MEMORANDUM TO: The Commission

FROM: William C. Oldaker
General Counsel *[Signature]*

SUBJECT: MUR 357 Conciliation Agreement

DATE: August 18, 1978

78040072511

This matter was originally referred to the General Counsel's Office from the Disclosure Division. The Commission had found reason to believe and reasonable cause to believe that violations of §§433 and 434 of the Act had been committed. Respondents had failed to register and file reports with the Commission. During conciliation apparent violations of 2 U.S.C. §§441a and 441b were also found. From committee reports it appeared that respondents had received corporate contributions in violation of §441b of the Act. It also appeared that the respondents contributed in excess of \$1,000 to other federal committees thereby violating §441a. The Commission found reason to believe on December 15, 1977 and reasonable cause to believe on April 19, 1978 that the respondent committee and its treasurer violated 2 U.S.C. §§441a and 441b. A conciliation agreement was recommended and approved on April 19, 1978.

Since this time, conciliation between respondents' attorney and this office has occurred. The attached conciliation agreement represents the finalized version with some minor modifications of the original. We would point out the following changes:

1. Paragraph II on page 2 provides for repayment to the fifteen corporate contributions the specific amount of \$3,550 which had been shown on respondent committee's reports.

2. Paragraph III on page 2 provides for a modified civil penalty of \$2,600. The lesser amount seems acceptable since it represents over fifty percent of the amount which the respondents contributed in violation of 2 U.S.C. §441a.

3. Paragraph D on page 4 states that this agreement terminates this matter and also provides for dismissal of our Petition for an Order to Show Cause. However, this office has already voluntarily withdrawn its petition.

In light of the above the Office of General Counsel recommends approval of the attached conciliation agreement.

Re: MUR 357

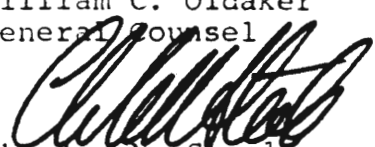

Dear Mr. Havey:

This is to notify you that the Commission has, on the basis of information set forth in your reports, as supplemented in response to the Commission Order of December 15, 1977, determined that there is reasonable cause to believe that the Committee violated 2 U.S.C. §441a in making a \$2500 contribution to the Helstoski for Congress Committee and a \$1500 contribution to the Maguire for Congress Committee. The Commission further determined that there is reasonable cause to believe that the Committee violated 2 U.S.C. §441b by accepting corporate contributions.

Pursuant to 2 U.S.C. §437g(a)(5)(A), the Commission must make every effort to correct the above described violations informally. Accordingly, we are enclosing a proposed conciliation agreement. General Counsel's Report

I. Summary

78040072540
This matter developed in the Disclosure Division which discovered that respondent, an unregistered committee, had made a \$2,500 contribution to the Helstoski for Congress Committee. On Disclosure's recommendation, the Commission found reason to believe and reasonable cause to believe that violations of §§433 and 434 had been committed. The matter was referred to the General Counsel's Office for conciliation. During conciliation, respondent filed a registration statement and reports which indicated an additional violation of 2 U.S.C. §441a and apparent violations of 2 U.S.C. §441b. On this basis, the Commission, on December 15, 1977, made findings of reason to believe that violations of §441a and §441b were committed. The Commission issued an Order requesting information concerning the corporate status of the Committee's contributions, and further information required by §434. Respondents having failed to comply with this Order, a petition was filed in the United States Court for the District of New Jersey for an order to show cause. The court issued this order and, on the date of the hearing (March 14, 1978), the requested information was received.

II. Evidence and Analysis

The evidence establishes that the respondents, in contributing \$2500 to the Helstoski for Congress Committee and \$1500 to the Maguire for Congress Committee, made contributions in violation of §441a(1)(a). Thus, the staff recommends a finding of reasonable cause to believe violations of this section were committed.

The information supplied in response to the Commission Order also establishes that the Committee accepted \$3550 in contributions from fifteen corporations in violation of §441b. Thus the staff is recommending a finding of reasonable cause to believe violations of this section were committed.

III. Recommendation

Find reasonable cause to believe that respondents Committee to Elect Democrats and Mr. Thomas Havey have violated 2 U.S.C. §§441a and 441b.

Authorize the sending of the attached letters and proposed conciliation agreement.

Dear Mr. Athy:

Attached herewith are schedules A & B as attached to your Order to Show Cause in this matter.

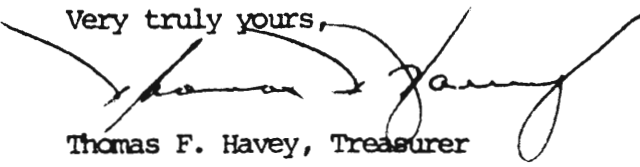

I have enclosed all the information that I have been able to obtain concerning the contributors list on schedule A. Certain information is not available to me despite my lengthy and diligent attempts to obtain the same.

The office sought by the individual listed on schedule B is located next to his name.

It should be noted that all contributors believed that their contributions were to be used exclusively for the election of County and State officials. Subsequent to the receipt of their contributions, a decision was made, without their knowledge, that contributions would be made to our two local Congressional candidates.

I appreciate your cooperation and patience in this matter. If I can be of any further assistance, please don't hesitate to call my office.

GENERAL COUNSEL'S REPORT

SUMMARY

Pursuant to the staff's report and recommendation of December 15, 1977, the Commission found reason to believe that respondent violated 2 U.S.C. §441a by making excess contributions to the Helstoski for Congress Committee and the Maguire for Congress Committee and that respondent violated 2 U.S.C. §441b by accepting contributions from corporations.

Notice to respondent was accompanied by a Commission order requesting answers to specific questions. These answers were required to be submitted within five days of receipt of the letter and order (return receipt shows a delivery date of December 24, 1977). On January 9, 1978, respondent by phone promised that the required response would be submitted by January 16, 1978. However to date there has been no response and having no other assurance of compliance with the order we are recommending the below action.

Re: MUR 357

Dear Mr. Havey:

On December 15, 1977 Commission found reason to believe that the Committee to Elect Democrats (the Committee) violated 2 U.S.C. §441b by accepting contributions from corporations, and 2 U.S.C. §441a because the Committee made contributions in excess of the permitted limits to the Committees of Federal candidates. We note that you have failed to reply to our letter of October 14, 1977 and phone call requesting clarification of entries on the Committee reports indicating receipt of corporate contributions.

Under the Act you have an opportunity to demonstrate that no action should be taken against you. Please submit any legal or factual materials which you deem relevant to the Commission's analysis of this matter. Where appropriate statements should be submitted under oath.

Please note that the Commission has issued an Order, which is attached, requiring you to answer specific questions, and that these answers must be submitted within five (5) days of your receipt of this letter and Order.

The Commission is under a duty to act expeditiously in this matter. The attorney assigned to this matter is Andrew Athy, Jr. (telephone no. 202-523-4529).

Sincerely yours,

William C. Oldaker

DEC 15 1977

I. SUMMARY

This matter originated in the Disclosure Division which discovered that respondent, an unregistered committee, had made a \$2,500 contribution to the Helstoski for Congress Committee in New Jersey. On Disclosure's recommendation, the Commission found reason to believe on March 22, 1977 and reasonable cause to believe on April 20, 1977 that violations of §§433 and 434 were committed. On June 15, 1977, Disclosure referred the matter to the General Counsel's office and we began conciliation negotiations.

During Disclosure's contact with respondent it had been learned that respondent made an excessive contribution to at least one other Federal candidate but no names or details were supplied. During conciliation it was revealed that the additional contribution was to the Maguire for Congress Committee in the amount of \$1,500. Respondent also registered and reported, signed a proposed conciliation agreement 1/, proffered the suggested fine of \$300, and contacted the recipient committees for refunds. How-

1/ This included admissions of §441a violations even though no previous findings were made on this issue.

ever, the reports filed by respondent fail to comply with §434 in that they do not provide complete information on a number of contributors (see attachment to proposed order) and contain entries indicating that contributions were received from corporations in violation of 2 U.S.C. §441b. Respondent has failed to respond to our requests by letter and phone for additional information needed to clarify the question of corporate contributions.

II. ANALYSIS

Section 441a(a)(1)(A) of Title II provides that "no person shall make contributions to any candidate ... which exceed \$1,000." Since the respondent Committee was unregistered at the time of its contributions to Helstoski and Maguire, this individual limitation, rather than the \$5,000 limitation imposed by §441a(a)(2) on qualified multicandidate committees, should apply. Accordingly, the contributions to the Helstoski and the Maguire Committees are in violation of §441a(a)(1)(A).

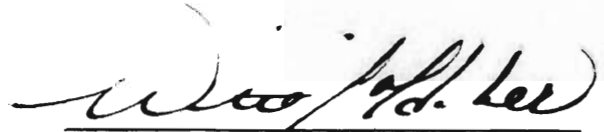

Section 441b of Title II makes it unlawful for any political committee to accept any contribution from any corporation in connection with a Federal election. From the reports filed, it appears that a number of contributions to respondent may be from corporations (see attachment). In view of the Committee's failure to respond to our request to clarify the status of these contributors, the conclusion has not been dispelled that contributions were made and received in violation of §441b.

78040072573

III. RECOMMENDATION

The Commission should find reason to believe that respondent has violated §441a and §441b and send the attached notice letter. Whereas respondent has failed to respond to our previous requests, the information sought should be requested by Commission Order (attached).

Re: MUR 357

Dear Mr. Havey:

On December , 1977 Commission found reason to believe that the Committee to Elect Democrats (the Committee) violated 2 U.S.C. §441b by accepting contributions from corporations, and 2 U.S.C. §441a because the Committee made contributions in excess of the permitted limits to the Committees of Federal candidates. We note that you have failed to reply to our letter of October 14, 1977 and phone call requesting clarification of entries on the Committee reports indicating receipt of corporate contributions.

Under the Act you have an opportunity to demonstrate that no action should be taken against you. Please submit any legal or factual materials which you deem relevant to the Commission's analysis of this matter. Where appropriate statements should be submitted under oath.

Please note that the Commission has issued an Order, which is attached, requiring you to answer specific questions, and that these answers must be submitted within five (5) days of your receipt of this letter and Order.

The Commission is under a duty to act expeditiously in this matter. The attorney assigned to this matter is Andrew Athy, Jr. (telephone no. 202-523-4529).

Sincerely yours,

William C. Oldaker
General Counsel

A. WHO MUST FILE

Any candidate for Federal Office who has not been granted a waiver or any political committee which receives contributions or makes expenditures in excess of \$1,000 in any calendar quarter during an election year (or the combined total of \$5,000 of receipts and expenditures in the case of a candidate or authorized committee in a non-election year) must file reports of receipts and expenditures on FEC FORM 3. Political committees not receiving or expending more than \$1,000 in a calendar quarter of any election year (or the combined total of \$5,000 of receipts and expenditures in the case of an authorized committee in a non-election year) may file on FEC FORM 3A except that a preelection, a post-election and an annual report must be filed by all reporting candidates and committees on FEC FORM 3. Re: MUR 357 (77)

Dear Mr. Havey:

The Commission is in receipt of your submission which includes FEC Form 2. A review of this statement indicates that a number of the contributions listed (these are marked in the attached duplicate of your report) appear to be from corporations. As you know, 2 U.S.C. 441(b) prohibits contributions by corporations to committees supporting federal candidates. Accordingly, these entries on your reports must be clarified before the Commission can enter into a conciliation agreement.

Please contact us in this regard. The attorney assigned to this matter is Andrew Athy, Jr., telephone number (202) 523-4530.

Sincerely yours,

William C. Oldaker

STATUS REPORT

Reasonable cause to believe having been found, the staff forwarded a proposed conciliation agreement to the respondents. This agreement included admissions that respondent had violated §433 and §434 by failing to register and §441a(a)(1)(A) by making a contribution in excess of \$1,000. The respondent signed the agreement and submitted the required filings which have contributors that are apparently corporations.

The staff has requested, by letter, that these matters be clarified by the respondent and is withholding the proposed agreement until the response is received.

Conciliation Report

Summary and Prior Proceedings

78040072600
This matter was initiated internally when the respondent, Committee to Elect Democrats, was discovered to have made a ^{\$2,500} \$1,500 contribution to the Helstoski for Congress Committee. Having never registered or reported, the Commission found reasonable cause to believe that respondent violated 2 U.S.C. §§433 and 434 and having made a contribution in excess of \$1,000, the Commission found reasonable cause to believe that respondent violated 2 U.S.C. §441a. A conciliation agreement (discussed infra) was forwarded to the respondent. The respondent has agreed to the terms set forth and has added a statement and admission with regard to an additional violation. The General Counsel is recommending that the Commission approve the proposed agreement.

Analysis

The conciliation agreement being recommended for Commission approval embodies all of the facts upon which previous Commission determinations were based. This includes agreement that the respondent Committee never registered or reported as required by 2 U.S.C. §§433 and 434 and an admission that the mentioned contribution violated §441a(a)(1)(A). Respondent has proffered the proposed fine of \$300,

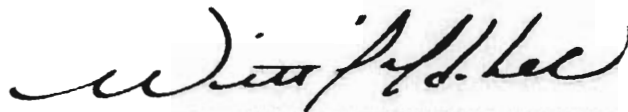

submitted the appropriate statements as required by 2 U.S.C. §§433 and 434, and requested that the excess contributions be returned by the recipient committees.

Recommendation

Adopt proposed Conciliation Agreement and close file.

RE: MUR 357 (77)

Dear Mr. Athy:

Enclosed herewith are the following documents in respect to the above matter:

- (1) Original Conciliation Agreement which has been executed by me
- (2) FEC Form 1 - Statement of Organization for Committee
- (3) FEC Form 2 - Report of Receipts and Expenditures
- (4) Schedule A - Itemized Receipts
- (5) Schedule B - Itemized Expenditures
- (6) Check in the amount of \$300.00 for payment of fine as set forth in Conciliation Agreement

I have amended the Conciliation Agreement by adding to paragraph III an indication that a contribution was made to the Campaign Fund of Congressman Maguire in an amount exceeding \$1,000.00. Further, I have indicated on page 3 that a good faith effort will be made to recover the \$500.00 contribution in excess of the limits. In addition, I have indicated that you can consider this submittal as a termination report for this Committee. In accordance with your direction this account will now be closed and re-opened for purposes of contributions to New Jersey State and Local candidates only.

Continued. . .

To: Andrew Athy, Jr., Esq.

Re: Committee to Elect Democrats -
Campaign Contribution - 1976

Gentlemen:

The undersigned is Treasurer of the Committee to Elect Democrats. On or about October 26, 1976, the Committee, by check, made a contribution to your campaign fund in the amount of \$2,500.00.

Since the date of that contribution, the Committee has been advised that under appropriate Federal Law, it could only have made a contribution in the maximum amount of \$1,000.00. All monies in excess of that \$1,000.00 must be returned to the Committee Treasury.

Therefore, in order that there be complete compliance with the Federal Law it is necessary that you immediately forward a check in the amount of \$1,500.00 to Committee to Elect Democrats at the above address.

Very truly yours,

Tom Havey,

RE: MUR 357 (77)

Dear Mr. Athy:

Enclosed herewith are the following documents in respect to the above matter:

- (1) Original Conciliation Agreement which has been executed by me
- (2) FEC Form 1 - Statement of Organization for Committee
- (3) FEC Form 2 - Report of Receipts and Expenditures
- (4) Schedule A - Itemized Receipts
- (5) Schedule B - Itemized Expenditures
- (6) Check in the amount of \$300.00 for payment of fine as set forth in Conciliation Agreement

I have amended the Conciliation Agreement by adding to paragraph III an indication that a contribution was made to the Campaign Fund of Congressman Maguire in an amount exceeding \$1,000.00. Further, I have indicated on page 3 that a good faith effort will be made to recover the \$500.00 contribution in excess of the limits. In addition, I have indicated that you can consider this submittal as a termination report for this Committee. In accordance with your direction this account will now be closed and re-opened for purposes of contributions to New Jersey State and Local candidates only.

INTERIM CONCILIATION REPORT

This matter developed internally and involves a group called Committee to Elect Democrats. Reports of Citizens Committee, Helstoski for Congress list the group as having made a \$2,500 contribution. However, the group has failed to register and report, thereby violating 2 U.S.C. §§433 and 434. In addition the group violated §441a(a)(1)(A) by making a contribution in excess of \$1,000. (The recipient Committee has agreed to return the excessive amount).

Appropriate notices were forwarded and received by respondent including: a surface violation letter on February 11, 1977; notice of a finding of a reason to believe on March 22, 1977; and notice of a finding of reasonable cause to believe on April 21, 1977. Respondent failed to respond to any of these notices.

By telephone the treasurer of respondent committee indicated that in behalf of the committee he would comply with §433 and §434 and would sign an appropriate conciliation agreement. Staff has drafted such an agreement, which includes admissions of a violation and payment of a fine, and will report back shortly to the Commission on its continuing negotiations with respondent.

Committee to Elect Democrats

- A first notice Surface Violation letter was mailed on 12/15/77 to the Committee to Elect Democrats, an unregistered committee, for contributing \$2,500 to the Citizens Committee, Helstoski for Congress committee on 10/28/76. (letter attached)

- In the process of reviewing the letter due to no response, a typographical error in the address of the committee was noted. Since neither the original letter nor the registered receipt card had been returned, a call was placed to the committee on 1/31/77 to discover if they had received the letter. The committee had not received the letter so a corrected first letter was mailed to the committee on 2/11/77. (letter attached)

- Information received from Thomas Havey, Treasurer of the committee, during the telephone call indicated that the committee had made an excessive contribution to at least one other Federal candidate, however, the name of the candidate was not disclosed. (telecon attached)

- The Helstoski Committee has responded to the violation and intends to return the \$1,500 excessive contribution to the Committee to Elect Democrats, however, they do not have sufficient funds. The Helstoski Committee's Year End and April 10, 1977 Reports list the \$1,500 as a debt on Schedule C. (Schedule attached)

- Due to the fact that the Committee to Elect Democrats has never responded to the 1st, 2nd, and 3rd Surface Violation notices, the Treasurer indicated that the committee has supported other Federal candidates, and the Helstoski Committee has not returned the funds, further action is necessary to obtain full disclosure of this committee's activity.

NOTE: The House team has been alerted to check New Jersey House candidates' reports for contributions from the committee.

Committee to Elect Democrats

Dear Mr. Havey:

This letter is prompted by the Commission's interest in assisting candidates and committees to comply with the Federal Election Campaign Act, as amended. This law has, as you know, many and sometimes complex provisions. 2 U.S.C. 431(d) defines a "political committee" to mean any committee, club, association or other group of persons which receives contributions or makes expenditures in excess of \$1,000 during a calendar year for the purpose of influencing a Federal Election. Additionally, 2 U.S.C. 431(f)(3) states that transfers of funds to political committees which support Federal candidates are considered "expenditures".

Furthermore, 2 U.S.C. 441 precludes individuals and political committees, other than qualified multicandidate political committees, from making political contributions to a candidate for Federal office in excess of \$1,000 per election. The Act defines a multicandidate committee as one which has been registered with the Commission for a period of not less than six months, has received contributions from more than fifty persons; and has made contributions to five or more candidates for Federal office.

Our review of the receipts reported by a candidate committee indicates that your organization may have made a contribution in excess of \$1,000 to a committee supporting a candidate for Federal office. Therefore, it would appear that your organization qualifies as a "political committee" under the Act, subject to registration and reporting requirements as prescribed by 2 U.S.C. 433 and 434, and may also have exceeded the limit noted above.

Enclosed are relevant informational materials with regard to the Federal Election Campaign Act, including the appropriate forms for registration and reporting by political committees. Please examine these materials and submit a Statement of Organization on FEC FORM 1 within ten days of receipt of this letter. If, in addition, you find that the contribution made by your organization was in excess of the limits set forth in the Act, the Commission recommends that you notify the recipient and request a refund of the amount in excess of \$1,000. This return should be reported immediately by letter and should be reflected on your next report of receipts and expenditures.

78040072659

If you believe that your organization is not a political committee or that the Commission is otherwise in error, please submit a statement within ten days which would clarify this matter.

If you have any questions concerning the above, please do not hesitate to contact Beth Fagan (202/382-3484), our Reports Analyst assigned to you.

Mr. Havey never received our first letter re: registering as a political committee.
(the letter was sent to the wrong address)
From the information he gave me on the Committee, I determined that the committee
must file reports with us. Also the committee has given two excessive contributions
to Federal candidates. One committee is in the process of returning the overage.
(the committee does not have the money so are listing the amount as a debt on Schedule
C.) He said that the committee is a party committee but not part of the regular
party structure. They do not transfer money to or from the state central committee,
so do not qualify for the larger contribution limitation.
I told him that I will re-send the letter and forms for him to register.

Dear Mr. Havey:

On February 11, 1977, you were notified that you may have made contributions to a political committee which raised problems under sections 433 and 434 of the Federal Election Campaign Act of 1971, as amended.

As of this date, however, we have received no response from you. Your failure to respond gives the Commission reason to believe that you may have committed a violation of sections 433 and 434.

The Commission intends to take no action against you until you have had a reasonable opportunity to respond to this letter and demonstrate why no action should be taken against you. MUR 357

Conciliation Agreement

This matter was initiated by the Commission on the basis of information ascertained in the normal course of carrying out its supervisory responsibilities and reasonable cause to believe was found pursuant to 2 U.S.C. §437g(a) (5) (A).

Now, therefore, the respective parties herein, the Federal Election Commission and respondents, Committee to Elect Democrats, Thomas F. Havey, Treasurer, having duly entered into conciliation pursuant to §437g(a) (5) do hereby agree as follows:

I. That the Federal Election Commission has jurisdiction over the respondent and the subject matter of this proceeding.

II. That respondent has had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. That on or about October 28, 1976, respondents made a contribution of \$2,500 to the Helstoski for Congress Committee; that on or about October 26, 1976, respondents made a contribution of \$1,500 to the Campaign Fund of Congressman Maguire and that respondents represent that these were the sole contributions to or expenditures on behalf of federal candidates that it has made with regard to the 1976 elections.

IV. That the respondents failed to register with and report to the Federal Election Commission as required by 2 U.S.C. §§433 or 434, and that on September 16, 1977, after notice of Commission findings of reason to believe and reasonable cause to

V. That respondents received \$3,550 in contributions from fifteen corporations in amounts ranging from \$200 to \$500.

VI. That respondents' contribution to the Helstoski Committee in the amount of \$2,500 and to the Campaign Fund of Congressman Maguire in the amount of \$1,500 was in each instance a violation by respondent of 2 U.S.C. §441a(a)(1)(A).

VII. That respondents' failure to register and report pursuant to 2 U.S.C., §§433 and 434 constituted a violation of these sections.

Wherefore, the respondents agree:

I. To seek repayment from the Helstoski Committee of the \$2,500 contribution made in violation of 2 U.S.C. §§441b(a) and 441a(a)(1)(A), and similarly seek repayment of the \$1,500 contributed to the Maguire Committee in violation of this same section.

FROM: William C. Oldaker

SUBJECT: MUR 357 Conciliation Agreement

DATE: August 18, 1978

78040072511
79040120761

This matter was originally referred to the General Counsel's Office from the Disclosure Division. The Commission had found reason to believe and reasonable cause to believe that violations of §§433 and 434 of the Act had been committed. Respondents had failed to register and file reports with the Commission. During conciliation apparent violations of 2 U.S.C. §§441a and 441b were also found. From committee reports it appeared that respondents had received corporate contributions in violation of §441b of the Act. It also appeared that the respondents contributed in excess of \$1,000 to other federal committees thereby violating §441a. The Commission found reason to believe on December 15, 1977 and reasonable cause to believe on April 19, 1978 that the respondent committee and its treasurer violated 2 U.S.C. §§441a and 441b. A conciliation agreement was recommended and approved on April 19, 1978.

Since this time, conciliation between respondents' attorney and this office has occurred. The attached conciliation agreement represents the finalized version with some minor modifications of the original. We would point out the following changes:

1. Paragraph II on page 2 provides for repayment to the fifteen corporate contributions the specific amount of \$3,550 which had been shown on respondent committee's reports.

2. Paragraph III on page 2 provides for a modified civil penalty of \$2,600. The lesser amount seems acceptable since it represents over fifty percent of the amount which the respondents contributed in violation of 2 U.S.C. §441a.

3. Paragraph D on page 4 states that this agreement terminates this matter and also provides for dismissal of our Petition for an Order to Show Cause. However, this office has already voluntarily withdrawn its petition.

In light of the above the Office of General Counsel recommends approval of the attached conciliation agreement.

VII. That respondents' failure to register and report pursuant to 2 U.S.C., §§433 and 434 constituted a violation of these sections.

VIII. That respondents' receipt of contributions from corporations constituted in each instance a violation of 2 U.S.C. §441b(a).

Wherefore, the respondents agree:

I. To seek repayment from the Helstoski Committee of the \$2,500 contribution made in violation of 2 U.S.C. §§441b(a) and 441a(a)(1)(A), and similarly seek repayment of the \$1,500 contributed to the Maguire Committee in violation of this same section.

Re: MUR 357

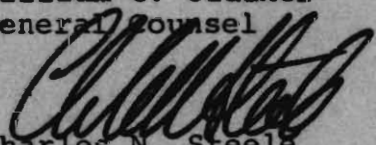

Dear Mr. Havey:

This is to notify you that the Commission has, on the basis of information set forth in your reports, as supplemented in response to the Commission Order of December 15, 1977, determined that there is reasonable cause to believe that the Committee violated 2 U.S.C. §441a in making a \$2500 contribution to the Helstoski for Congress Committee and a \$1500 contribution to the Maguire for Congress Committee. The Commission further determined that there is reasonable cause to believe that the Committee violated 2 U.S.C. §441b by accepting corporate contributions.

Pursuant to 2 U.S.C. §437g(a)(5)(A), the Commission must make every effort to correct the above described violations informally. Accordingly, we are enclosing a proposed conciliation agreement. Conciliation Agreement

This matter was initiated by the Commission on the basis of information ascertained in the normal course of carrying out its supervisory responsibilities and reasonable cause to believe was found pursuant to 2 U.S.C. §437g(a)(5)(A).

Now, therefore, the respective parties herein, the Federal Election Commission and respondents, Committee to Elect Democrats, Thomas F. Havey, Treasurer, having duly entered into conciliation pursuant to §437g(a)(5) do hereby agree as follows:

I. That the Federal Election Commission has jurisdiction over the respondent and the subject matter of this proceeding.

II. That respondent has had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. That on or about October 28, 1976, respondents made a contribution of \$2,500 to the Helstoski for Congress Committee; that on or about October 26, 1976, respondents made a contribution of \$1,500 to the Campaign Fund of Congressman Maguire; and that respondents represent that these were the sole contributions to or expenditures on behalf of federal candidates that it has made with regard to the 1976 elections.

IV. That the respondents failed to register with and report to the Federal Election Commission as required by 2 U.S.C. §§433 or 434 and that on September 16, 1977, after notice of Commission findings of reason to believe and reasonable cause to believe, respondents did register and report pursuant to §§433 and 434.

V. That respondents received \$3,550 in contributions from fifteen corporations in amounts ranging from \$200 to \$500.

VI. That respondents' contribution to the Helstoski Committee in the amount of \$2,500 and to the Campaign Fund of Congressman Maguire in the amount of \$1,500 was in each instance a violation by respondent of 2 U.S.C. §441a(a)(1)(A).

VII. That respondents failure to register and report pursuant to 2 U.S.C. §§433 and 434 constituted a violation of these sections.

VIII. That respondents' receipt of contributions from corporations constituted in each instance a violation of 2 U.S.C. §441b(a).

Wherefore, the respondents agree:

I. To seek repayment from the Helstoski Committee of the \$2,500 contribution made in violation of 2 U.S.C. §§441b(a) and 441a(a)(1)(A) and similarly seek repayment of the \$1,500 contributed to the Maguire Committee in violation of this same section.

II. To repay to the fifteen corporate contributors identified by the respondents the contributions so received.

III. To pay a civil penalty in the amount of \$4,000.

GENERAL CONDITIONS

A. The Commission on request of anyone filing a complaint under 2 U.S.C. §437g(a)(1) concerning the matters at issue herein or on its own motion may review compliance with this agreement. If the Commission believes this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

B. It is mutually agreed that this agreement shall become effective as to the date that all parties hereto have executed same and the Commission has approved the entire agreement.

C. It is agreed that respondents shall have no more than 30 days from the effective date of this agreement to comply with and implement the requirements contained herein and that respondents shall thereupon notify the Commission of such compliance.

General Counsel's Report

I. Summary

78040072540
This matter developed in the Disclosure Division which discovered that respondent, an unregistered committee, had made a \$2,500 contribution to the Helstoski for Congress Committee. On Disclosure's recommendation, the Commission found reason to believe and reasonable cause to believe that violations of §§433 and 434 had been committed. The matter was referred to the General Counsel's Office for conciliation. During conciliation, respondent filed a registration statement and reports which indicated an additional violation of 2 U.S.C. §441a and apparent violations of 2 U.S.C. §441b. On this basis, the Commission, on December 15, 1977, made findings of reason to believe that violations of §441a and §441b were committed. The Commission issued an Order requesting information concerning the corporate status of the Committee's contributions, and further information required by §434. Respondents having failed to comply with this Order, a petition was filed in the United States Court for the District of New Jersey for an order to show cause. The court issued this order and, on the date of the hearing (March 14, 1978), the requested information was received.

II. Evidence and Analysis

The evidence establishes that the respondents, in contributing \$2500 to the Helstoski for Congress Committee and \$1500 to the Maguire for Congress Committee, made contributions in violation of §441a(1)(a). Thus, the staff recommends a finding of reasonable cause to believe violations of this section were committed.

The information supplied in response to the Commission Order also establishes that the Committee accepted \$3550 in contributions from fifteen corporations in violation of §441b. Thus the staff is recommending a finding of reasonable cause to believe violations of this section were committed.

III. Recommendation

Find reasonable cause to believe that respondents Committee to Elect Democrats and Mr. Thomas Havey have violated 2 U.S.C. §§441a and 441b.

Authorize the sending of the attached letters and proposed conciliation agreement.

Dear Mr. Athy:

Attached herewith are schedules A & B as attached to your Order to Show Cause in this matter.

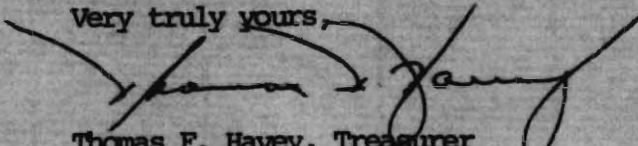

I have enclosed all the information that I have been able to obtain concerning the contributors list on schedule A. Certain information is not available to me despite my lengthy and diligent attempts to obtain the same.

The office sought by the individual listed on schedule B is located next to his name.

It should be noted that all contributors believed that their contributions were to be used exclusively for the election of County and State officials. Subsequent to the receipt of their contributions, a decision was made, without their knowledge, that contributions would be made to our two local Congressional candidates.

I appreciate your cooperation and patience in this matter. If I can be of any further assistance, please don't hesitate to call my office.

GENERAL COUNSEL'S REPORT

SUMMARY

Pursuant to the staff's report and recommendation of December 15, 1977, the Commission found reason to believe that respondent violated 2 U.S.C. §441a by making excess contributions to the Helstoski for Congress Committee and the Maguire for Congress Committee and that respondent violated 2 U.S.C. §441b by accepting contributions from corporations.

Notice to respondent was accompanied by a Commission order requesting answers to specific questions. These answers were required to be submitted within five days of receipt of the letter and order (return receipt shows a delivery date of December 24, 1977). On January 9, 1978, respondent by phone promised that the required response would be submitted by January 16, 1978. However to date there has been no response and having no other assurance of compliance with the order we are recommending the below action.

Re: MUR 357

Dear Mr. Havey:

On December 15, 1977 Commission found reason to believe that the Committee to Elect Democrats (the Committee) violated 2 U.S.C. §441b by accepting contributions from corporations, and 2 U.S.C. §441a because the Committee made contributions in excess of the permitted limits to the Committees of Federal candidates. We note that you have failed to reply to our letter of October 14, 1977 and phone call requesting clarification of entries on the Committee reports indicating receipt of corporate contributions.

Under the Act you have an opportunity to demonstrate that no action should be taken against you. Please submit any legal or factual materials which you deem relevant to the Commission's analysis of this matter. Where appropriate statements should be submitted under oath.

Please note that the Commission has issued an Order, which is attached, requiring you to answer specific questions, and that these answers must be submitted within five (5) days of your receipt of this letter and Order.

The Commission is under a duty to act expeditiously in this matter. The attorney assigned to this matter is Andrew Athy, Jr. (telephone no. 202-523-4529).

Sincerely yours,

GENERAL COUNSEL'S REPORT

EXECUTIVE SESSION

DEC 15 1977

I. SUMMARY

This matter originated in the Disclosure Division which discovered that respondent, an unregistered committee, had made a \$2,500 contribution to the Melstoski for Congress Committee in New Jersey. On Disclosure's recommendation, the Commission found reason to believe on March 22, 1977 and reasonable cause to believe on April 20, 1977 that violations of §§433 and 434 were committed. On June 15, 1977, Disclosure referred the matter to the General Counsel's office and we began conciliation negotiations.

During Disclosure's contact with respondent it had been learned that respondent made an excessive contribution to at least one other Federal candidate but no names or details were supplied. During conciliation it was revealed that the additional contribution was to the Maguire for Congress Committee in the amount of \$1,500. Respondent also registered and reported, signed a proposed conciliation agreement 1/, proffered the suggested fine of \$300, and contacted the recipient committees for refunds. Now-

1/ This included admissions of §441a violations even though no previous findings were made on this issue.

78040072572
79040120822

ever, the reports filed by respondent fail to comply with §434 in that they do not provide complete information on a number of contributors (see attachment to proposed order) and contain entries indicating that contributions were received from corporations in violation of 2 U.S.C. §441b. Respondent has failed to respond to our requests by letter and phone for additional information needed to clarify the question of corporate contributions.

II. ANALYSIS

Section 441a(a)(1)(A) of Title II provides that "no person shall make contributions to any candidate ... which exceed \$1,000." Since the respondent Committee was unregistered at the time of its contributions to Helstoski and Maguire, this individual limitation, rather than the \$5,000 limitation imposed by §441a(a)(2) on qualified multicandidate committees, should apply. Accordingly, the contributions to the Helstoski and the Maguire Committees are in violation of §441a(a)(1)(A).

Section 441b of Title II makes it unlawful for any political committee to accept any contribution from any corporation in connection with a Federal election. From the reports filed, it appears that a number of contributions to respondent may be from corporations (see attachment). In view of the Committee's failure to respond to our request to clarify the status of these contributors, the conclusion has not been dispelled that contributions were made and received in violation of §441b.

78040072573
79040120823

III. RECOMMENDATION

The Commission should find reason to believe that respondent has violated §441a and §441b and send the attached notice letter. Whereas respondent has failed to respond to our previous requests, the information sought should be requested by Commission Order (attached).

Re: MUR 357

Dear Mr. Havey:

On December , 1977 Commission found reason to believe that the Committee to Elect Democrats (the Committee) violated 2 U.S.C. §441b by accepting contributions from corporations, and 2 U.S.C. §441a because the Committee made contributions in excess of the permitted limits to the Committees of Federal candidates. We note that you have failed to reply to our letter of October 14, 1977 and phone call requesting clarification of entries on the Committee reports indicating receipt of corporate contributions.

Under the Act you have an opportunity to demonstrate that no action should be taken against you. Please submit any legal or factual materials which you deem relevant to the Commission's analysis of this matter. Where appropriate statements should be submitted under oath.

Please note that the Commission has issued an Order, which is attached, requiring you to answer specific questions, and that these answers must be submitted within five (5) days of your receipt of this letter and Order.

The Commission is under a duty to act expeditiously in this matter. The attorney assigned to this matter is Andrew Athy, Jr. (telephone no. 202-523-4529).

Sincerely yours,

William C. Oldaker
General Counsel

A. WHO MUST FILE

Any candidate for Federal Office who has not been granted a waiver or any political committee which receives contributions or makes expenditures in excess of \$1,000 in any calendar quarter during an election year (or the combined total of \$5,000 of receipts and expenditures in the case of a candidate or authorized committee in a non-election year) must file reports of receipts and expenditures on FEC FORM 3. Political committees not receiving or expending more than \$1,000 in a calendar quarter of any election year (or the combined total of \$5,000 of receipts and expenditures in the case of an authorized committee in a non-election year) may file on FEC FORM 3A except that a pre-election, a post-election and an annual report must be filed by all reporting candidates and committees on FEC FORM 3. A candidate who has authorized only a principal campaign committee and that committee has neither gross receipts nor expenditures in excess of \$50,000 per election, and it makes no independent expenditures on behalf of other candidates, can alternatively file on FEC SHORT FORM 6.

B. WHERE TO FILE

An original report and any amendments shall be filed as follows:

(Other authorized committees of such candidates shall file with the Principal Campaign Committee which shall consolidate such reports on FEC Form 3b and file the consolidation along with copies of all reports with the Clerk of the House.)

-The Principal Campaign Committee of a candidate for nomination or election to the Office of United States Senator or political committees which support *only* candidates for the Senate shall file with the Secretary of the Senate, 119 D Street, N.E., Washington, D.C. 20510. (Other authorized committees of such candidates shall file with the Principal Campaign Committee which shall consolidate such reports on FEC FORM 3b and file the consolidation along with copies of all reports with the Secretary of the Senate.)

-The Principal Campaign Committee of a candidate seeking nomination or election to the Office of President or Vice President of the United States shall file with the Federal Election Commission, 1325 K Street, N.W., Washington, D.C. 20463. -All other political committees which support candidates for Federal office shall file with the Federal Election Commission, 1325 K Street, N.W., Washington, D.C. 20463.

-A copy of this statement shall be filed with the Secretary of State (or, if there is no Secretary of State, the equivalent State officer) in the State in which nomination or election is sought. Committees which support more than one candidate for Federal office file with the Secretary of State (or equivalent) in State or other jurisdiction in which the candidate it supports seeks election in the period in which support is given.

Re: MUR 357 (77)

Dear Mr. Havey:

The Commission is in receipt of your submission which includes FEC Form 2. A review of this statement indicates that a number of the contributions listed (these are marked in the attached duplicate of your report) appear to be from corporations. As you know, 2 U.S.C. 441(b) prohibits contributions by corporations to committees supporting federal candidates. Accordingly, these entries on your reports must be clarified before the Commission can enter into a conciliation agreement.

Please contact us in this regard. The attorney assigned to this matter is Andrew Athy, Jr., telephone number (202) 523-4530.

Sincerely yours,

William C. Oldaker

STATUS REPORT

Reasonable cause to believe having been found, the staff forwarded a proposed conciliation agreement to the respondents. This agreement included admissions that respondent had violated §433 and §434 by failing to register and §441a(a)(1)(A) by making a contribution in excess of \$1,000. The respondent signed the agreement and submitted the required filings which have contributors that are apparently corporations.

The staff has requested, by letter, that these matters be clarified by the respondent and is withholding the proposed agreement until the response is received.

Conciliation Report

Summary and Prior Proceedings

78904007260050
This matter was initiated internally when the respondent, Committee to Elect Democrats, was discovered to have made a ^{\$2,500} \$1,500 contribution to the Helstoski for Congress Committee. Having never registered or reported, the Commission found reasonable cause to believe that respondent violated 2 U.S.C. §§433 and 434 and having made a contribution in excess of \$1,000, the Commission found reasonable cause to believe that respondent violated 2 U.S.C. §441a. A conciliation agreement (discussed infra) was forwarded to the respondent. The respondent has agreed to the terms set forth and has added a statement and admission with regard to an additional violation. The General Counsel is recommending that the Commission approve the proposed agreement.

Analysis

The conciliation agreement being recommended for Commission approval embodies all of the facts upon which previous Commission determinations were based. This includes agreement that the respondent Committee never registered or reported as required by 2 U.S.C. §§433 and 434 and an admission that the mentioned contribution violated §441a(a)(1)(A). Respondent has proffered the proposed fine of \$300,

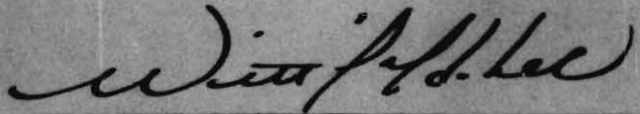

submitted the appropriate statements as required by 2 U.S.C. §§433 and 434, and requested that the excess contributions be returned by the recipient committees.

Recommendation

Adopt proposed Conciliation Agreement and close file.

Dear Mr. Athy:

Enclosed herewith are the following documents in respect to the above matter:

- (1) Original Conciliation Agreement which has been executed by me
- (2) FEC Form 1 - Statement of Organization for Committee
- (3) FEC Form 2 - Report of Receipts and Expenditures
- (4) Schedule A - Itemized Receipts
- (5) Schedule B - Itemized Expenditures

I have amended the Conciliation Agreement by adding to paragraph III an indication that a contribution was made to the Campaign Fund of Congressman Maguire in an amount exceeding \$1,000.00. Further, I have indicated on page 3 that a good faith effort will be made to recover the \$500.00 contribution in excess of the limits. In addition, I have indicated that you can consider this submittal as a termination report for this Committee. In accordance with your direction this account will now be closed and re-opened for purposes of contributions to New Jersey State and Local candidates only.

Re: Committee to Elect Democrats -
Campaign Contribution - 1976

Gentlemen:

The undersigned is Treasurer of the Committee to Elect Democrats. On or about October 26, 1976, the Committee, by check, made a contribution to your campaign fund in the amount of \$2,500.00.

Since the date of that contribution, the Committee has been advised that under appropriate Federal Law, it could only have made a contribution in the maximum amount of \$1,000.00. All monies in excess of that \$1,000.00 must be returned to the Committee Treasury.

Therefore, in order that there be complete compliance with the Federal Law it is necessary that you immediately forward a check in the amount of \$1,500.00 to Committee to Elect Democrats at the above address.

Very truly yours,

Tom Havey,

Dear Mr. Athy:

Enclosed herewith are the following documents in respect to the above matter:

- (1) Original Conciliation Agreement which has been executed by me
- (2) FEC Form 1 - Statement of Organization for Committee
- (3) FEC Form 2 - Report of Receipts and Expenditures
- (4) Schedule A - Itemized Receipts
- (5) Schedule B - Itemized Expenditures
- (6) Check in the amount of \$300.00 for payment of fine as set forth in Conciliation Agreement

I have amended the Conciliation Agreement by adding to paragraph III an indication that a contribution was made to the Campaign Fund of Congressman Maguire in an amount exceeding \$1,000.00. Further, I have indicated on page 3 that a good faith effort will be made to recover the \$500.00 contribution in excess of the limits. In addition, I have indicated that you can consider this submittal as a termination report for this Committee. In accordance with your direction this account will now be closed and re-opened for purposes of contributions to New Jersey State and Local candidates only.

INTERIM CONCILIATION REPORT

78040072654
79040120904

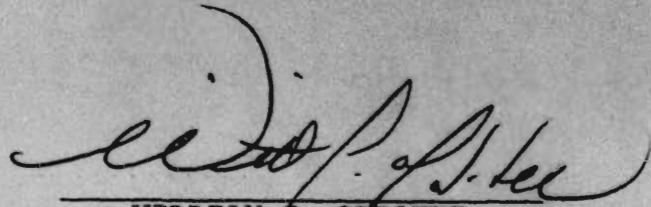

This matter developed internally and involves a group called Committee to Elect Democrats. Reports of Citizens Committee, Helstoski for Congress list the group as having made a \$2,500 contribution. However, the group has failed to register and report, thereby violating 2 U.S.C. §§433 and 434. In addition the group violated §441a(a)(1)(A) by making a contribution in excess of \$1,000. (The recipient Committee has agreed to return the excessive amount).

Appropriate notices were forwarded and received by respondent including: a surface violation letter on February 11, 1977; notice of a finding of a reason to believe on March 22, 1977; and notice of a finding of reasonable cause to believe on April 21, 1977. Respondent failed to respond to any of these notices.

By telephone the treasurer of respondent committee indicated that in behalf of the committee he would comply with §433 and §434 and would sign an appropriate conciliation agreement. Staff has drafted such an agreement, which includes admissions of a violation and payment of a fine, and will report back shortly to the Commission on its continuing negotiations with respondent.

COMMITTEE TO ELECT DEMOCRATS/NEW JERSEY

1st letter mailed 2/11/77. No response (Certified receipt received)

2nd letter mailed 3/22/77. No response (Certified receipt received)

3rd letter mailed 4/21/77. No response (Certified receipt received)

As required in the Memorandum of Understanding for Reporting Violations dated June 7, 1976, the Disclosure Division's Party-Related Team has completed the necessary steps for obtaining voluntary compliance from the COMMITTEE TO ELECT DEMOCRATS (see attached written documentation). Our attempts have proven unsuccessful, therefore, the attached referral is being forwarded to your office for followup action.

If any responses or communications are received from this committee, you will be notified immediately. Should your office make any requests from this committee or establish any new guidelines, please let us know in order for us to monitor any communication/response which may be forthcoming from the committee and to avoid placing this document on the public record.

Committee to Elect Democrats

- A first notice Surface Violation letter was mailed on 12/15/77 to the Committee to Elect Democrats, an unregistered committee, for contributing \$2,500 to the Citizens Committee, Helstoski for Congress committee on 10/28/76. (letter attached)

- In the process of reviewing the letter due to no response, a typographical error in the address of the committee was noted. Since neither the original letter nor the registered receipt card had been returned, a call was placed to the committee on 1/31/77 to discover if they had received the letter. The committee had not received the letter so a corrected first letter was mailed to the committee on 2/11/77. (letter attached)

- Information received from Thomas Havey, Treasurer of the committee, during the telephone call indicated that the committee had made an excessive contribution to at least one other Federal candidate, however, the name of the candidate was not disclosed. (telecon attached)

- The Helstoski Committee has responded to the violation and intends to return the \$1,500 excessive contribution to the Committee to Elect Democrats, however, they do not have sufficient funds. The Helstoski Committee's Year End and April 10, 1977 Reports list the \$1,500 as a debt on Schedule C. (Schedule attached)

- Due to the fact that the Committee to Elect Democrats has never responded to the 1st, 2nd, and 3rd Surface Violation notices, the Treasurer indicated that the committee has supported other Federal candidates, and the Helstoski Committee has not returned the funds, further action is necessary to obtain full disclosure of this committee's activity.

NOTE: The House team has been alerted to check New Jersey House candidates' reports for contributions from the committee.

Thomas F. Havey, Treasurer
Committee to Elect Democrats
85 Glenn Avenue
Norwood, New Jersey 07648

Dear Mr. Havey:

This letter is prompted by the Commission's interest in assisting candidates and committees to comply with the Federal Election Campaign Act, as amended. This law has, as you know, many and sometimes complex provisions. 2 U.S.C. 431(d) defines a "political committee" to mean any committee, club, association or other group of persons which receives contributions or makes expenditures in excess of \$1,000 during a calendar year for the purpose of influencing a Federal Election. Additionally, 2 U.S.C. 431(f)(3) states that transfers of funds to political committees which support Federal candidates are considered "expenditures".

Furthermore, 2 U.S.C. 441 precludes individuals and political committees, other than qualified multicandidate political committees, from making political contributions to a candidate for Federal office in excess of \$1,000 per election. The Act defines a multicandidate committee as one which has been registered with the Commission for a period of not less than six months, has received contributions from more than fifty persons; and has made contributions to five or more candidates for Federal office.

Our review of the receipts reported by a candidate committee indicates that your organization may have made a contribution in excess of \$1,000 to a committee supporting a candidate for Federal office. Therefore, it would appear that your organization qualifies as a "political committee" under the Act, subject to registration and reporting requirements as prescribed by 2 U.S.C. 433 and 434, and may also have exceeded the limit noted above.

Enclosed are relevant informational materials with regard to the Federal Election Campaign Act, including the appropriate forms for registration and reporting by political committees. Please examine these materials and submit a Statement of Organization on FEC FORM 1 within ten days of receipt of this letter. Dear Mr. Havey:

This letter is prompted by the Commission's interest in assisting candidates and committees to comply with the Federal Election Campaign Act, as amended. This law has, as you know, many and sometimes complex provisions. 2 U.S.C. 431(d) defines a "political committee" to mean any committee, club, association or other group of persons which receives contributions or makes expenditures in excess of \$1,000 during a calendar year for the purpose of influencing a Federal Election. Additionally, 2 U.S.C. 431(f)(3) states that transfers of funds to political committees which support Federal candidates are considered "expenditures".

Furthermore, 2 U.S.C. 441 precludes individuals and political committees, other than qualified multicandidate political committees, from making political contributions to a candidate for Federal office in excess of \$1,000 per election. The Act defines a multicandidate committee as one which has been registered with the Commission for a period of not less than six months, has received contributions from more than fifty persons; and has made contributions to five or more candidates for Federal office.

Our review of the receipts reported by a candidate committee indicates that your organization may have made a contribution in excess of \$1,000 to a committee supporting a candidate for Federal office. Therefore, it would appear that your organization qualifies as a "political committee" under the Act, subject to registration and reporting requirements as prescribed by 2 U.S.C. 433 and 434, and may also have exceeded the limit noted above.

Enclosed are relevant informational materials with regard to the Federal Election Campaign Act, including the appropriate forms for registration and reporting by political committees. Please examine these materials and submit a Statement of Organization on FEC FORM 1 within ten days of receipt of this letter. If, in addition, you find that the contribution made by your organization was in excess of the limits set forth in the Act, the Commission recommends that you notify the recipient and request a refund of the amount in excess of \$1,000. This return should be reported immediately by letter and should be reflected on your next report of receipts and expenditures.

RESPONSE (Circle one): LETTER TELECON PERSONAL

Mr. Havey never received our first letter re: registering as a political committee. (the letter was sent to the wrong address)
From the information he gave me on the Committee, I determined that the committee must file reports with us. Also the committee has given two excessive contributions to Federal candidates. One committee is in the process of returning the overage. (the committee does not have the money so are listing the amount as a debt on Schedule C.) He said that the committee is a party committee but not part of the regular party structure. They do not transfer money to or from the state central committee, so do not qualify for the larger contribution limitation.
I told him that I will re-send the letter and forms for him to register.

Dear Ms. Fagan:

After a complete check of the record on contributions received, it has been determined that the Citizens Committee, Helstoski for Congress will have to make a contribution refund of \$ 1500.00 to the Committee to Elect Democrats, Thomas F. Havey, Treasurer, 85 Glenn Ave. Norwood, N.J. 07648.

Because the Citizens Committee, Helstoski for Congress does not have enough money in its account at the present time, this item will be reflected in the next report as a Debt and Obligation of the Committee and will be paid as soon as funds become available.

SUBJECT: COMMITTEE TO ELECT DEMOCRATS

This committee is an unregistered committee. It gave \$2,500 to Helstoski in October. A phone call to the committee revealed that the committee supported at least one other candidate in excess of \$1,000, however, the name of the candidate was not disclosed. When reviewing reports filed by New Jersey candidates, please check for contributions from this committee. Most likely the contributions will be on 1976 reports.
