Re: Yogi Bhajan

Dear Mr. Turley:

Please be advised that this office represents Yogi Bhajan. We are in receipt of your letter and complaint dated October 30, 1998.

First, please be advised that we have reviewed our contribution records and it appears that all contributions made to the Udall campaign were within the permitted Federal Election guidelines.

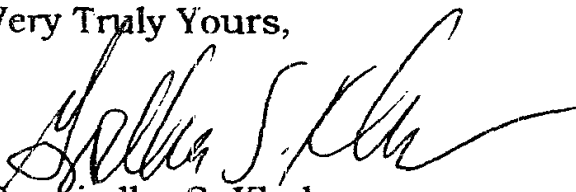

Second, we have been in contact with Mr. Udall's office and have been assured that they have reviewed and amended their records. They have indicated that the amendment to their records should remedy the allegations set forth in the complaint.

Finally, our review of the complaint does not reference any specific conduct on the part of Yogi Bhajan even though he has been named in the caption.

Please contact this office if you are in need of any additional information or if a more formal response to the complaint is required.

Thank you for your courtesy and cooperation.

Very Truly Yours,

Gurtjodha S. Khalsa  
Attorney at Law
