I. COMMITTEE: Harvey Gantt for Senate Campaign Committee (C00242156)
Bobby T. Martin, Treasurer
700 East Stonewall Street, Suite 655

II. RELEVANT STATUTE: 2 U.S.C. §441a(f)
2 U.S.C. §441b(a)
2 U.S.C. §434a(6)

III. BACKGROUND:

Receipt of Excessive and Prohibited Contributions
Failure to File 48 Hour Notifications

The Harvey Gantt for Senate Campaign Committee ("the Committee") has during 1990 accepted apparent excessive and prohibited contributions totaling $91,190.96. The contributions being referred are comprised of contributions designated for the 1990 Primary, Runoff and General Elections in excess of the $1,000 per election limit; and contributions designated for the 1990 Primary Election, received after the date of the election and apparently used to pay outstanding debts incurred for the 1990 General Election. These contributions were made by one hundred twenty-four (124) individuals, five (5) qualified multicandidate political committees, two (2) candidate principal campaign committees, three (3) non-registered political organizations and three (3) corporations. To date, the Committee has refunded $59,281.97 of the excessive and prohibited contributions. In addition, the Committee has failed to file the required 48 Hour Notifications for forty (40) contributions totaling $43,251.84 received prior to the 1990 General Election.

Presented below is a summary of the apparent excessive and prohibited contributions received, the notices sent and the responses received. For specific details, please refer to the attached chart and its supporting documents. The

chart is an alphabetical listing of the one hundred twenty-four (124) individuals, five (5) qualified multicandidate political committees, two (2) candidate principal campaign committees, three (3) non-registered political organizations and three (3) corporations who made excessive and prohibited contributions to the Committee.

A. Possible Violations Discovered During Review

Schedule A of the Committee's 1990 12 Day Pre-Runoff Report discloses $850 in excessive contributions. These contributions were made by two (2) individuals.

On June 26, 1990, a Request for Additional Information ("RFAI") was sent to the Committee (Attachment 2). The RFAI notes the receipt of the excessive contributions and requests that the Committee refund, reattribute or redesignate the amount in excess of the $1,000 per election limit. In addition, the RFAI notes the possibility of further Commission action concerning the acceptance of excessive contributions.

On July 10, 1990, the Committee submitted an amended 1990 12 Day Pre-Runoff Report (Attachment 3). The report contained copies of letters sent to the contributors and copies of refund checks to the contributors. Schedule B of the Committee's 1990 October Quarterly Report discloses these refunds (Attachment 4).

Schedule A of the Committee's 1990 October Quarterly Report discloses $17,550 in excessive contributions. These contributions were made by fourteen (14) individuals and two (2) qualified multicandidate political committees. Schedule B of the Committee's 1990 October Quarterly and 12 Day Pre-General Reports disclose that $4,000 of the excessive amount had been refunded (Attachments 5 and 6).

Schedule A of the Committee's 1990 12 Day Pre-General Report discloses $19,490 in apparent excessive contributions. These apparent excessive contributions were made by twenty-eight (28) individuals and one (1) qualified multicandidate political committee. One thousand dollars ($1,000) of this amount resulted from the receipt of a contribution designated for the 1990 Primary Election which was received after the date of the election. Since the Committee's report failed to disclose any outstanding obligations from the primary or any disbursements designated for the primary, the Committee apparently used the contribution for the 1990 General Election.

Schedule A of the Committee's 1990 30 Day Post-General Report discloses the receipt of apparent excessive

contributions totaling $40,118.22. These contributions were made by sixty-six (66) individuals, two (2) candidate principal campaign committees, two (2) qualified multi-candidate political committees and three (3) non-registered political organizations.

In addition, Schedule A of the Committee's report indicates that the Committee failed to file forty (40) 48 Hour Notices for contributions received prior to the 1990 General Election (Attachment 7). The candidate was involved in the 1990 General Election held on November 6, 1990. Prior Notice was sent to the Committee on October 1, 1990 (Attachment 8). The Notice includes a section titled "Last Minute Contributions". This section reads "Committees must also file special notices if contributions of $1,000 or more are received during the period of October 18 through November 3, 1990. The notices must reach the appropriate Federal and State offices within 48 hours of the committee's receipt of the contributions."

The following is a list of the contributions for which no 48 Hour Notices were filed:

On January 29, 1991, RFAIs were sent to the Committee for each report (Attachments 9, 10 and 11). The RFAIs note the receipt of the apparent excessive contributions and request that the Committee refund, reattribute or redesignate the amount in excess of the $1,000 or $5,000 per election limit. In addition, the RFAIs note the possibility of further Commission action concerning the acceptance of excessive contributions.

The RFAI for the 1990 30 Day Post-General Report notes on an informational basis that the Committee may have failed to file one or more of the required 48 Hour Notices for "last minute" contributions of $1,000 or more. The notice recommends that the Committee review their procedures for checking contributions received during the aforementioned time period. In addition, the notice states that although the Commission may take legal steps, any response would be taken into consideration.

On February 20, 1991, the Commission received a letter from the Committee requesting an extension of time to respond to the Commission's inquiries (Attachment 12).

On February 21, 1991, the Committee was sent a Second Notice for failure to respond (Attachment 13).

9504369704

On March 4, 1991, the Committee submitted amended 1990 October Quarterly, 12 Day Pre-General and 30 Day Post General Reports. In a cover letter submitted with the amended 1990 October Quarterly Report, the treasurer states that "Refunds are being processed for the amounts in excess of contributions limits." In reference to the primary contribution received in excess of the primary debt outstanding, the Committee noted that "At the conclusion of the primary, the [C]ommittee had $82,990.00 in debt." However, the Committee failed to provide supporting schedules (Attachment 14).

The Committee's amended 1990 12 Day Pre-General Report failed to address the issue.

In a cover letter to the amended 1990 30 Day Post-General Report, the treasurer notes that $4,000 has been refunded to one political committee and adds that "Refunds are being processed for amounts in excess of contribution limits". With respect to the 48 Hour Notices the treasurer states that their records show that 48 hour notices were mailed every day for the period October 18th through November 3rd, with the exception of Sundays and one Saturday (Attachment 15).

On April 3, 1991, Bobby Martin, the Committee's treasurer, phoned a Reports Analysis Division analyst (Attachment 16). The analyst asked Mr. Martin about the excessive contributions. Mr. Martin stated that the refunds had been made and would be disclosed on the 1991 Mid-Year Report. The analyst told Mr. Martin that he should have notified the Commission of the refunds and their dates. He said that he would send a list of the refunds that had been made as of that date. On April 10, 1991, the analyst received the list from the Committee noting what refunds had been made (Attachment 17).

On May 29, 1991, the analyst called the treasurer to get further clarification on several contributions that the Committee had indicated were redesignations or reattributions (Attachment 18). The treasurer said that they were in fact redesignations and reattributions. The Committee had sent and received back letters authorizing them to take the appropriate action to correct the possible violation. The analyst told the treasurer that he should amend the report to disclose the date that the transaction occurred and provide the Commission with a copy of the signed statements. The treasurer said that he would have the information ready by COB, Thursday, May 30, 1991 and would fax a copy to the analyst and send the original to the Secretary of the Senate.

On May 30, 1991, the analyst received the faxed copy of the Schedules A itemizing several redesignations and

9504369705

reattributions (Attachment 19). The amended report also contained signed statements; however, two (2) of the statements authorizing the reattribution of the excessive contributions were not signed by both individuals.

On June 19, 1991, the analyst called the treasurer (Attachment 20). The analyst explained to Mr. Martin that the Secretary of the Senate had not received the original copy of the amended report. Mr. Martin said that he would put it in the mail that day.

As of July 9, 1991, the analyst nor the Secretary of the Senate had received the original copy of the report. Since the material was vital to this matter, the analyst sent the faxed copy so it could be placed on public record.

To date, the Committee has failed to file the original copy of the amended report.

Schedule A of the Committee's 1990 Year End Report discloses the receipt of apparent excessive contributions totaling $762.86. These contributions were made by one (1) qualified multicandidate political committee.

On June 18, 1991, an RFAI was sent to the Committee (Attachment 21). The RFAI notes on an informational basis the receipt of the apparent excessive contributions and requests that the Committee refund or redesignate the amount in excess of the $5,000 per election limit. In addition, the RFAI notes the possibility of further Commission action concerning the acceptance of excessive contributions.

On July 8, 1991, the Committee responded by providing a copy of a refund check to Sierra Club PAC (Attachment 22).

B. <u>Additional Possible Violations Discovered During the Preparation of the Referral</u>

The review of reports filed by the Committee during the preparation of this referral disclosed the receipt of an additional $12,419.88 in apparent excessive and prohibited contributions. These contributions were from twenty-seven (27) individuals, three (3) corporations and one (1) candidate principal campaign committee. The chart below shows the additional apparent excessive and prohibited amounts discovered for each report filed in 1990:

1990 12 Day Pre-Runoff:	$ 25
1990 October Quarterly:	$1,750
1990 12 Day Pre-General:	$4,094.88
1990 30 Day Post-General:	$6,595

The Committee has not been notified of these apparent excessive and prohibited contributions. The Committee has

9504369706

refunded $3,400 of the apparent excessive amount. To date, the Committee has failed to refund, redesignate or reattribute the remaining apparent excessive and prohibited amounts.

IV. OTHER PENDING MATTERS INITIATED BY RAD:

Reference: 12 Day Pre-Runoff Report (4/19/90-5/16/90)

Dear Mr. Martin:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s) itemization follows:

-Schedule A of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. An individual or a political committee other than a qualified multicandidate committee may not make a contribution to a candidate for federal office in excess of $1,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441b(a) and (f); 11 CFR §110.1(b), (e) and (k))

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limits, you should either refund to the donor the amount in excess of $1,000 or get the donor to redesignate and/or reattribute the contribution in writing. All refunds, redesignations, and reattributions must be made within sixty days of the treasurer's receipt of the contribution. Copies of refund checks and copies of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR §104.8(d)(2), (3) and (4))

2 1 0 3 5 4 1 2 4 7

Although the Commission may take further legal steps, prompt action by you to refund or seek redesignation and/or reattribution of the excessive amount will be taken into consideration.

-Schedule C of your report fails to include information required by Commission Regulations. You must provide the date incurred, the original source and amount of the loan, the due date, the interest rate, the cumulative payment, and the outstanding balance. Further, if there are any endorsers or guarantors, their mailing address along with the name of their employer and occupation must be disclosed. Please amend your report to include the due date & interest rate. (11 CFR §§100.7(a)(1) and 104.3(d))

-Please be reminded that contributions from other political committees (i.e. Committee to Re-Elect Ed Towns) should be reported on Line 11(c) of the Detailed Summary Page.

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 1990 12 Day Pre-Primary Report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of $1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of $1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. Although the Commission may take legal action, any response you wish to make concerning this matter will be taken into consideration. (11 CFR §104.5(f))

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 376-2480.

Pat Sheppard

Re: 12 Day Pre-Runoff Report

Dear Sir/ Madam:

This letter is in response to Ms. Pat Sheppard's June 26th letter. Our response to the issues raised in that letter follows:

A. Redesignation of Contributions: The Pre-Runoff Report disclosed four contributions which exceeded the $ 1,000 limit. We were able to obtain redesignation for two of the contributions in timely fashion and have refunded the remaining two excess contributions. Documentation for these actions is enclosed. As a result of Ms. Sheppard's letter we discovered that appropriate followup was not being performed. Staff responsibility for pursuing redesignations and reattributions has been revised and this information is now being reported directly to the Treasurer to ensure timely compliance with FEC regulations.

B. Amended Schedule C: An amended report with a corrected Schedule C is enclosed.

C. Last Minute Contributions: Due to a misinterpretation of instructions all contributions between April 19th and May 5th were reported on one report. The misunderstanding was discovered while preparing the May 5th report. "Last Minute" contributions were reported timely for the runoff election.

If I can provide any further assistance in this matter, please do not hesitate to contact me.

Sincerely,

Bobby T. Martin
Treasurer

Dear Ms. Avery:

Enclosed is our check for $ 350.00 which represents the excess over the $ 1,000.00 limit that applies to each Federal election. The Federal Election Commission requires that the Campaign Committee to obtain redesignation of the excess contribution within sixty (60) days or to refund the excess amount.

We appreciate your past support and look forward to your continuing support.

Sincerely,

Bobby T. Martin, Treasurer

P. S. Obviously, we do not want to return your contribution. The legal requirement for a check to be designated for the runoff is the sticking point. We sincerely hope you will repeat this contribution, designating on the check that it goes toward the General Election.

RE 2

JUN 29 1990

Bobby T. Martin, Treasurer
Harvey Gantt for Senate
Campaign Committee
700 East Stonewall Street Suite 655
Charlotte, NC 28202

Identification Number: C00242156

Reference: October Quarterly Report (7/1/90-9/30/90)

Dear Mr. Martin:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. No individual or political committee other than a qualified multicandidate committee may make contributions to a candidate for federal office in excess of $1,000 per election. Also, a multicandidate committee may not make a contribution to a candidate for federal office in excess of $5,000 per election. The term "contribution" includes any gift, subscription, loan, advance or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441(a) and (f); 11 CFR §110.1(b) and (e))

If the contributions in question was incompletely or incorrectly reported, you should amend your original report with the clarifying information. If the contributions you received exceeds the limit, you should either refund to the donors the amount in excess of $1,000 or $5,000 per election or get the donors to redesignate the contributions in writing.

-Also, your report discloses contributions that may be from a corporation (pertinent portion attached). A contribution from a corporation is prohibited by the Act, unless it is made from a separate segregated fund established by the corporation. (2 U.S.C. §441b(a) and 11 CFR §103.3(b)) If the contribution was prohibited,

9503043692363

you should refund the full amount to the donor. The refund must be made within thirty days of the treasurer becoming aware of the impermissibility of the contribution. (11 CFR §103.3(b)(2))

Schedule A of your report discloses $36,000 in contributions received after the May 8, 1990 Primary which are designated for the primary. Your report discloses only $15,000 in primary debts and no expenditures designated for the primary election. These contributions may be accepted by you only to the extent that you have outstanding debts remaining from the primary. (11 CFR §110.1(b)(3)(i)) If the contribution(s) accepted by you exceeds the amount of outstanding debt remaining from the primary election, you should refund the contribution(s) or seek redesignation of the contribution(s), in writing, from the contributor.

A contribution is considered to be made when the contributor relinquishes control over the contribution. A contributor shall be considered to have relinquished control over the contribution when it is delivered to the candidate, when it is delivered to an authorized committee of the candidate, or to an agent of an authorized committee of the candidate. A contribution that is mailed to any of the aforementioned recipients will be considered to have been made on the date of the postmark. Envelopes should be retained for the committee's records. (11 CFR §110.1(6))

The Commission should be notified if a refund is necessary. Refunds, redesignations, and reattributions of excessive contributions must be made within sixty days of the treasurer's receipt of the contribution. Refunds are reported on Line 20 and on Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattributions is received. (2 U.S.C. §441a(a) and (f) and 441b(a); 11 CFR §104.8(d)(2), (3) and (4))

The Commission notes your refund of several apparent excessive amounts. Although the Commission may take further legal steps, prompt action by you to refund the prohibited amount and to refund or seek redesignation and/or reattribution of the remaining excessive amounts will be taken into consideration.

21536436230

-A review of your itemized receipts indicates a possible discrepancy in your aggregate year-to-date totals. The reported aggregate otals on your report should include all contributions from an individual or committee for the calendar year (January 1, 1990 - Present). Please review your procedures for compliance with this requirement and amend any report(s) as necessary.

-The aggregate year-to-date totals for certain entries on your report indicate there were additional contributions that should have been itemized. Each contribution from a political committee must be itemized regardless of the amount. Please amend your report to correct the discrepancy for the aggregate totals for: IBEW-COPE-$15,000.

-Schedule B supporting Line 20(a) discloses a refund to Asher/Faure for $500. However, it appears that the receipt of this contribution has not been reported by your committee. Please clarify this matter and amend your reports.

-Please provide a Schedule A to support the $500 in-kind contribution from Sane Freeze PAC reported on Schedule B for Line 17 of the Detailed Summary Page. All in-kind contributions by other political committees should be itemized on Schedules A and B, regardless of the amount contributed.

-Lines 11(a) and 11(c), Column A of the Detailed Summary Page should only disclose contributions from individuals and other political committees respectively. Contributions from the Club P Democratic PAS PAL DEM and Duplin County Democratic Party appear to to be from political party committees and should be reported on Line 11(b). Amend your report as necessary.

-Line 17, Column A of the Detailed Summary Page discloses a contribution made to the DNC committee totaling $5,000. Please note that contributions made to other political committees and/or organizations should be reported on Line 21. Amend your report as necessary.

-Expenditures to American Express totaling $20,291.21 have been disclosed. When itemizing payments made to credit card companies you must list the name and address of the original vendor from which you purchased an item or a service. You should also show the date, the amount, and the purpose of the payment if you have paid more than $200 this year to the vendor. (11 CFR §104.9)

9150343923057

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 First Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. No individual or political committee other than a qualified multicandidate committee may make contributions to a candidate for federal office in excess of $1,000 per election. In addition, the YOUNG'S PAC is not a registered committee with the Commission. Also, a multicandidate committee may not make a contribution to a candidate for federal office in excess of $5,000 per election. The term "contribution" includes any gift, subscription, loan, advance or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §§441a(a) and (f) and 441b(a); 11 CFR §104.8(d)(2), (3) and (4))

The Commission notes your refund of several apparent excessive amounts. Although the Commission may take further legal steps, prompt action by you to refund the prohibited amount and to refund or seek redesignation and/or reattribution of the remaining excessive amounts will be taken into consideration.

-A review of your itemized receipts indicates a possible discrepancy in your aggregate year-to-date totals. The reported aggregate totals on your report should include all contributions from an individual or committee for the calendar year (January 1, 1990 - Present). Please review your procedures for compliance with this requirement and amend any report(s) as necessary.

-The aggregate year-to-date totals for certain entries on your report indicate there were additional contributions that should have been itemized. Each contribution from a political committee must be itemized regardless of the amount. Please amend your report to correct the discrepancy for the aggregate totals for: NOW PAC and Joint Action Counsel PAC.

-All contributions reported on a 48 hour notice received by your committee from October 18th through November 3, 1990 are required to be reported on this report. Your committee filed a 48 hour notice disclosing a "last minute" contribution from Carole Zeichick, Patricia Clark, Toni Lynn Ross and American for Democratic. These contributions do not appear on a Schedule A of

21036373980277

this report. A 48 hour notice discloses a contribution of $1,000 and $2,000 from David M. Brown and David M. Grant respectively. However, Schedule A discloses $500 and $1,000 respectively. Please amend your report to include these contributions or provide an explanation of these apparent discrepancy.

-Schedule B supporting Line 20(a) discloses a refund to Bob Walton-$300, Alvin Frink-$1,000 and Ruth Fletcher-$110. However, it appears that the receipt of these contributions have not been reported by your committee. Please clarify this matter and amend your reports.

-Lines 11(a) and 11(c), Column A of the Detailed Summary Page should only disclose contributions from individuals and other political committees respectively. Contributions from the Senior Democratics of NC and the 5th District Senior Democratics appear to be from political party committees and should be reported on Line 11(b). Amend your report as necessary.

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 30 Day Post-General report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of $1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of $1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. Although the Commission may take legal action, any response you wish to make concerning this matter will be taken into consideration. (11 CFR §104.5(f))

-You have previously indicated that your committee has been using "best efforts" to obtain the occupation and name of employer for each contributor. This report discloses a significant increase in the number of entries for which the occupation and/or employer is not available. Please note that the treasurer of a political committee must make at least one effort per solicitation, either by a written request or by an oral request, documented in writing.

1. At the conclusion of the primary, the committee had $ 82,990.00 in debt.

Toni Lynn Ross - The contribution was listed in the 48 hour notice as Raymond Sive (the check signer), this corrected in the amended report.

Americans For Democratic Action PAC - This was a typographical error in the 48 hour notice, the amount of the contribution (which was earmarked) was $ 100.00.

David M. Brown - The 48 hour notice was correct, this is corrected in the amended report.

NAME OF THE COMMITTEE: Harvey Gantt for Senate Campaign Committee

SUBJECT: Outstanding RFAIs

FEC REP: Pat Sheppard

COMMITTEE REP: Bobby Martin, Treasurer (704) 375-7361

Mr. Martin called because he had gotten a Second Notice referencing information needed for a joint-fundraising committee. After checking I told him that we had received a response from him; however, the response was inadequate. I informed him that the Statement of Candidacy and Statement of Organization had not been filed. Mr. Martin said that he would get the documents signed and mailed as soon as possible.

Since I had Mr. Martin on the phone, I told him about the outstanding issues relating to the excessive contributions and the contributions received after the Primary Election. Mr. Martin said that the refunds had been made and since the refunds were in 1991, he would disclose them on the 1991 Mid Year Report. I explained to him that in responding to the RFAIs he should let the Commission know that the refunds were done and when they were done. Mr. Martin said that he would send a list of the refunds.

In referencing the primary contributions, Mr. Martin stated that there were in house accounts being kept on several debts and that these debts were not disclosed on the reports. He stated that he would amend the reports to disclose these debts. Mr. Martin asked if he could have until after April 15, 1991 to file the reports. He stated that he is a CPA and that since this is tax time for him, it is very hard to squeeze anything else in. I told him that he should get the material in at his earliest convenience.

NAME OF THE COMMITTEE: Harvey Gantt for Senate Campaign Committee

SUBJECT: Redesignations and Reattributions

FEC REP: Pat Sheppard

COMMITTEE REP: Bobby Martin, Treasurer (704) 375-7361

I called the Committee to inform the treasurer that as of this day, the Secretary of the Senate has yet to receive the original copy of the amended 30 Day Post General Report that he had faxed to me. Mr. Martin stated that it was just an oversight and that he would put it in the mail for me today.

Bobby T. Martin, Treasurer
Harvey Gantt For Senate
Campaign Committee
700 East Stonewall Street
Suite 655
Charlotte, NC 28202

IDENTIFICATION NUMBER: C00242156

Reference: Year End Report (11/27/90-12/31/90)

Dear Mr. Martin:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limit set forth in the Act. A qualified multicandidate committee may not make a contribution to a candidate for federal office in excess of $5,000 per election. (2 U.S.C. §441a(a) and (f); 11 CFR §110.2(b))

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limit, you should refund to the donor the amount in excess of $5,000 or get the donor to redesignate the contribution in writing. Refunds and redesignations must be made within sixty days of the treasurer's receipt of the contribution. Copies of refund checks and copies of letters redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which they are made. Redesignations are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation is received. (11 CFR §104.8(d)(2) and (4))

Although the Commission may take further legal steps, prompt action by you to refund or seek redesignation of the excessive amount(s) will be taken into consideration.

-Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please amend your report to correct the Column B discrepancies for Line(s) 11(a)(iii), 11(e), and 12 and any subsequent report(s) which may be affected by this correction. Note that Column B should reflect all the year-to-date totals for calendar year 1990.

-A review of your itemized receipts indicates a possible discrepancy in your aggregate year-to-date totals. The reported aggregate totals on your report should include only contributions from an individual or committee for the current calendar year (January 1, 1990 - Present). Please review your procedures for compliance with this requirement and amend any report(s) as necessary.

-Schedule B supporting Line 20(a) discloses a refund to Shipp's Fire Equipment, Inc. However, it appears that the receipt of this contribution has not been reported by your committee. Please clarify this matter and amend your reports.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 376-2480.

Pat Sheppard

Dear Ms. Sheppard:

Enclosed is a copy of the amended Year End Report for the Harvey Gantt for Senate Campaign Committee. In response to the issues raised in your letter, the following actions were taken:

1. The amount in excess of the campaign limits represented allocated expenses from a Joint Fund-Committee which were listed as inkind expenditures in error. The report has been amended to correct this. A refund $ 762.86 has been made to the Sierra Club.

2. The Detail and Summary pages have been corrected using the amended Post General Election Report as a starting point.

3. The refund to Shipps Fire Equipment, Inc. was a refund of a corporate check which had been deposited by staff in error. The report has been amended to show this on line 21.

If I can any further information on these matters, please do not hesitate to contact me.

Sincerely,

Bobby T. Martin, Treasurer

INTERNAL REPORTS CHECKED: Referral Materials

FEDERAL AGENCIES CHECKED: None

I. GENERATION OF MATTER

The Office of the General Counsel received a referral from the Reports Analysis Division ("RAD") on July 30, 1991. Attachment 1. According to the referral, the Harvey Gantt For Senate Campaign Committee and Bobby T. Martin, as treasurer (the "Committee"), accepted excessive contributions totaling $89,241.08[1] from individuals, qualified multicandidate political committees, candidate principal campaign committees and non-registered political organizations. To date, the Committee has refunded $59,281.97 of the excessive portions of these contributions.

1. $10,425.88 of these excessive contributions was not discovered until the Reports Analysis Division ("RAD") prepared this referral. Thus, the Committee has not been notified of these particular excessive contributions.

9504369107

The referral additionally indicates the Committee accepted three prohibited corporate contributions totaling $1,994.88[2] from three (3) corporate entities. To date, none of the prohibited contributions have been refunded.

Lastly, the referral indicates that the Committee failed to file required forty-eight hour notifications ("48 Hour Notices") for forty (40) contributions totaling $43,251.84, none of which was candidate money.

The Harvey Gantt For Senate Campaign Committee was the principal campaign committee for Harvey Gantt, a 1990 candidate for election to the U.S. Senate from the state of North Carolina. Although Gantt received a majority of the vote in the primary election, North Carolina election law required a Run-Off election. Gantt won the Run-Off with 57% of the vote but lost the November 6, 1990 General Election with 47% of the vote.

II. FACTUAL AND LEGAL ANALYSIS

A. Excessive Contributions

The Federal Election Campaign Act of 1971, as amended (the "Act"), states that no person may make a contribution to a candidate for Federal office, or his authorized campaign committee, in excess of $1,000 per election. 2 U.S.C. § 441a(a). The Act further provides that multicandidate political committees are prohibited from making contributions

---

2. RAD did not discover these contributions during normal review, rather they were discovered by RAD while preparing this referral.

in excess of $5,000 to any candidate and his authorized committee with respect to any election for Federal office. 2 U.S.C. § 441a(a)(2)(A). Pursuant to 2 U.S.C. § 441a(f), candidates and political committees are proscribed from knowingly accepting any contribution which is in violation of the provisions of Section 441a. The Act specifically states that the contribution limitations apply separately with respect to each election. 2 U.S.C. § 441a(a)(6).

Furthermore, a contribution designated in writing for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election. 11 C.F.R. § 110.1(b)(3)(i). When a committee receives a contribution which can not be accepted because the committee has no net debts outstanding, the treasurer has sixty days from the date of receipt to refund the contribution or seek reattribution or redesignation. Id.

RAD's review of the Committee's reports and responses to inquiries indicates that the Committee accepted excessive contributions designated for the 1990 Primary, Runoff and General Elections totaling $89,241.08. These contributions were itemized on the Committee's 1990 12 Day Pre-Runoff, October Quarterly, 12 Day Pre-General or 30 Day Post-General Reports. Specifically, these contributions were received from one hundred twenty four (124) individuals, five (5) multicandidate political committees, two (2) candidate principal campaign committees and three (3) non-registered

9504369109

political organizations. A chart of the Committee's receipt of these contributions was prepared by RAD and is attached. See Attachment 1 at 10-27.

All but one of these excessive contributions resulted from the aforementioned individuals, political committees and political organizations exceeding the contribution limitations set out in 2 U.S.C. § 441a. While the exception, the $1,000 contribution from Linda Metzenbaum, was not in excess of the Act's limitations, per se, the Metzenbaum contribution was designated for the Primary election but received after that election. The Committee had no primary net debts outstanding; however, the Metzenbaum contribution has not been refunded, redesignated or reattributed. Thus, another excessive contribution resulted.

Therefore, this Office recommends that the Commission find reason to believe that the Committee violated 2 U.S.C. § 441a(f) by accepting excessive contributions totaling $89,241.08. The Committee's refunding of $59,281.97 of the excessive contribution money is appropriately reflected in the civil penalty which is discussed below.

B. Prohibited Contributions

Pursuant to 2 U.S.C. § 441b(a), it is unlawful for any corporation to make a contribution or expenditure in connection with any election to Federal office. For purposes

9504369100

of this section, "contribution or expenditure" includes any direct or indirect payment, distribution, loan, advance, deposit, or gift of money, or any services, or anything of value to any candidate, campaign committee or political party or organization, in connection with any election. See 2 U.S.C. § 441b(b)(2).

A review of the Committee's reports discloses prohibited contributions from three corporate entities: Black Political Awareness League, Mount Vernon Baptist Church and People Helping People. The contributions were received as follows:

Mount Vernon Baptist Church (incorporated 6/5/68)	10/11/90	$394.88
Black Political Awareness League (incorporated 2/4/85)	10/29/90	$600.00
People Helping People (incorporated 11/5/71)	11/2/90	$1000.00
	TOTAL:	$1,994.88[4]

Therefore, this Office recommends that the Commission find reason to believe that the Harvey Gantt For Senate Campaign Committee and Bobby T. Martin, as treasurer, violated 2 U.S.C. 441b(a) by accepting $1,994.88 in prohibited corporate contributions.

C. 48 Hour Notices

Pursuant to 2 U.S.C. § 434(a)(6)(A), a Federal candidate's principal campaign committee must notify either

4. None of this money has been refunded.

9504369110

the Clerk of the House, Secretary of the Senate or the Commission (and the appropriate Secretary of State), in writing, of each contribution of $1,000 or more received by any authorized committee of the candidate after the 20th day but not more than 48 hours before any election. The Act further requires this notification to be made within 48 hours after the receipt of the contribution and to include the name of the contributor, the date of receipt and the amount of the contribution. 2 U.S.C. § 434(a)(6)(A). Timely disclosure of these contributions is in addition to all other reporting requirements.

Pursuant to 2 U.S.C. § 434(a)(6)(A), the Committee was required to notify the Commission, in writing, of all contributions of $1,000 or more received during the period of October 18, 1990 through November 3, 1990. Accordingly, on October 1, 1990, the Committee was reminded by the Commission that the receipt of contributions of $1,000 or more received from October 18, 1990 to November 3, 1990 must be reported to the appropriate federal and state offices within 48 hours of the Committee's receipt.

The Committee received forty contributions, totaling $43,251.84, on twelve separate days during the aforementioned time period that required 48 Hour Notices. The contributions were received by the Committee as follows:

RE: MUR 3471

Dear Mr. Martin:

On January 14, 1992, the Federal Election Commission found that there is reason to believe the Harvey Gantt For Senate Campaign Committee ("Committee") and you, as treasurer, violated 2 U.S.C. §§ 434(a)(6)(A), 441a(f), and 441b(a), provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

In order to expedite the resolution of this matter, the Commission has also decided to offer to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe. Enclosed is a conciliation agreement that the Commission has approved.

9504369111O

If you are interested in expediting the resolution of this matter by pursuing preprobable cause conciliation and if you agree with the provisions of the enclosed agreement, please sign and return the agreement, along with the civil penalty, to the Commission. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Richard M. Zanfardino, the staff member assigned to this matter, at (202) 219-3690.

FACTUAL AND LEGAL ANALYSIS

RESPONDENTS: Harvey Gantt For Senate Campaign Committee and Bobby T. Martin, as treasurer

MUR: 3471

A. Excessive Contributions

The Federal Election Campaign Act of 1971, as amended (the "Act"), states that no person may make a contribution to a candidate for Federal office, or his authorized campaign committee, in excess of $1,000 per election. 2 U.S.C. § 441a(a). The Act further provides that multicandidate political committees are prohibited from making contributions in excess of $5,000 to any candidate and his authorized committee with respect to any election for Federal office. 2 U.S.C. § 441a(a)(2)(A). Pursuant to 2 U.S.C. § 441a(f), candidates and political committees are proscribed from knowingly accepting any contribution which is in violation of the provisions of Section 441a. The Act specifically states that the contribution limitations apply separately with respect to each election. 2 U.S.C. § 441a(a)(6).

Furthermore, a contribution designated in writing for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election. 11 C.F.R. § 110.1(b)(3)(i). When a committee receives a contribution which can not be accepted because the committee has no net debts outstanding, the treasurer has sixty days from the date

9504369112

of receipt to refund the contribution or seek reattribution or redesignation. Id.

Review of the Committee's reports and responses to inquiries indicates that the Committee accepted excessive contributions designated for the 1990 Primary, Runoff and General Elections totaling $89,241.08. These contributions were itemized on the Committee's 1990 12 Day Pre-Runoff, October Quarterly, 12 Day Pre-General or 30 Day Post-General Reports. Specifically, these contributions were received from one hundred twenty four (124) individuals, five (5) multicandidate political committees, two (2) candidate principal campaign committees and three (3) non-registered political organizations.

All but one of these excessive contributions resulted from the aforementioned individuals, political committees and political organizations exceeding the contribution limitations set out in 2 U.S.C. § 441a. While the exception, the $1,000 contribution from Linda Metzenbaum, was not in excess of the Act's limitations, per se, the Metzenbaum contribution was designated for the Primary election but received after that election. The Committee had no primary net debts outstanding; however, the Metzenbaum contribution has not been refunded, redesignated or reattributed. Thus, another excessive contribution resulted.

Therefore, there is reason to believe that the Committee violated 2 U.S.C. § 441a(f) by accepting excessive contributions totaling $89,241.08.

9504369113

B. Prohibited Contributions

Pursuant to 2 U.S.C. § 441b(a), it is unlawful for any corporation to make a contribution or expenditure in connection with any election to Federal office. For purposes of this section, "contribution or expenditure" includes any direct or indirect payment, distribution, loan, advance, deposit, or gift of money, or any services, or anything of value to any candidate, campaign committee or political party or organization, in connection with any election. See 2 U.S.C. § 441b(b)(2).

A review of the Committee's reports discloses prohibited contributions from three corporate entities: Black Political Awareness League, Mount Vernon Baptist Church and People Helping People. The contributions were received as follows:

Mount Vernon Baptist Church (incorporated 6/5/68)	10/11/90	$394.88
Black Political Awareness League (incorporated 2/4/85)	10/29/90	$600.00
People Helping People (incorporated 11/5/71)	11/2/90	$1000.00
	TOTAL:	$1,994.88[1]

Therefore, there is reason to believe that the Harvey Gantt For Senate Campaign Committee and Bobby T. Martin, as treasurer, violated 2 U.S.C. 441b(a) by accepting $1,994.88 in prohibited corporate contributions.

C. 48 Hour Notices

Pursuant to 2 U.S.C. § 434(a)(6)(A), a Federal candidate's principal campaign committee must notify either

1. None of this money has been refunded.

9504369114

the Clerk of the House, Secretary of the Senate or the Commission (and the appropriate Secretary of State), in writing, of each contribution of $1,000 or more received by any authorized committee of the candidate after the 20th day but not more than 48 hours before any election. The Act further requires this notification to be made within 48 hours after the receipt of the contribution and to include the name of the contributor, the date of receipt and the amount of the contribution. 2 U.S.C. § 434(a)(6)(A). Timely disclosure of these contributions is in addition to all other reporting requirements.

Pursuant to 2 U.S.C. § 434(a)(6)(A), the Committee was required to notify the Commission, in writing, of all contributions of $1,000 or more received during the period of October 18, 1990 through November 3, 1990. Accordingly, on October 1, 1990, the Committee was reminded by the Commission that the receipt of contributions of $1,000 or more received from October 18, 1990 to November 3, 1990 must be reported to the appropriate federal and state offices within 48 hours of the Committee's receipt.

The Committee received forty contributions, totaling $43,251.84, on twelve separate days during the aforementioned time period that required 48 Hour Notices. The contributions were received by the Committee as follows:

Dear Mr. Zanfardino:

The purpose of this letter is to request a two week extension of time to respond to the letter of findings. The campaign has no staff and the records are in storage, thus making it difficult to investigate the individual items cited in your letter. At this point, the responsibility will fall on one person, the treasurer, to investigate and make appropriate responses to the findings.

If I can provide you with any additional information in this matter, please do not hesitate to contact me at (704) 375-7361.

Very truly yours,

Re: Harvey Gantt for Senate
Campaign Committee MUR 3471

Dear Mr. Zanfardino:

Enclosed are copies of pertinent pages of the October and November 1990 bank statements for the Committee and copies of deposit slips in excess of $ 1,000.00 for the period October 18, 1990. The review of deposits during the period revealed the following:

1. There were two typographical errors; William S. Lerach and Bruce and Beth Gilbert should have been listed at $ 2,000.00 instead of 1,000.00.

2. The October 26, 1990 48-Hour Notice did not list twelve 1,000.00 contributions.

This information is submitted to demonstrate that the Committee used its best efforts to comply with Federal Election Commission regulations. Our records are filed by date of receipt and a manual search of all contributions would have to be undertaken to determine the actual date of receipt for those contributions listed in the January 14, 1992 letter that were not located by this review.

Re: MUR 3471

Dear Mr. Zanfardino:

I just received several days ago a copy of documents concerning the Conciliation Agreement that you have proposed to the Harvey Gantt For Senate Campaign Committee. This information was sent to me by Mr. Bobby T. Martin, Treasurer.

I am in the middle of preparing for a two-week trial that begins on November 30, and this is the first time I have seen any of this information. I would ask that the Gantt Campaign Committee be given until December 31, 1992 to reply to your proposed Conciliation Agreement. I need that time in order to review the background of this matter and get up to speed on the issues involved.

I attempted to telephone you today and explain fully my request, but you were in a meeting. I have left a message asking that you return my call. If you should have any questions, please let me know.

Sincerely,

George C. Covington

RE: MUR 3471
Harvey Gantt for Senate
Campaign Committee, and
Bobby T. Martin, Treasurer

Dear Mr. Covington:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, on January 14, 1992, the Federal Election Commission found reason to believe your clients violated 2 U.S.C. §§ 441a(f), 441b(a), and 434(a)(6)(A) and instituted an investigation in this matter. During the past year, the Commission has engaged in conciliation with your clients prior to a Commission finding of probable cause to believe. No resolution was reached during that time.

Therefore, after considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe that violations have occurred.

The Commission may or may not approve the General Counsel's recommendation. Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within 15 days of your receipt of this notice, you may file with the Secretary of the Commission a brief (ten copies if possible) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of the General Counsel, if possible.) The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of whether there is probable cause to believe a violation has occurred.

9504369144 63

If you are unable to file a responsive brief within 15 days, you may submit a written request for an extension of time. All requests for extensions of time must be submitted in writing five days prior to the due date, and good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

A finding of probable cause to believe requires that the Office of the General Counsel attempt for a period of not less than 30, but not more than 90 days, to settle this matter through a conciliation agreement.

Should you have any questions, please contact Richard M. Zanfardino, the staff member assigned to this matter, at (202) 219-3690.

Sincerely,

Lawrence M. Noble
General Counsel

In the Matter of	)

Harvey Gantt for Senate Committee and Bobby T. Martin, as treasurer	)	MUR 3471

GENERAL COUNSEL'S BRIEF

I. STATEMENT OF THE CASE

This matter was initiated by the Commission in the normal course of carrying out its supervisory responsibilities. The Harvey Gantt for Senate Committee and Bobby T. Martin, as treasurer, ("Respondents") accepted $89,241.08 in excessive contributions, $1,600 in prohibited contributions, and failed to file 48 Hour Notices for forty contributions totaling $43,251.84. On January 14, 1992, the Commission found reason to believe the Respondents violated 2 U.S.C. §§ 441a(f), 441b(a), and 434(a)(6)(A). This Office notified the Respondents on January 27, 1992 that the Commission had found reason to believe they had violated the above-noted sections of the Act. On March 3, March 30, July 23, and July 27, 1992, this Office received responses from the Respondents. The responses primarily offer explanations for the Committee's failure to file the 48 Hour Notices and note that while the Committee does not dispute the basic facts in question, the violations alleged were not willful or intentional.

II. ANALYSIS

A. Excessive Contributions

The Federal Election Campaign Act of 1971, as amended ("the Act"), states that no person may make a contribution to a

candidate for Federal office, or his authorized campaign committee, in excess of $1,000 per election. 2 U.S.C. § 441a(a). The Act further provides that multicandidate political committees are prohibited from making contributions in excess of $5,000 to any candidate and his authorized committee with respect to any election for Federal office. 2 U.S.C. § 441a(a)(2)(A). Pursuant to 2 U.S.C. § 441a(f), candidates and political committees are proscribed from knowingly accepting any contribution which is in violation of the provisions of Section 441a. The Act specifically states that the contribution limitations apply separately with respect to each election. 2 U.S.C. § 441a(a)(6).

Furthermore, a contribution designated in writing for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election. 11 C.F.R. § 110.1(b)(3)(i). When a committee receives a contribution which can not be accepted because the committee has no net debts outstanding, the treasurer has sixty days from the date of receipt to refund the contribution or seek reattribution or redesignation. Id.

A review of the Committee's reports and responses to inquiries indicates that the Committee accepted excessive contributions designated for the 1990 Primary, Runoff and General Elections totaling $89,241.08. These contributions were itemized on the Committee's 1990 12 Day Pre-Runoff, October Quarterly, 12 Day Pre-General or 30 Day Post-General

9504369146

Reports. Specifically, these contributions were received from one hundred twenty four (124) individuals, five (5) multicandidate political committees, two (2) candidate principal campaign committees and three (3) non-registered political organizations.

All but one of these excessive contributions resulted from the aforementioned individuals, political committees and political organizations exceeding the contribution limitations set out in 2 U.S.C. § 441a.[1/]

Therefore, there is probable cause to believe that the Committee violated 2 U.S.C. § 441a(f) by accepting excessive contributions totaling $89,241.08.

B. Prohibited Contributions

Pursuant to 2 U.S.C. § 441b(a), it is unlawful for any corporation to make a contribution or expenditure in connection with any election to Federal office. For purposes of this section, "contribution or expenditure" includes any direct or indirect payment, distribution, loan, advance, deposit, or gift of money, or any services, or anything of value to any candidate, campaign committee or political party or organization, in connection with any election. See 2 U.S.C. § 441b(b)(2).

A review of the Committee's reports discloses prohibited contributions from two corporate entities: Black Political

1/ The exception was a contribution designated for the Primary election but received after that election. The Committee had no primary net debts outstanding.

9504369147

Awareness League and People Helping People. The contributions were received as follows:

Black Political Awareness League (incorporated 2/4/85)	10/29/90	$600.00
People Helping People (incorporated 11/5/71)	11/2/90	$1000.00
	TOTAL:	$1,600.00[2/]

Therefore, there is probable cause to believe that the Harvey Gantt For Senate Campaign Committee and Bobby T. Martin, as treasurer, violated 2 U.S.C. 441b(a) by accepting $1600 in prohibited corporate contributions.

C. 48 Hour Notices

Pursuant to 2 U.S.C. § 434(a)(6)(A), a Federal candidate's principal campaign committee must notify either the Clerk of the House, Secretary of the Senate or the Commission (and the appropriate Secretary of State), in writing, of each contribution of $1,000 or more received by any authorized committee of the candidate after the 20th day but not more than 48 hours before any election. The Act further requires this notification to be made within 48 hours after the receipt of the contribution and to include the name of the contributor, the date of receipt and the amount of the contribution. 2 U.S.C. § 434(a)(6)(A). Timely disclosure of these contributions is in addition to all other reporting requirements.

Pursuant to 2 U.S.C. § 434(a)(6)(A), the Committee was required to notify the Commission, in writing, of all contributions of $1,000 or more received during the period of

2/ These contributions have been refunded.

9504369114468

October 18, 1990 through November 3, 1990. Accordingly, on October 1, 1990, the Committee was reminded by the Commission that the receipt of contributions of $1,000 or more received from October 18, 1990 to November 3, 1990 must be reported to the appropriate federal and state offices within 48 hours of the Committee's receipt.

The Committee received forty contributions, totaling $43,251.84, on twelve separate days during the aforementioned time period that required 48 Hour Notices. The contributions were received by the Committee as follows:

III. GENERAL COUNSEL'S RECOMMENDATIONS

This Office recommends that the Commission find probable cause to believe that the Harvey Gantt for Senate Committee and Bobby T. Martin, as treasurer, violated 2 U.S.C. §§ 441a(f), 441b(a), and 434(a)(6)(A).

RESPONSE TO GENERAL COUNSEL'S BRIEF

We represent the Harvey Gantt for Senate Committee and Bobby T. Martin (collectively referred to hereinafter as the "Committee") in connection with the above-referenced matter. This response is submitted on behalf of the Committee and sets forth the Committee's position on the issue set forth in the brief of the General Counsel: that the Committee violated 2 U.S.C. §§ 441a(f), 441b(a), and 434(a)(6)(A).

There are three separate reasons that the General Counsel's recommendation concerning a violation of the above statutes should not be approved:

1. The Comittee did not knowingly violate § 441(f);

2. The Comittee did not knowingly violate § 441b(a); and

3. The Committee was not aware of any contributions made within the 48 hour notice reporting period required by §434(a)-(6)(A).

1. The Committee did not knowingly receive contributions in excess of the provisions of 441(a).

The Federal Election Campaign Act of 1971, as amended (the "Act"), states that:

> No candidate or political committee shall knowingly accept any contribution or make any expenditure in violation of the provisions of this Section. No officer or employee of the a political committee shall knowlingly accept a contribution made for the benefit or use of a candidate, or knowingly make any expendi-

95043691474

ture on behalf of a candidate, in violation of any limitation imposed on contributions and expenditures under this Section.

2 U.S.C. 441a(f) (emphasis supplied). Although the General Counsel has asserted that § 441(a)(f) has been violated, there is absolutely no evidence that the Committee possessed the mental awareness expressly referred to in the statute: that the Committee "knowingly accept".

Furthermore, the General Counsel is incorrect in its contention that there were no primary debts outstanding when excessive contributions totalling $89,241.08 were accepted. As the Committee indicated in its March 3, 1992 response, an amended FEC Form 3 was filed on May 3, 1989 which showed primary debt of $89,937.74 outstanding and run- off debt of $82,094.08 outstanding. Thus, there were primary debts outstanding.

2. The Committee did not knowingly accept or receive a contribution from a corporation in violation of Section 441b(a).

Section 441b(a) of the Act states, in pertinent part, that:

> It is unlawful for any national bank, or any corporation organized by authority of any law of Congress, to make a contribution or expenditure in connection with any election to any political office, or in connection with any primary election or political convention or caucus held to select candidates for any political office . . . or for any candidate, political committee, or other person knowingly to accept or receive any contribution prohibited by this section . . ..

2 U.S.C. § 441b(a) (emphasis supplied). The General Counsel has asserted that prohibited contributions were made from two corporate entities: Black Political Mens League and People Helping People. However, the Committee was not aware of the corporate

9504369147 5

status of the two entities when the contributions were made. As asserted in the Committee's October 4, 1992 response, it was not obvious from the checks of the two contributors that they were corporate entities. Had the committee been aware that the entities were corporate entities the contributions would not have been accepted. Furthermore, the contributions were refunded once it was established that the entities were corporate entities. There has been no showing of a knowing acceptance or receipt of any contributions prohibited by § 441b(a) and thus the Committee has not violated the statute.

3. The Committee was not aware that contributions subject to the 48-Hour reporting period were made.

Section 434(a)(6)(A) of the Act states, in pertinent part, that:

> The principal campaign committee of a candidate shall notify the Clerk, the Secretary, or the Commission, and the Secretary of State, as appropriate, in writing, of any contribution of $1,000 or more received by any authorized committee of such candidate after the 20th day, but more than 48 hours before, any election. This notification shall be made within 48 hours after the receipt of such contribution and shall include the name of the candidate and the office sought by the candidate, the identification of the contributor, and the date of receipt and amount of the contribution.

2 U.S.C. § 434(a)(6)(A). The General Counsel asserts that the Committee received forty contributions on twelve separate days during the reporting period. However, neither the Committee's direct mail or telemarketing firm notified the Committee during the reporting period that contributions were received and in fact the Committee did not actually have such contributions "credited"

9504369147 6

to it during the reporting period. Thus, there has been no violation of § 434(a)(6)(A).

CONCLUSION

Based on the argument hereinabove set forth, the Committee urges that the Commission not approve the General Counsel's probable cause recommendation.

Respectfully submitted, this 18th day of May, 1993.

GENERAL COUNSEL'S REPORT

I. BACKGROUND

On July 30, 1991, the Reports Analysis Division ("RAD") referred the matter of Harvey Gantt for Senate Campaign Committee and Bobby T. Martin as Treasurer ("Committee") to the Office of General Counsel for potential violations of 2 U.S.C. §§ 441a(f), 441b(a) and 434(a)(6)(A). The Commission found reason to believe and at the same time entered into pre-probable cause conciliation

The General Counsel's Brief recommending probable cause was sent to the Committee on April 1, 1993. The Committee requested

9504369148

an extension which was granted, extending the deadline until May 10, 1993. The FAXed response brief arrived on May 18, 1993, eight days after the extended deadline. The hard copy of the brief arrived on May 21, 1993.

II. ANALYSIS

For an analysis of the violations in this matter, please refer to the General Counsel's Brief.

The Respondents' brief addresses the excessive contributions in violation of § 441a(f), the corporate contributions prohibited by § 441b(a), and the 48 Hour Notices filed late in violation of § 434(a)(6)(A). Their assertions are discussed below.

A. Respondents maintain (Att. 1, p.2) the Committee did not "knowingly" accept contributions in excess of the provisions of § 441a(f). The Committee accepted excessive contributions from 123 people totalling $88,241.08. The courts have held that the "knowing" standard does not require that one knows his or her conduct is unlawful, rather that one is aware of the facts involved in accepting the unlawful contributions. See FEC v. John A. Dramesi For Congress, 640 F. Supp. 985, 987 (D.N.J. 1986). Since the Committee does not dispute the facts outlined in the Factual and Legal Analysis, this Office recommends a finding of probable cause to believe that the Committee and Bobby T. Martin violated 2 U.S.C. § 441a(f).

Respondents also dispute the Commission's finding that there were no primary debts outstanding when excessive contributions were accepted. In fact, all but one of the

9504369147 9

excessive contributions in question exceed the limit of 2 U.S.C. § 441a(a) with regards to the primary, run-off, or the general election. The remaining contribution is excessive because it was received after the date of the primary election, yet designated for the primary in the absence of net debts outstanding. (It was not refunded, redesignated or reattributed, see 11 C.F.R. § 110.1 (b)(3)(i)). The Committee's acceptance of this contribution is in violation of § 441a(f), because contrary to Respondents' statement, at the time of the receipt of the contribution there were no net debts outstanding from the primary.[1]

B. Respondents also maintain the Committee did not knowingly accept contributions in violation of § 441b(a) because the contributors' corporate status was not obvious from their checks. As noted above, however, the Act's "knowing" standard does not require knowledge the activity is unlawful. With respect to the acceptance and retention of checks that may be prohibited because they are corporate contributions, the Commission regulations require that they be either returned within 10 days, or deposited for further review, with a refund within thirty days if the contribution "cannot be determined to be legal." 11 C.F.R.

9504369148O

---

1. The Committee's initial post primary report did list a debt, but did not contain Schedule D's itemizing any debt. Subsequently, the Committee filed an amended report showing a primary debt of $89,937.74. However, it appears the Committee liquidated this debt in the ensuing months, because the October 1990 Quarterly Report disclosed that as of September 30, 1990, it had no debts outstanding at all. Therefore, the Committee had no net debts outstanding from the primary in mid-October when it received this contribution designated for the primary election. See 2 U.S.C. § 110.1(b)(3)(iii).

103.3(b). Since the checks at issue were corporate contributions and were accepted and deposited, this Office recommends a finding of probable cause to believe that the Committee and Bobby T. Martin, as treasurer, violated § 441b(a) of the Act.

C. Respondents claim (Att.1, p.3,4) that late reporting in violation of the 48 Hour Notice requirement of § 434(a)(6)(A) resulted from the failure of the Committee's direct mail firm to notify the Committee of the later contributions. Additionally, Respondents assert that the contributions were not actually credited to the Committee's account during the reporting period.

While these factors may go to mitigation, they do not negate the violation. Under the Act, the treasurer is responsible for timely and correct reporting and the use of vendors for collection of contributions does not lessen that responsibility. Furthermore, the language in § 434(a)(6)(A) expressly refers to the receipt of contributions rather than the time of deposit or credit. Forty contributions of one thousand dollars or more that required 48 Hour Notices were not filed on time, preventing the public from knowing about the sources of substantial amounts of late money into the campaign. Accordingly, this Office recommends a finding of probable cause to believe that the Committee and Bobby T. Martin, as Treasurer, violated 2 U.S.C. § 434(a)(6)(A).

III. DISCUSSION OF CONCILIATION AND CIVIL PENALTY

IV. GENERAL COUNSEL'S RECOMMENDATIONS

1. Find probable cause to believe that the Harvey Gantt for Senate Campaign Committee and Bobby T. Martin as Treasurer violated 2 U.S.C. §§ 441a(f), 441b(a) and 434(a)(6)(A).

2. Approve the attached conciliation agreement and the appropriate letter.

RE: MUR 3471
Harvey Gantt for Senate
Campaign Committee,
Bobby T. Martin, Treasurer

Dear Mr. Covington:

On August 6, 1993, the Federal Election Commission found that there is probable cause to believe Harvey Gantt for Senate Campaign Committee and Bobby T. Martin, as treasurer, violated 2 U.S.C. §§ 441a(f), 441b(a) and 434(a)(6)(A), provisions of the Federal Election Campaign Act of 1971, as amended.

The Commission has a duty to attempt to correct such violations for a period of 30 to 90 days by informal methods of conference, conciliation, and persuasion, and by entering into a conciliation agreement with a respondent. If we are unable to reach an agreement during that period, the Commission may institute a civil suit in United States District Court and seek payment of a civil penalty.

Enclosed is a conciliation agreement that the Commission has approved in settlement of this matter. If you agree with the provisions of the enclosed agreement, please sign and return it, along with the civil penalty, to the Commission within ten days. I will then recommend that the Commission accept the agreement. Please make your check for the civil penalty payable to the Federal Election Commission.

If you have any questions or suggestions for changes in the enclosed conciliation agreement, or if you wish to arrange a meeting in connection with a mutually satisfactory conciliation agreement, please contact Jonathan Bernstein, the Assistant General Counsel assigned to this matter, at (202) 219-3690.

Sincerely,

Lawrence M. Noble

RE: MUR 3471

Bobby T. Martin, Treasurer

Dear Mr. Covington:

On August 16, 1993, you telephoned Mr. Jonathan Bernstein, Assistant General Counsel, and indicated that you had received the Commission's proposed settlement agreement and the accompanying August 11, 1993 letter from Mr. Lawrence Noble, General Counsel, outlining the Commission's action and its post-probable cause conciliation procedure. You stated that you were going to advise Messrs. Gantt and Martin to retain local counsel familiar with practice before the Commission, but that because of August vacation schedules it might take some time to contact your clients and to engage new counsel. However, you agreed that you would be in touch with this Office within two weeks, as this Office is obligated to make an assessment of the settlement potential in this case in order to extend the conciliation period beyond a 30 day period.

Insofar as more than two weeks have elapsed without contact from either you or new counsel, I am writing to remind you that the statutory conciliation period under 2 U.S.C. § 437g(a)(4)(A)(i) may cease after 30 days. Therefore, it is crucial that you contact me regarding the proposed conciliation agreement right away so that we can have a substantive response in hand as soon as possible. I look forward to hearing from you.

Colleen Sealander

Dear Mr. Wallace:

Enclosed please find a list of the one hundred twenty-four (124) excessive contributions received by the Harvey Gantt for Senate Campaign Committee during the 1990 primary, run-off and general elections. The list shows all amounts reported over the course of the election cycle, and also lists any refunds that the Committee has reported. Please also be aware that Commission indices show that of the $88,241.08 in excessive contributions received by the Committee, $29,959.11 remains unrefunded as of this date.

If I can be of further assistance, please do not hesitate to call. Otherwise, as we discussed today, I expect to talk with you regarding the status of this matter late next week.

SENSITIVE

GENERAL COUNSEL'S REPORT

I. **BACKGROUND**

On January 14, 1992, the Commission opened a MUR, found reason to believe the Harvey Gantt for Senate Campaign Committee and Bobby T. Martin, as treasurer, violated 2 U.S.C. §§ 441a(f), 441b(a) and 434(a)(6)(A) and entered into pre-probable cause conciliation.

9504369150 7

On August 6, 1993, the Commission found probable cause to believe the Committee violated 2 U.S.C. §§ 441a(f), 441b(a) and 434(a)(6)(A), and entered into post-probable cause conciliation

This Report contains recommendations to ensure that this

matter conforms to the court's opinion in FEC v. NRA Political Victory Fund, 6 F.3d 821 (D.C. Cir. 1993), petition for cert. filed, (U.S. No. 93-1151, Jan. 18, 1994).

II. RECOMMENDED ACTIONS IN LIGHT OF FEC V. NRA

Consistent with the Commission's November 9, 1993 decisions concerning compliance with the NRA opinion, this Office recommends the Commission: (1) ratify its decisions to open a MUR, find reason to believe the Committee violated 2 U.S.C. §§ 441a(f), 441b(a) and 434(a)(6)(A), and approve the factual and legal analysis that was attached to the General Counsel's Report dated December 19, 1991; (2) revote the finding of probable cause to believe the Committee violated 2 U.S.C. §§ 441a(f), 441b(a) and 434(a)(6)(A); and (3) revote to approve the conciliation agreement that was attached to the General Counsel's Report dated July 29, 1993. This Office has attached the certifications in this matter dated January 14, 1992 and August 6, 1993 for the Commission's information.

This Office will notify the Committee of the Commission's actions, and given the unique circumstances engendered by the NRA decision, conciliation negotiations will be limited to 30 days.

III. RECOMMENDATIONS

1. Ratify the Commission's January 14, 1992 determination to open a MUR.

2. Ratify the Commission's January 14, 1992 finding of reason to believe the Harvey Gantt for Senate Campaign Committee and Bobby T. Martin, as treasurer, violated 2 U.S.C. §§ 441a(f), 441b(a) and 434(a)(6)(A).

3. Ratify the Commission's January 14, 1992 approval of the factual and legal analysis that was attached to the General Counsel's Report dated December 19, 1991.

9504369150 8

SUBJECT: MUR 3471: Recommendation Reflecting Conciliation Agreement Attached to Substitute General Counsel's Report

I. BACKGROUND

On February 25, 1994, the Commission revoted probable cause in this matter, and approved the conciliation agreement attached to the General Counsel's Report dated July 29, 1993. Therefore, this Office recommends the Commission approve the revised conciliation agreement attached to the General Counsel's Report dated August 4, 1993.

FEDERAL ELECTION COMMISSION
WASHINGTON DC 20463

MARCH 7, 1994

Mr. John R. Wallace, Esquire
Wallace, Creech, Sarda & Zaytoun
Attorneys at Law
P.O. Box 12065
Raleigh, NC 27605

RE: MUR 3471
Harvey Gantt for Senate Campaign Committee and Bobby T. Martin, as treasurer

Dear Mr. Wallace:

On August 6, 1993, the Federal Election Commission found that there is probable cause to believe your clients, the Harvey Gantt for Senate Campaign Committee and Bobby T. Martin, as treasurer ("the Committee") violated 2 U.S.C. §§ 441a(f), 441b(a) and 434(a)(6)(A).

As you may be aware, on October 22, 1993, the D.C. Circuit declared the Commission unconstitutional on separation of powers grounds due to the presence of the Clerk of the House of Representatives and the Secretary of the Senate or their designees as members of the Commission. FEC v. NRA Political Victory Fund, 6 F.3d 821 (D.C. Cir. 1993), petition for cert. filed, (U.S. No. 93-1151, Jan. 18, 1994). Since the decision was handed down, the Commission has taken several actions to comply with the court's decision. While the Commission petitions the Supreme Court for a writ of certiorari, the Commission, consistent with that opinion, has remedied any possible constitutional defect identified by the Court of Appeals by reconstituting itself as a six member body without the Clerk of the House and the Secretary of the Senate or their designees. In addition, the Commission has adopted specific procedures for revoting or ratifying decisions pertaining to open enforcement matters.

In this matter, on February 25 and March 2, 1994, the Commission ratified its prior findings of reason to believe in this matter, revoted to find probable cause to believe that the Committee violated 2 U.S.C. §§ 441a(f), 441b(a) and 434(a)(6)(A), and voted to approve the enclosed proposed conciliation agreement, which is a copy of the conciliation agreement previously mailed to your clients.

95043691514

If your clients agree with the provisions of the enclosed agreement, please sign and return it to the Commission. The check for the civil penalty should be made payable to the Federal Election Commission.

The Commission has a duty to attempt to correct such violations for a period of 30 to 90 days by informal methods of conference, conciliation, and persuasion, and by entering into a conciliation agreement with a respondent. Given the unique circumstances engendered by the NRA decision, we intend to complete these negotiations within 30 days. If we are unable to reach an agreement during that period, the Commission may institute a civil suit in United States District Court and seek payment of a civil penalty.

If you have any questions, please contact Colleen Sealander, the attorney assigned to this matter, at (202) 219-3690.

Sincerely,

Lawrence M. Noble
General Counsel

Enclosure
Conciliation Agreement

STATE OF NORTH CAROLINA
COUNTY OF MECKLENBURG

AFFIDAVIT

THE UNDERSIGNED, Bobby T. Martin, being first duly sworn, deposes and says:

1. I am a resident of Charlotte, Mecklenburg County, North Carolina.

2. I am over the age of eighteen and under no mental or physical impairment which would prevent me from being a competent affiant.

3. I am licensed to practice as a Certified Public Accountant in North Carolina.

4. I serve as Treasurer for the Harvey Gantt for Senate Campaign Committee, the principal campaign committee of Harvey Gantt, a Democrat and candidate for U.S. Senate in North Carolina in 1990.

5. The Harvey Gantt for Senate Campaign Committee (hereinafter the "Committee") used personal computers and a contribution and expenditures reporting program in keeping accounts of contributions and expenditures and for the use of filing reports with the Federal Election Commission (hereinafter the "FEC" or the "Commission").

6. During the course of the campaign, the Committee made extensive use of volunteers whenever possible.

7. The magnitude of contributions received by the Committee far exceeded the Committee's expectations. During the period of July 1, 1990, through November 26, 1990, the Committee received a gross total of $6,964,729.92 of contributions. These

95043691516

contributions received by the Committee placed a severe strain on the Committee's bookkeeping, reporting and internal control procedures.

8. Notwithstanding the difficulties faced by the Committee in attempting to properly process the large volume of contributions, the Committee used its best efforts in an attempt to comply with the Federal Election Commission.

FORTY-EIGHT HOUR NOTICE

9. During the course of the campaign, the Harvey Gantt for Senate Campaign Committee entered into contracts with outside fundraising firms to assist the Committee in seeking political contributions through the medium of direct telephone solicitations and direct mail solicitations.

10. These fundraising firms were authorized to collect the funds raised and to deposit the same in a trust account.

11. I was aware that under 2 U.S.C. 434(a)(6)(A), the Committee had an obligation to notify the Federal Election Commission in writing within 48 hours of receipt all contributions of $1,000.00 or more during the period of October 18, 1990 through November 3, 1990.

12. I made every effort to comply with the 48-Hour Notice requirements. On several occassions, I personally informed all staff members and volunteers of the Committee of the 48-Hour Notice requirement, and I had a formal system in place that staff and volunteers were to follow in case the Committee received a

95043691517

contribution of $1,000.00 or more during the period of October 18, 1990, through November 3, 1990, to assist the Committee in meeting its obligation to report under the 48-Hour Notice requirements. In addition, I placed notices on the walls of the Committee's Campaign Headquarters reminding the Committee's staff and volunteers of the 48-Hour Notice requirements and the procedures to be followed to insure compliance therewith.

13. In addition, I informed principals of the fundraising firms to FAX, phone or otherwise communicate to me immediately the name, address and occupation of any donors who contributed in excess of $1,000.00 during the period of October 18 through November 3, 1990.

14. During the period of October 18, 1990 through November 3, 1990, I did not receive any such communications from the fundraising firms. However, I did not consider this unusual in light of the fact that the Committee's intent, with respect to the retention of each of these firms, was to solicit smaller contributions from a broad base of potential contributors. These contributors did not have a history of making previous contributions to the Committee.

15. During the period of October 18, 1990 through November 3, 1990, the Committee did itself receive contributions in excess of $1,000.00 which were duly reported to the FEC, with the exception of certain contributions received on October 26, 1990. On October 26, 1990, the Committee received twelve (12) $1,000.00 contributions. The Committee inadvertently failed to file the

9504369158

48-Hour Notice with respect to those twelve (12) contributions.

16. All other contributions which were subject to the 48-Hour Notice, and for which Notice was not given, were contributions received by the fundraising firms, for which the firms failed to notify me by FAX, mail or telephone, and in contravention of my explicit instructions.

17. I was not aware of the magnitude of these contributions until the fundraising firms later provided me with the computer disc information detailing the names, address, date and amounts of the contributions which I used to prepare FEC Form 3. These contributions, which were received by the fundraising firms, were as follows:

	DATE	AMOUNT
(1)	October 18, 1990	nine of $1,000.00;
(2)	October 19, 1990	four of $1,000.00;
(3)	October 23, 1990	one of 1,000.00;
(4)	October 25, 1990	two of 1,000.00;
(5)	October 26, 1990	two of $1,000.00;
(6)	October 29, 1990	one of 1,000.00;
(7)	October 30, 1990	two of 1,000.00;
(8)	October 31, 1990	two of 1,000.00;
(9)	November 1, 1990	one of 1,000.00;
(10)	November 2, 1990	one of 1,000.00;
(11)	November 3, 1990	one of 1,000.00; and
(12)	November 3, 1990	one of 1,050.00.

18. On October 22, 1990, the Committee received notification from the Sierra Club of a $4,201.84 in-kind contribution by the Sierra Club to the Committee. This in-kind contribution was reported to the FEC on FEC Form 3 as being made on October 22, 1990. However, the services rendered by the Sierra Club to the Committee were provided over time prior to

95043691519

October 18, 1990, and hence were not actually received during the 48-hour notification period. No 48-Hour Report was made by the Committee of this in-kind contribution.

CORPORATE CONTRIBUTIONS

19. The Committee received the sum of $600.00 from the Black Political Awareness League and the sum of $1,000.00 from People Helping People. These contributions were each made by check on accounts, neither of which in any way reflected that the donor was incorporated (see copy of checks attached hereto as Exhibit "A"). The Committee, therefore, had no knowledge that these were corporate contributions and were prohibited under federal law. Upon learning that the contributions had been made by corporations, they were promptly refunded.

EXCESS CONTRIBUTIONS

20. The Committee instituted a system to attempt to track and identify contributors by assigning to each contributor an internal identification number. During the course of the campaign, volunteers for the Committee were given the assignment of opening the mail, including the contributions, comparing the names and addresses of contributors as reflected on incoming checks to the Committee's master list of contributors, which list included the identification numbers of all previous donors. If a name did not appear on the master list of contributors, the volunteers were instructed to give the contributor an

95043691520

identification number.

21. Each contributor should have been assigned only one number. However, at the time that I was preparing Form FEC 3 to be filed with the FEC, I learned that some contributors had been given two or more identification numbers. It was at this time that I realized that the Committee had received excess contributions from those individuals who had been assigned two or more identification numbers. At the time the contributions were received, they were not known to be excessive.

22. These excess contributions, in the amount of $89,241.08, have been correctly identified by the FEC.

23. Prior to the commencement of these proceedings by the FEC, at the time that I realized that the Committee had received excess contributions, the Committee began refunding the excess contributions upon its own initiative. These refunds amounted to the total amount of $76,008.82. However, the remaining $13,232.26 in excess contributions, not detected by the Committee as excessive, have not been refunded to data.

Further Affiant saith not.

GENERAL COUNSEL'S REPORT

SENSITIVE
MAY 16 1995
EXECUTIVE SESSION

I. INTRODUCTION[1]

As the Commission is aware, on February 24, 1995, the U.S. District Court for the District of Columbia decided in Federal Election Commission v. National Republican Senatorial Committee, 1995 WL 83006 (D.D.C. 1995) ("NRSC"), that the statute of limitations set forth at 28 U.S.C. § 2462 ("Section 2462") applied to Commission enforcement suits seeking civil penalties, relying upon the D.C. Circuit's opinion in 3M Co. v. Browner, 17 F.3d 1453 (D.C. Cir. 1994). This Report discusses the statute of limitations generally, describes

enforcement matters potentially affected by the NRSC court's conclusion and makes recommendations for each of the potentially affected matters.[2]

1. This is a combined General Counsel's Report from the Enforcement and Public Financing, Ethics and Special Projects ("PFESP") areas of the Office of the General Counsel.

9504369152 3

In NRSC, Judge Pratt held that the Commission could not seek a civil penalty in conjunction with its civil enforcement action against the defendant for violations of 2 U.S.C. §§ 441a(h) and 434(b) because the 5-year federal catch-all statute of limitations found at 28 U.S.C. § 2462 applied to Commission-initiated enforcement suits seeking civil penalties. The court, however, allowed the Commission's suit to go forward notwithstanding this conclusion, ruling that Section 2462 did not apply to the declaratory and equitable relief also sought by the Commission. Therefore, the court so far has issued no final appealable decision.

On May 17, 1994, in FEC v. Williams, the U.S. District Court for the Central District of California reached the opposite conclusion about the applicability of 28 U.S.C. § 2462 to the Commission's enforcement actions. Mr. Williams' contributions in the name of another took place more than 5 years before the Commission filed its complaint and counsel raised 28 U.S.C. § 2462 as an affirmative defense. However, the court ruled at an oral hearing that the statute of limitations did not apply. Instead, the court awarded the Commission a $10,000 civil penalty against Mr. Williams for violations of 2 U.S.C. § 441f. FEC v. Williams, No. 93-6321 (C.D. Cal. Jan. 31, 1995), appeal docketed, No. 95-55320 (9th Cir. 1995) ("Williams"). Mr. Williams has filed a notice of appeal regarding, inter alia, the district court's

9504369152 4

statute of limitations decision. Thus, whether and to what extent the statute of limitations at 28 U.S.C. § 2462 will apply to Commission enforcement cases will be before the 9th Circuit shortly, and could also be the subject of a later appeal before the D.C. Circuit in NRSC.[3]

In light of this conflict between the courts and the pendency of the appeal, this Office believes a decision to close enforcement cases based solely on a conclusion that the 5 year statute of limitations would apply to any potential enforcement suits would be unwarranted. This is especially true since neither 28 U.S.C. § 2462 nor the NRSC decision limits the Commission's authority to complete administrative investigations or seek civil penalties in voluntary conciliation prior to filing suit. Nonetheless, the Office of the General Counsel recognizes that until the stautue of limitations is finally resolved by the courts, respondents are likely to raise it as a defense, making settlement more complicated. Thus, even though the Commission is not bound by the NRSC decision in other cases, the Office of the General Counsel believes the Commission should take this issue into consideration on a case-by-case basis when looking at its active and inactive enforcement cases -- particularly those with older activity -- and, in an exercise of its prosecutorial discretion, attempt to bring the matters most vulnerable to

9504369152 5

statute of limitations difficulties to an early administrative disposition.[4]

In order to give the Commission the broadest picture of the possible effect of a statute of limitations on its caseload, this Office has analyzed all enforcement cases where there is FECA-violative activity that will be 5 years old at some point during this year. Section II of this Report gives an overview of principles involved in analyzing the statute of limitations issue, with particular attention to determining when a Commission cause of action might accrue, and when the running of the statute may be tolled by equitable principles. Section III describes how this Office applied these principles to its active and inactive enforcement caseload and the approach used in making its recommendations for Commission action. Section IV includes descriptions of each of the potentially affected enforcement matters, outlines the statute of limitations difficulties this Office foresees for each, and recommends specific Commission action for each potentially affected matter.

II. THE LAW

This section discusses 28 U.S.C. § 2462, the federal catch-all statute of limitations, and issues relating to when the statute begins to run, under what circumstances it may be tolled

and declaratory and equitable relief available to the Commission even if the statute of limitations has run completely.

A. Accrual

Section 2462 requires commencement of a suit for civil penalties within five years from the date when the claim first accrued.[5] Thus, as a threshold matter, in considering the potential effect of the limitations period on a particular case, one must determine the complex issue of when the claim first accrued.

1. General Principles

A cause of action normally accrues when the factual and legal prerequisites for filing suit are in place, i.e., at the precise moment when the violation occurred.[6] However, federal courts have generally applied the discovery rule of accrual, an equitable doctrine under which a claim is considered to have accrued at the time that a potential claimant knew, or through the exercise of reasonable diligence should have known, of the facts underlying the cause of action.[7]

9504369152 7

---

5. 28 U.S.C. § 2462 provides:

> Except as otherwise provided by Act of Congress, an action, suit or proceeding for the enforcement of any civil fine, penalty, or forfeiture, pecuniary or otherwise, shall not be entertained unless commenced within five years from the date when the claim first accrued . . . .

6. United States v. Lindsay, 346 U.S. 568, 569 (1954).

7. See, e.g., Delaware State College v. Ricks, 449 U.S. 250, 259 (1980) (Court implicitly applied discovery rule to Title VII discrimination suit); United States v. Kubrick, 444 U.S. 111, 122-25 (1979) (court implicitly endorsed discovery rule of accrual, but limited it to discovery of facts underlying a claim,

The substantial harm theory of accrual can be considered analytically as a particular application of the discovery rule. It is usually advanced in personal injury actions involving latent injuries or injuries difficult to detect, especially in cases of "creeping disease" such as asbestosis. The rule rests on the idea that plaintiffs cannot have a tenable claim for the recovery of damages unless and until they have been harmed. Under the substantial harm theory, therefore, damage claims in cases involving latent injuries or illnesses do not accrue until substantial harm matures or, in other words, until the harm becomes apparent.

The Supreme Court has cautioned against "attempting to define for all purposes when a cause of action first accrues. Such words are to be interpreted in light of the general purposes of the statute and of its other provisions, and with due regard to those practical ends which are to be served by any limitation of the time within which an action must be brought."[8] Thus, in determining the time of accrual in cases arising under the FECA,

rather than extending the rule to discovery of legal cause of action); see also Oshiver v. Levin, Fishbein, Sedran & Berman, 38 F.3d 1380, 1386 (3d Cir. 1994); Dixon v. Anderson, 928 F.2d 212, 215 (6th Cir. 1991); Cada v. Baxter Healthcare Corp., 920 F.2d 446, 450 (7th Cir. 1990); Corn v. City of Lauderdale Lakes, 904 F.2d 585, 588 (11th Cir. 1990); Alcorn v. Burlington Northern Railroad Co., 878 F.2d 1105, 1108 (8th Cir. 1989); Lavellee v. Listi, 611 F.2d 1129, 1131 (5th Cir. 1980); Cullen v. Margiotta, 811 F.2d 698, 725 (2d Cir. 1987); Cline v. Brusett, 661 F.2d 108, 110 (9th Cir. 1981); Bireline v. Seagondollar, 567 F.2d 260, 263 (4th Cir. 1977).

8. Crown Coat Front Co., Inc. v. United States, 386 U.S. 503, 517 (1967) (quoting Reading Co. v. Koons, 271 U.S. 58, 62 (1926)).

courts will look to the nature and goals of the FECA versus the interests underlying the five-year limitations period.

2. Accrual in the Context of the FECA

While the discovery rule has been applied in a wide range of cases, originating in the tort context and extending to, inter alia, contract, Title VII, and RICO actions, to date, it appears that only the United States District Court for the District of Columbia has held that the Section 2462 statute of limitations is applicable to the FECA. The court also addressed the precise question of when a cause of action accrues under the FECA. Inasmuch as the district court in NRSC relied on the decision of the Court of Appeals for the District of Columbia in 3M Co. v. Browner, 17 F.3d 1453 (D.C. Cir. 1994) ("3M"), the latter case will be summarized first.

3M was an action brought by the Environmental Protection Agency ("EPA") to impose civil penalties against a company for violations of the Toxic Substances Control Act, wherein the EPA argued that in the exercise of due diligence it could not have discovered the violations earlier. In 3M, the defendant misstated and failed to include information on notices required by the EPA. The court acknowledged that the District of Columbia Circuit has adopted the discovery rule, under which, as discussed above, a claim is considered to have accrued at the time that a claimant knew or should have known of the facts underlying the cause of action. However, the 3M court found that the discovery rule had only been applied in limited circumstances -- those involving remedial, civil claims -- and specifically rejected the discovery

9504369152 9

rule under the circumstances presented, stating that the rule proposed by the EPA in that case was a "discovery of violation" rule. The court concluded that in civil penalty actions the running of the limitations period of Section 2462 is measured from the date of the violation.[9]

In NRSC, a suit arising from violations of the FECA involving excessive contributions and failure to report such contributions to the FEC, the court repeated the options for defining the time of accrual set forth in 3M, stating that a claim accrues "when the defendant commits his wrong or when substantial harm matures." Then, without pinpointing the exact time of accrual, and without specifically attempting to define accrual in the FECA context, the court held that the FECA claim accrued "considerably before the end of the [FEC's] administrative process." While the district court's accrual finding was imprecise, Judge Pratt's construction of 3M suggests that the discovery rule of accrual may be rejected in FECA claims brought in that Circuit.

On the other hand, the Court of Appeals for the Third Circuit, in considering a citizens' suit brought under the Clean

9. In 3M, the court cited the Supreme Court's decision in Unexcelled Chemical Corp. v. United States, 345 U.S. 59 (1953), which was a suit for liquidated damages against a government contractor for unlawfully employing child labor. As the 3M decision noted, in that case, the Supreme Court held that "a cause of action is created when there is a breach of duty owed the plaintiff. It is that breach of duty, not its discovery, that normally is controlling." However, the Supreme Court's focus was the question of whether the claim accrued at the time of the violation versus after it had been administratively determined that the contractor was liable. The Court was not concerned specifically with the question of whether the claim accrued at the time of the violation versus when the plaintiff knew or should have known of the facts underlying the claim.

Water Act, which has statutory self-reporting requirements comparable to the FECA, held the Section 2462 statute of limitations applicable and embraced the discovery rule. There, the Third Circuit held that since the defendant was responsible for filing reports under the Act and the public could not reasonably be deemed to have known about any violation until the defendant filed the report, the cause of action did not accrue until the reports listing the violations were filed.[10] A district court in Virginia[11] has also embraced this discovery rule for determining accrual under the Clean Water Act.[12]

B. EQUITABLE TOLLING

There are instances in which a court may determine that equitable considerations require the statute of limitations to be tolled. Such a determination is made on a case-by-case basis and

10. Public Interest Research Group v. Powell Duffryn Terminals, Inc., 913 F.2d 64, 75 (3d Cir. 1990), cert. denied, 498 U.S. 1109 (1991).

11. United States v. Hobbs, 736 F. Supp. 1406 (E.D. Va. 1990).

12. Various other circuit courts have grappled with the question of when the federal five-year statute of limitations of Section 2462 begins to run, but these cases, which have produced conflicting rulings, have all involved actions to recover civil penalties rather than actions to impose them. Compare United States Dept. of Labor v. Old Ben Coal Co., 676 F.2d 259 (7th Cir. 1982) (in action to recover civil penalty, claim accrues only after administrative proceeding has ended, penalty has been assessed, and violator failed to pay) and United States v. Meyer, 808 F.2d 912 (1st Cir. 1987) (in civil penalty enforcement action limitations period is triggered on date civil penalty is administratively imposed) with United States v. Core Laboratories Inc., 759 F.2d 480 (5th Cir. 1985) (in suit to recover civil penalty limitations period begins to run on date of underlying violation).

is referred to as equitable tolling.[13] Equitable tolling presumes claim accrual and steps in to toll, or stop, the running of the statute of limitations in light of established equitable considerations.[14] The most fundamental rule of equity is that a party should not be permitted to profit from its own wrongdoing.

There are three principal situations in which equitable tolling may be appropriate: (1) where the defendant has actively misled the plaintiff regarding the plaintiff's cause of action; (2) where the plaintiff in some extraordinary way has been prevented from asserting his or her rights; and (3) where the

9504369153 2

---

13. Some courts have pointed out that, in instances where the defendant has taken active steps to prevent the plaintiff from suing, e.g., in cases involving fraudulent concealment, the tolling of the statute of limitations is more appropriately referred to as equitable estoppel. See Cada v. Baxter Healthcare Corp., 920 F.2d 446, 450-51 (7th Cir. 1990).

14. Courts have held that statutes of repose cannot be extended by federal tolling principles, see Baxter Healthcare, 920 F.2d at 451; First United Methodist Church of Hyattsville v. United States Gypsum Company, 882 F.2d 862 (4th Cir. 1989). While statutes of repose and statutes of limitations have sometimes been referred to interchangeably, a statute of repose is legally distinguishable from a statute of limitations. Whereas a statute of limitations is a procedural device motivated by considerations of fairness to the defendant, a statute of repose is a substantive grant of immunity after a legislatively determined period of time and is based on the economic interest of the public as a whole and a legislative balance of the respective rights of potential plaintiffs and defendants. See First United Methodist Church, supra. To date, this Office's research has revealed no instances in which a court has held that Section 2462 is a statute of repose in the legal sense and, therefore, held tolling principles to be inapplicable. Indeed, in 3M, the court noted the potential applicability of the doctrine of fraudulent concealment to Section 2462. See 3M, 17 F.3d at 1461, n.15.

plaintiff has timely asserted his or her rights mistakenly in the wrong forum.[15]

1. Doctrine of Fraudulent Concealment

The Supreme Court has defined the doctrine of fraudulent concealment as the rule that "where a plaintiff has been injured by fraud and remains in ignorance of it without any fault or want of diligence or care on his part, the bar of the statute does not begin to run until the fraud is discovered, though there be no special circumstances or efforts on the part of the party committing the fraud to conceal it from the knowledge of the other party." Holmberg v. Armbrecht, 327 U.S. 392, 397 (1946). The Court went on to state that this equitable doctrine is read into every federal statute of limitation. Id.

The doctrine, as applied by the circuit courts of appeal, requires the plaintiff to plead[16] and prove three elements:

9504369153 3

15. School District of City of Allentown v. Marshall, 657 F.2d 16, 19-20 (3d Cir. 1981) (quoting Smith v. American President Lines, Ltd., 571 F.2d 102, 109 (2d Cir. 1978)). It should also be noted that statutes of limitations are subject to waiver and may be tolled by agreement of the parties. See Zipes v. Trans World Airlines, Inc., 455 U.S. 385, 393 (1982).

16. Pleading requirements for fraudulent concealment are very strict. Some courts invoke Fed. R. Civ. P. 9(b) and require a plaintiff to meet the pleading requirements for fraud. See Dayco Corp. v. Goodyear Tire & Rubber Co., 523 F.2d 389, 394 (6th Cir. 1975). Other courts, while not specifically invoking Rule 9, still require specificity and particularity in pleading. See Rutledge v. Boston Woven Hose & Rubber Co., 576 F.2d 248, 250 (9th Cir. 1978); Weinberger v. Retail Credit Co., 498 F.2d 552, 555 (4th Cir. 1974).

(1) use of fraudulent means by the defendant;
(2) plaintiff's failure to discover the operative facts that are the basis of his cause of action within the limitations period; and
(3) plaintiff's due diligence until discovery of the facts.

State of Colorado v. Western Paving Construction, 833 F.2d 867, 874 (10th Cir. 1987).

The first prong of the plaintiff's burden under the doctrine - the use of fraudulent means by the defendant - warrants some elaboration. The courts have generally held that to establish this element of the doctrine one of two facts must be shown: 1) that fraud is an inherent part of the violation so that the violation conceals itself; or 2) that the defendant committed an affirmative act of concealment - a trick or contrivance intended to exclude suspicion or prevent inquiry.[17] These approaches to establishing the first element of the doctrine of fraudulent concealment have been referred to, respectively, as the self-concealing theory and the subsequently concealed theory. By contrast, the courts have pointed out that silence, without some fiduciary duty, never satisfies this element.[18]

9504369153 4

17. See Riddell v. Riddell Washington Corp., 866 F.2d 1480, 1491 (D.C. Cir. 1989); State of Colorado v. Western Paving Construction, 833 F.2d at 876-78.

18. See Rutledge v. Boston Woven Hose & Rubber Co., 576 F.2d 248, 250 (9th Cir. 1978); Dayco Corp. v. Firestone Tire & Rubber Co., 386 F. Supp. 546, 549 (N.D. Ohio 1974), aff'd sub. nom., Dayco Corp. v. Goodyear Tire & Rubber Co., 523 F.2d 389 (6th Cir. 1975). Some courts have also held that a denial of an accusation of wrongdoing does not constitute fraudulent concealment. See King & King Enters. v. Champlin Petroleum Co., 657 F.2d 1147, 1155 (10th Cir. 1981), cert. denied, 454 U.S. 1164 (1982); but see Rutledge, supra ("denying wrongdoing may constitute fraudulent concealment where the circumstances make the plaintiff's reliance upon the denial reasonable").

Where the plaintiff establishes all three of the required elements, the doctrine provides the plaintiff with the full statutory limitations period, starting from the date the plaintiff discovers, or with due diligence could have discovered, the facts supporting the plaintiff's cause of action.

2. Inducement Due to Intentional or Unintentional Misrepresentation

In cases where the plaintiff has refrained from commencing suit during the period of limitation because of inducement by the defendant, the Supreme Court has found the statutory period tolled because of the conduct of the defendant. See Glus v. Brooklyn Eastern Terminal, 359 U.S. 231 (1973). Under the facts of Glus, supra, the plaintiff averred that the defendant had fraudulently or unintentionally misstated information upon which the plaintiff relied in withholding suit.

3. Subpoena Enforcement

Several district courts have tolled other statutes of limitations in circumstances where the plaintiff was forced to initiate subpoena enforcement proceedings to uncover facts underlying the cause of action.[19] While research to date has not revealed specific instances in which a court has tolled the Section 2462 statute of limitations because the plaintiff was

9504369153535

19. EEOC v. Gladieux Refinery, Inc., 631 F. Supp. 927, 935-36 (N.D. Ind. 1986) (Court held that the statute of limitations was tolled during the time between issuance of subpoena and enforcement because defendant did not have valid basis for not complying with subpoena); EEOC v. City of Memphis, 581 F. Supp. 179, 182 (W.D. Tenn. 1983) (Court held that the statute of limitations was tolled until documents sought in subpoena were made available to EEOC).

forced to initiate subpoena enforcement proceedings, Section 2462 is sufficiently similar to those statutes which courts have tolled to suggest that the same result would be appropriate. Further, a good argument could be made for equitably tolling Section 2462 in such circumstances because defendants' refusal to comply with the Commission's subpoenas, whether that refusal is reasonable or otherwise, frustrates the Commission's ability to bring the action within the limitations period. Not tolling the statute of limitations in such circumstances while allowing defendants to plead the statute of limitations as an affirmative defense to actions brought by the Commission would allow defendants to profit from refusing to comply with subpoenas, and thus "offer a tempting method of defeating the basic purpose of [the Act]."[20]

4. Continuous Violation Theory

The continuous violation theory is another theory that operates to toll statutes of limitations. In the case of a continuing violation, the violation is not complete for purposes of the statute of limitations as long as the proscribed course of conduct continues, and the statute of limitations does not begin to run until the last day of the continuing offense.[21]

The Supreme Court has cautioned that continuing offenses are not to be too readily found, explaining in the criminal context that "such a result should not be reached unless the

21. See Fiswick v. United States, 329 U.S. 211, 216 (1946); United States v. Butler, 792 F.2d 1528, 1532-33 (11th Cir. 1986).

explicit language of the substantive criminal statute compels such a conclusion, or the nature of the crime involved is such that Congress must assuredly have intended that it be treated as a continuing one." Toussie v. United States, 397 U.S. 112, 115 (1970). Thus, the question of whether a violation is a continuing one is largely a matter of statutory interpretation involving the precise statutory definition of the violation.

Courts will generally not find that a violation is continuous absent clear language in the statute.[22]

C. Declaratory Relief and Equitable Remedies

The limitations period set forth in 28 U.S.C. § 2462 applies only to suits for civil penalties. Section 2462, by its own terms, has no bearing on suits in equity.[23] The following is a purely exemplary, non-exhaustive list of various forms of equitable relief that may be available. It should be noted that it is within the discretion of the courts to grant or withhold

9504369153 7

22. Compare Toussie, 397 U.S. 112 (1970) (Court held that failure register for draft was not continuing violation where draft statute contained no language that clearly contemplated continuing offense, and regulation under Act referring to continuing duty to register was insufficient, of itself, to establish continuing offense) with United States v. Cores, 356 U.S. 405 (1958) (statute prohibiting alien crewmen from remaining in United States after permits expired contemplated continuing offense where conduct proscribed is the affirmative act of willfully remaining, and crucial word "remains" permits no connotation other than continuing presence). See also Keystone Insurance Company v. Houghton, 863 F.2d 1125 (3d Cir. 1988) (In RICO action, court held that language of the Act, which makes a pattern of conduct the essence of the crime, "clearly contemplates a prolonged course of conduct."); West v. Philadelphia Electric Co., 45 F.3d 744 (3d Cir. 1995) (Court applied continuing violation theory where cause of action required showing of intentional, pervasive, and regular racial discrimination).

equitable remedies and courts will exercise that discretion on a case-by-case basis in light of the particular circumstances of each case.

o Declaratory Judgment - A declaratory judgment is a court judgment which establishes the rights of parties or expresses the opinion of the court on a question of law without the court necessarily ordering anything to be done. While a declaratory judgment is similar in some respects to an advisory opinion, unlike the latter, a declaratory judgment is rendered in an adversarial proceeding and is legally binding on all the parties involved.

o Disgorgement - Disgorgement is aimed at preventing the unjust enrichment of a wrongdoer. The disgorgement remedy takes away "ill-gotten gains," thereby depriving a respondent of wrongfully obtained proceeds and returning the wrongdoer to the position the wrongdoer was in before the proceeds were wrongfully obtained.

o Injunction - A prohibitory injunction is a court order that requires a party to refrain from doing or continuing a particular act or activity. Prohibitory injunctions are generally considered preventative measures which guard against future acts rather than affording remedies for past wrongs.

By contrast, a mandatory injunction is a type of injunction that requires some positive action. A mandatory injunction (1) commands the respondent to do a particular thing; (2) prohibits the respondent from refusing (or persisting in refusing) to do or permit some act to which the plaintiff has a legal right; or (3) restrains the respondent from permitting his previous wrongful act to continue to take effect, thus virtually compelling him or her to undo it. A conciliation agreement provision that requires a committee to amend its reports in conformance with the Act is similar in effect to a mandatory injunction, albeit one entered into voluntarily and without court order. In addition, the creative forms of equitable relief listed below are examples of possible mandatory injunctions that the Commission might seek in court.

o Creative Forms of Equitable Relief

- require defendant(s) to notify the public that the defendant(s) violated the FECA, e.g., bulletin board posting.
- require additional reporting relevant to preventing future violations of the type committed.
- require defendant(s) to put different procedures in place to prevent future violations of the type committed.
- require defendant(s) to take courses to become familiar with the requirements of the FECA.

III. ANALYSIS

This section outlines the underlying legal assumptions and other factors considered by this Office in evaluating and making recommendations for each of the potentially affected cases discussed in Section IV, infra. As a preliminary matter, this Office notes that it has reviewed all of the active and inactive enforcement matters where there appears to have been FECA-violative activity prior to January 1, 1991 that will thus be at least 5 years old by the end of this year. By selecting the cases in this manner, this Office has attempted to bring to the Commission's attention all of the matters where, were the MRSC decision applied, the statute of limitations might run this year.[24]

9504369153 9

This Office has assumed for purposes of these recommendations the possibility of a uniform application of the Section 2462 statute of limitations to the FECA in all circuits

This Office has further assumed that it is possible courts will deem claims arising under the FECA to have accrued at the precise moment that the violation occurred.

9504369154O

9504369154 1

In setting forth the case summaries, this Office has divided its discussion into three sections.

The third

section analyzes matters which this Office recommends that the Commission not pursue.

IV. CASE DISCUSSIONS

This section provides brief descriptions of enforcement matters assigned to the Public Financing, Ethics and Special Projects and Enforcement areas, including the Central Enforcement Docket.

Cases for which this Office Makes Specific Recommendations

MUR 3471 (Harvey Gantt for Senate Campaign Committee et al.)

This matter dates from the 1990 North Carolina Senate race and involves violations of 2 U.S.C. §§ 441a(f), 441b(a), and 434(a)(6)(A). On August 6, 1993, and then again on February 18, 1994 in response to the NRA decision, the Commission found probable cause to believe the respondents accepted over $88,000 in excessive contributions from 124 individuals and entities, $1,600 in prohibited contributions from two corporations, and failed to file 48 Hour Notices for forty (40) contributions totaling $43,251.84 received prior to the November general election. The majority of the violations occurred in October and November 1990.

Prior to finding probable cause, the Commission engaged in pre-probable cause conciliation, approving a conciliation agreement

Since the probable cause finding, the committee has retained new counsel

Assuming the NRSC decision were applied to this case, under a strict definition of accrual, nearly $78,000 of the excessive contributions, all of the prohibited contributions and all of the omitted 48-Hour Notices could provide the basis for a judicially imposed civil penalty so long as the Commission files suit by September 1 of this year. Therefore, this Office recommends the Commission
grant this Office suit authority in this matter.

Cases this Office Recommends the Commission Close

MUR 2984 (Robert Johnson et al.)

This matter involves 1988 corporate fundraising mailings for the 1988 Bush/Quayle campaign and a pattern of contributions made in the name of another, resulting in knowing and willful probable cause findings for violations of 2 U.S.C. §§ 441f, 441b(a), and 441d(a) against the individual and corporate actors.

Of the respondents still open in the matter, Robert G. Johnson and E. Kenneth Twichell were formally referred to the Department of Justice for criminal prosecution; Mr. Johnson pled guilty to felony perjury for lying under oath in a Commission deposition and Mr. Twichell pled guilty to obstructing the Commission's investigation. The corporate respondents, all closely tied to Mr. Johnson, were neither pursued nor prosecuted during the criminal proceeding. As this Office has reported, Mr. Johnson's remaining sentence was stayed based on NRA arguments

No action has taken place since the Supreme Court dismissed the Commission's appeal in NRA, and whether Mr. Johnson will have to serve the balance of his sentence is still unclear.

All of the transactions underlying FECA liability date from 1988, thus posing an obstacle under 28 U.S.C. § 2462 in the event the Commission chose to litigate this matter to obtain civil penalties. The Commission found probable cause in January of 1992, but then referred the matter to the Department of Justice, and resumed proceedings in late 1993 after resolution of the criminal proceedings. Prosecutorial discretion strongly counsels against further pursuing the remaining respondents in this matter. The age of the activity as compared to other pending matters, and the desirability of making public the Commission's initiating role in the prosecution of Mr. Johnson argue in favor of closing this matter.

For the reasons outlined above, this Office recommends the Commission take no further action with respect to the remaining respondents in this matter and close the file.

MUR 3182 (Kentucky Democratic Party, et al.)

This matter, a merger of MURs 3145 and 3182, involves television ads broadcast by the Kentucky Democratic Party during the 1990 general election campaign on behalf of the Democratic Party's Senatorial candidate, Dr. Harvey Sloane. The complaints allege that the ads were prepared by the Sloane campaign's media consultant, paid for by the Kentucky Democratic party's nonfederal account, and financed in part by contributions from the ATLA PAC and from Mary C. Bingham. Mrs. Bingham recently passed away.

Most of the outstanding issues in this matter occurred in the Fall of 1990, slightly less than five years ago. Thus, it does not appear that the Commission would presently be barred from seeking a civil penalty even under the strictest reading of Section 2462. In order for the Commission to obtain a judicially imposed civil penalty in this matter, civil suit must be filed by November of 1995. Yet, even if the Commission were to devote substantial resources to this matter, it is virtually inconceivable that the deadline would be met.

First, in order to proceed, the Commission must review and revote its earlier determinations in this matter to comply with the NRA opinion. Second, this matter is still in the investigatory stage and further investigation appears necesarry. Third, the issues are complex and the two staff attorneys previously assigned to this matter have been transferred to other areas of this agency. Moreover, the allocation regulations at issue in this matter are no longer in effect, having been revised in 1991

Finally, it does not appear that equitable relief would be appropriate here as the only feasible remedy we may obtain is injunctive relief on the misallocation issue: The Sloan Committee has virtually no money for disgorgement and Sloan has never been a candidate in any other federal election. In view of all the foregoing, this Office recommends the Commission take no further action and close this file.

MUR 3228 (Dahlson for Congress, et al.)

This matter was generated by a referral from the Commission's Reports Analysis Division, and involves the subsidization of the campaign by a corporation associated with the candidate (§ 441b(a)) and the misreporting of one of the corporate loans (§ 434(b)). Specifically, the candidate funneled approximately $47,000 in corporate funds to the campaign through his personal checking account, thus concealing the true source of the funds. The candidate/corporate loans took place from May to October 1990. Further, the committee misreported the source of a May 2, 1990 direct contribution from the corporation ($10,000) in its 12-Day Pre-Primary report filed May 21, 1990. Consequently, assuming 28 U.S.C. § 2462 applies, the Commission might be unable to obtain a judicially imposed civil penalty for most of the violations as early as May of this year.

This matter is presently in the investigative stage after an unsuccessful attempt at pre-probable cause conciliation. Most recently, on March 2, 1995, this Office interviewed the campaign's treasurer. The interview established that the treasurer was not involved in the committee's receipt of the funneled corporate contributions and that the misreporting may have resulted from innocent error. Consequently, the available evidence suggests that the candidate Roy Dahlson was the individual chiefly responsible for the violations in this matter.

Additional investigation would be necessary -- including the taking of depositions -- to prove that the § 441b(a) violations by Mr. Dahlson are knowing and willful. This investigation and the subsequent procedural stages leading to litigation would have to be completed in the most expeditious fashion. This Office recommends that the Commission forgo this course. Mr. Dahlson was a one-time candidate who won the primary election but lost the general election with 35% of the vote. Mr. Dahlson is now retired. Accordingly, this matter does not warrant the expenditure of resources necessary for its most expeditious completion and resolution. Therefore, this Office recommends that the Commission take no further action in this matter and close the file.

MUR 3787 (Georgia Republican Party)
Public Financing, Ethics and Special Projects

This case involves violations committed during the 1988 election cycle. In particular, an audit of the Georgia Republican Party ("the Party") revealed that the Party accepted $20,350 in excessive contributions from five individuals that were not resolved in a timely manner. Similarly, the Party accepted $13,403 in prohibited contributions that were not resolved in a timely manner. The Party also did not properly document approximately $333,270 in individual contributions. In addition, the Commission found reason to believe that the respondent violated 2 U.S.C. § 441a(f) by paying phone bank employees to conduct get-out-the-vote activities and voter identification on behalf of the Bush-Quayle campaign.

The Party admits that it erred in accepting the prohibited and excessive contributions, but urged the Commission to accept as a mitigating factor the fact that it rid its accounts of the impermissible amounts upon discovery. Similarly, the Party concedes that it failed to keep adequate records for certain contributions, but asserts that a large portion of those receipts were $35 contributions which it did not believe it was required to document. Finally, this Office has concluded that documentation and affidavits furnished by the Party demonstrate that only $26,700 of the more than $300,000 in Party expenditures made for get-out-the-vote and voter identification activities amounted to impermissible contributions by the Party.

Although it may be possible to enjoin similar conduct in future elections, the Party has acknowledged that it violated the Act. Accordingly, assuming that the NRSC decision is followed and judicially-imposed civil penalties are time-barred then in light of the age of this case and the ordering of the Commission's priorities, we recommend that the Commission take no further action in this matter and close the file. If the Commission adopts this recommendation, the notification letter to the Party will contain appropriate admonishment language.

MUR 3973 (Bob Davis)

This matter stems from a House Bank Task Force referral indicating that former Representative Bob Davis used his committee's petty cash to make disbursements in excess of $100. Between 1988 and 1992, the committee reported disbursing $22,708 in petty cash disbursements, $16,567 of which was reported as having been disbursed by Mr. Davis. In May of last year the Commission found reason to believe that Mr. Davis, his committee and its treasurer violated 2 U.S.C. § 432(h)(1), and that his committee and its treasurer additionally violated 2 U.S.C. § 432(h)(2) for failing to maintain a petty cash journal as required. However, because RAD had allowed the committee to terminate some months before, the Commission took no further action with respect to the committee's violations. Thus, only Mr. Davis remains a respondent in the case.

Of the $22,708 in petty cash, all but approximately $9,400 was disbursed prior to 1991. Thus, if 28 U.S.C. § 2462 applies, the Commission might be time-barred from obtaining a judicially imposed civil penalty for a substantial portion of the petty cash.

While our inquiries have confirmed that the committee kept no petty cash journal, that it possesses receipts for only a portion of its cash transactions, and that a small number of the disbursements exceeded $100, it now appears that Mr. Davis' role in the committee's petty cash was de minimus. Affidavits from two members of Mr. Davis' congressional staff and one from his former campaign treasurer state that while Mr. Davis was the payee of many of the checks, and was reported as same, this was to enable the staff to easily cash the checks at the Wright-Patman Federal Credit Union. In fact, the affiants maintain, the majority of the petty cash was disbursed by the campaign and congressional staff and not Mr. Davis.

Given the age of these violations, the fact that Mr. Davis is no longer a candidate for federal office and his apparently limited personal involvement in his committee's petty cash violations, this Office recommends the Commission take no further action in MUR 3973 and close the file.

MUR 4013 (National Freedom PAC)
Public Financing, Ethics and Special Projects

This matter involves chronic reporting violations and the apparent commingling of Committee funds with the personal funds of the Committee's treasurer, Rick Woodrow. The respondents are the Committee and Mr. Woodrow. The material events occurred in 1990.[31]

This is an inactive, internally generated matter. Assuming that the NRSC decision is followed and judicially-imposed civil penalties are time-barred then in light of the age of the violations at issue, this Office recommends that the Commission take no further action with respect to this matter and close the file.

31. On July 20, 1994, MUR 3516 was merged with MUR 4013. In MUR 3516, which arose out of a RAD referral, the Commission found reason to believe that National Freedom PAC committed reporting violations.

RE: MUR 3471

Dear Mr. Wallace:

On August 21, 1995, the Federal Election Commission accepted the signed conciliation agreement and civil penalty submitted on your clients' behalf in settlement of a violation of 2 U.S.C. §§ 434(a)(6)(A), 441a(f), and 441b(a) provisions of the Federal Election Campaign Act of 1971, as amended ("the Act"). Accordingly, the file has been closed in this matter. Please be advised that the civil penalty in this agreement reflects unusual factors brought forth during the investigation.

The confidentiality provisions at 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record before receiving your additional materials, any permissible submissions will be added to the public record upon receipt.

Information derived in connection with any conciliation attempt will not become public without the written consent of the respondent and the Commission. See 2 U.S.C. § 437g(a)(4)(B). The enclosed conciliation agreement, however, will become a part of the public record.

BEFORE THE FEDERAL ELECTION COMMISSION

In the Matter of	)	
	)	MUR 3471
Harvey Gantt for Senate Campaign Committee and Bobby T. Martin as treasurer	)	

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission ("Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found probable cause to believe that the Harvey Gantt for Senate Campaign Committee and Bobby T. Martin, as Treasurer ("Respondents") violated 2 U.S.C. §§ 434(a)(6)(A), 441a(f), and 441b(a).

NOW, THEREFORE, the Commission and the Respondents, having duly entered into conciliation pursuant to 2 U.S.C. § 437(g)(a)(4)(A)(i), do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding.

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this Agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

1. Harvey Gantt was a candidate for the U.S. Senate from the State of North Carolina in the 1990 Primary, Run-Off and General Elections.

2. The Harvey Gantt for Senate Campaign Committee was

2504369155 62

Harvey Gantt's principal campaign committee.

3. Bobby T. Martin is the Treasurer of the Harvey Gantt for Senate Campaign Committee.

4. The Federal Election Campaign Act of 1971, as amended (the "Act"), states that no person may make a contribution to a candidate for Federal office, or his authorized campaign committee, in excess of $1,000 per election. 2 U.S.C. § 441a(a). The term "person" includes, inter alia, individuals, committees, and other organizations and groups of persons. 2 U.S.C. §431(11).

5. The Act further provides that multicandidate political committees are prohibited from making contributions in excess of $5,000 to any candidate or his authorized committee with respect to any election for Federal Office. 2 U.S.C. § 441a(a)(2)(A).

6. Pursuant to 2 U.S.C. § 441a(f), no candidate or political committee shall knowingly accept any contribution which is in violation of the provisions set forth in Section 441a.

7. Contribution limitations apply separately with respect to each election.

8. Respondents accepted contributions totaling $89,241.08 from 123 individuals, five multi-candidate political committees, two candidate principal campaign committees, and three non-registered political action committees, all of which were in excess of the Act's limitations for the Primary, Run-Off and General Elections.

9504369153

9. Respondents either refunded or attempted to refund $76,008.82 of such contributions prior to the initiation of the Commission's enforcement proceeding, but not within sixty (60) days of their receipt under 11 CFR § 103.3(b)(3).

10. Respondents contend that their failure to make timely refunds to the contributors of the excess contributions was compounded by difficulties experienced with the data entry process utilized during the campaign.

11. A contribution designated in writing for a particular election, but made after that election, shall be made only to the extent that the contribution does not exceed net debts outstanding from such election. 11 C.F.R. § 110.1(b) (3)(i).

12. When a committee receives a contribution that can not be accepted because the committee has no debts outstanding, the treasurer has sixty (60) days from the date of receipt to seek reattribution, or redesignation, or to refund the contribution. 11 C.F.R. § 110.1(b)(3)(i).

13. Respondents accepted a $1,000.00 excessive contribution that was designated for the Primary Election but received after that election at a time when there were no net debts outstanding for that election.

14. Pursuant to 2 U.S.C. § 441b(a), it is unlawful for any corporation to make a contribution or expenditure in connection with any election to Federal office.

15. Pursuant to 2 U.S.C. § 441b(b)(2), a contribution or expenditure includes any direct or indirect payment, distribution,

9504369156 4

loan advance, deposit, or gift of money, or any services, or anything of value to any candidate, campaign committee or political party or organization, in connection with any election.

16. Respondents accepted two contributions from corporate entities totaling $1,600. However, these two contributions were made by checks which did not bear the initials "Inc.," "Corp." or any other designation which would have indicated that the contributors were incorporated. These two contributions have been refunded by Respondents.

17. The Act requires principal campaign committees of candidates for Federal office to notify either the Clerk of the House, Secretary of the Senate or the Commission (and the appropriate Secretary of State) in writing, of each contribution totaling $1,000 or more received by any authorized committee of the candidate after the 20th day but more than 48 hours before any election. 2 U.S.C. § 434(a)(6)(A).

18. The Act further requires this notification to be made within 48 hours after the receipt of the contribution and to include the name of the candidate and the office sought by the candidate, identification of the contributor, the date of receipt and the amount of the contribution. 2 U.S.C. § 434(a)(6)(A). Timely disclosure of these contributions is in addition to all other reporting requirements. 2 U.S.C. § 434(a)(6)(B).

19. Respondents failed to file the required notices described in subparagraphs 17 and 18 for thirty-nine (39) contributions totaling $39,050.00 that were received by the

9504369155

committee during the period of October 18, 1990 through November 3, 1990.

A. Respondents contend that the Committee used the services of direct mail and direct phone fundraising firms to assist in soliciting contributions for the General Election of 1990, and that such fundraising firms were advised by Respondents to immediately inform the Respondents of any contributions received of $1,000.00 or more during the period of October 18, 1990, through November 3, 1990.

B. Respondents further contend that during the period of October 18, 1990, through November 3, 1990, the Respondents did not receive from the fundraising firms regarding the receipt of following contributions of $1,000.00 or more and that these firms did receive the following contributions, all of which required notification pursuant to 2 U.S.C. § 434(a)(b)(A):

	DATE	AMOUNT
(1)	October 18, 1990	nine of $1,000.00;
(2)	October 19, 1990	four of $1,000.00;
(3)	October 23, 1990	one of 1,000.00;
(4)	October 25, 1990	two of 1,000.00;
(5)	October 26, 1990	two of $1,000.00;
(6)	October 29, 1990	one of 1,000.00;
(7)	October 30, 1990	two of 1,000.00;

(9)	November 1, 1990	one of 1,000.00;
(10)	November 2, 1990	one of 1,000.00;
(11)	November 3, 1990	one of 1,000.00; and
(12)	November 3, 1990	one of 1,050.00.

C. Respondents contend that they were not aware of the receipt of the twenty-seven (27) contributions listed in subparagraph 19, clause b, by the fundraising firms until the firms

2504369156

delivered to the Committee the computer discs on which the contributor information was stored for the Committee's preparation of its 1990 30 day Post-General Election Report to the Commission.

D. In addition to the contributions listed in subparagraph 19, clause b, the Respondents directly received twelve (12) One Thousand Dollar ($1,000.00) contributions on October 26, 1990. The Respondents contend that they inadvertently failed to give the 48-Hour Notice with respect to these receipts.

20. None of the contributions discussed in sub-paragraphs 19 were reported until the Committee filed its 1990, 30-Day Post-General Election report on December 6, 1990.

V. Respondents accepted $89,241.08 in excessive contributions, in violation of 2 U.S.C. § 441a(f).

VI. Respondents accepted $1,600.00 in prohibited contributions, in violation of 2 U.S.C. § 441b(a).

VII. Respondents failed to file 48-Hour Notices for thirty-nine (39) contributions totaling $39,050.00, in violation of 2 U.S.C. § 434(a)(6)(A).

initial payment , five consecutive monthly payments of Three Thousand Dollars ($3,000.00) each.

3. In the event that any installment payment is not received by the Commission within five (5) days after its due date, the Commission may, at its discretion, accelerate the remaining payment(s) and cause the entire amount to become due upon ten (10) days written notice to the Respondents. Failure by the Commission to accelerate the payment(s) with regard to any overdue installment shall not be construed as a waiver of its right to do so with regard to future overdue installments.

IX. Within ninety (90) days of the date this agreement becomes effective, the Committee will refund to its respective contributors all excessive contributions which have not yet been refunded. In addition, Respondents will provide to the Commission proof of all refunds made by the Committee, including amounts refunded prior to the signing of this agreement. In the event that the Committee is unable to refund any of the excessive contributions, or in the event any of the refund checks are not negotiated by the contributors, the Respondents shall pay such unrefunded amounts to the Day Care Services Association of North Carolina; the African American Cultural Center; the Teen Health Connection; and Thompson's Children's Home, all of which are charitable organizations exempt from income tax under §501(c)(3) of the Internal Revenue Code. X. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this Agreement. If the Commission believes that this Agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

XI. This Agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

XII. Re: MUR 3471 -- Gantt for Senate Campaign and Bobby T. Martin as Treasurer

Dear Mr. Hershkowitz:

As you will recall, I represented the Gantt for Senate Committee during the course of matters arising from MUR 3471. Upon settlement, the Commission approved the disbursement of excess and unrefundable contributions by the Committee as charitable contributions to four designated not for profit organizations.

The Committee has asked me to inquire of the Commission with respect to the possibility of designating an additional donee, specifically, the African-American Community Endowment Fund, a component fund of the Foundation for the Carolinas. I enclose a fact sheet on the Fund.

The goal of the AACEF is to generate contributions enabling the Fund to make grants to advance equal opportunity, economic self-reliance, and to develop leadership skills, and promote educational advancement and cultural awareness.

The Foundation for the Carolinas is a non-profit community foundation. In existence since 1958, the foundation serves communities and people through the Central Piedmont region of the Carolinas.

AFRICAN AMERICAN COMMUNITY ENDOWMENT FUND

a component fund of

FOUNDATION FOR THE CAROLINAS

FACT SHEET...

WHAT IS THE MISSION OF THE AACEF?

The mission of the African American Community Endowment Fund is to encourage philanthropy to support nonprofit programs and organizations that address African American concerns, creating a legacy that will benefit future generations.

The AACEF encourages charitable giving from individuals, groups and institutions within the African American community as well as from individuals and corporations outside the community.

WHO WILL BENEFIT FROM THESE GRANTS?

The AACEF hopes to assume a major role in dealing with the concerns of the African American communities in the Southern Piedmont region of North Carolina. Priority will be given to those organizations and projects that advance the following objectives:

To promote economic self-reliance
To advance equal opportunity
To increase opportunity for the economically and socially disadvantaged
To develop leadership skills
To promote educational advancement
To promote cultural awareness

WHEN WILL THE AACEF AWARD ITS FIRST GRANTS?

The first grants will be awarded in 1995. The initial goals of the AACEF are to generate contributions totaling $1 million by 1998 and to award grants totaling $50,000 annually from the proceeds of the endowment.

WHY IS THE AACEF NECESSARY?

The need to improve the quality of life for all African Americans in the Southern Piedmont is greater today than ever. Many traditional efforts are not enough to meet this growing need. We must now look to differently organized approaches for dealing with the increasingly complex concerns of the African American community. The creation of the AACEF is one of those approaches. Establishing a community endowment will allow us to address the current needs of the African American community while also investing in our future.

HOW WILL THESE FUNDS BE MANAGED?

The AACEF is a component fund of the Foundation For The Carolinas. The Foundation was established in 1958 and currently manages more than 600 funds with assets totaling over $77 million. The Foundation handles all the investments and administration of the AACEF. The Foundation pools its endowment funds for investment purposes, allowing more efficient investment and greater protection against market fluctuations than if the AACEF were invested separately. Establishing an endowment with the Foundation is significantly less costly and time-consuming than establishing a separate foundation.

WHAT IS FOUNDATION FOR THE CAROLINAS?

Foundation For The Carolinas is a nonprofit philanthropic community foundation. Since 1958, the Foundation has helped thousands of people contribute to and better communities throughout the Central Piedmont region of the Carolinas. The Foundation has more than $95 million in assets and makes charitable distributions of more than $10 million each year to more than 500 charitable organizations.

MISSION:

The mission of the Foundation is to better the communities it serves through leadership in the advocacy and understanding of philanthropy, in service to donors, in its stewardship of charitable assets, in the building of permanent charitable resources, and in grantmaking to a wide range of community projects and interests.

Foundation For The Carolinas serves donors by providing information, assistance, and ways to effectively make charitable gifts. It provides reliable, dedicated stewardship of charitable resources and makes grants to a wide range of community projects and interests.

WHAT DOES THE COMMUNITY FOUNDATION OFFER DONORS?

Simplicity: The Foundation makes giving easy. It handles the paperwork and takes the hassle out of making charitable gifts.

Stability: The Foundation is permanent. Donors can be confident that its stewardship of charitable resources will continue for generations to come.

Flexibility: The Foundation can assist donors in achieving a wide variety of personal charitable goals. A broad range of interests including arts and culture, civic affairs, education, health and human services, and religious groups benefit from the Foundation's flexibility to meet current and future needs.

Professional Management: The Foundation is managed by a trained staff and governed by a Board of Directors composed of voluntary leaders representing a cross-section of the community. An Investment Committee oversees the work of professional managers charged with the task of maximizing the Foundation's investment performance.

Tax Benefits: Foundation For The Carolinas is a public community foundation recognized by the Internal Revenue Service as a 501(c)(3) charitable organization. Gifts to the Foundation receive maximum tax advantages for income, gift, and estate tax purposes.

PRIVATE FOUNDATIONS VS. FOUNDATION FOR THE CAROLINAS:

Setting up a fund with Foundation For The Carolinas is significantly less costly and time-consuming than establishing a private foundation. A donor can enjoy maximum tax advantages, no excise tax is charged on investment income, and administrative costs can be kept to a minimum.

WAYS OF GIVING:

Gifts can be made to the Foundation with: cash, appreciated securities, real estate, life insurance, private foundation transfer, or bequests.

0604337019112

TYPES OF FUNDS:
The Foundation emphasizes permanent or endowment gifts, which generate income for charitable purposes year after year. The Foundation makes philanthropy possible for people of all means.

Donor Advised Funds allow donors to be actively involved in recommending the nonprofit organization to receive gifts.

Endowment Funds are permanent funds. They produce income in perpetuity for charitable purposes as designated by the donor. Endowment Funds may be: ***field of interest*** to support a general area of interest or concern, ***unrestricted*** to be used for "seed grants" for new charitable programs, ***advised*** to support a broad range of charitable purposes recommended by the donor, or ***designated*** to serve specific programs or special purposes.

Restricted Funds are spent over a defined period of time.

Deferred Gifts offer a variety of distinctive tax advantages and income benefits to donors and provide needed charitable resources for the community. The Foundation offers the ***Charitable Gift Annuity, Charitable Remainder Trusts (Charitable Remainder Unitrust and Charitable Reminder Annuity Trust), Charitable Lead Trust, and a Pooled Income Fund.***

OTHER SERVICES RELATED TO CHARITABLE GIVING:
The Foundation conducts a variety of grantmaking programs and distributes approximately $1 million a year for Special Projects Grants. Recent efforts include the $600,000 Strengthening Families Initiative to prepare at-risk preschool children for school, $500,000 annually for development of regional HIV/AIDS services, and scholarship programs which provide more than $325,000 to some 275 students. In addition, the Foundation offers a Seed Grant Program for innovative charitable ideas and operates Medical Research and African American grant programs.

The Foundation administers endowment funds for more than 100 charitable organizations to help them build a permanent source of income for their program needs. The Foundation also helps develop charitable resources throughout the region. Eight counties have formed county community foundations and are affiliated with Foundation For The Carolinas for assistance in asset development, administration, and grantmaking. County foundations in North Carolina are Cabarrus, Cleveland, Iredell, Union, and Richmond. Three in South Carolina are: Cherokee, Lancaster, and York. The Foundation also serves the Richmond County and Sandhills area through The Cole Foundation Endowment, distributing close to $1,000,000 a year to local charitable organizations. In addition, a supporting organization relationship exists with the Salisbury Community Foundation in Rowan County.

Foundation For The Carolinas currently administers over 800 different charitable funds. All distributions from these funds benefit other charities. Since it was established, the Foundation has distributed more than $85 million for charitable purposes.

I spoke with John Wallace, attorney for the above-named committee, by telephone this afternoon in follow-up to his December 1995 request to add another charity to the list contained in the conciliation agreement for MUR 3471. (As background, the CA requires the committee to disgorge unrefundable excessive and prohibited contributions to several named charities). Mr. Wallace told me that we should consider the request "withdrawn."

Re: MUR 3471 – Gantt Committee and Bobby T. Martin, Respondent

Dear Mr. Hershkowitz:

In fulfillment of its obligations pursuant to the Conciliation Agreement entered into the foregoing matter, the Gantt Committee has attempted refunds to an array of individuals whose checks have been returned or not negotiated. The Committee therefore has a sum which it believes it is obligation to contribute to one or more non-profit organizations.

As you will recall, certain non-profit organizations were designated at the time of the entry of the Conciliation Agreement. Each of those organizations has received a substantial contribution from the Gantt Committee.

It is the hope of the Gantt Committee that it can contribute the remaining excess funds to the Siegle Avenue Church Preschool Cooperative or the Alexander Children's Home or both. Mr. Gantt has no affiliation as a director or officer of either of these entities and we understand them to be qualified non-profit organizations.

Under these circumstances, is it necessary for the Committee to seek commission approval of these contributions?

Thank you for your kind assistance in this regard.

With best regards, I remain

Sincerely,

WALLACE, CREECH & SARDA, L.L.P.
