COMPLAINT

NOW COMES, Martin M. Bauman of Route 4, Saint Joseph, Missouri 64507 (hereinafter A Citizen of Missouri) to file this Complaint pursuant to 2 U.S.C. 437g(a)(1) and 11 C.F.R. 111.4 against Danner for Congress, Earl Soetaert, Treasurer of P.O. Box 143, Smithville, Missouri 64089 and Citizens for Danner, Mike Morris, Treasurer of P.O. Box 58, Kirksville, Missouri 63501.

FACTS

A citizen of Missouri, pursuant to the provisions of The Federal Election Campaign Act (Act) and the Federal Election Commission (FEC) regulations does question the close relationship of the Danner for Congress Committee and the Citizens for Danner Committee herein and states the following facts:

1. Danner for Congress is the authorized principal campaign committee for Pat Danner, candidate for the United States House of Representatives from the Sixth District of Missouri.
2. Citizens for Danner is the non-federal campaign committee for Steve Danner, State Senator in the Missouri General Assembly, 28th District.
3. Danner for Senate, is the non-federal campaign committee for Pat Danner, State Senator in the Missouri General Assembly, 12th District.
4. Steve Danner is the son of Pat Danner and the self-identified Danner for Congress "chief fundraiser." (see Exhibit C).
5. The basis for this Complaint is the following documents:

93040990668

- 93040990669
- A. Citizens for Danner Reports filed with the Missouri Secretary of State beginning December 1989 to June 20, 1992. (See Exhibit A.)
 - B. Danner for Congress quarterly Reports beginning February 21 - July 15, 1992 (See Exhibit B).
 - C. Two letters signed by State Senator Steve Danner requesting funds on behalf of his mother's federal account (Danner for Congress) written on stationary paid for by Citizens for Danner. (See Exhibit C).
 - D. Information reported as part of the filings by the Citizens for Danner reports for 1990 (See Exhibit F) and 1991 (See Exhibit E) filed with the Missouri Secretary of State.
 - E. Information reported in the Chillicothe Constitution Tribune on March 4th, 1992. (See Exhibit G).

**Excessive Contributions
And Failure To Register And Report**

1. Neither Pat Danner nor Steve Danner is a candidate for a state office in 1992. Both Pat and Steve Danner's state legislative terms extend through 1994. The fact that Pat Danner will remain a State Senator even if not elected in November is noted in Steve Danner's letter of solicitation dated March 13, 1992. (See Exhibit C).

2. Citizens for Danner, the non-federal committee of State Senator Steve Danner, reported contributing \$1,000 directly to Danner for Congress on March 31, 1992. Danner for Congress reports receipts of a contribution from Citizens for Danner II on that same date in the same amount. (See Exhibit H).

3. Citizens for Danner reported on its 40 days prior to election report (Exhibit A) that in 1992 Steve Danner received disbursements totaling \$8,343.46 for "expenses" incurred during the period January 1 to June 20, 1992. The same report indicates that in 1992 Citizens for Danner disbursed \$11,590.86 for expenditures in an off-election year to Steve Danner and Committee credit cards with the purpose stated in no more detail than "bill" and "expenses" at a time which coincides with his activities as the "chief fundraiser" for Pat Danner's campaign.

4. A review of the campaign reports of Citizens for Danner during all of election year 1990 indicates that Steve Danner was reimbursed \$16,810.32 for items listed as "expenses." (See

Exhibit F). In all of non-election year 1991, Steve Danner was reimbursed \$908.90 for "expenses.". At the present rate, Citizens for Danner will reimburse Steve Danner more for expenses in non-election year 1992 than it did in election year 1990. There is no plausible explanation for this discrepancy.

5. A review of the campaign reports of Citizens for Danner during all of election year 1990 indicates that no Visa payment were made. In 1991, the total payments to Visa or other credit cards was \$1,772.56. (See Exhibits E and F).

6. On March 4, 1992, the Chillicothe Constitution Tribune reported Doug Gray had been acting as the campaign manager for Danner for Congress since March 1992. (See Exhibit G). To date, Doug Gray, received \$2,766.50 in salary from Citizens for Danner; \$553.30 in each of the first five months of 1992. (See Exhibit A)

7. Danner for Congress reports indicate a disbursement to Doug Gray on July 1, 1992 for \$2,000 for "travel expense/labor." (See Exhibit B).

8. Citizens for Danner has made at least two in-kind contributions to Danner for Congress in the form of fundraising solicitations in addition to the \$1,000 direct contribution described in paragraph 3 above. On both solicitations, the disclaimer clearly reads, "Paid for by Citizens for Danner, Doug Gray, Treasurer." (See Exhibit C).

9. The Danner's have reported activities which suggest that they assist each other's campaigns on a regular basis. On a number of occasions, the Citizens for Danner Committee reports in-kind contributions from the Danner for Senate Committee, Pat Danner's non-federal candidate committee. During 1990, the Danner for Senate Committee loaned Citizens for Danner \$55,000. While this coordinated type of activity is perhaps permitted at the state level, this type of involvement is highly regulated at the federal level. (Exhibit I)

Failure To Report In-Kind Contributions

1. Danner for Congress has failed to report any in-kind contributions resulting from fundraising solicitations from Citizens for Danner.

Contributions Made With Impermissible Funds

1. In addition to the contribution from Citizens for Danner, Danner for Congress has reported receiving the following contributions from other political and candidate committees: (Exhibit B)

93040990670

<u>Contribution</u>	<u>Amount</u>	<u>Date</u>
Committee/Election of Jim Mathewson	\$1,000	6/15/92
Citizens for Wiggins	\$ 250	7/08/92
Dirck for Senator	\$ 500	7/05/92
Friends of Norman Merrell	\$ 500	7/08/92
	<u>\$2,250</u>	

2. Inquiry to the Federal Election Commission indicates that not one of these committees is registered with the Commission. Missouri state law permits corporate contributions to finance non-federal campaigns. The Danner for Congress reports do not indicate that these contributions from non-federal committees were made with permissible funds.

3. Citizens for Danner II, as noted on the Danner for Congress reports, has not registered with either the FEC or the Missouri Secretary of State's Campaign Reporting Division.

4. A review of the reports filed by Citizens for Danner on December 31, 1991 (July 1 - December 31, 1991) and June 25, 1992 (January 1 - June 20, 1992) indicates that the cash on hand as of January 1, 1992 was \$31,570.48. The total contributions received during the last six months of 1991 by the Danner Committee was \$36,129.67 and of that amount \$7,779.67 was received from individuals or sources clearly permissible under the Act. Under the most lenient of interpretations, the balance as of January 1, 1992 could not have contained more than \$7,779.67 in clearly permissible funds and the balance of \$23,790.81 consisted of political action committees almost entirely located in Missouri and a much smaller number of corporate contributions.

5. Review of the Citizens for Danner reports for the first five and one half months of 1992, indicates that Citizens for Danner raised only \$450.00 in additional individual contributions and an additional \$10,252.00 in potentially impermissible funds. During the interval in which these direct and in-kind contributions, including any reimbursement for Steve Danner's activities as "chief fundraiser," were made it is likely impermissible funds were used.

Omission of Disclaimers on Direct Mailings

1. Steve Danner has sent at least two letters seeking support for Danner for Congress. (See Exhibit C). The letters do not have the disclaimers required for direct mailings. Although the letters state that the letters were paid for by Citizens for Danner, the letters do not indicate whether they were authorized by Danner for Congress.

93040990671

Reporting Irregularities

1. Danner for Congress has listed an expenditure to Visa for \$735.28 for the purpose of "monthly statement" and has not itemized the individual Visa charges as memo entries.

PRAYER FOR RELIEF

Therefore, a Citizen of Missouri respectfully requests, that the Federal Election Commission investigate the above facts and make the following conclusions as appropriate:

(1) Citizens for Danner has made and Danner for Congress has accepted in-kind contributions which in their aggregate exceed the \$1,000 per election limit established in 2 U.S.C. 441a(a)(1), 11 C.F.R. 110.1(b)(1);

(2) Citizens for Danner has failed to register as a political committee and to report expenditures in violation of 2 U.S.C. 433(a), 11 C.F.R. 102.1(d) and 2 U.S.C. 434(a), 11 C.F.R. 104.1(a);

(3) Danner for Congress has failed to report in-kind contributions from Citizens for Danner in violation of 2 U.S.C. 434(a), 11 C.F.R. 104.1(a).

(4) Danner for Congress has failed to use appropriate disclaimer language on fundraising appeals indicating their authorization in violation of 2 U.S.C. 441d, 11 C.F.R. 110.11(a);

5. Danner for Congress has failed to itemize credit card expenditures by purpose in violation of 2 U.S.C. 435(b), 11 C.F.R. 104.3(b).

(6) The source of funds used by the Citizens for Danner committee to make the contribution of \$1,000 to Danner for Congress on March 31, 1992.

(7) The source of funds used by all other non-federal committees listed above to determine whether they are permissible under Federal law.

A Citizen of Missouri further requests that the Federal Election Commission assess all appropriate penalties for said violation of the above provisions in accordance with 2 U.S.C. 437g(a)(5)(A).

93040990672

The above statements are true and correct to the best of my knowledge, information and belief.

Respectfully submitted,

Martin Bauer

Dear [Redacted]

Many thanks to everyone who has responded to the Danner for Congress fundraiser on June 25. I look forward to seeing you there.

I realize most of the state PAC committees are not organized to permit contributions under federal election laws. However, most of them have appropriate PACs in Washington.

During session many of you approached me telling me that you, as well as many of the independent clients you represent, would like to make individual donations to mother's campaign. Thus, I appreciate your efforts to contact all of your clients throughout the state, who have been supporters over these many years, for their personal help.

Thanks in advance for making this event a tremendous success.

Warmest personal regards.

Sincerely,

Steve

Dear [Redacted]

This is going to be another exciting election year for the Danners! By now, I am sure you know that recently mother announced her intention to seek the 6th District Congressional seat. The Congressional race is one which she has been interested in for many years. As you are aware, she served the late Congressman Jerry Litton as his District Assistant and later held a Presidential appointment during the Carter Administration.

My responsibility in this race is that of chief fundraiser. We estimate that the campaign will require approximately \$300,000 for the primary and general elections. We expect Tom Coleman to have as much money in this race as he wants. Our needs are not to outspend him, but to raise the money necessary to get our message to the people.

To do this, we need your help, not only on the state level, but also to make contact with your national organizations on our behalf. We would very much appreciate it if you would talk with your Washington colleagues and provide us names of the individuals you suggest we contact.

When most candidates enter races and send this kind of letter asking for assistance, it is a win/lose situation. If they do not win, they are out of office. However, we hope it will be of benefit to you and your Washington contacts to know that Senator Pat Danner is in her off-term. We believe that mother will be victorious and that victory will enable us to be in a position to be of assistance to you on both the federal and the state level.

Again, thank you for your personal friendship throughout the years. We look forward to working with you on this and many other future endeavors.

Sincerely,

Steve Danner

Gray Withdraws From 7th District Race

March 4

Doug Gray, Brookfield Democrat who filed as a candidate for the Missouri House of Representatives in the 7th District, has withdrawn to become campaign manager for State Sen. Mrs. Pat Danner in her race against Rep. Tom Coleman for the Sixth District Congressional seat.

"I made a commitment to the Danners in 1990 which I plan to honor," Gray explained. Earlier in the year when he became a candidate, Gray continued, the Danners had made no decision to enter the race for Congress.

"My goal is to get good people elected to office, and in 1992, I can do this best by serving as Pat Danner's campaign manager, Gray said. He was Steve Danner's manager in his successful 1990 state Senate campaign.

Gray said he appreciated the support people have shown him during his brief try for office. He said he will be returning all campaign contributions and personally contact those who have offered to help in his campaign.

Gray endorsed Katie Bradley, Carrollton, who filed on the Democratic ticket after he withdrew Tuesday.

The district, which includes Brookfield, Jefferson and Parson Creek townships in Linn County, is presently served by Dale Whiteside, Chillicothe Republican, who has filed for re-election.

State Sen. Steve Danner,

Kirkville Democrat, said he would run in 1994 for the Senate seat his mother plans to vacate.

The Danners are the only mother-son combination in the United States serving in the same state legislative chamber, according to the National Conference of State Legislatures.

"One of the things we'll miss will be serving together

(Continued on Page 7)

Gray Withdraws

(Continued From Page 1)

Mrs. Danner was an administrative aide to the late U.S. Rep. Jerry Litton, who held the congressional seat she seeks until his death in a 1976 plane crash.

Litton died while flying to a campaign party in Kansas City to celebrate his first-place finish for the Democratic nomination for U.S. Senate.

Mrs. Danner would not have been up for re-election to the Missouri Senate until 1994, and does not have to give up her seat to run for Congress.

Still, 38-year-old Steve Danner said, "I expect mother to win the congressional race."

That would allow him to run for Mrs. Danner's 12th District seat. Steve Danner's present northern Missouri district, the 28th, has been changed by reapportionment.

Most of the 28th District's counties were shifted in the Senate as a mother and son, and as fellow senators," Pat Danner said in an interview after announcing her congressional candidacy in suburban Kansas City, St. Joseph, Boonville and Jefferson City.

"Steve is not only a senator I enjoy serving with, he's also my roommate," Mrs. Danner added with a laugh.

Mrs. Danner, 58, is the fourth Democrat to file for the congressional nomination. Other Democratic candidates are state Reps. John Kauffman of Excelsior and Sandra Reeves of Kansas City, and Jeff Bailey of Kansas City.

The incumbent Republican Tom Coleman, has filed for re-election in the primaries to be held by both parties on Aug. 4. First elected in 1976, Coleman narrowly won re-election against an unknown Democratic challenger in 1990.

Mrs. Danner said Coleman hasn't done enough to help the region's economy, which she said is "in a shambles."

"There's a great deal of distress throughout the Sixth District," Mrs. Danner

westward into Pat Danner's District, which after 1994 will be comprised of Carroll, Daviess, Harrison, Grundy, Livingston, Mercer, Linn, Sullivan and Putnam counties.

Steve Danner formerly represented Livingston County in the Missouri House. His current county of residence, Adair, was moved eastward into another Senate district. Meanwhile, the number of District 28 was transferred to the Ozarks.

Amid the moves, the Danners said they decided it was time to try a one-two punch of their own.

Steve Danner said he also considered running for the congressional seat.

"Mother has seniority," he said with a smile.

4. Doug Gray was an employee of Citizens for Danner (Steve Danner's state committee) through May 15, 1992, the last day of the legislative session of the Missouri Senate in 1992. Mr. Gray accepted the position of campaign manager for Danner for Congress on June 1, 1992, and began receiving a salary from Danner for Congress as of that date.

5. Complainant is a supporter and former campaign worker of E. Thomas Coleman, Republican candidate for Congress in Missouri's 6th District. His motive is clearly to distract and embarrass the Danner campaign in furtherance of which he has held several press conferences to air these charges, most of which he knew have no basis in fact.

6. The items complained of herein by the Republican campaign worker all occurred in a Democratic primary hotly contested by several candidates, none of whom joined in the complaint.

7. Danner for Congress stands willing cooperate with the Federal Elections Commission in fully disclosing all relevant information and resolving any questions concerning proper compliance and disclosure of its campaign activities.

SPECIFIC COMPLAINTS

In response to the specific complaints herein Respondent states as follows:

Excessive Contributions

1. The theory Complainant appears to use to assert a violation is that the expenditures of State Sen. Steve Danner's non-federal committee, Citizens for Danner, should be considered expenditures on behalf of Pat Danner's Federal campaign committee, Danner for Congress, and therefore in excess of the contribution limit of \$1000 for the primary election.

2. Steve Danner was elected to the Missouri State Senate in 1990 defeating an incumbent in the general election. Since that time he has continued to travel extensively in his large district and throughout the state for political activities. He has incurred substantial expenses which may be appropriately paid for by Citizens for Danner under Missouri law.

3. As stated in the Answer of Steve Danner filed herein, the expenses of Steve Danner reimbursed by Citizens for Danner were for expenses incurred in 1990 and 1991 which are supported by detailed documentation. In fact, the reimbursement occurred even at this time solely because Sen. Steve Danner was required to obtain reimbursement of outstanding expenses as a result of a court order to settle certain personal affairs.

4. The payments to Doug Gray were for his services as an employee of Citizens for Danner through May 15, 1992. Mr. Gray did not take his salaried position as Campaign Manager of Danner for Congress until June 1, 1992. The newspaper article cited by

93040990757

9 3 0 4 0 9 9 0 7 5 8

Complainant ["Exhibit G" to the Complaint] does not state that Mr. Gray became campaign manager for Danner for Congress in March, 1992. The subject of the article is that Mr. Gray is withdrawing as a candidate for State Representative in a local district. It includes the comment that "Gray will serve as State Senator Pat Danner's Campaign Manager." [emphasis added] This certainly does not establish that Mr. Gray became a paid employee of Danner for Congress in March, 1992. However, even if Mr. Gray was working for Danner for Congress, there is certainly no limitation on him also working for and being compensated by someone else, whether it be a law firm, a political consulting firm, Citizens for Danner, or anyone else.

In-Kind Contributions

1. The Complaint alleges that two fundraising letters written and mailed by Steve Danner constitute in-kind contributions which were not reported by Citizens for Danner. Immediately upon learning that it had failed to report the cost of stationery and postage for two mailings which had not yet been billed or paid by the Committee, the Committee determined a fair value for the cost of stationery and postage due Steve Danner to be not more than \$321.75, which amount it reimbursed to Steve Danner and reported in an Amended Report filed with the Federal Election Commission on September 3, 1992. Since the amount has been reimbursed, it does not constitute an in-kind contribution and the Amended Report properly reflects the expenditure. The omission on the original report has been corrected promptly, the amount is de minimis, and there was never any attempt to deceive

anyone concerning the fundraising letters which were public knowledge and clearly identified.

Contributions Made with Impermissible Funds

1. Danner for Congress has been advised by each of the Committees cited by Complainant indicating that the contribution to Danner for Congress was obtained from sources permissible under the Federal Election Campaign Act. Reports on file with the Missouri Secretary of State indicate that each such committee had sufficient contributions from permissible sources to make the contributions to Danner for Congress.

2. Citizens for Danner II is merely a checking account designation for the segregated funds of Citizens for Danner, the Missouri campaign committee of State Senator Steve Danner. Citizens for Danner has made a practice of segregating those contributions which are permissible sources for contributions to federal candidates and has made contributions from this fund to various candidates. The segregated account had sufficient funds to make the \$1000 contribution to Danner for Congress during the primary election. This issue is more fully discussed in the Answer of Steve Danner.

3. As appears above in the Answer to the complaint on Excessive Contributions and in the Answer of Steve Danner filed herein, the expenditures for travel and expenses of State Sen. Steve Danner were proper expenses for reimbursement by his state campaign committee and were not for the benefit of Danner for Congress, and therefore, need not come from permissible federal sources.

93040990759

Omission of Disclaimers

The disclaimer is required only for mailings to the general public. A letter personally addressed from one individual to another does not require the disclaimer under the Federal Election Campaign Act. Respondent also believes that all such mailings included a printed campaign brochure which does include the disclaimer. The disclaimer, if required, need not be on each page or piece of material within one letter; if it appears on any item within the letter, that is sufficient.

Reporting Irregularities

Danner for Congress admits that the original report filed indicated an expenditure of \$735.28 for a payment to "Visa", but contained no memorandum entry for the one item charged thereon which exceeded \$200.00 through the neglect of the person preparing the report. The Amended Report filed September 3, 1992, contains the memorandum entry supplying this omission, a charge of \$522.29 at Days Inn, Crystal City, Va., on 7/1/92. This omission is technical and was done without intent to deceive and no advantage could be obtained under these facts by the omission.

Wherefore, Danner for Congress prays that the complaint be dismissed since the only valid complaints are technical reporting errors, involve insignificant amounts and were corrected by an Amended Report filed September 3, 1992, immediately after the omissions were brought to the attention of Danner for Congress. All other questions raised by Complainant are without basis in

ANSWER

COMES NOW, Steve Danner, a resident of Missouri's 9th Congressional District, P. O. Box 584, Kirksville, Missouri 63501, and for Respondent, Citizens for Danner, answer to this complaint states as follows:

1. That Steve Danner is a duly elected State Senator of the 28th District, State of Missouri, elected November, 1990.
2. That said Senatorial District comprises twelve (12) counties in North Central Missouri. Ten (10) of said counties being in the 6th Congressional District and two (2) counties, including the home of Senator Danner, being in the 9th Congressional District.
3. That Steve Danner is the son of Pat Danner, State Senator of the 12th District of Missouri, all of which is located within the boundaries of the 6th Congressional District. Pat Danner was duly elected to the State Senate in 1982.
4. Citizens for Danner (hereinafter referred to as "Citizens") is a state political committee established to support Steve Danner as State Senator. Citizens is regulated by the laws of the State of Missouri. Citizens has filed appropriate committee disclosure reports as required under Missouri law.

RECEIVED
FEDERAL ELECTION COMMISSION
OFFICE

9304090762

5. Citizens is one committee but has two bank accounts, one which is for designation purposes is called Citizens One, the second for designation purposes is Citizens Two. Missouri law permits a committee to have more than one bank account.

6. Citizens has established bank accounts Citizens One and Citizens Two for the express purpose of segregating checks received by the Citizens for Danner Committee. Corporate and business checks are designated to be deposited in Citizens One bank account. Individual contributions are placed in bank account number two. This makes it easier for the committee to comply with federal law and allow Federal Election Commission authorities to see that monies designated for federal candidates by Citizens meets the requirements of federal law. Citizens expressly intends to see that all such contributions are appropriately deposited and easily documented.

7. Citizens uses a VISA card accounting system because of the accuracy and detail of the VISA payments, which allows Missouri officials and in this case federal officials to audit reimbursed expenses in detail from the VISA card billing so that there is absolutely no question that Citizens is complying with all pertinent statutory and regulatory requirements.

8. The facts as alleged by Plaintiff are substantially incorrect, specifically but not limited to paragraph three of page two of said complaint. Said paragraph states that expenses of 1992 paid to Steve Danner were incurred during the period of January 1 through June 20, 1992. These expenses were only paid during that period. The expenses were incurred in the years 1990

93040990763

and 1991 and do not coincide with any activities nor are they related to any activities Respondent has been engaged in as a part of the Danner for Congress Campaign. These bills are results of expenses previously incurred by Steve Danner personally in the year 1990 and 1991.

9. The campaign expenditures as set forth in Exhibit "A" which have been questioned in the complaint are easily explained. The expenses paid for during the period of January 1, 1992 through April personally to Steve Danner are expenses which were incurred in the years 1990 and 1991. The expenditures are for personal expenses of the candidate which the committee has detailed documentation. These expenses were paid out at this particular time pursuant to a Court Order relating to a dissolution of marriage which required Steve Danner to withdraw from Citizens accounts all money due to him.

10. Plaintiff's paragraph four is merely speculative in nature in that all of the expenses for which the Respondent was reimbursed are fully documented and all incurred prior to Pat Danner's Congressional Election Campaign. Citizens is a continuing committee which consistently files appropriate expenditures and financial reports with the Missouri Secretary of State's Office as required by Missouri Law. Citizens is an active committee supporting not only its own organization and activities but those of many other candidates on the state level.

11. Plaintiff's paragraph six is incorrect. The March 4, 1992, Chillicothe Constitution Tribune does not report that Doug Gray had been acting as campaign manager for Danner for Congress

93040990764

since March 1992. The article is based on Mr. Gray's withdrawal as a candidate himself in a Missouri Legislative race. The paper only reports that "Gray will serve as State Senator Pat Danner's Campaign Manager." The facts of the matter are that Mr. Gray ended his service as an employee of Citizens for Danner on May 15, 1992, the last day of the Missouri legislative session ended. Mr. Gray received no further payments from Citizens after that date. Mr. Gray then accepted the position of manager of Danner for Congress on June 1, 1992.

12. Citizens has been very diligent in its efforts to comply with every requirement of the law.

A. Two separate bank accounts were established to make it very clear how funds flowed into each account and how they were dispersed.

B. VISA payments were used so that detailed billings might be readily available from one source to corroborate the proper purposes of the expenditures.

C. Upon being made aware of failure to report the in-kind contributions several months earlier, Citizens filed a timely statement reporting the reimbursement from the Danner for Congress Committee for the expenditure made as required by law. The Danner for Congress Committee, upon receiving knowledge of the failure to report, immediately contacted the Federal Election Commission to ascertain how to correctly amend its report, which was done in accordance with a phone conversation with the officials at the Federal Election Commission.

13. Although Citizens has contributed to Danner for

93040990765

Congress, Steve Danner has not exceeded his personal contribution limit.

14. Citizens is registered as a State Political Committee and the source of funds used by Citizens to make a contribution to the Danner for Congress Committee is proper and acceptable under federal law.

15. The complaint on its face make allegations and requests relief under the guise of federal law for matters that are strictly within the jurisdictional scope of the State of Missouri, particularly as related to the campaign reports for Citizens during the election years of 1990, 1991 and 1992, and therefore should be dismissed.

16. Citizens has complied with all State Regulations of its activity and maintains in its offices complete and detailed expenditures made on behalf of the committee. Citizens will gladly provide such documentation of state records as required by the commission, however, such records include gas receipts, food, lodging, supplies and stamp receipts and consists of several boxes of documents kept in storage by the campaign.

17. All other allegations made against the Respondent are solely related to Respondent's State Committee. Respondent is not a federal candidate and is not even a state candidate in 1992.

18. Citizens further denies the facts as stated by Plaintiff are accurate, and further Citizens denies each and every other allegations as set forth.

19. Plaintiff is a former employee and campaign worker,

93040990766

9 3 0 4 0 9 9 0 7 6 7

closely associated with the campaign of E. Thomas Coleman, Republican candidate for Congress 6th District. Plaintiff's only desire is to probe and embarrass for partisan political purposes the campaign committee of an elected state official who is not involved in any federal race or state race. Furthermore, Plaintiff has made several public appearances holding press conferences in an effort to publicize his complaints for blatant political purposes. Respondent therefore requests that Plaintiff's time and efforts be ordered reported as an in-kind contribution to the Citizens for Coleman Committee.

20. Respondent is most anxious to cooperate with the Federal Election Commission and where any mistake in calculation or reporting has been made Citizens has done everything within its power to make the proper corrections.

WHEREFORE, Respondent respectfully requests the Federal Election Commission dismiss the complaint as set forth herein.

SUPPLEMENTAL ANSWER
