Washington, DC 20463

Dear Commissioners:

The Democratic Congressional Campaign Committee ("DCCC") files this complaint charging violations of the Federal Election Campaign Act of 1971, as amended ("FECA" or the "Act") 2 U.S.C. Sections 431 et seq., and related regulations of the Federal Election Commission ("FEC"), 11 C.F.R. Sections 100.1 et seq., by Jack Davis and Davis for Congress (the "Committee") (referred to collectively hereafter as "Respondents").

Respondents have violated the Act by failing to file timely reports of receipts and disbursements. When reports have been filed, the information provided is inaccurate and incomplete, despite consistent requests from the Federal Election Commission for clarification and additional information.

The FEC must investigate Respondents. There is now an extraordinary pattern of failing to adequately report to the

91040341306

public the campaign activities of Mr. Davis. This pattern indicates a failing considerably more serious than merely "sloppy" reporting; it cannot be chalked up to a simple, commonplace administrative error. The frequency and pervasiveness of Respondents' failures to disclose required information suggests a disregard for the law, as well as an indifference to the public's right to be kept informed of the Respondents' financial activities.

The FEC should take all necessary steps to correct this situation, including an audit of the books and records of the Committee, to ensure that the activities of the Committee have been conducted in complete compliance with the FECA and FEC regulations and to ensure that the public record accurately reflects the activities of the Committee.

Evidence of Violations

Even a brief review of the public record on the Committee reveals the extent of the problems here.

1. Failure to File Reports. The Committee has failed to file timely three reports since its inception in 1986. Two of the reports not filed in a timely manner covered a pre-election

91040341307

period for a special and a regular primary election. As the Respondents surely know, a pre-election report is the most important disclosure report a campaign can file, since its content is the most likely to affect the outcome of the election. By failing to file pre-election reports in a timely manner, Respondents have effectively precluded until after the election any debate over the financial activities of the Committee.

The failure to file pre-election reports is the most serious of these violations of failing to file. This conduct should not be condoned. The FEC must act to penalize Respondents for their past conduct in failing to file these vital disclosure reports, and must act to prevent any future concealment of the activities of the Committee through failure to file in a timely manner any future reports.

2. Inadequate Filings. Even on those occasions when reports have been filed, they do not comply with the legal requirements for clear, full disclosure of the activities of the Committee. Vital, required information is inaccurately and inadequately disclosed. The public record reflects constant notices from the FEC about deficiencies on reports filed by the

91040341308

Committee. These deficiencies are not insignificant. A partial list of problems with the reports includes:

- o an inadequate disclosure of contributor information and no indication of any best efforts to obtain the information;
 - o an inadequate disclosure of expenditure information;
 - o the failure to list operating expenditures;
 - o the failure to include schedules of itemized contributors;
 - o incomplete or inaccurate summary totals and discrepancies between summary totals and amounts disclosed on schedules;
 - o inadequate description of disbursements;
 - o failure to disclose PAC contributors;
 - o failure to continuously report debts, obligations and loans;
 - o failure to designate an assistant treasurer;
- and

91040341309

- o discrepancies in cash-on-hand reported from report to report.

The initial filing of reports with these problems is of sufficient significance, standing alone, to warrant Commission investigation. But Respondents consistently fail to respond to the Commission's notification of these deficiencies. When they do respond, the response is often incomplete or inaccurate. Even the Commission noted in one of its many attempts to obtain the required information that the Respondents' responses were "incomplete because you have not provided all the requested information."

Discussion

Respondents did not run a small campaign which, arguably, was insufficiently staffed. In 1986, the Committee raised over \$250,000, more than enough to hire a staff member to attend to its obligations to publicly disclose its activities.

These problems have been evident since 1986, when the Committee was first organized. Almost since its inception, the Committee has repeatedly forced the Commission to request additional or accurate information to ensure the Committee accurately reported its financial dealings. The public record reflects that the Committee made no apparent effort to improve

91040841310

Federal Election Commission
September 20, 1988
Page 6

its financial reporting management, and if anything, such management is worse in 1988 than it was in 1986.

The gross extent of the Committee's failure to meet its reporting obligations, despite repeated inquiries by the Commission, indicates a disregard for the laws of the United States. The public record of the Committee's campaign finances has been left in an inaccurate and incomplete state, and reflects little or no effort on the part of Respondents to rectify this situation. As such, the Commission must take affirmative and immediate steps to force the Committee to fully and accurately disclose its financial activities.

Conclusion

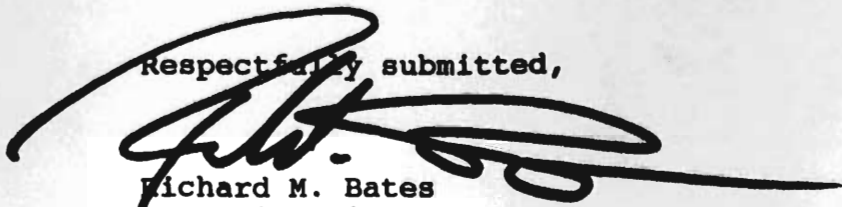

On the basis of the foregoing, DCCC requests that the FEC:

- (1) conduct a prompt and immediate investigation, including an audit, of the facts stated in this complaint;
- (2) enter into a prompt conciliation with the Respondents to remedy the violations alleged in this complaint and, more importantly, to ensure that no further violations occur; and

91040841311

(3) impose any an all penalties grounded in the
violations alleged in this complaint.

RECEIVED
 FEDERAL ELECTION COMMISSION
 OCT 11 PM 4:48

Dear Commissioners:

The Democratic Congressional Campaign Committee (DCCC) files this complaint regarding violations of the Federal Election Campaign Act of 1971, as amended (FECA), 2 U.S.C Section 431 et seq., and related regulations of the Federal Election Commission (FEC), 11 C.F.R. Section 100.1 et seq., by Congressman Jack Davis, Illinois Fourth District, and the political committee (the Committee) established by Mr. Davis to support his 1986 re-election to the Illinois House of Representatives (which re-election campaign was officially abandoned on July 21, 1986), hereinafter referred to collectively as "the Respondents."

Complainant seeks an immediate investigation by the FEC into the Committee's use of funds to support the federal candidacy of Jack Davis for the United States Congress.

Complainant states:

- The Committee received funds from sources prohibited by FECA 2 U.S.C. Section 441b, were such funds to be received and disbursed by a federal campaign organization.

- The Committee's funds, in fact, were spent in Mr. Davis's pursuit of federal office.

- June 1986 spending in pursuit of federal office reported to the FEC in a "Davis for Congress" amended report filed September 3, 1986, totaled \$15,015.78. In fact, through the device of disbursing funds from the Committee, Mr. Davis spent in pursuit of federal office an additional \$1,915.00 in June 1986, for a total of \$16,930.78.

21040341318

Federal Election Commission
October 11, 1988
page 2

- On an FEC report filed October 14, 1986, Mr. Davis--incredibly--reports that disbursements by "Davis for Congress" during the period July 1 through September 30, 1986, totaled zero (\$0.00).

One day later, "Davis for Congress" amended this filing in many respects, including the report on disbursements. The October 15, 1986, amended report for the period July 1 through September 30, 1986, shows total disbursements of \$90,150.13.

After receiving two FEC notices of deficiencies, "Davis for Congress" filed a second amended report for the period July 1 through September 30, 1986. This report, filed on December 16, 1986, after the election, indicates that disbursements for the period in question were \$93,521.59.

During this same period, according to an Illinois State Board of Elections annual report filed July 21, 1987, \$20,376.77 was disbursed by the Committee to benefit an entity called "Davis Campaign." It is obvious that during the period cited, as in June 1986, the Committee was helping fund Mr. Davis's campaign for federal office.

- Mr. Davis officially resigned his position as a candidate for the Illinois House on July 21, 1986, at which time the Committee showed no outstanding debt or encumbrances, yet the Committee continued to gather funds through August 1986. Almost all these funds were from sources which are not legal sources of federal campaign funds.

- Mr. Davis has not shown on any FEC report filed to date the transfer of any funds from the Committee to his federal campaign organization, "Davis for Congress."

- The Committee is not registered as a federal PAC and therefore funds may not legally be transferred from the Committee to "Davis for Congress."

- In June 1986, if not before, Mr. Davis began spending funds in pursuit of federal office, reaching and surpassing in the month of June 1986 the FEC-established reporting threshold of \$5,000 in federal campaign funds gathered and/or disbursed. (The exact date in June on which this transpired can not be determined from Mr. Davis's FEC report filed September 3, 1986, as the report lists only the month and year for all but one disbursement.) Because Mr. Davis reached the \$5,000 threshold in June 1986, a federal campaign statement of organization should have been filed no later than July 31, 1986. Mr. Davis filed no statement of organization for a federal campaign until August 15, 1986.

21040341319

Federal Election Commission
October 11, 1988
page 3

- Because Mr. Davis's federal election campaign gathered and/or disbursed funds in excess of \$5,000 prior to June 30, 1986, the law requires his federal campaign organization to file an FEC annual report for the fiscal year 1985-86. No such report was filed or since has been filed.

- These violations of the FECA and of FEC regulations were committed by Mr. Davis personally, as all the relevant Illinois State Board of Elections reports which list receipts and disbursements by the Committee were filled out by Mr. Davis and signed by Mr. Davis, acting as the Committee's treasurer.

Discussion

In March 1986, Illinois State Rep. Jack Davis was nominated to seek re-election to the Illinois House of Representatives. In May 1986, U.S. Rep. George O'Brien, who had been nominated in March to seek re-election to the Illinois Fourth District U. S. Congressional seat, withdrew his candidacy because of illness. (Congressman O'Brien died shortly after his withdrawal of candidacy.)

On July 12, 1986, Mr. Davis was nominated by a convention of the Illinois Fourth Congressional District Republican Party to fill the vacancy left by Congressman O'Brien's withdrawal. On July 21, 1986, Mr. Davis officially withdrew his candidacy for re-election to the Illinois House.

In June 1986, and possibly even earlier, the Committee established by Mr. Davis to support his re-election to the Illinois House began to spend funds in aid of Mr. Davis's pursuit of the Congressional nomination.

Through the month of July 1986, the Committee continued to spend funds in aid of Mr. Davis's nomination to federal office and, after July 12, 1986, in aid of his federal candidacy.

On reports filed with the Illinois State Board of Elections--reports personally filled and signed by Mr. Davis, who acted as the Committee's treasurer--Mr. Davis indicates that money spent by the Committee in July 1986 was spent to benefit and entity referred to as the "Davis Campaign." After July 21, 1986, the only "Davis Campaign" in existence was Mr. Davis's campaign for federal office.

Specifically, disbursed by the Committee in relation to Mr. Davis's pursuit of nomination and/or election to federal office include (This list of expenditures appears on Illinois State Board of Elections annual reports filed by Mr. Davis.):

	TOTAL	\$22,291.77

91040841321

Federal Election Commission

page five

Additionally, in a "Davis for Congress" FEC report dated September 3, 1986, Mr. Davis shows the following disbursements:

06-86	Labels, posters, etc., for nomination	\$ 1,540.99
06-86	Food and lodging for convention	455.40
06-86	Two staff members	10,599.00
06-19-86	Congressional convention reception	2,420.39
	TOTAL	\$15,015.78

The FEC report filed September 3, 1986, claims the source of these funds, totaling \$15,015.78, was a "loan from the candidate."

An especially striking piece of evidence of Mr. Davis's use of the Committee's funds to underwrite the cost of his federal campaign is the Committee's August 19, 1986, expenditure of \$14,273.41 for the mailing of a "goodbye letter." In fact, Mr. Davis did not leave his office as a state representative until January 1987. The "goodbye letter," sent five months before Mr. Davis's retirement from state office, clearly was a vehicle for advertising to constituents Mr. Davis's Congressional candidacy.

Other expenditures of immediately apparent relevance to Mr. Davis's federal candidacy include:

The Committee's August 13, 1986, expenditure for newspaper subscriptions. Mr. Davis's state campaign was by that date terminated. Of what use to the abandoned campaign were newspaper subscriptions?

The Committee's July 12, 1986, expenditure for installation of a car phone and subsequent July and August expenditures for the car phone's use. Clearly, during this time frame, the car phone was used in Mr. Davis's federal, not state campaign.

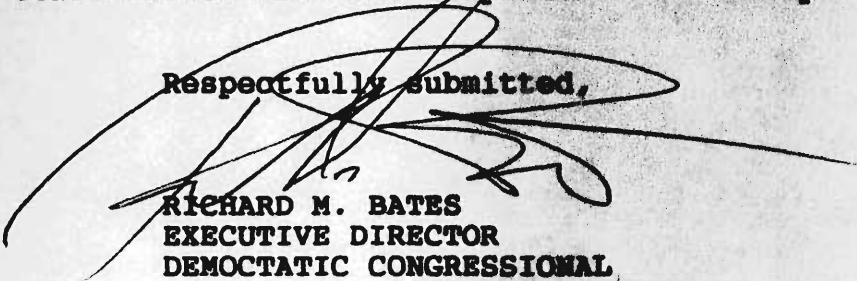

As to the sources of the Committee's funds, these included incorporated businesses, state-chartered, but not federally chartered PACs and other sources not allowed by the FECA. These funds, although not reported as spent federally in fact were spent on a federal campaign.

RE: MUR 2718

88 NOV -4 PM 1:51

FEDERAL ELECTION COMMISSION

Dear Mrs. Lerner:

Even to the most hardened observer it must be patently clear to you and the other reviewers at the F.E.C. that a continuing political attack is being vested on me and I have responded with questions of my own of my opponent's F.E.C. reports, filings and lack of information provided to you and the public.

Our press releases are out and each side has maximized the political advantage of having said "a complaint has been lodged against you for illegal campaign activity and is under investigation."

While this may appear to be a cynical viewpoint, it is nevertheless true.

The Chairman of the D.C.C.C., Congressman Beryl Anthony (D.Ark), said in an attack press release against me "Davis' disregard for the F.E.C. laws is equal to Manuel Noreiga's disregard of the drug laws!"

Such excessive hyperbole is and of itself can be construed as nothing but politics.

I must reiterate as I have through my prior communications to you that I have always tried to comply in good faith with the reporting law and have offered complete cooperation time and again.

2 1 0 4 0 3 4

My Treasurer, Art Dryer, is dying of Hodgkins Disease and the lack of pertinent information and late filing dates are directly attributable to that.

His partner, and my designated Assistant Treasurer, accepted the responsibility for the reports in mid 1988 and we now find he was seemingly less than thorough in retracing the base to develop the pyramid on which the cumulative reports are built.

By the time I was informed of the state everything was in and made direct personal moves to correct the deficiencies, it was a mess.

However, the 3rd quarter report is accurate in context and will be amended to a new accurate base and software approved by your letter of 10-18-88 (signed by Mr. Gibson) will be utilized henceforth.

Messrs. Dreyer and Ohms will be replaced as Treasurer and Assistant Treasurer after the election.

If required and since the reports are based on what should have been a simple checkbook ledger system, we will furnish a complete list of all checks written and deposited since July 21, 1986.

You will also note that all complaints filed against my committee are related to 1986 and the 1986 base which further supports the notion that this litany of complaints is politically motivated; else why not file them in a more timely fashion in 1986?

To the complaint from D.C.C.C. filed on 10-11-88 I respond as follows:

I reject any action wrongfully and/or intentionally committed in my brief campaign of 1986 after Congressman O'Brien's death. I believe my compliance with State and Federal law to be a good faith effort to comply fully with the intent of the law!

The State Political Committee of Jack Davis was organized in 1977 (Comm #1098 ISBE) and its purpose was amended in 1979 "to include any or all state political elective or appointive offices and/or Republican Party offices elective or appointed."

91040841332

During the period in question Jack Davis was the elected Republican County Chairman of Will County, the 4th largest County in Illinois in population.

Jack Davis also served as the Assistant Minority Leader of the Illinois House during that period and was a candidate for re-election until July 21 of 1986, when he resigned his nomination as an Illinois State Representative Candidate. Under Illinois law, until July 21, 1986 Jack Davis could have sought both the office of Congressman, 4th District and State Representative from the 84th Representative District of Illinois.

Expenditures made by the State Political Committee of Jack Davis (ISBE #1098) were in connection with a candidacy for State Representative and with a functioning office of Will County Republican Chairman.

The "goodbye" letter sent by myself to my Illinois 84th Representative District constituents was absolutely neutral and apolitical and merely stated that I had enjoyed serving them and would no longer be their State Representative.

There was no mention of any other bid for office or of Congress. This procedure was instituted on advice of counsel obtained from the National Republican Congressional Committee and a request at that time was made of the F.E.C. who corroborated the NRCC counsel's advice that this mailing to my constituents was not an expenditure on behalf of a congressional candidacy and, indeed, was in the letter and spirit of both F.E.C. and Illinois election law in the dissipation of Corporate and State PAC funds which otherwise would have been distributed to other County and State Candidates or reserved for a future State or Party campaign which was and is not contemplated.

Page 4 contains a list of "specific expenditure" in relation to Mr. Davis' pursuit of nomination and/or election to Federal Office.

Nowhere do I find an expenditure on that list that was not in support of my continuing campaign for State Representative or Will County Chairman duties.

1. \$1,540.89 to Personal Services was expended to purchase Davis sign for State Representative. That money was returned to the account by Personal Services check on 8-19-86.

91040841333

The sign order was then altered to read "Davis for Congress" and the same amount of \$1,540.89 was expended by Davis for Congress Committee.

- 2. Newspaper Subscriptions were routinely purchased for the dual purpose of 84th District State Representative and Will County Chairman as was every other item on the list.
- 3. The only unresolved item is the item of "airfare \$1,380 - Staff" expended on 6-9-86 to American Airlines. There is no record of the purpose of that disbursement, and we are embarked on a research for that receipt.

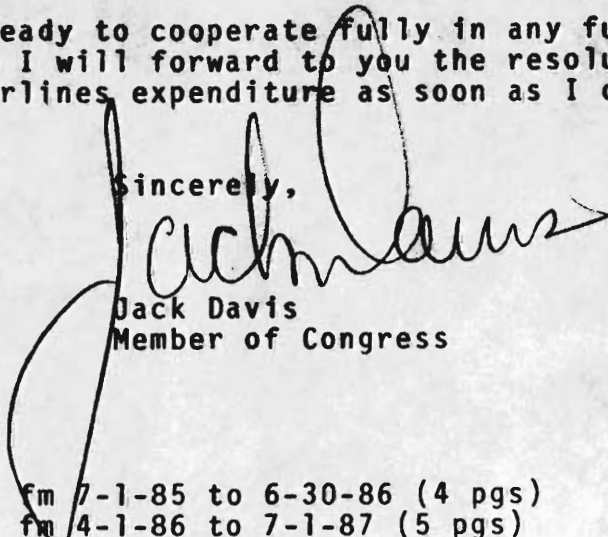

However, I believe this expenditure to be made for my wife and I to visit in Washington, D.C. with Congressman George O'Brien who was gravely ill at that time. We arrived to find him unable to receive visitors and I subsequently visited with his Administrative Assistant, Dorothy Powell.

I would point out that personal contributors were also involved in my State Political Committee and I routinely listed "Davis" or "Davis Campaign" on ISBE reports as the beneficiary of the expenditure for ten years worth of ISBE reports.

In review and in summary, there is no reason to believe that any of my State Political Committee (ISBE #1098) either corporate or personal were expended on a candidacy for Congress in 1986.

I stand ready to cooperate fully in any further inquiry on this matter and I will forward to you the resolution of the 6-9-86 American Airlines expenditure as soon as I can ascertain its purpose.

Sincerely,

 Jack Davis
 Member of Congress

Mr. Thomas J. Josefiak

Washington, D.C. 20463

RECEIVED
FEDERAL ELECTION COMMISSION
88 OCT 12 PM 5:41

Dear Mr. Josefiak:

The following points indicate several likely violations by U.S. Representative, Jack Davis and his campaign committee dating from 1986 and continuing to 1988.

1) There is no indication that Davis reported the expenditure made in March, 1988 for a letter (copy attached) mailed to 50,000 homes in Will County endorsing Edward Burmilla for State's Attorney in the Republican Primary. Such a mailing would indicate an expenditure of at least \$5000 and perhaps as much as \$10,000. It also appears that Burmilla has failed to report the in-kind contribution from Davis on Burmilla's required Illinois report filed with the Will County Clerk pursuant to Illinois law.

2) In a news story by Tim Makinen, a writer for The Herald News of Joliet, Illinois (on Friday, September 30, 1988 Sec. 1 Page 3) states: "But other campaign financing during the 1986 race could draw further scrutiny to Davis' records.

Under federal election laws, a congressional candidate may use some money from his state campaign fund for the federal race. Not all contributions can be transferred to the federal campaign, however, including those from state political action committees and corporations, said FEC spokesman Fred Eiland.

Campaign records show that Davis' "State Political Committee-Jack Davis" was funded in part through contributions from state PACs and a few corporations, including Reynolds Industries and Sears.

In the days prior to and in the months following his July 12, 1986, nomination for Congress, Davis spent at least \$5000 of the state fund for "Davis campaign," the records show.

Another \$14,273 was paid to Unistat of Willowbrook for a "goodbye letter" to his constituents. That expenditure also lists "Davis campaign" as the beneficiary.

91040841344

Mr. Josefiak
Page 2
October 4, 1988

Davis' state fund was depleted by the end of the campaign. The question is whether the PAC and corporate money was used for the federal race.

Regardless, none of the expenditures from the state fund appear on Davis' federal disclosure forms, another possible violation of election laws."

This newspaper account indicates that there is a likely violation of F.E.C. regulations concerning the use of Davis' State campaign funds for his Federal Congressional campaign in 1986.

3) There is a most unusual entry on the Illinois State Board of Elections (I.S.B.E.) form D-2 filed by the Will County Republican Central Committee, c/o John P. Karubas (Treasurer) 10 S 086 Meadow Lane, Naperville, Il. 60565, for reporting period 7/1/87 thru 6/30/88. The Committee Chairman is John Annerino, 554 Rockhurst, Bolingbrook, Illinois 60439. On page 14 of this report are six payments made to Charles Winters, Jr. identified as follows:

<u>Date of Expenditure</u>	<u>Purpose</u>	<u>Amount of Each Expenditure This Reporting Period</u>
10/28/87	Davis Bills	200.00
12/3/87	"	100.00
1/9/88	"	100.00
2/18/88	"	100.00
4/25/88	"	200.00
5/5/88	"	286.55

Aggregate amount for this reporting period 986.55

Ever since 1986, there have been reports from prominent Will County citizens concerning the withdrawal of the Charles Winters, Jr. candidacy for the Will County Board, District 8. Winters (who is black) was the Republican nominee in District 8 and reports indicate that he withdrew at the behest of the then, Will County Republican Chairman, State Representative and 4th District Republican Congressional candidate, Jack Davis. Davis had been nominated for Congress July 12, 1986 at a 4th District convention following the withdrawal of the incumbent Republican primary nominee for Congress.

Mr. Josefiak
Page 3
October 4, 1988

It is reported that Davis engineered Winters' withdrawal on September 2, 1986, to a large voter turnout in the predominantly black 8th County Board District. Black voters were clearly unfriendly to Davis. The turnout, in fact, did drop by some 70 votes per precinct when compared to the previous non-presidential year turnout when there was a hotly contested County Board race. Davis won the Congressional race by a narrow margin in 1986.

It is clearly a violation of Federal law for any individual or non-federal committee to pay bills for a member of Congress. The Will County Republican Central Committee raised a large percentage of its funds from Corporate, banking, and insurance companies which presents a most flagrant violation of Federal law if spent on behalf of a Federal official/Federal candidate.

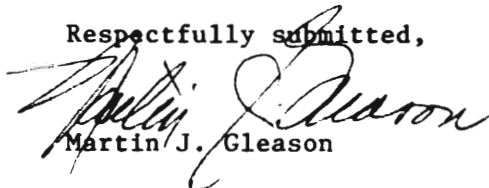

The F.E.C. should determine why "Davis bills" were being paid by the Will County Republican Central Committee in 1987 and 1988. The Davis referred to is clearly U.S. Representative Jack Davis, 101 No. Joliet St., Joliet, Il. 60436 (815) 740-2040. Davis is the former chairman of the party and John Annerino is his designated successor as the current chairman.

I am not a lawyer but I believe the facts contained here indicate several violations of the Federal Election Code.

My name is Marty Gleason, 600 Cornelia St., Joliet, Illinois 60435 (815) 722-4888; or 3401 South Cicero Ave., Chicago, Illinois 60650 (312) 242-3820.

I trust the Commission will conduct an investigation.

Respectfully submitted,

Martin J. Gleason

HOUSE OF REPRESENTATIVES
WASHINGTON, D.C.

Dear Friend,

As your United States Congressman, I do not usually become deeply engaged in local government matters. But this is one of those exceptions, and for good reason --- a question of public safety.

Crime is a problem primarily dealt with at a local level. We in Washington can pass laws and provide local police and prosecutors with useful tools. But, when it comes to day-to-day law enforcement, they are the ones who truly wage the fight against crime.

That's why it is so vital to have tough, seasoned professionals at the head of Will County's law-enforcement agencies.

For a decade we had one of the nation's leading prosecutors working for us in the person of Edward Petka, who recently became a State Legislator.

Now you must select a new State's Attorney -- the single elective office that most affects public safety. fortunately, a uniquely qualified man is seeking the office: **EDWARD BURMILA, JR.**

ED BURMILA served as First Assistant to MR. PETKA during the crucial years and **PROSECUTED THE MAJOR CRIMINAL CASES -- WINNING THEM FOR YOU !** He is thoroughly trained as a prosecutor and as an administrator in the criminal justice system.

This is in sharp contrast to his two opponents, who have absolutely no experience or training as prosecutors.

This is an issue that deeply concerns all of us, for it is the safety and security of our families that is involved.

I urge you to continue the high level of professional law enforcement in Will County by voting for **EDWARD BURMILA, JR.** in the Republican primary election on March 15.

Sincerely,

Davis named in lawsuit

Firm says legislator owes it \$5,215

By Tim Makinen

HERALD-NEWS WRITER

A Willowbrook printing firm is suing U.S. Rep. Jack Davis for an alleged debt from his 1986 congressional campaign.

Precise Data Service Inc. claims in a suit filed in DuPage County Circuit Court in Wheaton that Davis owes \$5,215 for campaign mailing, printing and data processing services.

Davis denied that he and his campaign committee, "Citizens for Data," owed anything to Precise Data.

"It's all hogwash," Davis said. "We don't owe them anything and never have and never will. Those things were negotiated out a long time ago. We haven't been served yet. When we are, we'll go answer the complaint."

John Gavin, attorney for Precise Data, said Davis sent a check for \$1,000 early this year, but he said the firm did not cash it because it was inadequate to cover the outstanding debt. He added that the suit was not politically motivated.

"Not at all," Gavin said. "Everybody involved is a Republican. It was filed to compel payment."

The suit is the latest problem with campaign finances experienced by Davis, who is in a hotly contested race against former state Sen. George Sangmeister, a Mokena Democrat.

The Democratic Congressional Campaign Committee already has filed a complaint with the Federal Election Commission alleging "an extraordinary pattern" of missed filings and incomplete campaign disclosure forms from Davis.

The congressman responded that his reports were in "substantial compliance" with election laws.

He blamed some of the lateness on the illness of his campaign treasurer. He added that his committee is under no sanctions from the FEC.

But other campaign financing during the 1986 race could draw further scrutiny to Davis' records.

Under federal election laws, a congressional candidate may use some money from his state campaign fund for the federal race. Not all contributions can be transferred to the federal campaign, however, including those from state political action committees and corporations, said FEC spokesman Fred Eiland.

Campaign records show that Davis' "State Political Committee-Jack Davis" was funded in part through contributions from state PACs and a few corporations, including Reynolds Industries and Sears.

In the days prior to and in the months following his July 12, 1986, nomination for Congress, Davis spent at least \$5,000 of the state fund for "Davis campaign," the records show.

Another \$14,273 was paid to Unistat of Willowbrook for a "goodbye letter" to his constituents. That expenditure also lists "Davis campaign" as the beneficiary.

Davis' state fund was depleted by the end of the campaign. The question is whether the PAC and corporate money was used for the federal race.

Regardless, none of the expenditures from the state fund appear on Davis' federal disclosure forms, another possible violation of election laws.

Davis declined comment on the 1986 campaign.

RESPONDENTS: Jack Davis
Davis for Congress Committee
Arthur J. Dreyer, Treasurer
Jack D. Davis Committee [IL House]
Jack Davis, Treasurer

John P. Karubas, Treasurer

SUMMARY OF ALLEGATIONS

The complainant alleges that the Davis for Congress Committee ("the federal Committee") violated 2 U.S.C. § 434(b) by failing to report expenditures made for a mass mailing which endorsed a candidate for Illinois State's Attorney in the 1988 Republican primary; and by failing to report possible in-kind expenditures made by the Jack D. Davis committee ("the State committee") on behalf of the candidate's 1986 bid for the U.S. House of Representatives.

Complainant alleges that the federal Committee violated 2 U.S.C. § 441b through the acceptance of prohibited contributions in the form of possible in-kind contributions from the candidate's State committee. Complainant questions the legality of in-kind expenditures on behalf of the federal

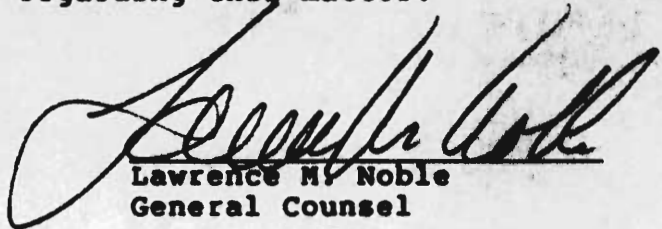

91040841363

Committee by the Will County Republican Central committee, an unregistered county party committee, alleging possible violations of Section 441b.

PRELIMINARY LEGAL ANALYSIS

The Office of the General Counsel's initial review of the complaint indicates that violations of 2 U.S.C. §§ 441b, 434(b), or other sections of the Act and Regulations may have occurred in connection with the alleged transactions noted above. Absent additional evidence and information, the exact nature of the violations is not clear. Therefore, the respondents must be given the opportunity to respond to the allegations before this Office can make recommendations regarding this matter.

RE: MUR 2724
Jack D. Davis Committee
and Jack Davis, as
Treasurer

Dear Sir:

It must be obvious to even the casual observer that Mr. Gleason, a known perjurer (sworn an oath in two election precincts, DuPage and Will County and is or was registered to vote in both) and operative of my opponent, is at it again. Mr. Gleason himself is a subject of an investigation by your Committee for continuing illegal in-kind contributions to the "Sangmeister for Congress" campaign.

The charges in his latest attempt to garner negative publicity against me are pathetic in that only a cursory review of the facts or a basic inquiry directed at me or anyone in the Will County GOP would have answered the question; but, of course, there then would have been no press release or opportunity to generate negative publicity against me.

Mr. Lawrence M. Noble

The letter submitted on my campaign stationery was, indeed, signed by me as were similar letters from Congressman Ed Madigan (R-IL) and Congressman Harris Fawell (R-IL), both of whom supported Mr. Burmila by signing such a letter.

That single piece of stationery was the extent of my involvement with Mr. Burmila's campaign and I do not know who did the mailing of the piece, but it would have had to be Mr. Burmila or his supporters and/or the Will County GOP and their disclaimer should have been added to that of mine for the one single piece of stationery that was paid for from my Davis for Congress Account.

Insofar as the Will County GOP paying "Davis" bills, it is patently absurd and one phone call to the Will County GOP would have indicated that this payment was being made for expenses incurred by the Will County GOP when I was Chairman in March of 1986 before my nomination to Congress.

The rest of the complaint covers ground already alledged in a DCCC complaint against our committee and will be covered by a response to that inquiry.

Dear Mr. Noble:

In response to your inquiries I offer the following explanations:

1. The Will County Republican Central Committee mailed and paid for the letters of support for the candidates indicated. Therefore, the expenditure was reported on the Will County Republican Central Committee Annual Report.
2. Not applicable to the Will County Republican Central Committee.
3. Bills referred to as "Davis Bills" merely refer to expenditures incurred during the time when Jack Davis was Chairman of the Will County Republican Central Committee. No payments were made to any Federal employees.

I hope these explanations will suffice. If you need more details, please do not hesitate to contact me.

Sincerely,

John P. Karubas, Treasurer

Dear Mr. Noble:

I have asked the Assistant Treasurer of my Campaign Committee (Davis for Congress), Ken Ooms of Dreyer, Ooms and Van Drunen for his resignation as Assistant Treasurer.

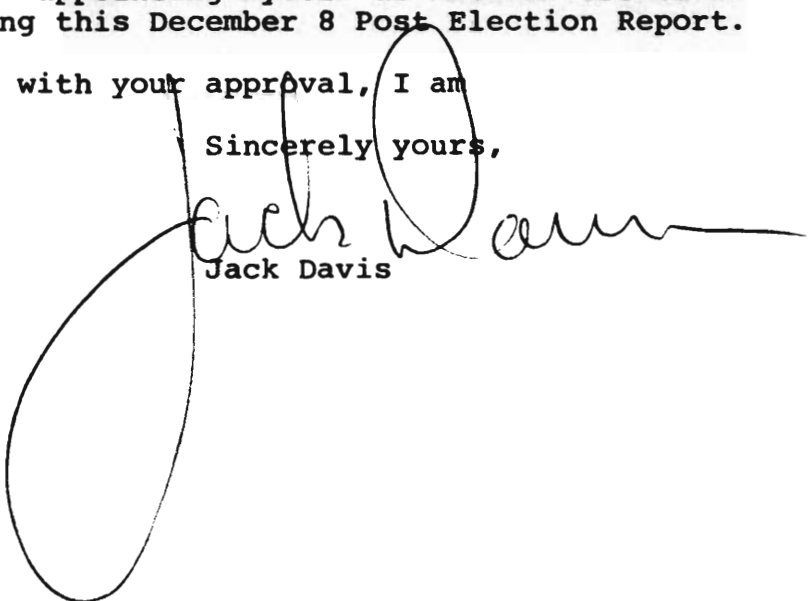

Mr. Dreyer is gravely ill and in the hospital with an extremely poor prognosis and of course that has been the genesis of our problems with the reports.

My intention now is to replace Dreyer, Ooms and Van Drunen as the Treasurer of the Committee now that the reports are accurate and the FEC software program is implemented.

However, I cannot do so until after December 8, 1988. Consequently, I am appointing myself as Interim Treasurer for purposes of signing this December 8 Post Election Report.

Hoping this meets with your approval, I am

GENERAL COUNSEL'S REPORT¹

MUR 2698 FACTUAL AND LEGAL ANALYSIS

Allegations

In MUR 2698, the complainant, Richard M. Bates, Executive Director of the Democratic Congressional Campaign Committee ("DCCC"), alleged that candidate Jack Davis and the Davis for Congress Committee ("the federal Committee") violated the Act by failing to file timely three reports of receipts and disbursements. Complainant alleged a variety of other reporting inadequacies, all of which were questioned in inquiries to the Committee by the Reports Analysis Division. Complainant alleged that the Committee has established a pattern of inadequate reporting which indicates "an indifference to the public's right to be kept informed..." and thus, the Committee should be investigated.

1. This report discusses issues in each of the above-captioned matters. It will serve as the First General Counsel's Report in MURs 2698 and 2718, and as the General Counsel's Report in MUR 2724.

91040341371

Respondents did not answer the charges in this complaint.

Analysis

2 U.S.C. § 434(a) requires the timely filing of reports of receipts and disbursements. 2 U.S.C. § 434(b) requires the disclosure of receipts and expenditures in specific categories.

The Committee's apparent violations include two late reports² in the '88 election cycle (the 1987 Year End Report and the 1988 12 Day Pre-Primary) as follows:

<u>REPORT TYPE</u>	<u>AMOUNT OF RECEIPTS</u>	<u>AMOUNT OF EXPENDITURES</u>	<u>DAYS LATE</u>
1987 Year End:	\$34,500	\$18,581	12 ³
1988 12 Day Pre-Primary:	\$ 450	\$ 4,116	43

In addition, the Committee's disclosure reports show a variety of reporting deficiencies. Based on allegations in the complaint and a review of RAD's Requests for Additional Information for the 1987 Year End Report and for each report filed for 1988, these deficiencies include: figures on summary pages that do not match the previous report's figures; outstanding loans and debts dropped from reports or inadequately reported; discrepancies in reported amounts between summary pages and supporting schedules; math errors on supporting schedules;

2. The federal Committee received a mailgram dated October 24, 1986, concerning late filing of the 1986 12 Day Pre-General Report. This report was subsequently deemed timely because it was sent by certified mail on October 20, 1986, before the November 4, 1986 election.

3. The receipts and disbursements represent figures on the original reports filed, and do not reflect various changes in subsequent amendments.

91040341372

itemized disbursements lacking addresses; inadequate descriptions of purpose for disbursements; a report not signed by the proper Committee official; and inadequate itemization of certain contributors and omission of contributor information.

Discussions with RAD indicate that the same reporting errors did not simply carry over from one report to the next, but that each report contained new figures that differ from the previous reports. After failing to respond to two of RAD's inquiries, and providing incomplete answers to others, the Committee amended its 1988 reports on October 27, 1988.

The effect of these amendments on reporting problems noted in RFAIs, according to RAD analysts, is that the Committee's math has improved, but the amendments did not resolve the Committee's math problems. In addition, the inadequate reporting of disbursements and contributor information has not been remedied.

Committee debts and loans dropped from the 1987 Year End Report have been reported to RAD's satisfaction, but further review of these debts raises other questions and reveals potential problems. Responding to RAD's April 1988 request (concerning the '87 Year End Report) that it account for previously reported debts, the Committee, on July 25, 1988, provided a list of itemized debts totaling \$44,932.85.

On October 29, 1988, the Committee submitted another '87 Year End Amendment which explained "settlement" of nine debts with businesses or individuals. Certain of these debts with vendors and individuals apparently were settled for less than the amount originally agreed, without undergoing Commission scrutiny in the

91040341373

debt settlement process. See 2 U.S.C. § 434(b)(8), 11 C.F.R. §§ 114.10 and 104.11(a). Other debts reduced by the Committee could represent disputed debts that have been resolved, or adjustments made for estimated services after the work was performed. (Attachment I.) However, clarification of the Committee's debt situation for the public record cannot be determined without further investigation.

Therefore, as a result of these significant reporting deficiencies, this Office is recommending that the Commission find reason to believe that the federal Committee violated 2 U.S.C. § 434(a) and (b) in this matter.

MUR 2718 FACTUAL AND LEGAL ANALYSIS

Allegations

In MUR 2718, the complainant (again, the executive director of the DCCC) alleged that the Davis for Congress Committee violated Section 441b by accepting prohibited contributions in the form of in-kind contributions from the candidate's committee for the Illinois House, the Jack D. Davis Committee ("the State committee"), during the candidate's 1986 bid for the U.S. House of Representatives. Complainant alleged that the State committee was funded with prohibited monies from State political organizations and corporations.

Complainant alleged that based on the amount of receipts and expenditures filed with the FEC on September 3, 1986, Jack Davis became a candidate pursuant to Section 431(2) in June 1986, but failed to file a Statement of Organization until mid August 1986, in violation of Section 433(a) which requires such filing within

91040841374

10 days of becoming a candidate.

Complainant alleged that the State committee conducted activity totaling \$22,291.77 on behalf of the candidate's federal election bid prior to registration of the federal Committee, and that such activity (shown on State reports) was not reported as federal activity.

On November 4, 1988, the candidate responded to the complaint.

Analysis

2 U.S.C. § 441b prohibits contributions by corporations or labor organizations in connection with a federal election; and prohibits the knowing acceptance of such funds by political committees.

2 U.S.C. § 433 and 434 require registration and reporting of receipts and disbursements of political committees. 2 U.S.C. § 431(4) defines a political committee as any committee which receives contributions of \$1,000 or makes expenditures of \$1,000 during a calendar year.

2 U.S.C. § 432(e) requires that each candidate for federal office shall designate in writing a principal campaign committee. Such designation shall be made no later than 15 days after becoming a candidate.

2 U.S.C. § 433(a) requires that each authorized campaign committee file a statement of organization no later than 10 days after designation pursuant to section 432(e)(1).

Because the timing of certain activities may affect the determination of the date of candidacy, a chronology of events

91040341375

follows:

- March 1986: Illinois State Representative Jack Davis nominated to seek re-election to the Illinois House of Representatives. U.S. Representative George O'Brien nominated to seek re-election to the Illinois Fourth District U.S. House of Representatives.
- May 1986: Rep. O'Brien withdrew his candidacy due to illness.
- July 11, 1986: Davis filed Statement of Candidacy for U.S. House (dated July 10). [An identical statement received July 14 was dated July 8.]
- July 12, 1986: Davis nominated by convention of Fourth Congressional District Republican Party to be the nominee after O'Brien's withdrawal.
- July 21, 1986: Davis withdrew candidacy for the Illinois House.
- Aug. 15, 1986: Davis for Congress Committee filed Statement of Organization.

The MUR 2718 complaint alleged that the State committee conducted federal activity which should have been reported as early as June 1986, and that such federal activity was funded in part by prohibited monies in the State committee account(s). Complainant listed thirty-three disbursements shown on the Davis state reports between June 9 and September 25, 1986, which the complainant considered to be federal expenses. These expenses, totaling \$22,291.77, include airfare for staff, postage meter, signs, telephone bill, advertisement, lunches and dinners, newspaper subscriptions, office supplies, convention, car phone installation, deposit and use, vehicle repair and gas, and the cost of a "Goodbye letter," apparently mailed to constituents. See Attachment A(4).

91040841376

The candidate's response to the MUR 2718 complaint specifically explained only three or four disbursements from his State committee which were questioned by the complainant. Mr. Davis explained newspaper subscriptions by stating that they "were routinely purchased for the dual purpose of 84th District State Representative and Will County Chairman." Respondent explained an expense for campaign materials as follows:

\$1,540.89 to Personal Services was expended to purchase Davis sign for State Representative. That money was returned to the account by Personal Services check on 8-19-86. The sign order was then altered to read "Davis for Congress" and the same amount of \$1,540.89 was expended by Davis for Congress Committee.⁴

Respondent Jack Davis stated that there is no record for a disbursement of \$1,380 for "Airfare - Staff" on June 9, 1986. Mr. Davis indicated that the payment was made for him and his wife "to visit in Washington, D.C. with Congressman George O'Brien who was gravely ill at that time." Due to the illness, Mr. Davis instead met with the congressman's administrative assistant. There was no explanation as to how this trip related to Mr. Davis' county party functions rather than to his impending candidacy for Mr. O'Brien's seat.

The largest disbursement questioned was \$14,273.41 for mailing of a "Goodbye letter" to constituents. The reply did not provide copies of the letter, but stated:

The "goodbye" letter sent by myself to my Illinois 84th Representative District constituents was absolutely neutral and apolitical and merely stated that I had enjoyed serving them and would no longer be their State

4. Receipt of these funds is shown on the State committee report. The concomitant expenditure appears to have been reported on the Committee's 1986 October Quarterly Report (\$1,890.89 dated 8-19-86).

91040841377

Representative.

The response stated that the Goodbye letter made "no mention of any other bid for office or of Congress" [emphasis is the Committee's], and that the State committee sought advice from the National Republican Congressional Committee concerning the legality of this letter.

The rest of the questioned disbursements were dismissed with the assertion that, "Nowhere do I find an expenditure on that list that was not in support of my continuing campaign for State Representative or Will County Chairman duties."⁵ These disbursements include payments for a car phone made after Mr. Davis was nominated for the federal office and the day after he withdrew from the State House race; unexplained political functions such as a golf outing, dinners, lunches, and convention expenses; a postage meter, photos and reading magnifiers; and gas and car repair disbursements made after declaring his federal candidacy.

Because there is insufficient information concerning the

5. Respondent stated that "[t]he State Political committee of Jack Davis was organized in 1977 and its purpose was amended in 1979 'to include any or all state political elective or appointive offices and/or Republican Party offices elective or appointed.'" Further, the reply to the complaint noted that "[u]nder Illinois law, until July 21, 1986 [when the candidate withdrew from the State race], Jack Davis could have sought both the Office of Congressman, 4th District and State Representative from the 84th Representative District of Illinois." Because of the dual candidacy, the candidate was required to designate separate principal campaign committees and establish completely separate campaign organizations. No funds could be transferred between the separate campaigns unless the funds transferred contain no contributions which would be in violation of the Act. 11 C.F.R. §§ 110.8(d) and 110.3 (a)(2)(iv).

91040841378

purpose of disbursements made from the State committee account during the candidate's transition from his State to his federal campaign, investigation of the use of the State committee funds is warranted. If these expenditures represent federal activity, and if such activity exceeded \$1,000, the State committee may have violated Sections 433 and 434 for failing to register and report as a political committee. See Section 431(4). This Office is recommending a finding of reason to believe that the State committee violated 2 U.S.C. §§ 433 and 434 in this matter.

We have prepared questions to determine to what extent State committee monies may have been spent in connection with the federal election and to determine the sources of those monies. We will also ask for a copy of the "Goodbye letter" to verify the content of that communication.

Further, because Illinois State law allows funding from sources prohibited by the Act, and based on similar action taken in the ongoing MUR 2671 (Engel), this Office is recommending findings against both the federal Committee and State committee for violations of 2 U.S.C. § 441b(a) for making or accepting prohibited funds in the form of in-kind contributions from the State committee to the federal Committee. In addition, this Office is recommending that the federal Committee violated 2 U.S.C. § 434(b) for failing to report in-kind contributions from the State committee.

Complainant alleged that the Mr. Davis became a candidate in June 1986, but did not register a committee until August 1986. A report filed with the FEC on September 3, 1986, indicates that in

91040341379

June 1986 the candidate made a personal loan of \$15,015.78 to his new federal Committee, reportedly using the funds in that month for expenses surrounding his nominating convention and two staff people. The only specific expenditure date listed is June 19, 1986, \$2,420.39 for a "congressional convention reception." According to this filing, Mr. Davis reported contributions/expenditures of more than \$5,000 during June 1986, thereby triggering the requirement to designate a principal campaign committee within 15 days. 2 U.S.C. §§ 432(e) and 431(2). See also 11 C.F.R. § 101.1(a).

Therefore, because his Statement of Candidacy was not filed until July 11, 1986, it appears that Jack Davis violated 2 U.S.C. § 432(e) in this matter. This Office is recommending a finding of reason to believe against Mr. Davis concerning this issue.

In addition, because the federal Committee did not register with the FEC until August 15, 1986, this Office is recommending that the federal Committee violated Section 433(a) by failing to file a Statement of Organization within 10 days of Mr. Davis' becoming a candidate.

MUR 2724 FACTUAL AND LEGAL ANALYSIS

Allegations

Complainant, Martin J. Gleason, alleged that the federal Committee failed to report expenditures made for a mass mailing

91040341380

which endorsed a candidate for Will County State's Attorney in the 1988 Republican primary; and alleged failure to report possible in-kind expenditures made by the Jack D. Davis [State] committee on behalf of the candidate's 1986 bid for the U.S. House of Representatives--both instances in violation of 2 U.S.C. § 434(b).

Complainant alleged that the federal Committee accepted prohibited contributions in the form of possible in-kind contributions from the candidate's State committee in violation of 2 U.S.C. § 441b.

Complainant questioned the legality of possible in-kind expenditures on behalf of the federal Committee by the Will County Republican Central committee ("the Will County committee"), an unregistered county party committee, alleging possible violations of Section 441b, because under State law, the Will County committee may accept funds prohibited by the Act.

Both Jack Davis and the Will County committee responded to the complaint.

Analysis

In answering this complaint, respondent Congressman Jack Davis stated in regard to his support for State's Attorney candidate Edward Burmila, "That single piece of stationery was the extent of my involvement with Mr. Burmila's campaign..." and added that two other Illinois congressmen supplied a similar signed letter for the Burmila cause. Respondent stated that he did not know who paid the costs of reproducing and mailing the letters on behalf of the non-federal candidate, but surmised that

21040341381

it was Mr. Burmila or his supporters "and/or the Will County GOP...." Mr. Davis stated that his Committee's disclaimer on the endorsement letter covered the cost of the one piece of stationery he provided for the endorsement.

In its response, the Will County committee stated that it paid for the letters of support mentioned in the complaint and that such payment was reported on the Will County committee's "Annual Report."

Because the endorsement was made on behalf of a non-federal candidate, the Act appears applicable only to the extent that the nominal cost of the one page used for the endorsement letter should be included as "other" disbursements rather than operating expenses on the federal Committee's Detailed Summary of Receipts and Disbursements. See AO 82-56. Because there is no specific itemization of the cost of the single piece of paper provided by Mr. Davis for the endorsement, this matter will not be included with the Section 434(b) findings against the federal Committee.

The complainant alleged that certain disbursements to an individual reported between July 1, 1987, and June 6, 1988, by the Will County committee appeared to have been made on behalf of Mr. Davis' federal campaign. The complaint noted six disbursements totaling \$986.55, with the purpose listed as "Davis bills." The Will County committee responded:

Bills referred to as "Davis Bills" merely refer to expenditures incurred during the time when Jack Davis was Chairman of the Will County Republican Central Committee. No payments were made to any Federal employees.

Mr. Davis replied as follows:

91040341382

Insofar as the Will County GOP paying "Davis" bills, it is patently absurd and one phone call to the Will County GOP would have indicated that this payment was being made for expenses incurred by the Will County GOP when I was Chairman in March of 1986 before my nomination to Congress.

Based on information from the complainant, the party committee, and Mr. Davis regarding the Will County disbursements, which total less than \$1,000, there does not appear to be evidence to indicate that the Will County committee, in this instance, made expenditures in connection with, or for the purpose of influencing, a federal election. Therefore, this Office recommends a finding of no reason to believe that the Will County committee violated 2 U.S.C. § 441b(a) in this matter.

Complainant's allegations regarding expenditures made by the Davis State committee are the same as the allegations made in MUR 2718, and are covered in that discussion of possible Section 441b violations (above).

Summary

The allegations in these three complaints comprehensively focus on the financial activity of a single respondent, candidate Jack Davis. Two of the three complainants are the same and certain of the allegations in the three complaints are repeated or overlap. Because of these similarities, it is appropriate to merge the complaints for efficiency in handling. Therefore, this Office is recommending that MURs 2698, 2718, and 2724 be merged, to be called MUR 2724.

As for a summary of the violations of the Act, the Office of the General Counsel is recommending that the Commission find reason to believe that the Jack Davis federal Committee and its

91040841383

treasurer violated: 2 U.S.C. § 434(a) and (b) based on reporting deficiencies during the 1986 and 1988 election cycles, as well as for the failure to report in-kind receipts from the State committee; Section 441b(a) for accepting prohibited funds in the form of in-kind contributions from the State committee; and Section 433(a) for failing to register as a political committee within 10 days of Jack Davis' becoming a candidate.

Recommendations regarding the State committee are:

2 U.S.C. §§ 433 and 434 for failing to register and report as a political committee based on financial support of Mr. Davis' federal campaign; and Section 441b(a) for making in-kind contributions with funds from prohibited sources on behalf of the federal Committee.

This Office is recommending a finding of reason to believe that Jack Davis violated 2 U.S.C. § 432(e) for failing to file a Statement of Candidacy within 15 days of attaining candidate status. Finally, we are recommending no reason to believe that the Will County committee violated 2 U.S.C. § 441b(a) when it made certain disbursements labeled "Davis bills."

Audit Recommendation

The Committee appears to have significant reporting problems which distort its financial activity for the public record. Mr. Davis asserted that "the lack of pertinent information and late filing dates are directly attributable to [his treasurer's terminal illness]." The candidate also stated that the Committee's assistant treasurer was "seemingly less than thorough..." Since the 1988 election, Mr. Davis has served as

91040341384

treasurer of the Committee.

9 1 0 4 0 8 4 1 3 8 5
Further, the Committee's 1988 amendments have not adequately redressed the disclosure shortcomings. In the case of the Committee's questionable debt reductions, the amendments have revealed additional problems. Therefore, as a result of its repeated failure to adequately report receipts and expenditures or to correct the deficiencies noted by RAD's RFAIs (these deficiencies being the subject of the complaint in MUR 2698), and because the other issues raised in these complaints indicate the existence of substantial systemic weaknesses in the Committee's procedures, this Office recommends that the Commission approve a full audit of the Committee pursuant to Section 437g(a)(2) of the Act.

As part of the investigatory nature of the proposed audit, the audit review must necessarily encompass the alleged use of the State committee to help fund federal activity. The auditors must examine the Davis State committee records to assess the sources and uses of funds during the 1986 campaign. Review of

these records, coupled with the federal Committee review, will enable this Office to recommend appropriate action regarding the State committee. To obtain audit access to the State committee records during the fieldwork, this Office is recommending that the Commission subpoena the State committee records for calendar year 1986.

RECOMMENDATIONS

6. Close the file as it pertains to the Will County Republican Central Committee and John P. Karubas, as treasurer.

RE: MUR 2724
Will County Republican
Central Committee
John P. Karubas, Treasurer

Dear Mr. Karubas:

On October 14, 1988, the Federal Election Commission notified the Will County Republican Central Committee ("Committee") and you, as treasurer, of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended.

On March 14, 1989, the Commission found, on the basis of the information in the complaint, and information provided by you, that there is no reason to believe that the Will County Republican Central Committee and you, as treasurer, violated 2 U.S.C. § 441b(a). Accordingly, the Commission closed its file in this matter as it pertains to you and your committee.

This matter will become a part of the public record within 30 days after the file has been closed with respect to all respondents. If you wish to submit any materials to appear on the public record, please do so within ten days. Please send such materials to the Office of the General Counsel.

The Commission reminds you that the confidentiality provisions of 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) remain in effect until the entire matter is closed. The Commission will notify you when the entire file has been closed.

(federal) and Jack Davis,
as treasurer
Jack D. Davis committee
(Illinois State) and Jack
Davis, as treasurer

Dear Mr. Davis:

On September 27, October 14, and October 18, 1988, the Federal Election Commission notified you, the Davis for Congress Committee (federal) and you, as treasurer, and the Jack D. Davis Committee (State committee) and you, as treasurer, of complaints alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). Copies of the complaints were forwarded to you at that time.

Upon further review of the allegations contained in the complaints, and information you supplied, the Commission, on March 14, 1989, made the following findings concerning violations of certain provisions of the Act:

1. Found reason to believe that the Davis for Congress Committee (federal) and Jack Davis, as treasurer, violated:
 - a) 2 U.S.C. § 433(a);
 - b) 2 U.S.C. §§ 434(a) and (b); and
 - c) 2 U.S.C. § 441b(a).

2. Found reason to believe that the Jack D. Davis committee (State committee) and Jack Davis, as treasurer, violated:
 - a) 2 U.S.C. §§ 433 and 434; and
 - b) 2 U.S.C. § 441b(a).

3. Found reason to believe that Jack Davis violated 2 U.S.C. § 432(e).

The Factual and Legal Analysis, which formed a basis for the Commission's findings, is attached for your information.

In addition, on the same date, the Commission determined to merge MURs 2698 and 2718 with MUR 2724. Please reference all future correspondence to MUR 2724. Also on this date, the Commission determined to refer the Davis for Congress Committee (federal) to the Audit Division for an audit pursuant to 2 U.S.C. § 437g(a)(2).

Pursuant to its investigation of this matter, the Commission has issued the attached subpoena requiring the Jack D. Davis Committee (State committee) to provide information and documents which will assist the Commission in carrying out its statutory duty of supervising compliance with the Act.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you, the federal Committee and you, as treasurer, and the State committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office along with answers to the enclosed questions within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against you, the federal Committee and you, as treasurer, and the State committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing agreements in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause

must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Frances B. Hagan, the staff member assigned to this matter, at (202) 376-8200.

FEDERAL ELECTION COMMISSION

FACTUAL AND LEGAL ANALYSIS

RESPONDENTS: Davis for Congress Committee (federal) and Jack Davis, as treasurer
MUR: 2724
Jack D. Davis Committee (IL State) and
Jack Davis, as treasurer
Jack Davis

MUR 2698

Allegations

91040341403
In MUR 2698, the complainant, Richard M. Bates, Executive Director of the Democratic Congressional Campaign Committee ("DCCC"), alleged that candidate Jack Davis and the Davis for Congress Committee ("the federal Committee") violated the Act by failing to file timely three reports of receipts and disbursements. Complainant alleged a variety of other reporting inadequacies, all of which were questioned in inquiries to the Committee by the Reports Analysis Division. Complainant alleged that the Committee has established a pattern of inadequate reporting which indicates "an indifference to the public's right to be kept informed..." and thus, the Committee should be investigated.

Respondents did not answer the charges in this complaint.

Analysis

2 U.S.C. § 434(a) requires the timely filing of reports of receipts and disbursements. 2 U.S.C. § 434(b) requires the disclosure of receipts and expenditures in specific categories.

The Committee's apparent violations include two late reports in the '88 election cycle (the 1987 Year End Report and

the 1988 12 Day Pre-Primary) as follows:

<u>REPORT TYPE</u>	<u>AMOUNT OF RECEIPTS</u>	<u>AMOUNT OF EXPENDITURES</u>	<u>DAYS LATE</u>
1987 Year End:	\$34,500	\$18,581	12 ¹
1988 12 Day Pre-Primary:	\$ 450	\$ 4,116	43

9 1 0 4 0 3 4 1 4 0 4

In addition, the Committee's disclosure reports show a variety of reporting deficiencies. Based on allegations in the complaint and a review of RAD's Requests for Additional Information for the 1987 Year End Report and for each report filed for 1988, these deficiencies include: figures on summary pages that do not match the previous report's figures; outstanding loans and debts dropped from reports; discrepancies in reported amounts between summary pages and supporting schedules; math errors on supporting schedules; itemized disbursements lacking addresses; inadequate descriptions of purpose for disbursements; a report not signed by the proper Committee official; and inadequate itemization of certain contributors and omission of contributor information.

Committee debts and loans dropped from the 1987 Year End Report have been reported, but further review of these debts raise other questions and reveal potential problems. Responding to RAD's April 1988 request (concerning the '87 Year End Report) that it account for previously reported debts, the Committee, on July 25, 1988, provided a list of itemized debts totaling

1. The receipts and disbursements represent figures on the original reports filed, and do not reflect various changes in subsequent amendments.

\$44,932.85.

On October 29, 1988, the Committee submitted another '87 Year End Amendment which explained "settlement" of nine debts with businesses or individuals. Certain of these debts with vendors and individuals apparently were settled for less than the amount originally agreed, without undergoing Commission scrutiny in the debt settlement process. See 2 U.S.C. § 434(b)(8), 11 C.F.R. §§ 114.10 and 104.11(a). Other debts reduced by the Committee could represent disputed debts that have been resolved, or adjustments made for estimated services after the work was performed. However, clarification of the Committee's debt situation for the public record cannot be determined without further investigation.

Therefore, as a result of these significant reporting deficiencies, there is reason to believe that violations of 2 U.S.C. §§ 434(a) and (b) occurred in this matter.

MUR 2718

Allegations

In MUR 2718, the complainant (again, the executive director of the DCCC) alleged that the Davis for Congress Committee violated Section 441b by accepting prohibited contributions in the form of in-kind contributions from the candidate's committee for the Illinois House, the Jack D. Davis Committee ("the State committee"), during the candidate's 1986 bid for the U.S. House of Representatives. Complainant alleged that the State committee was funded with prohibited monies from State political organizations and corporations.

91040341405

Complainant alleged that based on the amount of receipts and expenditures filed with the FEC on September 3, 1986, Jack Davis became a candidate pursuant to Section 431(2) in June 1986, but failed to file a Statement of Organization until mid August 1986, in violation of Section 433(a) which requires such filing within 10 days of becoming a candidate.

Complainant alleged that the State committee conducted activity totaling \$22,291.77 on behalf of the candidate's federal election bid prior to registration of the federal Committee, and that such activity (shown on State reports) was not reported as federal activity.

On November 4, 1988, the candidate responded to the complaint.

Analysis

2 U.S.C. § 441b prohibits contributions by corporations or labor organizations in connection with a federal election; and prohibits the knowing acceptance of such funds by political committees.

2 U.S.C. § 433 and 434 require registration and reporting of receipts and disbursements of political committees. 2 U.S.C. § 431(4) defines a political committee as any committee which receives contributions of \$1,000 or makes expenditures of \$1,000 during a calendar year.

2 U.S.C. § 432(e) requires that each candidate for federal office shall designate in writing a principal campaign committee. Such designation shall be made no later than 15 days after becoming a candidate.

91040341406

2 U.S.C. § 433(a) requires that each authorized campaign committee file a statement of organization no later than 10 days after designation pursuant to section 432(e)(1).

A chronology of events follows:

- March 1986: Illinois State Representative Jack Davis nominated to seek re-election to the Illinois House of Representatives. U.S. Representative George O'Brien nominated to seek re-election to the Illinois Fourth District U.S. House of Representatives.
- May 1986: Rep. O'Brien withdrew his candidacy due to illness.
- July 11, 1986: Davis filed Statement of Candidacy for U.S. House (dated July 10). [An identical statement received July 14 was dated July 8.]
- July 12, 1986: Davis nominated by convention of Fourth Congressional District Republican Party to be the nominee after O'Brien's withdrawal.
- July 21, 1986: Davis withdrew candidacy for the Illinois House.
- Aug. 15, 1986: Davis for Congress Committee filed Statement of Organization.

The MUR 2718 complaint alleged that the State committee conducted federal activity which should have been reported as early as June 1986, and that such federal activity was funded in part by prohibited monies in the State committee account(s). Complainant listed thirty-three disbursements shown on the Davis state reports between June 9 and September 25, 1986, which the complainant considered to be federal expenses. These expenses, totaling \$22,291.77, include airfare for staff, postage meter, signs, telephone bill, advertisement, lunches and dinners, newspaper subscriptions, office supplies, convention, car phone

91040341407

installation, deposit and use, vehicle repair and gas, and the cost of a "Goodbye letter," apparently mailed to constituents.

The candidate's response to the MUR 2718 complaint specifically explained only three or four disbursements from his State committee which were questioned by the complainant. Mr. Davis explained newspaper subscriptions by stating that they "were routinely purchased for the dual purpose of 84th District State Representative and Will County Chairman." Respondent explained an expense for campaign materials as follows:

\$1,540.89 to Personal Services was expended to purchase Davis sign for State Representative. That money was returned to the account by Personal Services check on 8-19-86. The sign order was then altered to read "Davis for Congress" and the same amount of \$1,540.89 was expended by Davis for Congress Committee.²

Respondent Jack Davis stated that there is no record for a disbursement of \$1,380 for "Airfare - Staff" on June 9, 1986. Mr. Davis indicated that the payment was made for him and his wife "to visit in Washington, D.C. with Congressman George O'Brien who was gravely ill at that time." Due to the illness, Mr. Davis instead met with the congressman's administrative assistant. There was no explanation as to how this trip related to Mr. Davis' county party functions.

The largest disbursement questioned was \$14,273.41 for mailing of a "Goodbye letter" to constituents. The reply did not provide copies of the letter, but stated:

The "goodbye" letter sent by myself to my Illinois 84th Representative District constituents was absolutely

2. Receipt of these funds is shown on the State committee report. The concomitant expenditure appears to have been reported on the Committee's 1986 October Quarterly Report (\$1,890.89 dated 8-19-86).

91040341408

neutral and apolitical and merely stated that I had enjoyed serving them and would no longer be their State Representative.

The response stated that the Goodbye letter made "no mention of any other bid for office or of Congress" [emphasis is the Committee's], and that the State committee sought advice from the National Republican Congressional Committee concerning the legality of this letter.

The rest of the questioned disbursements were dismissed with the assertion that, "Nowhere do I find an expenditure on that list that was not in support of my continuing campaign for State Representative or Will County Chairman duties."³ These disbursements include payments for a car phone made after Mr. Davis was nominated for the federal office and the day after he withdrew from the State House race; unexplained political functions such as a golf outing, dinners, lunches, and convention expenses; a postage meter, photos and reading magnifiers; and gas and car repair disbursements made after declaring federal candidacy.

3. Respondent stated that "[t]he State Political committee of Jack Davis was organized in 1977 and its purpose was amended in 1979 'to include any or all state political elective or appointive offices and/or Republican Party offices elective or appointed.'" Further, the reply to the complaint noted that "[u]nder Illinois law, until July 21, 1986 [when the candidate withdrew from the State race], Jack Davis could have sought both the Office of Congressman, 4th District and State Representative from the 84th Representative District of Illinois." Because of the dual candidacy, the candidate was required to designate separate principal campaign committees and establish completely separate campaign organizations. No funds could be transferred between the separate campaigns unless the funds transferred contain no contributions which would be in violation of the Act. 11 C.F.R. §§ 110.8(d) and 110.3 (a)(2)(iv).

91040341409

Because there is insufficient information concerning the purpose of disbursements made from the State committee account during the candidate's transition from his State to his federal campaign, investigation of the use of the State committee funds is warranted. If these expenditures represent federal activity, and if such activity exceeded \$1,000, the State committee may have violated Sections 433 and 434 for failing to register and report as a political committee. See Section 431(4). Therefore, there is reason to believe that the State committee violated 2 U.S.C. §§ 433 and 434 in this matter.

Further, because Illinois State law allows funding from sources prohibited by the Act, there is reason to believe that both the federal Committee and State committee violated 2 U.S.C. § 441b(a) for making or accepting prohibited funds in the form of in-kind contributions from the State committee to the federal Committee. In addition, there is reason to believe that the federal Committee violated 2 U.S.C. § 434(b) for failing to report in-kind contributions from the State committee.

Complainant alleged that the Mr. Davis became a candidate in June 1986, but did not register a committee until August 1986. A report filed with the FEC on September 3, 1986, indicates that in June 1986 the candidate made a personal loan of \$15,015.78 to his new federal Committee, reportedly using the funds in that month for expenses surrounding his nominating convention and two staff people. The only specific expenditure date listed is June 19, 1986, \$2420.39 for a "congressional convention reception." According to this filing, Mr. Davis reported

91040341410

receipts/expenditures of more than \$5,000 during June 1986, thereby triggering the requirement to designate a principal campaign committee within 15 days. 2 U.S.C. §§ 432(e) and 431(2). See also 11 C.F.R. § 101.1(a).

Therefore, because his Statement of Candidacy was not filed until July 11, 1986, there is reason to believe that Jack Davis violated 2 U.S.C. § 432(e) in this matter. In addition, because the federal Committee did not register with the FEC until August 15, 1986, there is reason to believe that the federal Committee violated Section 433(a) by failing to file a Statement of Organization within 10 days of Mr. Davis' becoming a candidate.

MUR 2724

Allegations

Complainant, Martin J. Gleason, alleged that the federal Committee failed to report expenditures made for a mass mailing which endorsed a candidate for Will County State's Attorney in the 1988 Republican primary; and alleged failure to report possible in-kind expenditures made by the Jack D. Davis [State] committee on behalf of the candidate's 1986 bid for the U.S. House of Representatives--both instances in violation of 2 U.S.C. § 434(b).

Complainant alleged that the federal Committee accepted prohibited contributions in the form of possible in-kind contributions from the candidate's State committee in violation of 2 U.S.C. § 441b.

Both Jack Davis and the Will County committee responded to the complaint.

91040341411

Analysis

In answering this complaint, respondent Congressman Jack Davis stated in regard to his support for State's Attorney candidate Edward Burmila, "That single piece of stationery was the extent of my involvement with Mr. Burmila's campaign..." and added that two other Illinois congressmen supplied a similar signed letter for the Burmila cause. Respondent stated that he did not know who paid the costs of reproducing and mailing the letters on behalf of the non-federal candidate, but surmised that it was Mr. Burmila or his supporters "and/or the Will County GOP...." Mr. Davis stated that his Committee's disclaimer covered the cost of the one piece of stationery he provided for the endorsement.

In its response, the Will County committee stated that it paid for the letters of support mentioned in the complaint and that such payment was reported on the Will County committee's "Annual Report."

Because the endorsement was made on behalf of a non-federal candidate, the Act appears applicable only to the extent that the nominal cost of the one page used for the endorsement letter should be included as "other" disbursements rather than operating expenses on the federal Committee's Detailed Summary of Receipts and Disbursements. See AO 82-56. Because there is no specific itemization of the cost of the single piece of paper provided by Mr. Davis for the endorsement, this matter was not included with the Section 434(b) findings against the federal Committee.

Complainant's allegations regarding expenditures made by the

91040341412

Davis State committee are the same as the allegations made in MUR 2718, and are covered in that discussion of possible Section 441b violations (above).

MUR 2724

Dear Mr. McDonald:

In response to your subpoena to produce documents of the Jack Davis State Political Committee (SBE# 1098).

I have today instructed the New Lenox State Bank, Route 30 and Cedar Road, New Lenox, Illinois 60451 to reproduce bank statements, deposit slips, credit memos, debit memos and cancelled checks for the period January 1, 1986 to December 31, 1986.

This is a process I am told will take a few weeks as micro film records have to be located and reproduced. This process is necessary as all of the above records held by the State Committee were discarded in the move from the State Representative and G.O.P. County Chairman offices at 201 W. Maple in New Lenox, Illinois on or about January 9, 1987. However, the New Lenox State Bank has been the Committee repository since the Committee inception in 1976 and has all pertinent information in its files. In addition the Illinois State Board of Election reports filed by Committee #1098 from 1976 to 1987 are available and provide information concerning vendors, disbursements and source of funds that combined with the bank's information and provide the signposts to vendors and contributors necessary to augment the Commission and Auditors work.

The accounts for the State Political Committee were kept in an executive checkbook that was also discarded in 1987 and would have provided no information that was not already available from Illinois State Board of Elections.

Invoices were also discarded in the 1987 move and I have taken steps for retrieval of the Invoices, packing slips, bills of lading or other documents from the vendors performing services for #1098 whose transactions were called into question.

A copy of the form used to mail requests to vendors is enclosed. Vendors will also be phoned in follow up requests.

If there is anything else I can provide please let me know at once.

I will forward the information from the bank as soon as it is available and I have copies on hand of all the Illinois State Board of Election reports filed by Committee #1098 since 1976 which will be forwarded to the Commission as part of the interrogatory request contained in the 3-17-89 packet from the Commission.

MUR 2724

89 APR 10 PM 5:21

Dear Mr. McDonald:

Pursuant to your letter and enclosures of March 17, 1989 and my phone call to Ms. Hagan in response to that letter on Monday March 27, 1989, I request of the Federal Election Commission a pre-probable cause conciliation conference.

During my 3-27-89 phone conversation with Ms. Hagan she informed me such a conference would most probably await completion of the audit of the Davis for Congress Committee and that the audit might take some weeks.

Mean while, under separate cover, I am sending you all of the pertinent documents, information and reconstruction of events surrounding the State Political Committee of Jack Davis (#1098 Illinois State Board of Elections) as requested by your March 17, 1989 packet.

I am confident that the allegations surrounding the activities of the Illinois Committee will be dismissed upon review of that information.

The Commission and I will both await the results of the audit as my involvement with the Davis for Congress Committee was limited in 1986, 1987, and until July 1988 to a role of selecting a C.P.A. firm (Dreyer, Ooms and Van Drunen) as Treasurer and to that of monitoring the cash disbursements and ultimately to that of accepting the role of Interim Treasurer in late 1988 after requesting the resignation of Treasurer Kenneth Ooms.

My acceptance of the Treasurer's position was necessary to restore order to the books and records preparatory to locating a new and competent accounting firm to act as Treasurer or in the event of my electoral defeat, to close out the Committee as expeditiously as possible.

Since my direct intervention in the books and records of the Committee in mid 1988, those books and records have received minimal attention from the Analysis division of the F.E.C. and are currently in order.

This brings me to my question and quarrel with the policy of the Commission verbally outlined on 3-27-89 by Ms. Hagan related to the naming of myself as Treasurer in the consolidated MUR 2724 rather than Arthur J. Dreyer or Kenneth Ooms?

Ms. Hagan stated that Commission policy names the "Current" Treasurer of the Committee as the person in alledged violation even if the alledged violation predated that person's incumbency as Treasurer.

I submit that on the surface this policy is flawed. How could one obtain a Treasurer for the Committee if it were burdened as this was with allegations that were almost three years old!

Mr. Dreyer, Mr. Ooms, Ms. Janine Starkowicz, Mr. Richard Kavanaugh and a Dreyer, Ooms, and Van Drunen accounting clerk Jaunita Campbell were the persons involved in the inception of the Committee and in whatever errors were made in the accounting base and in the missed filing dates and other alledged violations of the Davis for Congress Committee.

The paperwork surrounding the Statement of Candidacy and formal nomination papers was done on or about July 12, 1989 by the 4th Congressional District Republican

I realize that inexperience and lack of knowledge
is inexcusable in the Commissions view however my team
was new and inexpert in the ways of the F.E.C. and mistakes
were most likely made. We must carefully consider the
mistakes as just that, and to the best of my knowledge
no one externally or internally in the Davis for Congress
1986 Campaign willfully, knowingly or intentionally
violated F.E.C. or any other Federal regulations or
statutes.

The audit results will lead us to the truth and
I look forward to the audit completion and the satis-
faction of the Commission that these allegations are
without intentional substance.

Dear Ms. Hagan

Here are the items as promised. I have the bank documents for the State Political Committee being reproduced and they should be ready by April 30, 1989.

In January 1988 all the bank records for the 1986 campaign of Davis for Congress were duplicated by the Southwest Financial Bank of New Lenox, Il and delivered to then Treasurer Arthur Dreyer at his home in an effort to straighten everything out then. You are aware that it was not done correctly then and the two missed filing dates also occurred at that time and shortly after.

I have asked that same Southwest Financial Bank of New Lenox to do it again as every check and deposit went through that institution and I am not certain given Mr. Dreyer's currently poor state of health he will be able to help us much.

I do not know how long that process will take but it should not be longer than April 30.

Meanwhile the letters to the State Political Account vendors are going out and some phone calls have already been productive and I expect invoice or documentation return soon that will further amplify those expenditures.

If you can think of anything else please call me at once.

Sincerely yours

Interim Treasurer

INTERROGATORY PREAMBLE

The responses contained in the following pages will be as factual and as complete as my knowledge and recollection of events can be three years later.

In the reconstruction of events I want to give the Commission some idea of the atmosphere surrounding the summer of 1986 and some idea of the ongoing and customary activities of the State Political Committee of Jack Davis that could shed some light on the confusion surrounding the transactions in question.

The purpose of my political committee in Illinois was to promote my public and political image and to support any activities that would enhance, improve or sustain elective public and/or party office on the State, County or local level.

State Political Committees' in Illinois are primarily continuing committees that expend funds on a year around basis for a host of transactions generally determined to be beneficial to a future candidacy which is either announced or contemplated and for the ongoing political activities of an elective public or party office incumbency.

In the late spring of 1986 I was serving my fifth term in the Illinois House of Representatives from the 84th Representative District; my second term as Assistant Minority Leader of the Illinois House of Representatives and my second term as the County Chairman of the Republican Party in the 4th largest County in Illinois.

I had been nominated for a 6th term to the Illinois House in the March Primary election and elected to my second term as Will County G.O.P. Chairman on the last Monday in March of 1986.

I maintained a Legislative office and a Will County G.O.P. headquarters at 201 W. Maple Avenue in New Lenox, Illinois 60451.

I was charged as County G.O.P. Chairman with the responsibility for electing all County Candidates, County Board Candidates, Judicial Candidates, Congressional Candidates, a host of State Legislative Candidates and 270 precinct committeemen in the Will County G.O.P.

91040841423

(2)

as well as my own re-election to the Illinois House.

When Congressman O'Brien became ill and withdrew from the Congressional Nomination in our party from the 4th Congressional District, political turmoil resulted causing a tremendous burden and strain on me as Chairman of the Will County G.O.P. and on the 4th District Republican Party in general.

Of the 270 G.O.P. Committeemen in Will County 194 were in the 4th Congressional District and among those were all of the Committeemen contained in the 84th Representative District of Illinois.

Illinois has a peculiar bifurcated electoral system for party functionaries in that all Counties outside of Cook elect Committeemen at the precinct level to represent the party in conference and convention and to cast weighted votes commensurate with the number of votes cast in their precincts in the most recent primary election (March 1986 in this case).

In Cook County Illinois a single Committeeman is elected in the respective parties from each Chicago Ward and from each Suburban Township outside Chicago and that single Committeeman may cast a weighted vote in conference or convention commensurate with all the votes cast in the Ward or Township in Cook County in their party at the most recent Primary election (March 1986).

The 4th Congressional District is comprised of the Cook County Townships of Rich, Bloom and part of Thornton with an approximate weighted vote representing 47% of the vote concentrated in the hands of 194 committeeman.

Kane County has approximately 8% of the vote in approximately 40 committeemen and Kendal County with 2% of the vote in 5 committeemen.

The 4th Congressional District Convention to replace Mr. O'Brien's candidacy under Illinois law was to be convened, chaired and guided by the 4th District G.O.P. State Central Committeeman elected from the 4th Congressional District.

91040841424

(3)

Arthur Lennon was that State Central Committeeman and called for a July 12, 1986 Convention to the consternation of all the political leaders of the respective geographic subdivisions, including myself.

Mr. Lennon had suffered a stroke in the winter of 1985-1986 and was clearly not functioning at 100%.

It was felt by all leaders of the party that such a late convention would handicap the eventual nominee of the party with too little time left to wage an effective campaign if the Convention were held in mid or late July.

Mr. Lennon spurned all advice and lobbying, however, and the Convention was held on July 12, 1986.

I do not believe that I ever intentionally or knowingly made contributions of money or in-kind to the Congressional Campaign but I must truthfully state that in the hectic days of that summer as I went about my duties as Will County Party Leader, State Representative, Legislative Leader and finally as Congressional candidate that I might not have received a phone call or made one that reflected some Congressional business.

It is difficult to discuss politics and other candidacies in person or on the phone with party functionaries and committeemen without discussing your own candidacy at the same time.

I believe all the expenditures made by #1098 were made on behalf of my Legislative office and my Party office .

I had no way to guarantee my election to Congress in November of 1986 consequently my intention was to remain in office as Will County G.O.P. Chairman and to seek to appoint myself as the appointed replacement in the 84th Representative District of Illinois should I lose my Congressional bid and my replacement on the State ticket should win my State Representative seat and resign in favor of my resuming the seat.

All of this was within my authority as Will County G.O.P. Chairman.

91040341425

(4)

Consequently in answering interrogatory question #2 I say that the expenditures were consistent with ongoing activities and election enhancement activities that prevailed in #1098 for years and that the answer is all expenditures were made consistent with State and Party elections 1986 and forward.

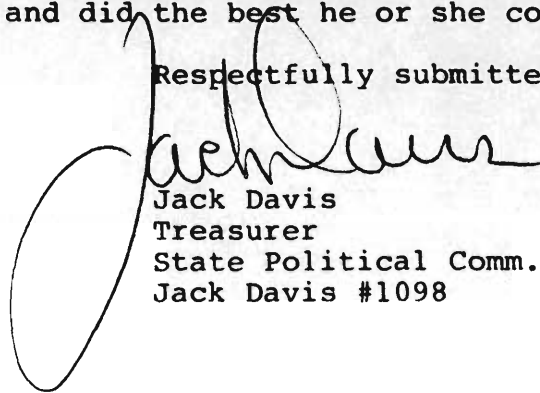

I have reviewed the sources of income for #1098 and believe that I could have transferred all of the remaining monies in that account to a separate Federal Committee due to the non corporate nature of those funds.

However I chose not to do that in 1986 because of the necessity of maintaining a source of funds for my aforementioned duties.

I hope the foregoing will give the Commission a flavor of the summer of 1986 and the thought process and decision making that occurred.

As stated in other writings to the Commission, things were very hectic, swift moving and being conducted with those inexperienced in the ways of the F.E.C. Mistakes may have been made by accountants and managers, however I still believe that everyone in Davis for Congress acted in good faith and did the best he or she could.

Respectfully submitted,

Jack Davis
Treasurer
State Political Comm.
Jack Davis #1098

91040341426

INTERROGATORY RESPONSE

I. I do not believe any expenditures were made by the State Political Committee of Jack D. Davis #1098 either to Jack Davis or to his Federally authorized committee however at this writing it seems that we have discovered that three file photographs in the possession of Jack Davis and valued at \$5.00 each could have been used in a Congressional brochure. These photos were produced by Ray Strapperzan of Joliet Illinois on an annual basis and the source of payment to Mr. Strapperzan was the State Political Committee of Jack Davis. (See II-(151))

II. Cancelled checks, invoices and other pertinent data is being retrieved from sources already mentioned in previous communications to the Commission.

The auditors will also want access to all data consequently I am forwarding everything retrieved in support of these interrogatories and in response to the Commissions' request for documents and the subpoena for documents to the Commission for disbursal to the Auditors.

The following represents background on the transactions of #1098 in question to the best of our recollection at this point and in as much detail as possible at this point:

1. 6-9-86 \$1380.00 American Airlines

Represents R/T coach airfare to Washington D.C. from Chicago, Il for myself and my wife.

My wife served in the capacity as my political assistant in the Will County G.O.P.

The purpose of the visit was to visit with Congressman George O'Brien who was a friend and political ally as well as a member of the Will County G.O.P. "Eagles" (a fundraising arm of the party) to discuss the political turmoil caused by his abrupt resignation from the 4th Congressional District G.O.P. nomination and how best to insure a speedy resolution of a new nominee in light of the short time to put together a new team

91040341427

(2)

for the new nominee.

It was also my purpose to ask Mr. O'Brien if he would disburse his campaign funds that the party helped him to raise to the party in order that they could be used in the 1986 fall campaign for all G.O.P. candidates in Mr. O'Briens home County of Will.

Mr. O'Brien had a sudden turn for the worse upon our arrival and we were unable to visit with him but did meet with Dorothy Powell, Mr. O'Brien's Administrative Aide in Mr. O'Brien's Congressional Office.

2. The fiscal year in Illinois runs from July 1 to July 1 for legislative accounts. I purchased \$300 in stamps for the postage meter to supplement both my legislative, political and Will County G.O.P. activities during the early summer.

3. Two sets of magnetic signs were purchased from Artistic Signs of N. Ruby Street, Joliet, Il 60432. The signs read "Representative Jack Davis." The entry in the #1098 files is apparently in errors as the bookkeeper informed me on 4-7-89 that two checks were tendered \$100 as a deposit and \$135 for final payment on delivery on June 24, 1986. The two items seem to have been grouped for reporting convenience. We are retrieving cancelled checks from New Lenox State Bank on #1098 and will double check this entry.

4-5. Stationery and office supplies were purchased locally on a routine basis. I do not have any further details on these purchases.

6. On 7-9-86 a check was tendered to Personal Services Company of Springfield, Illinois for \$1540.89 for yard signs ordered earlier for the State Representative race. After the nomination for Congress three days later I asked John Martin to return the check to #1098 and to change the signs to read "Davis for Congress" and that payment from a Congressional account would be tendered later. He agreed and the incoming check is note in the ISBE reports.

91040841428

(3)

7. My home had two phones. One was my unlisted personal phone 485-6681 and the other was the Will County G.O.P., Legislative, and political phone 485-7134. This payment represents the May-June billings on 485-7134.

8. #1098 reimbursed by gas, oil, car care, mechanical expenses for travel incurred in Legislative and Party business.

9. Represents lunch at Earl's Cafe with Will County Party leaders to discuss the upcoming Convention.

10. This expenditure was for Business and Professional Women of New Lenox dues for my Legislative Aide JoAnn McCullough of New Lenox, Il and my political Aide Virginia Davis of New Lenox, Il \$24.00 each.

11. This expenditure to American Express and grouped under the heading of "Dinner" is broken down as follows:

a. \$138.65 dinner in Springfield, Il with Congresswoman Martin and her immediate staff, candidates for State Senate and press. Dinner was held at Babe and Jim's Restaurant on Clear Lake Avenue, Springfield, Il

b. Dinner at New England Lobster House on South Mc Carthur Blvd. Springfield, Il for journalists \$90.98

c. Dinner at Black Angus Steak House 2216 S. Sixth St. Springfield, Il with Rep. Tom Ewing \$34.60

d. Lunch at Giovanni's Restaurant in Munster, Indiana with John Bradshaw, Bill Garvin, Max Blachly who represent a nucleus of my fundraising efforts. \$69.00.

e. Room at Hyatt House Washington, D.C. during O'Brien visit \$145.15

12. Check was tendered to JoAnn McCullough of New Lenox, IL who served as my Legislative Aide who in turn paid the same amount as the check to her sister-in-law Rose Wennlund of Frankfort, Il for the purpose of constructing decorative centerpieces for the Congressional Convention of July 12, 1986 that was to be held in Will County.

91040841429

91040341430

13-14. It was determined that with the possibility of my nomination as a Congressional Candidate in mid-July that those duties would take me away from my home County and Representative District for long periods of time. The solution seemed to be better communications. Consequently it was determined to install two Cellularone Car phones. The phones were installed and billed to Virginia Davis at 815-485-4666 or 485-7134 and at 201 W. Maple, New Lenox, Illinois.

15. Photos were made on a regular basis for the State Political Committee and kept in files for reelection and use in the State Representative Campaign literature, press purposes, biography purposes and for the general public.

In the Preamble we have already stated that three of these photos at a cost of \$15.00 were used in a subsequent Congressional brochure.

The check for \$200.00 was tendered to Mr. Ray Strappazan of Joliet, Il for photos taken sometime in June.

16. This advertisement was taken by the State Political Committee of Jack Davis each year to support the Lincolnway Knights Athletic program ad book. The advertisement read "Good Luck" State Representative Jace Davis- Your State Representative".

17. This was a miscellaneous amount used as petty cash to fund the purchase of food and drink at the annual Will County Golf Outing hosted by myself as Chairman of the Will County G.O.P. but also attended by all of the Committeemen and supporters of State Representative Jack Davis' Representative District. There are no receipts for these expenditures.

18. The below represents the expenditures grouped under the heading of "various July dinners".

- a. Mansion View Motel-dinner-Rep. Bob Churchill \$35.20
- b. Elis' lunch with Chicago Tribune personnel \$59.50
- c. Palmer House Chicago, Il 39.21

d. Illinois State Park Lodge-two day gathering
of State Legislators at Winthrop Marina \$210.32

It seems as if an overpayment to American Express was made of \$40.17 and was most likely credited on a subsequent billing.

19. Flower Basket of New Lenox, Il provided floral service for special occasions to both the Legislative Office and the Will County G.O.P.

This expenditure was for a variety of small items of congratulations, funeral and thank you gestures and are as follows:

- a. \$12.22 loose cut flowers. Undetermined delivery picked up by JoAnn McCullough Legislative Aide. Probably for Legislative office.
- b. 12.19 flowers for birthday for Judy Nieman of Mokena, Il
- c. Funeral flowers for Joe Cusimano Sr. G.O.P. precinct Committeeman Lockport, IL.
- d. \$22.25 Mary and Alan Holder new Pastor in local church "Welcome" flowers
- e. \$25.25 Henry Banser "Anniversary floral arrangement Henry was one of Congressman O'Brien's staff members
- f. \$36.88 Michel Sneed author of Chicago Tribune "INC" column, a "thank you" bouquet.
- g. \$42.69 Lester Loftus funeral at Deleyden Funeral Home. Father in Law of Jim Meisch, City Council Member of Aurora, Il

20. Luncheon at Earl's Cafe for Will County G.O.P. Executive Committee Members to discuss November election of County ticket.

21. Gas, oil, car care and mechanical repair was purchased for travel in Will County and the Legislative District.

91040841431

22.23.24. The State Political Committee of Jack Davis purchased newspaper subscriptions to a variety of Will County circulation newspapers as well as the Chicago Metropolitan daily papers. These expenditures were ongoing subscription renewals.

25. Lunch at Brun's Restaurant in New Lenox, Il with State Representative Larry Wennlund to discuss his upcoming campaign for my 84th Representative District seat.

26. Miscellaneous out of pocket expenses for tips, minor entertainment, incidentals for which receipts were not kept.

27. The "Goodbye Letter" is enclosed as requested along with the envelope in which it was sent and a copy of the invoice from Unistat Inc. of Oakbrook, Illinois. I represented my Legislative District in Will County Illinois for ten years and had a record of accomplishment and achievement, second to none in the annals of local Legislators. I like my District, my County and the people in it. Unfortunately we are saddled with a primary print news source in the daily "Joliet Herald News" that is not a great dissemination of information and not given serious readership by its subscribers and I felt that I owed them a farewell message in order to not confuse them any more than they already were.

I personally drafted the letter and I was conscious of my duty to avoid mention of my Congressional Campaign.

I believe I succeeded in that and while I cannot judge what the majority of my constituents in my Legislative District felt, I know I felt better in thanking them for the opportunity they had given me to serve and to rise to such important political heights in Illinois.

28. Car phone bill from 857-8717 and 857-8718 reflect primarily the use of air time on the mobil phones which was billed for both incoming and outgoing phone calls.

29. This expenditure was made to Lenscrafters of Lincoln Mall in Mattesson, Il to make a pair of reading glasses to replace glasses lost by a friend and Will County G.O.P.

91040341432

political worker Joseph Dobranich of Marley Road in New Lenox, Illinois.

30. This phone bill is for the Legislative/Party phone 815-485-7134 that was installed in my home. The bill covers July and August.

3. Rollies Car Care 1234 North Cedar Road in New Lenox Tuned my car, as explained earlier. Vehicle repair and minor maintenance in support of my Legislative and Political duties was routinely paid by #1098 along with gas, oil, and car care.

Dear Charles:

THANK YOU.

For all or part of the past ten years, first in the old 42nd District and currently in the 84th District, it has been my privilege to serve as your State Representative.

As we have become better acquainted - you with my views and me with your concerns - we have become better able to help one another. Working together, we have been able to do much to make Will County a better area and Illinois a better state in which to live, work, raise a family, and finally, enjoy the fruits of our labors as we grow older.

Our shared frustration at the increase in crime and the seeming decrease in punishment led me to sponsor and support tough new measures to combat and punish crimes against people and property. At a local level, we joined together to form networks of concerned citizens to support and assist police and other law enforcement agencies.

Our common anxiety and uncertainty about area job prospects led me to sponsor and support a broad range of economic development initiatives to keep existing businesses and jobs and attract new industries and commerce to our communities. Working with local business and labor groups, we have acted to take advantage of the opportunities and resources made available through these new programs.

Because transportation is the lifeline of a region and its businesses, I have been pleased with and proud of our success in winning over \$50 million in needed road and bridge repair and improvement projects. We even succeeded in finally forcing the restructuring and reform of the RTA, so that we are no longer forced to pay for the wasteful practices of the Chicago Transit Authority.

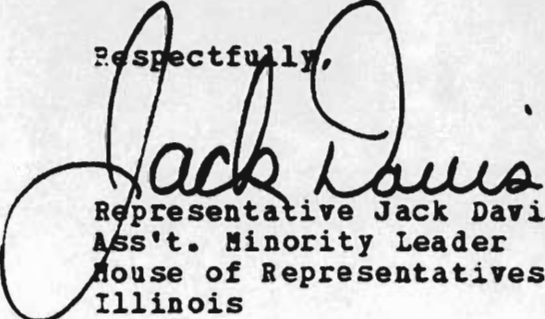

91040841452

All of this and more has been accomplished while the State's budget has been and remains balanced and some state taxes have been reduced or eliminated.

In all of these efforts, I have sought to accurately and adequately reflect and represent your views and vision concerning Illinois' and Will County's current condition and our future.

Serving you in the General Assembly has been one of the most rewarding and productive experiences of my life. Thank you again for allowing me to be a part of your life and community for the past decade.

Respectfully,

Representative Jack Davis

State Board of Elections
Springfield, IL 62706

Dear Tony:

Enclosed is my annual report. Since the two interim reports were filed, some minor \$50.00 "transfers out" checks were returned. Consequently, this report should amend any earlier reports and cure any accounting confusion resultant from the overlap.

I will be gone for a few weeks in the event of questions you have, and I will contact you upon my return.

Best personal regards,

Jack

THROUGH: John Surina
Staff Director

FROM: Lawrence M. Noble
General Counsel

BY: Lois G. Lerner *LGJ*
Associate General Counsel

SUBJECT: MUR 2724 Jack Davis for Congress

This is in response to your staff's request for guidance concerning the scope of the Section 437g audit of the above-referenced matter. According to your staff, additional bank records are necessary if an exhaustive audit of the Jack Davis for Congress Committee is to be completed. However, based on discussions between OGC and Audit staff members, it is our understanding that sufficient records are available for the auditors to make audit determinations concerning each of the Commission's findings in this matter, with the possible exception of certain disclosure items.

Because the scope of a Section 437g audit may be tailored to the particular issues in the Matter Under Review, the available audit evidence may provide sufficient basis for our recommendations to the Commission without having to obtain additional bank records. Your staff has offered to provide a copy of the draft report of its findings in the matter. The Office of the General Counsel has no objection to reviewing this document to determine whether additional Committee bank records and audit review are necessary. Upon completion of that review, this Office will notify you whether further audit review will be needed.

FROM: ROBERT J. COSTA
ASSISTANT STAFF DIRECTOR
AUDIT DIVISION

SUBJECT: MUR 2724 DAVIS FOR CONGRESS

91040841849

The Commission approved a 437g audit of Davis for Congress and related activity during its consideration of MUR 2724. At this time, due to the lack of certain bank records the Audit staff is unable to perform a full scope Audit. However, based on our review of the records made available by Davis for Congress and the Davis State Political Committee, the Audit staff is in a position to state an opinion relative to the issues of primary focus in the MUR. As stated in your memorandum of August 6, 1990, the Audit Division will be notified regarding the need for expanding the scope of the audit work performed to date.

Records are available for review, if you have any further questions please contact Valerie Conroy or Ray Lisi in the Audit Division.

re: NUR 2724

A. Introduction

The Audit staff reviewed the records made available relative to Davis for Congress ("the Committee") and Jack D. Davis State Political Committee ("the State Committee") with respect to the allegations contained in the Matter Under Review 2724. The review was conducted to determine the following:

- 1) The extent to which the State Committee expended funds on behalf of the Committee;
- 2) The extent to which funds prohibited by the Act were included in the funds expended by the State Committee on behalf of the Committee;
- 3) Whether the State Committee became a political committee under 2 U.S.C. 431(4)(A) by making expenditures in excess of \$1,000 during a calendar year to a federal candidate;
- 4) Whether the State Committee violated the reporting requirements of 2 U.S.C. §433 and 434 by failing to file a statement of organization and a report of receipts and disbursements;
- 5) Whether Jack Davis made expenditures in excess of \$5,000 during June of 1986 triggering candidate status under 2 U.S.C. §431(2) and therefore, violating 2 U.S.C. §432(e) by not designating a principal campaign committee within 15 days of attaining candidate status, and also violating 2 U.S.C. §433 by failing to file a statement of organization no later than 10 days after designation of principal campaign committee;
- 6) The extent of the Committee's reporting deficiencies based upon the findings in 1 through 5 above, i.e., possible violation of 2 U.S.C. §434(b), by not reporting the receipt of in-kind contributions made by the State Committee, and possible violation of 2 U.S.C. §441b(a) by accepting prohibited funds in the form of in-kind contributions from the State Committee;
- 7) The status of certain Committee debts as of December 31, 1987; and
- 8) The extent of the Committee's reporting deficiencies during the 1986 and 1988 election cycles.

The Audit staff is in a position to address items 1 through 7 at this time based on our review of the records on hand provided by Mr. Davis. To address item 8, additional documentation previously requested by our office, would have to be obtained and reviewed. (See memo at Attachment #1).

B. Background

According to information made available, the chronology of events during which the activity cited in the MUR took place is as follows:

March 1986: Illinois State Representative Jack Davis nominated to seek re-election to the Illinois House of Representatives. U.S. Representative George O'Brien nominated to seek re-election to the Illinois Fourth District U.S. House of Representatives.

May 1986: Representative Mr. O'Brien withdrew his candidacy due to illness.

June 10, 1986: Mr. Davis and his wife visit Washington, D.C.

July 11, 1986: Mr. Davis filed a Statement of Candidacy for U.S. House (dated July 10). [An identical statement received July 14 was dated July 8.]

July 12, 1986: Mr. Davis nominated by convention of Fourth Congressional District Republican Party to be the nominee after Mr. O'Brien's withdrawal.

July 21, 1986: Mr. Davis withdrew candidacy for the Illinois House.

July 25, 1986: Davis for Congress opens depository account, \$2,000.

August 4, 1986: First check written from Davis for Congress account.

August 15, 1986: Davis for Congress Committee filed Statement of Organization.

In his November 1, 1988 response to the MUR, Mr. Davis stated that:

re: MUR 2724

Page 3

"The State Political Committee of Jack Davis was organized in 1977 (Comm #1098 ISBE*/) and its purpose was amended in 1979 'to include any or all state political elective or appointive offices and/or Republican Party offices elective or appointed.

"During the period in question Jack Davis was the elected Republican County Chairman of Will County, the 4th largest County in Illinois in population.

"Jack Davis also served as the Assistant Minority Leader of the Illinois House during that period and was a candidate for re-election until July 21 of 1986, when he resigned his nomination as an Illinois State Representative Candidate. Under Illinois law, until July 21, 1986 Jack Davis could have sought both the office of Congressman, 4th District and State Representative from the 84th Representative District of Illinois.

"Expenditures made by the State Political Committee of Jack Davis (ISBE #1098) were in connection with a candidacy for State Representative and with a functioning office of Will County Republican Chairman."

Further, Mr. Davis informed the Audit staff that he served as both Illinois State Representative and Will County GOP Chairman until he took his seat in the United States House of Representatives.

C. Results of Review of State Committee

1. Analysis of State Committee Payments

With respect to the expenditures made by the State Committee as detailed in the MUR, the Audit staff reviewed the State Committee's bank statements, cancelled checks, debit and credit memos, deposit slips, vendor documentation as provided by Mr. Davis, the State Committee's campaign disclosure reports on file with the Illinois State Board of Elections ("ISBE") from July 1, 1984 through July 1, 1987, as well as Mr. Davis' response to the MUR and telecons held between the Audit staff and Mr. Davis.

For purposes of this review, expenditures through July 21, 1986, the date Mr. Davis withdrew his candidacy for state office, sufficient documentation shall be either a cancelled check or itemization on the State Committee's ISBE reports which discloses in detail the purpose of the disbursement.

For expenditures post July 21, 1986, sufficient documentation shall be a cancelled check or itemization on ISBE report, coupled with (a) information sufficient to determine the purpose of the disbursement, or (b) an invoice or evidence that the disbursement is consistent with past years' disbursements, or (c) information indicating that the cost is associated with the winding down of the State Committee's activities during the period July 22, 1986 and December 31, 1986.

The Audit staff reconciled the State Committee's bank activity to the activity as reported by the State Committee on its ISBE disclosure reports and determined the totals reported to be materially correct. During 1986, the State Committee expended \$32,096.36 of which the Audit staff identified \$22,291.77 to be included in the MUR complaint. The Audit staff's analysis of the State Committee's expenditures for 1986 is as follows:

a. Goodbye Letter

A major portion of the funds addressed in the complaint involved \$14,273.41 expended by the State Committee for a Goodbye letter to Mr. Davis' constituents. A copy of this letter can be found at Attachment 2. In his response to the MUR, Mr. Davis stated that:

91040341853

Davis For Congress
437g Audit to OGC
re: MUR 2724

Page 5

"The 'goodbye' letter sent by myself to my Illinois 84th Representative District constituents was absolutely neutral and apolitical and merely stated that I had enjoyed serving them and would no longer be their State Representative.

"There was no mention of any other bid for office or of Congress. This procedure was instituted on advice of counsel obtained from the National Republican Congressional Committee and a request at that time was made of the F.E.C.*/ who corroborated the NRCC counsel's advice that this mailing to my constituents was not an expenditure on behalf of a congressional candidacy and, indeed, was in the letter and spirit of both F.E.C. and Illinois election law in the dissipation of Corporate and State PAC funds which otherwise would have been distributed to other County and State Candidates or reserved for a future State or Party campaign which was and is not contemplated." [Emphasis in original]

In the Audit staff's opinion, the content of this letter is a summarization of Mr. Davis' accomplishments in the Illinois House of Representatives which concluded with a thank you. There was no mention whatsoever regarding Mr. Davis' campaign for federal office or of his future plans or activities.

Until July 21, 1986 Mr. Davis was a candidate for both the Illinois State House of Representatives and U.S. House. On July 21, 1986, Mr. Davis withdrew as a candidate for the State office. The Goodbye letter was mailed August 18, 1986.

Based on our review of the State Committee's activity, it is the Audit staff's opinion that once Mr. Davis decided to run solely for the federal office, the State Committee began to wind down and Mr. Davis wanted to say goodbye to his constituents. He did so shortly thereafter by mailing the Goodbye Letter. It is also the Audit staff's opinion that the content of the Goodbye Letter is unrelated to federal activity; and although the timing of this letter may give the appearance of federal activity, it is also a reasonable and appropriate winding down activity for the State Committee to engage in and therefore should not be viewed as an in-kind contribution to the Committee.

*/ The Audit staff was unable to verify Mr. Davis' statement.

91040841854

b. Office Supplies/Postage

The State Committee spent \$1,713.35 during 1986, for postage (\$704.68), newspaper subscriptions (\$143), insurance (\$170), office supplies (\$195.67), and an office chair (Ford Theatre Benefit, \$500). It should also be noted that 80 percent of these expenditures (\$1,378.08) occurred prior to July 21, 1986.

The MUR specifically addresses 4 disbursements for office supplies totalling \$106.10 which fall into this category:

<u>CHECK #</u>	<u>PAYEE</u>	<u>DATE</u>	<u>AMOUNT</u>	<u>PURPOSE</u>
2241	Insty Print	7/01/86	\$ 68.50	envelopes
2270	The Sun	8/13/86	9.00	subscription
2272	Enterprise	8/13/86	8.50	subscription
2271	Chicago Tribune	8/13/86	20.10	subscription
	TOTAL		<u>\$106.10</u>	

No invoices were made available, but according to Mr. Davis, "Newspaper Subscriptions were routinely purchased for the dual purpose of 84th District State Representative and Will County Chairman." Additionally, the Committee spent \$898.85 on postage and supplies during August 1986 and on September 2, 1986 paid for 3 newspapers, one of which was \$9 to the Sun, apparently an attempt to segregate the federal and state activity. It is the Audit staff's opinion that the aforementioned \$106.10 in expenses paid by the State Committee should not be viewed as an in-kind contribution to the Committee.

c. Contributions/Gifts

During 1986 the State Committee contributed \$3,532.44 to local political committees; purchased flowers for individuals, \$326.98; and donated or gifted \$643.15 to local organizations or individuals. The total for this category is \$4,502.57. The MUR specifically addresses \$984.32 or 22% of the above:

	TOTAL		<u>\$984.32</u>	

91040841856

A review of the State Committee's ISBE disclosure reports from July 1, 1984 through July 1, 1987 determined that the State Committee made expenditures of the above type throughout its existence. In fact, from July 1, 1984 through December 31, 1985, the State Committee expended \$5,924.96 for contributions to political committees, flowers, and donations/gifts. Included in the above is a \$125 donation to the Lincolnway High School Athletic Association on August 7, 1985 for an ad, and \$430.81 for flowers. The remaining \$5,369.15 consisted of contributions to state political committees or donations to local organizations for such things as bingo prizes, tickets and picnics.

Additionally, \$510.44 of the \$984.32 MUR items were for payments which occurred prior to July 21, 1986; resulting in \$473.88 which was paid after July 21, 1986.

Based upon the documentation reviewed and the State Committee's previous pattern of activity for these types of expenditures, it is the Audit staff's opinion that the expenditures discussed above were for the benefit of the State Committee only.

d. Phones

The State Committee paid \$1,972.75 for telephone service during 1986. The following disbursements were included in the MUR:

<u>CHECK #</u>	<u>PAYEE</u>	<u>DATE</u>	<u>AMOUNT</u>	<u>PURPOSE</u>
2249	Illinois Bell	7/09/86	\$414.44	4/22/86-6/22/86 Service

2289	Illinois Bell	9/10/86	<u>274.32</u>	6/23/86 - 8/22/86 Service 485-7134
	TOTAL		<u>\$1,696.39</u>	

The payments to Illinois Bell were apparently for a State Committee phone at the Davis residence. There were two calls totalling \$8.32 made to Washington, D.C., one on May 19, 1986 (\$7.77) and one on May 28, 1986 (\$.55), included in the above billing statements.

On July 17, 1986 Mrs. Virginia Davis had two Novatel 290 cellular phones installed in the Davis automobiles. For calendar year 1986 the total cost associated with these phones is \$2,687.03. The cost of installation was \$813.15 of which the State Committee paid \$613.15; the Audit staff could not identify the source of the remaining \$200 paid. The State Committee also paid the first monthly billing from Cellular One for both phones, \$394.48. Therefore, the total amount paid by the State Committee for installation and usage of the car phones was \$1,007.63 (\$613.15 + 394.48).

91040841857

Davis For Congress
437g Audit to OGC
re: MUR 2724

Page 9

The Committee paid the monthly charges on both phones through the November 13, 1986 billing statement; and then paid only for the phone installed in Mr Davis' car through the end of 1988 when the phone was removed at the end of Mr. Davis' term in Congress. During 1986 the Committee paid \$1,679.40 to Cellular One for monthly usage of the car phones. Thus, for 1986, the Committee paid \$1,679.40 and the State Committee paid \$1,007.63.

Since Mr. Davis was both a candidate for federal office and a representative for the State of Illinois, the Audit staff allocated the charges related to the installation and usage of the phone in Mr. Davis' car equally between state and federal activity. The Audit staff allocated the installation and usage charges for Mrs. Davis' phone to federal activity since the Committee ceased payments after the general election.

Based on the above the Audit staff determined that the State Committee's allocable share of the total phone costs was \$511.29 and the Committee's share was \$2,175.74.

Therefore, it is the Audit Staff's opinion, that the State Committee paid \$504.66 (\$1,007.63 amount paid - \$511.29 share of cost + 8.32 Illinois Bell calls to Washington, D.C.) on behalf of the Committee for telephone services.

e. Travel/Meals

For travel and meals during 1986 the State Committee spent \$4,258.74. Included in this amount was \$3,348.68 related to activity that occurred prior to July 21, 1986. The MUR specifically addresses the following expenditures:

Mr. Davis provided two American Express billing statements dated July 3, 1986 and August 2, 1986 which appear to contain personal and State Committee charges. The Audit staff noted \$330.40 for charges at the Hyatt Regency, Washington, D.C. on the July 3, 1986 bill. Originally the State Committee paid \$145.15 of this amount, however, on August 4, 1986, the Committee paid the full amount (\$330.40). The remaining charges were to restaurants in Springfield, which is the Illinois State Capitol.

The Audit staff noted current charges of \$360.28 at hotels and restaurants in Illinois and \$221.14 to department stores on the August 2, 1986 American Express bill and an outstanding balance of \$2,588.63. We were unable to reconcile the August 4, 1986 payment of \$384.45 to the billing statement. However this payment is disclosed on the State Committee's ISBE filing as "Various Dinners July Springfield".

Our review of the State Committee's ISBE disclosure reports (July 1, 1984 - June 30, 1987) determined that Mr. Davis utilized his American Express card for his state political activity, denoting "various" as purpose of the expenditure, thereby establishing a pattern for the American Express activity.

Davis For Congress
437g Audit to OGC
re: MUR 2724

Page 11

Of the remaining amounts addressed in the MUR, \$176.45 was for activity which occurred prior to July 11, 1986; \$62.23 was for a lunch with Mr. Larry Wennlund, to whom the State Committee made \$1,100 in campaign contributions shortly thereafter; and \$103.10 was for gas (\$39.10) and car repairs (\$64) on Mr. Davis' personal automobile; however, on October 9, 1986, the Committee made three payments to Shell, Mobil and Amoco totalling \$338.33 most likely for charges occurring prior to that date, i.e., September or August 1986.

Mr. Davis states in his response to the MUR, "nowhere do I find an expenditure on that list that was not in support of my continuing campaign for State Representative or Will County Chairman duties."

Based upon the information available it is the Audit staff's opinion that the \$1,203.72 was not spent on behalf of the Committee.

f. Ads/Signs

The State Committee spent \$1,875.89 during 1986 for ads and signs. All but \$100 is included in the MUR. One payment was to Personal Services for \$1,540.89 on July 9, 1986. The State Committee received a refund from the vendor on August 19, 1986, and the Committee paid the vendor on October 6, 1986. Mr. Davis discussed this in his response to the MUR by stating that:

"\$1,540.89 to Personal Services was expended to purchase Davis sign for State Representative. That money was returned to the account by Personal Services check on 8-19-86. The sign order was then altered to read 'Davis for Congress' and the same amount of \$1,540.89 was expended by Davis for Congress Committee."

Our review of the financial activity of both the State Committee and the Committee supports the banking activity; however, the cancelled check memo states "posters, stickers and skimmers" as the purpose, items which are routinely used at nominating conventions.

When the State Committee made this payment on July 9, 1986 (Mr. Davis was nominated by convention on July 12, 1986), the Committee had no funds with which it could have made the purchase. Therefore, it is the Audit staff's opinion that the payment by the State Committee should preliminary be viewed as on behalf of the Committee. Furthermore, this transaction may be

91040841860

Davis For Congress

Page 12

viewed as a loan of \$1,540.89 to the Committee by the State Committee from the date of payment, July 9, 1986, to the date of the vendor refund on August 19, 1986. To verify this activity, the Audit staff would require for review all relevant invoices, purchase and change orders, delivery receipts, and any other materials related to the transaction in question, generated by the State Committee, the Committee, or the vendor.

Two payments to Artistic Signs on June 20, 1986 totalling \$235 were not documented.

g. Petty Cash/Miscellaneous

The State Committee spent during 1986 \$1,635.06 for miscellaneous items such as dues, football tickets, photos, and petty cash. The following items were specifically mentioned in the MUR:

<u>CHECK #</u>	<u>PAYEE</u>	<u>DATE</u>	<u>AMOUNT</u>	<u>PURPOSE</u>
2262	Cash	7/30/86	\$200.00	Misc. Expenses County Chairman
2259	Ray Strappazan	7/31/86	200.00	Photos 7/3/86 invoice
2274	Cash	8/18/86	<u>100.00</u>	Office and (<u>illegible</u>)
			<u>\$500.00</u>	

Between July 30 and September 23, 1986 the State Committee wrote four checks totalling \$800 made payable to "cash" or "petty cash", including the two mentioned above (checks #2262 and 2274). Prior to this there were no such disbursements payable to "cash" or "petty cash" itemized on the State Committee's ISBE disclosure reports. The State Committee did not provide documentation which supported the amounts disbursed for cash and the Audit staff is unable to determine the nature of the activities for which these monies were spent.

Additionally, the Audit staff was unable to determine the subject, quantity or end use of the \$200 disbursement for photos from the invoice provided for review.

Therefore the Audit staff is unable to determine conclusively whether the aforementioned \$1,000 (\$800 cash + \$200 photos) was spent on behalf of Davis for Congress.

h. Federal Activity

The Audit staff identified \$1,580.00 (\$1,380 airfare + 200 cash) which was directly associated with Mr. Davis' trip to Washington, D.C. in June 1986. Additionally, \$284.59 relative to the July 1986 nominating convention was identified. The total amount directly associated with federal activity is \$1,864.59 of which the MUR addressed \$1,664.59.

In his response to the MUR Mr. Davis states:

"The only unresolved item is the item of 'airfare \$1,380 - Staff' expended on 6/9/86 to American Airlines. There is no record of the purpose of that disbursement, and we are embarked on a research for that receipt.

"However, I believe this expenditure to be made for my wife and I to visit Washington, D.C. with Congressman George O'Brien who was gravely ill at that time. We arrived to find him unable to receive visitors and I subsequently visited with his Administrative Assistant, Dorothy Powell."

The costs of Mr. and Mrs. Davis lodging and meals in Washington was paid correctly by Davis for Congress, further evidencing that the trip to Washington, D.C. was related to federal campaign activity. It is the Audit staff's opinion that the State Committee expended \$1,864.59 on behalf of the Committee for the trip to Washington and nominating convention activity.

i. Summarization of Review of Expenditures

Based upon the Audit staff's review of the State Committee's records, it was determined that the State Committee made payments totalling \$3,910.14 on behalf of the Committee: the trip to Washington, D.C. and the nominating convention activity, (item h.) the payment to Personal Service Co. for posters, stickers and skimmers (item f.), and the phones (item d.); additionally, the purpose or beneficiary of payments totalling \$1,235.00 for cash, signs, and photos could not be determined conclusively by the Audit staff. A summary of the activity follows.

2. Analysis of State Committee Receipts

Based upon the Audit staff's review of the State Committee's expenditures previously discussed, and the determination that at least \$3,910.14 and at most \$5,145.14*/ was expended on behalf of the Committee, a review of the State Committee's receipts was made to determine the source of the funds spent on behalf of the Committee. The documentation available for review consisted of copies of deposit slips for 1986 deposits and the State Committee's ISBE reports for July 1, 1984 through July 1, 1987.

Section 110.3(c)(6) of 11 C.F.R. requires that funds transferred from a candidate's non-federal campaign committee to a candidate's authorized committee for a federal election shall be deemed composed of the funds most recently received and that the non-federal committee must be able to demonstrate that the cash on hand contained sufficient funds at the time of the transfer that comply with the limitations and prohibitions of the Act. Cash on hand on July 21, 1986, the date Mr. Davis withdrew his candidacy for State office, was \$18,645.29, which was calculated as comprising contributions made between June 3, 1985 and May 12, 1986. There were no contributions received between May 12, 1986 and August 19, 1986. Therefore, cash on hand at July 21, 1986 consists of the same funds which were on hand at June 9, 1986, the date the State Committee first made a payment on behalf of the Committee.

Our review determined the source of funds of the cash on hand to be as follows:

*/ This amount consists of \$3,910.14 identified as Davis for Congress and \$1,235 identified as undocumented.

91040841864

<u>SOURCE OF FUNDS</u>	<u>TOTAL AMOUNT</u>	<u>AMOUNT ACCEPTABLE</u>
Contributions from Registered PACs:		
As Reported by State Committee	\$2,350.00	\$2,350.00
As Reported by Both State Committee and Registered PAC	1,400.00	1,400.00
Contributions from Unregistered PACs or Other Organizations		
	6,550.00	-0-
Chairman's Reception:		
Individuals	3,262.50	3,262.50
Registered PACs	720.00	720.00
Unitemized	3,309.66	3,309.66
Other	1,053.13	-0-
Total Cash on Hand (July 21, 1986)	<u>\$18,645.29</u>	<u>\$11,042.16</u>

Based upon our review, it appears the State Committee received \$3,750 from registered political committees (\$720 was also received relative to Chairman's Reception, see discussion below), however, \$2,350 of this amount was not reported by the registered political committees as a transfer to the State Committee. Without a review of the actual contribution check, the Audit staff can neither verify nor discount that the contributions are from acceptable funds. However, in our review of the Committee's receipts from political committees, this type of reporting discrepancy was also identified. Further, the contributions which were reported by the Committee and not reported by the registered political committees were verified by reviewing the contribution check of the registered political committees. Based upon this activity, the Audit staff will consider those contributions reported by the State Committee from registered political committees as acceptable.

Additionally, on June 3, 1985, the State Committee reported a cash receipt of \$23,862.50 from "Chairman's Reception." According to Mr. Davis, the Chairman's Reception was a joint fundraising event in which his State political committee was involved. The event was held in February 1985 at the Renaissance Center in Joliet, Illinois, the tickets were \$100 each, and the attendees were mostly individuals. The proceeds from the event were between \$50,000 and \$60,000 and were split between the two participating committees. Mr. Davis also stated a separate committee, the Chairman's Reception Committee, was formed to disburse the proceeds and that copies of this Committee's disclosure reports could be provided.

Page 17

The Audit staff reviewed the First Annual Chairman's Reception Committee (Chairman's Committee) ISBE report provided by Mr. Davis and determined that the State Committee's share of the joint fundraiser proceeds was \$27,198 (\$60,440 x .45) less its share of the cost, \$3,410.33 (\$7,578.52 x .45). An analysis of the proceeds follows:

<u>CATEGORY</u>	<u>TOTAL</u>	<u>% OF TOTAL</u>
Itemized Contributions:		
Registered Political Committees	\$ 720.00	5%
Individual Contributions	3,262.50	22%
Business/Corporate/Other	<u>10,507.00</u>	73%
Total Itemized Contributions	\$14,490.00	
Unitemized Contributions	<u>12,708.00</u>	
Total Proceeds	27,198.00	
LESS: Cost	<u>(3,410.33)</u>	
Net Proceeds to State Committee	<u>\$23,787.67</u>	

Based upon our review, it was determined that 27% (5% + 22%) of the itemized contributions were from funds acceptable under the Act. The Audit staff applied this percentage to the unitemized contributions reported by the Chairman's Committee and estimated the total amount of acceptable contributions included in the unitemized contributions to be \$3,431.16 (\$12,708 x .27). Based on Mr. Davis' statement that the tickets to the event were \$100 each and that the State of Illinois does not require the itemization of contributions aggregating less than \$150 in a calendar year, the Audit staff feels this is a reasonable estimation.

The Audit staff also reviewed the State Committee's receipts to ensure that no contribution limitations were exceeded for the primary election and determined that all contributions from permissible sources were within the contribution limitations.

Page 18

The Audit staff has calculated that the total amount of permissible funds available on June 9, 1986, the date the State Committee first made a payment on behalf of the Committee, was \$11,042.16. The State Committee did not receive any significant amount of contributions through its termination. Therefore since \$11,042.166 is in excess of the maximum \$5,145.14 in funds which the State Committee possibly paid on behalf of the Committee it is the Audit staff's opinion that no funds prohibited by the Act were spent by the State Committee on behalf of the Committee.

D. Review of Davis for Congress

1. Expenditures Made Prior to Statement of Candidacy on July 11, 1986

Section 432(e)(1) of the Title 2 of the United States Code states, in part, that each candidate for federal office shall designate a principal campaign committee no later than 15 days after becoming a candidate.

Section 431(2) of Title 2 of the United States Code states in part that the term "candidate" means an individual who seeks nomination for election to Federal office, and for purposes of this paragraph, an individual shall be deemed to seek nomination for election, or election if such individual has received contributions aggregating in excess of \$5,000 or has made expenditures aggregating in excess of \$5,000.

The MUR alleges that Mr. Davis made expenditures in excess of \$5,000 in June 1986 triggering candidate status under 2 U.S.C. §431(2). The expenditures totalling \$15,015.78 cited in the MUR were reported by the Committee on July 12, 1986 as memo entries, and a corresponding debt was also reported. Mr. Davis filed a statement of candidacy with the Federal Election Commission on July 11, 1986. To be in compliance with 2 U.S.C. §431(2), Mr. Davis could not have breached the \$5,000 threshold any earlier than June 26, 1986 which is 15 days prior to July 11, 1986.

The Audit staff's review determined the following expenditures made by both the State Committee and the Committee to have been either incurred or paid prior to July 11, 1986:

Personal Service Co.	7/09/86 Pd	1,540.99	11,827.46

* I denotes date incurred; Pd denotes date paid.

91040841868

According to Mr. Davis, Mr. Kavanaugh began working for the Committee in the beginning of July 1986, and Mr. Lis was public relations and press liason for Mr. Davis at the nominating convention on July 12, 1986. Based on the cancelled checks examined, each of them was paid \$1,250 for "Pre-Primary Salary" and \$1,500 for "Salary - July Partial"; therefore, the Audit staff has used July 1, 1986 as the date incurred for the "pre-primary" and "July partial" salary to both men. The payment to Personal Service Company was originally made by the State Committee on July 9, 1986. The Audit staff has used this date in its review based upon our conclusion in Section C.l.f. of this report, that the expenditure was on behalf of the Committee. The Audit staff used the date reported by the Committee on its July 12, 1986 memo disclosure for the amount to the Renaissance Center. All other dates were determined from a review of the documentation provided.

Therefore, based on the information available, the Committee did not violate 2 U.S.C. 431(2) because the \$5,000 expenditure limit was not breached until July 1, 1986, 11 days prior to the filing of Mr. Davis' Statement of Candidacy.

2. Committee Debt

Counsel expressed concerns regarding the Committee's debt situation as of December 31, 1987. The documentation provided by the Committee was not sufficient to determine whether any debts existed, nor the status of such debts if there were in fact debts.

Based on the information available, the Committee's 1987 year end filings and amendments, and certain documents provided by the Committee, it appears that the Committee disputed the amounts payable to certain vendors based upon incorrect billings, poor quality of work performed or non-performance of work.

Should Counsel's office wish to verify this activity, the Audit staff would require vendor histories and documentation from the Committee which support the Committee's contention that the amounts were not payable by the Committee due to incorrect billings, poor quality product or non-performance.

E. Summary of Findings with Respect to MUR

With respect to the allegations contained in the MUR, the Audit staff has determined the following:

- 1) The State Committee expended at least \$3,910.14 and at most \$5,145.14 on behalf of the Committee;

91040341869

- 2) The Audit staff has calculated that permissible funds totalling \$11,042.16 were available at June 9, 1986, the date the first payment by the State Committee on behalf of the Committee was made. Since this is in excess of the maximum amount (\$5,145.14) which was possibly expended on behalf of the Committee by the State Committee. It is the Audit Staff's opinion that no funds which are impermissible under the Act were expended on federal activity.
- 3) The State Committee made expenditures on behalf of a candidate for federal office in excess of \$1,000 during a calendar year, satisfying the requirements of 2 U.S.C. §431(4)(A), thus becoming a political committee.
- 4) The State Committee violated the reporting requirements of 2 U.S.C. §§433 and 434 by failing to file a statement of organization and a report of receipts and disbursements;
- 5) The Committee did not violate 2 U.S.C. 432(e)(1) nor §431(2) by spending in excess of \$5,000 during June 1986. Candidate status was triggered on July 1, 1986, the date on which the Committee breached the \$5,000 spending limitation. A Statement of Candidacy was filed July 11, 1986, within the required 15 days. The Committee did violate 2 U.S.C. §433 by not filing a Statement of Organization within 10 days of designation of a principal campaign committee. The Committee filed a Statement of Organization on August 15, 1986, 25 days late.
- 6) The Committee violated 2 U.S.C. §434(b) by not reporting the receipt of the in-kind contribution made by the State Committee. Since it is the Audit staff's opinion that the contribution was made with funds permissible under the Act, it is also the Audit staff's opinion that there was no violation of 2 U.S.C. §441(b)(a).
- 7) The Audit staff can not address the Committee's reporting deficiencies during the 1986 and 1988 election cycles at this time.

Dear Ebeleen:

THANK YOU.

For all or part of the past ten years, first in the old 42nd District and currently in the 84th District, it has been my privilege to serve as your State Representative.

As we have become better acquainted - you with my views and me with your concerns - we have become better able to help one another. Working together, we have been able to do much to make Will County a better area and Illinois a better state in which to live, work, raise a family, and finally, enjoy the fruits of our labors as we grow older.

Our shared frustration at the increase in crime and the seeming decrease in punishment led me to sponsor and support tough new measures to combat and punish crimes against people and property. At a local level, we joined together to form networks of concerned citizens to support and assist police and other law enforcement agencies.

Our common anxiety and uncertainty about area job prospects led me to sponsor and support a broad range of economic development initiatives to keep existing businesses and jobs and attract new industries and commerce to our communities. Working with local business and labor groups, we have acted to take advantage of the opportunities and resources made available through these new programs.

Because transportation is the lifeline of a region and its businesses, I have been pleased with and proud of our success in winning over \$50 million in needed road and bridge repair and improvement projects. We even succeeded in finally forcing the restructuring and reform of the RTA, so that we are no longer forced to pay for the wasteful practices of the Chicago Transit Authority.

91040341874

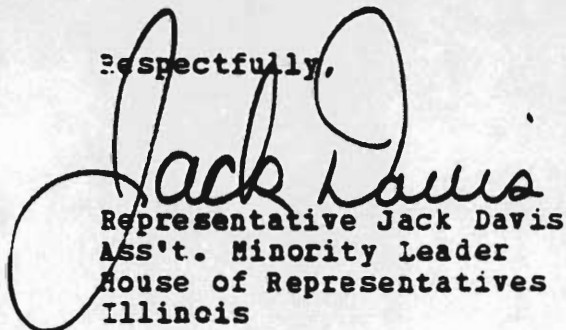

All of this and more has been accomplished while the State's budget has been and remains balanced and some state taxes have been reduced or eliminated.

In all of these efforts, I have sought to accurately and adequately reflect and represent your views and vision concerning Illinois' and Will County's current condition and our future.

Serving you in the General Assembly has been one of the most rewarding and productive experiences of my life. Thank you again for allowing me to be a part of your life and community for the past decade.

MEMORANDUM

TO: Robert J. Costa
Assistant Staff Director
Audit Division

THROUGH: John Surina

FROM: Lawrence M. Noble *LM*

Lois G. Lerner *LL*
Associate General Counsel

SUBJECT: MUR 2724 - Jack Davis for Congress

This is in response to your memorandum of November 12, 1990, concerning the scope of the Section 437g audit of the above-referenced matter. The memorandum provides a copy of draft audit findings based on your staff's review of records made available by the Jack Davis for Congress Committee and the Jack Davis State Political Committee. Your review indicates that additional bank records are necessary if a full scope audit is to be completed. However, based on the available records, the Audit staff is able to state an opinion regarding the primary issues in the MUR.

Based on our review of the draft findings, it appears that the limited audit provides sufficient bases for adequate resolution of the Commission's findings without spending additional resources to obtain missing bank records. Because the scope of a Section 437g audit may be tailored to the particular issues in the MUR, this Office will make recommendations to the Commission based on the Audit Division's limited review.

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On March 14, 1989, the Commission found reason to believe that the Davis for Congress Committee (federal) and Jack Davis, as treasurer, ("Federal Committee") violated 2 U.S.C. §§ 433(a), 434(a) and (b) and 2 U.S.C. § 441b(a). The Commission also found reason to believe that the Jack D. Davis Committee (state) and Jack Davis, as treasurer, ("State Committee") violated 2 U.S.C. §§ 433 and 434 and 2 U.S.C. § 441b(a). The Commission found reason to believe that candidate Jack Davis violated 2 U.S.C. § 432(e). On the same date, the Commission authorized an audit of the Davis for Congress Committee pursuant to 2 U.S.C. § 437g(a)(2).

On November 12, 1990, the Audit Division submitted its opinion on the issues in MUR 2724 based upon the records and information presently available. See Attachment A.¹ As set forth below, the General Counsel is prepared to recommend that the Commission now grant Respondents' request for pre-probable

cause conciliation based upon the opinions expressed in the Audit Division's memorandum, which is incorporated herein by reference.

II. ANALYSIS

The Audit Division examined the financial activity of the State Committee during 1986, and concluded that the State Committee made payments of at least \$3,910.14 on behalf of the Federal Committee.² See Attachment A at 4-14. The Audit staff then reviewed the State Committee's receipts to ascertain the source of the funds spent on behalf of the Federal Committee. As a result of that review, it was concluded that the State Committee had \$11,042.16 in permissible funds under the Act on the date the State Committee first made a payment on behalf of the Federal Committee and that no funds prohibited by the Act were spent by the State Committee on behalf of the Federal Committee.

In light of the auditors' conclusions on these issues, it appears that the State Committee failed to register and report as as a political committee based on financial support of Mr. Davis' federal campaign as required under 2 U.S.C. §§ 433 and 434. It further appears that the Federal Committee violated 2 U.S.C. § 434(b) in part by failing to report the receipt of the in-kind contributions made by the State Committee.

The Audit staff was unable comprehensively to address the Committee's Section 434(b) reporting deficiencies (particularly

2. The Audit staff could not determine conclusively whether another \$1,235 in state committee expenditures benefited the Federal committee.

21040841879

during 1987-1988) without the Federal Committee's missing bank statements, canceled checks, deposit slips, and other financial records listed at Attachment A, 24-26. Although the auditors could not specifically quantify the amount of misreported activity, the evidence of violations of 2 U.S.C. § 434(b) is not ambiguous. Federal Committee reports and amendments for the audit period apparently contain math errors, inadequate reporting or itemization of disbursements and contributor information.³ Therefore, the Office of the General Counsel does not recommend further allocation of agency resources to pursue bank records through Federal Committee depositories. The reporting problems will be included in the conciliation proposal.

The Audit Division also examined the expenditures of the Federal Committee in order to determine when Mr. Davis crossed the \$5,000 threshold triggering candidate status. The Audit staff concluded that the \$5,000 threshold was not breached until July 1, 1986, only 11 days before Mr. Davis filed his Statement of Candidacy. Because Mr. Davis filed his Statement of Candidacy within the 15 days prescribed by 2 U.S.C. § 432(e), this Office recommends taking no further action regarding Mr. Davis' violation of 2 U.S.C. § 432(e). We note, however, that the Federal Committee did not file its Statement of Organization until August 15, 1986, 25 days late in violation of Section 433.

3. Based on available bank records, the auditors indicated that the Federal Committee's reported activity for 1986 reflects without material difference the financial activity that occurred that year. However, a more limited review of political committee contributions from 1986 to 1988 indicated significant itemization problems.

91040841880

The Federal Committee also filed the 1987 Year End and 1988 12-Day Pre-Primary Reports late in violation of 2 U.S.C. § 434(a). See discussion of conciliation below.

Finally, based on the auditors' conclusions, it appears that the State Committee had sufficient permissible funds with which to make its expenditures on behalf of the Federal Committee. Therefore, this Office recommends that the Commission take no further action as the violations of 2 U.S.C. § 441b(a).

CONCILIATION AGREEMENT

This matter was initiated by a signed, sworn, and notarized complaint by the Democratic Congressional Campaign Committee and by Martin J. Gleason. The Federal Election Commission ("Commission") found reason to believe that Jack Davis for Congress Committee (federal) and Jack Davis, as treasurer ("Federal Respondents"), violated 2 U.S.C. §§ 433(a) and 434(a) and (b), and that Jack D. Davis Committee (state), and Jack Davis, as treasurer ("State Respondents"), violated 2 U.S.C. §§ 433 and 434.

NOW, THEREFORE, the Commission and the Respondents, having participated in informal methods of conciliation, prior to a finding of probable cause to believe, do hereby agree as follows:

- I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C. § 437g(a)(4)(A)(i).
- II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

the Commission.

IV. The pertinent facts in this matter are as follows:

1. Jack Davis for Congress Committee (federal) was the principal campaign committee of candidate Jack Davis from the Fourth Congressional District of Illinois during the 1986 and 1988 election campaigns.

2. From August 21, 1986, to December 7, 1988, the the respondent committee's treasurer of record was Arthur J. Dreyer. On December 7, 1988, Jack Davis became treasurer.

3. Jack D. Davis Committee was the campaign committee of Jack Davis for the Illinois State House.

4. Jack Davis is treasurer of the respondent committee.

5. 2 U.S.C. §§ 433 and 434 require registration and reporting of receipts and disbursements of political committees. 2 U.S.C. § 431(4) defines a political committee as any committee which receives contributions of \$1,000 or makes expenditures of \$1,000 during a calendar year.

6. According to FEC audit findings, State Respondents made in-kind payments of at least \$3,910.14 for goods and services on behalf of the Federal Respondents during 1986. By making expenditures in excess of \$1,000, the Jack D. Davis Committee became a political committee within the meaning of 2 U.S.C. § 431(4). Thus, State Respondents were required to register and report pursuant 2 U.S.C. §§ 433 and 434. State Respondents did not register and report with the Commission.

7. 2 U.S.C. § 433(a) requires that each authorized

91040841899

campaign committee file a statement of organization no later than 10 days after designation pursuant to section 432(e)(1).

8. Jack Davis became a candidate for federal office on July 1, 1986. Federal Respondents filed a Statement of Organization 25 days late, on August 15, 1986.

9. 2 U.S.C. § 434(b) requires the disclosure of receipts and expenditures in specific categories.

10. Federal Respondents reports and amendments during 1986 - 1988 contain math errors, inadequate reporting and itemization of disbursements and contributor information. Federal Respondents failed to report the receipt of in-kind contributions from State Respondents.

11. 2 U.S.C. § 434(a) requires the timely filing of reports of receipts and disbursements.

12. The 1987 Year End Report was due on January 31, 1988. Federal Respondents filed the report 12 days late on February 12, 1988, disclosing receipts of \$34,500 and disbursements of \$18,581.

13. The 1988 12 Day Pre-Primary Report was due on March 3, 1988. Federal Respondents filed the report 43 days late on April 15, 1988, disclosing receipts of \$450 and disbursements of \$4,116.

V. 1. Federal Respondents failed adequately to report receipts and expenditures in violation of 2 U.S.C. § 434(b).

2. Federal Respondents failed to file two reports in a timely manner in violation of 2 U.S.C. § 434(a).

3. Federal Respondents failed to file the Statement of

21040841900

Organization in a timely manner in violation of 2 U.S.C.

§ 433(a).

4. State Respondents failed to register and report as a political committee in violation of 2 U.S.C. §§ 433 and 434.

5. Respondents contend that the violations were not knowing and willful.

VI. Respondents will pay a civil penalty to the Federal Election Commission in the amount of two thousand five hundred dollars (\$2,500), pursuant to 2 U.S.C. § 437g(a)(5)(A).

VII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

VIII. This agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

IX. Respondents shall have no more than 30 days from the date this agreement becomes effective to comply with and implement the requirements contained in this agreement and to so notify the Commission.

X. This Conciliation Agreement constitutes the entire agreement between the parties on the matters raised herein, and no other statement, promise, or agreement, either written or

91040341901

oral, made by either party or by agents of either party, that is not contained in this written agreement shall be enforceable.

DUE TO THE PECULIAR NATURE OF THE FEDERAL ELECTION COMMISSION ADMINISTRATIVE RULES, THE CONCILIATION AGREEMENT OF APRIL, 1991 BETWEEN THE F.E.C. AND THE DAVIS FOR CONGRESS COMMITTEE REQUIRED THE SIGNATURE OF THE CURRENT CARETAKER TREASURER OF THE DAVIS FOR CONGRESS COMMITTEE (JACK DAVIS) RATHER THAN THAT OF THE INCUMBENT TREASURER OF THAT COMMITTEE AT THE TIME OF THE CIVIL VIOLATIONS OF THE ELECTION CODE (ARTHUR DREYER).

ARTHUR DREYER OF SOUTH HOLLAND, ILLINOIS WAS THE TREASURER OF THE DAVIS FOR CONGRESS COMMITTEE FROM ITS INCEPTION IN 1986 UNTIL DECEMBER, 1988. (SEE PAGE 2, SEC. IV OF THE CONCILIATION AGREEMENT)

CONGRESSMAN JACK DAVIS BECAME ACTIVE IN CORRECTING THE DEFICIENCIES IN THE COMMITTEE REPORTING IN JULY OF 1988 AND SUBSEQUENT TO THAT TIME THERE WERE NO FURTHER DEFICIENCIES NOTED IN THE COMMITTEE REPORTS TO THE F.E.C. (MR. DAVIS BECAME THE COMMITTEE TREASURER IN DECEMBER 1988, SEE PAGE 2, SEC. IV OF THE CONCILIATION AGREEMENT).

THE COMMITTEE AGREED AFTER THE CITATIONS WERE ISSUED THAT THE REPORTING IRREGULARITIES CITED BY THE F.E.C. WERE ACCURATE, HOWEVER THE F.E.C. CHOSE TO SPEND ONE YEAR IN AUDIT OF THE RECORDS OF THE COMMITTEE ONLY TO REDUCE THE NUMBER OF CITATIONS ISSUED TO THE COMMITTEE!

THE COMMITTEE BELIEVES THE CIVIL FINE LEVIED WAS EXCESSIVE AND WAS LEVIED IN THAT AMOUNT IN AN EX-POST FACTO ATTEMPT TO JUSTIFY THE AFOREMENTIONED AUDIT!

THE LEGAL CONFRONTATION TO REFUTE THE CITATIONS AGAINST THE STATE (IL) POLITICAL COMMITTEE WOULD HAVE COST SUBSTANTIALLY MORE THAN THE PRO-RATA SHARE OF THE CIVIL FINE ASSESSED AND THE DECISION WAS MADE TO SIGN THE CONCILIATION AGREEMENT NOTWITHSTANDING THE CONVICTION OF THE STATE COMMITTEE THAT NO INFRACTIONS OF THE ELECTION CODE WERE MADE BY THE STATE COMMITTEE.

THE CIVIL FINE HAS BEEN PAID BY THE RESIDUAL FUNDS IN THE DAVIS FOR CONGRESS COMMITTEE.
