RECEIVED
FEDERAL ELECTION
COMMISSION

2002 JULY 22 A 11:58

SOURCE: AR 01-13 -- AUDIT REFERRAL
MUR 4831 -- COMPLAINT-GENERATED

COMPLAINANT: MUR 4831
John Hancock, Executive Director
Missouri Republican Party
(MUR 4831)

RESPONDENTS: Missouri Democratic State Committee and
Michael Kelley, as Treasurer

1 ("DSCC") and James Jordan, as treasurer, the Nixon Campaign Fund ("Nixon Committee") and
2 John C. Lanham, as treasurer, and Senate candidate Jeremiah "Jay" Nixon ("Nixon").²

3 MUR 4831 was generated by a complaint filed on October 15, 1998 by John Hancock,
4 the Executive Director of the Missouri Republican Party, that asserted that the MDSC, the DSCC
5 and the Nixon Committee engaged in an illegal tallying scheme in violation of reporting
6 requirements and contribution limits. The MDSC filed its response to the complaint on
7 December 11, 1998. The DSCC filed its response on December 3, 1998. Nixon's campaign
8 manager, Charles Hatfield, submitted an affidavit, apparently on behalf of Nixon and the Nixon
9 Committee on December 9, 1998. On June 6, 2000, the Commission decided to hold MUR 4831
10 in abeyance pending completion of the MDSC audit.

11 AR 01-13 arose from the audit of MDSC, undertaken by the Commission in accordance
12 with 2 U.S.C. § 438(b). The audit covered the period January 1, 1997 through December 31,
13 1998. The Commission approved the Final Audit Report on August 23, 2001. On September 13,
14 2001, the Audit Division referred two findings to the Office of General Counsel for potential
15 enforcement action: earmarked contributions and excessive coordinated party expenditures.

Finally, while

**Jeremiah "Jay" Nixon was identified as a respondent in MUR 4831, the complaint does not
allege any activity on his part in violation of the Act or the Commission's regulations.
Accordingly, pending the results of the investigation, this Office recommends that the
Commission take no action at this time concerning Jeremiah "Jay" Nixon.**
