RE: FEC MUR 4801

Dear Ms. Boyt:

Enclosed please find a Designation of Counsel statement in the above-referenced matter designating me as counsel for the Nevada State Council of Senior Citizens and its President, Scott Watts.

The Nevada State Council of Senior Citizens ("Nevada NCSC") received a copy of the complaint in this matter on September 8, 1998. I was asked to represent the Nevada Council on September 11th. I have no familiarity with any of the matters alleged by the complainant and need time to discuss those matters with my client.

The complaint deals with activity that allegedly took place in the State of Nevada. My client is also located in Nevada. Because of the time difference and the difficulty involved in ascertaining facts concerning alleged activities that took place several months ago and in another state, I will not be able to acquire enough information to prepare an adequate response to the complaint in this matter by September 23, 1998, which is when the response would be due based on the date my client received the complaint. Accordingly, I am requesting an extension of time in which to respond of 29 days, from September 23, 1998 to October 22, 1998.

Please let me know as soon as possible if this request for an extension of time is granted. You can reach me at the number listed below or leave a voice mail message and I will return your call as soon as possible.

Sincerely,

***Margaret E. McCormick*
