RE: MUR 4646

Dear Ms. Pinkus:

As we discussed today, we are resending the Commission's February 26, 1999 letter indicating that it found reason to believe you violated 2 U.S.C. § 441f, a provision of the Federal Election Campaign Act of 1971, as amended. The letter was sent to the address listed on a disclosure report filed with the Commission, which you have indicated is no longer your residence.

Sincerely,

J. Michael Lehmann
Attorney
