Re: MUR 4736

Dear Mr. Turley:

This letter is sent in addition to my letter to you of May 8, 1998, based on the call from Ms. Alva Smith in your office to me today, indicating a respondent in this matter is Bob Moore, individually, and not his survey research company, Moore Information, Inc..

This letter confirms my request on behalf of Bob Moore for an extension of thirty (30) days within which to respond to the above matter, which you indicated would be acceptable. I would appreciate a confirmation of the 30 day extension which would appear to run through Monday, June 8, 1998, within which we shall further reply.

If you would please inquire of staff as to whether any additional documents or information on this complaint can be provided to us, it would be appreciated. Based on my initial understanding of the facts I have serious concerns regarding the intent, grounds and purpose for the unfounded accusations against my client, but I will address those in greater detail within the time presented. Thank you for your consideration concerning the extension period.

Cordially
