MUR4800

Sir or Madam,

I have received your letter dated Sept. 1, 1998 and post-marked Oct. 2, 1998, inquiring into my campaign contribution made back in 1992. However, I wish to inform you that I am an U. S. Permanent Resident, as shown on the attached copy of my green card. My understanding is that I can legally make this kind of contribution as a permanent resident of the U. S.

I hope you will find my understanding correct and get this issue resolved as soon as possible.
