Dear Mr. Turley:

RE: MUR 4836-Leif Vopnford

I am writing this on behalf of the above-named individual, who is my son. Leif is 14 years old, and a freshman in high school.

Leif contributed to the campaign fund of Don Stenberg. This donation came from his own bank account, and from his own funds. Several years prior to this event, we had been told that a minor child was able to make donations to a political fund if he or she had his or her own bank account and his or her own funds. That is precisely what happened.

Because of the forced bankruptcy of the business that Leif's father owned, and the fact that the office is closed and the files, including some of my personal files, are in storage in a warehouse, I do not have access to copies of his bank records. However, if this becomes a necessity, I will see what I can do, including contacting the bank for copies of their records.

I believe this should conclude the matter. If you find you have other questions, please feel free to contact us again.

Sincerely,

Barbara Vopnford, for
Leif Vopnford, her minor son

Barb Vopnford's [redacted] Leif, was the Freshman QB for his Blair Team. During his seven games this season, he passed for 515 yards. Eight of those passes resulted in touchdowns. He also scored four touchdowns on QB Sneaks, and scored eight two-point conversions. Leif also rushed for nearly 400 yards during his season. He also played defense, and had six interceptions during the year, along with four single tackles and several assisted tackles.
