MUR 4262  
COMPLAINT

**SENSITIVE**

COMPLAINT OF THE CENTER FOR RESPONSIVE POLITICS

1. This complaint charges that respondents National Republican Senatorial Committee ("NRSC") and the Oregon Republican Party, Senator Phil Gramm, Senator Robert Packwood, and the Re-elect Packwood Campaign Committee ("Campaign Committee") used non-federal funds, transferred from the NRSC to the Oregon Republican Party with the intent of furthering the re-election of Senator Packwood, in violation of the Federal Election Campaign Act, 2 U.S.C. § 431 et seq., as amended ("FECA" or the "Act").

PARTIES

2. Complainant Center for Responsive Politics ("Center") is a nonprofit, nonpartisan research organization incorporated in the State of Iowa and headquartered in Washington, D.C. that studies the role that money plays in Federal elections. Founded in 1983, the Center was designed to study Congress and examine potential reforms that could improve both its internal operation and its responsiveness to the American public.

3. Respondent NRSC is a national political committee that has made

97043791298

expenditures to or on behalf of Senator Robert Packwood or the Re-elect Packwood Campaign Committee.

4. Respondent Oregon Republican Party is a State political committee that has made expenditures to or on behalf of Senator Robert Packwood or the Re-elect Packwood Campaign Committee.

5. Respondent Packwood is a Senator in the United States Senate, representing the state of Oregon.

6. Respondent Campaign Committee is the principle campaign committee for Senator Packwood's 1992 re-election campaign.

7. Respondent Gramm is a Senator in the United States Senate, representing the state of Texas. In 1992, Senator Gramm was the Chair of the NRSC.

#### APPLICABLE STATUTES AND REGULATIONS

8. The FECA provides that the national committee of a political party and a State committee of a political party may make expenditures in connection with the general election campaign of candidates for Federal office, subject to the limitations contained in paragraph (3) of § 441a(d) of the FECA. 2 U.S.C. § 441a(d)(1); 11 C.F.R. 110.7.

9. Money given or spent to influence Federal Elections is subject to the contribution, expenditure and reporting requirements of the FECA applicable to Federal elections. 2 U.S.C § 431 et seq. *See, Buckley v. Valeo*, 424 U.S. 1 (1976).

10. Any expenditure in connection with the general election campaign of a candidate for Federal office made by the national or state committee of a political party may not exceed, in the case of a candidate for election to the office of Senator, 2 cents multiplied by the voting age population of the State plus a cost of living adjustment. 2 U.S.C. § 441(a)(d)(3); 11 C.F.R. 110.7. According to an FEC press release dated February 28, 1992, the 1992 spending

limit for Oregon was \$120,091.76.

11. Under the FECA, any purchase, payment, distribution, loan, advance, deposit, or gift of money or anything of value, made by any person for the purpose of influencing any federal election constitutes an "expenditure." 2 U.S.C § 431(9)(A); 11 C.F.R. 100.8(a).

12. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for Federal office. 2 U.S.C. § 431(8)(A); 11 C.F.R. 100.7(a).

13. The FECA requires political committees to file reports with the FEC accurately reporting their receipts and disbursements. 2 U.S.C. § 434; 11 C.F.R. § 104.3.

14. The FECA prohibits candidates and political committees from knowingly accepting any contributions in violation of the limits of the Act. 2 U.S.C. § 441a(f); 11 C.F.R. 110.9(a).

#### GROUND S FOR COMPLAINT

15. Attached as Exhibit 1 is an excerpt, dated March 6, 1992, from Senator Packwood's diaries, as well as the comments of the Senate Select Committee on Ethics ("Ethics Committee") as reprinted in Appendix C of the Summary of the Counsel's Report Regarding Documents Related to the Investigation of Senator Robert Packwood (Sept. 7, 1995) ("Appendix C") in which Senator Packwood recounted a conversation he had with a Senator, subsequently identified as Senator Gramm. The diary stated that Senator Gramm,

again promised \$100,000 for Party-building activities. And what was said in that room would be enough to convict all of us of something. He says, now, of course you know there can't be any legal connection between this money and Senator Packwood, but we know that it will be used for his benefit. Appendix C at 123.

16. Regarding the March 6, 1992, entry, the Ethics Committee states that it,

indicates that [Senator Gramm], with Senator Packwood's knowledge, had agreed to direct \$100,000 from a Republican Party Committee to be used to benefit Senator Packwood's campaign, and had discussed this with Senator Packwood...This entry raises questions about the possible violation of campaign finance laws. Appendix C at 123.

17. Attached as Exhibit 2 is the May 20, 1992 Report of Receipts and Disbursements for Other Than an Authorized Committee submitted by the NRSC, and on file at the FEC as of September 12, 1995. Exhibit 2 shows that the NRSC made the following transfer from its non-federal account to the Oregon Republican Party:

4/24/92	\$24,000
---------	----------

18. Attached as Exhibit 3 is the June 20, 1992 Report of Receipts and Disbursements for Other Than an Authorized Committee submitted by the NRSC, and on file at the FEC as of September 12, 1995. Exhibit 3 shows that the NRSC made the following transfers from its non-federal account to the Oregon Republican Party:

5/20/92	\$10,000
5/11/92	\$15,000
5/7/92	\$10,000

19. Attached as Exhibit 4 is the July 20, 1992 Report of Receipts and Disbursements for Other Than an Authorized Committee submitted by the NRSC, and on file at the FEC as of September 12, 1995. Exhibit 4 shows that the NRSC made the following transfer from its non-federal account to the Oregon Republican Party:

6/16/92	\$15,500
---------	----------

20. Attached as Exhibit 5 is the August 20, 1992 Report of Receipts and

Disbursements for Other Than an Authorized Committee submitted by the NRSC, and on file at the FEC as of September 12, 1995. Exhibit 5 shows that the NRSC made the following transfers from its non-federal account to the Oregon Republican Party:

7/27/92	\$11,000
7/9/92	\$11,000

21. Upon information and belief, transfers from the NRSC non-federal account to the Oregon Republican party for the period of April to July, 1992, totaled \$96,500.

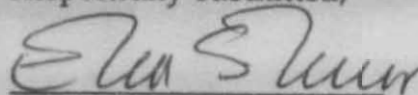

22. Upon information and belief, the funds totaling \$96,500 were intended to be expended, per the March 6, 1992 conversation between Senators Packwood and Gramm, to influence Senator Packwood's re-election campaign, and as such were subject to the provisions of the FECA. The funds were non-federal funds that did not comply with the requirements of FECA applicable to contributions and expenditures in federal races. The use of such funds to influence Senator Packwood's re-election campaign therefore violated the applicable provisions of the FECA.

#### RELIEF

23. The Center respectfully urges the Commission to conduct a prompt and thorough investigation into the allegations in this Complaint, and to declare that the Respondents have violated the FECA, and to impose penalties for each violation. Finally, the Center urges the Commission to investigate whether the violations described above were knowing and willful so as to mandate enhanced penalties.

Respectfully submitted,

AUDIOTAPE	CORMACK TRANSCRIPT
March 6, 1992	
<p>I introduced [Senator X], who was the speaker that night, and he was excellent. No notes. Good humor. <u>He says, you know, the Republicans have got a nutrition program. It's help you get a job and have money in your pocket so you can go to the grocery store and buy food. That is our nutrition program.</u> He finished, and I and Elaine and [Senator X] - - and the guy travelling with [Senator X], met for just 10 or 15 minutes. <u>[Senator X] again promised \$100,000 for Party-building activities. And what was said in that room would be enough to convict us all of something. He says, now, of course you know there can't be any legal connection between this money and Senator Packwood, but we know that it will be used for his benefit.</u> <u>said, oh, yes. God, there's Elaine and I sitting there. I think that's a felony, I'm not sure. This is an area of the law I don't want to know.</u> [Senator X] left. Elaine and I headed back to the motel.</p>	<p>I introduced [Senator X] who was the speaker that night and he was excellent. No notes. Good humor. He finished and and I and Elaine and [Senator X] - - and the guy traveling with [Senator X] met for just ten or fifteen minutes. <u>There was the usual argument - I suppose a more polite word for it would be discussion - of how much money the National Committee or Senatorial Committee or any committee was going to give the state party. I remember those arguments all my life. When I was county chairman it was how much was the state going to give the county. The lesser unit always wants the greater unit to give them money of some kind. Well, anyway, the discussion ended in a draw.</u> [Senator X] left and Elaine and I headed back to the motel.</p>

The deleted passage indicates that another Senator, with Senator Packwood's knowledge, had agreed to direct \$100,000 from a Republican Party Committee to be used to benefit Senator Packwood's campaign, and had discussed this with Senator Packwood in a meeting with Elaine Franklin and another person. This entry raises questions about the possible violation of campaign finance laws. Substituted in its place is an innocuous passage discussing campaign funding.

Senator Packwood testified that he deleted the information from the audiotape, and substituted the information that appears on the Cormack transcript. He stated that the entry on the audiotape was an instance where he did not want to embarrass a fellow Senator, and in fact the entry was wrong:

This is no crime. Party building activities are perfectly legal and the Senatorial committee gives money to the party if the party puts up money for the Senate candidate. It cannot just be a passthrough where they give them 100 and they pass it on.

When he realized that the entry was wrong, Senator Packwood decided that it was not something he would want out in the press. He testified that he substituted the material that appears on the Cormack transcript just to fill up the tape.

Senator Packwood testified that the part of the diary entry reading "But he says now of course there can't be any legal connection between this money and Senator Packwood" is an example of a conversation that never occurred, because the other Senator would not have said that. Those were his [Senator Packwood's]

Dear Mr. Engle:

This is in response to your letter dated October 2, 1995, requesting an extension of until October 27, 1995, to respond to the complaint.

Re: MUR 4258; MUR 4262

Dear Ms. Smith:

As we discussed by telephone today, I represent the Oregon Republican Party with respect to the two above-referenced complaints. I am requesting an extension of time to file a response to the complaints. Specifically, I am requesting that the Federal Election Commission grant an extension of time to October 27, 1995.

The complaints were received by the Oregon Republican Party on either September 25 or September 26, 1995 (uncertain which date). The allegations in the complaint concern matters that occurred in 1992. Since that time, a new Chairman, Executive Director, Treasurer and legal counsel for the Oregon Republican Party have been elected or appointed, and locating persons with actual knowledge of the alleged events has been difficult and time consuming. Granting an extension to file the response will enable the Oregon Republican Party to more fully address the allegations contained in both complaints.

In our telephone conversation you indicated that you would inform me by telephone of the Commission's decision regarding our request prior to the 15-day deadline for filing our response. When attempting to contact me, please use the direct dial telephone number above, so that you may leave a voice-mail message for me in the event that I am not available.

RESPONSE OF RESPONDENT  
OREGON REPUBLICAN PARTY

RECEIVED  
FEDERAL ELECTION  
COMMISSION  
OFFICE OF GENERAL  
COUNSEL  
OCT 26 11:24 AM '95

RESPONSE OF RESPONDENT OREGON REPUBLICAN PARTY

1. INTRODUCTION

This response is submitted on behalf of the Oregon Republican Party ("Respondent") and Barton Delacy as Treasurer, in reply to the Complaint filed on September 15, 1995, by the Center for Responsive Politics and designated Matter Under Review 4262. For the reasons stated herein, the Federal Election Commission (the "Commission") should either dismiss the complaint as having already been thoroughly considered and conciliated by the Commission and Respondent in MUR 3524, or find no reason to believe that Respondent violated any provision of the Federal Election Campaign Act, 2 U.S.C. § 431 et seq. (the "Act").

2. THE COMPLAINT

The Complaint alleges "on information and belief" that the National Republican Senatorial Committee ("NRSC") and the Oregon Republican Party ("Respondent"), Senator Phil Gramm, Senator Robert Packwood and the Re-elect Packwood Campaign Committee violated the Act by using non-federal funds, transferred from the NRSC to the Respondent, in violation of the Act.

The allegations in the Complaint concern matters investigated by the Federal Election Commission (the "Commission") pursuant to a previously filed complaint, reference number MUR 3524, filed on May 15, 1992 by the Democratic Senatorial Campaign Committee ("DSCC"). Respondent disputed the allegations contained in MUR 3254. Nevertheless, Respondent elected to enter into a conciliation agreement with the Commission (the "Conciliation Agreement") disposing of MUR 3254. A copy of the Conciliation Agreement is attached as Exhibit 1. The terms of the Conciliation

9704379135C

97043791351  
Agreement were publicly announced by the DSCC through a press release dated September 28, 1993. A copy of the press release is attached as Exhibit 2.

3. POSITION OF RESPONDENT

In 1992, the NRSC transferred a total of \$96,500 to Respondent for "party building" purposes. As indicated in the attached affidavit of Craig Berkman, and notwithstanding any entries that Senator Packwood may have made in his personal diaries, all amounts received by Respondent from the NRSC during this period were deposited into Respondent's "state" (i.e. non-federal) bank account. The funds were not commingled with the funds contained in Respondent's "federal" bank account, and were never intended to be used for any purpose other than permissible "party building" activities. The attached affidavit of Craig Berkman also outlines all of the expenditures from Respondent's non-federal account during the period at issue. No expenditures were intended or, except as noted below, actually made in connection with Senator Packwood's reelection campaign or in connection with any other federal election.

As previously stipulated in the Conciliation Agreement, a technical violation did inadvertently occur with regard to funds from Respondent's "state" bank account being used in connection with Senator Packwood's reelection campaign. The Conciliation Agreement, at page 5, states that:

"The Oregon Republican Party pre-paid Robeson Marketing Communications \$43,334.00 for the remaining fees and expenses for the newspaper ad [attacking potential Democratic Party nominee Les AuCoin] and for all fees and expenses relating to the radio ads. When the actual bill came to more than \$45,000, Robeson drew upon funds previously paid to it from the Oregon Republican Party's non-federal account for payment of the balance of approximately \$1,670."

The violation described above occurred when Robeson Marketing Communications, without Respondent's consent, applied funds previously paid from Respondent's "state" bank account.

Respondent has paid in full a civil penalty of \$10,000 in connection with the violation, and others noted in the Conciliation Agreement, and has fully complied with all other terms of the Conciliation Agreement. Exhibit 3 attached hereto is a copy of a transmittal letter and accompanying enclosures to the letter (consisting of FEC Forms 3X amended as required under the

97043791352

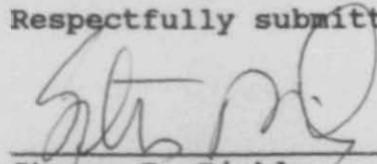

Conciliation Agreement and other changes resulting from Respondent's review and reconciliation of its financial records) that was sent by certified mail by Respondent to the Commission and the Oregon Secretary of State on October 22, 1993. Copies of canceled U.S. Postal Service receipts for certified mail for this letter are also included in Exhibit 3. Page 2 of the letter includes an "explanation" of the changes incorporated in the amended reports, and includes the above amounts erroneously applied by Robeson Marketing Communications.

The violation of the Act noted above has already been thoroughly considered and conciliated by the Commission, and Respondent has satisfied all of its obligations under the Conciliation Agreement.

4. RELIEF

Respondent respectfully urges the Commission to dismiss the Complaint as having already been thoroughly considered and conciliated by the Commission, or alternatively find no reason to believe that Respondent violated any provision of the Federal Election Campaign Act, 2 U.S.C. § 431 et seq. (the "Act").

Respectfully submitted,

CONCILIATION AGREEMENT

97043791354  
This matter was initiated by a signed, sworn, and notarized complaint by the Democratic Senatorial Campaign Committee. The Federal Election Commission ("Commission") found reason to believe that the Oregon Republican Party and its then-treasurer, Bert Farrish, violated 2 U.S.C. §§ 434(b)(3)(A), 434(b)(6)(B)(iv) and 441b(a); and 11 C.F.R. § 102.5(a)(1)(i).

NOW, THEREFORE, the Commission and the Oregon Republican Party and its current treasurer, Craig C. Brenton ("Respondents"), having participated in informal methods of conciliation, prior to findings of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C. § 437g(a)(4)(A)(i).

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

1. The Oregon Republican Party is a State committee within the meaning of 2 U.S.C. § 431(15).

-i-

2. Craig C. Brenton is the treasurer of the Oregon Republican Party. Neither Craig C. Brenton nor any other current officer of the Oregon Republican Party was an officer of the Party at the time the events which are the subject of this agreement took place.

3. Senator Robert Packwood was the presumptive candidate of the Oregon Republican Party for the 1992 Oregon general election for the U.S. Senate at the time of the events in this matter.

4. At the time of the events in this matter, Representative Les AuCoin and businessman Harry Lonsdale were running in the Democratic primary election to be that party's U.S. Senate candidate in the 1992 Oregon general election.

5. Robeson Marketing Communications is an unincorporated business which provided services relating to the production and placement of the newspaper and radio ads which are the subject of this matter.

6. Pursuant to 2 U.S.C. § 441e(d)(3), a State committee of a political party may not make any expenditure in connection with the general election campaign of any candidate for the office of Senator who is affiliated with that party, which exceeds the greater of two cents multiplied by the voting age population of the State, or \$20,000. For the 1992 election cycle, the State committee in Oregon was allowed to spend up to \$120,091.76 on such expenditures for its candidate. See FEC Record, Volume 16, Number 3 (March 1992).

7. A State committee such as the Party must report such expenditures, known as coordinated campaign expenditures, separately. See 11 C.F.R. § 104.3(b)(1)(viii). A party does not have to consult or coordinate with the candidate for a coordinated campaign expenditure to occur. See Advisory Opinion 1984-15.

8. In reporting coordinated campaign expenditures, a committee must include the name of the person receiving such expenditures; the date, amount and purpose of such expenditures; and the name of, and office sought by, the candidate on whose behalf the expenditure is made. See 2 U.S.C. § 434(b)(6)(B)(iv).

9. A communication is considered to be "in connection with a general election," and thus a coordinated campaign expenditure, where it both depicts a clearly identified candidate and conveys an electioneering message. See Advisory Opinion 1984-15.

10. Every report filed by a committee shall disclose the identification of every person who makes a contribution when that contribution is in excess of \$200 within the calendar year, together with the date and amount of any such contribution. See 2 U.S.C. § 434(b)(3)(A). The term contribution includes the provision of any service at a charge that is less than the usual and normal charge. See 11 C.F.R. § 100.7(a)(1)(iii)(A). If a service is provided at less than the usual and normal charge, the amount of the contribution is the difference between the usual and normal charge for the service at the time of the contribution and the amount charged to the political committee. 11. Pursuant to 2 U.S.C. § 441b(a), it is unlawful to use corporate or labor union monies in connection with a federal election. Oregon law allows a state political committee to accept contributions from corporations and labor unions.

12. Pursuant to 11 C.F.R. § 102.5(a)(1)(i), a political committee must establish a separate federal account, and must make all disbursements, contributions, expenditures and transfers in connection with a federal election from this account.

13. On March 26 and 29, 1992, the Oregon Republican Party, without consulting or coordinating with Senator Packwood, ran a newspaper ad in The Oregonian which criticized Representative AuCoin for bouncing checks at the bank at the U.S. House of Representatives. The ad clearly identified Representative AuCoin, and suggested that, because of his involvement with the House Bank, he was out of touch with the voters of Oregon. As a result, the newspaper ad sought to diminish Representative AuCoin's support in the primary election. The cost of production and placement of this ad totalled \$12,409.48.

14. In the week preceding the May 19th primary election, the Oregon Republican Party, without consulting or coordinating with Senator Packwood, broadcast a radio ad which also criticized Representative AuCoin for bouncing checks at the House Bank. The radio ad clearly identified Representative AuCoin, and suggested that he was lying to the voters of Oregon regarding his involvement with the House Bank. The Oregon Republican Party spent \$42,886.09 on the production and broadcast of this ad.

97043791357

-5-

15. The newspaper and radio ads were intended to help Senator Packwood in the general election either by helping to defeat Representative AuCoin in the Democratic primary election and enabling Senator Packwood to face a perceived weaker candidate in the general election, or helping to weaken Les AuCoin for the general election contest against Senator Packwood.

16. Costs associated with the radio and newspaper ads were coordinated campaign expenditures by the Oregon Republican Party on behalf of Senator Robert Packwood.

17. Respondents did not identify costs associated with the ads as being made to advance Senator Packwood's general election effort; rather, Respondents reported most of these costs generically as "Other Federal Operating Expenditures."

18. The Oregon Republican Party pre-paid Robeson Marketing Communications \$9,991.73 for the media placements for the newspaper ad. The first of two invoices for the newspaper ad totaled \$292.80 more than the Party had pre-paid. Robeson forgave the \$292.80 rather than requiring payment by the Party.

19. Respondents did not report this in-kind contribution by Robeson Marketing Communications.

20. The Oregon Republican Party pre-paid Robeson Marketing Communications \$43,334.00 for the remaining fees and expenses for the newspaper ad and for all fees and expenses relating to the radio ads. When the actual bill came to more than \$45,000, Robeson drew upon funds previously paid to it from the Oregon Republican Party's non-federal account for payment of the balance of approximately \$1,670.

97043791353

-6-

21. The Oregon Republican Party contends that Robeson applied the funds previously paid from the party's non-federal account without the consent of the Party. However, until notified of an apparent violation by Commission staff some seven months later, the Party did not seek reimbursement of any of the amounts applied from its non-federal account and did not begin its efforts to satisfy the remainder of the bill with clean funds from its federal account.

V. 1. Respondents failed to properly report costs of more than \$55,000 associated with the radio and newspaper ads critical of Les AuCoin, in violation of 2 U.S.C. § 434(b)(6)(B)(iv).

2. Respondents failed to report receipt of an in-kind contribution from Robeson Marketing Communications, in violation of 2 U.S.C. § 434(b)(3)(A).

3. Respondents used funds prohibited by the Act to pay part of the costs at issue in this matter, in violation of 2 U.S.C. § 441b(a) and 11 C.F.R. § 102.5(a)(1)(i).

VI. Respondents will pay a civil penalty to the Federal Election Commission in the amount of Ten Thousand dollars (\$10,000), pursuant to 2 U.S.C. § 437g(a)(5)(A), such penalty to be paid as follows:

1. One initial payment of \$1,000 due sixty days from the effective date of this agreement;

2. Thereafter, nine consecutive monthly installment payments of \$1,000 each;

3. Each such installment shall be paid thirty days from the date of the previous installment;

97043791359

4. In the event that any installment payment is not received by the Commission within five days of the date it becomes due, the Commission may, at its discretion, accelerate the remaining payments and cause the entire amount to become due upon ten days written notice to the respondents. Failure by the Commission to accelerate the payments with regard to any overdue installment shall not be construed as a waiver of its right to do so with regard to future overdue installments.

5. Respondents will amend their reports on file with the Commission to accurately report all the expenditures (including the in-kind contribution) for the radio and television ads as Section 441a(d) expenditures.

VII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

VIII. This agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

IX. Respondents shall have no more than 30 days from the date this agreement becomes effective to comply with and implement the

9704379136C

requirements contained in this agreement and to so notify the Commission.

X. This Conciliation Agreement constitutes the entire agreement between the parties on the matters raised herein, and no other statement, promise, or agreement, either written or oral, made by either party or by agents of either party, that is not contained in this written agreement shall be enforceable.

## Oregon GOP Fined for Irregularities in '92 Packwood Race

WASHINGTON--The Oregon Republican Party will pay a \$10,000 civil penalty for campaign violations committed on behalf of Senator Bob Packwood's 1992 re-election effort.

The Federal Election Commission (FEC) said the Oregon Republican Party violated federal campaign law by failing to report spending on media attacks against former U.S. Rep. Les AuCoin.

"The Oregon Republican Party made an inordinate effort to intervene in the Democratic primary," said Don Foley, executive director of the Democratic Senatorial Campaign Committee (DSCC), which filed an FEC complaint against the Oregon GOP. "This is the price for stepping over the line."

AuCoin prevailed in the Democratic primary over Harry Lonsdale, and challenged Packwood in the Oregon general election last fall.

"(The Oregon Republican Party) failed to properly report costs of more than \$55,000 associated with the radio and newspaper ads critical of Les AuCoin, a violation of (federal law)," said a legal agreement signed by the FEC and the Oregon Republican Party.

The state GOP will pay a \$10,000 penalty to the FEC in monthly installments of \$1,000.

Packwood spent \$5.7 million in his 1992 re-election effort.

I, Craig Berkman, being duly sworn, do depose and say:

1. I am competent to testify to, and have personal knowledge of, the matters stated herein.

2. I have reviewed the Complaint filed in the above-referenced matter. At all times relevant to the Complaint, I was the Chairman of the Oregon Republican Party.

3. On or about April 24, 1992, the National Republican Senatorial Committee ("NRSC") transferred \$24,000 to the Oregon Republican Party by wire transfer. On or about April 24, 1992, the \$24,000 received from the NRSC was deposited into the "state" bank account of the Oregon Republican Party. Attached hereto as Exhibit 1 is a copy of the bank statement of account showing that the \$24,000 was deposited into the state account.

4. On or about May 5, 1992, the NRSC transferred \$10,000 to the Oregon Republican Party by check. On or about

97043791522  
May 8, 1992, the \$10,000 received from the NRSC was deposited into the state bank account of the Oregon Republican Party. Attached hereto as Exhibit 2A and 2B are copies of the bank deposit slip and bank receipt of deposit, respectively, showing that the \$10,000 was deposited into the state account.

5. On or about May 11, 1992, the NRSC transferred \$15,000 to the Oregon Republican Party by check. On or about May 12, 1992, the \$15,000 received from the NRSC was deposited into the state bank account of the Oregon Republican Party. Attached hereto as Exhibit 3A and 3B are copies of the bank deposit slip and bank receipt of deposit, respectively, showing that the \$15,000 was deposited into the state account.

6. On or about May 20, 1992, the NRSC transferred \$10,000 to the Oregon Republican Party by check. On or about May 21, 1992, the \$10,000 received from the NRSC was deposited into the state bank account of the Oregon Republican Party. Attached hereto as Exhibit 4A and 4B are copies of the bank deposit slip and bank receipt of deposit, respectively, showing that the \$10,000 was deposited into the state account.

7. On or about June 16, 1992, the NRSC transferred \$15,500 to the Oregon Republican Party by check. On or about June 17, 1992, the \$15,500 received from the NRSC was deposited into the state bank account of the Oregon Republican Party. Attached hereto as Exhibit 5A and 5B are copies of the bank deposit slip and bank receipt of deposit, respectively, showing that the \$15,500 was deposited into the state account.

97043791503

8. On or about July 9, 1992, the NRSC transferred \$11,000 to the Oregon Republican Party by check. On or about July 10, 1992, the \$11,000 received from the NRSC was deposited into the state bank account of the Oregon Republican Party. Attached hereto as Exhibit 6A and 6B are copies of the bank deposit slip and bank receipt of deposit, respectively, showing that the \$11,000 was deposited into the state account.

9. On or about July 27, 1992, the NRSC transferred \$11,000 to the Oregon Republican Party by check. On or about July 29, 1992, the \$11,000 received from the NRSC was deposited into the state bank account of the Oregon Republican Party. Attached hereto as Exhibit 7A and 7B are copies of the bank deposit slip and bank receipt of deposit, respectively, showing that the \$11,000 was deposited into the state account.

10. The total amount received by the Oregon Republican Party from the NRSC during 1992 was \$96,500. All amounts received from the NRSC during 1992 were deposited into the Oregon Republican Party's state bank account. All amounts received from the NRSC in 1992 were intended by the Oregon Republican Party to be used for party building purposes. None of the amounts received from the NRSC during 1992 were ever intended to be expended, except for permissible state party purposes.

11. Attached as Exhibit 8 is a certified copy of the Oregon Republican Party's Contributions and Expenditures reports for the 1st pre-election, 2nd pre-election and post election reporting periods for the Primary Election of 1992 and for the 1st

97043791524

pre-election reporting period for the General Election of 1992, filed with the Oregon Secretary of State. Part II of each report in Exhibit 8 shows all of the expenditures made from the state account. Except as noted below with respect to approximately \$1,670 in expenditures to Robeson Marketing Communications, all of the expenditures were solely for party building purposes; the funds within the state account were not commingled with funds within the Oregon Republican Party's "federal" bank account, and none of the expenditures from the state account were impermissible expenditures on behalf of Senator Packwood or any other federal election.

12. In 1992, prior to the Democratic Party primary in Oregon, the Oregon Republican Party pre-paid Robeson Marketing Communications \$43,334.00 for services rendered in connection with a series of advertisements. The prepayment was from the Oregon Republican Party's "federal" account. When the actual bill from Robeson came to more than \$45,000, Robeson drew upon funds previously paid to it from the Oregon Republican Party's non-federal account for payment of the balance. Robeson's actions were taken without the knowledge or consent of the Oregon Republican Party.

13. In 1992, the Democratic Senatorial Campaign Committee filed a complaint with the Federal Election Commission (the "Commission") against the Oregon Republican Party. Upon consideration, the Commission determined that although inadvertent and not the result of actions by the Oregon Republican Party, the actions taken by Robeson Marketing Communications constituted use

of funds prohibited by the Federal Election Campaign Act (the "Act") to pay part of the costs of the advertisements. The Oregon Republican Party subsequently entered into a Conciliation Agreement with the Commission concerning this and other alleged violations of the Act.

14. Apart from the violation involving Robeson Marketing Communications discussed above, I am not aware of any other instance in which the Oregon Republican Party made impermissible expenditures from its non-federal account in connection with Senator Packwood's reelection campaign, or in connection with any other campaign in a federal election.

Dear Mr. Noble:

This response is submitted on behalf of the National Republican Senatorial Committee ("NRSC" or "the Committee") and Maureen Goodyear, as Treasurer, and the Honorable Phil Gramm, United States Senator, in response to a Complaint filed on September 15, 1995, by the Center for Responsive Politics and designated Matter Under Review ("MUR") 4262.

For the reasons stated herein, the Federal Election Commission ("FEC" or "Commission") should find no reason to believe that the above-named Respondents have violated any provision of the Federal Election Campaign Act of 1971, as amended. 2 U.S.C. Sections 431-455 ("FECA" or "the Act").

## COMPLAINT

The Complainant alleges "on information and belief" that the \$96,500 the NRSC transferred from its nonfederal account to the Oregon Republican Party "were intended to be expended, per the March 6, 1992, conversation between Senators Packwood and Gramm, to influence Senator Packwood's re-election campaign." Complaint at par. 22. The Complainant further alleges that because these funds did not comply with the requirements of the FECA, the use of such funds to influence Senator Packwood's re-election violated "applicable" provisions of the FECA. Id.

Complainant's sole source of support for its "beliefs" are the much-discredited entries of Senator Packwood's diary. As will be discussed below, all Respondents agree the diary entry is

false, and the NRSC and its past-Chairman never had a conversation with Senator Packwood resembling the one described in his diary.

Second, the Complaint actually does not allege any illegal activity on the part of the NRSC and Senator Gramm. Transfers of nonfederal funds between affiliated party committees are completely lawful under the Federal Election Campaign Act.

Third, and most importantly, there is not even one hint of an allegation or evidence in the Complaint that the Oregon Republican Party actually misspent the nonfederal money the NRSC transferred to it. Accordingly, the Commission should find "no reason to believe" Senator Gramm and the NRSC violated any provisions of the Act.

#### FACTS

1. From April 24, 1992, through July 9, 1992, the NRSC made a total of \$96,500 in transfers from its nonfederal expenditures account to the Oregon Republican Party. (See NRSC Reports on file with the Commission as attached to the Complaint).
2. Each of these transfers was made to offset the Administrative costs of the Oregon Republican Party (See Attachment 1).
3. It is the practice of the NRSC to send a letter with every nonfederal transfer to a Republican state party committee that specifically states the money the NRSC is transferring has come from the NRSC's nonfederal account, that the state party should deposit this transfer into its nonfederal (or "state") account, and that "utilizing this money in any way to influence a federal election is strictly prohibited." (See Attachment 2).
4. In the Report of the Senate Ethics Committee on the matter of the Packwood diaries, Senator Packwood testified on page 124<sup>2</sup> that his March 6, 1992, diary entry "was simply wrong" and "did not even reflect the essence of something that the other Senator [Gramm] said to him." (Attachment 3).
5. James Cecil, who was present at the meeting between Senators Gramm and Packwood when the alleged statements took place, has submitted a sworn affidavit that "Senator Gramm told Senator Packwood that the NRSC would fully fund his campaign, referring to the amount of coordinated expenditures that federal law allows ... During the meeting, Senator Gramm told Craig Berkman, the Chairman of the Oregon Republican Party, that he would work with him on party-building activities. No specific dollar amounts were discussed. ... There were no statements or conduct that suggested that anyone had, would, or should act improperly or illegally." (Attachment 4).

<sup>2</sup> This critical, and exculpatory, page of the Senate Report is not surprisingly omitted from the Center's Complaint.

6. Craig Berkman has publicly stated in a September 9, 1995, article in the Houston Chronicle that "he, Packwood and Gramm and several aides had a 10-minute meeting after a Republican Party function and discussed the money that was to be used for party building. Berkman said no mention was made of using the money for Packwood's campaign. Berkman said he was stunned to read the allegation in the Packwood diary." (Attachment 5).

7. Senator Packwood has again publicly stated in a recent broadcast of "CBS's Face the Nation" that his diary entry at issue here "was totally wrong." (Attachment 6).

8. Senator Gramm, in a recent letter to the Senate Ethics Committee, stated that "Senator Packwood's diary entry reflects an obvious misunderstanding of the election law that governs contributions by party committees such as the National Republican Senatorial Committee to state parties for the purpose of "party building activity. ... The [Oregon Republican Party] was specifically directed not only to use the funds for party building projects only, but to publicly report the contribution as required by law. ... It was my policy to make (this) legal prohibition explicitly clear." (Attachment 7).

9. The United States Senate Select Committee on Ethics has already reviewed this matter "and concluded that no further action will be taken by the Committee." (Attachment 8).

#### ANALYSIS

The entire foundation of the Complaint in this case is the false and uncorroborated hearsay contained in a diary. This hearsay has been recanted by its author and contradicted by every other participant in the conversation. No one believes the conversation took place the way Senator Packwood initially recorded it, and Senator Packwood, Senator Gramm, Craig Berkman and James Cecil all agree that the diary entry is "totally wrong." Accordingly, there is no fact at issue on which the Commission may even base a "reason to believe" finding.

But regardless of what was actually said, the important point for purpose of the Commission's legal analysis of this Complaint is that nothing unlawful happened. Every single transfer the NRSC made to the Oregon Republican Party was completely lawful under 11 C.F.R. 102.6(a)(1)(ii) ("transfers of funds may be made without limit on amount between and among a national party committee, a State party Committee and/or any subordinate party committee"). Not only does the statute and the Commission's regulations allow these transfers, they are necessary for the state parties to properly finance the nonfederal share of their non-allocable, administrative or party-building expenses. The Commission requires these expenses be paid with the correct portion of nonfederal funds, and the national parties are a necessary source for these payments.

Accordingly, the NRSC was well within its right in making the transfers at issue here. In fact, the NRSC goes the extra-step in reminding the recipients of its nonfederal transfers that the money may only be used for permissible purposes, must be properly reported, and may not be used "in any way" to influence a federal election.

97043791523

97043791599

Finally, the Commission was able to identify in MUR 3524 approximately \$1,673.34 in coordinated party expenditures attributable to the Oregon Senate election that were paid from the Oregon Republican Party's nonfederal account. All parties agree that this was an error by the party's vendor, who, on his own initiative, debited the state party's nonfederal account to cover part of a federal bill. (See Attachment 9, December 31, 1992, Response of the Oregon Republican Party to MUR 3524 with a statement and invoice by the vendor.)

Obviously, the NRSC did not know about this vendor error. Even the Oregon Republican Party did not know about the vendor error until the Commission pointed it out to them a year later during the investigation in MUR 3524. To the extent this error is relevant to the Commission's determination in today's case: the error occurred prior to and not in connection with the transfer of NRSC funds, and the Commission has already conciliated the matter with the Oregon Republican Party. This conciliation acts as a bar to any further proceedings between the parties and their privies on the same issue. (See NRSC response to MUR 4258 on *res judicata* and *collateral estoppel*).

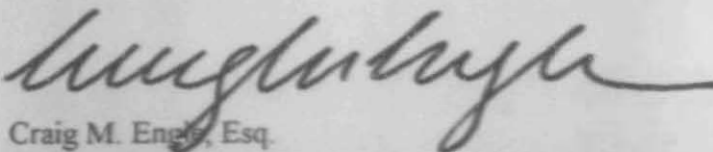

#### CONCLUSION

The Commission may only institute an enforcement matter if it actually has "reason to believe" a violation has occurred. Here there is no reason to believe any fact is in dispute: all parties agree to the facts of this case. There is also no reason to believe a law or regulation has been broken. In fact, even the Complainant does not make any claim that the nonfederal funds were actually used to influence Senator Packwood's re-election.

At best, the Complainant theorizes that a conspiracy existed to violate federal election laws. Not only did the conspiracy never happen, but a complaint must allege some violation before they can allege a conspiracy to commit it. Here, there is no allegation or evidence that a violation of law took place. Simply put, it is proper for the NRSC to transfer nonfederal money to a state party for their nonfederal administrative expenses.

Accordingly, the Commission should find no reason to believe the above-named Respondents violated any provision of the Federal Election Campaign Act, and close the file.

Senator Packwood testified that the meeting reflected in this entry actually took place. But beyond that, he stated that the entry was simply wrong. He testified that the conversation in fact reflected nothing that was illegal, that the entry was in jest, and that nobody in Senator X's position would take that kind of a risk.

2. At all times relevant herein, I was an employee of the National Republican Senatorial Committee ("NRSC").
3. In my capacity as an NRSC employee, I attended a meeting on March 6, 1992 in Seaside, Oregon that occurred immediately after Senator Gramm's speech to the Dorchester conference.
4. The other individuals attending that meeting were Senator Gramm, Senator Packwood, Craig Berkman, and Elaine Franklin. I have a good memory of the meeting. 6. During the meeting, Senator Gramm told Senator Packwood that the NRSC would fully fund his campaign, referring to the amount of coordinated expenditures that federal law and the Federal Election Commission permitted the NRSC to expend on behalf of Senator Packwood's campaign. # Cash shift legal, says Gramm

## Texan disagrees with Packwood

By BENNETT ROTH  
Houston Chronicle Washington Bureau

WASHINGTON — Sen. Phil Gramm, R-Texas, Friday defended as "totally proper and legal," a campaign financial transaction that Sen. Bob Packwood suggested in his diaries may have been illegal.

The Senate Ethics Committee is investigating a section of Packwood's diaries in which he discussed a \$100,000 contribution in 1992 from the National Republican Senatorial Committee to the Oregon Republican party. In the diary, Packwood, R-Ore., said Gramm, who chaired the NRSC at the time, implied the \$100,000 could be sent to Packwood's Senate campaign, which would be a violation of campaign finance law.

"He (Gramm) says now, of course, there can't be any legal connection between this money and Sen. Packwood, but we know it will be used for his benefit," Packwood wrote after a meeting with Gramm. "I think that is a felony. I am not sure. This is an area of the law I don't want to know."

Packwood added, "What was said in that room would be enough to convict us all of something."

Gramm, who spoke to reporters Friday after addressing the Christian Coalition, said he recalled meeting with Packwood during the campaign. But Gramm said he made it clear the money had to be used for party-building purposes.

Gramm said he didn't even indirectly imply the money could be quietly funneled into Packwood's campaign.

"There was no wink. There was no nod. It was in writing that the funds went to build the party for voter turnout and for registration," he said.

The Gramm campaign also produced a letter to then-Oregon Republican Party Chairman Craig Berkman, regarding a portion of the money and stating "utilizing any of this money to influence a federal election is strictly prohibited."

Gramm said he had turned the letter over to the Senate Ethics Committee.

Berkman, in a telephone interview from Portland, recalled that he and Packwood and Gramm and several aides had a 10-minute meeting after a Republican Party function and discussed the money that was to be used for party building. Berkman said no mention was made of using the money for Packwood's campaign. Berkman said he was stunned to read the allegation in the Packwood diary.

"I was wondering whether he was using peyote that night," said Berkman.

The contribution in question was what is known as "soft money" funds raised by national political parties that are distributed to state parties to be used for local or state elections. The national political committees can only contribute a maximum of \$10,000 for primary and general election campaigns of federal candidates.

In 1992, the Oregon GOP received \$332,000 in soft money from national Republican senatorial and congressional campaign committees.

The Ethics Committee uncovered the reference as part of its investigation into sexual misconduct charges against Packwood.

Packwood on Thursday announced his resignation from the Senate after the Ethics Committee recommended he be expelled because of sexual and official misconduct.

Packwood's diaries included numerous references to his sexual escapades over the years.

Gramm said he did not understand why Packwood interpreted the meeting differently than he did. "You tell me what someone had mind in writing a diary about their sexual exploits, and I'll explain this to you," Gramm said.

SEN. PACKWOOD: Oh, I never --

MR. SCHIEFFER: -- something you thought you could be indicted for?

SEN. PACKWOOD: I never conceived, nor did my attorneys, that the Ethics Committee would ever see this diary. They thought they had no right to it. We had a constitutional privilege to protect it. So I never at any time, until finally a subpoena and a court decision, ever thought that the Ethics Committee would ever have the diary.

MR. SCHIEFFER: Senator, at one point you talk about meeting with Phil Gramm, and you say in the diary how you were afraid, or that what he was offering to you -- and this was his offer to put \$100,000 into your campaign as a way to skirt the campaign finance laws -- you talk about meeting with an NRA official, you talk about meeting with other lobbyists. Why will not people come away from this saying that the Senate is a place where one goes to do back room deals, and that's how you get your business done in the Senate?

SEN. PACKWOOD: Because those are all taken out of context, and not in the -- when you look at the full panoply of diary entries, you will see in this time and time and time again references that say, "I will not allow that as a quid pro quo," "I will not do this," or "These people think they can get in here and give money and get something, they're totally wrong -- I throw them out." But it's interesting you don't see any of those listed.

MR. SCHIEFFER: But you did say at one point that the deal Senator Gramm offered you, that both of you could be guilty of felony.

SEN. PACKWOOD: Mmm-hmm. (In acknowledgement.) And that, ~~was~~ totally wrong.

MR. SCHIEFFER: It was totally --

SEN. PACKWOOD: Yeah.

MR. SCHIEFFER: You had the situation wrong?

SEN. PACKWOOD: Yes.

MR. SCHIEFFER: You misunderstood the situation?

SEN. PACKWOOD: Yes, totally wrong.

MR. SCHIEFFER: At one point in the diaries you talk about one of the senators coming to see you, and I guess we now know it was Senator Danforth, who is an ordained priest. And at one point he said, "Senator Packwood, I don't sense any repentance on your part" -- and it was a fairly heated exchange.

SEN. PACKWOOD: Bob, it wasn't a heated exchange. Jack is not a heated person. But I'm not going to get into any more of the diary entries.

MR. SCHIEFFER: Are you repentant, senator?

SEN. PACKWOOD: I'm not -- Bob, I'm not going to get into any more of the diary entries. You've asked that question several times -- let's get on with it.

MR. SCHIEFFER: I'm asking about Senator Packwood and where he goes from here: Are you repentant about what you have done, senator?

SEN. PACKWOOD: Yes. Am I embarrassed? Am I apologetic? Do I wish I hadn't done it? Of course.

MR. SCHIEFFER: You are a member of Alcoholics Anonymous. You consider yourself a reformed alcoholic.

SEN. PACKWOOD: Well, let's -- well, go ahead and finish your question.

MR. SCHIEFFER: Do you plan to seek any other help, sir?

SEN. PACKWOOD: It -- I just want to comment on AA. As you know the term, two words, alcoholic and anonymous, and anybody that's in it does not talk about it or does not say they're in it. Just as to say I'm in an alcohol recovery program. I hope it works. I've been in it for a number of years. It seems to be working, and I intend to continue in it.

MR. SCHIEFFER: Do you think you should seek any other kind of help?

SEN. PACKWOOD: I have sought other help.

Letter by Senator Gramm to Senate Select Committee on Ethics

97043791613

WASHINGTON, D. C. 20510-4302

September 7, 1995

Hon. Mitch McConnell, Chairman  
Hon. Richard Bryan, Vice Chairman  
Select Committee on Ethics  
Room 220  
Hart Senate Office Building  
Washington, D.C. 20510-6425

Dear Sens. McConnell and Bryan:

Thank you for forwarding the Committee's inquiry regarding a diary entry written by Sen. Bob Packwood on March 6, 1992. I am pleased to have this opportunity to respond.

Sen. Packwood's diary entry reflects an obvious misunderstanding of the election law that governs contributions by party committees such as the National Republican Senatorial Committee to state parties for the purpose of "party building activity." Contributions to state parties are both legal and normal, and it is expected that they will use the funding for such projects as promoting voter registration and get-out-the-vote drives. Federal election law not only permits contributions by the NRSC to state parties, but the practice is routine for most such party committees, both Republican and Democrat (see Sept. 7, 1995 letter from NRSC counsel, attached).

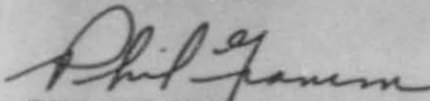

In the 1992 election cycle, the NRSC contributed to 15 state parties, including \$96,500 to the Oregon Republican Party. The state party was specifically directed not only to use the funds for party building projects only, but to publicly report the contribution as required by law. Attached is a copy of an April 24, 1992 letter to Mr. Craig Berkman, chairman of the Oregon Republican Party which notes, in part, "utilizing any of this money in any way to influence a federal election is strictly prohibited." It was my policy to make the legal prohibition explicitly clear, and I understand that a similar letter accompanied each individual contribution to the Oregon Republican Party, as well as every contribution made to every other state party in 1992.

97043791614

Finally, it appears from testimony by Sen. Packwood cited on Pages 123 and 124 of the Committee's report that, in fact, even Sen. Packwood said that his diary entry "was simply wrong" and "did not even reflect the essence of something that the other Senator said to him" (see attachment).

Yours respectfully,

RE: MUR 3524, Oregon Republican Party and Bert Farrish, as  
Treasurer

Dear Mr. Buckley:

Pursuant to your inquiry on December 30, 1992, we have looked into the matter of the credit on the account of \$1,673.34. In turn, the Oregon Republican Party inquired with the vendor, Robeson Marketing Communications. As a result of the inquiry, we have discovered that the vendor made an error. Upon discovery of the error, the vendor immediately took corrective action.

Enclosed with this letter is a letter from Greg Robeson to the Oregon Republican Party dated December 30, 1992. In that letter, Mr. Robeson apologizes for improperly billing the Oregon Republican Party. He has refunded \$1,673.34 to the Oregon Republican Party. That amount will be put back into the state account, and the reports to the Federal Election Commission will be revised to reflect that \$1,673.34 remains owing to Robeson Marketing Communications.

Invoice 92-504 referred to in the enclosed letter was paid from the state account of the Oregon Republican Party, and not from the federal account. Funds permitting, the federal account will pay the outstanding \$1,673.34 to Robeson Marketing Communications.

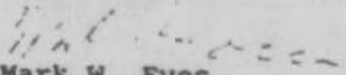

We hope that this clears up the confusion regarding the credit. Until you inquired about it, no one had noticed that the credit was given. No monies were disbursed from the state account of the Oregon Republican Party for the purpose of affecting any Federal race. An error was made by the vendor, which now has been corrected.

I've attached a revised copies of invoices #92-503 and #92-504, originally dated May 13, 1992.

As we have discussed, I overbilled you \$1,673.34 on invoice #92-504 to cover the outstanding balance on invoice #92-503. I did not realize that these expenditures were to come from mutually exclusive accounts and apologize for any confusion it may have caused.

I have enclosed a check in the amount of \$1,673.34 to be replaced to the proper account.

Please let me know if you have any questions. Again, I apologize for the confusion.

Dear Ms. Tasker:

Re: MUR 4260, MUR 4261, MUR 4262, MUR 4265

I have your letters regarding various complaints. In this letter I respond to the allegations.

As an initial matter, I believe it is important to note one fact common to each of the complaints. Each is based solely on entries from my diary. As you may know, the diary itself was the subject of considerable discussion with the Senate Ethics Committee. Before the FEC uses my diary, for any purpose, it should be familiar with my testimony regarding my diary. This can be found in the depositions, which are part of the public record, see depositions dated January 17, 1995 and June 27, 1995 (sample pages are appended).

1. MUR 4260 -- the Auto Dealers complaint

The complaint filed in the above-captioned case charges that my campaign improperly consulted on independent expenditures conducted by, and therefore received excessive contributions from, the Automobile Dealers and Drivers for Free Trade PAC ("Automobile Dealers"). The complaint is baseless because the facts contained in it do not support the charges made. No violation occurred and the Commission should dismiss this matter promptly.

97043791623

FACTS: This complaint charges that there was impermissible consultation or coordination between persons associated with my 1992 Senate campaign and the Automobile Dealers. The complaint states that the Automobile Dealers made independent expenditures of \$65,539 in the form of telephone banks supporting my candidacy between October 27, 1992 and November 2, 1992.

The only evidence of alleged improper contact is an excerpt from my diary that has been made public. The diary entry is from March 20, 1992. It states, in part: "Apparently the Automobile Dealers are willing to do some spending against AuCoin."

As demonstrated by the enclosed affidavit from Elaine Franklin, my chief of staff and campaign manager who is referred to in the diary entry, and by my testimony before the Ethics Committee, there was no consultation, coordination or other impermissible contact between us (or anyone associated with my campaign to the best of my knowledge) and the Automobile Dealers regarding the October 27, 1992 to November 2, 1992 expenditures which are the subject of this complaint. Affidavit of Elaine Franklin, at paragraph 4.

LAW: Federal election law defines an independent expenditure as an expenditure expressly advocating the election or defeat of a clearly identified candidate that is made "without cooperation or consultation with any candidate, or any authorized committee or agent of such candidate," and which is "not made in concert with, or at the request or suggestion of, any candidate, or any authorized committee or agent of such candidate." 2 U.S.C. Section 431(17).

DISCUSSION: I do not recall the conversation the diary entry reflects that I had with Elaine Franklin. However, the activities discussed in the diary entry did not happen. There were no contacts regarding these expenditures that would violate 2 U.S.C. Section 431 (17). Franklin affidavit paragraph 4.

97043791624

A fair reading of the complaint itself makes clear there was no violation of the Federal Election Campaign Act or the Regulations. First, the Automobile Dealers did not "do some spending against AuCoin." (emphasis added). There is no charge in the complaint, and no evidence in their reports filed with the Commission, that the Automobile Dealers ever spent any money against AuCoin (the complaint itself notes the independent expenditure was a phone bank in support of my candidacy). To my knowledge, there was no spending against AuCoin. Packwood affidavit paragraph 4; Franklin affidavit paragraph 3.

The second piece of evidence that there was no violation is the timing involved. The Automobile Dealers' spending that is the subject of the complaint began in October 1992. The diary entry upon which the complaint is based took place in March 1992, some seven months earlier, and prior even to the conclusion of the Democratic primary to select a candidate to run against me. There was no improper coordination in this case. In fact, it would be impossible (and certainly counterproductive) to coordinate or consult before a Democratic nominee was even selected.

Therefore, the cooperation or consultation, request or suggestion that allegedly poisons this independent expenditure never happened. This complaint was filed only because of an entry from my diary about activity that never took place which was written seven months before the election it supposedly would have influenced.

While the wording of the diary entry is unfortunate, the complaint is not about any activity that violated the Act. Accordingly, this matter should be dismissed.

2. MUR 4261 -- the National Rifle Association  
complaint

For the reasons set forth below, the complaint is  
without merit and must be dismissed by the FEC.

FACTS: The complaint charges that my campaign  
committee accepted illegal corporate contributions  
in the form of independent expenditures that the  
Center alleges were not independent, as a matter  
of law. These expenditures were made by the  
National Rifle Association's Institute for  
Legislative Action (NRA's Institute"), a  
membership organization constituted as a nonprofit  
corporation. The complaint includes as an  
attachment the NRA's Institute's "Report of  
Communication Costs by Corporations and Membership  
Organizations" showing two expenditures against  
Les AuCoin, my opponent in the 1992 general  
election.<sup>1</sup> Both expenditures are reported by the  
NRA as communications with the organization's  
"members."

DISCUSSION: In filing the complaint, the Center  
was apparently unaware that federal election law  
permits membership organizations to mail partisan  
communications to their members. 11 C.F.R.  
Sections 100.8(b)(4), 114.3(a)(2), 114.3(c) and  
114.7(h). "Any cost incurred for any  
communication by a membership organization to its  
members ... is not an expenditure ..." so long as  
an FEC Form 7 is filed. 11 C.F.R. Section  
100.8(b)(4). Since the Center itself attaches the  
NRA Institute's required form, it is self-evident  
there is no violation.

---

<sup>1</sup> For the record, although not dispositive in this matter  
(see below), the first expenditure cited in the complaint came on  
May 8, 1992, in advance of the Oregon primary in which Mr. AuCoin  
faced a Democratic opponent. This expenditure cannot be called an  
expenditure on behalf of me or my campaign committee, especially  
since the diary entry attached to the complaint concerns an  
October 6, 1992 meeting.

97043791626

The Act specifically permits organizations such as the NRA's Institute to mail to its members the communications, even if partisan, that are the subject of this complaint. 11 C.F.R. Sections 114.3(a)(2) and 114.7(h). There is no allegation that the communications do not meet the requirements of the regulations, and it is my belief that they did comply with 11 C.F.R. Section 114.3(c).

CONCLUSION: The law does not consider the communications at issue a contribution or expenditure on behalf of the candidate supported or opposed; such communications are not considered independent expenditures, and there is no prohibition on showing such communications to a candidate. *Id.* Accordingly, there are no grounds for this complaint and it must be dismissed.

3. MUR 4262 and MUR 4265 -- the Phil Gramm complaints

After reviewing the allegations, the facts and the law, it is apparent that the sole reason this complaint was filed was that I made an statement in a publicly released diary entry. Since no actual violation of law occurred,<sup>2</sup> the Commission must dismiss this matter.

The complaint attaches reports to the Federal Election Commission from the National Republican Senatorial Committee ("NRSC") indicating that \$96,500 in non-federal funds were transferred to the Oregon Republican Party in 1992. Such transfers are permissible under 11 C.F.R. Section 102.6(a)(1)(ii) ("Transfers of funds may be made without limit on amount between or among a national party committee, a State party committee and/or any subordinate party committee whether or not they are political committees ... and whether or not such committees are affiliated.") and 11 C.F.R. Section 110.3(c)(1) ("The contribution limitations of 11 C.F.R. Sections 110.1 and 110.2 shall not limit the transfers of funds between .. party committees of the same political party.").

---

<sup>2</sup> As a technical matter, the Conciliation Agreement in MUR 3524 notes that a state party vendor, Robeson Marketing Communications, without the state party's consent, did use \$1,670 from the non-federal account to pay for a federal account disbursement. That matter has been fully conciliated in MUR 3524, and neither I nor anyone involved with my re-election committee knew about the activity or were involved in it.

97043791627

My statement before the Senate Ethics Committee explains that entry. Both major parties make frequent transfers of both federal and non-federal dollars to their respective state parties to assist with party building activities, as permitted by federal and state campaign laws. This party building activity helps all candidates who run on the party's ticket in a given election.

In conclusion, these complaints should be dismissed for two reasons: first, we did not violate the Federal Election Campaign Act, and, secondly, the diary entry is explained by my testimony before the Senate Ethics Committee.

Sincerely,

*Bob Packwood*

RE: PHONE CONVERSATION WITH CANDY MUMM

The purpose of this memo is to document a phone conversation with Candy Mumm regarding the PAC Oregonians for Majority Rule, and in order that we may be consistent.

Back in September, we told her over the phone that this PAC did not need to file a supplemental report. You and I discussed the problems with the Supplemental list, and have acknowledged that they were erroneously left off of it. They indeed did owe a report.

She told me that this PAC needed to stay open, because of bills that were still coming in from the initiative drive, and that she did not plan to support or oppose candidates or measures during the general election.

I told her that she should still submit her supplemental and that because it was our filing officer error, we would not pursue a civil penalty with the PAC, regarding the lateness of that report.

Please let me know if you have any other questions.

ENFORCEMENT PRIORITY

**SENSITIVE**

GENERAL COUNSEL'S REPORT

MAR 11 1997

**EXECUTIVE SESSION**

I. INTRODUCTION

The cases listed below have been identified as either stale or of low priority based upon evaluation under the Enforcement Priority System (EPS). This report is submitted to recommend that the Commission no longer pursue these cases.

II. CASES RECOMMENDED FOR CLOSURE

A. Cases Not Warranting Further Action Relative to Other Cases Pending Before the Commission

EPS was created to identify pending cases which, due to the length of their pendency in inactive status or the lower priority of the issues raised in the matters relative to others presently pending before the Commission, do not warrant further expenditure of resources. Central Enforcement Docket (CED) evaluates each incoming matter using Commission-approved criteria which results in a numerical rating of each case.

Closing such cases permits the Commission to focus its limited resources on more important cases presently pending before it. Based upon this review, we have identified 25 cases which do

97043791662

not warrant further action relative to other pending matters.<sup>1</sup> Attachment 1 to this report contains summaries of each case, the EPS rating, and the factors leading to assignment of a low priority and recommendation not to further pursue the matter.

### B. Stale Cases

Effective enforcement relies upon the timely pursuit of complaints and referrals to ensure compliance with the law. Investigations concerning activity more remote in time usually require a greater commitment of resources, primarily due to the fact that the evidence of such activity becomes more remote and consequently more difficult to develop. Focusing investigative efforts on more recent and more significant activity also has a more positive effect on the electoral process and the regulated community.

<sup>1</sup> These cases are: MUR 4332 (*Bill Thomas Campaign Committee*); MUR 4347 (*Anonymous Respondent*); MUR 4354 (*Brian Steel for Congress*); MUR 4367 (*Philipstown Republicans*); MUR 4371 (*Employment Group*); MUR 4373 (*Cannon for Congress*); MUR 4374 (*Mark Stodola for Congress Primary Committee*); MUR 4375 (*Westchester County Conservative Party*); MUR 4377 (*Braxton for Congress*); MUR 4379 (*Teamsters Local Union No. 135*); MUR 4383 (*Pauken for Congress*); MUR 4384 (*Willie Colon for U.S. Congress*); MUR 4388 (*Bill Witt for Senate and Congress*); MUR 4390 (*Kolbe 96*); MUR 4391 (*Pat Roberts for Congress Committee*); MUR 4393 (*Cecil J. Banks*); MUR 4397 (*AFL-CIO*); MUR 4405 (*Katz for Congress Committee*); MUR 4411 (*First Evangelical Presbyterian Church*); MUR 4414 (*Turietta-Koury for Congress Committee*); MUR 4418 (*Bell Atlantic*); MUR 4421 (*Butler for Mayor*); MUR 4448 (*Friends for Jim Rapp*); Pre-MUR 334 (*Kinnamon for Congress*); and Pre-MUR 335 (*Davis for Congress*).

We have identified cases which have remained on the Central Enforcement Docket for a sufficient period of time to render them stale 12 are not worthy of further action, and merit closure.<sup>4</sup>

We recommend that the Commission exercise its prosecutorial discretion and direct closure of the cases listed below, effective April 1, 1997. Closing these cases as of this date will permit CED and the Legal Review Team the necessary time to prepare closing letters and case files for the public record.

---

<sup>4</sup> These cases are: MUR 4139 (*Enid 94*); MUR 4150 (*Frank Fast*); MUR 4257 (*DSCC*); MUR 4258 (*NRSC*); MUR 4260 (*Packwood & Auto Dealers*); MUR 4261 (*NRA Institute for Legis.*); MUR 4262 (*Oregon Republican Party*); MUR 4265 (*NRSC; Sen. Phil Gramm*); MUR 4272 (*Bishop for Congress*); MUR 4279 (*Russ Berrie Co.*); MUR 4284 (*United We Stand America*); and Pre-MUR 322 (*Royal Hawaiian Country Club*).

### III. RECOMMENDATIONS.

RE: MUR 4262

Dear Mr. Cooper:

On September 15, 1995, the Federal Election Commission received a complaint filed by Ellen Miller on behalf of the Center for Responsive Politics alleging certain violations of the Federal Election Campaign Act of 1971, as amended ("the Act").

After considering the circumstances of this matter, the Commission exercised its prosecutorial discretion to take no action in the matter. This case was evaluated objectively relative to other matters on the Commission's docket. In light of the information on the record, the relative significance of the case, and the amount of time that has elapsed, the Commission determined to close its file in this matter on April 1, 1997. This matter will become part of the public record within 30 days.

The Act allows a complainant to seek judicial review of the Commission's dismissal of this action. See 2 U.S.C. § 437(g)(a)(8).

Sincerely,

F. Andrew Turley

RE: MUR 4262

Dear Senator Packwood:

The letter dated April 1, 1997, informing you that the Commission closed its file in Matter Under Review 4626 contained a typographical error. It should have referenced MUR 4262 instead of MUR 4626.

I apologize for any inconvenience I may have caused. If you have any questions, please contact me at (202) 219-3400.
