TO

OFFICE OF GENERAL COUNSEL

DATE: 30 June 1989

ANALYST: Margo Herbert

I. COMMITTEE: NRA Political Victory Fund
Grant A. Wills, Treasurer
(C00053553)
1600 Rhode Island Avenue, NW
Washington, DC 20036

II. RELEVANT STATUTE: 2 U.S.C. §441b(a)
11 CFR 114.5(b)(3)

III. BACKGROUND:

Receipt of Funds from the Connected Organization

The NRA Political Victory Fund ("the Fund") received $415,744.42 in transfers from its connected organization, the NRA/ILA ("the ILA").

Schedule A supporting Line 15 on the Detailed Summary Page of the Fund's 1988 30 Day Post-General Report disclosed the receipt of $415,744.42 from the ILA on October 20, 1988 for a "Refund of Fundraising Exp." (Attachment 2).

On February 8, 1989, the Reports Analysis Division ("RAD") analyst sent a Request for Additional Information ("RFAI") to the Fund. The RFAI advised the Fund that while it could be reimbursed by its connected organization for fundraising expenditures, such reimbursement must be within thirty (30) days of the original activity. The RFAI then requested the Fund to provide the dates of the original expenses and an explanation concerning what had occurred. The RFAI also advised the Fund that the Commission may initiate audit or legal enforcement action (Attachment 3).

On March 16, 1989, a Second Notice was sent to the Fund for failure to respond to the RFAI (Attachment 4).

On March 20, 1989 the Fund submitted a response stating that the receipts from the ILA represented "...a reimbursement for expenses the [Fund] could have paid but initially chose not to". The response explained that on

2043594729

August 1, 1988, the Fund had reimbursed the ILA for expenses the ILA had incurred during solicitation for the Fund, and the ILA returned the August 1 payment to the Fund since, according to the Fund "...either the ILA or the [Fund] could have paid the costs of soliciting contributions..." (Attachment 5).

On May 17, 1989 an RFAI was sent to the Fund referencing the March 20th response. The RFAI advised the Fund that the ILA's reimbursement of the Fund should have occurred within thirty (30) days after the August 1 payment, and advised the Fund to refund or transfer-out the $415,744.42. The RFAI also asked the Fund to provide a copy of the check for the refund or transfer, and noted the possibility of further legal action by the Commission (Attachment 6).

On June 8, 1989, a Second Notice was sent to the Fund for failure to respond to the RFAI (Attachment 7).

On June 14, 1989, the Commission received a response from the Fund which reiterated the statements in the March 20th response. The response stated that the Fund did not believe it should refund or transfer-out the money in question, since "...either the ILA or the [Fund] could have paid the costs of soliciting contributions..." (Attachment 8).

On June 21, 1989, the RAD analyst spoke with Grant Wills, treasurer of the Fund, regarding the May 17th RFAI. The analyst acknowledged the receipt of the June 14th response and reminded Mr. Wills that the money must be refunded or transferred-out. Mr. Wills stated that he felt the analyst was not fully addressing his response and that he would call back with his attorneys in a conference call (Attachment 9).

Later that same day, the RAD analyst spoke with Richard Gardiner, an attorney for the Fund. Mr. Gardiner requested that the Commission acknowledge the Fund's responses in writing. The analyst reiterated the necessity of transferring out or refunding the money in question and noted that the Fund may be contacted by the FEC's office of General Counsel (Attachment 10).

To date, no further response has been received from the Fund, nor has the money been refunded or transferred-out.

Dear Mr. Wills:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report discloses a total of $415,744 in receipts from NRA/ILA which you have reported as a "refund of fundraising expense." (see attached) 2 U.S.C. §441b prohibits a corporation or labor organization from contributing or expending funds for the purpose of influencing any federal election, except that the connected organization may pay for the solicitation and administrative costs of its separate segregated fund.

Note that if a separate segregated fund pays any expenses which could be paid by the connected organization, the organization may reimburse the separate segregated fund but must do so within 30 days. 114.5(b)(3)

Please provide the dates of the original expenses and an explanation of the aforementioned transaction. Although the Commission may take further legal steps concerning this matter, your prompt action will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the

side of this letter. If you need additional information, please feel free to contact me at the toll-free number, (800) 424-9530. My local number is (202) 376-5000.

Re: 30 Day Post-General Report (10/20/88-11/28/88)

Dear Mr. Dickson:

I am writing in response to your letter of February 8, 1989 to Grant A. Wills, NRA-Political Victory Fund (PVF) Treasurer. In your letter, you request that we provide "an explanation" of a "refund of fundraising expenses" on October 20, 1988 from the NRA-Institute for Legislative Action (ILA) to the PVF in the amount of $415,744.

The sum about which you have inquired was a return to the PVF of monies which the PVF had previously reimbursed to the ILA on August 1, 1988 (see enclosed copy of check #6744) for expenses the ILA had incurred in soliciting contributions to the PVF. Thus, the August 1, 1988 payment was not the payment of a "solicitation or other administrative expense from its own account" within the meaning of 11 CFR 114.5(b)(3). Rather, since either the ILA or the PVF could have paid the costs of soliciting contributions in view of 2 U.S.C. 441b(b)(2)(C), the August 1, 1988 payment to the ILA was merely a reimbursement for expenses the PVF could have paid but initially chose not to. That being the case, the October 20, 1988 payment simply returned that reimbursement since the PVF determined, between August 1 and October 20, that it should have adhered to its decision to reimburse the ILA.

In light of the above, we urge the Commission not to "take further legal steps concerning this matter ...."

Sincerely yours,

Richard E. Gardiner

Dear Mr. Wills:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your response dated March 17, 1989 states that the receipt of $415,744 was for funds inadvertently reimbursed to your connected organization.

Under 11 CFR 114.5(b)(3) a separate segregated fund may be reimbursed for any solicitation or other administrative expense provided that the reimbursement is made no later than thirty (30) days after the expense was paid by the separate segregated fund. To the extent that the reimbursement was made beyond the thirty (30) days permitted under 11 CFR 114.5(b)(3), the Commission recommends that you refund the full amount to the NRA/ILA in accordance with 11 CFR 103.3(b). Alternatively, if you choose to transfer the funds to an account not used to influence federal elections, the Commission advises that you inform the NRA/ILA in writing and provide the NRA/ILA with the option of receiving a refund.

Please inform the Commission immediately in writing and provide a photocopy of your check for the refund or transfer-out. Refunds and transfers-out should be disclosed on a supporting Schedule B for Line 26 or 20 of the report covering the period during which they are made.

Although the Commission may take further legal steps concerning the acceptance of a prohibited contribution, prompt action by your committee to refund or transfer-out the account will be taken into consideration.

A written response or an amendment to your origina[l] report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Dear Ms. Herbert:

I am writing in response to your letter of May 17, 1989.

At the outset, I would note that you have mischaracterized the explanation set forth in our letter to you of March 17, 1989 when you summarize our letter as contending that "the receipt of $415,744 was for funds inadvertently reimbursed ...." In fact, nowhere in our letter did we even suggest that the October 20, 1988 payment was "inadvertent". Rather, we indicated that the NRA-Political Victory Fund (PVF) determined that it should have adhered to its decision to reimburse the NRA-Institute for Legislative Action (ILA).

Turning to your discussion of 11 CFR 114.5(b)(3), as we explained in our March 17 letter, the August 1, 1988 payment was not the payment by the PVF of a "solicitation or other administrative expense from its own account" within the meaning of 11 CFR 114.5(b)(3). Rather, since either the ILA or the PVF could have paid the costs of soliciting contributions -- see 2 U.S.C. 441b(b)(2)(C) -- the August 1, 1988 payment to the ILA was merely a reimbursement for expenses the PVF could have paid but initially chose not to. Thus, we do not believe that the PVF needs to "refund the full amount to the NRA/ILA" or that the PVF needs to "transfer the funds to an account not used to influence federal elections ...."

In view of the above, we again urge the Commission not to "take further legal steps" in this matter.

Sincerely yours,

Grant A. Wills

I called Mr. Wills to tell him that I had received his June 13, 1989 correspondence. I informed him that he must still refund the full amount to the NRA/ILA or transfer the funds to a non-federal account. Mr. Wills put me on hold to retrieve his copy of the letter. After reviewing his copy, Mr. Wills told me that he felt that I was not addressing the first part of the letter and that he would call me back with his attorneys.

I. GENERATION OF MATTER

On July 7, 1989, the Reports Analysis Division ("RAD") referred the NRA Political Victory Fund (the "Committee"), the separate segregated fund of the National Rifle Association ("NRA"), and Grant A. Wills, as treasurer, to this Office. In its 1988 September Monthly Report, the Committee disclosed a $415,744.72 disbursement on August 1, 1988 for 1988 Fundraising Expenses to the NRA-Institute for Legislative Action ("NRA-ILA"), the "political action arm" of the NRA. In its 1988 30 Day Post-General Report, the Committee disclosed a receipt of $415,744.42 on October 20, 1988 from the NRA-ILA. The Committee noted in the report entry that the money was for a refund of fundraising expenses.

II. FACTUAL AND LEGAL ANALYSIS

The Federal Election Campaign Act of 1971, as amended (the

2 0 4 3 5 9 4 7 4 6

"Act") prohibits corporations from making contributions or expenditures in connection with a federal election. 2 U.S.C. § 441b(a). Pursuant to 2 U.S.C. § 441b, the term "contribution or expenditure" does not include the establishment, administration, and solicitation of contributions to a separate segregated fund to be utilized for political purposes by a corporation. 2 U.S.C. § 441b(b)(2)(C). Commission Regulations provide that a corporation may use general treasury monies, for the establishment, administration, and solicitation of contributions to its separate segregated fund. 11 C.F.R. § 114.5(b). If the separate segregated fund pays any solicitation or other administrative expense from its own account, which expenses could be paid for as an administrative expense by the collecting agent, the collecting agent may reimburse the separate segregated fund no later than thirty (30) calendar days after the expense was paid by the separate segregated fund. 11 C.F.R. § 114.5(b)(3).

In the present matter, it appears that the NRA-ILA initially paid for the fundraising expenses on behalf of the separate segregated fund. In its response to RAD's inquiry, the Committee notes that on August 1, 1988, it reimbursed $415,744.72 to the NRA-ILA for expenses which the NRA-ILA incurred in soliciting contributions for the Committee. On October 20, 1988, the Committee shows a $415,744.42 receipt from the NRA-ILA. The Committee argues that since either the NRA-ILA or the Committee could have paid the costs of soliciting contributions, the August 1, 1988 payment to the NRA-ILA was merely a reimbursement

2043594747

for expenses that the Committee could have initially paid but chose not to pay. The Committee further argues the October 20, 1988 payment "returned that reimbursement since the [Committee] determined, between August 1 and October 20, that it should have adhered to its decision to reimburse the [NRA-]ILA."[1]

Section 114.5(b)(3) of the Commission Regulations does not appear to be applicable to the facts in this matter because the NRA-ILA, not the separate segregated fund, initially paid for the costs of the solicitations. Even if it were deemed to be applicable, the NRA-ILA did not refund the reimbursement to the Committee within 30 days but waited until just prior to the November election, approximately two months after its receipt. In either case, a violation of 2 U.S.C. § 441b(a) has occurred.

Accordingly, this Office recommends that the Commission open a MUR and find reason to believe that the Committee violated 2 U.S.C. § 441b(a) by accepting corporate contributions from the NRA-ILA. This Office further recommends that the Commission find reason to believe that the National Rifle Association-Institute for Legislative Action violated 2 U.S.C. § 441b(a) by making corporate contributions to a federal political committee.

2043594748

---

1. This Office notes that the NRA-ILA submitted a Form 7 to the Commission reporting $41,817.59 in expenditures for internal communications to members of the NRA between July 1, 1988 and September 30, 1988 and $546,116.71 in expenditures for internal communications between October 1, 1988 and October 31, 1988 pursuant to 2 U.S.C. §§ 431(8)(B)(vi) and 431(9)(B)(v). In its 1988 Pre-General Report, the Committee reported $654,376.11 in total receipts, $1,264,763.17 in total disbursements and $154,322.89 in cash on hand at the close of the period. In its 1988 Post-General Report, the Committee reported $901,874.83 in total receipts, $1,005,675.24 in total disbursements and $50,522.48 in cash on hand at the close of the period.

III. RECOMMENDATIONS

1. Open a MUR.

2. Find reason to believe that the NRA Political Victory Fund and Grant A. Wills, as treasurer, violated 2 U.S.C. § 441b(a).

3. Find reason to believe that the National Rifle Association-Institute for Legislative Action violated 2 U.S.C. § 441b(a).

I. COMMITTEE: People For Boschwitz 1990

David G. Sommers, Treasurer

Minneapolis, MN 55403

II. RELEVANT STATUTE: 2 U.S.C. §441a(f)

III. BACKGROUND:

Receipt of Apparent Excessive Contributions

The People for Boschwitz '90 committee ("the Committee") has during 1989, accepted and in most instances refunded, redesignated or reattributed apparent excessive contributions totaling $87,457.99. These contributions were made by ninety-eight (98) individuals, seven (7) qualified multi-candidate political committees and three (3) non-qualified political committees. To date, the Committee has refunded, redesignated or reattributed $66,641 of the apparent excessive amount.

Presented below is a summary of the excessive contributions received, the notices sent and the responses received. For specific details, please refer to the attached chart and its supporting documents. The chart is an alphabetical listing of all excessive contributions received by the Committee.

A. Possible Violations Discovered During Initial Review

1. 1989 Mid-Year Report

Review of the Committee's report discloses the receipt of excessive contributions totaling $29,623. These contributions were made by twenty-seven (27) individuals, six (6) qualified multicandidate political committees and two (2) non-qualified multicandidate political committees.

2404359482828

On November 22, 1989, a Request For Additional Information ("RFAI") was sent to the Committee (Attachment 2). The RFAI notes the receipt of the excessive contributions and requests that the Committee refund or seek redesignation or reattribution of the amounts in excess of the election limits. In addition, the notice notes the possibility of further Commission action concerning the acceptance of excessive contributions.

On December 7, 1989, the Committee responded (Attachment 3). The response included copies of redesignation and reattribution letters and copies of refund checks for the questioned contributions. The Committee did not refund the full excessive amount to the non-qualified committee referenced in the letter. The treasurer stated that "As of today's date, the WAIPAC is a multi-candidate PAC and is, therefore, not over the $5,000 limit for the Primary Election". The Committee's 1989 Year End Report discloses the refunds, redesignations and reattributions (Attachment 4).

2. 1989 Year End Report

Review of the Committee's report discloses the receipt of excessive contributions totaling $26,660. These contributions were made by thirty (30) individuals, one (1) qualified multicandidate political committee and one (1) non-qualified multicandidate political committee.

The Committee's 1990 April Quarterly Report discloses the refunds, redesignations and reattributions for the excessive contributions received from these individuals during the 1989 Mid-Year and Year End reporting periods totaling $31,143.

On August 15, 1990, an RFAI was sent to the Committee referencing the 1990 April Quarterly Report (Attachment 5). The RFAI notes on an informational basis the receipt and refund, redesignation or reattribution of the excessive contributions received during the 1989 reporting periods. In addition, the notice notes the possibility of further Commission action concerning the acceptance of excessive contributions.

On August 27, 1990, the Committee amended its 1990 April Quarterly Report to disclose additional refunds, redesignations and reattributions (Attachment 6). The Committee's 1990 July Quarterly, 12 Day Pre-General and Year End Reports also disclose several refunds, redesignations and reattributions (Attachments 7, 8 and 9).

B. Additional Possible Violations Discovered During the Preparation of this Referral

2404359482 9

A review of the Committee's reports during the preparation of this referral disclosed the receipt of an additional $31,174.99 in apparent excessive contributions. These contributions were made from fifty-two (52) individuals. The Chart below lists the additional apparent excessive contributions discovered for each report:

1989 Mid-Year	$25,199.99
1989 Year End	$ 5,975.00

The Committee has not been notified of these apparent excessive contributions. To date, the Committee has refunded or redesignated $10,950 of the apparent excessive amount. To date, the Committee has not refunded, redesignated or reattributed the remaining excessive amounts.

NOV 22 1989

David S. Sommers, Treasurer
People for Boschwitz 1990
215 South 11th Street
Minneapolis, MN 55403

Identification Number: C00128330

Reference: Mid-Year Report (1/1/89-6/30/89)

Dear Mr. Sommers:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. No individual or political committee other than a qualified multicandidate committee may make contributions to a candidate for federal office in excess of $1,000 per election. The TCF PAC and the WAIPAC did not meet the requirements for multicandidate status as of the date the contribution(s) was made to your committee. Additionally, a multicandidate committee may not make a contribution to a candidate for federal office in excess of $5,000 per election. The term "contribution" includes any gift, subscription, loan, advance or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441(a) and (f); 11 CFR §110.1(b) and (e))

If the contribution(s) in question was incompletely or incorrectly reported, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limit, you should either refund to the donor(s) the amount in excess of $1,000 or $5,000 per election or get the donor(s) to redesignate and/or reattribute the contribution(s) in writing. All refunds, redesignations, and reattributions must be made within sixty (60) days of the treasurer's receipt of the contribution(s). Copies of refund checks and copies of letters reattributing or redesignating the contributions

in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which the refund is made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR §104.8(d)(2) and (4))

Although the Commission may take further legal steps, prompt action by you to refund or seek redesignation and/or reattribution of the excessive amount(s) will be taken into consideration.

-Line 17, Column A, of the Detailed Summary Page discloses $1,007,342.24 in operating expenditures. The total on the last page of Schedule B supporting this Line equals $994,069.74; however, the sum of all entries itemized equals $994,709.74. Please explain this discrepancy and amend your report(s).

-Line 11(a)(i), Column A, of the Detailed Summary Page discloses $1,292,974.91 in receipts. The total on the last page of Schedule A supporting this line is $1,292,974.91; however, the sum of all entries itemized equals $1,294,954.91. These figures should be the same. Please amend your report to explain the difference.

-You must provide the occupation and name of employer for each contributor required to be itemized on Schedule A. Please amend your report by supplying the omitted information.

With respect to the occupation and name of employer of the contributor, your committee may demonstrate "best efforts" to obtain the required information. This demonstration must describe your committee's procedures for requesting the information. You may also supply a copy of the solicitation. Under 11 CFR §104.7(b), the solicitation shall consist of a clear request for the required information (i.e., name, mailing address, occupation, and name of employer). The request should also inform the contributor that the reporting of such information is required by law. See 11 CFR §104.3(a)(4)(i) and 11 CFR §104.7.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you

Re: I.D.#C00128330 - Mid-Year Report (1/1/89 - 6/30/89)

Dear Ms. White:

Enclosed you will find an amendment to the above referenced report, copies of redesignation/reattribution letters and/or copies of refund checks for the questioned contributions, and a description of People for Boschwitz's "best efforts" to obtain occupation and name of employer information.

As per our conversation regarding Schedule B, which supports Line 17, Column A, I believe you may have misread some numbers contained on page 48. I have included a more legible copy of this page for your records.

As of today's date, the WAIPAC is a multi-candidate PAC and is, therefore, not over the $5,000 limit for the Primary Election.

Sincerely,

David Sommers

Dear Steven:

Thank you for your generous contributions to Rudy's re-election campaign. However, we have a few bookkeeping matters that need attention. An individual is allowed to give $1000 toward the primary election and $1000 towards the general election. In the past, when someone exceeded $1000 before the primary we could automatically credit this to the general election account.

To satisfy the Federal Election commission's new law, I must have written permission to transfer amounts over $1000 into the general election account. The law also requires me to tell you that you may request a refund of amounts over $1000; hopefully you will authorize such a transfer to the general.

If you could please take a minute and sign below, I will see our records are corrected. Again, thank you for your generosity.

Sincerely,

Sonnie Elliott
Receipts Coordinator

To: Sonnie Elliott

Please be advised if any of my contributions exceed my primary election contribution limits ($1000), you have my permission to attribute those funds to the general account.

Dear Mr. Glazer:

Thank you for your generous contributions to Rudy's re-election campaign. However, we have a few bookkeeping matters that need attention. An individual is allowed to give $1000 toward the primary election and $1000 towards the general election. In the past, when someone exceeded $1000 before the primary we could automatically credit this to the general election account.

To satisfy the Federal Election commission's new law, I must have written permission to transfer amounts over $1000 into the general election account. The law also requires me to tell you that you may request a refund of amounts over $1000; hopefully you will authorize such a transfer to the general.

If you could please take a minute and sign below, I will see our records are corrected. Again, thank you for your generosity.

Sincerely,

Sonnie Elliott

Dear Mr. Erlbaum:

Thank you for your generous contributions to Rudy's re-election campaign. However, we have a few bookkeeping matters that need attention. An individual is allowed to give $1000 toward the primary election and $1000 towards the general election. In the past, when someone exceeded $1000 before the primary we could automatically credit this to the general election account.

To satisfy the Federal Election commission's new law, I must have written permission to transfer amounts over $1000 into the general election account. The law also requires me to tell you that you may request a refund of amounts over $1000; hopefully you will authorize such a transfer to the general.

If you could please take a minute and sign below, I will see our records are corrected. Again, thank you for your generosity.

Sincerely,

Sonnie Elliott

Dear Mr. Mendel:

Thank you for your generous contributions to Rudy's re-election campaign. A married couple may contribute $4000 ($2000 to the primary and $2000 to the general account). To split contributions between spouses, it is necessary to obtain written permission, otherwise only the person signing the check is deemed to be the contributor.

Could you please ask your spouse if I may split these contributions between you. All I need is your signatures on the lines below and I can make sure our records are corrected. Again, thank you for your generosity.

FEDERAL ELECTION COMMISSION

RQ-2

AUG 15 1990

David S. Sommers, Treasurer
People for Boschwitz 1990
215 South 11th Street
Minneapolis, MN 55403

Identification Number: C00128330

Reference: April Quarterly Report (1/1/90-3/31/90)

Dear Mr. Sommers:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. An individual or a political committee other than a qualified multicandidate committee may not make a contribution to a candidate for federal office in excess of $1,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441a(a) and (f); 11 CFR §110.1(b), (e) and (k))

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limits, you should either refund to the donor the amount in excess of $1,000 or get the donor to redesignate and/or reattribute the contribution in writing. All refunds, redesignations, and reattributions must be made within sixty days of the treasurer's receipt of the contribution. Copies of refund checks and copies of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the

authorization for the redesignation and/or reattribution is received. (11 CFR §104.8(d)(2), (3) and (4))

Schedules B and Memorandum Schedules A of this report disclose the refund and redesignation of apparent excessive contributions received during the 1989 reporting periods. Although the Commission may take further legal steps, your action in refunding previous excessive contributions and partially refunding the current excessive amounts will be taken into consideration. Please be reminded that refunds and redesignations/reattributions must be done within sixty (60) days of the treasurer becoming aware of the impermissibility of the contribution.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 376-2480.

Sincerely,

Karen W. White

Dear Mr. Hilde:

Thank you for your generous contributions to Rudy's re-election campaign. However, we have a few bookkeeping matters that need attention. An individual is allowed to give $1000 toward the primary election and $1000 towards the general election. In the past, when someone exceeded $1000 before the primary we could automatically credit this to the general election account.

To satisfy the Federal Election commission's new law, I must have written permission to transfer amounts over $1000 into the general election account. The law also requires me to tell you that you may request a refund of amounts over $1000; hopefully you will authorize such a transfer to the general.

If you could please take a minute and sign below, I will see our records are corrected. Again, thank you for your generosity.

Sincerely,

Sonnie Elliott

Dear Paul:

Your generous contribution to Senator Boschwitz's reelection is greatly appreciated. Thank you for your willingness to support him. People for Boschwitz '90 will make every effort to use your gift carefully.

As you may know, federal law allows a married couple to contribute up to $4,000 ($2,000 to the primary election account and $2,000 to the general election account). But Federal Election Commission accounting technicalities require that we obtain written permission to split contributions between spouses. I am therefore asking that you and your spouse authorize us to meet this requirement by signing the brief statement below.

We truly appreciate your contribution and your willingness to help with this bookkeeping issue. Again, this is not a request for an additional or new contribution, but rather I am seeking your help in properly reporting this gift.

Sincerely,

Robert D. Anderson

MEMORANDUM TO THE CHART

The following information may be helpful when reviewing the Chart and its attachments:

1. In some cases the Committee has disclosed slight variations in a contributor's name. The Chart reflects the name that is used in the majority of entries within the Committee's reports.

2. In some cases the Committee has refunded, redesignated, and/or reattributed beyond what was necessary to defray an excessive contribution. The Chart only reflects the first action(s) taken by the Committee to entirely defray an excessive contribution.

3. Schedule B of the Committee's reports fails to designate to which election the contribution refunds should be applied. Unless otherwise specified by the Committee, the Chart reflects the same election designation as the apparent excessive contribution to which it was applied.

4. In cases where Schedule A fails to designate an election for an itemized contribution, the election(s) checked on the Summary Page of the Committee's reports was used on the Chart.

I. GENERATION OF MATTER

The Reports Analysis Division ("RAD") referred the People for Boschwitz 1990 (the "Committee") and David G. Sommers, as treasurer, to the Office of the General Counsel on October 1, 1991, for the receipt of excessive contributions during 1989, which totaled $87,457.99, from ninety-eight (98) individuals, seven (7) qualified multicandidate political committees, and three (3) non-qualified political committees. RAD prepared a chart illustrating the excessive contributions. Attachment 2.

Mr. Boschwitz was a candidate for the United States Senate from the state of Minnesota. He lost the 1990 General Election, receiving forty-nine percent (49%) of the vote.

II. FACTUAL AND LEGAL ANALYSIS

The Federal Election Campaign Act of 1971, as amended (the "Act"), states that no person may make a contribution to a candidate for federal office, or his authorized campaign committee, in excess of $1,000 per election. 2 U.S.C. § 441a(a). The Act also states that no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed $5,000. 2 U.S.C. § 441a(a)(2)(A). Candidates and political committees are prohibited from knowingly accepting any contribution in violation of the provisions of Section 441a. 2 U.S.C. § 441a(f).

"With respect to any election" means, in the case of a contribution not designated in writing by the contributor for a particular election, the next election for that Federal office after the contribution is made. 11 C.F.R. §§ 110.1(b)(2)(ii) and 110.2(b)(2)(ii). The treasurer of an authorized political committee may request a written redesignation of a contribution by the contributor for a different election, or a reattribution to another individual contributor, if the contribution exceeds the limitation on contributions per election. 11 C.F.R. §§ 110.1(b)(5)(i)(C), 110.2(b)(5)(i)(C), and 110.1(k)(3)(i). A contribution shall be considered to be redesignated for

4043595271

another election, or reattributed, if the treasurer of the recipient authorized political committee requests that the contributor provide a written redesignation or reattribution of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation or reattribution; and if, within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation or reattribution of the contribution for another election, which is signed by the contributor. 11 C.F.R §§ 110.1(b)(5)(ii)(A) and (B), 110.2(b)(5)(ii)(A) and (B), and 110.1(k)(3)(ii). In the case of a contribution refund, the refund must be made within sixty days of the treasurer's receipt of the contribution. 11 C.F.R. §§ 110.1(b)(3)(i)(A) and 110.2(b)(3)(i)(A).

The Commission's regulations require additional detail in reports when a committee receives a reattribution or redesignation of a contribution. Pursuant to 11 C.F.R. §§ 104.8(d)(2) and (3), if a contribution is redesignated or reattributed by a contributor in accordance with 11 C.F.R. §§ 110.1(b) or 110.2(b), the treasurer of the authorized political committee receiving the contribution shall report the redesignation or reattribution in a memo entry on Schedule A of the report covering the reporting period in which the redesignation is received. The memo entry for each redesignated or reattributed contribution shall be reported in the following manner: The first part of the memo entry shall

4043595272

disclose all of the information for the contribution as it was originally reported on Schedule A; the second part of the memo entry shall disclose all of the information for the contribution as it was redesignated by the contributor, including the election for which the contribution was redesignated and the date on which the redesignation was received. 11 C.F.R §§ 104.8(d)(2)(i)(A) and (B) and 104.8(d)(3)(i) and (ii).

1. Excessive Contributions Received by the Committee in Violation of 2 U.S.C. § 441a(f)

According to the Referral (Attachment 1), the Committee's reports filed with the Commission disclose apparent excessive contributions received by the Committee from ninety-eight (98) individuals, seven (7) qualified multicandidate political committees, and three (3) non-qualified political committees during 1989. The excessive contributions totaled $87,457.99. Of that amount, $26,410 was reported on the Committee's 1989 Year End Report as having been made for the General Election; however, these contributions, when initially received by the Committee, were apparently not designated for any particular election. According to the referral memorandum, the Committee's 1989 Year End Report disclosed the undesignated contributions as general election contributions with a notation: "see memo entry." Most of the memo entries state: "re-allocation requested not yet received." From the Committee's reports, it appears that the Committee was attempting to designate the

4043595273

contributions for the general, thus avoiding the limitation for the primary which most of the contributors had reached, before receiving written designations from the contributors.

In addition, the Committee provided letters sent to the contributors which requested permission to redesignate or reattribute the contributions. The contributors were also given the option of receiving a refund. However, refunds, redesignations, or reattributions were not received within 60 days of receipt.

Pursuant to 11 C.F.R. § 110.1(b)(2)(ii), the undesignated contributions were required to be designated for the next election for Federal office after the contribution was made. In this case, the primary was the next election. Based on the above facts, RAD aggregated the undesignated contributions with primary contributions from the same contributors, which led to apparent excessive contributions totaling $26,410. The remaining amount of excessives, which amount to $61,047.99, consist of contributions received by the Committee which were designated for the primary election.

The Committee has refunded, redesignated, or reattributed $66,641 of the excessive contributions; however, this was not done within the required sixty day period. To date, the Committee has failed to refund, redesignate, or reattribute the remainder.

4043595274

In summary, the Committee accepted $87,457.99 in excessive contributions which consisted of the following:

Apparent Primary Election Excessives:	$61,047.99
Undesignated Contributions Received Prior to the Primary Which the Committee Itself Designated for the General Election:	$26,410.00
Total:	$87,457.99

Based on the foregoing analysis, the Office of the General Counsel recommends that the Commission find reason to believe that the People for Boschwitz 1990 and David G. Sommers, as treasurer, violated 2 U.S.C. § 441a(f) for the receipt of excessive contributions during 1989.

2. Reporting Violations 11 C.F.R. § 104.8(d)

The Commission's regulations require committees to provide memo entries on their reports when contributors redesignate or reattribute contributions, and the memo entries must contain the date that the committee received such redesignation or reattribution. 11 C.F.R. § 104.8(d).

In this case, the Committee's 1989 Year End Report discloses undesignated contributions as general election contributions with a notation: "see memo entry." Most of the memo entries state: "re-allocation requested not yet received (Emphasis added)."

Based on the foregoing analysis, the Office of the General Counsel recommends that the Commission find reason to believe that the People for Boschwitz 1990 and David G. Sommers, as treasurer, violated 11 C.F.R. § 104.8(d) by reporting

4043595275

undesignated contributions as designated, prior to receiving a written redesignation or reattribution from contributors.

3. Excessive Contributions Made to the Committee in Violation of 2 U.S.C. § 441a(a)(1)(A)

As referenced above, 2 U.S.C. § 441a(a)(1)(A) states that no person shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed $1,000. During 1989, Esther Scheerson contributed a total of $4,000 designated for the primary election. Thus, she exceeded the contribution limitation by $3,000.[1] The excessive portion of the contribution was refunded, but the refund was not made within sixty days. The transaction involved was reported as follows:

Election	Amount	Date Received	Amount Refunded	Date Refunded
Primary	$4,000	06/19/89	$3,000	12/04/89

Based on the foregoing analysis, the Office of the General Counsel recommends that the Commission find reason to believe that Esther Scheerson violated 2 U.S.C. § 441a(a)(1)(A) by making a $3,000 excessive contribution to People for Boschwitz 1990.

During 1989, Abraham Barber contributed a total of $3,000 designated for the primary election. Thus, he exceeded the contribution limitation by $2,000. The excessive portion of the

1. The referral only included excessives received in 1989.

4043595276

contribution was refunded, but the refund was not made within sixty days. The transactions involved were reported as follows:

Election	Amount	Date Received	Amount Refunded	Date Refunded
Primary	$1,000	06/19/89		
Primary	$2,000	06/30/89	$3,000	12/04/89

Based on the foregoing analysis, the Office of the General Counsel recommends that the Commission find reason to believe that Abraham Barber violated 2 U.S.C. § 441a(a)(1)(A) by making a $2,000 excessive contribution to People for Boschwitz 1990.

During 1989, Perry Mendel made excessive contributions for the primary election totaling $1,250. The excessive contributions were reattributed or redesignated, but these actions were not completed within sixty days. The transactions involved were reported as follows:

Election	Amount	Date Received	Amount Reattributed	Date Reattributed
Primary	$2,000	06/09/89		
Primary	$ 250	06/09/89		
Primary	$ 100	06/19/89	$350	08/12/89

	Amount Redesignated	Date Redesignated
General	$1,000	08/12/89

Based on the foregoing analysis, the Office of the General Counsel recommends that the Commission find reason to believe that Perry Mendel violated 2 U.S.C. § 441a(a)(1)(A) by making a $1,250 excessive contribution to People for Boschwitz 1990.[2]

2. Due to the amount of the excessive contributions of the remaining individuals, this Office makes no recommendation regarding them.

4043595277

4. Excessive Contributions made to the Committee in Violation of 2 U.S.C. § 441a(a)(2)(A)

As discussed above, pursuant to 2 U.S.C. § 441a(a)(2)(A), no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed $5,000. During 1989, the St. Paul Companies Inc. Volunteer Committee for Good Federal Government ("St. Paul"), a multicandidate political committee, made contributions totaling $10,000 to the People for Boschwitz 1990 committee which exceeded the contribution limitation by $5,000. The contributions were made as follows:

Election	Amount	Date Received	Amount Refunded	Date Refunded
Primary	$5,000	09/14/89	$5,000	01/30/90
Primary	$5,000	09/14/89[3]		

Based on the foregoing analysis, the Office of the General Counsel recommends that the Commission find reason to believe that the St. Paul Companies Inc. Volunteer Committee for Good Federal Government and Karen L. Himle, as treasurer, violated 2 U.S.C. § 441a(a)(2)(A) by making a $5,000 excessive contribution to People for Boschwitz 1990.[4]

III. DISCUSSION OF CONCILIATION PROVISIONS AND CIVIL PENALTY

In addition to recommending that the Commission open a MUR and find reason to believe that the People for Boschwitz 1990

3. This was one of the contributions which was not designated when received by the Committee, and which RAD designated to the primary election.

4. Due to the amount of the excessive contributions of the remaining political committees, this Office makes no recommendation regarding them.

committee and David G. Sommers, as treasurer, violated 2 U.S.C. §§ 441a(f) and 11 C.F.R. § 104.8(d), this Office recommends that the Commission offer to enter into conciliation with the People for Boschwitz 1990 committee and David G. Sommers, as treasurer, prior to a finding of probable cause to believe. Attached for the Commission's approval is a proposed conciliation agreement

This Office also recommends that the Commission find reason to believe that Esther Scheerson violated 2 U.S.C. § 441a(a)(1)(A) and offer to enter into conciliation with her prior to a finding of probable cause to believe. Attached for the Commission's approval is a proposed conciliation agreement

This Office recommends that the Commission find reason to believe that Abraham Barber violated 2 U.S.C. § 441a(a)(1)(A) and offer to enter into conciliation with him prior to a finding of probable cause to believe. Attached for the Commission's approval is a proposed conciliation agreement

4043595279

This Office recommends that the Commission find reason to believe that Perry Mendel violated 2 U.S.C. § 441a(a)(1)(A) and offer to enter into conciliation with him prior to a finding of probable cause to believe. Attached for the Commission's approval is a proposed conciliation agreement

Finally, the Office of the General Counsel recommends that the Commission find reason to believe that the St. Paul Companies Inc. Volunteer Committee for Good Federal Government and Karen L. Himle, as treasurer, violated 2 U.S.C. § 441a(a)(2)(A) and offer to enter into conciliation with the Committee prior to a finding of probable cause to believe. Attached for the Commission's approval is a proposed conciliation agreement

4043595280

RE: MUR 3472

Dear Mrs. Scheerson:

On January 14, 1992, the Federal Election Commission found that there is reason to believe you violated 2 U.S.C. § 441a(a)(1)(A), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against you. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against you, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

In order to expedite the resolution of this matter, the Commission has also decided to offer to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe. Enclosed is a conciliation agreement that the Commission has approved.

If you are interested in expediting the resolution of this matter by pursuing preprobable cause conciliation and if you agree with the provisions of the enclosed agreement, please sign and return the agreement, along with the civil penalty, to the

4043595285

Commission. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Richard M. Denholm II, the attorney assigned to this matter, at (202) 219-3690.

FEDERAL ELECTION COMMISSION

FACTUAL AND LEGAL ANALYSIS

RESPONDENT: Esther Scheerson MUR:

The Federal Election Campaign Act of 1971, as amended (the "Act"), states that no person may make a contribution to a candidate for federal office, or his authorized campaign committee, in excess of $1,000 per election. 2 U.S.C. § 441a(a). Additionally, candidates and political committees are prohibited from knowingly accepting any contribution in violation of the provisions of Section 441a. 2 U.S.C. § 441a(f).

The Commission's regulations provide that no person shall make contributions to any candidate or his authorized political committee with respect to any election for federal office which, in the aggregate, exceed $1,000. 11 C.F.R. § 110.1(b)(1). "With respect to any election" means, in the case of a contribution not designated in writing by the contributor for a particular election, the next election for that Federal office after the contribution is made. 11 C.F.R. § 110.1(b)(2)(ii). For purposes of this section, a contribution shall be considered to be designated in writing for a particular election if the contribution is redesignated in accordance with 11 C.F.R. § 110.1(b)(5). 11 C.F.R. § 110.1(b)(4)(iii). The treasurer of an authorized political committee may request a written redesignation of a contribution by the contributor for a different election if the contribution was not designated in

4043595237

writing for a particular election, and the contribution exceeds the limitation on contributions set forth in 11 C.F.R. § 110.1(b)(1). 11 C.F.R. § 110.1(b)(5)(i)(C). A contribution shall be considered to be redesignated for another election if the treasurer of the recipient authorized political committee requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation; and within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor. 11 C.F.R §§ 110.1(b)(5)(ii)(A) and 110.1(b)(5)(ii)(B). In the case of a contribution refund, the refund must be made within 60 days of the treasurer's receipt of the contribution. 11 C.F.R. § 110.1(b)(3)(i)(A).

Pursuant to 11 C.F.R. § 110.1(k)(3)(i), if a contribution to a candidate or political committee, either on its face or when aggregated with other contributions from the same contributor, exceeds the limitations on contributions set forth in 11 C.F.R. § 110.1(b) the treasurer of the recipient political committee may ask the contributor whether the contribution was intended to be a joint contribution by more than one person. According to 11 C.F.R. § 110.1(k)(3)(ii)(A), a contribution shall be considered to be reattributed to another contributor if the treasurer of an authorized political committee asks the

4043595288

contributor whether the contribution is intended to be a joint contribution by more than one person and informs the contributor that he or she may request the return of the excessive portion if it is not intended to be a joint contribution. Further, as in the case of redesignations, all reattributions are required to be in writing, signed by the contributors and obtained within 60 days of the treasurer's receipt of the contribution. 11 C.F.R. § 110.1(k)(3)(ii)(B).

As discussed above, pursuant to 2 U.S.C. § 441a(a)(1)(A), no person shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed $1,000. During 1989, Esther Scheerson contributed a total of $4,000 designated for the primary election to the People for Boschwitz 1990. Thus, she exceeded the contribution limitation by $3,000. The excessive portion of the contribution was refunded, but the refund was not made within sixty days. The transaction involved was reported as follows:

Election	Amount	Date Received	Amount Refunded	Date Refunded
Primary	$4,000	06/19/89	$3,000	12/04/89

Based on the foregoing analysis, there is reason to believe that Esther Scheerson violated 2 U.S.C. § 441a(a)(1)(A) by making a $3,000 excessive contribution to People for Boschwitz 1990.

Dear Mr. Thrane:

On January 14, 1992, the Federal Election Commission found reason to believe that the St. Paul Companies Inc. Volunteer Committee for Good Federal Government (the "Committee") and Karen Himle, as treasurer, violated 2 U.S.C. § 441a(a)(2)(A), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). However, after considering the circumstances of this matter, the Commission also determined to take no further action as it pertains to the Committee and Karen Himle, as treasurer. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

The Commission reminds the Committee and you, as treasurer, that the contributions the Committee made to the People for Boschwitz 1990 on September 14, 1989 appear to exceed the $5,000 per election limit, and therefore, the excessive portions of those contributions constitute a violation of 2 U.S.C. § 441a(a)(2)(A). You should take immediate steps to insure that this activity does not occur in the future.

The file will be made part of the public record within 30 days after this matter has been closed with respect to all other respondents involved. Should you wish to submit any materials to appear on the public record, please do so within ten days of your receipt of this letter. Such materials should be sent to the Office of the General Counsel.

The confidentiality provisions of 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) remain in effect until the entire matter is closed. The Commission will notify you when the entire file has been closed. In the event you wish to waive confidentiality under 2 U.S.C. § 437g(a)(12)(A), written notice of the waiver must be submitted to the Commission. Receipt of the waiver will be acknowledged in writing by the Commission.

RESPONDENT: St. Paul Companies Inc. Volunteer Committees for Good Federal Government and Karen Himle, as treasurer

MUR:

The Federal Election Campaign Act of 1971, as amended (the "Act"), states that no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed $5,000. 2 U.S.C. § 441a(a)(2)(A). Additionally, candidates and political committees are prohibited from knowingly accepting any contribution in violation of the provisions of Section 441a. 2 U.S.C. § 441a(f).

The Commission's regulations provide that a multicandidate political committee cannot make contributions to any candidate, his or her authorized political committees or agents with respect to any election for Federal office which, in the aggregate, exceed $5,000. 11 C.F.R. § 110.2(b)(1). "With respect to any election" means, in the case of a contribution not designated in writing by the contributor for a particular election, the next election for that Federal office after the contribution is made.

4043595297

11 C.F.R. § 110.2(b)(2)(ii). For purposes of this section, a contribution shall be considered to be designated in writing for a particular election if the contribution is redesignated in accordance with 11 C.F.R. § 110.2(b)(5). 11 C.F.R. § 110.2(b)(4)(iii). The treasurer of an authorized political committee may request a written redesignation of a contribution by the contributor for a different election if the contribution was not designated in writing for a particular election, and the contribution exceeds the limitation on contributions set forth in 11 C.F.R. § 110.2(b)(1). 11 C.F.R. § 110.2(b)(5)(i)(C). A contribution shall be considered to be redesignated for another election if the treasurer of the recipient authorized political committee requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation; and within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor. 11 C.F.R §§ 110.2(b)(5)(ii)(A) and 110.2(b)(5)(ii)(B). In the case of a contribution refund, the refund must be made within 60 days of the treasurer's receipt of the contribution. 11 C.F.R. § 110.2(b)(3)(i)(A).

40435952978

As discussed above, pursuant to 2 U.S.C. § 441a(a)(2)(A), no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed $5,000. During 1989, the St. Paul Companies Inc. Volunteer Committee for Good Federal Government ("St. Paul"), a multicandiate political committee, made contributions totaling $10,000 to the People for Boschwitz 1990 committee which exceeded the contribution limitation by $5,000. The contributions were made as follows:

Election	Amount	Date Received	Amount Refunded	Date Refunded
Primary	$5,000	09/14/89	$5,000	01/30/90
Primary	$5,000	09/14/89		

Although there was a refund, it was not completed within the sixty (60) day period required by 11 C.F.R. § 110.2(b)(3)(i)(A).

Based on the foregoing analysis, there is reason to believe that the St. Paul Companies Inc. Volunteer Committee for Good Federal Government and Karen L. Himle, as treasurer, violated 2 U.S.C. § 441a(a)(2)(A) by making a $5,000 excessive contribution to People for Boschwitz 1990.

The Federal Election Campaign Act of 1971, as amended (the "Act"), states that no person may make a contribution to a candidate for federal office, or his authorized campaign committee, in excess of $1,000 per election. 2 U.S.C. § 441a(a). Additionally, candidates and political committees are prohibited from knowingly accepting any contribution in violation of the provisions of Section 441a. 2 U.S.C. § 441a(f).

The Commission's regulations provide that no person shall make contributions to any candidate or his authorized political committee with respect to any election for federal office which, in the aggregate, exceed $1,000. 11 C.F.R. § 110.1(b)(1). For purposes of this section, a contribution shall be considered to be designated in writing for a particular election if the contribution is redesignated in accordance with 11 C.F.R. § 110.1(b)(5). 11 C.F.R. § 110.1(b)(4)(iii). The treasurer of an authorized political committee may request a written redesignation of a contribution by the contributor for a different election if the contribution was not designated in

writing for a particular election, and the contribution exceeds the limitation on contributions set forth in 11 C.F.R. § 110.1(b)(1). 11 C.F.R. § 110.1(b)(5)(i)(C). A contribution shall be considered to be redesignated for another election if the treasurer of the recipient authorized political committee requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation; and within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor. 11 C.F.R §§ 110.1(b)(5)(ii)(A) and 110.1(b)(5)(ii)(B). In the case of a contribution refund, the refund must be made within 60 days of the treasurer's receipt of the contribution. 11 C.F.R. § 110.1(b)(3)(i)(A).

Pursuant to 11 C.F.R. § 110.1(k)(3)(i), if a contribution to a candidate or political committee, either on its face or when aggregated with other contributions from the same contributor, exceeds the limitations on contributions set forth in 11 C.F.R. § 110.1(b) the treasurer of the recipient political committee may ask the contributor whether the contribution was intended to be a joint contribution by more than one person. According to 11 C.F.R. § 110.1(k)(3)(ii)(A), a contribution shall be considered to be reattributed to another contributor if the treasurer of an authorized political committee asks the

4043595303

contributor whether the contribution is intended to be a joint contribution by more than one person and informs the contributor that he or she may request the return of the excessive portion if it is not intended to be a joint contribution. As discussed above, pursuant to 2 U.S.C. § 441a(a)(1)(A), no person shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed $1,000. During 1989, Perry Mendel made excessive contributons for the primary election totaling $1,250 to the People for Boschwitz 1990. The excessive contributions were redesignated or reattributed, but these actions were not completed within sixty days. The transaction involved was reported as follows:

Election	Amount	Date Received	Amount Reattributed	Date Reattributed
Primary	$2,000	06/09/89		
Primary	$ 250	06/09/89		
Primary	$ 100	06/19/89	$350	08/12/89
			Amount Redesignated	Date Redesignated
			$1,000	08/12/89

Based on the foregoing analysis, there is reason to believe that Perry Mendel violated 2 U.S.C. § 441a(a)(1)(A) by making a $1,250 excessive contribution to People for Boschwitz 1990.

Dear Mr. Sommers:

On January 14, 1992, the Federal Election Commission found that there is reason to believe the People for Boschwitz 1990 committee ("Committee") and you, as treasurer, violated 2 U.S.C. § 441a(f), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"), and 11 C.F.R. § 104.8(d) of the Federal Election Commission's Regulations. The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

Under the Act, you have an opportunity to demonstrate that no action should be taken against the Committee and you, as treasurer. You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath.

In the absence of any additional information demonstrating that no further action should be taken against the Committee and you, as treasurer, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

In order to expedite the resolution of this matter, the Commission has also decided to offer to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe. Enclosed is a conciliation agreement that the Commission has approved.

4043595305

If you are interested in expediting the resolution of this matter by pursuing preprobable cause conciliation and if you agree with the provisions of the enclosed agreement, please sign and return the agreement, along with the civil penalty, to the Commission. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

FEDERAL ELECTION COMMISSION

FACTUAL AND LEGAL ANALYSIS

RESPONDENT: People for Boschwitz 1990 and David G. Sommers, as treasurer **MUR:**

1. Excessive Contributions Received by the Committee in Violation of 2 U.S.C. § 441a(f)

The Federal Election Campaign Act of 1971, as amended (the "Act"), states that no person may make a contribution to a candidate for federal office, or his authorized campaign committee, in excess of $1,000 per election. 2 U.S.C. § 441a(a). The Act also states that no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed $5,000. 2 U.S.C. § 441a(a)(2)(A). Candidates and political committees are prohibited from knowingly accepting any contribution in violation of the provisions of Section 441a. 2 U.S.C. § 441a(f).

"With respect to any election" means, in the case of a contribution not designated in writing by the contributor for a particular election, the next election for that Federal office after the contribution is made. 11 C.F.R. §§ 110.1(b)(2)(ii) and 110.2(b)(2)(ii). The treasurer of an authorized political committee may request a written redesignation of a contribution by the contributor for a different election, or a reattribution to another individual contributor, if the contribution exceeds the limitation on contributions per election. 11 C.F.R. §§ 110.1(b)(5)(i)(C), 110.2(b)(5)(i)(C), and 110.1(k)(3)(i). A

4043595307

contribution shall be considered to be redesignated for another election, or reattributed, if the treasurer of the recipient authorized political committee requests that the contributor provide a written redesignation or reattribution of the contribution and informs the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation or reattribution; and if, within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation or reattribution of the contribution for another election, which is signed by the contributor. 11 C.F.R §§ 110.1(b)(5)(ii)(A) and (B), 110.2(b)(5)(ii)(A) and (B), and 110.1(k)(3)(ii). In the case of a contribution refund, the refund must be made within sixty days of the treasurer's receipt of the contribution. 11 C.F.R. §§ 110.1(b)(3)(i)(A) and 110.2(b)(3)(i)(A).

The Committee's reports filed with the Commission disclose apparent excessive contributions received by the Committee from ninety-eight (98) individuals, seven (7) qualified multicandidate political committees, and three (3) non-qualified political committees during 1989. The excessive contributions totaled $87,457.99. Of that amount, $26,410 was reported on the Committee's 1989 Year End Report as having been made for the General Election; however, these contributions, when initially received by the Committee, were apparently not designated for any particular election.

4043595308

The Committee's 1989 Year End Report disclosed the undesignated contributions as general election contributions with a notation: "see memo entry." Most of the memo entries state: "re-allocation requested not yet received." From the Committee's reports, it appears that the Committee was attempting to designate the contributions for the general, thus avoiding the limitation for the primary which most of the contributors had reached, before receiving written designations from the contributors.

In addition, the Committee provided letters sent to the contributors which requested permission to redesignate or reattribute the contributions. The contributors were also given the option of receiving a refund. However, refunds, redesignations, or reattributions were not received within 60 days of receipt.

Pursuant to 11 C.F.R. § 110.1(b)(2)(ii), the undesignated contributions were required to be designated for the next election for Federal office after the contribution was made. In this case, the primary was the next election. Based on the above, the undesignated contributions were aggregated with the primary contributions from the same contributors, which led to apparent excessive contributions totaling $26,410. The remaining amount of excessives, which amount to $61,047.99, consist of contributions received by the Committee which were designated for the primary election.

The Committee has refunded, redesignated, or reattributed $66,641 of the excessive contributions; however, this was not

4043595309

done within the required sixty day period. To date, the Committee has failed to refund, redesignate, or reattribute the remainder.

In summary, the Committee accepted $87,457.99 in excessive contributions which consisted of the following:

Apparent Primary Election Excessives:	$61,047.99
Undesignated Contributions Received Prior to the Primary Which the Committee Itself Designated for the General Election:	$26,410.00
Total:	$87,457.99

Based on the foregoing analysis, there is reason to believe that the People for Boschwitz 1990 and David G. Sommers, as treasurer, violated 2 U.S.C. § 441a(f) for the receipt of excessive contributions during 1989.

2. Reporting Violations 11 C.F.R. § 104.8(d)

The Commission's regulations require additional detail in reports when a committee receives a reattribution or redesignation of a contribution. Pursuant to 11 C.F.R. §§ 104.8(d)(2) and (3), if a contribution is redesignated or reattributed by a contributor in accordance with 11 C.F.R. §§ 110.1(b) or 110.2(b), the treasurer of the authorized political committee receiving the contribution shall report the

4043595310

redesignation or reattribution in a memo entry on Schedule A of the report covering the reporting period in which the redesignation is received. The memo entry for each redesignated or reattributed contribution shall be reported in the following manner: The first part of the memo entry shall disclose all of the information for the contribution as it was originally reported on Schedule A; the second part of the memo entry shall disclose all of the information for the contribution as it was redesignated by the contributor, including the election for which the contribution was redesignated and the date on which the redesignation was received. 11 C.F.R §§ 104.8(d)(2)(i)(A) and (B) and 104.8(d)(3)(i) and (ii).

In this case, the Committee's 1989 Year End Report discloses undesignated contributions as general election contributions with a notation: "see memo entry." Most of the memo entries state: "re-allocation requested not yet received (Emphasis added)." As discussed above, it appears that the Committee was attempting to designate the undesignated contributions for the general before receiving written designations from the contributors.

Based on the foregoing analysis, there is reason to believe that the People for Boschwitz 1990 and David G. Sommers, as treasurer, violated 11 C.F.R. § 104.8(d) by reporting undesignated contributions as designated, prior to receiving a written redesignation or reattribution from contributors.

Re: MUR 3472

4043595313

Dear Mr. Denholm:

As we discussed yesterday, I have just been designated counsel for People for Boschwitz 1990 (the "committee") in Matter under Review 3472. This letter is to request an extension of time to review both the committee's records and the Factual and Legal Analysis that underlies the Commmission's finding of reason to believe that the committee violated the Federal Election Campaign Act.

The Commission has determined preliminarily that the committee violated the Act by accepting excess contributions and by failing to report properly certain contributions. To respond will require a transaction-by-transaction analysis of the records of almost 100 donors. I have discussed what this entails with the committee's staff, and they will begin pulling files and undertaking the necessary review at my direction shortly.

But as you know, Senator Boschwitz was defeated for reelection in 1990, and as a result, the committee's resources are extremely limited. Accordingly, it will take some time for the committee's remaining personnel, none of whom are full-time, to gather the material and review each transaction. While we would like to resolve this expeditiously, in view of the resource contraints I expect it will take at least 60 days to do what is necessary.

A careful review of the facts is particularly important here because of the conditions the Commission is offering to conciliate this matter.

For the reasons set forth above, the committee respectfully requests that it be given until April 12, 1992, to respond to the Commmission's reason-to-believe determination. Thank you for your attention to this request.

Sincerely,

Richard E. Messick
Counsel to People for Boschwitz

RE: MUR 3472

Dear Mr. Messick:

This is in response to your letter dated February 12, 1992 which requested an extension of 60 days until April 12, 1992 to respond to the Commission's determination that there is reason to believe that the People for Boschwitz 1990 committee and David G. Sommers, as treasurer, violated the Federal Election Campaign Act of 1971, as amended (the "Act").

Considering the Federal Election Commission's responsibilities to act expeditiously in the conduct of investigations, the Office of the General Counsel cannot grant your full request, but can only agree to a 30 day extension. Accordingly, the response is due by close of business on March 18, 1992.

Re: MUR 3472

Dear Mr. Denholm:

The People for Boschwitz 1990 Committee and its treasurer, formerly David Sommers and now Brian Niebur, would like to enter into pre-probable cause conciliation in MUR 3472.

The crux of the complaint is that the Committee mishandled donations it received from contributors who had already given the maximum allowed. When this happens, Commission rules require the recipient to dispose of the excess by refunding, reattributing or redesignating it within 60 days of receipt. Thanks to the information disclosed in the Committee's reports, the Commission identified excess contributions from 98 individuals, seven qualified multicandidate political committees, and three non-qualified political committees that the Committee failed to dispose of within 60 days.

The donations in questions are listed on an attachment to the January 27th letter notifying the Committee of its findings. After reviewing its records, the Committee has concluded that it did indeed err in processing these contributions. But there are a number of factors that mitigate these processing errors. For one, People for Boschwitz received contributions from over 110,000 donors; the mistakes it made with 108 mean its error rate was less than one-tenth of one percent.

4043595316

Because in some cases one of these donors may have overcontributed twice while in others one portion of a single excess contribution may have been reattributed and another portion refunded, the Committee actually redirected the excess received from the 108 contributors in 123 ways. Two-thirds of these redirections occurred long before the Commission contacted the Committee in January. Attachment one, "Excess Contributions Discovered and Remedied by People for Boschwitz," lists the excess contributions flagged by the Commission in its January 27th letter which the Committee had previously refunded, reattributed or redesignated. There are 83, 67% of the 123 total.

Of the remainder, the majority were in fact reattributed or redesignated but were simply not reported at the time. This error has now been corrected. Amended reports were submitted to the Commission on March 6th, and attached to these amendments were the letters authorizing the reattribution or redesignation. These contributions are shown in attachment two, "Excess Contributions Discovered and Remedied by People for Boschwitz and Reported Correctly March 6th." There are 23 of these.

This leaves 17 contributions that the Committee has confirmed were excess but which the Committee did not realize were excess until the Commission's January 27th letter. They are listed in attachment three. Once the Committee confirmed that it had failed to send out a refund in these cases, it did so at once. Copies of these refund checks are enclosed and marked collectively as attachment four. The refunds for these 17 total $9,725.

The Factual and Legal Analysis accompanying the Commission's January 27th letter states that, in its initial reporting of the receipt of certain undesignated contributions, it appeared that the Committee: "was attempting to designate the undesignated contributions for the general before receiving written designations from the contributors." The Committee believes that a further review of its reports will show that this was not the case. Copies of selected pages of its reports are attachment five. As they disclose, the Committee did in fact show the redesignation as a memo entry on its subsequent report.

4043595317

While People for Boschwitz concedes that it did err in disposing of a number of excess contributions, these were errors pure and simple. That the Committee made no attempt to hide any of them but fully disclosed each demonstrates that they were inadvertent mistakes and that the Committee had no intention of keeping any donation that exceeded the limit. Indeed, were it not for the Committee's disclosure, the Commission would never have detected the errors. Nor is it unusual that the Committee erred in disposing of some of the excess contributions it received. The Commission's own Reports and Analysis Division has found that political committees, "when handling excessive contributions, frequently make errors." Federal Election Commission, *What to do About Excessive Contributions: Redesignations and Reattributions*, Record, October 1990.

Dear Sir:

In the above referenced matter, I hereby respectfully request a sixty day moratorium in order that I may contact the offices of Senator Boschwitz. This amount of time should be adequate for the correspondence needed to resolve the issue.

Please be advised that we were notified by the office of Senator Boschowitz that our contribution was in excess of the amount permitted by law, thereby enclosing some documentation for us to complete to comply with the law. These documents were completed, signed and returned to the office of Senator Boschwitz in a timely fashion.

For reasons unknown to us, a check with the same type of documentation arrived with a request to sign and return.

In the light of the above, and in order to have ample time to retrieve all documentation pertaining to this matter, I await your favorable reply.

Re: Mur 3472

Dear Mr. Denholm:

As per our conversation of this week, I am sending by facsimile an affirmed affidavit from myself and my wife regarding the above referenced matter. In order to clarify the details of the issue, I will take the liberty of stating our position of what exactly transpired.

Firstly, the contribution made to Senator Boschvitz was made jointly by myself and my wife as evidenced by the check attached.

Secondly, as affirmed to in the attached affidavit, we redesignated the contribution so as to make it legal according to the regulation. It is my contention that the redesignation documents were misplaced or misfiled by the office of Senator Boschvitz. On reconciling their files i.e. contributions and redesignations etc. and not finding the neccesary redesignation documents to match our contribution, that prompted them to send us the $3,000.00 refund. It is my belief the redisgnation documents did in fact arrive to the office of Senator Boschvitz, had they not, the excess would have refunded within the time frame of the regulations. Only on year end housecleaning did they discover the missing documents which prompted them to effect an immediate refund.

In light of the above, being that it was a joint contribution, making the excess in any event only $1,000.00, and in light of the fact that we did redesignate, taking into consideration that we were totally ignorant of the regulation, we respectfully request the we be absolved of any wrongdoing in this matter or at most be penalized a very nominal sum.

Respectfully,

TO: The Commission

FROM: Lawrence M. Noble
General Counsel

BY: Lois G. Lerner
Associate General Counsel

SUBJECT: MUR 3472
Request for Extension of Time

By letter dated May 12, 1992, Esther Schneerson (the "Respondent") requested an extension of 60 days in which to respond to the Commission's reason to believe finding and conciliation offer. (Attachment 1). The letter explains that an extension is necessary in order for the Respondent to obtain documents from the People for Boschwitz 1990.

The Office of the General Counsel recommends that the Commission deny the requested extension. After numerous attempts to serve this Respondent, she received notification on April 28, 1992. Therefore, the response was due by May 13, 1992. This Office believes that 25 days is a reasonable extension of time for the Respondent to gather the necessary documents. Accordingly, this Office recommends that the Commission grant an extension until June 8, 1992.

RECOMMENDATIONS

1. Deny the requested extension of 60 days and approve an extension of 25 days.

2. Approve the appropriate letter.

RE: MUR 3472

Dear Mrs. Schneerson:

This is in response to your letter dated May 12, 1992, which we received on May 14, 1992, requesting an extension of 60 days until July 13, 1992 to respond to the Federal Election Commission's determination that there is reason to believe that you violated 2 U.S.C. § 441a(a)(1)(A). Considering the Commission's responsibilities to act expeditiously in the conduct of investigations, the Commission did not grant your full request, but did agree to a 25 day extension. Accordingly, your response was due by the close of business on June 8, 1992.

On June 5, 1992, we received a letter signed by your husband. The letter included an affidavit signed by you and an affidavit signed by your husband. This Office understands that the letter and affidavits constitute your response to the Commission's reason to believe finding.

RE: MUR 3472

Dear Mrs. Schneerson:

This letter informs you that the period has expired for pre-probable cause conciliation negotiations with the Federal Election Commission. The Office of General Counsel will soon recommend that the Commission find probable cause to believe that you violated the Federal Election Campaign Act of 1971, as amended.

However, this Office is providing you with one final opportunity to conciliate this matter. In order to avoid the next stage of the enforcement process, you need to sign the enclosed conciliation agreement. You need to return the signed agreement to me in the enclosed envelope within 10 days. GENERAL COUNSEL'S REPORT

I. BACKGROUND

On January 14, 1992, the Federal Election Commission found reason to believe that the People for Boschwitz 1990 committee ("Committee") and David G. Sommers, as treasurer ("Respondents"),[1] violated 2 U.S.C. § 441a(f), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"), and 11 C.F.R. § 104.8(d) of the Federal Election Commission's Regulations.[2] The 2 U.S.C. § 441a(f) violation arose due to the Committee's receipt of excessive contributions totaling $87,457.99. The Committee violated 11 C.F.R. § 104.8(d) because the Committee reported undesignated

4043595377

1. On February 13, 1992, the Committee amended its Statement of Organization. The Committee reported that Brian Niebur replaced David Sommers as treasurer.

2. The Commission also found reason to believe that Esther Scheerson and Abraham Barber violated 2 U.S.C. § 441a(a)(1)(A) and offered to enter into pre-probable cause conciliation with those two Respondents. On March 30, 1992, the Commission accepted a signed conciliation agreement with Barber.

This Office has been in contact with Esther Scheerson [sic]. However, the process has been delayed. The Committee apparently inaccurately reported this contributor's name and address, and notification of the Commission's determination was thereby slowed. This Office will now refer to Esther Schneerson as a Respondent and later report recommendations concerning her violation.

contributions of $26,410.00 as designated for the general election prior to receiving written redesignations or reattributions from the contributors. The Committee refunded or obtained redesignations or reattributions for $66,641.00 of the excessive contributions but not within the required 60 day period.[3]

On that date, the Commission also decided to offer to enter into negotiations directed towards reaching a conciliation agreement prior to a finding of probable cause to believe. A conciliation agreement

The Respondents were notified. They requested an extension of time to respond to the reason to believe finding and pre-probable cause conciliation offer. This Office granted an extension until March 18, 1992.

II. FACTS

During 1989, the Committee received excessive contributions totaling $87,457.99. Of that total, $61,047.99 was designated for the 1990 primary election.

The remaining excessive contributions, $26,410.00, were undesignated but received prior to the 1990 primary. The Committee reported these contributions as 1990 general election contributions along with the following notation: "see memo entry." The memo entries then stated: "re-allocation requested not yet received." The Committee also sent letters to the contributors requesting them to redesignate or reattribute these

4043595378

3. The Commission was aware at the time of its findings of the refunds, redesignations, and reattributions.

contributions. Prior to receiving written redesignations or reattributions from those contributors, the Committee itself reported these as general election contributions. However, pursuant to 11 C.F.R. § 110.1(b)(2)(ii), the undesignated contributions had to be considered as being for the 1990 primary. When these contributions were aggregated with other contributions that the same contributors had made already for that primary, they resulted in $26,410.00 in excess primary contributions.

III. **RESPONSE OF PEOPLE FOR BOSCHWITZ 1990**

Richard Messick, counsel for Respondents, responded on March 18, 1992. (Attachment 1).[4] Counsel presented numerous arguments in response to the Commission's original finding. However, Counsel did not appear to provide a substantial amount of new information.[5] Counsel also requested pre-probable cause conciliation although the Commission had previously sent him a conciliation agreement.

4043595379

4. Counsel filed a supplemental response on March 31, 1992. (Attachment 2).

5. As discussed below, it appears that the only new information the Committee presented pertained to its refund of an additional $9,725. It also submitted additional contributor redesignation or reattribution forms. These forms evidence an additional $12,231.99 in redesignations or reattributions by the contributors. The total of these refunds, redesignations, or reattributions, $21,956.99, represents an amount beyond the $66,641 referenced above. Thus, the total of refunds, redesignations, or reattributions appears to be $88,597.99.

Counsel did not present evidence showing that this additional $21,956.99 in refunds, redesignations, or reattributions was completed in a timely manner.

Counsel presented major arguments. First, Counsel asserted that although the Committee erred in processing and disposing of contributions, there were factors which mitigate the violations. Second, Counsel appeared to argue that the Respondents did not violate 11 C.F.R. § 104.8(d).

These arguments are addressed in turn.

IV. LEGAL ANALYSIS

A. Mitigating Factors

Counsel presented several arguments in mitigation of the violations at issue. First, while the Committee received 110,000 campaign contributions, it only erred in processing 108. Second, the Committee "redirected" two-thirds of the excessive contributions prior to the Commission's reason to believe notification.[6] (Attachment 1 at 2). Third, Counsel stated that another $13,231.99[7] in excessive contributions were reattributed or redesignated, but these "were simply not reported at the time." (Attachment 1 at 2 and Attachment 4). Counsel also

4043595380

6. Based on the response, this Office believes that Counsel used the term "redirected" to mean contributions which the Committee refunded or for which it sought redesignations or reattributions. The charts, included by Counsel in the response, reflect refunds, redesignations, and reattributions of some of the excessive contributions. Accordingly, this Office will refer to any "redirections" as refunds, redesignations, or reattributions.

7. It is not clear whether one contributor, Everett Christensen who made a $1,000 excessive contribution, provided a signed redesignation form. Although the Committee did report this contribution as having been redesignated, a copy of his redesignation form was not included in a March 6, 1992 amended filing.

indicated that the Committee has refunded an additional $9,725 of the excessive contributions. (Attachment 1 at 10-27). Finally, Counsel argued that the Committee's violations were not intentional, and it took remedial steps after the Commission notified it of the violations. (Attachment 1 at 3).

While the Committee ultimately refunded or obtained redesignations or reattributions for approximately $87,457.99 in excessive contributions[8] -- much of this prior to the Commission's reason to believe findings -- none of these actions were taken in a timely manner. Furthermore, the Committee did not report $13,231.99 in reattributed or redesignated contributions that had previously occurred until after it received the Commission's reason to believe notification. As to the Committee's claim that these violations were not intentional, this Office notes that the Commission did not make knowing and willful findings regarding the violations.

B. Defense to 11 C.F.R. § 104.8(d) Violation

The Committee also argued that it did not violate 11 C.F.R. § 104.8(d) by designating contributions for the general election before receiving actual redesignations from contributors. Counsel stated: "...the Committee did in fact show the redesignations...on its subsequent report." (Attachment 1 at 2). At the time it made the reason to believe findings, the Commission

4043595381

8. This excludes Christensen's $1,000 redesignation. See supra note 7.

knew that the Committee ultimately had correctly reported most of these refunds, redesignations, and reattributions. (See First General Counsel's Report dated December 20, 1991 at Attachment 2). However, as the Commission determined originally, the violation occurred when the Committee initially reported the primary contributions as general election contributions before it had received redesignations. Accordingly, while the subsequent reporting may serve to mitigate the violation, it does not excuse entirely that violation.

4043595382

4043595383

4043595384

40435953385

However, this Office believes that this matter may be resolved through conciliation prior to a finding of probable cause to believe. Attached for the Commission's approval is a conciliation agreement. (Attachment 3).

This Office recommends that the Commission approve the attached conciliation agreement.

V. **RECOMMENDATIONS**

2. Approve the attached counter-proposal and the appropriate letter.

Dear Mrs. Schneerson:

On May 3, 1993, the Federal Election Commission and you entered into a conciliation agreement in settlement of a violation of 2 U.S.C. § 441a(a)(1)(A). According to the agreement, you were required to pay a civil penalty of $750.00. At the time you provided the signed agreement, you submitted a check in the amount of $375.00. The remaining $375.00 was required to be submitted to the Commission by June 3, 1993.

According to Commission records, the remaining $375.00 has not been received. Please be advised that, pursuant to 2 U.S.C. § 437g(a)(5)(D), violation of any provision of the conciliation agreement may result in the institution of a civil suit for relief in the United States District Court. Unless we receive the payment from you in five days, this Office will recommend that the Commission file suit to remedy this violation.

If you believe the Commission's records are in error, or if you have any questions, please contact me at (202) 219-3400.

Sincerely,

Richard M. Denholm II

RE: MUR 3472
People for Boschwitz
1990 and Scott Johnson,
as treasurer

Dear Mr. Messick:

Based on information ascertained in the normal course of carrying out its supervisory responsibilities, the Federal Election Commission found reason to believe that your clients, People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d), and instituted an investigation in this matter.

After considering all the evidence available to the Commission, the Office of the General Counsel is prepared to recommend that the Commission find probable cause to believe that violations have occurred.

The Commission may or may not approve the General Counsel's recommendation. Submitted for your review is a brief stating the position of the General Counsel on the legal and factual issues of the case. Within 15 days of your receipt of this notice, you may file with the Secretary of the Commission a brief (ten copies if possible) stating your position on the issues and replying to the brief of the General Counsel. (Three copies of such brief should also be forwarded to the Office of the General Counsel, if possible). The General Counsel's brief and any brief which you may submit will be considered by the Commission before proceeding to a vote of whether there is probable cause to believe a violation has occurred.

If you are unable to file a responsive brief within 15 days, you may submit a written request for an extension of time. All requests for extensions of time must be submitted in writing five days prior to the due date, and good cause must be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

4043595399

A finding of probable cause to believe requires that the Office of the General Counsel attempt for a period of not less than 30, but not more than 90 days, to settle this matter through a conciliation agreement.

Should you have any questions, please contact Richard M. Denholm II, the attorney assigned to this matter, at (202) 219-3400.

Sincerely,

Lawrence M. Noble

GENERAL COUNSEL'S BRIEF

I. STATEMENT OF THE CASE

On January 14, 1992, the Federal Election Commission found reason to believe that the People for Boschwitz 1990 committee ("Committee") and David G. Sommers, as treasurer ("Respondents"), violated 2 U.S.C. § 441a(f), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"), and 11 C.F.R. § 104.8(d).

II. ANALYSIS

2 U.S.C. § 441a(a)(1)(A) provides that no person may make a contribution to a candidate for federal office, or his authorized campaign committee, in excess of $1,000 per election.

Pursuant to 2 U.S.C. § 431(11), the term "person" includes an individual or committee that does not qualify as a multicandidate political committee.

Under 2 U.S.C. § 441a(a)(2)(A), no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed $5,000.

Candidates and political committees are prohibited from knowingly accepting any contribution in violation of the provisions of section 441a. 2 U.S.C. § 441a(f).

4043595401

Under 11 C.F.R. § 103.3(b), the treasurer of a political committee shall be responsible for examining all contributions received for evidence of illegality and for ascertaining whether contributions received, when aggregated with other contributions from the same contributor, exceed the contribution limitations. 11 C.F.R. § 103.3(b)(3) provides that contributions which exceed the contribution limits when aggregated with other contributions from the same contributor may be either deposited into a campaign depository or returned to the contributor. If deposited, the treasurer may request redesignation or reattribution of the contribution. If the reattribution or redesignation is not obtained, the treasurer shall, within sixty (60) days of the treasurer's receipt of the contribution, refund the contribution to the contributor.

A contribution shall be considered to be redesignated for another election if the treasurer of the recipient authorized political committee requests that the contributor provide a written redesignation of the contribution and informs the contributor that the contributor may request a refund of the contribution as an alternative to providing a written redesignation; and if, within sixty days from the date of the treasurer's receipt of the contribution, the contributor provides the treasurer with a written redesignation of the contribution for another election, which is signed by the contributor. 11 C.F.R §§ 110.1(b)(5)(ii) and 110.2(b)(5)(ii).

A contribution shall be considered to be reattributed if the treasurer of the recipient authorized political committee

4043595402

asks the contributor if the contribution was intended to be a joint contribution by more than one person and informs the contributor that he or she may request a refund. The reattribution will be effective if, within 60 days from the date of the treasurer's receipt of the contribution, the contributors provide the treasurer with a written reattribution of the contribution, which is signed by each contributor, and which indicates the amount to be attributed to each contributor if equal attribution was not intended. 11 C.F.R. § 110.1(k)(3)(ii).

11 C.F.R. §§ 110.1(b)(2)(ii) and 110.2(b)(2)(ii) provide that if a contribution is not designated in writing by the contributor for a particular election, it is deemed to be made for the next election for that federal office after the contribution is made.

Pursuant to 11 C.F.R. §§ 104.8(d)(2) and (3), if a contribution is redesignated or reattributed by a contributor in accordance with 11 C.F.R. §§ 110.1(b) or 110.2(b), the treasurer of the authorized political committee receiving the contribution shall report the redesignation or reattribution in a memo entry on Schedule A of the report covering the reporting period in which the redesignation is received. The memo entry for each redesignated or reattributed contribution shall be reported in the following manner: the first part of the memo entry shall disclose all of the information for the contribution as it was originally reported on Schedule A; the second part of the memo entry shall disclose all of the information for the contribution

4043595403

as it was redesignated or reattributed by the contributor(s), including the election for which the contribution was redesignated and the date on which the redesignation or reattribution was received. 11 C.F.R §§ 104.8(d)(2)(i) and 104.8(d)(3).

The Commission's reason to believe findings in this matter were predicated on an analysis of reports filed by the Committee. A review of the Committee's 1989 Mid-Year and 1989 Year End Reports revealed apparent excessive contributions received by the Committee from ninety-eight (98) individuals, seven (7) qualified multicandidate political committees, and three (3) non-qualified political committees. The excessive contributions totaled $87,457.99. Of that amount, $61,047.99 consisted of excessive contributions received by the Committee which were designated for the primary election. The remaining excessive contributions, totaling $26,410, were received by the Committee prior to the primary election and not designated for any particular election. The Committee reported on its 1989 Year End Report that these undesignated contributions were made for the general election with a notation: "see memo entry." The memo entries stated: "re-allocation requested not yet received." Pursuant to 11 C.F.R. § 110.1(b)(2)(ii), these undesignated contributions were required to be designated for the next election for Federal office after the contributions were made, or the primary election. The undesignated

4043595404

contributions, when aggregated with the primary contributions from the same contributors, resulted in an additional $26,410 in excessive contributions.

With respect to the $87,457.99 in excessive contributions at issue, the Committee demonstrated that it refunded or obtained redesignations or reattributions for all of the excessive contributions. However, none of these actions were taken within the 60 day period required by the regulations.

With respect to the violation of 11 C.F.R. § 104.8(d), the Committee initially reported the primary contributions as general election contributions prior to the receipt of the redesignations. Thus, the Committee violated 11 C.F.R. § 104.8(d) by reporting primary contributions as designated for the general election prior to receiving written redesignations from contributors.

The evidence in this matter demonstrates that the Committee accepted $87,457.99 in excessive contributions. Further, while the Committee presented evidence to demonstrate that it has refunded or obtained redesignations or reattributions for all of the excessive contributions, this did not occur within 60 days of receipt as required by 11 C.F.R. §§ 103.3(b), 110.1(b), and 110.2(b). Also, the evidence demonstrates that the Committee violated 11 C.F.R. § 104.8(d) by reporting primary contributions as general election contributions before receiving

4043595405

redesignations from contributors. Therefore, the Office of the General Counsel recommends that the Commission find probable cause to believe that the People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d).

III. GENERAL COUNSEL'S RECOMMENDATION

Find probable cause to believe that the People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d).

Dear Richard:

I received both your letter and the Commission's brief yesterday.

I will be preparing a reply. I must, however, be out of the country on business starting July 4th and ending July 13th. I also have three jury trials scheduled for when I return.

For these reasons I would ask that the due date on my reply be August 15th. Otherwise I simply will not be able to give the reply the attention it deserves.

Thank you for your attention to this request. If you need to reach me, I will be in Lima, Peru, at the Institute for Liberty and Democracy. The number is (5114) 46-7745.

Respondents' Brief

The People for Boschwitz 1990 Committee and Scott Johnson, its treasurer, deeply regret that the Commission's investigation has reached the current stage. Almost two years ago the Commission notified the Committee that the Commission staff had found that the Committee had failed to redesignate, reattribute or refund a number of excess contributions within the 60 days prescribed by the Commission's rules and had, in addition, initially misreported a number of other contributions. The Committee readily acknowledged its mistakes, and those errors it had not found and corrected before receiving the Commission's letter were promptly remedied. See Exhibit one. Yet 15 months later the General Counsel files a six page brief urging the Commission to find probable cause to believe that the Committee violated Commission regulations.

People for Boschwitz do not deny the violations. It did not 15 months ago, does not today, and the General Counsel's brief is thus beside the point.

40435954 09

40435954111

The question of unequal treatment looms over this case: the Committee urges the Commission to address it now. The Committee admits that it has violated the Commission's rules and accepts responsibility for these mistakes. It asks only that it be treated no differently from the other committees who have made these same mistakes.

Re: MUR 3472

Dear Mr. Denholm:

The People for Boschwitz 1990 Committee and its treasurer, formerly David Sommers and now Brian Niebur, would like to enter into pre-probable cause conciliation in MUR 3472.

The crux of the complaint is that the Committee mishandled donations it received from contributors who had already given the maximum allowed. When this happens, Commission rules require the recipient to dispose of the excess by refunding, reattributing or redesignating it within 60 days of receipt. Thanks to the information disclosed in the Committee's reports, the Commission identified excess contributions from 98 individuals, seven qualified multicandidate political committees, and three non-qualified political committees that the Committee failed to dispose of within 60 days.

The donations in questions are listed on an attachment to the January 27th letter notifying the Committee of its findings. After reviewing its records, the Committee has concluded that it did indeed err in processing these contributions. But there are a number of factors that mitigate these processing errors. For one, People for Boschwitz received contributions from over 110,000 donors; the mistakes it made with 108 mean its error rate was less than one-tenth of one percent.

4043595413

Because in some cases one of these donors may have overcontributed twice while in others one portion of a single excess contribution may have been reattributed and another portion refunded, the Committee actually redirected the excess received from the 108 contributors in 123 ways. Two-thirds of these redirections occurred long before the Commission contacted the Committee in January. Attachment one, "Excess Contributions Discovered and Remedied by People for Boschwitz," lists the excess contributions flagged by the Commission in its January 27th letter which the Committee had previously refunded, reattributed or redesignated. There are 83, 67% of the 123 total.

Of the remainder, the majority were in fact reattributed or redesignated but were simply not reported at the time. This error has now been corrected. Amended reports were submitted to the Commission on March 6th, and attached to these amendments were the letters authorizing the reattribution or redesignation. These contributions are shown in attachment two, "Excess Contributions Discovered and Remedied by People for Boschwitz and Reported Correctly March 6th." There are 23 of these.

This leaves 17 contributions that the Committee has confirmed were excess but which the Committee did not realize were excess until the Commission's January 27th letter. They are listed in attachment three. Once the Committee confirmed that it had failed to send out a refund in these cases, it did so at once. Copies of these refund checks are enclosed and marked collectively as attachment four. The refunds for these 17 total $9,725.

The Factual and Legal Analysis accompanying the Commission's January 27th letter states that, in its initial reporting of the receipt of certain undesignated contributions, it appeared that the Committee: "was attempting to designate the undesignated contributions for the general before receiving written designations from the contributors." The Committee believes that a further review of its reports will show that this was not the case. Copies of selected pages of its reports are attachment five. As they disclose, the Committee did in fact show the redesignation as a memo entry on its subsequent report.

4043595414

While People for Boschwitz concedes that it did err in disposing of a number of excess contributions, these were errors pure and simple. That the Committee made no attempt to hide any of them but fully disclosed each demonstrates that they were inadvertent mistakes and that the Committee had no intention of keeping any donation that exceeded the limit. Indeed, were it not for the Committee's disclosure, the Commission would never have detected the errors. Nor is it unusual that the Committee erred in disposing of some of the excess contributions it received. The Commission's own Reports and Analysis Division has found that political committees, "when handling excessive contributions, frequently make errors." Federal Election Commission, *What to do About Excessive Contributions: Redesignations and Reattributions*, Record, October 1990.

Richard E. Messick

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This matter was referred to the Office of the General Counsel by the Reports Analysis Division. On January 14, 1992, the Federal Election Commission (the "Commission") opened a MUR and found reason to believe that the People for Boschwitz 1990 (the "Committee") and David G. Sommers, as treasurer, ("Respondents")[1] violated 2 U.S.C. § 441a(f), a provision of the Federal Election Campaign Act of 1971, as amended, (the "Act") and 11 C.F.R. § 104.8(d).[2] On that same date, the Commission decided to enter into pre-probable cause conciliation

4043595416

1. On February 13, 1992, the Committee amended its Statement of Organization. The Committee reported that Brian Niebur replaced David Sommers as treasurer. Subsequently, on May 6, 1993, the Committee again amended its Statement of Organization. The Committee reported that Scott Johnson replaced Brian Niebur as treasurer.

2. The Commission also found reason to believe that Esther Schneerson and Abraham Barber violated 2 U.S.C. § 441a(a)(1)(A) and offered to enter into pre-probable cause conciliation with those two Respondents. On March 30, 1992, the Commission accepted a signed conciliation agreement with Barber. On April 23, 1993, the Commission accepted a signed conciliation agreement with Schneerson.

negotiations with the Respondents.

A brief regarding probable cause was forwarded to the Respondents on June 23, 1993, and Respondents' counsel submitted a reply brief on August 16, 1993. This General Counsel's Report contains a probable cause recommendation.

II. **ANALYSIS**

An analysis of the Respondents' liability in this matter is contained in the General Counsel's brief signed on June 23, 1993. The factual and legal analysis set forth in the General Counsel's brief is incorporated as if fully set forth herein.

This matter concerns the Respondents' acceptance of excessive contributions totaling $87,457.99 and the misreporting of contributions. In their reply brief, Respondents do not deny the violations. (Attachment 1 at 1).

4043595417

Therefore, this Office recommends that the Commission find probable cause to believe that the People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d).

III. **DISCUSSION OF CONCILIATION PROVISIONS AND CIVIL PENALTY**

40435954118

Therefore, this Office recommends that the Commission approve the attached conciliation agreement.

IV. **RECOMMENDATIONS**

1. Find probable cause to believe that the People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d).

2. Approve the attached conciliation agreement and the appropriate letter.

RE: MUR 3472
People for Boschwitz
1990 and Scott Johnson,
as treasurer

Dear Mr. Messick:

On September 28, 1993, the Federal Election Commission found that there is probable cause to believe your clients, People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f), a provision of the Federal Election Campaign Act of 1971, as amended (the "Act"), and 11 C.F.R. § 104.8(d) of the Federal Election Commission's Regulations. The Commission's probable cause finding is based upon your clients' receipt of $87,457.99 in excessive contributions and the misreporting of contributions.

The Commission has a duty to attempt to correct such violations for a period of 30 to 90 days by informal methods of conference, conciliation, and persuasion, and by entering into a conciliation agreement with a respondent. If we are unable to reach an agreement during that period, the Commission may institute a civil suit in United States District Court and seek payment of a civil penalty.

Enclosed is a conciliation agreement that the Commission has approved in settlement of this matter. If you agree with the provisions of the enclosed agreement, please sign and return it, along with the civil penalty, to the Commission within ten days. I will then recommend that the Commission accept the agreement. Please make your check for the civil penalty payable to the Federal Election Commission.

If you have any questions or suggestions for changes in the enclosed conciliation agreement, or if you wish to arrange a meeting in connection with a mutually satisfactory conciliation agreement, please contact Richard M. Denholm II, the attorney assigned to this matter, at (202) 219-3690.

Dear Mr. Messick:

You had previously promised to respond to us by the week of November 9th. I agreed to your request for additional time in which to submit a response in light of your family's recent medical problem.

Although we did not discuss it in our conversation, I am sure that, by now, you are aware of the recent decision in FEC v. NRA Political Victory Fund, No. 91-5360 (D.C. Cir. Oct. 22, 1993). Because other respondents have inquired, let me advise you that, as a precautionary measure while the Commission petitions the Supreme Court for a writ of certiorari, the Commission, consistent with that opinion, has remedied the constitutional defect identified by the Court of Appeals. Moreover, the Commission is taking additional, prophylactic steps to cure any arguably defective aspects of on-going enforcement matters. As a result, the NRA decision affects neither this enforcement action nor our efforts to conciliate this matter. If you have any questions about this, please contact me before the time that your response is due.

Sincerely,

Elizabeth A. Strange

GENERAL COUNSEL'S REPORT

I. BACKGROUND

This matter was referred to the Office of the General Counsel by the Reports Analysis Division. On January 14, 1992, the Federal Election Commission (the "Commission") opened a MUR and found reason to believe that the People for Boschwitz 1990 (the "Committee") and David G. Sommers, as treasurer,[1] ("Respondents") violated 2 U.S.C. § 441a(f), a provision of the Federal Election Campaign Act of 1971, as amended, (the "Act") and 11 C.F.R. § 104.8(d).[2] On that same date, the Commission decided to enter into pre-probable cause conciliation negotiations with Respondents.

4043595434

1. On February 13, 1992, the Committee amended its Statement of Organization. The Committee reported that Brian Niebur replaced David Sommers as treasurer. Subsequently, on May 6, 1993, the Committee again amended its Statement of Organization. The Committee reported that Scott Johnson replaced Brian Niebur as treasurer.

2. The Commission also found reason to believe that Esther Schneerson and Abraham Barber violated 2 U.S.C. § 441a(a)(1)(A) and offered to enter into pre-probable cause conciliation with those two Respondents. On March 30, 1992, the Commission accepted a signed conciliation agreement with Barber. On April 23, 1993, the Commission accepted a signed conciliation agreement with Schneerson.

On September 28, 1993, the Commission found probable cause to believe that Respondents violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d). The Commission also approved a conciliation agreement

This report contains recommendations to assure that this matter conforms to the Court's opinion in FEC v. NRA Political Victory Fund, et al., No. 91-5360 (D.C. Cir. Oct. 22, 1993) ("NRA"). This report also recommends that the Commission approve the terms of the attached conciliation agreement

II. FACTS

A review of the Committee's 1989 Mid-Year and 1989 Year End Reports revealed apparent excessive contributions received by the Committee from ninety-eight (98) individuals, seven (7) qualified multicandidate political committees, and three (3) non-qualified political committees. The excessive contributions

4043595435

totaled $87,457.99. Of that amount, $61,047.99 consisted of excessive contributions received by the Committee which were designated for the primary election. The remaining excessive contributions, totaling $26,410, were received by the Committee prior to the primary election and not designated for any particular election. The Committee demonstrated that it refunded or obtained redesignations or reattributions for all of the excessive contributions, but these actions were not taken within the 60 day period required by the regulations. Furthermore, Respondents misreported contributions by reporting primary election contributions as general election contributions before receiving redesignations from contributors.[3]

4043595436

III. **RECOMMENDED ACTIONS IN LIGHT OF FEC V. NRA**

Based upon the original referral from the Reports Analysis Division and consistent with the Commission's November 9, 1993, decisions concerning compliance with the NRA opinion, this Office recommends that the Commission ratify the determinations to: 1) open a MUR; 2) find reason to believe that People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d); and 3) approve the factual and legal analysis that was attached to the First General Counsel's Report dated December 20, 1991. Based upon the General Counsel's probable cause brief, the response, and this Office's report dated September 13, 1993, this Office also

---

3. Respondents reported on their 1989 Year End Report that the $26,410 in undesignated contributions were made for the general election with the notation: "see memo entry." The memo entries stated: "re-allocation requested not yet received."

recommends that the Commission revote the determination to find probable cause to believe that People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d). For the Commission's convenience, this Office has attached the pertinent certifications in this matter dated September 29, 1993, and January 17, 1992. Attachment 1.

IV.

4043595437

This Office believes that the Commission should approve the terms of the proposed conciliation agreement for several reasons. First, since this MUR opened, Respondents have corrected the violations by refunding or obtaining redesignations or reattributions of all the excessive contributions.[6]

Third, the Commission did not make a finding that the violations were knowing and willful.

Further, People for Boschwitz 1990 and Scott Johnson, as treasurer, are the only remaining respondents in this matter. If approved, this agreement will lead to the closing of the entire file in this matter.[7]

4043595438

5.

6. These corrective actions did not occur within 60 days of receipt of the contributions as required by 11 C.F.R. §§ 103.3(b), 110.1(b), 110.1(k), and 110.2(b).

7. Respondents' 1993 Mid-Year Report reflects that they have only $12,401.48 cash-on-hand. This same report also discloses that Respondents have zero debt.

Accordingly, this Office recommends that the Commission approve the terms of the attached conciliation agreement.

V. **RECOMMENDATIONS**

1. Ratify the determination to open a MUR.

2. Ratify the determination to find reason to believe that People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d).

3. Ratify the determination to approve the factual and legal analysis that was attached to the First General Counsel's Report dated December 20, 1991.

4. Find probable cause to believe that People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d).

5. Approve the terms of the attached conciliation agreement. Attachment 3.

6. Approve the appropriate letter.

2. Ratify the determination to find reason to believe that People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d).

Mr. Richard E. Messick, Esq.

RE: MUR 3472
People for Boschwitz 1990
and Scott Johnson, as
treasurer

Dear Mr. Messick:

On September 28, 1993, the Federal Election Commission found that there is probable cause to believe your clients, People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d). A proposed conciliation agreement was mailed to you

As you may be aware, on October 22, 1993, the D.C. Circuit declared the Commission unconstitutional on separation of powers grounds due to the presence of the Clerk of the House of Representatives and the Secretary of the Senate or their designees as members of the Commission. FEC v. NRA Political Victory Fund, No. 91-5360 (D.C. Cir. Oct. 22, 1993). Since the decision was handed down, the Commission has taken several actions to comply with the court's decision. While the Commission petitions the Supreme Court for a writ of certiorari, the Commission, consistent with that opinion, has remedied any possible constitutional defect identified by the Court of Appeals by reconstituting itself as a six member body without the Clerk of the House and the Secretary of the Senate or their designees. In addition, the Commission has adopted specific procedures for revoting or ratifying decisions pertaining to open enforcement matters.

In this matter, on January 26, 1994, the Commission ratified its prior findings of reason to believe, and revoted to find probable cause to believe that People for Boschwitz 1990 and Scott Johnson, as treasurer, violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d). The Commission also approved the terms contained in your most recent submission. In view of the NRA decision and the reconstitution of the Commission as a six member body, it is necessary that you or Mr. Johnson sign the enclosed agreement reflecting those terms. Please sign and return the enclosed agreement to the Commission within ten days.

4043595442

The Commission has a duty to attempt to correct such violations for a period of 30 to 90 days by informal methods of conference, conciliation, and persuasion, and by entering into a conciliation agreement with a respondent. Given the unique circumstances engendered by the NRA decision, we intend to complete these negotiations within 30 days. If we are unable to reach an agreement during that period, the Commission may institute a civil suit in United States District Court and seek payment of a civil penalty.

If you have any questions, please contact Richard M. Denholm II, the attorney assigned to this matter, at (202) 219-3690.

Sincerely,

Lawrence M. Noble

GENERAL COUNSEL'S REPORT

I. BACKGROUND

The Commission found probable cause to believe that Respondents violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d) in this matter and approved a conciliation agreement

4043595444

Counsel requested an extension of time in which to respond to the Commission's proposed agreement. In a letter agreeing to the extension of time, dated November 12, 1993, this Office notified

---

1.

counsel of the Court's opinion in FEC v. NRA Political Victory Fund, et al., 6 F.3d 821 (D.C. Cir. 1993), petition for cert. filed, 62 U.S.L.W. 3511 (U.S. Jan. 18, 1994) (No. 93-1151) ("NRA"). (See Attachment 2.)

4043595445

In light of the NRA decision, on January 26, 1994, the Commission determined to: 1) ratify the determination to open a MUR; 2) ratify the determination to find reason to believe that Respondents violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d); 3) find probable cause to believe that Respondents violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d); and 4) approve the terms of the conciliation agreement signed and submitted by Respondents. Respondents were notified of the Commission's action in a letter dated January 28, 1994.[2] (Attachment 3.)

2. The letter describes the Commission's procedures in ratifying the reason to believe determination and revoting probable cause.

4043595446

For the reasons discussed below, this report recommends that the Commission deny Respondents' motion.

II. ANALYSIS

A. NRA Argument

Respondents object to the Commission's procedures for revoting and argue that they should be given "a second bite at the apple." In discussions with counsel concerning the Commission's procedures, we explained, as the NRA decision itself makes clear, that the Commission is empowered to reconstitute itself without Congressional intervention. Federal Election Commission v. NRA Political Victory Fund, 6 F.3d at 827-28. This Office also provided counsel with a copy of Judge Hogan's Order in Federal Election Commission v. National Republican Senatorial Committee, Civ. Action No. 93-1612, in which the United States District Court for the District of Columbia acknowledges that "in accordance with NRA," the Commission has reconstituted itself as a constitutional

six-member body. Further, the Court accepted the Commission's ratification of its pre-NRA finding of probable cause to believe a violation occurred in that case. The Commission's procedures accepted by the Court in that case are very similar to the procedures followed in this post-probable cause matter -- any procedural difference was due only to the fact that the Commission had already instituted a civil action in that case. Consequently, this Office recommends that the Commission deny the motion.

Moreover, Respondents were advised by letter dated November 12, 1993 -- prior to reaching a conciliation agreement in this matter -- that the Commission was taking these precautionary measures while it petitions the Supreme Court for a writ of certiorari. The letter stated that "the Commission is taking additional, prophylactic steps to cure any arguably defective aspects of on-going enforcement matters." It is the opinion of this Office that these measures and procedures are merely precautionary or prophylactic because even if the NRA decision is upheld on appeal, the Commission's past actions are valid under the de facto officer doctrine. See Buckley v. Valeo, 424 U.S. 1, 142 (1979).

Prior to settling this matter, Respondents were asked to contact this Office if they had any questions concerning our procedures following the NRA decision and settlement; Respondents did not.

4043595447

40435954 48

As discussed below, there is also no basis in fact to reconsider the finding of probable cause

B. Computer Error Argument

Respondents submit, for the first time in this matter, an internal committee memorandum purportedly documenting a computer error as the basis for their violations. In their original probable cause brief, Respondents admitted the violations at issue.

Before forwarding Respondents' motion to the Commission, this Office reviewed the record again in light of: (1) Respondents' submission, which they characterize as a copy of a Committee memorandum dated December 28, 1989, outlining certain computer problems that the Committee experienced; and (2) their contention that "these computer malfunctions" account for the Respondents' acceptance of excessive contributions in this matter. Based upon our review, there is no factual support for Respondents' contention.

In fact, the memorandum that they submitted undermines their argument that these computer problems led to the excessive contributions at issue in this matter. (Attachment 4.) According to the memorandum, the computer system was informing the Committee that it had received excessive contributions when, in fact, the contributions were not excessive. For example, the third paragraph states in part: "...it was discovered that there were 'conversion problems.' The biggest being: 'Head-of-House and Spouse' contributions were LUMPED TOGETHER (instead of having kept the contributions separate)." Similarly, the fourth paragraph states: "1984 and 1990 contributions were NOT separated from each other, so that when a list of '500+ aggregate total' was pulled this list was incorrect. 'Aggregate Total' should have only pulled contributions for the 1990 election." Consequently, the computer was grouping totals which may have produced apparent excessive amounts where none existed. Moreover, these purported computer problems should have put the Committee on notice to examine more closely its contributions to determine if they were actually excessive.

4043595449

This Office also reviewed the timing of the excessive contributions at issue. The majority of these excessives, $61,822.99, were actually received by the Committee prior to the delivery of the computer system on August 9, 1989. Consequently, the alleged computer problems would have had absolutely no effect on the majority of contributions in violation. The Committee's computer problems also would not explain why the Committee corrected the remaining excessive contributions, approximately

$23,000, only after receiving notice of the Commission's reason to believe finding in March 1992.

In addition, the Commission has already recognized mitigating factors in this matter. The Commission recognized that Respondents have corrected the violations by refunding or obtaining redesignations and reattributions of all the excessive contributions.

4043595450

C. Conclusion

RE: COMPUTER/SDI/Michael Conlin

(1) Beta test site

1 The Wang VS5000 system was approximately 3 weeks late in arriving to PFB.

Wang VS5000 system was too small for our needs when delivered on 8-9-89. Had to purchase another 250mg. hard drive within 3 weeks of main system delivery (P.O. made out to Wang Lab. in Bloomington on 9-15-89 for a used disk drive).

Upon delivery our data was investigated and the Campaign Management System software was tested. During the week that SDI representatives and Michael Conlin were at the office for "training", it was discovered that there were "conversion problems". The biggest being: "Head-of-House and Spouse" contributions were LUMPED TOGETHER (instead of having kept the contributions separate). Strict instructions were given NOT TO HAVE THIS HAPPEN.

4 Also, 1984 and 1990 contributions were NOT separated from each other, so that when a list of "$500+ aggregate total" was pulled this list was incorrect. "Aggregate Total" should have only pulled contributions for the 1990 election. This, too, was discussed and we were told that we'd be able to pull a 1990 aggregate list from CMS.

5 Then there was the RE-CONVERSION to fix the two problems listed above. Even after lots of communication and type-written memos between PFB and SDI we still had THE 1984/1990 AGGREGATE DILEMMA. Since late November 1989, SDI has provided us with a "quasi-solution" to this 1984/1990 contribution dilemma.... ~~Just hoping that the NEW RELEASE OF CMS will have this~~ Cumbersome, inefficient, time consuming solution.

We have trouble getting the PARAGRAPHING part of CMS to work properly when we create a "worklist" of more than 119 individuals. This is a definite limitation when it comes to sending out our thank-you's, considering the average packet for BATCH ENTRY is 250 response documents. Let alone sending out Washington Club or Finance Committee letters to a group of approximately 300 - 400 people.

RE: MUR 3472
People for Boschwitz
1990 and Scott Johnson,
as treasurer

Dear Mr. Messick:

In a letter dated March 2, 1994, you requested that the Commission allow you to submit a second probable cause brief in this matter. The request was based upon the Commission's procedures for revoting in light of the decision in Federal Election Commission v. NRA Political Victory Fund, 6 F.3d 821 (D.C. Cir. 1993), cert. granted, ___ U.S.L.W. ___ (U.S. June 20, 1994) (No. 93-1151) ("NRA"), and the contention that "computer problems" led to the violations. This Office forwarded your request along with your documentation of the Committee's computer problems to the Commission. On June 17, 1994, the Commission denied your request to submit a second probable cause brief.

As the NRA decision itself makes clear, the Commission is empowered to reconstitute itself without Congressional intervention. FEC v. NRA, 6 F.3d at 828. In the Order I previously sent to you from Federal Election Commission v. National Republican Senatorial Committee, Civ. Action No. 93-1612, the United States District Court for the District of Columbia acknowledges that "in accordance with NRA," the Commission has reconstituted itself as a constitutional six-member body. Further, the Court accepted the Commission's ratification of its pre-NRA finding of probable cause to believe a violation occurred in that case. The Commission's procedures accepted by the Court in that case are very similar to the procedures followed in this post-probable cause matter -- any procedural difference was due only to the fact that the Commission had already instituted a civil action in that case.

Prior to forwarding your request to the Commission, this Office reviewed the record again in light of: (1) your submission, which you characterize as a copy of a Committee

4043595454

memorandum dated December 28, 1989, outlining certain computer problems that the Committee experienced; and (2) your contention that "these computer malfunctions" account for the Respondents' acceptance of excessive contributions in this matter. Based upon our review, this Office cannot agree with your contention.

In fact, the memorandum that you submitted is inconsistent with your argument that these computer problems led to the excessive contributions at issue in this matter. According to the memorandum, the computer system was informing the Committee that it had received excessive contributions when, in fact, the contributions were not excessive. For example, the third paragraph states in part: "...it was discovered that there were 'conversion problems.' The biggest being: 'Head-of-House and Spouse' contributions were LUMPED TOGETHER (instead of having kept the contributions separate)." Similarly, the fourth paragraph states: "1984 and 1990 contributions were NOT separated from each other, so that when a list of '500+ aggregate total' was pulled this list was incorrect. 'Aggregate Total' should have only pulled contributions for the 1990 election." Consequently, the computer was grouping totals which may have produced apparent excessive amounts where none existed. Moreover, these purported computer problems should have put the Committee on notice to examine more closely its contributions to determine if they were actually excessive.

Further, this Office reviewed the timing of the excessive contributions at issue. The majority of those excessives, $61,822.99, were actually received by the Committee prior to the delivery of the computer system on August 9, 1989. Consequently, the alleged computer problems would have had no effect on the majority of contributions in violation. The Committee's computer problems also would not explain why the Committee corrected the remaining excessive contributions, approximately $23,000, only after receiving notice of the Commission's reason to believe finding in March 1992.

Enclosed please find a conciliation agreement

4043595455

In light of the current posture of this matter, Respondents have ten days from the date of this letter in which to sign and submit this agreement to the Commission. If this agreement is not submitted, unchanged, within this time period, this Office will recommend that the Commission proceed to the next stage of the enforcement process.

If you have any questions, please contact me at (202) 219-3690.

BEFORE THE FEDERAL ELECTION COMMISSION

In the Matter of	)	
	)	
People for Boschwitz 1990	)	MUR 3472
and Scott Johnson, as treasurer	)	

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission ("Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found probable cause to believe that the People for Boschwitz 1990 committee and its treasurer violated 2 U.S.C. § 441a(f) and 11 C.F.R. § 104.8(d). The Committee and its current treasurer, Scott Johnson, were named as respondents in this matter.

NOW, THEREFORE, the Commission and Respondents, having duly entered into conciliation pursuant to 2 U.S.C. § 437g(a)(4)(A)(i), do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding.

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

4043595461

IV. The pertinent facts in this matter are as follows:

1. People for Boschwitz 1990 is a political committee within the meaning of 2 U.S.C. § 431(4).

2. Scott Johnson is the treasurer of the People for Boschwitz 1990 committee.

3. David Sommers was the treasurer of the People for Boschwitz 1990 committee at the time the violations occurred.

4. The Federal Election Campaign Act of 1971, as amended (the "Act") states that no person may make a contribution to a candidate for federal office, or his authorized political committees, in excess of $1,000 per election. 2 U.S.C. § 441a(a)(1)(A).

5. The Act states that no multicandidate political committee shall make contributions to any candidate and his authorized political committees with respect to any election for Federal office which, in the aggregate, exceed $5,000. 2 U.S.C. § 441a(a)(2)(A).

6. Candidates and political committees are prohibited from knowingly accepting any contribution in violation of the provisions of Section 441a. 2 U.S.C. § 441a(f).

7. Pursuant to 11 C.F.R. § 103.3(b)(3), contributions which exceed the contribution limits when aggregated with other contributions from the same contributor may be either deposited into a campaign depository or returned to the contributor. If deposited, the treasurer may request redesignation or reattribution of the contribution from the contributor. If the reattribution or redesignation is not obtained, the treasurer

4043595462

shall, within sixty (60) days of the treasurer's receipt of the contribution, refund the contribution to the contributor. A contribution shall be considered to be redesignated for another election, or reattributed, if certain conditions are met. The treasurer of the recipient authorized political committee must request that the contributor provide a written redesignation or reattribution of the contribution. The treasurer also must inform the contributor that the contributor may request the refund of the contribution as an alternative to providing a written redesignation or reattribution. Within sixty days from the date of the treasurer's receipt of the contribution, the contributor then must provide the treasurer with a written redesignation or reattribution of the contribution which is signed by the contributor. 11 C.F.R §§ 110.1(b)(5)(ii)(A) and (B), 110.2(b)(5)(ii)(A) and (B), and 110.1(k)(3)(ii).

8. Pursuant to 2 U.S.C § 431(8)(A), a "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office.

9. Pursuant to 2 U.S.C. § 431(11), the meaning of "person" includes an individual or committee that does not qualify as a multicandidate political committee. Such a committee is bound by the limitations found at 2 U.S.C. § 441a(a)(1)(A).

10. Pursuant to 11 C.F.R. §§ 110.1(b)(2)(ii) and 110.2(b)(2)(ii), "with respect to any election" means, in the case of a contribution not designated in writing by the

4043595463

contributor for a particular election, the next election for that Federal office after the contribution is made.

11. Pursuant to 11 C.F.R. §§ 104.8(d)(2) and (3), if a contribution is redesignated or reattributed by a contributor in accordance with 11 C.F.R. §§ 110.1(b), 110.2(b) or 110.1(k), the treasurer of the authorized political committee receiving the contribution shall report the redesignation or reattribution in a memo entry on Schedule A of the report covering the reporting period in which the redesignation or reattribution is received. The memo entry for each redesignated or reattributed contribution shall consist of two parts. The first part of the memo entry shall disclose all of the information for the contribution as it was originally reported on Schedule A. The second part of the memo entry shall disclose all of the information for the contribution as it was redesignated or reattributed by the contributor, including the election for which the contribution was redesignated and the date on which the redesignation or reattribution was received. 11 C.F.R §§ 104.8(d)(2)(i) and 104.8(d)(3).

12. The Committee's reports filed with the Commission disclose excessive contributions received by the Committee from ninety-eight (98) individuals, seven (7) qualified multicandidate political committees, and three (3) political committees that had not achieved multicandidate political committee status during 1989 in violation of 2 U.S.C. § 441a(f). The excessive contributions totaled $87,457.99.

4043595464

13. Of the $87,457.99, $61,047.99 consisted of contributions which were designated by the contributors for the 1990 primary and were excessive when received by the Respondents.

14. The Committee received the remaining excessive contributions, $26,410, before the primary election, and they were not designated for any particular election. The Respondents' 1989 Year End Report disclosed the undesignated contributions as general election contributions with a notation: "see memo entry." The memo entries state: "re-allocation requested not yet received."

15. Pursuant to 11 C.F.R. § 110.1(b)(2)(ii), the undesignated contributions were required to be reported as received for the next election for Federal office after the contribution was made, or the 1990 primary election. The undesignated contributions, when aggregated with other contributions from the same contributors for the 1990 primary, result in excessive contributions totaling $26,410.

16. The Committee sent letters to the contributors of the $26,410 which requested permission to redesignate or reattribute the contributions. The contributors were also given the option of receiving a refund. The Committee made refunds or obtained redesignations or reattributions of the $26,410, but not within the required sixty day period.

4043595465

17. For the $61,047.99 referenced in paragraph 13, the Committee made refunds, obtained redesignations or reattributions. The refunds, redesignations, or reattribution were not completed within the required 60 day period.

18. The Committee has now refunded or obtained redesignations or reattributions for all the excessive contributions.

V. The People for Boschwitz 1990 violated 2 U.S.C. § 441a(f) by receiving excessive contributions totaling $87,457.99 during 1989.

VI. The People for Boschwitz 1990 violated 11 C.F.R. § 104.8(d) by reporting undesignated contributions as designated, prior to receiving written redesignations from contributors.

VII. Respondents contend that the violations referenced in Sections V and VI were not knowing and willful.

VIII. Respondents will pay a civil penalty to the Federal Election Commission in the amount of Sixteen Thousand Five Hundred Dollars ($16,500), pursuant to 2 U.S.C. § 437g(a)(5)(A); such penalty to be paid as follows:

1. An initial payment of $5,000 due within ten days after Respondents receive written notification of the Commission's approval of this agreement;

2. On or before November 27, 1994, a second payment of $5,000;

3. On or before January 20, 1995, a final payment of $6,500.

4043595466

4. In the event that any installment payment is not received by the Commission within five days of the date it becomes due, the Commission may, at its discretion, accelerate the remaining payments and cause the entire amount to become due upon ten days written notice to Respondents. Failure by the Commission to accelerate the payments with regard to any overdue installment shall not be construed as a waiver of its right to do so with regard to future overdue installments.

IX. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

X. This agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

40435954667

XI. Except as provided in Paragraph VIII, Sections 1, 2, and 3 above, Respondents shall have no more than 30 days from the date this agreement becomes effective to comply with and implement the requirements contained in this agreement and to so notify the Commission.

XII. This Conciliation Agreement constitutes the entire agreement between the parties on the matters raised herein, and no other statement, promise, or agreement, either written or oral, made by either party or by agents of either party, that is not contained in this written agreement shall be enforceable.

RE: MUR 3472
People for Boschwitz
1990 and Scott Johnson,
as treasurer

Dear Mr. Messick:

This letter is in response to our January 18, 1995, telephone conversation in which you informed me that between $10,000 to $15,000 in refund checks have not been cashed by individuals who contributed to the People for Boschwitz 1990 Committee. You inquired whether the Committee may now donate those funds to a charitable organization. Advisory Opinion 1991-39, which I have enclosed, suggests that the Committee may donate the funds to, inter alia, a narrow range of charitable organizations, viz., "a qualified charitable organization described in 26 U.S.C. § 170(c)."

As the opinion states, it concerns the application of the Act or Commission regulations to the specific transactions set forth in that particular request. See 2 U.S.C. § 437f. Thus, you may wish to submit your own Advisory Opinion Request for the specific transactions you described during our telephone conversation. In light of the time that has elapsed and the requirements of the conciliation agreement, you should inform the Commission of the Committee's actions regarding this issue by February 2, 1995. If you have any questions, please contact me at (202) 219-3690.

Sincerely,

Richard M. Denholm II

pursuant to that restitution. You state that the payment appears to reflect sales to date. You plan to have the restitution funds received by the 1988 committee transferred to DeConcini '94 at some point.

The request for Advisory Opinion 1989-10 and the opinion itself did not present or contemplate the repayment by Mr. Karlsen of the misappropriated funds. This repayment is now a legal obligation of Mr. Karlsen to DeConcini '88. As such, the funds are a debt owed to and an account receivable of DeConcini '88 and should be reported on the 1988 committee's next report and succeeding reports until extinguished. See 2 U.S.C. § 434(b)(8); 11 CFR 104.3(d) and 104.11. As Mr. Karlsen makes restitution, the committee's Schedule D would reflect the reduction in Mr. Karlsen's outstanding debt to the committee, and the debt would be included on line 9 of the summary page. Each payment from Mr. Karlsen would be reportable as an "other receipt" with itemization on Schedule A explaining the nature of the receipt (thus disclosing why it is not a contribution subject to the limits of 2 U.S.C. § 441a). 11 CFR 104.3(a)(3)(x) and 104.3(a)(4)(vi). The Commission also concludes that amendments to previous reports are required only to the extent that payments by Mr. Karlsen to the committee were received in a past reporting period. See Advisory Opinion 1982-64 [¶ 5705].

Commission records indicate that the 1988 committee has not been terminated. If, however, Senator DeConcini or his agents wish to have the debt rolled over to DeConcini '94, the Commission concludes they may do so. Commission regulations expressly exempt from limitation the transfer of funds between the previous and current Federal campaign committees of a candidate provided that the candidate is not a candidate for more than one Federal office at a time and provided that the funds transferred are not composed of contributions that would be in violation of the Act. 11 CFR 110.3(c)(4). Under the same principle, the debt owed by Mr. Karlsen, which is an account receivable of the 1988 committee, may be transferred to DeConcini '94. See, by analogy, Advisory Opinion 1989-10 (where the Commission, under the same principle, permitted DeConcini '94 to transfer funds to DeConcini '88 to enable the latter to pay bills for the audit of the misappropriated funds). The rolling over of Mr. Karlsen's debt should be disclosed on Schedule D of the reports of both committees.

The Commission cautions that Mr. Karlsen may not be used as a conduit for payments from prohibited sources or persons attempting to make contributions to the committee through Mr. Karlsen. See 2 U.S.C. § 441a, 441b, 441c, 441e, and 441f.

This response constitutes an advisory opinion concerning application of the Act, or regulations prescribed by the Commission, to the specific transaction or activity set forth in your request. See 2 U.S.C. § 437f.

[¶ 6042] AO 1991-39: Treatment of Tainted Contributions

[If a principal campaign committee has reason to believe that contributions may be illegal (such as an indictment of the donor) and does not know to whom the contributions should be refunded, it may give them to the Government or a charity. Answer to Robert S. Royer of Royer, Mehle & Babyak, 1747 Pennsylvania Avenue, N.W., Washington, D.C. 20008.]

This responds to your letters of December 4, 1991 and November 26, 1991, requesting an advisory opinion on behalf of the Friends of Senator D'Amato (the "Committee") concerning application of the Federal Election Act of 1971, as amended ("the Act"), to the refund of several contributions previously received by Senator D'Amato's 1986 and 1992 Senate campaigns. You also provided supplementary information and comments in your letter dated February 4, 1992.

Your request includes a copy of a letter, dated November 5, 1991, that the Committee received from the U.S. Department of Justice. The letter indicates that several contributions the Committee reported in its 1986, 1987 and 1988 reports as made by various individuals were actually made by only one individual, Eduardo Lopez-Ballori. Mr. Lopez-Ballori ("the accused") is currently under grand jury indictment in the Eastern District of New York for causing the Committee to file false statements with the Federal Election Commission (the "Commission").

You state that, immediately upon receiving the Department of Justice letter, the Committee determined that there was a basis for the appearance of illegality and then segregated the funds in question. An amount sufficient to cover the questioned contributions was deposited in a separate account so that such amount will be available for disbursement "if and when the Commission determines a disbursement is warranted." At this time, the Committee also contacted counsel for the accused in an attempt to determine whether the contributions were indeed illegal and was informed that the accused asserts his innocence of the charges made against him. The Committee then decided that further contact would be inappropriate given the nature of the criminal proceeding.

Your request asks for clarification and guidance as to when the obligation to make any refunds arises. You state that the Committee takes no position as to what course of action should be required and that the Committee will pursue any course of action recommended by the Commission, including continuing to hold the funds in a segregated account or making refunds. You cite Advisory Opinion 1984-52 [¶ 5797], however, to indicate your belief that, when judicial proceedings are involved, there is a requirement that there be a conviction of a person or entity making the contribution before the obligation to make refunds emerges. You explain that, given the circumstances, the treasurer is not in a position to make a determination as to whom to refund the monies until the accused has had the benefit of due process. You add that if the Commission believes that the monies should be refunded before that time, the Committee needs clear guidance as to whom the monies should be refunded and when.

The Act prohibits the making of a contribution by one person in the name of another person and prohibits knowingly accepting such a contribution. 2 U.S.C. §441f and 11 CFR 110.4(b). Under Commission regulations, if the treasurer of a political committee determined at the time a contribution was received and deposited that it did not appear to be made in the name of another, but later discovers that it was so made based on new evidence not available at the time of the receipt and deposit, the treasurer is required to refund the contribution to the contributor within thirty days of the date on which the illegality is discovered. 11 CFR 103.3(b)(2).

In several opinions, the Commission has reviewed situations involving the requirement to subsequently refund contributions made in the names of others. See Advisory Opinions 1989-5 [¶ 5956] and 1984-52.[1] While these advisory opinions addressed the specific circumstances in which the guilty pleas of the contributors had put committees on notice that certain contributions were suspect, these opinions did not limit the circumstances in which a refund obligation can be said to arise. The language of section 103.3 itself refers only to "evidence not available to the political committee at the time of receipt" which, once presented, indicates that the contribution was prohibited by the Act.

The Commission notes that under federal case law, the evidentiary test applied by a grand jury in voting an indictment is whether there is probable cause to believe that the accused has committed the crime. See *United States v. Calandra*, 414 U.S. 338 (1974). Therefore, the Commission concludes that the criminal indictment, along with the cited Department of Justice letter, provided sufficient basis to question the lawfulness of the contributions under the Act pursuant to 11 CFR 103.3(b). You have indicated that the Committee would like to "protect the integrity of the political process" and therefore will remove these funds from its accounts, if the Commission can advise the Committee as to whom the funds can be paid.

The Commission determines that these funds, in the unusual circumstances present in this advisory opinion request, where the Committee cannot at this point determine the identity of the original contributor, shall be disbursed by the Committee for a lawful purpose unrelated to any Federal election, campaign, or candidate. An appropriate payee would include the Federal Government, any state or local government entity, or a qualified charitable organization described in 26 U.S.C. §170(c). A disbursement by the Committee that equals the total amount of the questioned contributions and is made to one or more of the above-listed payees will be timely if made within ten days after receipt of this opinion. The payment should be disclosed as an itemized disbursement (offset to contributions) in the next report required to be filed by the Committee after the payment is made.[2]

This response constitutes an advisory opinion concerning the application of the Act, or regulations prescribed by the Commission, to the specific transaction or activity set forth in your request. See 2 U.S.C. §437f.

Dated: February 7, 1992.

[1] Both these matters also involved violations of 2 U.S.C. §441b since the entities making the contributions using the names of others were corporations. In Advisory Opinion 1984-52, Congressman Marty Russo requested an opinion regarding the obligation to refund contributions made by the Board of Trade Clearing Corporation using the names of corporate employees. In that situation, the corporation and two of its officers entered pleas of guilty to criminal violations of section 441b. The Commission concluded that under these circumstances a duty to refund the contributions in question existed.

In Advisory Opinion 1989-5, the Richard Ray for Congress Committee received information that a contributor had pleaded guilty to allowing his name to be used by Unisys corporation to make contributions using his name. Concluding on its own that a refund was necessary, the Committee requested guidance from the Commission as to whom the refund should be made, the conduit or the corporation. The Commission concluded that the refund should be made to the corporation.

[2] Commission regulations require authorized committees to itemize contribution refunds or offsets and to identify the person who receives such disbursements. 11 CFR 104.3(b)(4)(v). The Committee should note when reporting the disbursement that it is made pursuant to this opinion.
