Re: MUR 4759

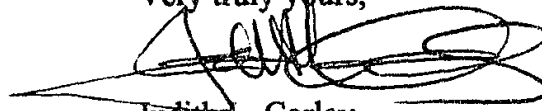

Dear Mr. Lehmann:

Pursuant to our earlier conversation, please find enclosed a designation of counsel for Phil Maloof for the above-referenced Matter Under Review.

In addition, this letter serves as a request for an extension of time of 30 days to respond to the interrogatories and requests for documents attached to your letter of March 31, 1999. That letter was received in our offices on April 2, 1999. The extension is requested to allow for the time necessary to search the records of two committees, review the materials and review with our clients the responses to the Commission. This process has been complicated by the candidate's travel schedule, and the facts that Committees' records are in several locations, the Committees' staffs are no longer in the area or are now full-time working at other positions.

With the extension, the response would be due on May 3, 1999. If we are able to collect the materials before that date, we would submit them to you earlier than May 3. If you have any questions, or need additional information, please do not hesitate to contact the undersigned.

Very truly yours,

Judith L. Corley
