RE: MUR 4821

Dear Attorney Turley:

Your letter dated October 21, 1998 was received by us on October 26, 1998 regarding MUR 4821. I have noted that my name appears twice on the report of gifts. Our book records show that we only made one contribution. A copy of the check is enclosed.

At the time, my son Robert was interested in helping Lazio. He requested that William Kargman and myself each contribute \$1,000.00 and he would also contribute \$1,000.00. At the time I was in Florida and I authorized William to sign my check as shown on the enclosed copy. It is possible that the record, which should have been \$1,000.00 from me, \$1,000.00 from Robert and \$1,000.00 from William, was made in error. The checks were all sent by Robert Kargman who is the head of Boston Land Company. I am not associated with Boston Land Company. I wonder if it could not be cleared by your finding that there were three checks from the Kargmans, one from Robert, one from William and one from me which should have been the case.

If you need more information, please let me know since I have ordered the bank to get copies of checks written from my account. It will take the bank a month to get those for me.

Yours very truly,

Max R. Kargman
