RE: MUR 4434

Dear Mr. Baran:

This Office is in receipt of the responses submitted on behalf of your clients in the above-captioned matter to the Commission's Subpoenas and Orders. Having reviewed the submissions, it appears that certain documents submitted by Mr. Kadow are not complete.

Specifically, with regard to the first pages of Exhibits G and H of Mr. Kadow's response, it appears that post-it notes or some other materials were not removed before these pages were copied. As a result, these pages are partially obscured. Please provide copies free from these obstructions.

Next, with regard to Exhibit O, the document entitled "Sharpe for Congress Campaign Plan 1994," information appears to be missing in certain areas. First, the third page appears to start in the midst of a train of thought with *no obvious antecedent*. Thus, it appears that a page may be missing which should precede the current third page. Second, in the section entitled "IV. Fundraising," certain information appears to have been redacted. This section contains a number of sub-headings, including "A. PACs", "B. Direct Mail", "D. Candidate", etc. There is a blank area of approximately half of a page after what appears to be the end of sub-heading "B. Direct Mail." The next page begins with sub-sub-headings "3. Mail early personal and business type list," "4. Connie Mack list" and "5. one on one series." The next item is sub-heading "D. Candidate." Thus, it appears that the beginning of what should be sub-heading "C" and its first two sub-sub-headings have been redacted. In addition, in Section "VIII. Operations," the first sub-heading is entitled "A. Headquarters" followed by four sub-sub-headings, all of which take up a little less than half of a page. The rest of the page is blank. The following page starts off with four lines comprising what appears to be the remnants

of sub-sub-heading B, and then picks up with sub-heading "C. Compliance." Thus, it appears that the majority of sub-heading B has been redacted as well. Also, under section "XI. Timeline," there is no information at all. It is not clear if this section was always blank, or if it has been completely redacted.

Your client should produce a copy of the document submitted as Exhibit O free from all redactions. Please produce this document, and the unobstructed copies of the first pages of Exhibits G and H, no later than the close of business on January 16, 1998. If you have any questions, please contact me at (202) 219-3690.

Sincerely,

A handwritten signature in black ink, appearing to read "Tony Buckley", with a large, sweeping flourish extending to the right.
