Complainant,

J. Weldon Granger

Respondent,

COMPLAINT

MUR 3857

94 JUN 21 PM 4:31

RECEIVED
FEDERAL ELECTION COMMISSION
WASHINGTON, D.C.

COMPLAINT OF CENTER FOR RESPONSIVE POLITICS

1. This complaint charges that the respondent has violated the Federal Election Campaign Act, 2 U.S.C. § 431 et seq., as amended ("FECA"), by making aggregate contributions in excess of the limits permitted by the FECA.

PARTIES

2. The complainant, the Center for Responsive Politics, is a nonprofit, nonpartisan research group incorporated in the State of Iowa and headquartered in Washington, D.C., that studies Congress and related issues. Founded in 1983, it was designed to research matters concerning the organization and operation of Congress as an institution and to examine potential reforms that could improve both its internal operation and its responsiveness to the American public. The patterns of contributions of money to federal candidates has been one of its chief areas of study.

3. The respondent is an individual contributor to various candidates and political committees.

APPLICABLE STATUTES AND REGULATIONS

4. The FECA limits contributions by any one individual to an aggregate total of \$25,000 per calendar year. Contributions to a candidate or the candidate's authorized committee made in a year other than the calendar year of the election with respect to which the contribution is made are considered to be made during the calendar year in which such election is held. 2 U.S.C. § 441a(a)(3); 11 C.F.R. § 110.5.

GROUND FOR COMPLAINT

5. According to FEC records, respondent J. Weldon Granger made contributions subject to FECA in the amounts and to the persons identified in the list attached to this complaint as Exhibit 1. Attached as Exhibit 2 are copies of the FEC records for each contribution listed in Exhibit 1. All exhibits reflect the records on file at the FEC as of December 15, 1993.

6. On information and belief, respondent J. Weldon Granger made contributions attributed to the 1992 calendar year in the amount of \$35,075. These contributions exceeded by \$10,075 the \$25,000 contribution limit imposed by the FECA and Commission regulations on all contributions by any individual in a calendar year.

RELIEF

7. The Center for Responsive Politics respectfully urges the Commission to conduct a prompt and thorough investigation into the allegations in this Complaint, and to declare that the Respondent has violated the FECA and Commission regulations.

Respectfully submitted,

Ellen S. Miller

Dear Ms. McEnery:

This is to confirm our telephone conversation on February 14, 1994, in which we discussed the date that J. Waldon Granger's response in *Center for Responsive Politics v. J. Waldon Granger*, MUR 3857, is due. As I stated, Mr. Granger has asked me to represent him in this matter. Mr. Granger has faxed or will fax to you his Statement of Designation of Counsel form designating me as counsel.

I called you to clarify when Mr. Granger's response is due. As I stated, I was concerned because there is no way you could know when he received the complaint and therefore I was uncertain which day you believed the response is due. I wanted to make certain you did not believe the due date was earlier and that Mr. Granger might be prejudiced. I explained that Mr. Granger received the complaint on February 4, 1994. Fifteen days after that is February 19, a Saturday. The following Monday, February 21, is Washington-Lincoln Day, and I presume you are closed. His response therefore is due on February 22.

You said that it would be fine to file a response on his behalf on February 22, provided that Mr. Granger states in the response that he received the complaint on February 4. You also said that we could send you his Statement of Designation of Counsel form by facsimile.

Re: MUR 3857

Dear Ms. McEnery:

Attached please find an executed Statement of Designation of Counsel to be entered in this matter. Also, please accept this communication as our response to the Complaint.

Mr. Granger admits making and issuing the checks set forth in Exhibit 1 to the Complaint. It was, however, his belief that contributions to generic campaign committees were not included in the \$25,000.00 aggregate limit. Thus, the \$15,625.00 in contributions to the Democratic Senatorial Campaign Committee on 9/28/92, 10/29/92 and 11/30/92 were not believed to be included in the aggregate limit.

In order to amicably resolve this matter, Mr. Granger would be interest in discussing entering into a conciliation agreement with the Commission.

Thank you for your attention to this matter, and I look forward to discussing a conciliation agreement with you at your earliest convenience.

Sincerely yours,

J. Mark Kressenberg

RE: MUR 3857

Dear Ms. Taksar:

This is in response to your letter dated February 15, 1994, received by Friends of Bob Graham Committee on February 18, 1994.

The information provided to you by the Center for Responsive Politics is inaccurate. It was obtained from the original FEC report filed by Senator Graham for the period July 1, 1991-December 31, 1991.

Enclosed is correspondence relating to the filing of an amended report dated August 28, 1992. Also enclosed is page 261 of 264 relating to the contribution by J. Weldon Granger. Mr. Granger only contributed \$1500 to Senator Graham's 1996 campaign.

Please contact us if you have any additional questions.

Dear Ms. Sheppard:

Please forgive the delay of this response. However, there was a mechanical problem with the campaign computer which caused many contributions to be duplicated, etc. I believe the necessary corrections have been made and the above referenced report has been amended and is enclosed herewith.

This amended report should correct all of the contributions questioned by your letter. Robert A. Lindsay's contribution on 12/19/86 was attributed to the 1986 debt retirement. Therefore, that contribution would not be counted in the 1992 contributions.

Judith O. Rubin, 911 Park Avenue, Apt. 14A, New York, NY (contribution date 7/23/91) is a different contributor than Judith Rubin, Four Fox Court, Oyster Bay Cove, NY (contribution date 7/30/90).

A refund of \$3000 has been made to District 2 MEBA since the combination of contributions from MEBA and District 2 puts them over the contribution limit. This refund was made on July 20, 1992.

Please contact us if you have further questions regarding this report.

Sincerely,

Robin Gibson

Reference: Year End Report (7/1/91-12/31/91)

Dear Ms. Gibson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. No individual or political committee other than a qualified multicandidate committee may make contributions to a candidate for federal office in excess of \$1,000 per election. Additionally, a multicandidate committee may not make a contribution to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441(a) and (f); 11 CFR §110.1(b) and (e))

Schedule A of your 1986 30 Day Post-General Report discloses contributions received after the 1986 General Election which are designated for the general election. These contributions may be accepted by you only to the extent that you have outstanding net debts remaining from the general election. (11 CFR §110.1(b)(3)(i)) If the contribution accepted by you exceeds the amount of outstanding debt remaining from the general election, you should seek redesignation or reattribution of the contribution, in writing, to the 1992 Primary Election.

Please note that contributions designated in writing by the contributor for a particular election must be attributed to that election. Contributions not

95043663981

designated in writing by the contributor will be considered made for the next election for that Federal Office (1992 Primary Election) (11 CFR §110.1(b)(2)(i) and (ii)).

If the contribution(s) in question was incompletely or incorrectly reported, you should amend your original report with the clarifying information. If the contribution(s) you received exceeds the limit, you should either refund to the donor(s) the amount in excess of \$1,000 or \$5,000 per election or get the donor(s) to redesignate or reattribute the contribution(s) in writing. The Commission should be notified if a refund is necessary. Refunds are reported on Line 20 of the Detailed Summary Page and on Schedule B of the report covering the period in which the refund is made. Redesignations or reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation or reattribution is received. (11 CFR §104.8(d)(2) and (4))

Although the Commission may take further legal steps, prompt action by you to refund or seek redesignation or reattribution of the excessive amount(s) will be taken into consideration.

Review of the last two reports required to be filed indicates that your committee has accepted contributions in excess of the limitations established by Section 441(a) of the Federal Election Campaign Act. It is recommended that your procedures for screening contributions be examined and adjustments made to remedy this problem.

-The aggregate year-to-date totals for certain entries on your report indicate there were additional contributions that should have been itemized. When contributions from an individual reach \$200 for a calendar year, each subsequent contribution from that individual must be itemized regardless of the amount. Additionally, each contribution from a political committee must be itemized regardless of the amount. Please amend your report to correct the discrepancy for the aggregate totals for: Joseph P. Adams.

-Please provide a Schedule A to support the in-kind contribution reported on Schedule B for Line 17 of the Detailed Summary Page. All in-kind contributions from individuals, which in the aggregate exceed \$200, should be itemized on Schedule A and Schedule B and included on Lines 11(a)(i) and 17 of the Detailed Summary Page.

95043663982

-Schedule B supporting Line 20(a) discloses a refund to Kelaher & Wieland. However, it appears that the receipt of this contribution has not been reported by your committee. Please clarify this matter and amend your reports.

-Line 17, Column A, of the Detailed Summary Page discloses \$154,344.79 in operating expenditures. The total on the last page of Schedule B supporting this Line equals \$154,344.79; however, the sum of all entries itemized equals \$152,344.79. Please explain this discrepancy and amend your report(s).

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

GENERAL COUNSEL'S MONTHLY REPORT

I. INTRODUCTION

This report is the General Counsel's Report to recommend that the Commission no longer pursue the identified lower priority and stale cases under the Enforcement Priority System.

II. CASES RECOMMENDED FOR CLOSING

A. Cases Not Warranting Further Pursuit Relative to Other Cases Pending Before the Commission

A critical component of the Priority System is identifying those pending cases that do not warrant the further expenditure of resources. Each incoming matter is evaluated using Commission-approved criteria and cases that, based on their rating, do not warrant pursuit relative to other pending cases are placed in this category. By closing such cases, the Commission is able to use its limited resources to focus on more important cases.

Having evaluated incoming matters, this Office has identified 10 cases which do not warrant further pursuit relative to the other pending cases.¹ A short description of each case and the factors leading to assignment of a relatively low priority and consequent recommendation not to pursue each

case is attached to this report. See Attachments 1-11. As the Commission requested, this Office has attached the responses to the complaints for the externally-generated matters and the referral for the internally-generated matter following the narrative. See Attachments 1-11.

B. Stale Cases

Investigations are severely impeded and require relatively more resources when the activity and evidence are old. Consequently, the Office of General Counsel recommends that the Commission focus its efforts on cases involving more recent activity. Such efforts will also generate more impact on the current electoral process and are a more efficient allocation of our limited resources. To this end, this Office has identified 34 cases that

do not warrant further investment of significant Commission resources.² Since the recommendation not to pursue the identified cases is based on staleness, this Office has not prepared separate narratives for these cases. As the Commission requested, in matters in which the Commission has made no

findings, the responses to the complaints for the externally-generated matters and the referrals for the internally-generated matters are attached to the report. See Attachments 16-45. For cases in which the Commission has already made findings and for which each Commissioner's office has an existing file, this Office has attached the most recent General Counsel's Report. See Attachments 12-15.

This Office recommends that the Commission exercise its prosecutorial discretion and no longer pursue the cases listed below effective June 26, 1995. By closing the cases effective June 26, 1995, CED and the Legal Review Team will respectively have the additional time necessary for preparing the closing letters and the case files for the public record for these cases.

RE: MUR 3857

Dear Ms. Miller:

On January 21, 1994, the Federal Election Commission received your complaint alleging certain violations of the Federal Election Campaign Act of 1971, as amended ("the Act").

After considering the circumstances of this matter, the Commission exercised its prosecutorial discretion to take no action in the matter. This case was evaluated objectively relative to other matters on the Commission's docket. In light of the information on the record, the relative significance of the case, and the amount of time that has elapsed, the Commission determined to close its file in this matter on July 5, 1995. This matter will become part of the public record within 30 days.

The Act allows a complainant to seek judicial review of the Commission's dismissal of this action. See 2 U.S.C. § 437g(a)(8).

Sincerely,

Mary L. Taksar
