

DEC 09 2003

BEFORE THE FEDERAL ELECTION COMMISSION

In the Matter of

Harold Massey, Sr.

MUR 4818

SENSITIVE

GENERAL COUNSEL'S REPORT #12

I. ACTIONS RECOMMENDED

Accept the attached conciliation agreement.

II. BACKGROUND

MUR 4818 arose from a complaint alleging that Walt Roberts and Walt Roberts for Congress ("the Committee") knowingly and willfully violated 2 U.S.C. § 441a(f). Through this Office's investigation, we discovered that Gene Stipe was at the center of multiple schemes that transferred funds from Stipe into the Committee, while hiding Stipe as the true source of the contributions. One scheme included recruiting intermediaries, such as Harold Massey, Sr., to whom Stipe gave thousands of dollars. Massey then funneled Stipe's money to straw contributors so as to make the contributions appear as if they were legitimate.

On October 9, 2003, the Commission found reason to believe that Harold Massey, Sr. knowingly and willfully violated 2 U.S.C. § 441f by assisting Stipe in the making of excessive contributions in the names of others and entered pre-probable cause conciliation.
