Dear Ms. Abely,

In accordance with your instructions in our telephone conversation today, we are writing this letter to formally request an extension in regard to your notice of FEC violations, MUR 4621. Since we never received the letter of July 15 1998, which you wrote to our lawyer, Mr. Jay Gurmankin, with its accompanying Factual and Legal Analysis, we are unaware of its content and need to receive a copy from you. Also, we will need some time to prepare other documents and affidavits.

We would request a 20-day extension in order to get our records and witnesses together.

Please inform us if this extension will be granted. Thank you for your information on how to proceed with this process.

Sincerely,

Merrill Cook
Camille S. Cook
