Re: National Policy Forum -- Federal Election Commission -- MUR4250 Subpoena

Dear Mr. Rodriguez:

This letter confirms our telephone conversation earlier this week during which you accorded NPF a twenty-day extension to September 18, 1997 within which to respond to the subpoena directed to NPF by the Commission. During our conversation, we also discussed the situation pertaining to John Bolton, the former president of NPF. As you know, we do not represent Mr. Bolton in connection with this matter and it is our understanding that matters relating to the subpoena addressed to him will be addressed between the Commission and Mr. Bolton personally.

Should you have any questions, please let me know.

Sincerely,

Thomas E. Wilson
