RECEIVED
FEDERAL ELECTION COMMISSION

Dear Mr. Noble:

This complaint, filed by the National Republican Congressional Committee (hereinafter "NRCC") with its address at 320 First Street S.E., Washington, D.C. 20003, in accordance with 2 U.S.C. §437g(a)(1) and 11 CFR §111.3(a) with the Federal Election Commission (hereinafter "Commission"), alleges violation of the Federal Election Campaign Act of 1971, as amended, (hereinafter "Act") by Van Sistine For Congress, of 684 Lida Lane, Greenbay, WI 54304, Roland E Sigl, Treasurer (hereinafter "Respondent").

FACTS:

On January 18, 1991, Respondent filed a January 31, 1990 Year End Report covering the period 11/27/90 through 12/31/90. At page one of this report, in the Summary section, Column A (this period), line 7, Respondent lists \$8847.86 in operating expenditures during the period described above (see attached Exhibit A). The following page of the report, or the Detailed Summary Page, shows at line 17 \$347.86 as the total operating expenditures for the period. For the Calendar Year to Date, Column B, total operating expenditures were reported as \$8,500.00 (see attached Exhibit B). An addition of the two figures in the Detailed Summary Page described immediately above and included at Exhibit B totals \$8,847.86, an amount identical to the figure for operating expenditures cited at Exhibit A and described above.

Respondents have apparently incorrectly reported operating expenditures for the 11/27/90 Through 12/31/90 period. Instead of having \$347.86 in expenditures, Respondents have more likely expended \$8,847.86. Schedule B, which details all itemized disbursements, includes a total of only 3 disbursements which are, individually, the Democratic Party of Wisconsin for \$108.67,

92040894471

9 2 4 4 8 9 4 4 7 2

Wisconsin Bell Telephone Company for \$132.48, and Heigl Office Supply, for \$106.71. These payments total \$347.86 (Exhibit C). A total of \$8,847.00 was probably expended by Respondent during the period according to Respondent's own records, cited herein. Where is the supporting Schedule B describing these payments? The contention that \$8,500.00 worth of unitemized expenditures were made stretches the limits of credulity to their breaking point.

Prayer For Relief:

The NRCC asks that the Federal Election Commission investigate and discover whether Respondent did indeed have expenditures of \$8,500.00 or less which were required reported by federal law yet were not reported. If indeed these expenditures were not reported, the NRCC would request that the FEC ascertain whether this omission was deliberate, and, in either event, impose any and all penalties within its power.

Respectfully Submitted,

Mark Pischea
Deputy Executive Director
National Republican Congressional Committee

Attn: Lawrence Noble

Dear Mr. Noble:

This letter is in reply to your letter dated April 18, 1991 regarding MUR 3252.

I have enclosed a copy of my January 31 Year End Report which accounts for \$8,847.86 in Net Operating Expenses.

I transferred \$8,500 from the Van Sistine for Congress account back to the Friends of Van Sistine account on December 27, 1990. The \$8,500 was accounted for in Net Operating Expenses in Exhibit A, (line 7c). I included the \$8,500 transfer on a separate page of the January 31 Year End Report which was not included in any of your exhibits. The \$8,500 transfer plus the \$347.86 total on Exhibit C total \$8,847.86 in Net Operating Expenses.

The records will show I had originally transferred over \$10,000 from the Friends of Van Sistine account to the Van Sistine for Congress account. The disbursement of \$8,500 to the Friends of Van Sistine account on the January 31 Year End Report is a reimbursement to that account.

I would be happy to answer any further questions you may have regarding this matter.

Sincerely,

JEROME VAN SISTINE

I. GENERATION OF MATTER

On April 12, 1991 the Federal Election Commission (the "Commission") received a complaint from Mark Pischea, Deputy Executive Director of the National Republican Congressional Committee ("NRCC"), alleging that Van Sistine for Congress (the "federal committee") may have failed to properly report all of its operating expenditures in excess of \$200 on its 1990 Year End Report. Attachment 1. The complaint alleged that the Committee disclosed on the Summary Page of its 1990 Year End Report a total of \$8,847.86 in operating expenses but disclosed only a total of \$347.86 in such operating expenses in Column A, Line 17 of the accompanying Detailed Summary Page and on the supporting Schedule B. The complaint further points out that the difference between the two figures is \$8,500 which is the

9204484

same amount that the Committee disclosed as its year to date amount in Column B, Line 17 on the Detailed Summary Page.

The respondents were notified of the NRCC complaint on April 18, 1991 and respondents submitted a response shortly thereafter. Attachment 2.

II. FACTUAL AND LEGAL ANALYSIS

The Federal Election Campaign Act of 1971, as amended (the "Act") and the Commission Regulations provide that all political committees established, financed, maintained or controlled by the same person are affiliated. 2 U.S.C. § 441a(a)(5) and 11 C.F.R. § 100.5(g)(2)(E). Transfers of funds may be made without limit between affiliated committees, so long as the transfers are made only from funds permissible under the Act. 11 C.F.R. § 102.6(a). However, such transfers count against the thresholds for determining whether a committee is a political committee. Thus, an affiliated committee must register and report with the Commission as a political committee once its transfers or expenditures exceed \$1,000 in face value or in aggregate. See Advisory Opinion 1987-12. When registering, the committee must exclude from its cash-on-hand any impermissible funds. Id.; 11 C.F.R. § 104.12.

The Act requires that treasurers of political committees shall file periodic reports of receipts and disbursements. 2 U.S.C. § 434(a). Pursuant to 2 U.S.C. § 434(b)(4), each report shall disclose the total amount of all disbursements for the reporting period and the calendar year, including all transfers to other committees authorized by the same candidate and all transfers to affiliated committees. 2 U.S.C.

9 2 4 0 8 9 4 4 3 5

§§ 434(b)(4)(B) and (C). Pursuant to 2 U.S.C. § 434(b)(5)(C), each report shall also contain the name and address of each affiliated committee to which a transfer is made by the reporting committee during the reporting period.

Pursuant to 2 U.S.C. § 431(9)(A)(a), an "expenditure" is defined as any purchase, payment, distribution, loan, advance, deposit, or gift of money or anything of value, made by any person for the purpose of influencing any Federal election. A "person" is defined as an individual, partnership, committee, association, corporation, labor organization, or any other organization or group of persons. 2 U.S.C. § 431(11).

According to the federal committee's April 29, 1991 response, over \$10,000 was previously transferred from the Friends of Van Sistine (the "state committee"), to the federal committee. See Attachment 2. According to the Wisconsin Elections Board, Friends of Van Sistine is an on-going political committee registered in the state of Wisconsin and was Mr. Van Sistine's campaign committee when he ran for the state senate.

The federal committee's response further explains that the \$8,500 was merely a "reimbursement" to the state committee which occurred on December 27, 1990. Attached to the response was a copy of the 1990 Year End Report including a supporting Schedule B which itemizes the \$8,500 transfer to the state committee. The 1990 Year End Report on file with the U.S. House of Representatives, however, does not contain this page. Indeed, the sole Schedule B accompanying the report on file with the House of Representatives and the Commission, which lists only the \$347.86 in operating expenses reported on the Detailed

9 2 7 4 0 8 9 4 4 8 6

Summary Page, is marked "Page 1 of 1."¹ Thus, it appears that the supporting Schedule B included with the response may have been prepared at a different time.

Comparing the federal and state committees' respective disclosure reports, it appears that the state committee transferred a total of \$12,000 to the federal committee and approximately a total of \$9,325 was transferred back to the state committee. However, there are a few discrepancies regarding the reporting of these transfers of money between the two committees. The state committee disclosed a transfer of \$11,500 to the federal committee on July 25, 1990, but the federal committee disclosed the receipt of \$11,000 and \$500 on August 21 and October 1, 1990, respectively. Similarly, the federal committee disclosed that it had transferred \$825 to the state committee on August 10, 1990, but the state committee did not report the receipt of this amount. Finally, according to the federal committee's response in this matter, \$8,500 was transferred to the state committee on December 27, 1990. The state committee disclosed the receipt of the \$8,500 but did not provide the date of receipt. Therefore, the Office of the General Counsel recommends that the Commission find reason to believe that Van Sistine for Congress and Roland E. Sigl, as treasurer, violated 2 U.S.C. §§ 434(b)(4)(B) and (C) and 434(b)(5)(C). Since these violations would not be referable under the Reports Analysis Division's ("RAD") referral thresholds for authorized committees, and consistent with the

1. The copy of the report attached to respondents' submission is identical to the report on file in all other respects, including the pagination of the first Schedule B.

9 2 4 0 8 9 4 4 8 7

proper ordering of the Commission's priorities and resources, see Heckler v. Chaney, 470 U.S. 821 (1985), this Office recommends that the Commission take no further action with regard to the violations of 2 U.S.C. §§ 434(b)(4)(B) and (C) and 434(b)(5)(C), and close the file with respect to the federal committee.²

Under Wisconsin law, corporations, as well as cooperatives and labor organizations incorporated for liability purposes, are prohibited from making any contribution or disbursement, directly or indirectly, either independently or through any political party, committee, group, candidate or individual for any purpose other than to promote or defeat a referendum. Wis. Stat. § 11.38(1)(a)(1990).³ Individual contributors are limited to an aggregate of \$10,000 per calendar year and are limited to \$1,000 for each state senate race. Wis. Stat. § 11.26(1)(b)(1990).

Since Wisconsin state law prohibits corporations and labor unions from making contributions and limits individual contributions to candidate committees, the transfer of funds from the state committee to the federal committee does not raise contribution issues, particularly since the two committees

2. This Office discovered other reporting discrepancies such as incorrect column and line totals and totals on the wrong line of the Summary and Detailed Summary Pages. However, this Office makes no recommendations regarding the other reporting discrepancies since they would not be referable under RAD's thresholds for authorized committees.

3. Pursuant to Wisconsin Statute § 11.01(6)(a)(1990), a "contribution" is defined as a gift, subscription, loan, advance, or deposit of money or anything of value (except a loan of money by a commercial lending institution made by the institution in the ordinary course of business), made for political purposes.

are affiliated. However, when the state committee transferred \$12,000 to the federal committee, it became a political committee within the meaning of 2 U.S.C. § 431(4). The state committee, however, failed to register and report under the Act. Therefore, this Office recommends that the Commission find reason to believe that Friends of Van Sistine and its treasurer violated 2 U.S.C. §§ 433(a) and 434(a).

III. RECOMMENDATIONS

1. Find reason to believe that Van Sistine for Congress and Roland E. Sigl, as treasurer, violated 2 U.S.C. §§ 434(b)(4)(B) and (C) and 434(b)(5)(C), but take no further action.
2. Close the file with respect to Van Sistine for Congress and Roland E. Sigl, as treasurer.
3. Find reason to believe that Friends of Van Sistine and its treasurer, violated 2 U.S.C. §§ 433(a) and 434(a).
4. Approve the attached Factual and Legal Analyses and send the appropriate letters.

RE: MUR 3252
Van Sistine for Congress and
Ronald E. Sigl, as treasurer

Dear Mr. Sigl:

On August 14, 1991, the Federal Election Commission found reason to believe that Van Sistine for Congress ("Committee") and you, as treasurer, violated 2 U.S.C. §§ 434(b)(4)(B) and (C) and 434(b)(5)(C), provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). However, after considering the circumstances of this matter, the Commission also determined to take no further action and closed its file as it pertains to the Committee and you, as treasurer. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

The Commission reminds you that the failure to disclose the total amount of all disbursements for the reporting period and the calendar year, including all transfers to other committees authorized by the same candidate and all transfers to affiliated committees appears to be a violation of 2 U.S.C. §§ 434(b)(4)(B) and (C). Further, the failure to provide the name, address, date, and amount of each transfer to each affiliated committee by the reporting committee during the reporting period appears to be a violation of 2 U.S.C. § 434(b)(5)(C). You should take immediate steps to insure that this activity does not occur in the future.

The file will be made part of the public record within 30 days after this matter has been closed with respect to all other respondents involved. Should you wish to submit any materials to appear on the public record, please do so within ten days of your receipt of this letter. Such materials should be sent to the Office of the General Counsel.

The confidentiality provisions of 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) remain in effect until the entire matter is closed. The Commission will notify you when the entire file has been closed. In the event you wish to waive confidentiality under 2 U.S.C. § 437g(a)(12)(A), written notice of the waiver must be submitted to the Commission. Receipt of the waiver will be acknowledged in writing by the Commission.

If you have any questions, please direct them to Tamara Kapper, the staff member assigned to this matter, at (202) 376-5690.

Pursuant to 2 U.S.C. § 431(9)(A)(a), an "expenditure" is defined as any purchase, payment, distribution, loan, advance, deposit, or gift of money or anything of value, made by any person for the purpose of influencing any Federal election. A "person" is defined as an individual, partnership, committee, association, corporation, labor organization, or any other organization or group of persons. 2 U.S.C. § 431(11).

According to the federal committee's April 29, 1991 response, over \$10,000 was previously transferred from the Friends of Van Sistine (the "state committee"), to the federal committee. According to the Wisconsin Elections Board, Friends of Van Sistine is an on-going political committee registered in the state of Wisconsin and was Mr. Van Sistine's campaign committee when he ran for the state senate.

The federal committee's response further contends that the \$8,500 was merely a "reimbursement" to the state committee which occurred on December 27, 1990. Attached to the response was a copy of the 1990 Year End Report including a supporting Schedule B which itemizes the \$8,500 transfer to the state committee. The 1990 Year End Report on file with the U.S. House of Representatives, however, does not contain this page. Indeed, the sole Schedule B accompanying the report on file with the House of Representatives and the Commission, which lists

RE: MUR 3252
Friends of Van Sistine and
its treasurer

Dear Treasurer:

On April 18, 1991, the Federal Election Commission notified Jerome Van Sistine of a complaint alleging violations of certain sections of the Federal Election Campaign Act of 1971, as amended ("the Act"). A copy of the complaint was forwarded to him at that time.

Upon further review of the allegations contained in the complaint, and information supplied by Mr. Van Sistine, the Commission, on August 14, 1991, found that there is reason to believe Friends of Van Sistine and its treasurer, violated 2 U.S.C. §§ 433(a) and 434(a), provisions of the Act. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and its treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office within 15 days of receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and its treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of the General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending declining that pre-probable cause conciliation be pursued. The Office of the General Counsel may recommend that

9 2 2 4 0 3 9 4 4 9 7

pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter. Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public.

If you have any questions, please contact Tamara Kapper, the staff member assigned to this matter, at (202) 376-5690.

Re: MUR 3252

Ladies and Gentlemen:

Jerome Van Sistine today asked me to help straighten out the apparent mistake of his volunteers in 1989 and 1990, and has designated me as counsel for this purpose.

Pursuant to your letter, he takes the option of pursuing pre-probable cause conciliation and so requests via this letter. I guess we do so in hopes of finding out how he can rectify any past mistakes made and preserve his reputation, because if anything wrong was done I can assure you it was not intentional and will never be repeated since he does not ever intend to pursue such public office again.

Even if it is informal advice, can you please contact me to let me know what Mr. Van Sistine has to do to resolve this issue and what penalties he faces, so that the worry this is causing can be done with?

Thank you in advance.

Sincerely,

William P. Dixon

Re: MUR 3252

Dear Ms. Kapper:

This is in response to your recent letter and Factual and Legal Analysis with Respondents Friends of Van Sistine and its Treasurer. I have been designated as counsel for purposes of this matter.

The Treasurer of Friends of Van Sistine is Jerome Van Sistine, 684 Lida Lane, Green Bay, Wisconsin 54304.

The Committee and Treasurer wish to pursue pre-probable cause conciliation.

The Committee and Treasurer agree with the Commission's Factual and Legal Analysis which accompanied your recent letter.

The Committee and Treasurer will follow any directions the Commission gives which require Committee registration and report filing.

Please accept our assurances that there was no intent to violate the reporting or any other provisions of the law. We read the law in one way, and were not totally knowledgeable about current interpretations of the law.

We believed that since \$12,000 was transferred from the Committee, and \$9,325 transferred back, only a net of \$2,675 was a contribution, and registration was not required. Thank you for clarifying this for us. Such an error will never be repeated again by us.

The contributions to Friends of Van Sistine represent supporters of Mr. Van Sistine in smaller amounts, with none in

excess of \$1,000. You can understand there was no intent to conceal them, as their identities were publicly filed in Wisconsin pursuant to Wisconsin law. We shall, of course, file them again with the Commission when so directed. There was no intent to evade either the letter or spirit of federal law, and regret our mistake.

I look forward to hearing further from the Commission in this matter.

Thank you very much for your help and assistance.

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On April 12, 1991 the Federal Election Commission (the "Commission") received a complaint alleging that Van Sistine for Congress and Ronald E. Sigl, as treasurer (the "federal committee"), may have failed to properly report all of its operating expenditures in excess of \$200 on its 1990 Year End Report. After further investigation, on August 14, 1991 the Commission found reason to believe that the federal committee violated 2 U.S.C. §§ 434(b)(4)(B) and (C), and 434(b)(5)(C) but determined to take no further action. However, on that same date, the Commission did find reason to believe that Friends of Van Sistine and its treasurer¹ (the "state committee") violated 2 U.S.C. §§ 433(a) and 434(a) for the failure to register and file disclosure reports with the Commission. On September 5, and 11, 1991 the state committee submitted responses to the

Commission's reason to believe findings. Attachment 1 and 2, respectively.

RE: MUR 3252
Friends of Van Sistine and
Jerome Van Sistine, as
treasurer

Dear Mr. Dixon

On August 14, 1991 the Federal Election Commission found reason to believe that Friends of Van Sistine and its treasurer, violated 2 U.S.C. §§ 433(a) and 434(b)(5)(C). At your request, on October 23, 1991, the Commission determined to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe.

Enclosed is a conciliation agreement that the Commission has approved in settlement of this matter. If your clients agree with the provisions of the enclosed agreement, please sign and return it, along with the civil penalty, to the Commission. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible.

If you have any questions or suggestions for changes in the agreement, or if you wish to arrange a meeting in connection with a mutually satisfactory conciliation agreement, please contact Tamara Kapper, the staff member assigned to this matter, at (202) 219-3690.

Dear Senator Van Sistine:

A group of Wisconsin physicians who specialize in Ophthalmology have chosen to make their campaign donations through an association known as "Ophthalmologists for Better Government". One of the Ophthalmologists who contributed to the fund, Dr. Karl Schwiesow, of Green Bay, has requested that the enclosed check be forwarded to your campaign committee. In transferring the money in such a manner, the Ophthalmologists' committee is merely acting as a conduit for the "ear-marked" campaign funds. An opinion of the State Elections Board (Op. El. SUBJECT-MESSAGE

RE: January 91 Finance report

Enclosed is an error notice regarding the above report asking for additional information and clarification of several items/ If you have any questions, please feel free to call me at 608 267 9252.

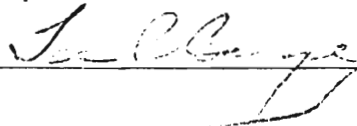

I also have a question regarding several contributions shown on schedule 1A as coming to your committee from conduits. You show receiving \$55.00 from Roger von Heimburg and \$100 from ?Gilbert Mueller, both contributions through the Physicians for Better Government conduit.

The conduit letter transferring the payments to you show von Heimburg giving your committee \$50 and Mueller \$50. Could you please check your records to advise which amounts are correct.

There also several other conduit letters in our file showing contributions which have not been reported on your reports. If some of these contributions were deposited to your Federal committee, please advise so we can make the correct adjustments.

If you have any questions regarding these matters, please call me. Thanks for your cooperation in this matter.

CONCILIATION AGREEMENT

This matter was initiated by a signed, sworn, and notarized complaint by Mark Pischea, Deputy Executive Director of the National Republican Congressional Committee. The Federal Election Commission ("Commission") found reason to believe that Friends of Van Sistine and its treasurer ("Respondents"), violated 2 U.S.C. §§ 433(a) and 434(a).

NOW, THEREFORE, the Commission and the Respondents, having participated in informal methods of conciliation, prior to a finding of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C. § 437g(a)(4)(A)(i).

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

1. Friends of Van Sistine is the authorized campaign committee for Jerome Van Sistine's state senate campaign in the state of Wisconsin.

2. Jerome Van Sistine is the treasurer of Friends of Van Sistine.

3. Mr. Van Sistine was a candidate for the U.S. House of Representatives in the 1990 primary and general elections from the 8th Congressional District of Wisconsin. Van Sistine for Congress and Ronald E. Sigl, as treasurer, is the authorized principal campaign committee for Mr. Van Sistine's congressional campaign.

4. The Federal Election Campaign Act of 1971, as amended (the "Act"), and Commission Regulations, provide that all political committees established, financed, maintained or controlled by the same person are affiliated. 2 U.S.C. § 441a(a)(5) and 11 C.F.R. § 100.5(g)(2)(E). Transfers of funds may be made without limit between affiliated committees, so long as the transfers are made only from funds permissible under the Act. 11 C.F.R. § 102.6(a). However, such transfers count against the thresholds for determining whether a committee is a political committee. Thus, an affiliated committee must register and report with the Commission as a political committee once its transfers or expenditures exceed \$1,000 in face value or in aggregate.

92040894701

5. The Act further requires that treasurers of political committees shall file periodic reports of receipts and disbursements. 2 U.S.C. § 434(a). Pursuant to 2 U.S.C. § 434(b)(4), each report shall disclose the total amount of all disbursements for the reporting period and the calendar year, including all transfers to other committees authorized by the same candidate and all transfers to affiliated committees. 2 U.S.C. § 434(b)(4)(B) and (C).

6. Pursuant to 2 U.S.C. § 431(4)(A), a political committee is defined as any committee, club, association, or other group of persons which makes expenditures aggregating in excess of \$1,000 during a calendar year.

7. Pursuant to 2 U.S.C. § 431(9)(A)(i), an "expenditure" is defined as any purchase, payment, distribution, loan, advance, deposit, or gift of money or anything of value, made by any person for the purpose of influencing any Federal election.

8. Respondents transferred \$500 on September 6, 1989, and \$11,500 on July 25, 1990, to Van Sistine for Congress for a total of \$12,000.

9. To date, Respondents have neither registered pursuant to 2 U.S.C. § 433(a) nor filed any reports of receipts and disbursements pursuant to 2 U.S.C. § 434(a).

V. 1. Respondents failed to file a statement of organization with the Commission in violation of 2 U.S.C. § 433(a).

22040894702

2. Respondents failed to file disclosure reports with the Commission in violation of 2 U.S.C. § 434(a).

VI. 1. Respondents will pay a civil penalty to the Federal Election Commission in the amount of nine hundred dollars (\$900), pursuant to 2 U.S.C. § 437g(a)(5)(A).

2. Respondents will file a statement of organization with the Commission.

3. Respondents will file disclosure reports with the Commission covering the reporting periods from July 1, 1989 to the present.

VII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

VIII. This agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

IX. Respondents shall have no more than 30 days from the date this agreement becomes effective to comply with and implement the requirements contained in this agreement and to so notify the Commission.

X. This Conciliation Agreement constitutes the entire agreement between the parties on the matters raised herein, and no other statement, promise, or agreement, either written or

RE: MUR 3252
Friends of Van Sistine
and Jerome Van
Sistine, as treasurer

Dear Mr. Pischea:

This is in reference to the complaint you filed with the Federal Election Commission on April 12, 1991, concerning possible violations of the Federal Election Campaign Act of 1971, as amended (the "Act"), by Friends of Van Sistine and its treasurer.

The Commission found that there was reason to believe that the Friends of Van Sistine and its treasurer violated 2 U.S.C. §§ 433(a) and 434(a), provisions of the Act, and conducted an investigation in this matter. On March 2, 1992, a conciliation agreement signed by respondents was accepted by the Commission. Accordingly, the Commission closed the file in this matter on that same date. A copy of this agreement is enclosed for your information.
