Re: Complaint in MUR 4689

Dear Ms. Smith:

I represent ABC Radio Networks ("ABC").

Following up on our conversation yesterday, this will confirm ABC's request for an extension of time until December 19, 1997, by which to respond to the above-referenced complaint, dated November 12, 1997. The extension is needed because the complaint only came to the attention of the proper personnel yesterday since it was addressed to Mr. David Kantor who had recently left the company. In addition, with the impending holiday period, ABC requires additional time to gather the facts and assess the allegations, including the extent to which, if at all, ABC carried the complained of broadcasts.

We appreciate your favorable consideration of this request. Please do not hesitate to contact the undersigned with any questions.

Very truly yours,

David Cohen
