Dear Messrs. Kolsun and Phillips:

This is in response to your letter dated December 29, 1994, regarding an advertisement appearing in the November 5, 1994, edition of the Elkins Inter-Mountain.

Based upon a preliminary review of your letter, it is unclear as to which advertisement in the Elkins Inter-Mountain is the subject of your complaint. Two advertisements concerning Senator Byrd appeared in the enclosure with your letter. One advertisement states that it is paid for by the Randolph County Democratic Executive Committee, and the other advertisement states that it is paid for by the approximate 200 individuals named in the ad. Please clarify which advertisement is the subject of your complaint.

In addition, the Federal Election Campaign Act of 1971, as amended ("the Act") and Commission Regulations require that the contents of a complaint meet certain specific requirements. One of these requirements is that a complaint be sworn to and signed in the presence of a notary public and notarized. Although your letter contained a notarization on your signatures, it was not sworn to.

In order to file a legally sufficient complaint, all complainants must swear before a notary that the contents of the complaint are true to the best of their knowledge and the notary must represent as part of the jurat that such swearing occurred. The preferred form is "Subscribed and sworn to before me on this _____ day of _____, 199_." In addition, please note that the address of each complainant must appear on the complaint.

We regret the inconvenience that these requirements may cause you, but we are not statutorily empowered to proceed with the handling of a compliance action unless all the statutory requirements are fulfilled. See 2 U.S.C. § 437g.

Enclosed is a Commission brochure entitled "Filing a Complaint." I hope this material will be helpful to you should you wish to file a legally sufficient complaint with the Commission.

Please note that this matter will remain confidential for a 15 day period to allow you to correct the defects in your complaint. If the complaint is corrected and refiled within the 15 day period, the respondents will be so informed and provided a copy of the corrected complaint. The respondents will then have an additional 15 days to respond to the complaint on the merits. If the complaint is not corrected, the file will be closed and no additional notification will be provided to the respondents.

If you have any questions concerning this matter, please contact Maura Callaway at (202) 219-3690.

IF YOU'RE OVER 45, YOU SHOULD HAVE A PROSTATE EXAM TODAY

Prostate cancer is the most common cancer among men in the United States. It is a disease that can be treated if it is found early. A prostate exam is a simple test that can help detect prostate cancer. It is recommended that all men over the age of 45 have a prostate exam. The exam is a quick and painless procedure. It involves a doctor feeling the prostate gland through the rectum. The doctor is looking for any abnormalities in size, shape, or texture. If there are any abnormalities, the doctor may recommend further testing, such as a PSA test or a biopsy. A PSA test is a blood test that measures the level of prostate-specific antigen (PSA) in the blood. A biopsy is a procedure in which a small sample of tissue is taken from the prostate gland and examined under a microscope. If prostate cancer is found, there are several treatment options available. These include surgery, radiation therapy, and hormone therapy. The best treatment option for each man depends on the stage of the cancer and his overall health. It is important to talk to your doctor about the risks and benefits of each treatment option. Early detection and treatment can help improve the outcome for men with prostate cancer.

Re: MUR 4179

To Whom It May Concern:

I wish to respond to your letter dated February 1, 1995, in regard to a complaint filed by Bruce A. Kolsun and Robert G. Phillips, both of Elkins, of possible violation of the Federal Election Campaign Act of 1971. This confirms my telephone conversation today with Mr. Morrison.

I am not the Martha Roy listed in the campaign ad which appeared in the Elkins Inter-Mountain of November 5, 1994. The ad indicated Randolph County supporters; I reside in Barbour County. I use my full name of Martha Rose Roy. Therefore, I believe no action should be taken against me in this matter.

If additional information is needed, please feel free to contact me at the above address.

Sincerely yours,

Martha Rose Roy

To Whom It May Concern:

This letter is in response to your letter dated January 18, 1995, regarding my complaint on an advertisement which was said to be unclear. This complaint is concerning the political advertisement that was not filed with the Federal Election Commission. The ad states that it is paid for by the approximate 200 individuals named in the ad. The ad was for the re-election of Senator Byrd. This ad was in the November 5, 1994, Saturday paper of the Elkins Inter-Mountain.

As of December 19, 1994 the Public Records Office of the Federal Election Commission told me that there was no Independent Expenditure Report File for this ad.

I hope that I have all the necessary information needed, please let me know the results of my complaint

The lawsuit, filed in federal court in Washington, D.C., seeks to force the state to fund the county's schools. The board's motion is based on the fact that the county is a "unitary school district" and therefore is not eligible for state funding under the state constitution.

To Whom It May Concern:

This letter is in response to your letter of February 1, 1995 which accuses me of a Federal violation regarding MUR 4179. An enclosed copy of an Ad which ran in the November 5, 1994 Saturday paper of the Elkins Inter-Mountain contained a list of names of supporters for Senator Byrd's re-election. Of those names a Beverly Johnson was included. I, Beverly LYNN Johnson, have no knowledge of ever signing any documents supporting his campaign.

Upon observation of the list of names, I noticed that several women and men of the same last name were together. A Quinton Johnson was listed beneath Beverly Johnson. A proper investigation would assure that the correct Beverly Johnson stands accused. I do find the whole matter very disturbing since I never endorsed any such support for the senator nor was I ever approached by a campaign official or responded to any mail correspondence regarding the matter.

As I do stand accused, I would like to know how my address was connected to the name on the list since there are no addresses shown on the list. Also, I would like to see my signature on the legal document that I supposedly signed which states that I am an avid supporter of the Senators re-election.

Sorey guys but you're hounding the wrong person. Please check out names and addresses properly before the accusations.

Unhappy West Virginian,
Beverly LYNN Johnson

P.S. There is an actress/model with the SAME NAME as mine — check her out or any of the hundreds of other Beverly Johnsons in the United States. Thorough investigation for proper identifications would eliminate such audacities. Wo, The American People, have enough worries. I will be looking forward to your response to the above request of the address and name correlation and my signature.

RE: MUR 4179

Dear Ms. Taksar,

I'm writing to you in reference to the above matter. I wish to explain the ad in the Elkins Inter-Mountain. I donated \$5.00 (five dollars) to say thank you to Senator Robert Byrd for all the things he has accomplished for West Virginia. I contacted Delegate Joe Martin after receiving your letter, he told me that the correct forms had been filed with your office.

If anything further is needed please contact me.

RE: MUR 4179

Dear Ms. Taksar:

By the time you read this, I believe you will know that the complaint filed by Mr. Kolsun and Mr. Phillips was bordering on frivolous. As I understand it, proper papers were filed for the advertisement in question, but the file was lost or misplaced and has since been found. In any event, I was asked for \$5 to place a notice in the paper thanking Senator Byrd for his contributions to West Virginia. While I thought the notice would have a political impact because of the timing, I did not know it would a direct appeal to his reelection.

While I understand you must respond to complaints if they seem legitimate, I am very upset with the petty Republican Power-rangers who think they are preserving justice in the streets of Elkins. Unfortunately they were not vigilant enough to get my correct address, so your letter went to the Victor Thacker who lived at 206 Maple Avenue, in Philippi, WV. That Victor Thacker died in 1977, and his 86 year old widow received the expensive 14-page packet you sent. It scared her. The official seal, a complaint alleging a broken law, a form to designate a counsel for defense, all combined to give her considerable anxiety. Even when I, her son, assured her the packet was meant for me, it continued to concern her because that generation worries a lot about lawsuits and the taint to a family name. I believe Kolsun and Phillips owe her an apology.

If you have further questions about this unfortunate incident, please contact me at the above address or call (304) 636-1900 Ext 315.

Sincerely,

Victor L. Thacker, Ph.D.

Dear Ms. Taksar:

MUR 4179 refers.

The below statement is a factual statement by myself in regards to the referenced complaint.

"I was approached in a restaurant at Valley Bend, WV to participate in an ad honoring Senator Robert C. Byrd. My contribution to the ad was \$5.00. The purpose of the ad was to honor Senator Byrd as he was scheduled to speak at the opening of a 4-lane (Corridor H) highway between Buckhannon & Elkins, WV."

I see, nor meant no harm in contributing to this ad to honor our Senator.

I don't believe any action should be taken against me in regards to this ad.

Re: MUR 4179

Dear Ms. Taksar;

It was with some anxiety that I read your letter of February 1. However, as I surveyed the evidence of my "offense", anxiety gave way to whimsy. As is evidenced by my letterhead, I am a funeral director in Philippi, West Virginia. In an occupation where reputation is very important, I have always taken care to be perceived as "apolitical", voting my conscience and keeping my political philosophy to my self. I have never allowed the placement of signs supporting a particular candidate to be placed in my yard or on my vehicles, nor have I ever signed off on any advertising in support of a particular candidate. I am, however, one of three Gary Schoonover's listed in the area phone directory; the other two being residents of Randolph County. Since the only other names I recognize in the advertisement in question are residents of Randolph County, I would surmise that the Gary Schoonover listed in that advertisement is also a resident of Randolph County. I assume that since there were only three possible "targets" listed in the immediate area, all three have received a similar letter from your office. Therefore, to close this matter positively, I have prepared and signed the following statement and had the same notarized.

I, Gary Eugene Schoonover, a resident of 387 South Main Street, Philippi, Barbour County, West Virginia, do hereby affirm that I am NOT the Gary Schoonover listed among the supporters of an advertisement placed in the Saturday, November 5, 1994 edition of The Inter-Mountain newspaper in support of the reelection of Senator Robert C. Byrd and that I have no knowledge of the same whatsoever.

I have made it my practice to vote in every election from the time I turned eighteen. I am now thirty eight years old. In that time I have never contributed to a politician. Try to imagine my surprise when I received your mailings. It amazes me you can pull a name from a voter's registration and accuse them of violating a Federal Act. That is the best argument I've heard to date for not bothering to register and vote.

I do not know how my name got in that advertisement. I've never read The Inter Mountain before. There are Dyets in Elkins but I don't know of a Jack Dyet. I live north of Fairmont W.V. roughly a two hour drive to Elkins W.V. I would hope I don't have to incur legal fees to protect myself from this accusation.

Re: MUR 4179

Dear Sir or Madam:

I am writing you in the capacity of counsel to William W. Minsker for the purpose of responding to your letter to him of February 1, 1995, wherein he was advised that he may have violated the Federal Election Campaign Act of 1971, as amended, based on a complaint filed with your agency by Bruce A. Kolsun and Robert G. Philips. Enclosed, you will find the Statement of Designation of Counsel confirming my designation as counsel for Mr. Minsker.

Mr. Minsker's factual account of matters relevant hereto in response to the complaint filed is set forth, as recommended in your letter to him, in the form of an affidavit, made under oath, which you will also find enclosed.

It is Mr. Minsker's express desire that this matter remain confidential as provided for under the provisions of governing law.

If, after reviewing this response to your initial notification of a possible violation, you believe that further investigation is warranted, please be further advised that Mr. Minsker is prepared to be fully cooperative and would desire to explore the possibility of conciliation. Otherwise we would respectfully request that all allegations and complaint made as to Mr. Minsker be dismissed and that evidence of such dismissal be communicated to us accordingly.

You will learn from a reading of Mr. Minsker's affidavit that, as to the advertisement in question, he was merely asked by another member of the community if he would agree to allow his name to be included among a group of community leaders on an advertisement in behalf of the re-election effort of Senator Robert C. Byrd of West Virginia. Mr. Minsker did nothing further. He did not help design the ad, compose the copy, cause it to be published, nor pay any sum

of money toward the cost of any part of the same. Mr. Minsker was not part of any political action committee in relation thereto.

We would respectfully request that your office advise Mr. Minsker as to the precise section of the Federal Election Campaign Act of 1971, as amended, that he is alleged to have possibly violated. For one that is most highly thought of in his community, such as Mr. Minsker, it is most troublesome to be accused of any possible illegality, and to be informed without specificity as to the provision of law that is in issue compounds the personal anguish further.

Nothing herein shall be construed as an admission against the interest of Mr. William W. Minsker. It is the purpose hereof to be candid and cooperative with your office in the resolution of MUR 4179 in an expedient manner.

Please direct all future correspondence in this matter to the undersigned at the above stated address. Thank you for your time and attention hereto. I shall look forward to your response.

AFFIDAVIT

**State of West Virginia
County of Kanawha, To-Wit:**

The undersigned, William W. Minsker, being first duly sworn, upon his oath does respectfully represent and state as follows:

That he has received a communication from Mary L. Taskar, Attorney, Central Enforcement Docket, Federal Election Commission, dated February 1, 1995, wherein he has been advised that he may be in violation of the Federal Election Campaign Act of 1971, as amended, pursuant to a complaint made by Bruce A. Kolsun and Robert G. Philips, alleging that a political advertisement supporting the candidacy of United States Senator Robert C. Byrd in the 1994 West Virginia general election and appearing in the Saturday, November 6, 1994 edition of The Inter Mountain newspaper, was not filed with the Public Records Office of the Federal Election Commission and, further, that there was no Independent Expenditure Report filed for said advertisement.

That he makes this affidavit in response to such communication and in accord with the instructions therein contained that such response be made under oath:

That as to the advertisement in question, a copy of which was appended to the communication above referenced, he had no involvement with the publication of the advertisement, he did not pay for publication or any part of the publication thereof nor in any way contribute to the cost of publication thereof, did not assume any role of authority or responsibility in connection therewith and had no involvement in the solicitation of other individuals whose names appear on such advertisement as supporters of United States Senator Robert C. Byrd;

That his only connection with said advertisement was to consent, in his individual capacity and not as part of any political action or campaign committee organized for such purposes and required to make reports to the Federal Election Commission, to the inclusion of his name to be printed in the text of said advertisement as one, among many, that endorsed the re-election effort of said Senator Byrd;

That, to the extent his limited participation in the matters in issue in MUR 4179 of the Federal Election Commission are actionable under the Federal Election Campaigns Act of 1971, as amended, his limited participation therein was without actual knowledge of or willful intent to violate said act.

Further, Affiant sayeth not. Witness the following signature as of this the 13th day of February, 1995.

re: # MUR 4179

Dear Mr. Morrison:

This letter will confirm my phone call during which I expressed
my confusion re: the above matter.

Being a registered Republican I do not contribute to other
parties. However, I was asked to help pay for a "Thank you" ad
for something Sen. Byrd had done for West Virginia. I felt
it was a simple thing to do, as Sen. Byrd has done several
good things for us.

Now, I find that I, along with several other people, are being
questioned concerning my \$5. Further, I am told the
paycheck has been paid. I am surprised that
such a small \$5 ad caused so much trouble. I'm also
concerned as to the amt of time and money that was
spent by the US Government in this matter.

Anyway, I trust it is all settled.

Dear Mr. Morrison:

I understand that questions have been raised about an independent expenditure, an advertisement placed in the Inter-Mountain, a newspaper published in Elkins, West Virginia.

The full-page ad ran in early November, 1994. The ad carried the names of 150+ people, including my own, and urged the re-election of Robert C. Byrd to the United States Senate.

I organized the effort to place the ad and to raise the money to pay for it. The people named in the ad made checks payable to the newspaper. The vast majority of the checks were for five (\$5.00) dollars, though in the case of families or small groups of friends some amounts were slightly larger. All contributions were less than two hundred (\$200.00) dollars.

Before the ad was placed, I spoke with a Ms. Kathlene Martin in your Information Office about what rules applied, and I spoke with her a second time as I prepared the Report of Independent Expenditures. The report was completed and notarized on 17 November 1994 and mailed on the same day.

In reviewing the documents supplied to me, it appears the basis of the complaint is that a Report of Independent Expenditures was not filed in a timely manner.

The complaint is baseless. The report was mailed on 17 November 1994, received by you on 21 November 1994 -- well within the 30 day period allowed for such filings. It appears as though the report was misplaced in your offices.

I spoke with your Ms. Beth Bernardo on 7 February 1995, asking her for a copy of the report I had filed. She told me that the report could not be found. Later that day she called back and left the message that the report had been found. On 8 February 1995, she faxed to me a copy of the report along with an FEC Form 70-2 indicating when the report had been postmarked, when it was received and initialed by your preparer.

I have enclosed a copy of the documents Ms. Bernardo faxed to me. I believe these documents speak for themselves and are sufficient to demonstrate that the filing was made timely and that the complaint should be dismissed.

Given that the FEC's misplacement of the report is at least partly responsible for this complaint having been filed, I would hope that a speedy resolution of this complaint can be achieved. I would also hope that the other people who were contacted concerning M.U.R. 4179 receive notification of its disposition in an expeditious manner. Should it be necessary for me to consent to this communication, I hereby do so.

I hope this letter satisfactorily puts to rest any concerns the Federal Election Commission may have regarding M.U.R. 4179.

Very truly yours,

Mary Taksar:

This letter is in response to the letter I recently received from your office accusing me of having a part in your MUR case #4179. I have no idea what this is about or what it pertains to, but I do know that the name on the document is not even mine. I have made two separate phone calls to your office and was informed it write this letter. I really do not know why I have to do all this work, or put up with all this hassle. It is obviously a mistake made by your office. Did your people just pick a name that was close to the one on the list and start harassing them? I do not even know how you got this address. It is my college address and is not on my drivers license or anything. I also want to know if I will get reimbursed for my two telephone calls to you, one at 7:55 pm. Monday, the 6th of February, when I left a message on the answering machine, and one at 10:15 am. Tuesday, 7th of February. Please contact me as soon as possible for my reimbursement.

GENERAL COUNSEL'S REPORT

SENSITIVE

I. INTRODUCTION

This report is the General Counsel's Report to recommend that the Commission no longer pursue the identified lower priority and stale cases under the Enforcement Priority System.

II. CASES RECOMMENDED FOR CLOSING

A. Cases Not Warranting Further Pursuit Relative to Other Cases Pending Before the Commission

A critical component of the Priority System is identifying those pending cases that do not warrant the further expenditure of resources. Each incoming matter is evaluated using Commission-approved criteria and cases that, based on their rating, do not warrant pursuit relative to other pending cases are placed in this category. By closing such cases, the Commission is able to use its limited resources to focus on more important cases.

Having evaluated incoming matters, this Office has identified 34 cases which do not warrant further pursuit relative to the other pending cases.¹ A short description of

1. These matters are: PM 309 (Attachment 1); RAD 95L-12 (Attachment 2); MUR 4118 (Attachment 3); MUR 4119 (Attachment 4); MUR 4120 (Attachment 5); MUR 4122 (Attachment 6); MUR 4123 (Attachment 7); MUR 4124 (Attachment 8); MUR 4125 (Attachment 9); MUR 4126 (Attachment 10); MUR 4130 (Attachment 11); MUR 4133 (Attachment 12); MUR 4134 (Attachment 13); MUR 4135 (Attachment 14); MUR 4136 (Attachment 15); MUR 4137

95043695156

each case and the factors leading to assignment of a relatively low priority and consequent recommendation not to pursue each case is attached to this report. See Attachments 1-34. As the Commission requested, this Office has attached the responses to the complaints for the externally-generated matters and the referral for the matter referred by the Reports Analysis Division because this information was not previously circulated to the Commission. See Attachments 1-34.

B. Stale Cases

Investigations are severely impeded and require relatively more resources when the activity and evidence are old. Consequently, the Office of General Counsel recommends that the Commission focus its efforts on cases involving more recent activity. Such efforts will also generate more impact on the current electoral process and are a more efficient allocation of our limited resources. To this end, this Office has identified 11 cases that

do not

warrant further investment of significant Commission resources.² Since the recommendation not to pursue the identified cases is based on staleness, this Office has not prepared separate narratives for these cases. As the Commission requested, in matters in which the Commission has made no findings, the responses to the complaints for the externally-generated matters and the referrals for the internally-generated matters are attached to the report because this information was not previously circulated to the Commission. See Attachments 35-45. For cases in which the Commission has already made findings and for which each Commissioner's office has an existing file, this Office has attached the most recent General Counsel's Report.

This Office recommends that the Commission exercise its prosecutorial discretion and no longer pursue the cases listed below effective October 16, 1995. By closing the cases effective October 16, 1995, CED and the Legal Review Team will respectively have the additional time necessary for preparing the closing letters and the case files for the public record.

2. These matters are: PM 250 (Attachment 35); PM 272 (Attachment 36); MUR 3188 (Attachment 37); MUR 3554 (Attachment 38); MUR 3623 (Attachment 39); MUR 3988 (Attachment 40); MUR 3996 (Attachment 41); MUR 4001 (Attachment 42); MUR 4007 (Attachment 43); MUR 4007 (Attachment 43); MUR 4008 (Attachment 44); and MUR 4018 (Attachment 45).

On January 30, 1995, the Federal Election Commission received your complaint alleging certain violations of the Federal Election Campaign Act of 1971, as amended ("the Act").

After considering the circumstances of this matter, the Commission has determined to exercise its prosecutorial discretion and to take no action against the respondents. See attached narrative. DELEGATE JOE MARTIN

Bruce A. Kolsun and Robert G. Phillips filed a complaint alleging that an independent expenditure report for an advertisement placed in The Inter-Mountain newspaper was not filed with the Commission.

Delegate Joe Martin responds that he organized the effort to place the advertisement in the The Inter-Mountain. Mr. Martin indicates that the individuals named in the advertisement made checks payable to the newspaper in the amount of \$5 or a slightly larger amount. Mr. Martin states that he filed an independent expenditure report with the Commission approximately seventeen days after the advertisement was placed and well within the 30 day period allowed for such filings. Several individuals responded that they had contributed \$5 towards an advertisement thanking Senator Byrd.

It appears that this matter arose as a result of confusion regarding whether or not the independent expenditure report had been filed with the Commission. The report had in fact been filed in a timely manner; however, at the time the complainants made an inquiry regarding the report, they were mistakenly told that a report had not been filed.

MUR 4179

DELEGATE JOE MARTIN

Bruce A. Kolsun and Robert G. Phillips filed a complaint alleging that an independent expenditure report for an advertisement placed in The Inter-Mountain newspaper was not filed with the Commission.

Delegate Joe Martin responds that he organized the effort to place the advertisement in the The Inter-Mountain. Mr. Martin indicates that the individuals named in the advertisement made checks payable to the newspaper in the amount of \$5 or a slightly larger amount. Mr. Martin states that he filed an independent expenditure report with the Commission approximately seventeen days after the advertisement was placed and well within the 30 day period allowed for such filings. Several individuals responded that they had contributed \$5 towards an advertisement thanking Senator Byrd.

It appears that this matter arose as a result of confusion regarding whether or not the independent expenditure report had been filed with the Commission. The report had in fact been filed in a timely manner; however, at the time the complainants made an inquiry regarding the report, they were mistakenly told that a report had not been filed.

RE: MUR 4179

Dear Mr. Lefkowitz:

On February 8, 1995, the Federal Election Commission notified you of a complaint alleging certain violations of the Federal Election Campaign Act of 1971, as amended. A copy of the complaint was enclosed with that notification.

After considering the circumstances of this matter, the Commission has determined to exercise its prosecutorial discretion and to take no action against you. See attached narrative. Accordingly, the Commission closed its file in this matter on October 17, 1995.

The confidentiality provisions of 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record prior to receipt of your additional materials, any permissible submissions will be added to the public record when received.

DELEGATE JOE MARTIN

Bruce A. Kolsun and Robert G. Phillips filed a complaint alleging that an independent expenditure report for an advertisement placed in The Inter-Mountain newspaper was not filed with the Commission.

Delegate Joe Martin responds that he organized the effort to place the advertisement in the The Inter-Mountain. Mr. Martin indicates that the individuals named in the advertisement made checks payable to the newspaper in the amount of \$5 or a slightly larger amount. Mr. Martin states that he filed an independent expenditure report with the Commission approximately seventeen days after the advertisement was placed and well within the 30 day period allowed for such filings. Several individuals responded that they had contributed \$5 towards an advertisement thanking Senator Byrd.

It appears that this matter arose as a result of confusion regarding whether or not the independent expenditure report had been filed with the Commission. The report had in fact been filed in a timely manner; however, at the time the complainants made an inquiry regarding the report, they were mistakenly told that a report had not been filed.
