On January 24, 1995 a Request for Additional Information was sent to the Committee (Attachment 4). The RFAI notes on an informational basis that the Committee may have failed to file one or more of the required 48-Hour Notices for "last minute" contributions of \$1,000 or more. The notice requests the Committee to review their procedures for checking contributions received during the aforementioned time period. In addition, the Notice states that, although the Commission may take legal steps, any response would be taken into consideration.

Reference: 30 Day Post-General Report (10/20/94-11/20/94)

Dear Mr. Sheridan:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses contributions which appear to exceed the limits set forth in the Act. Copies of some, but not all, of the apparent excessive contributions are attached for your information. You should conduct a review of all of your contributions to determine the rest of the excessives that your committee may have received. As you check for additional excessives, you should review the committee's procedures for handling the receipt of contributions.

An individual or a political committee other than a qualified multicandidate committee may not make a contribution to a candidate for federal office in excess of \$1,000 per election. A qualified multicandidate committee may not make a contribution to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441a(a) and (f); 11 CFR §110.1(b), (c) and (h))

Should your review determine that contributions were not completely or correctly reported, you should amend your original report using the correct information. If the contributions exceed the limits, you should either refund to the donor the amount in excess or get the donor to redesignate and/or reattribute the excessive amount in writing. All refunds, redesignations, and reattributions must be made within sixty days of receipt of the contribution. Copies of refund checks and copies

of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as new entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR §104.6(d)(2), (3) and (4))

The acceptance of excessive contributions is a serious problem. Again, the committee's procedures for processing contributions should be examined and corrected in order to avoid this problem. Although the Commission may take further legal action, prompt action by you to refund or seek redesignation and/or reattribution of the excessive amount will be considered.

-All contributions received by your committee from 10/20/94 through 11/5/94 are required to be reported on this report. Your committee filed 48 hour notices disclosing "last minute" contributions from Alexander Gay, Esq. on 10/21/94 and Ann E. Newlin on 11/5/94. These contributions do not appear on Schedule A of this report. Please amend your report to include these contributions or provide an explanation of these apparent discrepancies.

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-General report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. Although the Commission may take legal action, any response you wish to provide concerning this matter will be considered. (11 CFR §104.5(f))

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you

 Post General Report (10/20/94-11/20/94)

Dear Ms. Toomey

I am in receipt of your letter dated January 24, 1995 which raises three questions (copy enclosed). The first question deals with contributions which you say appear to exceed contribution limits. We have disclosed numerous times to the Commission that procedures are in effect to either have such contributions redesignated, refunded or reattributed within the time period allowed by the Act. Enclosed and referenced as Exhibit "1", are all contributions identified in your letter of January 24, 1995. You will see that any excess amount was either reattributed (and reported in a later report) or refunded within the time prescribed by the Act.

Your second question deals with two "last minute" contributions reported on 48 hour reports which were not included in the Post General Report. Exhibit "2" details the contributions and reason why they were not included in the report. We are not aware of procedures to "Amend" 48 hour reports as we found discrepancies.

Your third question deals with the possibility of contributions included in the post general report which should have been reported on 48 hour reports. Our review of the Post General Report has found two contributions that were not included on the 48 hour reports. These are detailed on Exhibit "1".

For the record, please note that the staff as well as numerous volunteers have made every effort to insure the accuracy of all filings made with the Commission and have complied with all provisions of the Act.

Should you need any additional information with respect
report referenced above, please contact me directly.

Very truly yours,

Based upon the signature, it was not clear who made the contribution. Mr. Gay, as the first person identified on the account, was reported on the 46 report. The Committee requested information to determine who had actually contributed the funds. The Contribution was actually made by Mr. Checker and his contribution was reported in the Post General Report.
Norma R. Smith	1,000.00	10/20/04	This contribution was an in-kind Contribution. The contribution was not notified of the contribution until after the election. Nonetheless, it was properly disclosed in the Post General Report.

RAD Referral: 95L-15

SOURCE: INTERNALLY GENERATED

RESPONDENTS: Citizens For Senator Wofford
and John D. Sheridan, Treasurer

RELEVANT STATUTES: 2 U.S.C. § 434(a)(6)(A)

I. GENERATION OF MATTER

The Office of the General Counsel received a referral from the Reports Analysis Division ("RAD") on May 18, 1995

(See Attachment 1). The basis for the referral is the failure of the Citizens for Senator Wofford Committee and John D. Sheridan, Treasurer, ("Respondents") to file 48 Hour Notices for eighty-one contributions totaling \$81,000.00.¹ The

1. In its response dated February 7, 1995 to a Request for Additional Information, the Committee stated that a \$1,000 contribution they had reported in a 48 Hour Notice as received from Mr. Andrew Gay was in actuality from Mr. Edward Chacker. The contribution was made on their joint checking account. Once the mistake was discovered, a correction was reported in the Post-General Report. Although the referral mentioned the Committee's mis-identification of the contributor of this \$1,000 receipt, this issue was not referred to this Office. This Office is not recommending a finding with regard to mis-identification.

The Committee also explained in its response that a second \$1,000 contribution not reported in a 48 Hour Notice was an in-kind contribution about which it had not been notified until after the election. This contribution was reported on the Post-General Report. RAD did not include this contribution in its referral because of the Committee's assertion of lack of knowledge. This Office does not recommend that the Commission add the non-reporting of the in-kind contribution to the total violations here at issue.

candidate, Harris L. Wofford, lost the 1994 Senate General Election in the State of Pennsylvania with forty-seven percent (47%) of the vote.

II. FACTUAL AND LEGAL ANALYSIS

Based on the Factual and Legal Analysis (See Attachment 2), this Office recommends the Federal Election Commission ("Commission") find reason to believe the Respondents violated 2 U.S.C. § 434(a)(6)(A).

III. DISCUSSION OF CONCILIATION AND CIVIL PENALTY

IV. RECOMMENDATIONS

1. Open a MUR.
2. Find reason to believe that the Citizens for Senator Wofford and John Sheridan, as Treasurer, violated 2 U.S.C. § 434(a)(6)(A).
3. Enter into conciliation prior to a finding of probable cause to believe.
4. Approve the attached Factual and Legal Analysis, proposed conciliation agreement, and the appropriate letter.

RE: MUR 4277

Citizens For Senator Wofford
and John D. Sheridan, as Treasurer

Dear Mr. Sheridan:

On October 27, 1995, the Federal Election Commission found that there is reason to believe that the Citizens For Senator Wofford Committee and you, as treasurer, violated 2 U.S.C. § 434(a)(6)(A), a provision of the Federal Election Campaign Act of 1971, as amended ("the Act"). The Factual and Legal Analysis, which formed a basis for the Commission's finding, is attached for your information.

You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Please submit such materials to the General Counsel's Office within 15 days of your receipt of this letter. Where appropriate, statements should be submitted under oath. In the absence of additional information, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

In order to expedite the resolution of this matter, the Commission has also decided to offer to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter prior to a finding of probable cause to believe. Enclosed is a conciliation agreement that the Commission has approved.

If you are interested in expediting the resolution of this matter by pursuing preprobable cause conciliation and if you agree with the provisions of the enclosed agreement, please sign and return the agreement, along with the civil penalty, to the Commission. In light of the fact that conciliation negotiations, prior to a finding of probable cause to believe, are limited to a maximum of 30 days, you should respond to this notification as soon as possible.

Requests for extensions of time will not be routinely granted. Requests must be made in writing at least five days prior to the due date of the response and specific good cause must

be demonstrated. In addition, the Office of the General Counsel ordinarily will not give extensions beyond 20 days.

If you intend to be represented by counsel in this matter, please advise the Commission by completing the enclosed form stating the name, address, and telephone number of such counsel, and authorizing such counsel to receive any notifications and other communications from the Commission.

This matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A), unless you notify the Commission in writing that you wish the investigation to be made public.

For your information, we have attached a brief description of the Commission's procedures for handling possible violations of the Act. If you have any questions, please contact Clinett Short, the paralegal assigned to this matter, at (202) 219-3690.

MUR 4277

This matter was generated based on information ascertained by the Federal Election Commission ("the Commission") in the normal course of carrying out its supervisory responsibilities. See 2 U.S.C. § 437g(a)(2).

96043732646
The Federal Election Campaign Act of 1971, as amended ("the Act"), requires principal campaign committees of candidates for federal office to notify in writing either the Secretary of the Senate, the Clerk of the U.S. House of Representatives or the Commission, as appropriate, and the Secretary of State, of each contribution totaling \$1,000 or more, received by any authorized committee of the candidate after the 20th day but more than 48 hours before any election. 2 U.S.C. § 434(a)(6)(A). The Act further requires notification to be made within 48 hours after the receipt of the contribution and to include the name of the candidate and office sought, the date of receipt, the amount of the contribution, and the identification of the contributor. Id. The notification of these contributions shall be in addition to all other reporting requirements. 2 U.S.C. § 434(a)(6)(B).

The 1994 General Election for the U.S. Senate in the state of Pennsylvania was held on November 8, 1994. Pursuant to the

Act, the Respondents were required to notify the Commission, in writing, of all contributions of \$1,000 or more received from October 20 to November 5, 1994, within 48 hours of their receipt.

A review of the Citizens for Senator Wofford Committee's 1994 30 Day Post-General Report identified eighty-one contributions received between October 20 and November 5, 1994 of \$1,000 or more, and totaling \$81,000.00. The Committee did not submit 48 Hour Notices for these contributions.

Therefore, there is reason to believe that Citizens For Senator Wofford and John D. Sheridan, Treasurer violated 2 U.S.C. § 434(a)(6)(A) by failing to report \$81,000 in campaign contributions of \$1,000 or more, received after the 20th day, but more than 48 hours before the Senate General election, within 48 hours of receipt of the contributions.

RE: MUR 4277
Citizens for Senator Wofford

Dear Ms. Elliott:

I am in receipt of your letter, undated, which was received in my office on November 11, 1995 (copy enclosed). In this letter, you conclude that there are omissions from 48-hour reports for the period October 20, 1994 through November 4, 1994. Based on the date I received your letter, a response would be due you on or before November 26, 1995.

There were records kept, both in the Washington office of Citizens for Senator Wofford, as well as in my office. The Committee is in the process of diligently reviewing the files in order to address the allegations in your letter. Furthermore, the Committee, in consultation with counsel, is considering the conciliation agreement you provided in settlement of this matter. However, in order to address the issues raised in your letter as well as the possible conciliation agreement, we will need an extension of time, at least until December 15, in order to gather information necessary to respond to your letter or to enter into the conciliation agreement.

Accordingly, I am hereby requesting an extension of time to respond to MUR 4277 to December 15, 1995. If this presents any problem, please contact me by telephone immediately. In the event that you agree with such extension request, please initial the enclosed copy of the letter and return it to me in the envelope provided.

Dear Mr. Elias:

On March 29, 1996, the Federal Election Commission accepted the signed conciliation agreement submitted on your client's behalf in settlement of a violation of 2 U.S.C. § 434(a)(6)(A). Accordingly, the file has been closed in this matter.

The confidentiality provisions at 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record before receiving your additional materials, any permissible submissions will be added to the public record upon receipt.

and John D. Sheridan, Treasurer

MUR 4277

CONCILIATION AGREEMENT

This matter was initiated by the Federal Election Commission ("Commission"), pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. The Commission found reason to believe that the Citizens For Senator Wofford, and John D. Sheridan, Treasurer ("Respondents"), violated 2 U.S.C. § 434(a)(6)(A).

NOW, THEREFORE, the Commission and the Respondents, having participated in informal methods of conciliation, prior to a finding of probable cause to believe, do hereby agree as follows:

I. The Commission has jurisdiction over the Respondents and the subject matter of this proceeding, and this agreement has the effect of an agreement entered pursuant to 2 U.S.C. § 437g(a)(4)(A)(i).

II. Respondents have had a reasonable opportunity to demonstrate that no action should be taken in this matter.

III. Respondents enter voluntarily into this agreement with the Commission.

IV. The pertinent facts in this matter are as follows:

1. The Citizens For Senator Wofford is a political committee within the meaning of 2 U.S.C. § 431(4), and is the authorized principal campaign committee for Harris L. Wofford 1994 Senatorial campaign.

2. John D. Sheridan is the treasurer of the Citizens For Senator Wofford.

9 6 0 4 3 7 3 2 6 6 3

3. The Federal Election Campaign Act of 1971, as amended ("the Act"), requires principal campaign committees of candidates for federal office to notify in writing either the Secretary of the Senate, the Clerk of the U.S. House of Representatives or the Commission, as appropriate, and the Secretary of State, of each contribution totaling \$1,000 or more, received by any authorized committee of the candidate after the 20th day but more than 48 hours before any election. 2 U.S.C. § 434(a)(6)(A). The Act further requires notification to be made within 48 hours after the receipt of the contribution and to include the name of the candidate and office sought, the date of receipt, the amount of the contribution, and the identification of the contributor. Id. The notification of these contributions shall be in addition to all other reporting requirements. 2 U.S.C. § 434(a)(6)(B).

4. Among the contributions that the Respondents received between October 20, 1994, and November 5, 1994, there were 81 contributions of \$1,000 or more totaling \$81,000.00. The Respondents did not submit 48 Hour Notices for these contributions.

V. The Respondents failed to report campaign contributions of \$1,000 or more received after the 20th day, but more than 48 hours before the general election, within 48 hours of receipt of the contributions, in violation of 2 U.S.C. § 434(a)(6)(A).

VI. Respondents will pay a civil penalty to the Federal Election Commission in the amount of ten thousand dollars (\$10,000.00), pursuant to 2 U.S.C. § 437g(a)(5)(A), such penalty to be paid as follows:

- a. One initial payment of \$3,500 to be submitted within 10 days of the effective date of this agreement;
- b. Six additional payments of \$1,000 each, with each subsequent payment due on the first day of each succeeding month thereafter;
- c. One additional final payment of \$500; due on the first day of the month following the last payment in section b. above.

VII. The Commission, on request of anyone filing a complaint under 2 U.S.C. § 437g(a)(1) concerning the matters at issue herein or on its own motion, may review compliance with this agreement. If the Commission believes that this agreement or any requirement thereof has been violated, it may institute a civil action for relief in the United States District Court for the District of Columbia.

VIII. This agreement shall become effective as of the date that all parties hereto have executed same and the Commission has approved the entire agreement.

IX. Respondents shall have no more than 30 days from the date this agreement becomes effective to comply with and implement the requirement contained in this agreement and to so notify the Commission.

X. This Conciliation Agreement constitutes the entire agreement between the parties on the matters raised herein, and no other statement, promise, or agreement, either written or oral, made by either party or by agents of either party, that is not contained in this written agreement shall be enforceable.

Jack Immendorf, Treasurer
Friends of Frank Jordan
1375 Sutter Street, Suite 404
San Francisco, CA 94109

RE: Pre-MUR 311

Dear Mr. Immendorf:

On January 24, 1995, the Federal Election Commission received a referral from the California Fair Political Practices Commission advising the Commission that Friends of Frank Jordan may have violated the Federal Election Campaign Act of 1971, as amended.

This letter was not sent to you earlier due to an administrative oversight. After considering the circumstances of this matter, the Commission exercised its prosecutorial discretion to take no action against Friends of Frank Jordan. This case was evaluated objectively relative to other matters on the Commission's docket. In light of the information on the record, the relative significance of the case, and the amount of time that has elapsed, the Commission determined to close its file in this matter on September 3, 1996.

The confidentiality provisions of 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. In addition, although the complete file must be placed on the public record within 30 days, this could occur at any time following certification of the Commission's vote. If you wish to submit any factual or legal materials to appear on the public record, please do so as soon as possible. While the file may be placed on the public record prior to receipt of your additional materials, any permissible submissions will be added to the public record when received.

If you have any questions, please contact the Central Enforcement Docket at (202) 219-3400.

Sincerely,
