Re: MUR 4736

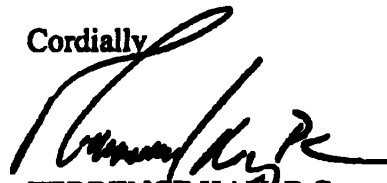

Dear Mr. Turley:

This letter follows up on our telephone discussion today concerning the above matter, in which I represent Moore Information, Inc..

This letter confirms my request on behalf of Moore Information for an extension of thirty (30) days within which to respond to the above matter, which you indicated would be acceptable. I would appreciate a confirmation of the 30 day extension which would appear to run through Monday, June 8, 1998, within which we shall further reply.

If you would please inquire of staff as to whether any additional documents or information on this complaint can be provided to us, it would be appreciated. Based on my initial understanding of the facts I have serious concerns regarding the intent, grounds and purpose for the unfounded accusations against my client, but I will address those in greater detail within the time presented. Thank you for your consideration concerning the extension period.

Cordially
