RE: Amended 30 Day Post-General Report (10/16/96-11/25/96)

Dear Ms. Wilkins:

In response to your request dated May 1, 1997 regarding the above referenced report we submit the following:

We were not over-transferred in any reporting period prior to the 10/16/96-11/25/96 reporting period. During this reporting period we were over-transferred in the amount of \$285,316.22, as previously reported in our amendment dated 4/04/97.

Since you informed us in the second paragraph of your letter dated May 1, 1997 that we cannot reimburse our state account for fundraising expenses inadvertently paid out of the federal account, as explained in our response dated 4/04/97, we are now adding them to the over-transferred total as of 11/25/96. We have added an additional line to Schedule D reflecting \$80,203.89 in fundraising expenses, removed the disbursements from Schedule H4, and reported them on a revised Schedule B. Accordingly, the revised over-transferred amount as of 11/25/96 totals \$365,520.11.

Starting in January 1997 we have begun repaying the loan, and we expect that by the end of June 1997 it will be fully retired.

Thank you for your assistance.
