that The Davis Committee accepted contributions made by Granada Hills Community Hospital and S and M Insurance Brokers it is the recommendation of this office that the Commission find reason to believe The Davis Committee, Elsie Olson, as treasurer, Granada Hills Community Hospital, and S and M Insurance Brokers violated 2 U.S.C. § 441b(a).

As to the remaining contribution from the Santa Ana Police Benevolent Association, the response received in this matter asserts that the contribution was not made by the labor union but by the union's political action committee. Accordingly, it is the recommendation of this office that the Commission find no reason to believe the Santa Ana Police Benevolent Association

violated 2 U.S.C. § 441b(a) by contributing to The Davis Committee, and no reason to believe The Davis Committee and Elsie Olson, as treasurer, violated 2 U.S.C. § 441b(a) by accepting a contribution from the Santa Ana Police Benevolent Association. 17/

(2) Contribution from State PACs

From the information presented it appears that the contributions accepted by The Davis Committee from the Glendale Federal Savings Association Committee to Improve Our Nation and the Political Action Council of Educators were made from the federal accounts of these two entities, both of which are registered with the Commission as federal political committees. In view of this circumstance it is the recommendation of this office that the Commission find no reason to believe the Glendale Federal Savings Association Committee to Improve Our Nation and the Political Action Council of Educators violated the Act by contributing to The Davis Committee, and no reason to believe The Davis Committee and Elsie Olson, as treasurer, violated the Act by accepting contributions from the Glendale Federal Savings Association Committee to Improve Our Nation and the Political Action Council of Educators.

As to the contributions accepted by The Davis Committee from the McClintock Committee, Shasta County Central Committee, Waterbed Industry PAC, Committee for Judge Steven Hintz, and the Latinos United Coalition, this office notes that it is

17/ Although the contribution at issue was made by the union's state PAC, the sole source of the funds in the state PAC is the union's members, according to an internal memo of The Davis Committee. The union has stated in writing that the contribution was made from funds "separate and apart" from the union's funds.

permissible for unregistered state political committees to contribute to federal candidates.^{18/} State political committees, however, may only make such contributions from a separate account to which only funds subject to the prohibitions or limitations of the Act are deposited, or must demonstrate through a reasonable accounting method that the organization received sufficient funds subject to the limitations and prohibitions of the Act to make such contributions. See 11 C.F.R. § 102.5(b).

3 8 0 4 0 7 0 1 1 2 0
In California, corporate and labor union contributions are permissible for use in state election campaigns, and there is no limit on the amount a person may contribute to a state political committee. In the instant matter it has not been demonstrated that the contributions of Committee for Judge Steven Hintz or Waterbed Industry PAC were comprised of only permissible funds under the Act. No information was provided in writing by the above two contributors as to the source of funds in their respective accounts. Thus, insofar as corporate and labor union money is permissible in California state elections and the above two committees may have had such funds in their accounts, it is

^{18/} Although the Waterbed Manufacturers Association has a federal political committee registered with the Commission (Waterbed Manufacturers Association PAC), the committee's reports do not disclose any contributions to any federal candidates or committees. Thus, it appears that the contribution at issue was made by the Association's state committee. In addition, the federal committee does not meet the definition of "political committee" under the Act because it has not received contributions or made expenditures in excess of \$1,000 per calendar year. Hence, 11 C.F.R. § 102.5(a) is not applicable here.

the recommendation of this office that the Commission find reason to believe the Committee for Judge Steven Hintz and Waterbed Industry PAC violated 2 U.S.C. § 441b(a) and 11 C.F.R.

§ 102.5(b), and reason to believe The Davis Committee and Elsie Olson, as treasurer, violated 2 U.S.C. § 441b(a) by accepting contributions from the above two state committees.^{19/} However, because the contributions of the Committee for Judge Steven Hintz (\$250) and Waterbed Industry PAC (\$250) are relatively small and have been refunded by The Davis Committee, it is the further recommendation of this office that the Commission take no further action against the Committee for Judge Steven Hintz and Waterbed Industry PAC, and against The Davis Committee and Elsie Olson, as treasurer, with respect to contributions accepted from the Committee for Judge Steven Hintz and Waterbed Industry PAC.

With respect to the Shasta County Central Committee, the McClintock Committee, and the Latinos United Coalition, it is the recommendation of this office that the Commission find no reason to believe these three committees violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.5(b), and no reason to believe The Davis Committee and Elsie Olson, as treasurer, violated 2 U.S.C.

^{19/} Because none of these state committees contributed more than \$1,000 to The Davis Committee, it follows that the funds initially accepted by the state committees and subsequently used to make the contributions at issue could not have exceeded the limitations of the Act. See 11 C.F.R. § 102.5(b) and 2 U.S.C. § 441a. Thus, no recommendation is being made with respect to a violation of 2 U.S.C. § 441a.

§ 441b(a) by accepting contributions from these three committees. This recommendation reflects: the Shasta County Central Committee's confirmation in writing that it did not receive any corporate money to finance the contribution at issue which was financed with funds from individual ticket purchases and "prior balances"; the Latinos United Coalition's assertion that it accepted only funds that were permissible under the Act; and, the McClintock Committee's demonstration through its financial records that it received sufficient funds subject to the Act's prohibitions and limitations to make the contribution at issue to The Davis Committee.

As to the California Young Republicans, it appears that this entity operates a federal account which contributed \$4,000 to The Davis Committee, and a state account which contributed \$1,000. As discussed above, the California Young Republican PAC registered with the Commission in July 1982 but did not file any reports. Nonetheless, because it was established by a corporation as a separate segregated fund and claims to be operating as a separate federal account it seems to have met the definition of "political committee" under 2 U.S.C. § 431(4)(B) since its establishment in July 1982.^{20/} Under this apparent

^{20/} Pursuant to 11 C.F.R. § 102.1(c), a separate segregated fund shall file a Statement of Organization no later than 10 days after establishment. Examples of establishment events after which a fund would be required to register include, but are not limited to: a vote by the board of directors or comparable governing body of an organization to create a separate segregated fund to be used wholly or in part for federal elections; selection of initial officers to administer such a fund; or payment of the initial operating expenses of such a fund.

scenario it is the recommendation of this office that the Commission find reason to believe the state account, the California Young Republican PAC (State), violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.5(a) by making a \$1,000 contribution to The Davis Committee from a non-federal account which also may contain funds (corporate and union) prohibited under the Act, and find reason to believe The Davis Committee and Elsie Olson, as treasurer, violated 2 U.S.C. 441b(a) by accepting the contribution. In addition, it is the recommendation of this office that the Commission find reason to believe California Young Republican PAC (Federal) and its treasurer, as treasurer, violated 2 U.S.C. § 441a(a)(1)(A) by making an excessive \$4,000 contribution to The Davis Committee and violated 2 U.S.C. § 434(a) by failing to file all reports required since its registration on July 12, 1982. Although California Young Republican PAC (Federal) contributed a total of \$4,000, the entire amount of its contribution is being considered excessive because it must be aggregated with the \$1,000 contributed by California Young Republican PAC (State), its affiliate. See 2 U.S.C. § 441a(a)(5). It is the further recommendation of this office that the Commission find reason to believe The Davis Committee and Elsie Olson, as treasurer, violated 2 U.S.C. § 441a(f) by accepting the above excessive contribution. The refund by The Davis Committee of \$4,000 to the California Young Republican PAC (Federal) is only a mitigating factor, in the view of this office.

(3) Excessive Contribution

Based upon the facts presented it appears that James Dickason contributed \$5,000 to Ed Davis for the purpose of "testing the waters." Although funds received during the testing the waters period become contributions when the individual becomes a candidate, it was permissible prior to July 1, 1985, to use funds otherwise excessive to finance testing the waters activity. See former 11 C.F.R. § 100.7(b)(1). The excessive portion of the funds, however, was required to be refunded by the individual within ten days after candidacy. See former 11 C.F.R. § 101.3. In the instant matter The Davis Committee received the funds at issue (\$5000) in June 1984 and refunded the excessive portion (\$4000) to James Dickason on February 1, 1985, within ten days of Ed Davis' candidacy. In consideration of the fact that the contribution at issue was made prior to July 1985 and refunded within ten days of Ed Davis' apparent candidacy, it is the recommendation of this office that the Commission find no reason to believe The Davis Committee and Elsie Olson, as treasurer, violated 2 U.S.C. § 441a(f) by accepting an excessive contribution from James Dickason, and no reason to believe James Dickason violated 2 U.S.C. § 441a(a)(1)(A) by making an excessive contribution to The Davis Committee.

(4) Use of State Campaign Funds to Finance the Federal Campaign

Based upon the information contained in the complaint and the respondents' representations it is this office's view that there is no merit to the allegation that the survey reported by

33040701124

93040701125

Friends of Ed Davis was in connection with a federal election. As discussed above, both The Davis Committee and Friends of Ed Davis deny the allegation and maintain that the \$15,178 owed to AJF by Friends of Ed Davis was in connection with Ed Davis' reelection to the State Senate. The complainant provides no evidence that the above obligation was in connection with a federal election other than claiming that in the Fall of 1984 Ed Davis stated that a survey was done for him by AJF with respect to a potential federal campaign. Although The Davis Committee reported a disbursement of \$5,000 to AJF on August 24, 1984, for a survey, there is no indication or allegation that the two surveys are related. Thus, it appear that Ed Davis was testing the waters concerning a federal candidacy starting in June 1984, and was essentially doing the same with respect to his reelection to the State Senate. In view of the foregoing, it is the recommendation of this office that the Commission find no reason to believe The Davis Committee and Elsie Olson, as treasurer, and Friends of Ed Davis and Elsie Olson, as treasurer, violated the Act in connection with the payment of the cost of the survey reported by Friends of Ed Davis.

Concerning the allegation that the "full time campaign manager" of The Davis Committee is being paid or has been paid by Friends of Ed Davis for services rendered to The Davis Committee, it is the view of this office that this allegation is also unfounded. This view reflects The Davis Committee's assertion that the \$2,500 paid to Martha Zilm by Friends of Ed Davis was

for services rendered to Friends of Ed Davis, not The Davis Committee, as well as the assertion that while Martha Zilm spends "much time" managing the federal campaign she has not asked for a salary. It is clear that under 2 U.S.C. § 431(8)(B)(i) an individual may volunteer his or her personal services to a candidate without a contribution resulting. In the instant matter it appears that Martha Zilm has volunteered her personal services to The Davis Committee, and that the compensation she received from Friends of Ed Davis was for services rendered solely to the state campaign. It is, therefore, the recommendation of this office that the Commission find no reason to believe The Davis Committee and Elsie Olson, as treasurer, and Friends of Ed Davis and Elsie Olson, as treasurer, violated the Act in connection with the payment by Friends of Ed Davis of the salary of Martha Zilm.

(5) Outstanding Obligation

As discussed above, the \$15,178 debt reported by Friends of Ed Davis is not now outstanding, as alleged by the complainant. Moreover, the record in this matter indicates that only the \$30,000 debt owed by The Davis Committee is in connection with a federal election and, hence, is at issue as a potential "contribution."

Based upon the representations made by The Davis Committee, Arthur Finkelstein, and AJF, it does not appear that AJF made a prohibited contribution (\$30,000) to The Davis Committee by

83040701126

extending credit outside the ordinary course of business or for a length of time beyond normal business or trade practice.

Representatives of AJF has attested to the fact that steps have been taken to collect the debt. Moreover, it is AJF's intention to pursue the debtor including the filing of a lawsuit if necessary. Of primary importance is the sworn statement of Ronald Finkelstein that the instant extension of credit is identical to that extended in the ordinary course of business to all AJF's customers and clients. Insofar as AJF has taken steps to collect the debt, such debt has been outstanding for only 16 months, a payment has been made, and the credit was extended in the ordinary course of AJF's business, it is the recommendation of this office that the Commission find no reason to believe The Davis Committee and Elsie Olson, as treasurer, Friends of Ed Davis and Elsie Olson, as treasurer, Arthur Finkelstein, and Arthur Finkelstein and Associates violated 2 U.S.C. § 441b(a) in connection with obligations owed to AJF.

(6) Allegations against the Candidate

In addition to The Davis Committee the complaint filed in MUR 2149 alleges violations of the Act by Edward Davis. Insofar as there is no evidence of any wrongdoing by the candidate personally, and that reason to believe recommendations are being made with respect to The Davis Committee and Elsie Olson, as treasurer, concerning the apparent violations discussed above, it is the recommendation of this office that the Commission find no reason to believe that Edward Davis violated any provision of the Act.

33040701127

III. Recommendations

1. Merge MUR 2149 into MUR 2150
2. Find reason to believe Granada Hills Community Hospital and S and M Insurance Brokers violated 2 U.S.C. § 441b(a). Find reason to believe The Davis Committee and Elsie Olson, as treasurer, violated 2 U.S.C. § 441b(a) by accepting contributions from Granada Hills Community Hospital and S and M Insurance Brokers.
3. Find no reason to believe Al Dick Development Company, Dan Major's Bail Bond Agency, Hammer-Hewson Associates, Air Bail Bonds, Bert Potter's Central Jail Bail Bonds, Colombo's Restaurant, Herrera Winery and Vineyard, Northwest Industrial Park, People's Empire Ranch, J.P. **Elsie Olson, Treasurer
The Davis Committee
11145 Tampa Ave., Suite 1A
Northridge, California 91326**

**RE: MUR 2150
The Davis Committee
Elsie Olson, as treasurer**

Dear Ms. Olson:

On March 26, 1986, you were notified of two complaints (MURs 2149 and 2150) alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). Copies of the complaints were forwarded to you at that time. For your information MUR 2149 has been merged into MUR 2150 and these matters are now referenced as MUR 2150.

Upon further review of the allegations contained in the complaint and information provided by you, the Commission determined on June 17, 1986, that there is reason to believe The Davis Committee and you, as treasurer, violated the following provisions of the Act, but after considering the circumstances of the matter also determined to take no further action:

1) 2 U.S.C. § 441b(a) by accepting prohibited corporate contributions from Granada Hills Community Hospital (\$500) and S&M Insurance Brokers (\$500);

2) 2 U.S.C. § 441b(a) by accepting contributions from the Waterbed Industry PAC (\$250), Committee for Judge Steven Hintz (\$250), and California Young Republican PAC (State) (\$1,000), state political committees which under California state law may accept corporate and labor union contributions. It has not been demonstrated that the Waterbed Industry PAC, Committee for Judge Steven Hintz, or the California Young Republican PAC (State) received sufficient funds subject to the prohibitions of the Act to make the contributions at issue. See 11 C.F.R. § 102.5(b);

3) 2 U.S.C. § 441a(f) by accepting an excessive \$4,000 contribution from the California Young Republican PAC (Federal)

which has not qualified as a multicandidate political committee under the Act. The contributions of the California Young Republican PAC (Federal) are required to be aggregated with the contributions of the California Young Republican PAC (State) because these committees share a common contribution limitation. See 2 U.S.C § 441a(a)(5).

In addition to the above, the Commission determined on June 17, 1986, that there is no reason to believe The Davis Committee and you, as treasurer, violated:

1) 2 U.S.C. § 441b(a) by accepting contributions from Al Dick Development Company, Dan Majors Bail Bond Agency, Hammer-Hewson Associates, Air Bail Bonds, Bert Potter's Central Jail Bail Bonds, Colombo's Restaurant, Herrera Winery and Vineyard, Northwest Industrial Park, J. P. Gerken Enterprises, Olivera Investment Company, the Santa Ana Police Benevolent Association, and People's Empire Ranch.

2) provisions of the Act by accepting contributions from the Glendale Federal Savings Association Committee to Improve Our Nation, and the Political Action Council of Educators;

3) 2 U.S.C. § 441b(a) by accepting contributions from the Shasta County Central Committee, the McClintock Committee, and Latinos United Coalition;

4) 2 U.S.C. § 441a(f) by accepting a \$5,000 contribution from James Dickason;

5) provisions of the Act in connection with the payment of the cost of the survey reported by Friends of Ed Davis;

6) provisions of the Act in connection with the payment by Friends of Ed Davis of the salary of Martha Zilm; and,

7) 2 U.S.C. § 441b(a) in connection with a \$30,000 obligation owed to Arthur Finkelstein and Associates by The Davis Committee.

Accordingly, on June 17, 1986, the Commission determined to close the file as it pertains to The Davis Committee and you, as treasurer. The file in this matter will be made public within 30 days after this matter has been closed with respect to all other respondents involved. Should you wish to submit any materials to appear on the public record please do so within 10 days of your receipt of this letter.

The confidentiality provisions of 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) remain in effect until the entire matter is closed. The Commission will notify you when the entire matter is closed.

RE: MUR 2150 (formerly 2149)

Dear Sir or Madam:

The Federal Election Commission notified the California Young Republican PAC (State) on March 26, 1986, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to you at that time.

Upon further review of the allegations contained in the complaint, and information supplied by the respondents, the Commission, on June 17, 1986, determined that there is reason to believe California Young Republican PAC (State) violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.5(a). Specifically, it appears that the California Young Republican PAC (State) made a \$1,000 contribution to The Davis Committee from the non-federal account of California Young Republicans, Inc., which account may contain funds prohibited under the Act.

You may submit any factual or legal materials that you believe are relevant to the Commission's analysis of this matter. Such response must be filed within fifteen days of your receipt of this notification.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, requests for pre-probable cause conciliation will not be entertained after briefs on probable cause have been mailed to the respondent.

RE: MUR 2150 (formerly 2149)

Dear Sir or Madam:

On June 17, 1986, the Commission found reason to believe that the Committee for Judge Steven Hintz had violated 2 U.S.C. § 441b(a), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"), and 11 C.F.R. § 102.5(b) by contributing \$250 to The Davis Committee. The file will be made part of the public record within 30 days after this matter has been closed with respect to all other respondents involved. Should you wish to submit any materials to appear on the public record, please do so within 10 days of your receipt of this letter.

The Commission reminds you that it is nevertheless a violation of 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.5(b) for a state political committee to make a contribution to a federal candidate unless the state committee received sufficient funds subject to the limitations and prohibitions of the Act to make such contribution.

RE: MUR 2150 (Formerly 2149)

Dear Mr. Simms:

On March 26, 1986, the Commission notified Hammer-Hewson Associates of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended.

The Commission, on June 17, 1986, determined that on the basis of the information in the complaint, and information provided by the respondents, there is no reason to believe Hammer-Hewson Associates violated 2 U.S.C. § 441b(a). Accordingly, the Commission closed its file in this matter as it pertains to Hammer-Hewson Associates. This matter will become a part of the public record within 30 days after the file has been closed with respect to all respondents. The Commission reminds you that the confidentiality provisions of 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) remain in effect until the entire matter is closed. The Commission will notify you when the entire file has been closed.

Sincerely,

Granada Hills Community Hospital

Dear Mrs. Callaway:

I am very appreciative of the opportunity I had to talk to you by phone on July 16, 1986 and of the information you furnished me.

As I mentioned to you, our client, Granada Hills Community Hospital, is a not for profit health care institution, whose purposes are to maintain and operate a health care facility for the community and the making of a contribution to a candidate for public office is not one of its permitted purposes.

As I also mentioned, it has been and is the policy of the board of directors of the hospital that no contributions to any candidate for public office be made. Lewis Gillette, who was the administrator of the hospital at the time the contribution was made, is no longer the administrator of the hospital. As set forth in the response of the hospital dated April 10, 1986, while Mr. Gillette had broad administrative powers to operate the hospital, the making of a check to a political candidate was an excess of his powers and was contrary to the policy of the board of directors of the hospital. With regards to the expiration of approximately one year from the time of the making of the contribution to the refund to the hospital of the amount contributed, the problem was the appropriate officers of the hospital had no knowledge of the contribution and when in fact the corporate secretary ascertained such a contribution was made, immediate steps were taken to obtain a refund of the entire contribution and, within days from said time, the

refund of the entire amount of the contribution was made to the hospital.

In an attempt to insure no future incidents occur, the board of directors of the hospital, on April 22, 1986, reiterated its policy that contributions to public candidates not be made and ordered said policy be disseminated to the administrative personnel of the hospital prior to all future elections. For your information and files, a true excerpt of the minutes of the board pertaining to political contributions is herewith enclosed.

It is requested the information set forth in the hospital's response dated April 10, 1986, together with the information set forth in this letter, be reevaluated by the Commission and it is also respectfully requested no further action be taken by the Commission in the matter.

It is my understanding, pursuant to our phone conversation, that following the review of all of the information in the matter, you will contact me by phone.

In closing, your consideration of this matter is appreciated.

Mr. Blais then informed the board that the hospital has always held to a policy of no contributions to a political candidate. Recently, we had a physician who asked that we support a campaign against Chief Justice Rose Bird, and we discovered that we had a former administrator who made a contribution to a political candidate, without authorization, last year. We were notified that another candidate has named us in a complaint regarding said contribution. We were asked to reply, which we did immediately, and we hope that no further action will be taken. Mr. Blais recommended that the board reaffirm and adopt a resolution pertaining to prohibition of the hospital participating in political campaigns for political candidates. Said resolution was read to the board.

After discussion, and upon motion made, seconded and passed, the following resolution was adopted:

"WHEREAS, from time to time this corporation is requested to participate or to intervene in political campaigns on behalf of candidates for political office; and

"WHEREAS, the Articles of Incorporation of this corporation provide, among other things, "this corporation shall not participate in or intervene in (including the publishing or distributing of statements) any political campaign on behalf of any candidate for public office"; and

"WHEREAS, the participation of the corporation in any such activity would jeopardize both the state and federal tax exempt status of the corporation; and

"WHEREAS, the participation by the corporation in any such activity would constitute a violation of the federal elections code.

"NOW, THEREFORE, BE IT RESOLVED: That it is and has been the policy of this corporation that it shall not participate in or intervene (including the publishing or distributing of statements) in any political campaign on behalf of any candidate for public office.

"RESOLVED: That the hospital's policy, as herein set forth in this resolution, shall be disseminated to the administrative personnel of the hospital by the sending of a copy of this resolution to the administrator, the assistant administrators, the department heads, and by placing a copy of said resolution on the employee bulletin board or bulletin boards of the hospital."

Re: MUR 2150 (formerly 2149)
Granada Hills Community Hospital

Dear Mrs. Callaway:

I have reviewed the information you furnished me by phone on August 4, 1986, namely, what now is involved is a civil and not a criminal matter and a conciliation process can be requested by the hospital.

While it is difficult for the officers of the hospital to fully comprehend why, under all of the circumstances involved, this matter is being pursued, they have determined, as a non-profit hospital whose purposes are to render health care in the community, that it would be better to get this matter behind it, provided a satisfactory conciliation agreement can be entered into and, for that reason, I have been authorized to request the matter be concluded by the conciliation process.

This is to request, to resolve the above entitled matter, a conciliation process be commenced prior to a finding of probable cause to believe a violation of the Federal Election Law has been committed.

It is my understanding that you will prepare such documents as you feel are in order, on behalf of the Commission, and that you will forward the same to me for presentation to the proper officers of the hospital.

Dear Mr. Blais:

On June 17, 1986, the Commission found reason to believe that your client, Granada Hills Community Hospital, violated 2 U.S.C. § 441b(a). At your client's request, the Commission determined on August 29, 1986, to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe.

Enclosed is a conciliation agreement that the Commission has approved in settlement of this matter. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible. RE: MUR 2150
S and M Insurance Brokers

Dear Mr. Saunders:

Based on a complaint filed with the Commission on March 18, 1986, and information supplied by you, the Commission determined on June 17, 1986, that there was reason to believe that S and M Insurance Brokers violated 2 U.S.C. § 441b(a), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"), and instituted an investigation of this matter.

After considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe that a violation has occurred.

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies if possible) stating your position on the issues and replying to the brief of the General Counsel. Three copies of such brief should also be forwarded to the Office of the General Counsel, if possible. The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of probable cause to believe a violation has occurred.

If you are unable to file a responsive brief within 15 days, you may submit a written request to the Commission for an extension of time in which to file a brief. The Commission will not grant any extensions beyond 20 days. All requests for extension of time must be submitted five days prior to the due date and must be in writing. Further, good cause must be shown.

A finding of probable cause to believe requires that the Office of the General Counsel attempt for a period of not less than thirty, but not more than ninety, days to settle this matter through a conciliation agreement.

GENERAL COUNSEL'S BRIEF

I. STATEMENT OF THE CASE

On March 18, 1986, Arnold Steinberg filed a complaint against S and M Insurance Brokers. The complaint alleged that S and M Insurance Brokers violated 2 U.S.C. § 441b(a) by making a \$500 prohibited corporate contribution on April 22, 1985, to The Davis Committee, the principal campaign committee of Ed Davis for the 1986 primary election. Notification of the complaint was mailed to S and M Insurance Brokers on March 26, 1986.

On April 15, 1986, S and M Insurance Brokers, through its President, Virgil Saunders, responded to the complaint's allegations. The response submitted by S and M Insurance Brokers states that "the corporate check in the amount of \$500 was sent in error and subsequently, the Davis Committee has refunded the \$500 to us."*/ On June 17, 1986, the Commission determined that there is reason to believe S and M Insurance Brokers violated 2 U.S.C. § 441b(a). Notification of the Commission's finding was mailed to S and M Insurance Brokers on June 27, 1986. After no response to the Commission's notification was received from S and M Insurance Brokers, staff of this Office telephoned Virgil

*/ The Davis Committee refunded \$500 to S and M Insurance Brokers on March 31, 1986.

88040701228

Saunders on August 20, 1986, and left a message for him to return the call. To date, no response has been received.

II. LEGAL ANALYSIS

Pursuant to 2 U.S.C. § 441b(a), it is unlawful for a corporation to make a contribution or expenditure in connection with a federal election.

The evidence put forward indicates that S and M Insurance Brokers, a corporation, contributed \$500 to The Davis Committee. Insofar as a corporation is prohibited from making a contribution in connection with a federal election, it appears that S and M Insurance Brokers made an impermissible contribution to The Davis Committee, in violation of 2 U.S.C. § 441b(a). Although S and M Insurance Brokers received a refund of the contribution from The Davis Committee, the refund was made 11 months after the contribution to The Davis Committee. Thus, the refund is a mitigating factor, but it does not vitiate the violation. In consideration of the foregoing, it is the recommendation of the Office of the General Counsel that the Commission find probable cause to believe S and M Insurance Brokers violated 2 U.S.C. § 441b(a).

III. GENERAL COUNSEL'S RECOMMENDATION

Find probable cause to believe S and M Insurance Brokers violated 2 U.S.C. § 441b(a).

MUR 2150

86 SEP 26 A 9:30

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On June 17, 1986, the Commission determined that there is reason to believe the California Young Republican PAC (Federal) ("CYRPAC-Federal") and its treasurer, as treasurer, violated 2 U.S.C. § 441a(a)(1)(A) by making an excessive \$4,000 contribution to The Davis Committee when combined with a prior \$1,000 contribution to The Davis Committee by California Young Republican PAC (State) ("CYRPAC-State").^{1/} The Commission also determined that there was reason to believe CYRPAC-Federal and its treasurer, as treasurer, violated 2 U.S.C. § 434(a) by failing to file all required reports since July 1982, the time of registration with the Commission.

Also on June 17, 1986, the Commission determined that there is reason to believe CYRPAC-State violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.5(a) by making a \$1,000 contribution to The Davis Committee.

^{1/} On July 12, 1982, CYRPAC-Federal filed a Statement of Organization with the Commission listing California Young Republicans, Inc., a non-profit corporation, as its connected organization. The treasurer listed on the Statement of Organization was Lisa Colvin Schmidt and the chairman and assistant treasurer was Michael J. Clark. CYRPAC-State is the state committee of California Young Republicans, Inc.

33040701234

Notification of the above findings was mailed to the respondents on June 27, 1986. As of July 21, 1986, E. Daniel Dellicompagni, the treasurer of CYRPAC-Federal and CYRPAC-State, claimed that he had not received the reason to believe letters.^{2/} Included with the reason to believe letter to CYRPAC-Federal were several questions issued by the Commission. During a subsequent telephone conversation between staff of this Office and Mr. Dellicompagni, he acknowledged receipt of the reason to believe letters.

On September 4, 1986, CYRPAC-Federal submitted its response to the questions issued by the Commission. The response submitted reaffirms that Mr. Dellicompagni is the treasurer of CYRPAC-Federal. The response also states that the funds contributed by CYRPAC-Federal to The Davis Committee (\$4,000) were contained in an account comprised of only funds subject to the prohibitions and limitations of the Act, and that the bank account of CYRPAC-Federal is separate from the bank account of CYRPAC-State. In response to the Commission's request that CYRPAC-Federal identify all federal candidates to whom CYRPAC-Federal made contributions since July, 1982, CYRPAC-Federal

^{2/} On May 18, 1986, CYRPAC-Federal filed a Statement of Organization listing E. Daniel Dellicompagni as treasurer. At this time CYRPAC-Federal was given a new identification number in the Commission's computer system rather than the same number initially given to it during 1982. This Office has confirmed with Mr. Dellicompagni that the July 1982 and the May 1986 Statements of Organization are for the same entity.

Mr. Dellicompagni also stated to staff of this Office during a telephone conversation that he is the treasurer of CYRPAC-State.

provided copies of the contributions checks issued since July 1982. This Office's review of the materials has revealed that between July 1982 and August 21, 1986, CYRPAC-Federal made 21 contributions to 14 federal candidates totalling \$8,750. This Office also notes that during several telephone conversations with Mr. Dellicompagni he insisted to staff of this Office that he had routinely filed the required reports, but no such representation was made in the September 4, 1986, response.

II. ANALYSIS

(A) CYRPAC-Federal

At this juncture the question of whether CYRPAC-Federal was a qualified multicandidate committee at the time of its contributions to The Davis Committee remains unresolved. Although when CYRPAC-Federal first contributed to The Davis Committee on September 20, 1985, it had been registered with the Commission for six months, and had previously contributed to five federal candidates, it is not known whether it had received contributions from more than 50 persons as of September 20, 1985. See 2 U.S.C. § 441a(a)(4).^{3/} In the event CYRPAC-Federal had received contributions from more than 50 persons prior to September 20, 1985, then no portion of its total contributions

^{3/} CYRPAC-State contributed \$1000 to The Davis Committee on March 25, 1985. Between September 20, 1985, and December 30, 1985, CYRPAC-Federal contributed a total of \$4000 to The Davis Committee.

CYRPAC-Federal contributed to its fifth federal candidate on August 9, 1982.

38040701236

(\$4,000) to The Davis Committee would be excessive.

Consequently, this Office recommends that the Commission approve the issuance of the attached order to submit written answers pertaining to whether CYRPAC-Federal has qualified for multicandidate status and the relationship between CYRPAC-Federal and its reported connected organization.^{4/}

As discussed above, Mr. Dellicompagni is the treasurer of CYRPAC-Federal. In a telephone conversation with staff of this Office, Mr. Dellicompagni indicated that he had been treasurer of CYRPAC-Federal since March 1984. This Office notes, however, that it was not until May 18, 1986, that CYRPAC-Federal amended its Statement of Organization to list Mr. Dellicompagni as treasurer (see footnote 1). Pursuant to 2 U.S.C. § 433(c), a political committee is required to amend its Statement of Organization within ten days of any change in information previously submitted in a Statement of Organization. In view of the fact that Mr. Dellicompagni appears to have been the treasurer of CYRPAC-Federal since March 1984, but that CYRPAC-Federal did not amend its Statement of Organization to reflect the change until May 18, 1986, it is the recommendation of this

^{4/} During a telephone conversation Mr. Dellicompagni stated to staff of this Office that CYRPAC-Federal's connected organization, California Young Republicans, Inc., is part of a national federation. Clarification of the relationship is being sought through the attached questions.

88040701237

Office that the Commission find reason to believe CYRPAC-Federal and E. Daniel Dellicompagni, as treasurer, violated 2 U.S.C. § 433(c).

(B) CYRPAC-State

CYRPAC-State did not respond to the reason to believe finding, other than through CYRPAC-Federal's statement that CYRPAC-Federal is a separate account from that of CYRPAC-State. Thus, although CYRPAC-State's \$1,000 contribution to The Davis Committee (see footnote 3) is prohibited under 11 C.F.R. § 102.5(a), it is still not known whether CYRPAC-State's contribution was drawn on an account containing funds prohibited under the Act, in violation of 2 U.S.C. 441b(a). At the time of the reason to believe finding it was assumed that corporate and union funds were contained in CYRPAC-State's account because such funds are permissible for use in state election campaigns in California. It is also not known whether the account of CYRPAC-State is separate from that of its connected organization, California Young Republicans, Inc.^{5/} Accordingly, this Office recommends that the Commission issue to CYRPAC-State the attached order to submit written answers.

III. RECOMMENDATIONS

1. Find reason to believe the California Young Republican PAC-Federal and E. Daniel Dellicompagni, as treasurer, violated 2 U.S.C. § 433(c).

^{5/} The Office of Secretary of State in California informed staff of this Office that CYRPAC-State has not filed state reports since 1981.

2. Approve the attached order to submit written answers to California Young Republican PAC-Federal and E. Daniel Dellicompagni, as treasurer.
3. Approve the attached order to submit written answers to California Young Republican PAC-State and E. Daniel Dellicompagni, as treasurer.

Dear Mr. Dellicompagni:

On June 27, 1986, California Young Republican PAC - Federal ("Committee") was notified that the Commission found reason to believe on June 17, 1986, that the Committee and its treasurer, as treasurer, violated 2 U.S.C. § 441a(a)(1)(A) and § 434(a) in connection with the above captioned matter. On September 4, 1986, you submitted a response to the Commission's reason to believe finding and questions.

The General Counsel's Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

SUMMARY OF ALLEGATIONS

California Young Republican PAC-Federal ("CYRPAC-Federal") failed to amend its Statement of Organization in a timely manner, in violation of 2 U.S.C. § 433(c).

FACTUAL AND LEGAL ANALYSIS

On July 12, 1982, CYRPAC-Federal filed a Statement of Organization with the Commission listing Lisa Colvin Schmidt as treasurer. On May 18, 1986, CYRPAC-Federal filed a Statement of Organization listing E. Daniel Dellicompagni as treasurer. During a telephone conversation between staff of this Office and Mr. Dellicompagni concerning the Commission's reason to believe findings against CYRPAC-Federal in MUR 2150 Mr. Dellicompagni stated that he had been the treasurer of CYRPAC-Federal since March 1984.

Pursuant to 2 U.S.C. § 433(c), a political committee is required to amend its Statement of Organization within ten days of any change in information previously submitted in a Statement of Organization. See also 2 U.S.C. § 433(b).

MUR 286 OCT 7 A9: 5
RESPONDENT'S REPLY BRIEF

REPLY TO STATEMENT

On April 19, 1985, a check in the amount of \$500.00 was made payable to the Davis Committee by S and M Insurance Brokers. At no time did any officer of S and M Insurance Brokers believe they were making a campaign contribution for a candidate for federal office. The \$500.00 check was journaled as an entertainment expense for the corporation since the \$500.00 was used for the purpose of attending a dinner dance and show. At no time was it disclosed to the two shareholders of S and M Insurance Brokers that an entity called "The Davis Committee" was the principal campaigning committee of Senator Ed. Davis.

It should be noted that S and M Insurance Brokers is a close corporation which is treated as a partnership and for all practical purposes, is nothing more than two individuals engaging in the insurance brokerage business.

The Commission is without authority due to the following procedural irregularities which are mandated by 2 U.S.C. 437g(1):

1. The complaint filed on March 18, 1986, by Arnold Steinberg, dated March 12, 1986, is not sworn to by him and is not under penalty of perjury, as required by the code.

2. The notarization is highly suspect in that the letter dated March 12, 1986, is apparently executed on March 13, 1986.

83040701254

1 There is no jurat indicating that the notary, in fact, had any proof
2 that Arnold Steinberg was the individual that executed the letter.

3 3. The Commission failed to notify Respondent in
4 writing within five (5) days after receipt of Mr. Steinberg's
5 Complaint as required by the code. It was not until eight (8)
6 days later (March 26, 1986) that Respondent was sent any letters.

7 4. There is a serious question as to whether Steinberg's
8 March 12, 1986 letter is a complaint against anyone other than
9 The Davis Committee, or Edward M. Davis. Total lack of procedural
10 due process has been committed by the Commission and solely on
11 any of the above four points, the Complaint should be dismissed.

12 The complaint should also be dismissed on the basis
13 that Respondent is nothing more than a business consisting of
14 two individuals who conduct themselves as partners and had no
15 knowledge that they may be making an alleged potential contribution.

16 The \$500.00 expenditure was nothing more than an
17 entertainment expense in which the two shareholders used the
18 social event for their own purposes in promoting the goodwill of
19 S and M Insurance Brokers.

MUR 2150)

06 DEC 9 AIO: 31

OFFICE OF THE FEC
COMMISSION SECRETARY

GENERAL COUNSEL'S REPORT

I. Background

On September 19, 1986, a General Counsel's Brief was mailed to S and M Insurance Brokers recommending that the Commission find probable cause to believe S and M Insurance Brokers violated 2 U.S.C. § 441b(a) by contributing \$500 to The Davis Committee.

On October 7, 1986, S and M Insurance Brokers submitted its reply to the General Counsel's Brief.

II. Analysis

The reply brief of S and M Insurance Brokers admits that \$500 was given to The Davis Committee but argues that "[a]t no time did any officer of S and M Insurance Brokers believe they were making a campaign contribution for a candidate for federal office." According to the reply brief, the "\$500.00 check was journaled as an entertainment expense for the corporation since the \$500 was used for the purpose of attending a dinner dance and show." The reply brief contends that "[a]t no time was it disclosed to the two shareholders of S and M Insurance Brokers that an entity called 'The Davis Committee' was the principal campaigning committee of Senator Ed. Davis."

The reply brief continues on to assert that the Commission is "without authority" in this matter due to certain "procedural irregularities which are mandated by 2 U.S.C. § 437g(1)."

88040701265

Specifically, the brief maintains: that the complaint in this matter is not sworn to by the complainant and is not under penalty of perjury as required; that the "notorization is highly suspect in that the letter dated March 12, 1986, is apparently executed on March 13, 1986" and there "is no jurat indicating that the notary, in fact, had any proof that Arnold Steinberg [the complainant] was the individual that executed the letter"; the Commission failed to notify the respondent within five days after receipt of the complaint as required; and, "[t]here is a serious question as to whether Steinberg's March 12, 1986, letter is a complaint against anyone other than the Davis Committee, or Edward M. Davis." Based upon the foregoing the reply brief contends that "[t]otal lack of procedural due process has been committed by the Commission and solely on any of the above four points, the Complaint should be dismissed."

Although the respondent has presented various arguments as to why this matter should be dismissed it continues to be the recommendation of this office that the Commission find probable cause to believe S and M Insurance Brokers violated 2 U.S.C. § 441b(a). The arguments presented by the respondent are without merit for the following reasons. First, the complaint filed in this matter was sworn to by the complainant^{1/} and, therefore, by

^{1/} The jurat on the complaint reads "subscribed and sworn before me on this 13th March 1986."

38040701266

virtue of having been sworn to is under the penalty of perjury. Second, the jurat states that the complaint was "subscribed ... before me," thereby indicating that the complainant signed the complaint in the presence of the notary. There is no evidence indicating that anyone other than the complainant, Arnold Steinberg, executed the complaint. Third, the fact that the respondent was not notified of the complaint within five working days after the complaint was filed does not invalidate the complaint's allegations.^{2/} The respondent still received the requisite notice and opportunity to respond. Fourth, the complaint alleged a violation by the respondent insofar as it contended that a prohibited contribution from the respondent was accepted by The Davis Committee.

As to the respondent's assertion that the officers of the respondent were not aware that they were making a contribution to a federal candidate when the \$500 at issue was given to The Davis Committee, this office notes that no such argument has been put forth prior to this time and, most importantly, it is unsupported by the facts. At the outset of this matter The Davis Committee supplied the Commission with a copy of the check it received from the respondent. The check is drawn on the respondent's operating account and contains the specific notation "Contribution." The

^{2/} The complaint was filed on March 18, 1986. The respondent was notified of the complaint on March 26, 1986, the sixth working day after the complaint was filed.

83040701267

check is signed by an apparent employee of the respondent. Thus, it appears that the respondent, through its agent, was in fact aware that a contribution was being made.

38040701268

In the view of this Office the respondent's defense that it did not know that the funds given to The Davis Committee constituted a contribution to a federal candidate should not be accepted. Ed Davis was a senatorial candidate in California and the primary election campaign received a substantial amount of publicity. Moreover, it appears that the contribution at issue may have resulted from a solicitation by The Davis Committee to an apparent fundraiser, referred to by the respondent as a dinner dance and show. Thus, the respondent's apparent solicitation by The Davis Committee, donation of a \$500 check containing the notation "contribution," and subsequent attendance at the fundraising event (through its officers or agents) indicates that the respondent was in fact aware that a contribution to a federal candidate was being made. This office further notes that under 2 U.S.C. § 441b(a) the respondent need not have "knowingly" contributed to The Davis Committee in order to establish a violation of 2 U.S.C. § 441b(a).^{3/} In any event, the respondent clearly had knowledge of the fact that a check for \$500 was drawn on its account as a contribution to The Davis

^{3/} The term "knowingly" as used in 2 U.S.C. § 441a(f) has generally been interpreted as meaning that a person has knowledge of the facts which establish a violation. See the Memorandum to the Commission from the General Counsel entitled "Interpretation of the Word 'Knowingly' as Found in 2 U.S.C. § 441a(f)," dated December 5, 1984.

Committee, and that the check was subsequently given to The Davis Committee.

In view of the above circumstances in their totality it is the recommendation of this office that the Commission find probable cause to believe S and M Insurance Brokers violated 2 U.S.C. § 441b(a).

RE: MUR 2150
S and M Insurance Brokers

Dear Mr. Zayon:

On December 16, 1986, the Commission determined that there is probable cause to believe S and M Insurance Brokers committed a violation of 2 U.S.C. § 441b(a), a provision of the Federal Election Campaign Act of 1971, as amended, in connection with a \$500 contribution to The Davis Committee during 1985.

The Commission has a duty to attempt to correct such violations for a period of thirty to ninety days by informal methods of conference, conciliation and persuasion, and by entering into a conciliation agreement. If we are unable to reach an agreement during that period, the Commission may institute civil suit in United States District Court and seek payment of a civil penalty.

We enclose a conciliation agreement that this office is prepared to recommend to the Commission in settlement of this matter. If you agree with the provisions of the enclosed agreement, please sign and return it to the Commission within ten days. I will then recommend that the Commission approve the agreement. Please make your check for the civil penalty payable to the Federal Election Commission.

If you have any questions or suggestions for changes in the enclosed conciliation agreement, please contact Maura White Callaway, the staff member assigned to this matter, at (202) 376-5690.

The State Chairman shall chair this committee and will vote only to break a tie.

2. The Initial Roll Committee shall meet at 10:00 p.m. on the Friday evening immediately prior to each Annual Convention, and before any Board meeting scheduled to start before 11:00 noon on a Saturday. The Initial Roll Committee shall meet at 10:00 a.m. on the Saturday of any Board meeting scheduled to begin after 12:00 noon on that Saturday, and at 10:00 a.m. on the Sunday when a Board meeting (other than the one held in conjunction with the Annual Convention, in which case the Initial Roll Committee shall meet immediately following the close of the convention) is scheduled for that

Sunday. Notwithstanding anything else to the contrary in this section, meetings of the Initial Roll Committee can be held at any time other than the times mentioned herein, but only if (i) the Initial Roll Committee has approved a different time by a 2/3 vote, and (ii) notice has been provided in writing to all members of the Board at least 15 days in advance of the time of the Initial Roll Committee meeting.

3. The Initial Roll Committee shall review the documentation of all persons or chapters claiming the right to vote, whether at the Board meetings or Conventions, and shall be authorized to take into consideration only the criteria in the Bylaws.

4. A vote, whether for Board meetings or Convention Committee meetings, shall be place on the roll if any three members of the Initial Roll Committee certify that it has meet the appropriate requirements. "Vote" as designated by this Article refers to both individually held officers' votes and votes of chapters. If two or more groups claim to be the proper representatives of a chartered chapter, a majority vote of the Initial Roll Committee shall be required to seat one of them on the roll.

5. The meetings of the Initial Roll Committee shall be open. Any voting member may invite others to answer questions about specific votes, but this shall not limit the right of the Committee to end debates by a 2/3 vote with or without hearing the speakers. Any member of the Organization may submit written arguments which may be considered by the Committee. All the Secretary's, Treasurer's, and State Chairman's records shall be open to inspection by the Committee as an integral part of the determination process.

6. At the Board meetings, each committee meeting shall be convened by the reading of the roll determined by the voting members of the Initial Roll Committee. The Committee shall have no discretion in this matter. Committee action at the Board meeting cannot alter the roll of voting members for that meeting or cause it to differ from that certified by the Initial Roll Committee.

7. At the convening of the general session of the Board meeting, the Secretary or his/her designated representative shall read the initial roll as determined by the Initial Roll Committee, and neither the Secretary nor any Board officer or Board member shall have any discretion in this matter or cause the initial roll to differ in any way from that certified by the Initial Roll Committee. After the roll has been called, the Board may proceed to floor challenges to votes, and to additions to the roll of new counties and votes, by majority vote, with a quorum consisting of a majority, of the members read on the initial roll.

8. At the opening of each committee session, including the Credentials Committee of the Annual Convention, the committee chairman shall read the initial roll as determined by the Initial Roll Committee in alphabetical order by county name. The Chairman shall have no authority to alter said roll or the designated representatives of said votes as determined by the Initial Roll Committee

9. Before the first General Session of the Annual Convention, the Credentials Committee shall meet. The initial members of the Credentials Committee shall

be one member from each chapter certified pursuant to Article XVII. A majority vote of the Credentials Committee shall be required to alter the chapters listed on the initial roll of the convention, the delegate strength of any chapter, and the determination of the proper county chapter representative.

10. No later than 12:00 noon on Saturday of the convention weekend, the Chairmen of the Credentials and Rules Committees shall report to the State Chairman on the credentials of delegates and the rules of the convention, respectively. Additional accreditation shall be subject to the approval of the Convention at its opening session.

11. The Credentials Committee Report can be only amended on the floor of the Annual Convention. The following procedure shall be followed in the Credentials Committee and on the floor of the convention. After the reading of the roll, the roll shall be read a second time in alphabetical order by county name for challenges to chapters on the initial roll. The roll shall be read a third time to consider any responses to the challenges. The committee shall then entertain any and all motions to add chapters.

12. The Credentials Committee report shall be the first order of business of the Convention. The report shall consist of all the delegates credentialed by the Credentials Committee. The Credentials Committee roll shall constitute the initial roll of the convention, and state officers, groups of state officers, or the Board as a whole shall have no authority to read a roll or direct a reading of a roll which in any way differs from the Credentials Committee report. Challenges to the initial roll before the Credentials Committee and on the floor of the convention can only be made for the following two reasons:

- (1) On questions of accuracy of the members submitted.
- (2) On questions of the legitimacy of the representation of challenged county organizations. This question must be resolved upon consultation with the respective county central committee.

13. The Convention shall make the final determination regarding a chapter's right to be credentialed and the right of a person to represent a chapter at the Annual Convention and the delegate strength of a chapter. The Board shall make the final determination regarding a chapter's right to be credentialed and the right of a person to represent a chapter at a meeting of the Board of Directors.

ARTICLE XVIII - VOTE RESTRICTIONS

1. The following people may not vote as chapter delegates to any Board Meeting or Annual Convention:

- A. Incumbent elected officers of the Organization
- B. The immediate past State Chairman
- C. Incumbent elected national or regional officers of YRNF.

2. Any person holding more than one position in the categories in Sections 1A, 1B or 1C of this Article may cast only one vote at a Board meeting or Annual Convention.

3. No votes may be cast at any Board meeting or Annual Convention unless the

registration fee for the county delegate, state officer or director has been paid.

4. No chapter may impose a unit rule on its delegation to a Board meeting or Annual Convention.

5. No chapter may be awarded any delegates to an Annual Convention unless a credentialed representative of the chapter answered a call of the roll of at least one regular Board meeting during the calendar year preceding the Annual Convention, excluding any Board meeting held during the weekend of an Annual Convention. This requirement may be waived by a 3/4 vote of the accredited voters present and voting at the Annual Convention.

6. All chapter delegates to Board meetings and the Annual Convention shall be appointed by the chapter chairman, unless the chapter Constitution or Bylaws provides otherwise.

7. No unit rule or procedure shall be applicable to a California delegation to the YRNF Convention.

ARTICLE XIX - PARLIAMENTARY AUTHORITY

1. Robert's Rules of Order, latest edition, shall be the parliamentary authority for all procedural matters not otherwise established in this document.

ARTICLE XX - AMENDMENTS

1. This document may be amended by a 2/3 vote at any Annual Convention provided that the text of the proposed amendment is mailed to each chapter chairman and incumbent officer of the Organization at least thirty days before the opening General Session of the Convention. Amendments shall take effect upon the close of the Convention. The Secretary shall distribute the proposed amendment if it is received at least 45 days before the opening of the convention; otherwise, it shall be the responsibility of the proponent of the amendment to distribute it.

Gentlemen:

I am herewith filing a complaint against:

1. Arthur J. Finkelstein
2. Arthur J. Finkelstein & Associates
16 North Astor
Irvington, New York 10533

for violating the Federal Elections Campaign Act, as amended.

Mr. Finkelstein is a nationally known and recognized political consultant and pollster. From the period October 21, 1984 through December 31, 1985, he and/or his company have given \$45,178 in prohibited contributions under Section 441b to Edward M. Davis, a candidate for United States Senate in California and the Davis Committee (C00193755).

The Commission will note that I have also filed a separate complaint against Davis and his Committee for this and other alleged violations of the Act.

[1]In the Fall of 1984, Davis, in numerous press accounts and in fundraising mailers, hailed the fact that Finkelstein had done a survey for him for the United States Senate race. Yet, Davis' filing with the Secretary of the Senate on July 15, 1985 for the period June 1 through December 31, 1984 shows no disbursements to Finkelstein. However, in Davis' state reports for the period October 21 through December 31, 1984 a debt of \$15,178 is shown to Finkelstein.

[2]Further, in Davis' Federal filing for the period January 1, 1985 through June 30, 1985, he shows an additional \$30,000 debt to Finkelstein. And, although Davis raised \$229,589.65 for

88040701305

Federal Election Commission
Page 2

the period July 1, 1985 thorough December 31, 1985 not one cent of the debt was paid. Although there were two small payments made to Finkelstein for other expenses during that period, the \$30,000 remains as a debt at the end of the period.

Finkelstein, through his many years of experience, should know the Act. However, he has, in my opinion, flagrantly violated it by not collecting on legitimate debts owed to him by a candidate and a committee which had raised more than sufficient funds to repay the debt. Further, as overall consultant to the Davis campaign, Finkelstein has ultimate control over the campaign's activities, including the power to direct expenditures.

It is my opinion that this debt is nothing more than a subterfuge for Finkelstein to pump prohibited funds into the Davis campaign. As the Commission will note on the July 1 through December 31 Federal report, other incurred debts were repaid and new debts were incurred. Only Finkelstein's debt remains outstanding and must, at this time, be considered to be a prohibited contribution to the Davis Committee.

The fact that over \$200,000 was spent by The Davis Committee since July 1, 1985 means that Arthur Finkelstein was helping to underwrite the campaign's spending. He should be forced to demonstrate what efforts, if any, he has taken to be paid those sums owed to him.

If, as I suspect, Arthur Finkelstein and Associates is a corporation, this unpaid debt for such an extended period of time would seem to be a prohibited contribution under Section 441. If he is not a corporation, than all but \$1,000 should be considered a prohibited contribution under Section 439.

Because of Mr. Finkelstein's long association with Federal elective politics, I believe the Commission should assess of him the highest fine possible in this instance for this flagrant violation of the law and require that the debts owed by the Davis Committee to Finkelstein be paid within ten days..

The foregoing is true to the best of my knowledge and belief.

Sincerely,

Washington, D.C. 20463

Gentlemen:

I am herewith filing a complaint against:

1. The Davis Committee (I.D. #C00193755)
2. Edward M. Davis

for various violations of the Federal Election Campaign Act, as amended.

The basic issue in question is that during 1985, the Davis Committee has repeatedly accepted prohibited contributions under Section 441b of the Act. And, while certain prohibited contributions are shown in the July 1, 1985 - December 31, 1985 report as having been returned, many prohibited contributions remain.

Additionally, the enclosed copies of State of California reports for Friends of Ed Davis (California I.D. #791210) bring into serious question whether funds from that non-Federal committee which contain funds prohibited by Section 441 are being used to further a Federal campaign in violation of the Act. For example, while it has been widely reported that Martha Zilm is Davis' full-time Campaign Manager for his United States Senate campaign, no payments are made to her from the Federal committee. However, the Friends of Ed Davis (California I.D. #791210) did make a \$5,000 payment to her during the period July 1, 1985 through December 31, 1985. This would call into question before the Commission how many other payments made by the state committee during 1984 and 1985 were actually prohibited payments under the Act.

[1]The first question to be raised before the Commission is that of monies owed to Arthur Finkelstein, a nationally known

88040701308

Federal Election Commission
Page 2

political consultant. The Commission will note that a debt of \$15,178 is owed to Finkelstein in the state report for the period ending December 31, 1984. This was obviously used for a survey in connection with the Federal campaign because as the Federal report filed on July 15, 1985 shows, Davis was collecting money for the Federal race as early as June 12, 1984.

[2]Further, his two Federal filings for 1985 show a \$30,000 debt to Finkelstein for a combined debt of \$45,178. If, as I suspect Arthur Finkelstein and Associates is a corporation, this unpaid debt for such an extended period of time would seem to be a prohibited contribution under Section 441. If he is not a corporation, then all but \$1,000 should be considered a prohibited contribution under Section 439.

The Commission will also note the following, seemingly, prohibited contributions:

1. A \$5,000 contribution on 6/12/84 from Mr. James F. Dickason
2. A \$750 and a \$500 contribution from Al Dick Development Co. which, according to an employee named Helli Keller, is a corporation.
3. A \$350 and a \$250 contribution from Don Major's Bail Bond Agency which, according to Mr. Major's secretary, who would not give her name, is a corporation.
4. A \$500 contribution from Granada Hills Community Hospital which, according to Joanne Martin in the hospital's administration office, is a corporation.
5. A \$500 contribution from Hammer-Hewson Associates which, according to an employee named Diane Dean, is a corporation.
6. A \$500 contribution from S & M Insurance Brokers which, according to an employee named Lavonne Cental, is a corporation.
7. A \$250 contribution and a \$50 contribution from Air Bail Bonds which, according to an employee who would not give their name, is a corporation.
8. A \$700 contribution, a \$750 contribution and a \$100 contribution from Bert Potter's Bail Bonds which, according to an employee who would not give their name, is a corporation.

88040701309

9. A \$250 contribution from Colombo's Restaurant which may be a corporation, but they are not listed in the telephone book at the address listed in the report.

10. A \$450 in-kind contribution from Herrera Winery which would appear to be a corporation, but is not listed in the telephone book at the address listed in the report.

11. A \$600 contribution, a \$100 contribution, a \$300 contribution and a \$1,000 contribution earmarked for the general election from Northwest Industrial Park which would appear to be a corporation, but they are not listed in the telephone book at the address listed in the report.

12. A \$250 contribution from People's Empire Ranch which would appear to be a corporation but they are not listed in the telephone book at the address listed in the report.

13. A \$600 contribution from the Santa Ana Police Benevolent Association, a labor union.

14. A \$1000 contribution from the California Young Republican PAC which has a Federal Multi Candidate Committee. However, the committee listed in the report is a state PAC which may not have a separate segregated fund. Additionally, the July 1 - December 31, 1985 report shows a total of \$5,000 in contributions from the Federal Multi Candidate Committee which would, even if the original contribution was acceptable, put them over their legal limit.

15. A \$500 contribution from the Association Committee to Improve Our Nation, which has a Federal Multi Candidate Committee for Glendale Federal Savings and Loan. However the committee listed in the report is a state PAC and may not have a separate segregated fund.

16. A \$1,000 contribution from the McClintock Committee which is a state campaign committee and may not have a separate segregated fund.

17. A \$500 in-kind contribution from the Shasta County Central Committee which may not have a separate, segregated fund.

18. A \$250 contribution from the Waterbed Industry PAC which is a state PAC and may not have a separate segregated fund.

33040701310

Federal Election Commission
Page 4

19. A \$500 contribution from J. P. Gerken Enterprises, which would appear to be a corporation but is not listed in the telephone book at the address in the report.
20. A \$200 contribution from Olvera Investment Company which would appear to be a corporation but is not listed in the telephone book at the address in the report.
21. A \$250 contribution from the Committee for Judge Steven Hintz which is a state campaign committee and may not have a separate segregated fund.
22. A \$1,000 contribution from the Latinos United Coalition which is a state PAC and may not have a separate segregated fund.
23. A \$500 contribution from the Political Action Council of Educators which is a state PAC and may not have a separate segregated fund.

Because these apparent violations of the F.E.C.A. have been going on since, at least, June 12, 1984 and a pattern of abuse is apparent, I would request quick action on the Commission's part and a requirement that the Davis Committee and Edward M. Davis be required to pay back the prohibited contributions within ten days and that the Commission act to fine the respondents triple the amount of the prohibited contributions because these apparent violations have been going on flagrantly for over a year and a half.

The foregoing is true to the best of my knowledge and belief.

Sincerely,

Arnold Steinberg

RE: MUR 2150
California Young Republican PAC-
Federal; E. Daniel Dellicompagni,
as treasurer; California Young
Republican PAC-State

Dear Mr. Dellicompagni:

Based on a complaint filed with the Commission on March 18, 1986, and on information ascertained in the normal course of carrying out its supervisory responsibilities, the Commission determined on June 17, 1986, that there was reason to believe that California Young Republican PAC-Federal and its treasurer, as treasurer, had violated 2 U.S.C. § 441a(a)(1)(A) and § 434(a), provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Commission also determined on June 17, 1986, that there was reason to believe California Young Republican PAC-State violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.5(a). An investigation of this matter was then instituted.

After considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend with respect to California Young Republican PAC-Federal and you, as treasurer, that the Commission find probable cause to believe that a violation of 2 U.S.C. § 434(a) has occurred, and no probable cause to believe a violation of 2 U.S.C. § 441a(a)(1)(A) has occurred. As to California Young Republican PAC-State, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe a violation of 11 C.F.R. § 102.5(a) has occurred, and no probable cause to believe a violation of 2 U.S.C. § 441b(a) has occurred.

Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within fifteen days of your receipt of this notice, you may file with the Secretary of the Commission a brief (10 copies if

33040701315

possible) stating your position on the issues and replying to the brief of the General Counsel. Three copies of such brief should also be forwarded to the Office of the General Counsel, if possible. The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to votes of probable cause to believe and no probable cause to believe violations have occurred.

If you are unable to file a responsive brief within 15 days, you may submit a written request to the Commission for an extension of time in which to file a brief. The Commission will not grant any extensions beyond 20 days. All requests for extension of time must be submitted five days prior to the due date and must be in writing. Further, good cause must be shown.

A finding of probable cause to believe requires that the Office of the General Counsel attempt for a period of not less than thirty, but not more than ninety, days to settle this matter through a conciliation agreement.

Should you have any questions, please contact Maura White Callaway, the staff member assigned to handle this matter, at (202) 376-5690.

Sincerely,

Charles N. Steele
General Counsel

GENERAL COUNSEL'S BRIEF

I. STATEMENT OF THE CASE

On March 18, 1986, Arnold Steinberg filed a complaint against the federal account of California Young Republicans, Inc., California Young Republican PAC-Federal ("CYRPAC-Federal"), and the state account of California Young Republicans, Inc., California Young Republican PAC-State ("CYRPAC-State"), collectively known as CYRPAC. Notification of the complaint was mailed to CYRPAC-Federal and CYRPAC-State on March 26, 1986.

On June 17, 1986, the Commission found reason to believe that CYRPAC-Federal and its treasurer, as treasurer, violated 2 U.S.C. § 434(a) by failing to file all required reports since July, 1982, the time of registration with the Commission.^{1/} The Commission also found reason to believe that CYRPAC-Federal and its treasurer, as treasurer, violated 2 U.S.C. § 441a(a)(1)(A) by making an excessive \$4,000 contribution to The Davis Committee

^{1/} On July 12, 1982, CYRPAC-Federal filed a Statement of Organization (dated June 16, 1982) with the Commission listing itself as the separate segregated fund of California Young Republicans, Inc., a non-profit corporation and its connected organization.

38040701317

when combined with a prior \$1,000 contribution to The Davis Committee from CYRPAC-State.^{2/}

As to CYRPAC-State, on June 17, 1986, the Commission found reason to believe it violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.5(a) by contributing \$1,000 to The Davis Committee on March 25, 1985. The reason to believe finding reflected the fact that CYRPAC-State is a non-federal account of California Young Republicans, Inc. which may have contained corporate and labor union contributions because such are permissible under California state law. Notification of the above findings were mailed to CYRPAC-State and CYRPAC-Federal and its treasurer on June 27, 1986.

On September 4, 1986, CYRPAC-Federal submitted its response to the questions issued by the Commission on June 17, 1986. The response affirmed that E. Daniel Dellicompagni is the treasurer of CYRPAC-Federal.^{3/} The response stated that the funds contributed by CYRPAC-Federal to The Davis Committee (\$4,000) were contained in an account comprised only of funds subject to the prohibitions and limitations of the Act, and that the bank account of CYRPAC-Federal is entirely separate from the bank

^{2/} CYRPAC-Federal made the following contributions to The Davis Committee for the 1986 primary election: \$250 (September 20, 1985), \$152 (December 3, 1985), \$3,000 (December 17, 1985), and \$598 (December 24, 1985). The Davis Committee refunded \$4,000 to CYRPAC-Federal on March 31, 1986. According to the Secretary of State's Office in California, CYRPAC-State registered as a state committee in 1980, but has not filed state reports since 1981. CYRPAC-State contributed \$1,000 to The Davis Committee on March 25, 1985.

^{3/} On May 18, 1986, CYRPAC-Federal filed an amended Statement of Organization listing E. Daniel Dellicompagni as treasurer, and California Young Republicans, Inc. as its connected organization.

account of CYRPAC-State. In response to the Commission's request that CYRPAC-Federal identify all federal candidates to whom CYRPAC-Federal made contributions since July, 1982, CYRPAC-Federal provided copies of contribution checks issued since July 1982. This Office's review of those materials revealed that CYRPAC-Federal has made 21 contributions to 14 federal candidates totalling \$8,750.^{4/}

On October 9, 1986, the Commission approved the issuance to CYRPAC-Federal and CYRPAC-State of orders to submit written answers.^{5/} On October 17, 1986, the Commission's orders were mailed. On November 20, 1986, CYRPAC-Federal and CYRPAC-State submitted their responses to the Commission's orders to submit written answers.

The response of CYRPAC-Federal asserts that since January 1, 1982, CYRPAC-Federal has received contributions from more than 50 persons, the contribution from the fifty-first person occurring on January 28, 1982. In addition, it is noted that CYRPAC-Federal and California Young Republicans, Inc. "are affiliated with the Republican Party but are individually controlled/governed." The response further explains that California Young Republicans, Inc. is a membership organization

^{4/} During 1982, 1984, 1985, and 1986, CYRPAC-Federal made Federal contributions totalling \$2,400, \$100, \$4,500, and \$1,750, respectively. CYRPAC-Federal contributed to its fifth federal candidate on August 9, 1982.

^{5/} On October 9, 1986, the Commission also determined to find reason to believe CYRPAC-Federal and E. Daniel Dellicompagni, as treasurer, violated 2 U.S.C. § 433(c), but took no further action.

of young adults between the ages of 18-40 which "is recognized as the official young adult organization of the Young Republican National Federation." According to the response, CYRPAC-Federal "is a political action committee with its own bylaws, Board of Directors and Treasurer from CYR, Inc." The response notes that "[t]he relationship between [CYRPAC-Federal] and the California Young Republicans, Inc. other than the name is the California Young Republicans, Inc. can solicit funding from the CYRPAC-Federal if it so desires in accordance with the procedures set down by the Board of Directors of the CYRPAC-Federal."

In response to the Commission's order to submit written answers, CYRPAC-State submitted that at the time of its contribution to The Davis Committee no corporate or union funds were contained in its account. The response also explained that CYRPAC-State's account is separate from the accounts of California Young Republicans, Inc. According to the response, CYRPAC-State and California Young Republicans, Inc. are "separate and governed by separate Board of Directors." The response further explains that CYRPAC-State "is a fundraising organization which supports and opposes candidates and measures,"^{6/} whereas California Young Republicans, Inc. is a membership organization of young Republican adults.

In order to clarify the relationship between California Young Republicans, Inc. and CYRPAC, staff of this office telephoned Mr. Dellicompagni on January 12, 1987.

^{6/} The response also notes that CYRPAC-State can support charitable causes as its Board of Directors sees fit.

During the conversation Mr. Dellicompagni explained that California Young Republicans, Inc. receives its funding from fundraising, membership dues, and CYRPAC. Although Mr. Dellicompagni acknowledged that members of California Young Republicans, Inc. established CYRPAC, he stated that California Young Republicans, Inc. does not financially support or administer CYRPAC. CYRPAC's funding is obtained through the direct mail solicitation of Republicans, according to Mr. Dellicompagni. On February 1, 1987, Mr. Dellicompagni submitted copies of the Bylaws of CYRPAC and California Young Republicans, Inc.

The Bylaws of CYRPAC state that the purpose of the organization "shall be to raise funds for support of Republican candidates, organizations, and principles as directed by the Board of Directors of the CYR,PAC." The Bylaws require the directors of CYRPAC to "have served on the Board of Directors of the California Young Republicans, Inc. for at least two years, or to have previously served on the CYR,PAC Board of Directors as a voting member." The Bylaws of California Young Republicans, Inc. state that the purpose of the organization "is to involve young people in Republican politics." Among other things, the Bylaws provide for membership, county chapters, state officers, Board of Directors, committees, dues and chapter reports, annual convention delegates to the Young Republican National Federation

28040701321

Convention^{7/}, and endorsements. With respect to endorsements, the Bylaws state that "The Annual Convention and Board of Directors shall have the power to endorse Republicans for the election to any local, statewide, or national office and to provide for participation of the California Young Republicans in the campaign of any Republican for office."

II. LEGAL ANALYSIS

The term "political committee" is defined at 2 U.S.C. § 431(4) to include (A) any committee, club, association, or other group of persons which receives contributions aggregating in excess of \$1,000 during a calendar year or which makes expenditures aggregating in excess of \$1,000 during a calendar year, or (B) any separate segregated fund established under the provisions of 2 U.S.C. § 441b(b). See also 11 C.F.R. § 100.5.

Pursuant to 11 C.F.R. § 114.12(a), an organization may incorporate and not be subject to the provisions of 11 C.F.R. § 114 if the organization incorporates for liability purposes only and if the organization is a political committee as defined in 11 C.F.R. § 100.5.

As set forth at 2 U.S.C. § 441b(a), it is unlawful for a corporation or labor organization to make a contribution or expenditure in connection with a federal election.

^{7/} The Bylaws also state that California Young Republicans, Inc. recognizes the Young Republican National Federation as a "federation of independent state organizations joined together for their common benefit No decisions of YRNF shall be binding upon or have any impact on the Organization unless adopted by the Organization."

33040701322

Pursuant to 2 U.S.C. § 441a(a)(1)(A), no person shall make contributions to any candidate and his authorized political committees with respect to any election for federal office which, in the aggregate, exceed \$1,000.

As set forth at 2 U.S.C. § 441a(a)(2)(A), no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for federal office which, in the aggregate, exceed \$5,000.

The term "multicandidate political committee" is defined at 2 U.S.C. § 441a(a)(4) to mean a political committee which has been registered with the Commission for a period of not less than six months, which has received contributions from more than 50 persons, and except for any State political party organization, has made contributions to five or more candidates for Federal office.

As set forth at 11 C.F.R. § 102.5(a)(1), each organization which finances political activity in connection with both federal and non-federal elections and which qualifies as a political committee shall either: (i) establish a separate federal account in a depository in accordance with 11 C.F.R. § 103. Such account shall be treated as a separate federal political committee which shall comply with the requirements of the Act. Only funds subject to the prohibitions and limitations of the Act shall be deposited in such separate federal account. All disbursements, contributions, expenditures, and transfers in connection with any federal election shall be made from its federal account. No

88040701323

transfers may be made to such federal account from any other account maintained by such organization for the purpose of financing activity in connection with non-federal elections; or (ii) establish a political committee which shall receive only contributions subject to the prohibitions and limitations of the Act, regardless of whether such contributions are for use in connection with federal or non-federal elections. Such organization shall register as a political committee and comply with the requirements of the Act.

28040701324
The information obtained in the course of this investigation indicates that California Young Republicans, Inc. is an organization whose purpose is to involve young adults in Republican politics. Although it is an incorporated entity under California state law, the activities of California Young Republicans, Inc. appear to be related solely to politics. Thus, despite the fact that CYRPAC-Federal registered as the separate segregated fund of California Young Republicans, Inc., the purpose of California Young Republicans, Inc., as well as the nature of its activities indicates that California Young Republicans, Inc. should be viewed as a political committee which has incorporated under 11 C.F.R. § 114.12 and which has established federal and non-federal accounts pursuant to 11 C.F.R. § 102.5(a)(1). Under this view any activity conducted by California Young Republicans, Inc. for the purpose of influencing a federal election must be financed solely with funds from its federal account, CYRPAC-Federal.

As discussed above, the federal account of California Young Republicans, Inc., CYRPAC-Federal, registered with the Commission on July 12, 1982, and made contributions to federal candidates exceeding \$1,000 on August 9, 1982. From June 17, 1982, through April 24, 1986, CYRPAC-Federal made contributions to federal candidates, but did not file any reports of receipts and disbursements with the Commission. In consideration of the foregoing, it is the recommendation of this office that the Commission find probable cause to believe CYRPAC-Federal and E. Daniel Dellicompagni, as treasurer, violated 2 U.S.C. § 434(a) by failing to file reports.

With respect to the contributions made by CYRPAC-Federal to The Davis Committee, it appears that CYRPAC-Federal qualified as a multicandidate political committee by mid-January 1983, several years prior to the contributions at issue to The Davis Committee. Thus, insofar as CYRPAC-Federal qualified as a multicandidate political committee prior to its contributions to The Davis Committee, the contributions at issue were not in fact excessive. It is, therefore, the recommendation of this office that the Commission find no probable cause to believe CYRPAC-Federal and E. Daniel Dellicompagni, as treasurer, violated 2 U.S.C. § 441a(a)(1)(A).

As to CYRPAC-State's account out of which a \$1,000 contribution was made to The Davis Committee, the investigation in this matter has revealed that no corporate or union funds were contained in the account at the time of the contribution, and

that such account is entirely separate from the other accounts of California Young Republicans, Inc. In consideration of this circumstance, it is the recommendation of this office that the Commission find no probable cause to believe CYRPAC-State violated 2 U.S.C. § 441b(a).

The fact remains, however, that the above contribution was drawn on a non-federal account instead of a federal account as required by 11 C.F.R. § 102.5(a). Although no corporate or labor union funds were apparently contained in the account at the time of the contribution, such contribution was nonetheless prohibited under 11 C.F.R. § 102.5(a). The prohibition on the making of contributions from a non-federal account is, in part, the consequence of 11 C.F.R. § 102.5(a)(2) which provides that only the following contributions may be deposited into a federal account and, hence, ultimately used to influence federal elections: those that are designated for a federal account; those that result from a solicitation which expressly states that the contribution will be used in connection with a federal election; and, those that are from contributors who are informed that all contributions are subject to the limitations and prohibitions of the Act. It is, therefore, the recommendation of this office that the Commission find probable cause to believe CYRPAC-State violated 11 C.F.R. § 102.5(a).

Dear Ms. Lerner::

Regarding your letter of March 4th, I should like to remind you that it has been approximately one year since these complaints were filed. Moreover, they were with reference to actions which occurred in 1985, i.e., two years ago.

The same individuals in question are now engaged in a non-Federal campaign; the possibility exists that funds in such a campaign may be used to (indirectly) discharge Federal obligations. However, it is difficult to evaluate, given your failure to rule in a timely fashion.

I would greatly appreciate your responding as to when you will rule in this case.

Dear Mr. Steinberg:

This is in response to your letter dated March 11, 1987, which we received on March 16, 1987. Your letter acknowledges receipt of our letter dated March 4, 1987, concerning the status of your complaints, and again inquires as to when the Commission "will rule" in the above-captioned matter. As you were informed by letter dated March 4, 1987, under the Federal Election Campaign Act of 1971, as amended, the Commission is prohibited from making public any investigation being conducted until such time as the entire file in the matter has been closed. You will be notified as soon as the Commission completes action on your complaint with respect to all respondents.

FEDERAL ELECTION COMMISSION

In the Matter of)
The Davis Committee) MUR 2150
Elsie Olson, as Treasurer)

STATEMENT OF REASONS

On June 17, 1986, the Federal Election Commission adopted all the reason to believe recommendations of the Office of the General Counsel in MUR 2150, but also decided to take no further action and close the file as to the The Davis Committee and Elsie Olson, as treasurer.

The Commission's determination to take no further action and close the file as to these respondents was based upon information regarding The Davis Committee's affirmative efforts to ascertain the permissibility of certain prohibited and excessive contributions. The Commission's determination reflected acceptance of The Davis Committee's assertion that, upon receipt of the contributions at issue, it was informed by the Secretary of State's Office in California that S and M Insurance Brokers and Granada Hills Community Hospital were not incorporated entities and was informed by the California Young Republican PAC that its contributions were permissible under the Act.

88040701330

Therefore, consistent with the handling of similar matters and in the proper ordering of our priorities and resources, see Heckler v. Chaney, 470 U.S. 821 (1985), the Commission concluded the apparent violations did not warrant further action.

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On March 5, 1987, a General Counsel's Brief was mailed to respondents, California Young Republican PAC-Federal and E. Daniel Dellicompagni, as treasurer ("CYRPAC-Federal"), and California Young Republican PAC-State ("CYRPAC-State"). The brief recommended that the Commission find probable cause to believe that CYRPAC-Federal violated 2 U.S.C. § 434(a). The brief also recommended that the Commission find no probable cause to believe CYRPAC-Federal violated 2 U.S.C. § 441a(a)(1)(A). In addition, the brief recommended that the Commission find probable cause to believe that CYRPAC-State violated 11 C.F.R. § 102.5(a), but no probable cause to believe that CYRPAC-State violated 2 U.S.C. § 441b(a). Although staff members spoke with Mr. Dellicompagni several times on the telephone, he gave no indication that respondents sent, or intend to send, a reply brief. As of April 30, 1987, respondents have not submitted a response to the brief.

RE: Complaints Against The Davis Committee (ID #C00193755)
Edward M. Davis; Arthur J. Finkelstein
Arthur J. Finkelstein & Associates
MU 2150 (merged with MUR 2149)

Dear Mr Noble:

Thank you for your letter of March 20, in response to my letter of March 11, 1987 (to Lois Lerner, FEC Associate General Counsel) in which I wrote, in part:

The same individuals in question are now engaged in a non-Federal campaign; the possibility exists that funds in such a campaign may be used to (indirectly) discharge Federal obligations. However, it is difficult to evaluate, given your failure to rule in a timely fashion.

The enclosed side-by-side articles from yesterday's local newspapers (Alan C. Miller, *Los Angeles Times*, May 7, 1987: "Ed Davis Strives To Make It Clear He Will Run Again" and "Davis Seeking Release From Campaign Debt"), when viewed either themselves, or in the context of my specific complaints of March 12, 1986, lend credence to the above statement. Accepting your word that the FEC investigation is still continuing, I request that these articles, in the public domain, be incorporated as part of your presumably active file, MUR 2150.

Accepting FEC spokeswoman Karen Finucan's appropriate statement in the *Times* article, I find it hard to understand, for example, your delay in ruling that Finkelstein made, and Davis accepted, illegal contributions as far back as 1985, since Finkelstein, during the second half of 1985 when Davis raised over \$200,000 in that period alone, made no documented effort to collect, and Davis made no documented effort to discharge, the Finkelstein (\$30,000+) obligations; indeed, Finkelstein, as chief

930407013355

campaign consultant who may have originated the finance plan, continued, even as Davis raised additional Federal campaign funds in 1986, to acquiesce to Davis using funds owed Finkelstein to finance, illegally, Davis' continuing U.S. Senate race.

Consider the present situation:

Finkelstein: The fact that Federal campaign chief consultant/pollster Finkelstein, owed \$34,214 in Federal campaign funds, is currently doing survey work for Davis' state campaign may mean that he is indirectly getting paid, with legally prohibited funds, for the unpaid Federal campaign work. (Finkelstein is presently doing a survey for Davis.) You cannot verify whether Finkelstein is inflating current non-Federal billings to compensate for non-payment of Federal billings.

Braly: The fact that former Federal campaign aide Hunt Braly, owed \$2,500 in Federal campaign funds, now receives a state government salary as Davis' Administrative Assistant may mean that he is indirectly getting paid, with legally prohibited funds, for the unpaid Federal campaign work. You cannot verify whether Braly is getting an inflated state salary to compensate for non-payment of Federal billings.

Olson: The fact that Federal campaign treasurer Elsie Olson, owed \$8,000 in Federal campaign funds, is continuing similar functions for Davis' state campaign committee, may mean that she is indirectly getting paid, with legally prohibited funds, for the unpaid Federal campaign work. You cannot verify, for example, whether Olson is looking the other way on payment of the Federal obligation, in order to keep the state campaign committee business. Olson may be well intentioned and honorable but she is treasurer of a tainted operation.

Ed Davis has frequently and arrogantly suggested that he, as a former police chief, maintains extraordinarily high standards of honesty. Failure to prosecute Davis in a timely fashion indicates the FEC's impotence in its inability to hold him even to a *minimal* standard of accountability.

Your inexplicable delay in ruling on my past complaints means that any Federal campaign can avoid discharging its past-due campaign obligations, and use funds raised instead to finance its ongoing Federal race. It's nothing short of an arrogant stonewalling operation on Davis' part to flaunt Federal law; your delay makes the FEC an (unwitting, perhaps) accessory.

83040701336

Respectfully, I would greatly appreciate a more conscientious application of Federal law. Davis' apparent consistent manipulation of Federal and non-Federal committees makes a travesty of Federal campaign law.

Thank you for a more expeditious treatment of this serious matter.

I do not intend to let this matter drop.

Sincerely,

A handwritten signature in cursive script, appearing to read "Arnold Steinberg".

Ed Davis Strives to Make It Clear He Will Run Again

By ALAN C. MILLER,
Times Staff Writer

State Sen. Ed Davis has vowed to seek reelection in 1988. He has obtained endorsements from the state's two top Republicans. And he has started raising money for the campaign.

But rumors persist that the 70-year-old Valencia lawmaker plans to retire when his second term ends. Moreover, Davis says, Assemblywoman Cathie Wright of Simi Valley, who is considering a challenge to him in the Republican primary, has been sounding out some of the senator's longtime supporters about backing her.

So, in a bid to convince prospective contributors and perhaps quash Wright's would-be insurgency, Davis has called a May 15 news conference to declare his candidacy for reelection—fully nine months before candidates must inform the state that they intend to run. Campaign veterans, such as Los Angeles-based political consultant Allan Hoffenblum, call the early timing "highly unusual."

Davis conceded that Wright pushed him into making such an early announcement.

"She, in effect, kicked off the campaign," Davis said. "It became necessary to say to my friends and supporters that I'm running for reelection."

Move Aimed at Skeptics

Davis' administrative assistant Hunt Braly acknowledged that skepticism triggered the early announcement. "It is just to make clear, if there are doubting Thomases out there, that the senator is seeking reelection. There's no other way to do it, legally, at this point."

Davis' announcement comes at a time when his campaign is struggling with debt from his unsuccessful bid last year for the GOP nomination for U.S. Senate. The financial problems are so great that his campaign treasurer has sought the Federal Election Commission's permission to ask creditors to forgive much of the debt.

The former Los Angeles police chief will run on an eight-year record that includes sponsorship of law-and-order and education measures, said campaign manager Martha Zilm. Gov. George Deukmejian and Sen. Pete Wilson, California's most prominent GOP officeholders, have issued glowing endorsement letters.

Underlying Davis' establishment support, Senate Republican Leader Jim Nielsen of Chico and Davis' honorary campaign chairman, Assemblywoman Marian LaFollette of Northridge, and Assemblyman Tom McClintock of Thousand Oaks are scheduled to join him for his announcement in Woodland Hills.

Wright Unconvinced

Yet, despite all the campaign trappings, Wright said Wednesday she remains unconvinced of Davis' intentions.

"It's a long time between this May and next March," said Wright. "It doesn't change my feelings on

Davis Seeking Release From Campaign Debt

By ALAN C. MILLER,
Times Staff Writer

Declaring that his effort to pay off the debt from his unsuccessful 1986 Republican U.S. Senate primary campaign has failed, state Sen. Ed Davis is seeking to ask his creditors to forgive most of the about \$75,000 he owes them.

The Valencia Republican's campaign treasurer, Elsie O. Olson, recently told the Federal Election Commission that the Davis campaign will be unable to repay its obligations unless creditors agree to forgive part or all of what they are owed.

"It is impossible for the Davis campaign to raise sufficient personal contributions to retire the entire \$75,556 debt," Olson said in a letter received by the

Davis called Wright's scenario "a figment of her imagination."

He and his aides note that federal election law limits individual contributions to \$1,000, caps political action committee contributions at \$5,000 and prohibits corporate contributions. No limits are placed on money for state legislative campaigns, which means that much of the money raised for the legislative race could not be used to pay the federal debt.

Direct Mail Appeals

Fund raising to eliminate the debt has been done through direct mail that specifically states how the money will be used, Davis said.

The former boxer, meanwhile, got off a few jabs of his own, calling Wright "vain and extremely ambitious." He said her candidacy will only squander GOP resources in an unnecessary intra-party fight. "Little Miss Wright is wrong," he concluded.

The 19th Senate District that Davis represents is so heavily Republican that the GOP nominee is likely to face only token opposition in the fall general election. The

Wright Unconvinced
Yet, despite all the campaign trappings, Wright said Wednesday she remains unconvinced of Davis' intentions.

"It's a long time between this May and next March," said Wright.

"It doesn't change my feelings on the issue . . . I'm in the position of just looking at it."

Wright, 57, has suggested that Davis' avowed candidacy is a pretext to help raise funds to pay off the remaining \$75,000 debt from his unsuccessful 1986 campaign. She has also said she believes he wants to pave the way for LaFollette to declare her candidacy at the 11th hour as his successor—without organized GOP opposition.

EXCLUDED NEW LEGISLATION LIMITS CONTRIBUTIONS TO \$1,000, caps political committee contributions at \$5,000 and prohibits state contributions. No limit on money for state campaigns, which means that much of the money raised for the legislative race could not be used to pay the federal debt.

The 19th Senate District that Davis represents is so heavily Republican that the GOP nominee is likely to face only token opposition in the fall general election. The sprawling district extends across the West San Fernando Valley, western Antelope Valley, the northern and non-coastal sections of Ventura County and most of Santa Barbara County.

Davis said his fund raising for the 1988 race is going well; he netted \$50,000 at three events in the last two months. His campaign has set a goal of \$300,000 this year, including

\$100,000 at a \$350-a-head dinner in November. Others, however, said Davis historically has struggled to raise money—and the rumors he is retiring cannot help.

"That's always been a weakness of Ed's," said consultant Hoffenbium. "If people hear he's not running, he's going to have trouble raising money."

If Wright decides to oppose Davis, it would set up one of the state's hottest, liveliest, and possibly bitterest 1988 primary battles, political activists say. This is particularly so because Wright has said her candidacy hinges on whether Davis heals the wounds among San Fernando Valley Republicans from his dispute with former Rep. Bobbi Fiedler of Northridge when both were candidates in last June's highly charged Senate primary campaign.

A complaint from Davis led to the indictment of Fiedler and her campaign manager, Paul Clarke, on charges that they tried to buy Davis out of the race by promising to help him raise money to pay off his campaign debt, at that time about \$100,000. The indictments were dismissed by a judge as groundless, but the incident shadowed Fiedler's campaign.

Fiedler finished with 7.3% of the statewide vote and Davis 6.6% in a 13-candidate field.

Political strategists close to Fiedler continue to express intense animosity toward Davis. Fiedler and Clarke, now her husband, have said they will work for Wright if she runs. Fiedler, now a twice-weekly commentator on KABC-TV, remains a highly visible public figure, and Clarke has been running political campaigns in the Valley.

On the other side, Republican Senate Leader Nielsen said this week that the GOP Senate Caucus would channel campaign funds and volunteers to Davis' campaign if he faces a primary challenge. Nielsen said it is too early to estimate the amount of aid. He called Davis "very, very popular and very, very effective."

Hoffenbium, who has run legislative campaigns statewide, said Wright would have to raise more money than Davis to wage a viable campaign against a two-term incumbent who has been highly visible as police chief and as a candidate for governor and the U.S. Senate. He predicted she would need \$500,000.

"I don't think Cathie Wright will run unless she can raise the money and gain support," Hoffenbium said. "Whether the incident with Fiedler is enough—who knows?"

DEBT: Davis Campaign Unable to Pay Obligations

Continued from Page 6

FEC on March 27. The Davis campaign proposed a payment plan that calls for four creditors to forgive all that Davis owes them, a total of \$8,095, and the remaining seven creditors to receive just 20% of the approximately \$67,000 total they are owed.

"To accomplish the fund-raising goals of this plan, we would have to raise \$13,582 in personal contributions during the next year, which we anticipate will be extremely difficult," Olson wrote.

The FEC supplied the letter's content to The Times.

Davis' debt was \$105,015 as of June 30, 1986. He has paid off about \$30,000 of that total.

The remaining debt includes costs of polling, air travel, mailing, and staff salaries. The largest unpaid bill was submitted by New York-based poll service Arthur J. Finkelstein & Associates, which Davis owes \$34,214. None of the creditors will be approached about the terms of the proposed settlement unless the FEC approves the plan, Davis said.

Some of the creditors are longtime Davis associates, such as administrative assistant Hunt Braly, who is owed \$2,500, and treasurer

Olson, whose company has unpaid billings of \$8,000, according to Olson's letter. They may be more likely to forgive the debt than some of the businesses Davis used for polling, mailing or other services.

The FEC has not yet considered the proposal, said spokeswoman Karen Finucan. She said the commission would have to determine that the campaign had undertaken all possible steps to repay the debt and that creditors had pursued all legal avenues available to recover their money. Otherwise, she said the debts could constitute individual contributions exceeding the \$1,000 federal limit or corporate

donations, which are prohibited.

She said the creditors must also agree to the settlement plan before the FEC will approve it. Settlement proposals of this kind are often submitted by former presidential candidates, she said. They are less common in congressional races.

Davis is permitted to raise money for his declared 1988 state Senate reelection bid even though the 1986 debt remains. He began holding fund-raisers for the upcoming campaign in March.

"Any deficit in any political campaign is a very difficult thing to pay off," said Davis, a fiscal conservative. "It's a very slow process."

Dear Ms. Pointer:

Unfortunately, over the past few months I have not been able to keep in touch with you as often as I would have liked to, but due to an extremely demanding business schedule and deluge of year-end processes, it's hard for me to realize it's already the end of May.

At this time of year, during June and July, I find myself more often than not out of the office and in the field; therefore I wanted to give you another phone number that I could be reached at or a message could be delivered to me if it becomes necessary. The number during the next two months is (714) 536-0306.

Thank you in advance, and if I can be of further assistance, please contact me.

Dear Mr. Dellicompagni:

On May 19, 1987, the Federal Election Commission found that there is probable cause to believe that California Young Republican PAC-Federal, and you, as treasurer, violated 2 U.S.C. § 434(a), and that California Young Republican PAC-State violated 11 C.F.R. § 102.5(a). In addition, the Commission found no probable cause to believe that California Young Republican PAC-Federal, and you, as treasurer, violated 2 U.S.C. § 441a(a)(1)(A) or that California Young Republican PAC-State violated 2 U.S.C. § 441b(a).

The Commission has a duty to attempt to correct such violations for a period of 30 to 90 days by informal methods of conference, conciliation, and persuasion, and by entering into a conciliation agreement with a respondent. If we are unable to reach an agreement during that period, the Commission may institute a civil suit in United States District Court and seek payment of a civil penalty.

Enclosed is a conciliation agreement that the Commission has approved in settlement of this matter. If you agree with the provisions of the enclosed agreement, please sign and return it, along with the civil penalty, to the Commission within 10 days. I will then recommend that the Commission approve the agreement. Please make your check for the civil penalty payable to the Federal Election Commission.

GENERAL COUNSEL'S REPORT

On May 19, 1987, the Commission found probable cause to believe that California Young Republican PAC-Federal and E. Daniel Dellicompagni, as treasurer, violated 2 U.S.C. § 434(a), and probable cause to believe that California Young Republican PAC-State violated 2 U.S.C. § 441b(a). In addition, the Commission approved a proposed conciliation agreement with civil penalties of \$5,000 for CYRPAC-Federal and \$250 for CYRPAC-State. The proposed agreement and a letter informing Respondents of the Commission's findings was sent on May 26, 1987.

In early July, Daniel Dellicompagni, treasurer of California Young Republican PAC-State and PAC-Federal, telephoned the Office of the General Counsel and stated that he had not heard anything from this Office or the Commission since receiving the probable cause briefs. When Mr. Dellicompagni was informed of the Commission's probable cause findings and the date of the letter sent to him, he stated that he had never received these documents and requested that copies be sent to him at his current home address. Copies of the May 26, 1987, letter and

98040701347

proposed conciliation agreement were mailed to Mr. Dellicompagni on July 14, 1987.

Because of the circumstances involved here, this Office believes that additional time should be provided to permit the respondents to consider the proposed conciliation agreement and to reach a resolution of this matter.

Dear Ms. Painter:

Several weeks ago we spoke over the telephone regarding the consiliatory agreement proposed by the Federal Elections Commission. During our conversation it was realized a letter sent by your office was never received. During the following weeks I have placed the issue on the back burner, but recently we had a Director's meeting (September 10, 1987) and was at that time requested to contact you in writing regarding the unresolved issue.

At this time I would ask you to contact me regarding the agreement we discussed in order to expedite the settlement of this matter. It is our intention to clear up this entire matter prior to the beginning of the upcoming election cycle.

Again, I thank you for your time and cooperation in this matter. Both my mailing address and telephone numbers remain the same as in the past.

RE: Complaints Against The Davis Committee (ID #C00193755)
Edward M. Davis; Arthur J. Finkelstein
Arthur J. Finkelstein & Associates
MUR 2150 (merged with MUR 2149)

Dear Mr Noble:

The purpose of this letter is twofold, to request:

- (1) A reply to my letter of May 8, 1987 (copy enclosed);
- (2) A decision on the above cases, relating to clear prima facie violations of Federal law. Davis and Finkelstein are candidate and manager, respectively, who should be punished for willful violations of Federal law. Neither are novices; both should be held to a higher standard, but, certainly, to a minimum standard of law. The FEC has the opportunity to affirm a clear standard of conduct and deter others from flaunting the law.

For the record, let me reiterate that these complaints were filed by me in March, 1986, more than one-and-one-half years ago, concerning violations of Federal law which occurred originally the preceding year -- 1985, more than two years ago.

Your cavalier treatment of my complaints and refusal to punish Davis and Finkelstein not only makes a mockery of Federal law but explain why Davis and Finkelstein felt they could violate the law.

If you cannot resolve these prima facie violations of Federal law by a former police chief (Davis) and knowledgeable campaign manager/consultant (Finkelstein), then I have no alternative but to consider action in Federal Court challenging your lack of action, and the constitutionality of your suppressing information on these violations. Frankly, I don't think the Federal courts will allow you to kill complaints by neglect, while simultaneously prohibiting public discussion of your inaction.

Sincerely,

Arnold Steinberg

RE: Complaints Against The Davis Committee (ID #C00193755)
Edward M. Davis; Arthur J. Finkelstein
Arthur J. Finkelstein & Associates
MU 2150 (merged with MUR 2149)

Dear Mr Noble:

Thank you for your letter of March 20, in response to my
letter of March 11, 1987 (to Lois Lerner, FEC Associate
General Counsel) in which I wrote, in part:

*The same individuals in question are now engaged in a
non-Federal campaign; the possibility exists that funds
in such a campaign may be used to (indirectly)
discharge Federal obligations. However, it is
difficult to evaluate, given your failure to rule in a
timely fashion.*

The enclosed side-by-side articles from yesterday's local
newspapers (Alan C. Miller, *Los Angeles Times*, May 7, 1987:
"Ed Davis Strives To Make It Clear He Will Run Again" and
"Davis Seeking Release From Campaign Debt"), when viewed
either themselves, or in the context of my specific
complaints of March 12, 1986, lend credence to the above
statement. Accepting your word that the FEC investigation
is still continuing, I request that these articles, in the
public domain, be incorporated as part of your presumably
active file, MUR 2150.

Accepting FEC spokeswoman Karen Finucan's appropriate
statement in the *Times* article, I find it hard to
understand, for example, your delay in ruling that
Finkelstein made, and Davis accepted, illegal contributions
as far back as 1985, since Finkelstein, during the second
half of 1985 when Davis raised over \$200,000 in that period
alone, made no documented effort to collect, and Davis made
no documented effort to discharge, the Finkelstein
(\$30,000+) obligations; indeed, Finkelstein, as chief

98040701352

campaign consultant who may have originated the finance plan, continued, even as Davis raised additional Federal campaign funds in 1986, to acquiesce to Davis using funds owed Finkelstein to finance, illegally, Davis' continuing U.S. Senate race.

Consider the present situation:

Finkelstein: The fact that Federal campaign chief consultant/pollster Finkelstein, owed \$34,214 in Federal campaign funds, is currently doing survey work for Davis's state campaign may mean that he is indirectly getting paid, with legally prohibited funds, for the unpaid Federal campaign work. (Finkelstein is presently doing a survey for Davis.) You cannot verify whether Finkelstein is inflating current non-Federal billings to compensate for non-payment of Federal billings.

Braly: The fact that former Federal campaign aide Hunt Braly, owed \$2,500 in Federal campaign funds, now receives a state government salary as Davis' Administrative Assistant may mean that he is indirectly getting paid, with legally prohibited funds, for the unpaid Federal campaign work. You cannot verify whether Braly is getting an inflated state salary to compensate for non-payment of Federal billings.

Olson: The fact that Federal campaign treasurer Elsie Olson, owed \$8,000 in Federal campaign funds, is continuing similar functions for Davis' state campaign committee, may mean that she is indirectly getting paid, with legally prohibited funds, for the unpaid Federal campaign work. You cannot verify, for example, whether Olson is looking the other way on payment of the Federal obligation, in order to keep the state campaign committee business. Olson may be well intentioned and honorable but she is treasurer of a tainted operation.

Ed Davis has frequently and arrogantly suggested that he, as a former police chief, maintains extraordinarily high standards of honesty. Failure to prosecute Davis in a timely fashion indicates the FEC's impotence in its inability to hold him even to a *minimal* standard of accountability.

Your inexplicable delay in ruling on my past complaints means that any Federal campaign can avoid discharging its past-due campaign obligations, and use funds raised instead to finance its ongoing Federal race. It's nothing short of an arrogant stonewalling operation on Davis' part to flaunt Federal law; your delay makes the FEC an (unwitting, perhaps) accessory.

93040701353

Mr. Lawrence M. Noble/May 8, 1987/Page 3

Respectfully, I would greatly appreciate a more conscientious application of Federal law. Davis' apparent consistent manipulation of Federal and non-Federal committees makes a travesty of Federal campaign law.

Thank you for a more expeditious treatment of this serious matter.

I do not intend to let this matter drop.

Sincerely,

Arnold Steinberg

RE: MUR 2150

Dear Mr. Steinberg:

This is in response to your letter dated October 2, 1987, which we received on October 5, 1987. Your letter requests a reply to your correspondence dated May 8, 1987, and requests a "decision" in the above captioned matter which originated from complaints you filed in March 1986.

After reviewing our records it appears that a response to your May 8, 1987, letter was not mailed due to administrative inadvertence. We apologize for the delay. Your letter of May 8, 1987, alleges violations not previously raised in the original complaints. These new allegations cannot be considered in the context of MUR 2150 because that portion of the investigation involving the Davis Committee, Arthur Finklestein, and Arthur Finklestein and Associates has already been closed. Consequently, the Commission can take no action to investigate your allegations in the context of MUR 2150.

However, if you desire the Commission to look into the new allegations raised in your letter to determine if the Federal Election Campaign Act of 1971, as amended ("the Act") has been violated, a formal complaint as described in 2 U.S.C. § 437g(a)(1) must be filed. Requirements of this section of the law and Commission regulations at 11 C.F.R. § 111.4 which are a prerequisite to Commission action are detailed below:

- (1) A complaint must be in writing. (2 U.S.C. § 437g(a)(1)).
- (2) Its contents must be sworn to and signed in the presence of a notary public and shall be notarized. (2 U.S.C. § 437g(a)(1)).
- (3) A formal complaint must contain the full name and address of the person making the complaint. (11 C.F.R. § 111.4).

98040701459

- (4) A formal complaint should clearly identify as a respondent each person or entity who is alleged to have committed a violation. (11 C.F.R. § 111.4).
- (5) A formal complaint should identify the source of information upon which the complaint is based. (11 C.F.R. § 111.4).
- (6) A formal complaint should contain a clear and concise recitation of the facts describing the violation of a statute or law over which the Commission has jurisdiction. (11 C.F.R. § 111.4).
- (7) A formal complaint should be accompanied by supporting documentation if known and available to the person making the complaint. (11 C.F.R. § 111.4).

Finally, please include your telephone number, as well as the full names and addresses of all respondents.

With respect to your request for a "decision" in MUR 2150, we have previously informed you by letters dated March 20, 1987, March 4, 1987, and March 26, 1986, that the Commission will notify you as soon as it takes final action on your complaints. We note that your complaints alleged violations of the Act by more than 25 persons and entities. Although at this time the investigation has been concluded with respect to almost all the respondents, the Commission is prohibited from making public any investigation being conducted until such time as the file pertaining to all respondents has been closed. Notification will be sent to you at that time.

Sincerely,

Lawrence M. Noble

EXECUTIVE SESSION
MUR 2150
DEC 01 1987

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On May 19, 1987, the Commission found probable cause to believe that California Young Republican PAC-Federal ("CYRPAC-Federal") and E. Daniel Dellicompagni, as treasurer, violated 2 U.S.C. § 434(a) and that California Young Republican PAC-State ("CYRPAC-State") violated 11 C.F.R. § 102.5(a). Notification of the Commission's findings and a proposed conciliation agreement were mailed to Mr. Dellicompagni on May 26, 1987.^{1/}

On May 29, 1987, a letter was received from Mr. Dellicompagni stating that over the past few months he had "not been able to keep in touch with [this Office] as often as [he] would have liked to." The purpose of the letter apparently was to provide a new telephone number at which he could be reached.^{2/} In early July Mr. Dellicompagni telephoned staff of this office and stated that he had not heard from the Commission since receiving the General Counsel's Brief. When Mr. Dellicompagni was informed of the Commission's probable cause to believe findings and the date

^{1/} Mr. Dellicompagni is also the treasurer of CYRPAC-State.

of the notification letter sent to him, he stated that he never received these documents and requested that copies be sent to him at his current home address. A copy of the May 26, 1987, notification letter and proposed conciliation agreement was mailed to Mr. Dellicompagni on July 14, 1987. After no response was received from Mr. Dellicompagni this Office mailed a letter to him on August 27, 1987, stating that a recommendation concerning the filing of a civil suit would be made unless a response was received within seven days.

On September 18, 1987, Mr. Dellicompagni submitted a letter acknowledging a telephone discussion "several weeks ago" with staff of this Office concerning the Commission's proposed agreement. The letter states that during the conversation he realized that "a letter" sent to him was never received, and he acknowledged putting the "issue on the back burner" since then. The letter continues on to ask this Office to contact him regarding the conciliation agreement in order to expedite the settlement of this matter. Subsequent to receipt of this letter staff of this Office telephoned Mr. Dellicompagni who claimed he had not received the documents mailed to him on either July 14, 1987, or August 27, 1987. Consequently, on October 2, 1987, a third copy of the documents were mailed to Mr. Dellicompagni. The accompanying letter noted that insofar as more than 90 days had elapsed without a response, a recommendation concerning the filing of a civil suit would be made unless a response was received within five days.

On October 15, 1987, staff of this Office spoke with Mr. Dellicompagni who then acknowledged receipt of the documents mailed to him on October 2, 1987.

h

The conciliation period in this matter has been substantially protracted by Mr. Dellicompagni's questionable assertions that he never received the original or July copy of the probable cause to believe notification and proposed conciliation agreement.

1. Authorize the Office of the General Counsel to file a civil suit for relief in the United States District Court against California Young Republican PAC-Federal and E. Daniel Dellicompagni, as treasurer, and California Young Republican PAC-State.

Dear Mr. Dellicompagni:

RE: MUR 2150

Dear Mr. Steinberg:

This is in reference to the complaints you filed on March 18, 1986, against Edward Davis, The Davis Committee, and numerous other respondents.

Based upon the information in the complaint, and information provided by the respondents, on June 17, 1986, the Commission took the following actions concerning The Davis Committee and Elsie Olson, as treasurer:

- 1) found reason to believe a violation of 2 U.S.C. § 441b(a) occurred in connection with the acceptance of contributions from Granada Hills Community Hospital, S and M Insurance Brokers, Committee for Judge Steven Hintz, Waterbed Industry PAC, and California Young Republican PAC (State), but took no further action;
- 2) found no reason to believe a violation of 2 U.S.C. § 441b(a) occurred in connection with the acceptance of contributions from the Al Dick Development Company, Dan Major's Bail Bond Agency, Hammer-Hewson Associates, Air Bail Bonds, Bert Potter's Central Jail Bail Bonds, Colombo's Restaurant, Herrera Winery and Vineyard, Northwest Industrial Park, People's Empire Ranch, J.P. Gerken Enterprises, Santa Ana Police Benevolent Association, Olivera Investment Company, Shasta County Central Committee, McClintock Committee, and Latinos United Coalition;

88040704947

- 3) found no reason to believe a violation of the Federal Election Campaign Act of 1971, as amended ("the Act") occurred in connection with the acceptance of contributions from Glendale Federal Savings Association Committee to Improve Our Nation and the Political Action Council of Educators;
- 4) found reason to believe a violation of 2 U.S.C. § 441a(f) occurred in connection with the acceptance of an excessive contribution from the California Young Republican PAC (Federal) but took no further action;
- 5) found no reason to believe a violation of 2 U.S.C. § 441a(f) occurred in connection with the acceptance of a contribution from James Dickason;
- 6) found no reason to believe that a violation of the Act occurred in connection with the payment of the costs of a survey reported by Friends of Ed Davis, and the payment by Friends of Ed Davis of the salary of Martha Zilm;
- 7) found no reason to believe a violation of 2 U.S.C. § 441b(a) occurred in connection with obligations owed to Arthur Finkelstein and Associates;
- 8) closed the file as it pertained to The Davis Committee and Elsie Olson, as treasurer.

Enclosed please find a Statement of Reasons adopted by the Commission explaining its decision to take no further action and close the file as to The Davis Committee and Elsie Olson, as treasurer. This document will be placed on the public record as part of the file in MUR 2150.

Also on June 16, 1986, the Commission found: no reason to believe Edward Davis violated the Act and closed the file as it pertained to him; no reason to believe James Dickason violated 2 U.S.C. § 441a(a)(1)(A) and closed the file as it pertained to him; and, no reason to believe Arthur Finkelstein and Arthur Finkelstein and Associates violated 2 U.S.C. § 441b(a) and closed the file as to these respondents. As to the Friends of Ed Davis and Elsie Olson, as treasurer, on June 16, 1986, the Commission found no reason to believe a violation of the Act occurred in connection with payments for the cost of a survey and the salary of Martha Zilm, and no reason to believe a violation of 2 U.S.C. § 441b(a) occurred in connection with obligations owed to Arthur Finkelstein and Associates. On June 16, 1986, the Commission closed the file as it pertained to Friends of Ed Davis and Elsie Olson, as treasurer.

88040704948

As to Al Dick Development Company, Dan Major's Bail Bond Agency, Hammer-Hewson Associates, Air Bail Bonds, Bert Potter's Central Jail Bail Bonds, Colombo's Restaurant, Herrera Winery and Vineyard, Northwest Industrial Park, People's Empire Ranch, J.P. Gerken Enterprises, Santa Ana Police Benevolent Association, and Olivera Investment Company, on June 16, 1986, the Commission found no reason to believe these entities violated 2 U.S.C. § 441b(a) and closed the file as it pertained to them. As to the Glendale Federal Savings Association Committee to Improve Our Nation and the Political Action Council of Educators, on June 16, 1986, the Commission found no reason to believe these entities violated the Act and closed the file as it pertained to them. Also on June 16, 1986, the Commission found: reason to believe the Committee for Judge Steven Hintz and Waterbed Industry PAC violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.5(b) but took no further action and closed the file as it pertained to them; and, no reason to believe the Shasta County Central Committee, McClintock Committee, and Latinos United Coalition violated 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.5(b) and closed the file as it pertained to them.

In addition, the Commission found reason to believe Granada Hills Community Hospital violated 2 U.S.C. § 441b(a) and conducted an investigation in this matter. On October 8, 1986, a conciliation agreement signed by Granada Hills Community Hospital was accepted by the Commission, thereby concluding this matter as to this respondent. Enclosed is a copy of this agreement. After an investigation was conducted the Commission also found probable cause to believe that S and M Insurance Brokers violated 2 U.S.C. § 441b(a). Enclosed is a copy of the conciliation agreement signed by S and M Insurance Brokers and accepted by the Commission on January 27, 1987, thereby concluding this matter as to this respondent.

On October 9, 1986, the Commission found reason to believe California Young Republican PAC (Federal) and E. Daniel Dellicompagni, as treasurer, violated 2 U.S.C. § 433(c) but took no further action. After an investigation was conducted, on May 19, 1987, the Commission found no probable cause to believe California Young Republican PAC (Federal) and E. Daniel Dellicompagni, as treasurer, violated 2 U.S.C. § 441a(a)(1)(A), no probable cause to believe California Young Republican PAC (State) violated 2 U.S.C. § 441b(a), probable cause to believe California Young Republican PAC (State) violated 11 C.F.R. § 102.5(a), and probable cause to believe that California Young Republican PAC (Federal) and E. Daniel Dellicompagni, as treasurer, violated 2 U.S.C. § 434(a). Enclosed is a copy of the conciliation agreement signed by California Young Republican PAC
