RE: MUR 4862

I received your letter and information about the above complaint. I believe that no action should be taken against the Micki Johnson Account for the following reasons:

The candidate - Micki Johnson - received a telephone call advising her that Bob Dole would be in Las Vegas. She was invited to attend a breakfast where Dole was to speak and told that there would be a charge for the breakfast. When she arrived at the event she wrote a \$50 check to the Don Chairez Campaign, thinking that his campaign was handling the event, not that it was a fund-raiser for him.

I hope the above explanation answers any questions about this contribution, which was subsequently returned to the Micki Johnson Account by the Don Chairez Campaign..

Please contact me if you have any further questions.

Yours truly,

Carol A. Corbett
