COMPLAINT

TO: Lawrence Noble, Esq.
General Counsel
Federal Election Commission

Summary

Congressman Richard Zimmer and the authorized campaign committee for his candidacy for United States Senator for the State of New Jersey, Zimmer for Senate, have illegally benefitted from expenditures made by or at the direction of the Committee for Responsible Government, the New Jersey Committee for Responsible Government, the Coalition for Lower Taxes, Jamestown Associates, and/or Lawrence and Jacqueline Weitzner that have not been reported as contributions by these entities to Mr. Zimmer's Senate campaign committee in violation of FECA.

Specifically, it is believed that Mr. Zimmer and Mr. Weitzner, who is presently chairman of Zimmer for Senate, used the Committee for Responsible Government, the New Jersey Committee for Responsible Government, and/or the Coalition for Lower Taxes, each of which is now or during relevant periods has been controlled by Mr. Weitzner, to effectively and illegally subsidize Mr. Zimmer's Senate campaign by paying substantial fees to political and other consulting firms and vendors, while Mr. Zimmer's campaign has paid relatively minuscule amounts to the same or related consultants and vendors during the same time period. Foremost among these vendors is Jamestown Associates, a firm owned and controlled by Mr. Weitzner in part or whole, as well as two other firms located at the same Princeton, NJ address as Jamestown and Mr. Weitzner.

In addition, by Mr. Weitzner's own admission, it appears that Jamestown Associates has made expenditures on behalf of and used corporate resources for the benefit of Mr. Zimmer and his campaign committee by charging Zimmer for Senate or the aforementioned committees less than fair market value for Jamestown's services.

These apparent violations of FECA are compounded by the facts that these in-kind contributions to Mr. Zimmer's Senate campaign were not reported by the Senate campaign committee nor any of the aforementioned committees, and that the value of the subsidized services and goods is believed to exceed the limits on permissible contributions by the committees to Mr. Zimmer's Senate campaign.

Moreover, it is believed that corporate funds solicited by the New Jersey Committee for Responsible Government and/or the Coalition for Lower Taxes may have been used to pay these costs, a separate violation of FECA's prohibition on the contribution of corporate funds to Federal campaigns.

Finally, it is believed that the Coalition to Lower Taxes may have been representing itself as some sort of non-profit organization without submitting the required reports and filings to tax authorities including the internal Revenue service. Referral of this last matter to the appropriate federal and state taxing authorities is requested.

Facts

Congressman Richard Zimmer is a candidate for the office of United States Senator for the State of New Jersey. His campaign committee is Zimmer for Senate, Inc. The chairman of Zimmer for Senate, and one of Mr. Zimmer's main strategists, is Lawrence Weitzner.

Unless indicated otherwise, all the following information is based on information, belief and a recent press report, a copy of which is enclosed. Mr. Weitzner is believed to be in the business of providing political consulting services. Mr. Weitzner is believed to be a principal of Jamestown Associates, a political consulting firm presently located at 741 Alexander Road, Princeton, N.J., and previously located at Mr. Weitzner's home address in

South Orange, New Jersey. FEC reports filed by Mr. Zimmer's committee show that Jamestown has been paid by the Zimmer for Senate as a consultant.

Mr. Weitzner is also the political director of the Committee for Responsible Government, a federal committee co-chaired by Mr. Zimmer. Mr. Weitzner previously served as CRG's treasurer, as did his wife, Jacqueline Weitzner. CRG also has a New Jersey affiliate, New Jersey Committee for Responsible Government, which is believed to collect corporate contributions, as permitted by New Jersey law. CRG's present chairperson is Lewis Eisenberg, who it is believed is a senior official in the Zimmer for Senate organization.

Jamestown, controlled by Mr. Weitzner, has been paid tens of thousands of dollars in consulting fees by NJCRG and CRG. In 1995, CRG paid \$40,000 to Jamestown, a portion of which was allocated to NJCRG, which presumably paid its share of the Jamestown expense with corporate funds in whole or part. CRG's stated purpose is to promote "fiscally conservative and socially inclusive" Republicans. It is not believed that CRG was particularly active in 1995 in its own name. However, Mr. Zimmer, CRG's co-chair, was launching his Senate campaign. One wonders exactly what form of support CRG gave to Mr. Zimmer. This questions gains added weight once Zimmer for Senate's payments to Jamestown are considered.

In 1995, when Zimmer for Senate was presumably very active launching Mr. Zimmer's campaign, FEC reports show that Zimmer paid Jamestown a mere \$12,000 in \$1,500 increments over the twelve months.

It is highly suspect that Zimmer for Senate's fees to Jamestown were a mere \$12,000 in a year in which Mr. Zimmer was prospecting his chances and mapping out his campaign strategy for 1996 primary and general elections, while CRG, chaired previously by Mr. Zimmer and controlled in part at present by Mr. Weitzner, paid Mr. Weitzner's firm a total of \$40,000.

The obvious implication from this tangled web of committees, the interlocking directorates and officers involving Messrs. Zimmer and Weitzner personally, and the disparity in consulting fees paid to Mr. Weitzner's consulting firm by Zimmer for Senate and CRG is that CRG and/or NJCRG assumed a portion or the bulk of the cost of Mr. Weitzner's services. At the least, a very real question exists as to the nature of the services provided by Jamestown to CRG and NJCRG, and the benefit Zimmer for Senate derived from that work.

Further, because NJCRG may have paid for a portion of Jamestown's services for Zimmer for Senate's benefit out of its state, i.e., corporate, account, it would appear that NJCRG's corporate funds have been improperly used to pay for the benefit of Mr. Zimmer's federal campaign. This would be a plain violation of FECA.

9 1 0 4 3 8 3 2 2 3

In the attached press report, Mr. Weitzner appears to have publicly contradicted Zimmer for Senate's filings, saying Jamestown has been paid \$5,000 per month by Zimmer, and \$3,750 per month by CRG. This raises questions about the accuracy of Zimmer for Senate's and CRG's FEC filings that bears additional scrutiny.

Another serious question arises from Mr. Weitzner's statement in the attached press report that the \$5,000 monthly retainer with Zimmer for Senate and/or the \$3,750 monthly retainer paid by CRG and its affiliates are "ridiculously low for the work we do for the committee." It is not clear from his statement whether Mr. Weitzner was referring to one or both of the aforementioned committees, but under any reasonable reading, this appears to be a prima facie admission that Jamestown is not providing services to Zimmer for Senate or CRG at fair market value, which in turn constitutes an illegal use of Jamestown's corporate funds to make expenditures in support and with the coordination of Zimmer for Senate officers, thereby subsidizing Mr. Zimmer's political activities through Zimmer for Senate and/or CRG.

Adding to the web of financial ties that bind the aforementioned groups is the fact that each have paid for services from a printing firm, Easy Graphics, Inc., and an accounting group, 741 Group, Inc., both of which are listed at the same address as CRG, NJCRG, and Jamestown: 741 Alexander Road, Princeton, New Jersey. The principal of these two firms is believed to be David Millner. In sum, all roads in the Zimmer campaign seem to lead to 741 Alexander Street.

The Coalition for Lower Taxes is another Zimmer-Weitzner organization previously chaired by Mr. Zimmer, and for which Mr. Weitzner served as trustee. It is believed that CLT holds itself out to the public as a nonprofit organization. However, we have been unable to identify the exact legal and tax status of this group through independent review of IRS filings available to the public. CLT ran print ads in 1993 featuring Mr. Zimmer, who was at the time considering a challenge to Senator Frank Lautenberg, and in 1995 CLT distributed mailings attacking Dick LaRossa, Mr. Zimmer's 1996 Republican primary opponent. Zimmer has been frequently quoted in CLT's advertising and mailings.

Plainly, CLT has engaged in activities benefiting Mr. Zimmer's prospective and announced candidacies, which Mr. Zimmer directly or through his surrogate/political advisor, Mr. Weitzner, were instrumental in coordinating. This raises questions about the need for CLT to have filed FEC reports, and for Zimmer for Senate and/or its predecessors to report CLT's activities as contributions. Further, the use of a non-profit entity to conduct these activities implicates serious questions about their propriety under the internal Revenue Code. This aspect of CLT's activities should be referred to the IRS for further inquiry.

We are in the process of gathering an informational package of relevant FEC reports and related materials bearing on the foregoing information, and will supplement this letter complaint with those materials within the coming days.

Requested Relief

The complex web of Zimmer-Weitzner entities and their close relations raise significant concerns that FECA, FEC regulations, and/or the Internal Revenue Code, have been violated in numerous ways. Unfortunately, the nature of the relationships makes it hard to determine from pure record review the full extent of those violations. It is respectfully requested that the FEC initiate a full and thorough investigation into these issues immediately.

Because of the close ties between Messrs. Weitzner and Zimmer, and Mr. Weitzner's apparent importance to Mr. Zimmer's political strategies, it is submitted that the FEC should act forthwith and with all due speed to address this matter and initiate enforcement action to prevent Mr. Zimmer from illegally benefitting from these apparently illegal ties and coordinated activities in his ongoing Senate race. To do otherwise allows Mr. Zimmer to gain an unfair advantage over his primary and general election opponents that are specifically proscribed by FECA and the FEC's regulations. Further, it encourages others to take the same sort of approach with relative impunity, knowing that the FEC will not report adversely until well after the election.

It is also requested that appropriate aspects of this matter be referred to IRS authorities for inquiry and action.

Respectfully submitted,

William Kane
President

Zimmer's Funding Questioned

Dems Allege Election Laws Being Broken

By MICHELLE
PELLEMANS
H&N Trenton Bureau

TRENTON — It is, by most standards, just an average office building sitting at 741 Alexander Road in Princeton. But to opponents of Rep. Dick Zimmer, R-Hunterdon, the building is more than that, a mecca for businesses specifically catering to Zimmer's political ambitions, perhaps improperly.

And the lightning rod for that criticism is Larry Weitzner, a former member of the Kean administration who now chairs Zimmer's campaign for the U.S. Senate seat being vacated by Democrat Bill Bradley.

Observers on both sides of the political aisle are raising red flags on the business and political arrangements Weitzner has struck with Zimmer — a tangled web of political and corporate interests whose ties stretch to Republican Gov. Christine Todd Whitman.

Those interests, all of them based at 741 Alexander Road, include:

- The Committee for Responsible Government: A federal political action committee closely connected to Whitman which Democrats charge has clandestinely been paying a portion of Zimmer's campaign expenses.

In the past, both Weitzner and his wife, Jacqueline, have been listed as the PAC's

Zimmer:

Campaign Funding Brought Into Question

Continued from Page A1

treasurer. Weitzner now lists himself as the PAC's political director. Zimmer, who co-chaired Whitman's 1993 gubernatorial campaign, is listed as CRG's co-chairman.

■ **Jamestown Associates:** A political consulting firm owned by Weitzner which — like CRG — originally listed its location as Weitzner's South Orange home address. It has since relocated to the Princeton address. Records on file with the Federal Election Commission in Washington show that Jamestown Associates has rasped tens of thousands of dollars through business arrangements with CRG, NJCRG and the Zimmer for Senate campaign. But in an interview Friday, Weitzner denied the allegations, saying his firm was paid \$5,000 monthly by the Zimmer campaign and \$3,750 by the CRG, an amount "ridiculously low for the work we do for the committee."

The reality, he said, is that Democrats are the ones subsidizing campaigns, including the Democratic State Committee on behalf of Rep. Robert Torricelli. "Because someone has contracts with different candidates, to suggest one is subsidizing the other is absurd," Weitzner said.

■ **Coalition for Lower Taxes:** A nonprofit organization which touted itself as the "answer to well-heeled lobbyists," founded in 1993 and formerly chaired by Zimmer. Weitzner, a trustee of the organization which now consists of 29,000 to 30,000 members, served as its political director. Both Zimmer and Weitzner have since relinquished their roles with the coalition, Weitzner said.

State Sen. Dick LaRossa, R-Mercer, one of Zimmer's opponents in last week's GOP primary contest for the Senate seat, last year filed a complaint with the Federal Election Committee in Washington over Zimmer's use of the coalition against him.

Opponents have also questioned two other businesses with ties to Zimmer that operate out of the Princeton address. Both Easy Graphics, Inc. and 741 Group, Inc. — two firms which handle printing and accounting work for the CRG, NJCRG and Zimmer for Senate — were owned by David Milner, the treasurer of the Zimmer for Senate campaign, and current CRG treasurer, according to FEC records. Milner has since sold his interest in Easy Graphics, Weitzner said.

As the showdown between Zimmer and Torricelli over the Bradley seat gets under way, Democrats may attempt to press for closer scrutiny of the Zimmer operations, particularly regarding whether election laws have been circumvented.

Up to now, speculation has centered on the connection between Zimmer and his campaign operatives' business operations, and whether Whitman's federal PAC, through Weitzner's and Zimmer's influence, has been picking up a portion of the Zimmer for Senate expense tab.

Although Weitzner strongly denies such an arrangement, saying that the CRG is "(PAC Chairman) Lew Eisenberg's brainchild and his program," observers have questioned the financial links between the PAC and Zimmer's campaign.

For example, FEC reports show that in 1995, the year in which the Zimmer campaign registered with the FEC, the CRG disbursed at least \$48,000 to Jamestown Associates in consulting fees. A portion of that money was allocated to state affiliates. At the same time, the CRG contributed \$10,000 to the Zimmer campaign, the largest single contribution that year, according to FEC reports.

period, Zimmer for Senate, 1995, paid Jamestown Associates a total of \$12,000 in consulting fees were noted as \$300 and paid sporadically over the course of the year.

Noting the links binding the Zimmer candidacy, the federal CRG and its state affiliate, New Jersey Common Cause Executive Director Dennis Jaffe is among those questioning the arrangements. "It is legitimate to question whether there is money being raised to advance the ambitions of one officeholder that may appear to circumvent campaign finance laws," he said.

Zimmer himself is a former president of the watchdog organization.

In addition, Zimmer's former Republican opponent still has an outstanding complaint lodged with the FEC. LaRossa's complaint stemmed in part from Zimmer's use of the Coalition for Lower Taxes to bankroll a political mailing against LaRossa, at the time mentioned as a potential Zimmer rival for the upcoming primary.

Because the coalition is a nonprofit group, no disclosure reports are available on its fund-raising activities or disbursements.

18. According to the first half 1995 FEC reports filed by Mr. Zimmer's campaign committee, his campaign's address was listed as 741 Alexander Road, Princeton.

THE 741 ALEXANDER ENTITIES

19. Mr. Weitzner is believed to be in the business of providing political consulting services. Mr. Weitzner is believed to be a principal of Jamestown Associates, a political consulting firm presently located at 741 Alexander Road, Princeton, N.J., and previously located at Mr. Weitzner's home address in South Orange, New Jersey.

20. As detailed at greater length within, FEC reports filed by Mr. Zimmer's committee show that Jamestown has been paid \$32,000 by Zimmer for Senate as a consultant from January 1995 through the first quarter of 1996. (Exhibit A)

21. Mr. Weitzner's phone number, as supplied on at least one Zimmer for Senate press release, is 609-799-3957. (Exhibit B)

22. When this phone number is called, the receptionist answers the phone "Murray & Weitzner". It is believed that Mr. Weitzner is business partners with David Murray in a consulting firm known as Murray/Weitzner Group, also located at 741 Alexander Road, Princeton.

23. Although Mr. Zimmer has sought in the past to downplay or disavow a relationship with Mr. Murray through Mr. Weitzner, the October 15, 1994 Quarterly Report for CFRG, prepared and signed by Mr. Weitzner's wife, Jacqueline Weitzner, lists a contribution of \$1,000 from Larry Weitzner, 741 Alexander Road, Princeton, and indicates that Mr. Weitzner was at the time a consultant employed by "Murray/Weitzner Group." In MUR 4238, Mr. Murray conceded that he has worked on joint projects with Mr. Weitzner under the name "Murray/Weitzner Group."

24. David Murray also owns and controls a consulting firm known as "David J. Murray & Associates", also located at 741 Alexander Road, Princeton, and also listed with the phone number 609-799-3957.

25. In addition to CFRG, NJCFRG, CLT and the aforementioned Weitzner/Murray business entities, at least two other businesses appear to be relevant to the web of financial ties that bind the aforementioned groups through their common location at 741 Alexander Road, Princeton: a printing firm, Easy Graphics, Inc., and a firm involved in advertising and/or accounting, 741 Group, Inc., both of which are listed at the same address as CFRG, NJCFRG, and Jamestown.

26. The principal of 741 Group is believed to be David Millner, treasurer of Zimmer for Senate and of CFRG.

27. Millner is also believed to be the former owner of Easy Graphics. Public filings with the New Jersey Secretary of State indicate that Millner retains a secured interest in Easy Graphics in connection with Millner's financing of the new owner's purchase of that firm.

28. In short, all roads in the Zimmer campaign seem to lead to 741 Alexander Street.

THE LAW REGARDING COMMON VENDORS

29. Commission precedent indicates that the use of common vendors by candidate and political committees "destroys the independence" of the expenditure of funds by the political committees. This is because the vendors necessarily possess knowledge of the candidate committee's plans and goals that inevitably will be taken into account in serving the political committees and will influence the political committee's activities, thereby benefitting the candidate committee. Advisory Opinion 1979-80; 1982-20.

30. As a result, the Commission has stated that the use of common vendors "raises the presumption that the expenditure [by the political committee] is made with the cooperation or prior consent of, or in consultation with, or at the request or suggestion of a candidate or any agent or authorized committee of such candidate." Thus, even in cases where an expenditure may by all other indicia appear to be independent, the Commission has held that the engagement of common vendors destroys that independence. Advisory Opinion 1979-80; 1982-20.

31. Just as the use of common vendors by different committees can destroy the independence of expenditures made by them, the use of common vendors by various political committees controlled by Mr. Zimmer and his close political advisor, treasurer and senior fundraiser, Messrs. Weitzner, Millner and Eisenberg, should be deemed to raise the presumption that work performed on behalf of these political committees has furthered the purpose of electing Mr. Zimmer to the Senate and/or defeating his primary and general election opponents.

32. As a result, any expenditures by CFRG (as well as NJCFRG and CLT) to the common vendors must be deemed in-kind contributions to Zimmer's House and/or Senate campaign committees, unless the political committees can prove otherwise.

33. In light of the total amounts of these payments (at least \$200,000 in 1995 and the first quarter of 1996) by CFRG, NJCFRG and CLT to the common vendors -- Jamestown, 741 Group and Easy Graphics -- whose principals also serve Zimmer for Senate as both consultants and senior officers, such in-kind contributions likely exceeded the applicable contribution limitations under FECA. To the extent any expenditures benefiting Zimmer's campaign committee were made with corporate contributions received by NJCFRG or CLT, such contributions would have been clearly prohibited by FECA.

COORDINATED EXPENDITURES BY CFRG/NJCFRG TO COMMON VENDORS

34. It is believed that respondents Zimmer, Weitzner, Millner, Murray and Eisenberg have used CFRG and NJCFRG as unauthorized committees in support of Mr. Zimmer's 1996 campaign for U.S. Senate to circumvent the FECA's limits on contributions to candidate committees, the FECA's prohibitions on the use of corporate funds raised by NJCFRG and/or CLT for the benefit of Zimmer for Senate, and in so doing have committed several additional violations of FECA by failing to have Zimmer for Senate, CFRG, NJCFRG and/or CLT to report these excessive and impermissible in-kind contributions of services to Zimmer for Senate.

35. A chart summarizing the various sums paid in 1995 and 1996 to Jamestown, 741 Group and Easy Graphics by Zimmer, CFRG and NJCFRG based on an analysis of their respective FEC and NJELEC public filings is annexed as Exhibit A. Copies of all of NJCFRG's 1995 and 1996 reports are annexed as Exhibit C for the Commission's convenience.

36. This summary confirms the extensive use of common vendors by these three committees. On closer inspection of the respective activities of CFRG, NJCFRG and Zimmer for Senate in 1995, the summary strongly suggests that many of the expenditures to the common vendors by CFRG and NJCFRG were for the direct or indirect benefit of Zimmer for Senate's primary or general election campaigns.

37. It is not believed that CFRG was particularly active in 1995 in its own name, inasmuch as there were few, if any federal elections of note that year.

38. However, Mr. Zimmer, CFRG's co-chair, was actively launching his Senate campaign in 1995, during which time he reported raising approximately \$2.5 million. Mr. Zimmer was challenged by two other individuals in the 1996 Republican primary, and was presumably actively preparing for and responding to those intra-party challenges. As a key consultant to Zimmer, Mr. Weitzner was presumably very active in Mr. Zimmer's primary campaign and fundraising efforts during 1995.

39. However, FEC reports show that Zimmer for Senate paid Jamestown only \$12,000 in monthly \$1,500 increments over 1995.

40. Over the same period, Jamestown (and thus Mr. Weitzner) was paid tens of thousands of dollars in additional fees -- at a monthly rate of approximately \$2,500 -- by NJCFRG and CFRG in 1995, the organizations controlled by Zimmer and himself, for unspecified consulting services. In 1995, CFRG paid approximately \$40,000 in fees and \$4,000 in expenses to Jamestown, 75% of which was paid by NJCFRG, which presumably paid its share with corporate funds.

97043237

41. Federal election activity was very limited in 1995, there being very few races other than special elections. The majority of CFRG's 1995 contributions and expenditures went to Zimmer for Senate and the Weitzner/Murray/Millner firms located at 741 Alexander.

42. According to CFRG's 1995 Year End Report, CFRG raised \$385,690 in 1995, but disbursed only \$88,439 in expenses and contributions to candidates. Of its total 1995 expenses, over a third (approximately \$35,000) was paid to Jamestown, 741 Group and Easy Graphics.

43. Of CFRG's total 1995 contributions of \$17,700 to other candidate and political committees, \$10,000, well over 50% of CFRG's contributions, went to Zimmer for Senate.

44. Thus, \$45,000, or over half of CFRG's 1995 expenditures, went directly to Zimmer for Senate or the senior operatives and consultants to Zimmer for Senate, Weitzner, Murray and/or Millner.

45. It thus appears that in 1995, CFRG was mainly involved in assisting Zimmer for Senate, and was little more than Zimmer for Senate's alter ego.

46. Notably, CFRG maintained a war chest of \$312,000 going into 1996, the year in which its co-chair, Mr. Zimmer, would be in the heat of the Senate race.

47. That large war chest is likely to be the source for subsidizing Zimmer for Senate in 1996. In the first quater of 1996 alone, CFRG's reported paying Jamestown about \$9,000, and 741 Group and Easy Graphics about \$4,100 in its April 15 1996 Quarterly Report. The report shows that CFRG increased its monthly consulting payment to Jamestown from \$875 to \$3,750 -- an annual rate of \$45,000.

48. At the same time CFRG's monthly payment to Jamestown increased dramatically in early 1996, CFRG was not involved in significant fundraising or contribution-making during the period -- raising only \$9,400, and contributing only \$6,500 to other candidates or campaign committees.

49. This suggests that CFRG's increased retainer with Jamestown/Weitzner was more likely than not a means of compensating Weitzner for his time on the Zimmer campaign, rather than for bona fide activities for CFRG unrelated to Zimmer's Senate campaign.

50. Like the foregoing analysis with respect to CFRG, an analysis of NJCFRG's 1995-96 financial activity suggests that NJCFRG also has subsidized Zimmer for Senate by paying large sums to the firms owned by Mr. Zimmer's key strategists.

51. According to NJCFRG's 1995 Year End Report to NJELEC, NJCFRG raised \$718,714, and disbursed \$429,553 towards its fundraising and other activities.

Approximately \$229,000 went towards expenses, of which approximately \$65,000 was paid to Jamestown, 741 Group and Easy Graphics.

52. NJCFRG's reports suggest that most of its 1995 activity involved raising funds from corporate and other donors (especially from the investment community) and then in turn contributing those funds to candidate committees. It does not appear from NJCFRG's reports that it was pursuing independent political strategies or making in-kind contributions of polling or consulting services to New Jersey candidates in 1995 such that \$40,000 in services from a political consulting firm such as Jamestown Associates would be necessary.

53. Given Mr. Zimmer's launching of his campaign in 1995, the reasonable assumption is that NJCFRG and CFRG helped subsidize the Zimmer campaign to the maximum extent -- a maximum contribution, plus nearly \$100,000 in business to Zimmer's key consultant, Larry Weitzner.

54. In total, for the full year of 1995 and first quarter of 1996, CFRG and NJCFRG have paid \$119,685 to the Jamestown/741 Group/Easy Graphics concerns -- \$48,000 by CFRG, and \$71,218 by NJCFRG. Zimmer for Senate has paid these entities only \$62,169 over that period.

55. It is highly suspect that Zimmer for Senate's fees to Jamestown were a mere \$12,000 in a year in which Mr. Zimmer was prospecting his chances and mapping out his campaign strategy for 1996 primary and general elections, while CFRG and NJCFRG, chaired previously by Mr. Zimmer and controlled in part at present by Mr. Weitzner, paid Mr. Weitzner's firm a total of \$40,000.

56. The average citizen is left to wonder exactly what is going on here. The use of the separate candidate and political committees with virtually identical, interlocking officers and vendors suggests that the political committees, especially CFRG, is little more than a conduit for raising and spending additional funds for the benefit of the committees' co-chair, Mr. Zimmer, and his Senate campaign.

57. Given the law regarding the presumption of coordination that flows from the use of common vendors by a candidate committee (here, Zimmer for Senate) and ostensibly separate political committees (here, CFRG, NJCFRG and CLT), and given that in this case, the candidate and his senior campaign officials/consultants also serve as senior officers of the political committees, it follows that the activities of the political committees' should be deemed presumptively coordinated with and made with the cooperation of the Zimmer campaign, in which case the political committees' expenditures must be treated as in-kind contributions to Zimmer's campaign committee.

58. To the extent these in-kind contributions exceeded FECA limits, were made with corporate funds prohibited by FECA, and were not reported by the contributing or recipient committees, the respondents have violated FECA and the Commission's rules.

59. The extent of the improper contributions from CFRG, NJCFRG and CLT depends, of course, on the nature of the various "consulting activities" that Jamestown provided to them. It is respectfully submitted that the FEC should fully investigate -- by way of an audit of the respondent committees, the taking of depositions or sworn statements of the individual respondents, and a review of any consulting or other agreements between the respondent entities -- the nature and extent of these committees' activities and for whose benefit they were performed.

CFRG'S FAILURE TO REPORT ADMINISTRATIVE EXPENSES & CORPORATE CONTRIBUTION OF THOSE AND OTHER EXPENSES BY JAMESTOWN

60. That such an inquiry is appropriate here is confirmed by the FEC's prior identification of questionable practices in CFRG's reports. The FEC already identified certain anomalies in CFRG's 1994 and 1995 reports, before this complaint was filed, that suggest that the committees have some difficulty in separating the work performed for them by their common vendors.

61. On November 2, 1994, FEC Reports Analyst Stephen Cohen noted that CFRG had disclosed "no payments for administrative expenses" in its October 1994 Quarterly Report, which if paid by another would have to be deemed (unreported) in-kind contributions to CFRG. (Exhibit D)

62. On January 5, 1996, FEC Reports Analyst Vincent Tallman noted that CFRG's July 1995 Quarterly Report "discloses limited payments for administrative expenses" of this sort. (Exhibit E)

63. According to the reports of CFRG and NJCFRG, neither organization has since inception and to date ever paid any rent, phone bills or utilities expenses in connection with their activities.

64. David Millner, responding as the treasurer of CFRG, advised the Commission on January 22, 1996 that such administrative expenses were included in the consulting fees charged to CFRG by Jamestown Associates. (Exhibit F)

65. This explanation is unsatisfactory, in light of the fact that Jamestown has billed Zimmer for Senate, CFRG and NJCFRG separately, in addition to monthly retainer payments, for over \$12,000 in various travel, mail and other expense reimbursements from January 1995 through the first quarter of 1996. They have never paid for expenses such as rent, phone and utilities, even though CFRG and NJCFRG used the same phone number as Jamestown Associates, the Murray/Weitzner Group and David J. Murray & Associates.

66. Another serious question arises from Mr. Weitzner's statement in the press report annexed to the original Complaint that the \$5,000 monthly retainer with Zimmer for Senate and/or the \$3,750 monthly retainer paid by CFRG and its affiliates are "ridiculously

low for the work we do for the committee." This would appear to be true, especially if rent, utilities and phone costs are, as Millner claimed, included in those fees.

67. It is not clear from his statement whether Mr. Weitzner was referring to one or both of the aforementioned committees, but under any reasonable reading, this appears to be a prima facie admission that Jamestown is not providing services to CFRG, and thus Zimmer for Senate, at fair market value.

68. It is respectfully submitted that either (i) Jamestown Associates, Murray/Weitzner Group, David J. Murray & Associates, Easy Graphics, 741 Group and/or other corporate entities housed at 741 Alexander Road unlawfully made in-kind contributions of these rent, phone, utility and other administrative expenses to CFRG, or (ii) Jamestown has provided consulting services at below market rates.

69. In light of the interlocking vendors and directors of the respondent committees, this would also constitute an illegal use of one or more of the 741 Alexander firms' corporate funds in support and with the coordination of Zimmer for Senate officers, thereby subsidizing Mr. Zimmer's political activities through CFRG.

70. The failure to report rent and similar administrative expenses is not the only anomaly revealed in CFRG's FEC reports. CFRG and NJCFRG also misallocated the federal and state shares of CFRG/NJCFRG expenses -- unsurprisingly, to the benefit of CFRG. As noted by Report Analyst Tallman in his January 5, 1996 letter, CFRG reported that 35% of CFRG/NJCFRG's 1995 administrative costs should have been paid from CFRG's federal funds, when in fact CFRG paid only 25% of those costs. The remainder was paid with FECA-prohibited corporate funds collected by NJCFRG.

71. Likewise, Tallman discovered that although 35.85% of the expense of a March 30, 1995 fundraising event should have been paid by CFRG, CFRG actually paid only 22.6% of the cost. As a result, NJCFRG was paying -- with FECA-prohibited corporate money -- an inordinate share of CFRG's expenses.

72. This sort of sleight-of-hand accounting -- which was the personal responsibility of Weitzner, who had served as treasurer of CFRG and NJCFRG, and/or Millner, who now serves as the treasurer of CFRG and received \$17,000 in accounting fees from CFRG and NJCFRG in 1995 -- necessarily casts doubt on the ability of these individuals and the common vendors, and the candidate and political committees to properly segregate and attribute the work being performed by Jamestown Associates, 741 Group and Easy Graphics for the various committees.

COALITION FOR LOWER TAXES

73. The Coalition for Lower Taxes is another Zimmer-Weitzner organization previously chaired by Mr. Zimmer, and for which Mr. Weitzner served as trustee.

74. It is difficult for the public to understand CLT's activities, because it has attempted to shield itself from any public scrutiny. In addition to not registering or reporting as a federal or New Jersey political committee, CLT has not filed annual Form 990s with the IRS required of 501(c)(3) non-profits, nor the Form POL-1120s generally required of §527 political non-profits.

75. It is believed that CLT holds itself out to the public as a nonprofit organization. However, Complainant has been unable to identify the exact legal and tax status of this group through independent review of IRS filings available to the public.

76. Although CLT has not submitted any filings with the FEC or NJELEC from which its vendors can be confirmed, the Commission's inquiry in a complaint filed by Mr. Zimmer's Republican Senate primary candidate, Dick LaRossa, indicates that Mr. Weitzner and/or one or more of his firms have prepared pro-Zimmer, anti-LaRossa materials for CLT.

77. At least two CLT mailings encourage voters to contact CLT at "Dick Zimmer, Coalition for Lower Taxes, 741 Alexander Road, Princeton, NJ 08540". (Exhibits G and H)

78. CLT ran print ads in 1993 featuring Mr. Zimmer, who was at the time considering a challenge to Senator Frank Lautenberg, and in 1995 CLT distributed mailings attacking Dick LaRossa, Mr. Zimmer's 1996 Republican primary opponent.

79. Zimmer has been frequently quoted in CLT's advertising and mailings.

80. Plainly, CLT has engaged in activities benefiting Mr. Zimmer's prospective and announced candidacies, which Mr. Zimmer directly or through his surrogate/political advisor, Mr. Weitzner, were instrumental in coordinating.

81. Although Commission staff found no reason for further action with respect to CLT in a previous MUR raised by Mr. LaRossa, Complainant submits that the Commission did not there consider the nefarious effect of the common leadership of and vendors used by CLT, Zimmer for Senate, CFRG and NJCFRG.

82. Like the activities of CFRG and NJCFRG, the activities of CLT should be presumed to be coordinated with those of Zimmer's campaign committees, and its expenditures should be deemed to be made in furtherance of Zimmer's Senate race.

83. The use of a non-profit entity to conduct these activities implicates serious questions about their propriety under the Internal Revenue Code. This aspect of CLT's activities should be referred to the IRS for further inquiry.

CONCLUSION & REQUESTED RELIEF

84. The obvious implication from this tangled web of committees, the interlocking directorates and officers involving Messrs. Zimmer and Weitzner personally, and the disparity in consulting fees paid to Mr. Weitzner's consulting firm by Zimmer for Senate and CFRG is that CFRG and/or NJCFRG assumed a portion or the bulk of the cost of Mr. Weitzner's, Mr. Millner's and/or Mr. Murray's services.

85. Conducting these disparate activities under one roof through separate yet common vendors for ostensibly separate, but in fact closely related, committees is little more than the electoral equivalent of the hustler's shell game, or three-card monte.

86. The arrangement conceived by the respondents (i) allows respondents to shift expenses, especially Mr. Weitzner's services, that should have been borne by Zimmer for Senate to CFRG, NJCFRG and/or CLT, and (ii) allows them to subsidize Mr. Zimmer's Senate campaign by permitting contributors who have "maxed out" to Mr. Zimmer's campaign committee to contribute up to \$5,000 or \$10,000 per year to CFRG, and unlimited amounts to NJCFRG and CLT, which in turn pay Mr. Zimmer's political consultants, Larry Weitzner, David Murray and David Millner -- under the aegis of Jamestown, 741 Group and Easy Graphics.

87. It is for this very reason that the Commission has declared that the use of common vendors is presumptively a sign of coordinated activities, which should have been treated and reported as in-kind contributions to Zimmer for Senate.

88. Much as the law allows for the corporate form to be pierced when it has been abused, the artifice of the ostensibly separate political committees created and run by Zimmer, Weitzner, Millner and Eisenberg -- CFRG, NJCFRG and CLT -- should be disregarded and treated as the alter ego of Zimmer for Senate based on their common officers and vendors and the apparent commingling of funds and work among the committees for the purpose of evading the strictures of FECA and the Commission's regulations.

89. Even if the Commission is not prepared to declare the disbursement of funds by CFRG, NJCFRG and CLT to the Weitzner/Murray/Millner entities to be presumptively in-kind contributions to Zimmer for Senate, a real factual question exists as to the nature of the services provided by the common vendors to CFRG, NJCFRG and CLT, and the benefit Zimmer for Senate derived from those services.

90. It is respectfully requested that the FEC initiate a full and thorough investigation into these issues immediately, including a thorough audit of the respondent

committees and their officers, for the purpose of reviewing their respective activities and methods of accounting for and segregating the costs of their activities.

91. Because of the close ties between Messrs. Zimmer, Weitzner, Millner and Eisenberg, and Mr. Weitzner's apparent importance to Mr. Zimmer's political strategies and Mr. Eisenberg's importance in Mr. Zimmer's fundraising activities, it is submitted that the FEC should act forthwith and with all due speed to address this matter and initiate enforcement action to prevent Mr. Zimmer and his campaign from illegally benefitting from these apparently illegal ties and coordinated activities.

92. To do otherwise would allow Mr. Zimmer to gain an unfair advantage over his primary and general election opponents that are specifically proscribed by FECA and the FEC's regulations. Further, it encourages others to take the same sort of approach with relative impunity, knowing that the FEC will not report adversely until well after the election.

93. A finding of sufficient reason and probable cause to believe that respondents have engaged in multiple violations of FECA should be reached, and the Commission should seek penalties against respondents to the extent authorized by FECA.

94. It is also requested that appropriate aspects of this matter be referred to IRS authorities for further inquiry and action.

Respectfully submitted,

William Kane

NEW COMPLAINT FILED AGAINST ZIMMER FOR ILLEGAL SLUSH FUND

The New Jersey State Industrial Union Council today announced that they will amend their June 12th Federal Election Commission complaint against Richard Zimmer to include new evidence that Zimmer's Senate campaign and his political action committee, the Committee for Responsible Government, have received illegal in-kind corporate contributions.

"Dick Zimmer continues to weave his tangled web of deceit and hidden slush funds. It's becoming clearer and clearer that the extent of illegalities in the Zimmer operation extend far beyond anything we previously thought possible," said Bill Kane, President of the IUC.

According to the IUC's amended complaint:

- The Committee for Responsible Government has never paid rent to any of its corporate landlords. Under federal law, a corporate entity may not make contributions to a federal PAC either through direct or in-kind donations -- like free rent.
- Dick Zimmer's 1995 Congressional campaign listed its address as 741 Alexander Road -- the nucleus of Zimmer's tangled web of PACs and political operatives. Yet no payments for rent to any of the Weitzner corporations housed at this address ever appear in FEC records.
- Dick Zimmer's Senate campaign has received illegal in-kind contributions in the form of unpaid phone bills. When questioned by the FEC on this matter, the Committee replied that their phone bill was paid by Jamestown Associates. However, the phone number appearing on Committee for Responsible Government literature is not that of Jamestown Associates, but rather that of David J. Murray. Since Zimmer never paid for the phone, it's an unreported, illegal in-kind contribution.

"The people of New Jersey have a right to know who's paying for Dick Zimmer's political operation. Clearly, Dick Zimmer knows that he cannot play by the rules and win this election," said Kane.

9704332252

"This arrangement does not pass the smell test. The FEC needs to broaden its investigation into Zimmer-gate. Who's paying the rent? Who's paying the phone bills? Dick Zimmer has got to come clean now," said Kane.

The IUC's original complaint charged that: 1) Dick Zimmer illegally funneled contributions from his state and federal political actions committees in an effort to improperly subsidize his Senate campaign; 2) Zimmer's PACs illegally paid for Senate campaign activities; and 3) Zimmer's non-profit organization, the Coalition for Lower Taxes, violated its tax status by running advertisements that prominently displayed him.

"Zimmer's operation is incestuous and illegal. Dick Zimmer and his minions have put together a seamless operation. I think we may only now be seeing the tip of the iceberg," concluded Kane.

Jacqueline Ilene Weitzner, Treasurer
Committee For Responsible Government

Princeton, NJ 08540

NOV 2 1994

Identification Number: C00282004

Reference: October Quarterly Report (7/1/94-9/30/94)

Dear Ms. Weitzner:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(d) preclude a committee from receiving contributions from another political committee or person in excess of \$5,000 per calendar year.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeded the limits, you must seek reattribution of the contribution pursuant to 11 CFR §110.1(k), transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections or refund the excessive amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest of your committee, all reattributions, transfers-out, and refunds should be made within sixty days of the treasurer's receipt of the contribution(s). The Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of granting written authorization for a reattribution or transfer-out to another account or receiving a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is

received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

-Your report discloses no payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, rent, utilities, salaries, telephone service, office equipment and supplies. Any such payments to a person aggregating in excess of \$200 in a calendar year must be disclosed on Schedule B, supporting Line 21(b) of the Detailed Summary Page. 2 U.S.C. §434(b)(5) If these expenses are being paid by a connected organization, your Statement of Organization must be amended to reflect this relationship. 2 U.S.C. §433(b)(2) In addition, if expenses have been incurred but not paid in a reporting period, the activity should be disclosed as a debt on Schedule D, if the obligation is \$500 or more, or outstanding for sixty days or more. 11 CFR §104.11

Any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that person, and would be subject to the disclosure requirements of 2 U.S.C. §434(b)(3) and 11 CFR §104.13, and the limitations and prohibitions of 2 U.S.C. §441a and 441b.

Clarification regarding administrative expenses should be disclosed during each two year election cycle beginning with the first report filed in the non-election year. Please provide the necessary information regarding administrative expenses incurred by your committee and/or amend your report to disclose such expenses according to the referenced provisions of the Act and Commission Regulations.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this

Reference: July Quarterly Report (4/1/95-6/30/95)

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Please provide a Schedule H3 to support the entry reported on Line 18 of the Detailed Summary Page. All transfers received from a committee's non-federal account for joint activity must be itemized on Schedule H3 regardless of the amount transferred. 2 U.S.C. §434(b)(3)(D)

-Schedule H1 indicates that the federal allocation for administrative and generic voter drive costs is 35%. However, Commission calculations for the disbursements listed on Schedule H4 disclose the federal share to be 25%. Furthermore, on Schedule H2 of your report you disclose the ratio for March 30th Event to be 35.85% FEDERAL and 64.15% NON-FEDERAL. However, your H4 calculations reflect the ratio to be 22.6% FEDERAL and 77.4% NON-FEDERAL. Please amend your report to clarify this discrepancy.

Please note that if your non-federal account has overpaid your federal account because of these miscalculations, it will be necessary to immediately transfer these funds back to the non-federal account. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration.

COMMITTEE FOR RESPONSIBLE
GOVERNMENT
PAGE 2

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) from an organization(s) which is not a political committee registered with the Commission. In order for your committee to accept contributions from unregistered organizations into accounts used to influence federal elections, your committee should take steps to insure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 2 U.S.C. §§441a(f) and 441b or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible. To the extent that your committee has received impermissible funds, the Commission recommends that you transfer the impermissible funds to an account not used to influence federal elections or refund the impermissible amount(s) to the donor(s) in accordance with 11 CFR §103.3(b). In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of receiving a refund or granting written authorization for a transfer to another account.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. Should you choose to transfer-out or refund the contribution(s), the Commission will presume the funds were impermissible if no statement from your committee provides information to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, prompt action by your committee in transferring-out or refunding the amounts will be taken into consideration.

-For your information, all contributions received that aggregate \$200 or less per individual for the calendar year should be reported on Line 11(a)(ii). Contributions received aggregating over \$200 per individual for the calendar year should be reported on Line 11(a)(i) and itemized on Schedule A.

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have failed to check the appropriate CATEGORY box and failed to include the total EVENT YEAR-TO-DATE amount for the payments made to all vendors. Please amend your report to include the missing information.

-It has come to the attention of the Federal Election Commission that the reports you have filed during the current election cycle do not reflect the appropriate coverage dates for quarterly filing status. Please be advised of the filing dates and coverage periods for the 1995-1996 election cycle and fill in the appropriate dates on Line 5 of the Summary Page.

Dear Mr. Tallman,

In response to your letter of January 5, 1996, enclosed is our Amended Report for period ending 6/30/95. Specifically:

- As per your instructions, we deleted the amounts reported on lines 18, and 21(a) of the Detailed Summary Page and changed the entries of Non-Federal Share Disbursements reported on Schedule H4 to memo entries. We have also reflected these changes on lines 6 (c), 6 (d), and 7, Columns A and B of the Summary Page. We paid these disbursements with two checks - one from our Federal and one from our Non-Federal accounts in the allocation ratio reported and did not directly transfer funds from our Non-Federal to Federal account.
- We transferred \$6,630.44 from our Federal account to our Non-Federal account on September 25, 1995 and reported that transfer in our letter to you of the same date (copy enclosed). We will be reporting this transfer in the Year-End Report for 1995. With this transfer the calculated allocation ratios as reported on Schedules H1 and H2 are correct.
- We have transferred the contribution from Met-PAC to our Non-Federal account.
- As per your instructions, we have checked the appropriate category box and included the total event year-to-date amount for the payments made to all vendors on Schedule H4 supporting Line 21 (a) of the Detailed Summary Page.

• Administrative expenses including, but not limited to, rent, utilities, salaries, telephone service, office equipment and supplies, are part of vendor Jamestown Associates' consulting fees which are reported on Schedule H4.

If you require any additional information please contact me.

Sincerely,

David Millner

RE: MUR No. 4386

Dear Ms. Sealander:

Please accept this letter in response to a complaint filed by the New Jersey AFL-CIO, Docket No. MUR 4387 on behalf of the Committee for Responsible Government (CRG) and two individuals who were briefly mentioned in the complaint, Jacqueline Weitzner and Lewis Eisenberg.

In 1995, CRG was both a political committee registered with the Federal Election Commission and a political action committee registered under the laws of the State of New Jersey (commonly referred to as NJCRG). CRG promotes certain political philosophy and goals. They are: a) to support candidates who are fiscally conservative and socially inclusive; b) to conduct seminars and political forums where such like minded candidates may present their views; and c) to encourage young republicans to participate in the political process who share CRG's goals.

CRG has no employees. As a result, Jamestown Associates has been assigned specific tasks and responsibilities by CRG in order to fulfill CRG's mandates. Jamestown Associates was retained to institute programs, conduct forums, and develop a newsletter, all of which are intended to cultivate interest of young republicans. Jamestown Associates also makes recommendations concerning which candidates CRG should support.

I.

The complaint seems to allege that CRG and NJCRG were illegally underwriting the cost of Zimmer for Senate by retaining Jamestown Associates, which is also a consultant to the Zimmer for Senate Committee. Contrary to this allegation, CRG pays Jamestown Associates a very reasonable sum of \$3,750 per month for its services. CRG believes this amount is the fair market value of the services. As permitted by the Regulations of the Federal Election Commission, this amount is allocated among the overhead costs of the committee, depending on the committee's activities for the period. These expenditures are properly reported on the reports CRG files with the Commission and with the election authorities in New Jersey.

For some unknown reason, the New Jersey AFL-CIO alleges that CRG was not "particularly active in 1995 in its own name". The complainant apparently was not aware that the State had numerous local elections in 1995. NJCRG was particularly active in races for the state legislature, where every member of the State Assembly was on the ballot. NJCRG made close to \$200,000 in campaign contributions. Jamestown Associates and in particular its principal Mr. Weitzner was actively involved in evaluating the soundness of these contributions. In light of Jamestown Associates' involvement, its fees were fair and reasonable. There is no validity or factual basis to the assertion made by the complainant that CRG in any way underwrote Jamestown's work for any other client, including the Zimmer for Senate campaign.

The New Jersey AFL-CIO relies solely on a newspaper article as the basis for bringing this complaint. Since the newspaper has printed a substantial retraction and that article has been corrected in many material respects, the credibility of the complaint is suspect. A copy of the correction is attached to this response. Obviously, the complaint was filed out of political motivation rather than any substantive basis.

II

There are no specific allegations against Ms. Weitzner or Mr. Eisenberg; but the following facts are set forth for informational purposes. Ms. Weitzner appears to be named in the complaint because she was treasurer of CRG in 1996. Since the allegations only concern 1995 when Ms. Weitzner had no involvement, the complaint as it applies to her should be dismissed. With regard to Mr. Eisenberg, he is chairman of CRG, but he is not named in the caption as a defendant. Based on same, it is presumed that no violation is alleged against him.

In closing, CRG is aware of the limitations and prohibitions of the federal election law and believe that they have complied with them at all times.

Accordingly, the Commission should dismiss this complaint.

Very truly yours,

Committee for Responsible Government

CORRECTIONS

A story that appeared on Page A-1 in the June 10 editions, regarding Rep. Dick Zimmer's U.S. Senate campaign, requires the following clarification and correction:

■ The article did not include the disposition of a 1993 Federal Election Commission complaint filed by Zimmer's primary opponent, state Sen. Dick LaRossa. The FEC in May ruled in Zimmer's favor and rejected the claim that the Coalition For Lower Taxes was bankrolling political mail for Zimmer.

■ The story incorrectly reported the amount of money the Committee for Responsible Government, a Republican political action committee, paid to Jamestown Associates, a political consulting firm. The federal CRG paid \$21,614 and the state CRG paid \$13,437. Likewise, the state CRG made close to \$175,000 in political contributions to New Jersey candidates, many of which were equal to the \$10,000 it gave to Zimmer.

■ In the article, some criticisms of Zimmer's campaign are attributed to "opponents" and "observers." They are, more specifically, political adversaries.

A letter to the editor by Larry Weitzner, chairman of the Zimmer for Senate Campaign, appears on today's editorial page, A-12.

RE: MUR 4386 -- Larry Weitzner and Jamestown Associates

Dear Mr. Noble:

This is a verified response to the June 19, 1996 letters received from your office concerning a complaint filed by the New Jersey State Industrial Union Council, AFL-CIO. As President of Jamestown Associates, a political consulting firm I own, we believe that no portion of the statute or regulations has been violated and that this complaint should be dismissed. This complaint is so blatantly filed at the behest of Robert Torricelli, the Democratic candidate for the United States Senate from New Jersey, that it raises the question whether its filing is an illegal in-kind contribution by the union to Torricelli.

The crux of the complaint seems to be that, as a political consultant, I have many clients. I have been a political consultant in New Jersey for 6 years. My clients include Congressman Dick Zimmer and the Committee for Responsible Government, which has been both a federal and a state account. I formerly was retained by the Coalition Against Lower Taxes. In 1995 I worked on over a dozen State, County and Local campaigns in New Jersey. In addition, NJCRG, as a New Jersey political action committee, was active in virtually every 1995 New Jersey contested state legislative race.

Compensation for my services is based on the rates I have developed during my career as a political consultant. As a matter of course, I charge more money in the election year than I do in the off-year. That is particularly true for New Jersey federal races, since I inevitably have a particularly heavy workload in the federal off-year because of the New Jersey State, County, and Local elections. For example, in 1995, I charged the Zimmer committee \$1,500 per month. In 1996, I charge the Zimmer committee \$5,000 per month. My rate to CRG, which is active in some elections every year, is \$3,500 a month. I believe this to be the fair market value for my services.

Lawrence Noble, Esquire

July 9, 1996

Page 2

This complaint centers around my work for the Zimmer for Senate Committee. I am aware of the federal election laws concerning in-kind contributions and prohibited corporate contributions and neither I nor Jamestown Associates have violated these laws. The bottom line is that no time did CRG or NJCRG, or any other entity, underwrite the cost of my time spent on the Zimmer for Senate campaign.

Not wanting to let facts get in the way of a headline, this complaint alleges that other clients of mine have illegally subsidized the Zimmer Senate campaign. Given that no facts are presented, there are no specifics to rebut. However, I do know the law, and I have been scrupulous in keeping my clients separate and being certain that all federal campaigns I assist, including the Zimmer for Senate Committee, comply with the federal law and pay fair market value for all services received. While the complaint mentions Easy Graphics, Inc., and 741 Group, Inc., there is no violation alleged against these entities. Indeed, each charges fair market value for its services and any disbursements to them by either Zimmer for Senate or CRG is fully reported.

If the complaint is alleging that Dick Zimmer has at some point been involved with Committee for Responsible Government and the Coalition for Lower Taxes, it is true. Mr. Zimmer is a person who has long been involved in public service and politics. He has supported the goals and projects of these two entities. But that is a far cry from saying, as the complaint irresponsibly does, that this constitutes a violation of federal election law.

Much of the complaint seems to be based upon an article that appeared in a New Jersey newspaper. That article was inaccurate in several respects, and the correction that appeared is Attachment I. This correction shows further why this complaint is baseless and should be dismissed.

As for the allegations regarding the Coalition Against Lower Taxes, these charges were already brought by State Senator. Dick LaRossa in MUR 4238. The Commission dismissed these allegations in May. The Commission should do the same in this instance.

For the foregoing reasons, this complaint should be dismissed promptly by the Commission.

Sincerely,

Larry Weitzner

RE: MUR 4386 -- Zimmer for Senate Committee and David Millner, as treasurer

Dear Ms. Sealander:

On behalf of the Zimmer for Senate Committee and David Millner, as treasurer, this will respond to the complaint filed by the New Jersey State Industrial Union Council, AFL-CIO. The complainant has formally endorsed Congressman Zimmer's opponent, Robert Torricelli, in the 1996 New Jersey Senate race and, as is obvious from the complaint itself, it is nothing more than pure politics.

Since, as is shown below, the complaint lacks merit, the Commission should find no reason to believe and dismiss it promptly.

The complaint seems to be based on the assertion that the Zimmer for Senate campaign has benefited illegally from expenditures by a variety of outside groups and individuals. Beyond the allegation, the facts are few (which is not surprising given they are without foundation and untrue). The nexus of the complaint appears to be Larry Weitzner, a political consultant based in New Jersey whose company is called Jamestown Associates. Among Jamestown Associates many clients is the Zimmer for Senate Committee and the Committee for Responsible Government ("CRG"). CRG has both a federal and state account and is active in federal and state elections.

The Zimmer for Senate Committee has paid fair market value for all services it has received in this campaign, including those provided by Mr. Weitzner and his company. Affidavit of David Millner (hereinafter "Millner Aff.") at ¶ 2. What the complaint fails to mention (largely because it explains why Mr. Weitzner was paid more money by the Committee for Responsible Government in 1995 than by the Zimmer campaign), is that New Jersey held state elections in 1995. Accordingly, Mr. Weitzner should have been paid more money for being involved in 1995 state elections than for the minimal start-up costs of the Zimmer for Senate Committee in 1995. (By way of contrast, Mr. Zimmer's opponent, Robert Torricelli, showed no payments on his 1995 FEC reports for consultants).

Collean T. Sealander, Esquire
July 9, 1996
Page 2

The consulting relationship between Mr. Weitzner and the Zimmer for Senate Committee has been established based on what the parties believe to be the fair market value of Mr. Weitzner's services. Millner Aff. ¶ 2. The parties do not have an exclusive relationship, and there is certainly nothing improper about Mr. Weitzner having additional clients. Millner Aff. ¶ 3.

The complaint also relies heavily on a newspaper article from the North Jersey Herald News to question the accuracy of the Zimmer for Senate reports of disbursements to the FEC and whether the committee is paying fair market value for Mr. Weitzner's services. The amounts paid to Mr. Weitzner are at fair market value, Millner Aff. ¶ 2 and the reports to the FEC on the amounts paid to Jamestown Associates, Mr. Weitzner's company, are completely accurate. Miller Aff. ¶ 4. Attached as Exhibit 1 is the correction that ran in the newspaper concerning the article relied on by the complaint.

As for the insinuations regarding the Coalition Against Lower Taxes, Mr. Zimmer resigned over a year ago. Furthermore, the Commission has already examined the allegation that CLT improperly aided Mr. Zimmer in MUR 4238. These allegations just rehash the charges in that Matter Under Review, which the Commission correctly dismissed.

Conclusion: This complaint attempts to throw insinuations based on politically-inspired conjecture and inaccurate (and subsequently corrected) newspapers articles. Respondents respectfully ask that the Commission see this complaint for what it is, and dismiss it promptly.

Sincerely,

David Millner, Treasurer

STATE OF NEW JERSEY

CITY OF PRINCETON

AFFIDAVIT

1. My name is David Millner and I am treasurer of the Zimmer for Senate Committee. In that position, I have been responsible for preparing all reports to the Federal Election Commission and supervising the signing of all vendor contracts for the committee.
2. The consulting relationship between Mr. Weitzner and the Zimmer for Senate Committee was established based on what the parties believed to be the fair market value of Mr. Weitzner's services. The amount agreed to for 1995 was based on both the fact that the committee knew its need for Mr. Weitzner in 1995 would be limited and the fact that Mr. Weitzner had numerous other client obligations in the 1995 election cycle because of the state elections in New Jersey. As Mr. Zimmer's longtime political consultant, the parties knew that Mr. Weitzner would play an escalating role in 1996 and would be compensated a greater amount at that time.
3. The parties do not have an exclusive relationship, and there is certainly nothing improper from the committee's point of view about Mr. Weitzner having additional clients. Indeed, it is our understanding that it is standard in the political consulting industry for consultants to have multiple clients during an election cycle.
4. As treasurer of the committee, I am responsible for preparing the reports of Receipts and Disbursements for the Federal Election Commission. To the best of my knowledge and belief all those reports are completely accurate, including those for Jamestown Associates.
5. We are well aware of the Federal Election Campaign Act and its limitations and prohibitions against taking excessive or illegal contributions from other committees or individuals. The committee was scrupulous in all its dealings named in this Matter Under Review so as to not violate the Act.

CORRECTIONS

A story that appeared on Page A-1 in the June 10 editions, regarding Rep. Dick Zimmer's U.S. Senate campaign, requires the following clarification and correction:

■ The article did not include the disposition of a 1995 Federal Election Commission complaint filed by Zimmer's primary opponent, state Sen. Dick LaRossa. The FEC in May ruled in Zimmer's favor and rejected the claim that the Coalition For Lower Taxes was bankrolling political mail for Zimmer.

■ The story incorrectly reported the amount of money the Committee for Responsible Government, a Republican political action committee, paid to Jamestown Associates, a political consulting firm. The federal CRG paid \$21,614 and the state CRG paid \$13,427. Likewise, the state CRG made close to \$175,000 in political contributions to New Jersey candidates, many of which were equal to the \$10,000 it gave to Zimmer.

■ In the article, some criticisms of Zimmer's campaign are attributed to "opponents" and "observers." They are, more specifically, political adversaries.

A letter to the editor by Larry Weitzner, chairman of the Zimmer for Senate Campaign, appears on today's editorial page, A-12.

AMENDED COMPLAINT

Respondents. :

TO: Lawrence Noble, Esq.
General Counsel
Federal Election Commission
999 E Street, N.W.
Washington, D.C. 20463

SUMMARY

1. On or about June 11, 1996, Complainant William Kane filed a Complaint with the Commission alleging that Congressman Richard Zimmer, the authorized campaign committee for his candidacy for United States Senator for the State of New Jersey, Zimmer for Senate, and Zimmer for Senate's chairman and agent, Lawrence Weitzner, and other entities and individuals associated with them violated the FECA.

2. Specifically, Complainant alleged that expenditures of excessive and/or prohibited corporate funds appear to have been made by entities controlled by or cooperating with Zimmer, Weitzner and/or Zimmer for Senate -- namely, the Committee for Responsible

9704332457

97043032450

Government (CFRG), the New Jersey Committee for Responsible Government (NJCFRG), and the Coalition for Lower Taxes (CLT) -- to Jamestown Associates, 741 Group and Easy Graphics, entities in turn owned by or closely affiliated with Mr. Weitzner and his business associates working out of 741 Alexander Rd, Princeton, New Jersey.

3. Complainant alleged that Mr. Zimmer and Mr. Weitzner, as senior officials in CFRG, NJCFRG and/or CLT, used these three political organizations as conduits to unlawfully subsidize Mr. Zimmer's 1996 primary and general Senate campaigns by having CFRG, NJCFRG and CLT pay substantial fees to Mr. Weitzner's consulting firm, Jamestown Associates and the other closely related firms at 741 Alexander. At the same time, Zimmer for Senate paid relatively minuscule amounts to the same or related consultants and vendors.

4. Complainant further alleged that (i) by Mr. Weitzner's own admission, Jamestown Associates, a consulting firm controlled by Mr. Weitzner, may have made expenditures on behalf of and used corporate resources for the benefit of Mr. Zimmer and his campaign committee by charging Zimmer for Senate or the aforementioned committees less than fair market value for Jamestown's services, (ii) the value of the subsidized services and goods is believed to exceed the limits on permissible contributions by the committees to Zimmer for Senate, (iii) corporate funds solicited by NJCFRG and/or CLT may have been used to pay these costs, a separate violation of FECA's prohibition against the contribution of corporate funds to Federal campaigns, and (iv) the aforementioned violations of FECA were compounded by the facts that these in-kind contributions to Mr. Zimmer's Senate campaign were not reported by the Senate campaign committee nor any of the aforementioned committees.

5. In addition to requesting the initiation of an FEC investigation, Complainant indicated that the Coalition to Lower Taxes may have been representing itself as some sort of non-profit organization without have submitting the required reports and filings to tax authorities including the Internal Revenue Service, and requested referral of such issues to the appropriate federal and state taxing authorities.

6. This amendment is filed to augment Complainant's original complaint with additional and more detailed information gathered subsequent to the filing of the initial complaint, and to identify as additional respondents David Millner, treasurer of CFRG and Zimmer for Senate, David J. Murray, Mr. Weitzner's business associate, and Lewis Eisenberg, a top Zimmer for Senate fundraiser and CFRG's chair.

7. These amendments also relate to (i) the use of common vendors (Jamestown Associates, 741 Group, Easy Graphics, and other entities owned or controlled by Mr. Weitzner, Mr. Millner or their business associates) by Zimmer for Senate, CFRG, NJCFRG and CLT, (ii) the apparent subsidization of Zimmer for Senate's and CFRG's rent, phone and utility expenses by Jamestown Associates, Murray/Weitzner Associates and/or

David J. Murray and Associates, and (iii) the subsidization of federal activities on behalf of CFRG by NJCFRG.

THE ZIMMER/WEITZNER POLITICAL COMMITTEES

10. The chairman of Zimmer for Senate, and one of Mr. Zimmer's main political strategists, is Lawrence Weitzner. Its treasurer is David Millner, who is believed to be a business associate of Mr. Weitzner.

11. Mr. Weitzner is also the "political director" of the Committee for Responsible Government (CFRG), a federal committee co-chaired by Mr. Zimmer, Congresswoman Susan Molinari, and Lewis Eisenberg.

12. Mr. Eisenberg, formerly a partner in the Goldman Sachs investment firm, and now head of the Granite Capital firm located in New York, is believed to be a top fundraiser for and agent of Zimmer for Senate.

RE: MUR 4386 -- Zimmer For Senate Committee and David Millner, as treasurer;
Committee for Responsible Government and Peter G. Sheridan, as
treasurer; Jamestown Associates; 741 Group, Inc.; Easy Graphics;
Larry Weitzner; David J. Murray; Jacqueline Weitzner; and Lewis
M. Eisenberg.

Dear Ms. Smith:

As counsel for Respondents in the above-captioned matter, this responds to the amended complaint filed by the New Jersey State Industrial Union Council, AFL-CIO. The respondents' previous submissions ("July Responses") in this matter are incorporated herein and this document supplements those responses.

Although more voluminous, the amended complaint makes no new charges. It apparently was filed as: (1) a transparent attempt to garner additional media, and (2) as a tactic, after realizing how frivolous their charges were, to forestall the complaint's dismissal until after the November election. In order that this unseemly cycle of complaints-for-media purposes can be ended, this letter and the attached affidavit demonstrate in more detail than is warranted why this complaint should be dismissed before the November election.

Based on a fundamentally incorrect reading of Federal Election Commission ("FEC") Advisory Opinions, the complaint's insinuations are certainly more sensational than the reality. Rather than the nefarious tangled web the AFL-CIO attempts to weave, there are no excessive contributions or use of corporate funds or improper payments to vendors to subsidize the Zimmer for Senate campaign. Because none of this happened, there were no reporting violations -- all contributions and expenditures by the Zimmer Committee have been fully and accurately reported.

PATTON BOGGS, L.L.P.

Alva E. Smith, Esquire

September 16, 1996

Page 2

As the July Responses and their accompanying affidavits make clear:

- The Zimmer for Senate Committee paid fair market value for all services it has received in the campaign, including those provided by Larry Weitzner and his company, Jamestown Associates. Affidavit of David Millner ("Millner Aff.") ¶ 2.
- Mr. Weitzner believes he has been paid fair market value for his services to both the Zimmer Committee and the Committee for Responsible Government, a multicandidate political action committee active in both federal ("CRG") and state elections ("NJCRG"). Millner Aff. ¶ 2; Verified Response of Larry Weitzner at 1. The Zimmer Committee and CRG also believe each has paid Mr. Weitzner fair market value for his services to their respective organizations. Affidavit of Peter Sheridan ("Sheridan Aff.") ¶ 5; Millner Aff. ¶ 2.
- Neither the Zimmer Committee or CRG have an exclusive arrangement with Mr. Weitzner. He worked extensively on New Jersey's 1995 state elections for CRG's state PAC, rebutting the Complaint's charge that the 1995 payments to Jamestown Associates somehow underwrote the Zimmer campaign's start-up efforts. Millner Aff. ¶ 3; Weitzner Verified Response; Sheridan Aff. ¶¶ 4, 5.
- Respondents were all knowledgeable about the Federal Election Campaign Act's requirement that a federal campaign must pay fair market value for all services and expenses so as not to receive excessive or illegal contributions, complied with that scrupulously, and reported all such activity accurately. Millner Aff. ¶¶ 2, 4, 5; Weitzner Verified Response; Sheridan Aff. ¶¶ 5, 6.

At the outset, this complaint should be dismissed because the AFL-CIO fundamentally misunderstands the law it is alleging the Respondents violated. The AFL-CIO's entire theory of violations is based on the assertion that common vendors used by the Zimmer campaign and CRG and NJCRG (i.e. Mr. Weitzner, Mr. Millner, Jamestown Associates, 741 Group, Easy Graphics, Inc., Mr. Murray, Mr. Eisenberg, Ms. Weitzner) automatically led to excessive contributions and contributions from prohibited sources. As authority for this allegation, the complaint at 5 ("The Law Regarding Common Vendors"), states:

Commission precedent indicates that the use of common vendors by candidate and political committees 'destroys the independence' of the expenditure of funds by the political committees. This is because the vendors necessarily possess knowledge of the

Alva E. Smith, Esquire

September 16, 1996

Page 3

candidate committee's plans and goals that inevitably will be taken into account in serving the political committees and will influence the political committee's activities, thereby benefiting the candidate committee. Advisory Opinions 1979-80; 1982-20.

But both the Advisory Opinions constituting the complaint's authority concern independent expenditures. Advisory Opinions 1979-80, Fed. Elec. Camp. Fin. Guide (CCH), ¶5469 (1980) and 1982-20, Fed. Elec. Camp. Fin. Guide (CCH), ¶ 5665 (1982). This complaint is not about independent expenditures, it includes no allegation of an independent expenditure, and this reliance on advisory opinions regarding independent expenditures is such a fundamental misunderstanding of the law that the entire complaint is negated.

Because this complaint is based on the fatally flawed premise that a vendor receiving fair market value payments from more than one political committee is somehow subject to, and has violated, the prohibitions on common vendors involved in independent expenditures, the Commission must find no reason to believe and promptly dismiss this matter. If this were a federal judicial proceeding, such a baseless charge would subject the complainant to Rule 11 sanctions.

Similar deficiencies mandate dismissal of all the ancillary charges. The complaint additionally alleges that expenditures by CRG and NJCRG to common vendors somehow constitute impermissible excessive and corporate contributions to the Zimmer Committee. Complaint at ¶¶ 34-59. The underlying information is from the publicly filed reports of the Respondents themselves, which would seem to contradict the complaint's notion of a nefarious plot of unreported expenditures. In addition to the complainant's misunderstanding of the law, the notion that payments to common vendors somehow constitute a violation of the Act is addressed in the July Responses and affidavits. Mr. Weitzner's payments from the different entities is explained in his July verified response and the July Responses from the Zimmer Committee and CRG.

A second fundamental flaw with the complaint's conspiracy theory is its attempt to ignore that New Jersey held state elections in 1995. As the political consultant to NJCRG in 1995, Mr. Weitzner was involved in virtually every contested legislative race in the state. He was paid accordingly. Mr. Zimmer's campaign in 1995 was in a start-up phase, and Mr. Weitzner was paid on that basis, as Mr. Weitzner's verified response and the responses of CRG and the Zimmer committee filed in July attest.

So desperate is the AFL-CIO to manufacture violations that it makes the completely unsupported yet outrageous charge that: "CRG's increased retainer with Jamestown/Weitzner was more likely than not a means of compensating Weitzner for his time on the Zimmer

Alva E. Smith, Esquire

September 16, 1996

Page 4

campaign, rather than for bona fide activities for CFRG [sic] unrelated to Zimmer's Senate campaign." Complaint ¶ 49. They further assert that "NJCFRG and CFRG helped subsidize the Zimmer campaign to the maximum extent -- a maximum contribution, plus nearly \$100,000 in business to Zimmer's key consultant, Larry Weitzner." Complaint ¶ 53. Both these baseless assertions are directly contradicted by sworn responses from Mr. Weitzner and Mr. Millner in the July submissions, and Mr. Sheridan's attached affidavit. The fact of the matter is that Mr. Weitzner receives all of \$3,750 per month from CRG and NJCRG. Sheridan Aff. ¶ 5. As the Commission well knows from the Reports of Contributions and Disbursements filed with it, this is well within (and even on the low side) of fair market rates charged by consultants. The Commission should dismiss this matter promptly so that these false charges are not permitted to languish on the public record.

The AFL-CIO attempts to paint CRG and NJCRG as existing for no purpose other than to subsidize the Zimmer for Senate Committee, although a review of the publicly filed reports belies that. In 1994, CRG contributed \$36,000 to federal candidates and committees. In 1995, NJCRG spent nearly \$200,000 on state candidates. In 1996, CRG has thus far contributed \$97,500 to federal candidates. Sheridan Aff. ¶ 3.

The allegations that CRG somehow failed to report administrative expenses and received a corporate contribution through the work performed for it by Jamestown Associates, complaint at 9, is refuted in the July Response from CRG/NJCRG treasurer Peter G. Sheridan and in letters sent to the FEC's Reports Analysis Division on January 22, 1996. These make clear that CRG has no employees and that their overhead costs (i.e. rent, phone bills and utilities) are included in the monthly payments to Jamestown Associates. Sheridan Aff. ¶¶ 4, 5.

The allegations concerning the "low" rates charged by Mr. Weitzner for his and his firm's services, complaint at 9-10, is based on a newspaper account that was subsequently corrected by the newspaper. See July Responses. Although the correction was printed on July 3, 1996, the AFL-CIO does not mention that fact in its amended complaint and just repeats the baseless charges it made in its original complaint filed on June 11, 1996. The amended complaint's allegations that Mr. Weitzner and the other respondents somehow charged Zimmer for Senate and CRG less than fair market value are refuted by the Mr. Weitzner's verified response, Mr. Millner's affidavit and Mr. Sheridan's July response and the affidavit attached to this filing.

Similarly, any mistakes in the allocation formula used by CRG, complaint at 10, were quickly amended by CRG when brought to its attention by the Reports Analysis Division. Such adjustments, as the Commission can attest, are common among committees with both federal and non-federal accounts. Such adjustments, when promptly responded to, hardly warrant enforcement actions by the Commission.

PATTON BOGGS, L.L.P.

Alva E. Smith, Esquire
September 16, 1996
Page 5

Neither the original complaint or the amended complaint ever get around to saying what David J. Murray, Jacqueline Weitzner, and Lewis M. Eisenberg did to merit being charged as respondents in the complaint. Since they are never charged with violating the Federal Election Campaign Act or the regulations there cannot be any reason to believe finding against them.

Conclusion: The complaint at 12 states that the reason for finding against the respondents is that "the use of common vendors is presumptively a sign of coordinated activities, which should have been treated and reported as in-kind contributions to Zimmer for Senate."

¶ 87. This mistaken reliance on the law governing independent expenditures for something completely different demonstrates why this action must be promptly dismissed. The allegations that the respondents shifted expenses for Zimmer for Senate to other entities, principally CRG and NJCRG, is wrong legally and specifically refuted factually by sworn testimony.

Accordingly, Respondents request the Commission to find no reason to believe and dismiss this action promptly.

Respectfully submitted,

Benjamin L. Ginsberg

STATE OF NEW JERSEY

COUNTY OF MERCER

AFFIDAVIT

1. My name is Peter G. Sheridan and I am treasurer of the Committee for Responsible Government. This committee maintains a federal account ("CRG"). There is a non-federal committee in New Jersey, New Jersey Committee for Responsible Government ("NJCRG") which participates in state elections according to the laws of New Jersey. NJCRG is registered under the laws of the State of New Jersey.

2. The goals of CRG and NJCRG are to: (1) promote candidates who are fiscally conservative and socially inclusive; (2) conduct seminars and political forums where such like minded candidates may present their views; and (3) to encourage young Republicans who share CRG's goals to participate in the political process.

3. CRG has been active in both federal and state elections. In 1994, CRG contributed more than \$36,000 to federal candidates and committees. In 1995, the year of state legislative elections in New Jersey, NJCRG contributed nearly \$200,000 to state candidates. In 1996, CRG has thus far contributed \$97,500 to federal candidates.

4. CRG and NJCRG have no employees. CRG and NJCRG contract with Jamestown Associates for both political services and for various overhead expenses such as rent and utilities. In addition to providing political advice on both state and federal races, Jamestown Associates was retained to institute programs, conduct forums and develop a newsletter. In 1995, Jamestown Associates, and particularly Larry Weitzner, was actively involved in evaluating the soundness of NJCRG's contributions. They are performing the same function for the 1996 elections. CRG recognizes that Mr. Weitzner and Jamestown Associates are private consultants and have other political clients besides CRG. CRG knows this to be standard among political consultants.

5. In return for these services, CRG and NJCRG pays Jamestown Associates \$3,750 per month. CRG and NJCRG believe this to be the fair market value for those services. As permitted by the Regulations of the Federal Election Commission, this amount is allocated among the overhead costs of CRG and NJCRG, depending on the activities for the period. These expenditures are, and have always been, properly reported on the committee's regular filings with the Federal Election Commission and the appropriate election authorities in New Jersey.

- 2 -

6. When the FEC Reports Analysis Division informed CRG that its federal/non-federal allocation for overhead expenses needed to be adjusted, CRG promptly complied. Any error made was inadvertent and relatively minor.

On behalf of the Coalition for Lower Taxes, we deny all of the allegations which the Complainant has levied against it. We believe these allegations are nothing more than election year fabrications for the purposes of advancing the campaign of Mr. Zimmer's opponent, Robert Torricelli.

Please kindly direct all notices and decisions to my attention.

**EXECUTIVE SESSION
SUBMITTED LATE**

GENERAL COUNSEL'S REPORT

I. INTRODUCTION.

The cases listed below have been identified as either stale or of low priority based upon evaluation under the Enforcement Priority System (EPS). This report is submitted to recommend that the Commission no longer pursue these cases.

II. CASES RECOMMENDED FOR CLOSURE.

A. Cases Not Warranting Further Action Relative to Other Cases Pending Before the Commission

EPS was created to identify pending cases which, due to the length of their pendency in inactive status or the lower priority of the issues raised in the matters relative to others presently pending before the Commission, do not warrant further expenditure of resources. Central Enforcement Docket (CED) evaluates each incoming matter using Commission-approved criteria which results in a numerical rating of each case.

Closing such cases permits the Commission to focus its limited resources on more important cases presently pending before it. Based upon this review, we have identified 34 cases which do not warrant further action relative to other pending matters.¹

¹ These cases are: MUR 4470 (Ward for Congress); MUR 4478 (Citizens for Tom Reynolds); MUR 4492 (Friends of Ken Poston); MUR 4498 (Darryl Roberts for Congress); MUR 4506 (The Hon. Ted Little); MUR 4512 (Friends of Lane Evans); MUR 4517 (Unknown Respondent); MUR 4518 (Kansas for Rathbun); MUR 4520 (Larry Lerner for

9704332503

Attachment 1 to this report contains summaries of each case, the EPS rating, and the factors leading to assignment of a low priority and recommendation not to further pursue the matter.

B. Stale Cases

Effective enforcement relies upon the timely pursuit of complaints and referrals to ensure compliance with the law. Investigations concerning activity more distant in time usually require a greater commitment of resources, primarily due to the fact that the evidence of such activity becomes more remote and consequently more difficult to develop. Focusing investigative efforts on more recent and more significant activity also has a more positive effect on the electoral process and the regulated community. In recognition of these facts, EPS also provides us with the means to identify those cases which, though earning a higher rating when received, remained unassigned due to a lack of resources for effective investigation. The utility of commencing an investigation declines as these cases age, until they reach a point when activation of a case would not be an efficient use of the Commission's resources.

Congress); MUR 4522 (Republican Party of Bexar County); MUR 4523 (Cong. Andrea Seastrand); MUR 4524 (Danny Covington Campaign Fund Committee); MUR 4526 (Hoeffell for Congress); MUR 4528 (Pete King for Congress); MUR 4529 (Pete King for Congress); MUR 4532 (Citizen's Committee for Gilman for Congress); MUR 4535 (Visclosky for Congress); MUR 4537 (Di Nicola for Congress); MUR 4541 (Ross Perot); MUR 4548 (Blagojevich for Congress); MUR 4550 (Friends of Vamp for Congress); MUR 4551 (John N. Hostettler); MUR 4557 (De La Rosa for Congress); MUR 4577 (Bill Baker for Congress); MUR 4560 (George Stuart Jr. for Congress); MUR 4562 (Wayne E. Schile); MUR 4566 (Al Gore); MUR 4574 (Danny Covington Campaign Fund Committee); MUR 4576 (Volunteers for Shankus); MUR 4579 (New Zion Baptist Church); MUR 4580 (Friends of Mike Forbes); MUR 4584 (Bill Baker for Congress); MUR 4588 (Navarro for Congress); and MUR 4613 (Guy Kelley for Congress).

2

The U.S. District Court for the District of Columbia, however, held in *Democratic Senatorial Campaign Committee v. FEC*, Civil Action No. 95-1349 (D.D.C. April 17, 1996) that 24 months was too long a time in which to hold a case in an inactive status.

Twenty one cases have remained on the Central Enforcement Docket for a sufficient period of time to render them stale, all of which are recommended for closure in this Report.⁴ This group includes four MURs that became stale several months ago, but were held pending criminal prosecution by the Department of Justice.⁵ DOJ obtained convictions in the two criminal cases related to these four MURs (*U.S. v. Jay Kim* and *U.S. v. Dynamic Energy Resources*) based upon guilty pleas by the key defendants, who are also the principal respondents in our pending matters. Pursuit of civil enforcement action in view of the satisfactory results obtained in the criminal cases would not be the most effective use of the Commission's scarce resources at this time.

We recommend that the Commission exercise its prosecutorial discretion and direct closure of the cases listed below, effective August 29, 1997. Closing these cases as

⁴ These cases are: MUR 4274 (GOPAC); MUR 4358 (Miller for Senate); MUR 4361 (ABC-TV); MUR 4368 (Citizens Business Bank); MUR 4380 (AFGE Local 2391 PAC); MUR 4385 (Dial for Congress); MUR 4386 (Zimmer for Senate); MUR 4396 (ABC); MUR 4404 (Friends of Steve Stockman); MUR 4410 (39th Legislative District); MUR 4417 (Our Choice II); MUR 4422 (Desana for Congress Committee); and Pre-MUR 336 (Park National Bank & Trust).

⁵ These cases are: MUR 3796 (Jay Kim for Congress); MUR 3798 (Jay Kim); MUR 4275 (Jay Kim); and MUR 4356 (Dynamic Energy Resources). In dismissing the Jay Kim cases, we also recommend closing Pre-MUR 352, which is the transmittal of the guilty plea agreement and related documentation in the criminal case against Congressman Kim forwarded by United States Attorney's office.
