RE: MUR 4634 - Request for Extension

Dear Ms. Smith

With this letter I respectfully request an extension of 15 days from today (June 21, 1997) to respond to the complaint referenced above. The Madison Project is a small organization where many key people, myself included, provide support on a part-time basis. Therefore, the mail sent to my attention is not opened daily, but sent to a box that I check approximately once every three weeks. Late Thursday evening June 5, 1997, during one of my normal visits for checking my in-box, I received and opened the notification letter containing the above mentioned complaint. I acted immediately this morning to contact your office to notify you of my receipt of the letter and ask to extend the time we have to respond to the complaint.

Therefore, due to the fact that I received the letter only yesterday and that the letter allows for 15 days, I request the above mentioned extension of time to properly respond to the complaint. Thank you for your consideration.

Sincerely,

David Pearson
