RE: MUR 4646
Amy Robin Habie
Wallace Walker

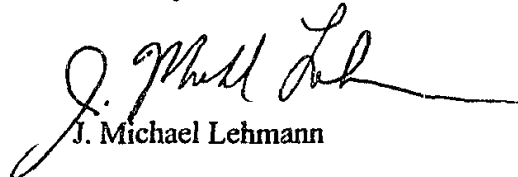

Dear Mr. Schiller:

Pursuant to our conversation of May 27, I have enclosed two conciliation agreements from closed MURs involving knowing and willful violations of 2 U.S.C. § 441f.

The Office of General Counsel is still investigating this matter and will need the financial information we discussed -- (1) copies of (both sides of) the canceled checks and/or deposit slips from the relevant transactions and (2) bank statements and check registers for the relevant periods -- so as to conclude our investigation and recommend to the Commission that it seek conciliation with your clients. Naturally, this Office would prefer to pursue its investigation through informal means (and avoid issuing subpoenas for document requests, interrogatories, and depositions), and appreciates your cooperation in that regard. My understanding is that you will be conferring with your clients presently, and expect to be able to obtain the above-referenced financial information we discussed by Friday, June 5.

As always, please feel free to contact me at (202) 694-1650 if you have any questions regarding this matter.

Sincerely,

J. Michael Lehmann
