Re: MUR 4389 and MUR 4652
Orange County Democratic Central Committee and
Edward R. Haskett, as treasurer

Dear Mr. Bull,

To confirm our telephone conversation of this morning, on behalf of the Orange County Democratic Central Committee, I would hereby like to request a brief extension of time to respond to the Factual and Legal Analysis

received by our office on July 7, 1997. As I explained to you, those materials were received in the midst of a crush of other pending litigation matters and have necessitated my contacting several individuals and gathering some additional factual materials in order to prepare an appropriate and complete response.

I anticipate being able to provide a response to your office by the time I leave for vacation on Friday, July 25, 1997. However, in case any unforeseen circumstances arise, I would like to request an extension until August 8, 1997. The additional time would be necessary because I will be out of the country during this time period, and I expect that communications back to my office will not be able to occur as swiftly as might otherwise be the case.

Thank you in advance for your courtesy and cooperation in this matter.

Sincerely,

Fredric D. Woocher
