Receipt of Excessive Contributions

The Friends of Senator David Karnes committee ("the Committee") has accepted and refunded excessive contributions totalling \$10,445.83 in 1989. These contributions were contributed by forty (40) individuals and one (1) political committee. Presented below is a summary of the excessive contributions received, the notices sent, and the responses received. A. Possible Violations Discovered During Initial Review

1989 Mid-Year Report

Schedule A of the Committee's report discloses the receipt of excessive contributions totalling \$7,911.99 from thirteen (13) individuals and one (1) political committee. The Committee noted on Schedule A that the excessive amounts had been refunded on either September 22nd, 25th or 28th, 1989. A Request for Additional Information ("RFAI") was sent to the Committee on November 7, 1989 (Attachment 2). The RFAI noted the receipt of the excessive contributions and requested that the Committee refund or redesignate the amount in excess of the \$1,000 limit.

*monies refunded 9/22/89

If the contribution(s) in question was incompletely or incorrectly reported, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limit, you should either refund to the donor(s) the amount in excess of \$1,000 or \$5,000 per election or get the donor(s) to redesignate the contribution(s) in writing. The Commission should be notified if a refund is necessary. Refunds are reported on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which the refund is made.

Redesignations are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation is received. (11 CFR §104.8(d)(2) and (4))

Although the Commission may take further legal steps, prompt action by you to refund or seek redesignation of the excessive amount(s) will be taken into consideration.

-Line 10 of the Summary Page of your report discloses \$111,148.65 in outstanding loans/debts. The sum of Schedule C loans and Schedule D debts indicates \$115,540.65 in outstanding obligations. Please explain the discrepancy and amend your report. (11 CFR §104.3(d))

-Debt payments for this period (Schedule D) are greater than the payments itemized on Schedule B. Each expenditure to a person which in the aggregate is greater than \$200 for the year must be reported on Schedule B. "Person" includes an individual, partnership, corporation, association, and public or private organization -- other than an agency of the United States Government. Please explain the discrepancies in the payments made to Lovgren Advertising - \$1,555.61. (11 CFR §§104.3(b)(4)(i)(A) and 100.10)

-You have previously indicated that your committee has been using "best efforts" to obtain the occupation and name of employer for each contributor. This "best efforts" statement must be reconfirmed for each election cycle. Please provide a current statement to this effect. (11 CFR §104.7)

-When a committee reports receiving a loan from the candidate, it is necessary to clarify whether or not the candidate used his/her personal funds or borrowed the money from a lending institution or any other source. If the candidate borrowed funds from a lending institution, or any other source, please provide the name of the lending institution and the complete terms of the loan. If the loan(s) was from personal funds, please acknowledge that fact in an amendment to this report. It is important to note that "personal funds" is strictly defined by Commission Regulations and may be found in 11 CFR §100.10. (11 CFR §§100.7(a)(1) and 104.3(d))

-An expenditure to American Express for \$7,661.90 has been disclosed. When itemizing payments made to credit card companies you must list the name and address of the original vendor from which you purchased an item or a service. You should also show the date, the amount, and the purpose of the payment if you have paid more than \$200 this year to the vendor. (11 CFR §104.9)

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 376-2480.

Re: Friends of Senator Dave Karnes 1988 Campaign

Dear Ms. Shepard:

In your recent November correspondence you requested information on the refund procedures of the Campaign for those individuals and PAC's who contributed more than the legal amount. Please reference the enclosed copies of checks which were sent to those individuals and PAC's over the limit. I have also included a copy of the form letter that went with the checks.

In addition, your November correspondence requests information on our personal borrowings to pay Campaign debts. Please note that my wife Elizabeth and I borrowed \$48,000 from Norwest Bank Nebraska, N.A. on June 30, 1989. This money was loaned to my wife and I and we immediately loaned it to the Campaign. The terms of the Norwest bank loan were a 90-day renewable note at the bank's prime rate, plus an adjustable percent. At this time the personal Norwest Bank loan has been repaid; however, the indebtedness from the Campaign to my wife and I remains outstanding, plus interest. The terms of that note from the Campaign are the same as the Norwest bank note.

If you have any questions on any of these items, please do not hesitate to call or write at our home or at my office address at 1650 Farnam Street, Omaha, NE 68102, (402) 346-6000.

Sincerely,

David K. Karnes

STAFF MEMBER: Frances B. Hagan

SOURCE: I N T E R N A L L Y G E N E R A T E D

RESPONDENTS: Friends of Senator David Karnes
Jon D. Hoffmaster, Treasurer

RELEVANT STATUTES: 2 U.S.C. § 441a(a)(1)(A) and (2)(A)
2 U.S.C. § 441a(f)

INTERNAL REPORTS CHECKED: Referral Materials

FEDERAL AGENCIES CHECKED: None

I. GENERATION OF MATTER

This matter was referred to the Office of the General Counsel by the Reports Analysis Division ("RAD") on March 2, 1990. The referral states that the Friends of Senator David Karnes Committee ("the Committee") accepted and refunded excessive contributions totaling \$10,445.83 from 40 individuals and one political committee.

The Committee was principal campaign committee for David Karnes, a candidate for election to the U.S. Senate in the Nebraska general election held November 8, 1988.

II. FACTUAL AND LEGAL ANALYSIS

The Federal Election Campaign Act of 1971, as amended, ("the Act") provides that any person may contribute an aggregate of \$1,000 with respect to any election to a candidate for federal office and that a multi-candidate political committee may

40804582

contribute an aggregate of \$5,000 with respect to any election to a candidate for federal office. 2 U.S.C. §§ 441a(a)(1)(A) and 441a(a)(2)(A). A political committee may not knowingly accept a contribution in excess of these limitations. 2 U.S.C. § 441a(f).

The Commission's Regulations provide that excessive contributions may be deposited into the campaign depository or returned to the contributor. The treasurer may request redesignation or reattribution of the contribution by the contributor. If a redesignation or reattribution is not obtained, the treasurer shall, within sixty days of the treasurer's receipt of the contribution, refund the contribution to the contributor. 2 U.S.C. § 103.3(b)(3).

RAD's review of the Committee's reports and responses to inquiries has identified excessive contributions totaling \$10,445.83 from 40 individuals and one political committee. The excessive contributions appear to have been made in connection with the 1988 general election. On October 31, 1989, the Committee refunded all excessives. The refunds were made between four and eleven months after receipt of the original contributions.

The Committee identified the excessive contributions and made all refunds prior to notification by RAD. In response to RAD's Request for Additional Information ("RFAI") of November 7, 1989, the Committee submitted copies of refund checks.¹

1. The Committee's refund checks included \$2,533.84 to contributors not identified in RAD's review. These unitemized receipts have been added to the \$7,911.99 identified by RAD in its RFAI, to obtain the total amount referred (\$10,445.83).

Therefore, because the Committee accepted contributions in excess of limitations, there is reason to believe that a violation of 2 U.S.C. § 441a(f) occurred in this matter.

III. RECOMMENDATIONS

1. Open a MUR.
2. Find reason to believe that the Friends of Senator David Karnes Committee and Jon D. Hoffmaster, as treasurer violated 2 U.S.C. § 441a(f).
3. Approve the attached letter and Factual and Legal Analysis.

RE: MUR 3055
Friends of Senator David Karnes
Jon D. Hoffmaster, as treasurer

Dear Mr. Hoffmaster:

On April 19, 1990, the Federal Election Commission found that there is reason to believe the Friends of Senator David Karnes ("Committee") and you, as treasurer, violated 2 U.S.C. § 441a(f), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Frances B. Hagan, the staff member assigned to this matter, at (202) 376-8200.

MUR 3055

Dear Ms. Hagen:

During the final days of the 1988 senatorial election for my husband, Dave Karnes, the Friends of Senator Dave Karnes committee received \$10,445.83 of excessive contributions from 410 individuals and one political committee. Immediately after the election, the paid staff handling the finances quit and I began to personally handle these matters. When I realized that these contributions had been made, I sent refunds to all persons who had exceeded the limit. I sent letters explaining the situation to them, and in fact, identified additional individuals who had exceeded the limit who had not been identified in RAD's review and refunded these persons.

The committee has made a good faith effort to remedy the situation. My husband and I have worked very hard this past year to raise funds to pay for our existing debts and we have followed each rule very carefully. We regret that we relied on others to manage these affairs, however, in part, because of the very difficult appointment circumstances, instantaneous campaign demands and absence of federal campaign law experience prior to the Senate appointment. Now that we are personally handling the financial affairs of the committee and working diligently to meet the letter and spirit of the law, we are certain that such a problem will not occur again.

We believe that the way to resolve this situation is to request preprobable cause conciliation. We hope the Commission will take into consideration that Neither Dave nor I knew of the excess contributions, when we realized the contributions had been made above the limit, we repaid in full those identified by the Commission and then took it upon ourselves to do an extended

examination of the Commttee's boxes of finance records to locate any other similar excess contributions, albeit small, and make immediate repayments and report same to your office--which was done.

Thank you for your consideration of this matter.

On April 19, 1990, the Commission found reason to believe that the Friends of Senator David Karnes ("Committee") and Jon D. Hoffmaster, as treasurer, violated 2 U.S.C. § 441a(f) by accepting excessive contributions totaling \$10,445.83 from 40 individuals and one political committee. On October 31, 1989, the Committee refunded all excessive contributions. The refunds were made between four and eleven months after receipt of the original contributions.

In response to the reason to believe finding, the Committee requested resolution of this matter through pre-probable cause conciliation.

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission ("Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found reason to believe that the Friends of Senator David Karnes Committee and Jon D. Hoffmaster, as treasurer, ("Respondents") violated 2 U.S.C. § 441a(f).

NOW, THEREFORE, the Commission and the Respondents, having participated in informal methods of conciliation, prior to a finding of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C.

§ 437g(a)(4)(A)(i).

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

A political committee may not knowingly accept a contribution in excess of these limitations. 2 U.S.C. § 441a(f).

4. The Commission's Regulations provide that excessive contributions may be deposited into the campaign depository or returned to the contributor. The treasurer may request redesignation or reattribution of the contribution by the contributor. If a redesignation of reattribution is not obtained, the treasurer shall, within sixty days of the treasurer's receipt of the contribution, refund the contribution to the contributor. 11 C.F.R. § 103.3(b)(3).

5. In connection with the 1988 general election for U.S. Senate, Respondents accepted excessive contributions totaling \$10,445.83 from 40 individuals and one political committee.

V. Respondents accepted excessive contributions in violation of 2 U.S.C. § 441a(f).

VI. Respondents will pay a civil penalty to the Federal Election Commission in the amount of one thousand dollars (\$1,000), pursuant to 2 U.S.C. § 437g(a)(5)(A).

VII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement.
