Re: MUR 4788; California Democratic Party, etc.

Dear Mr. Hershkowitz:

On June 5 this office received a letter from General Counsel Lawrence Noble stating that the Commission had authorized the Office of the General Counsel to file suit in United States District Court to seek enforcement of a subpoena in the above-numbered MUR.

As I told you over the phone today, respondents will supplement their subpoena responses no later than close of work on Friday, June 16. I would be happy to discuss the situation with your office at any time after that date.

Do not hesitate to call if you have any questions.

Very truly yours,
