- III. BACKGROUND:

- A. Receipt of Apparent Impermissible and Excessive Contributions from an Unregistered Organization, and Apparent Excessive Contributions Made to Federal Candidate Committees
- B. Excessive/Impermissible Contributions Made by an Unregistered Organization; Failure to Register and Report as a Political Committee

The Five Civilized Tribes Political Action Committee (a registered committee, "Five Tribes"), received apparent excessive/impermissible contributions in the amount of \$20,000 from Tribal Alliance (an unregistered organization, "Tribal Alliance") during calendar year 1996. The receipts were reported in the 1996 30 Day Post-General Report filed by Five Tribes. Five Tribes

has not yet transferred-out or refunded the funds, and Tribal Alliance has not registered as a political committee and filed reports.

Five Tribes also made two (2) apparent excessive contributions, totalling \$8,000 to two (2) federal candidate committees during calendar year 1996. The contributions were also reported in the 1996 30 Day Post-General Report filed by Five Tribes.

The 1996 30 Day Post-General Report of Five Tribes disclosed contributions from Tribal Alliance on March 22, 1996 of \$15,000, October 31, 1996 of \$5,000, and November 1, 1996 of \$5,000. This report also disclosed contributions to Darrell Roberts for \$5,000 on August 22, 1996, and Glenn Johnson for \$5,000 on October 2, 1996, both of whom were candidates in the 1996 elections in Oklahoma (Attachment 2).

On May 23, 1997 the Reports Analysis Division ("RAD") analyst sent Tribal Alliance a Registration Notice (Attachment 3). The Notice informed Tribal Alliance that contributions in excess of \$1,000 a year qualified it as a "political committee", subject to the registration, reporting, and other requirements of the Act. Additionally, the Notice stated that the Act precludes a political committee from making contributions in excess of \$5,000 per year to another political committee. The Notice also included two options that would bring Tribal Alliance into compliance with the Act: 1) submit a Statement of Organization, file disclosure reports, and obtain a contribution refund of the amount in excess of the limitations; or 2) receive a full contribution refund or direct the recipient committee to transfer the funds to an account not used to influence federal elections.

On June 12, 1997 a Second Notice was sent to Tribal Alliance for failure to respond (Attachment 4).

On May 28, 1997, a Request for Additional Information ("RFAI") was sent to Five Tribes for the 1996 30 Day Post-General Report.* The RFAI acknowledged the contributions from an unregistered organization and informed Five Tribes that the contributions appeared to exceed the \$5,000 per calendar year limit set forth in 2 U.S.C. §441a(f). The RFAI advised Five Tribes to either refund to the donor, or transfer-out to a non-federal account, the amount in excess of \$5,000; and to determine the extent to which the committee received funds that are

* The RFAI was returned and remailed, and the Second Notice was mailed to the address of Five Tribes' attorneys: 112 North Fifth Street, P.O. Box 357, Muskegee, OK 74402.

not permissible, and refund or transfer-out the prohibited funds. The RFAI also informed Five Tribes that a committee which is not a multicandidate committee is limited to a \$1,000 contribution per candidate, per election. The RFAI recommended Five Tribes request a refund and/or redesignate the excessive portion of the contributions (Attachment 5).

On July 10, 1997, a Second Notice was sent to Five Tribes for failure to respond to the RFAI (Attachment 6).

On July 15, 1997 the RAD analyst called and left a message for Ms. Terri Springer, the reported organization contact for Tribal Alliance, regarding her organization's contributions to Five Tribes. The analyst's message indicated that a reply to the Notice sent by the Commission was urgently needed and left a message for Ms. Springer to call if she had any questions (Attachment 7).

On July 16, 1997, Jim Wilcoxon, who identified himself as the former General Counsel for Five Tribes, called the analyst. Mr. Wilcoxon wanted to know what the problems were regarding Five Tribes. The analyst explained that Five Tribes had not responded to RFAIs sent regarding the 1996 30 Day Post-General and Year End Reports. The analyst also asked if he knew anything about Tribal Alliance because it has also not responded to Notices sent by the Commission and a response was needed immediately (Attachment 8).

On July 17, 1997, Bill Anoatubby, who identified himself as the Governor of The Chickasaw Nation, called the analyst. He was calling to discuss the problems involving the committees and asked what needed to be done. The analyst explained the problem and the options. Mr. Anoatubby indicated he would get a response to the Commission as soon as possible (Attachment 9).

On July 21, 1997, the Commission received a letter from Mr. Anoatubby indicating they had hired Rabon, Wolf & Rabon as counsel regarding the Five Tribes/Tribal Alliance matter and that they would be responding to the Commission notices (Attachment 10).

On August 2, 1997, the Commission received a letter from Mr. Wilcoxon, of Wilcoxon, Wilcoxon & Primomo, on behalf of Tribal Alliance explaining that his interpretation of the relevant statutes differed with the Commission's. He stated that the statute limitations did not apply to contributions made by Indian Tribes to political action committees (Attachment 11).

On August 4, 1997, the Commission received an additional response from Mr. Wilcoxon addressing the two apparent excessive contributions to the federal candidate committees. The response states, in part, "while no attempt has been made to qualify this committee for multi-candidate status, it is not believed that there were any federal contributions in excess of limitations." (Attachment 12).

No further responses have been received from either Five Tribes or Tribal Alliance.

WASHINGTON, D.C. 20463

MAY 23 1997

**c/o Terri Springer, Treasurer
Tribal Alliance for Sovereignty
47 Timber Creek
Shawnee, OK 74801**

Dear Ms. Springer:

This letter is prompted by the Commission's interest in assisting committees which may be subject to the registration and reporting requirements of the Federal Election Campaign Act ("the Act") but are not registered with the Commission.

The Act defines a "political committee" to include any committee, club, association, or other group of persons which receives contributions aggregating in excess of \$1,000 during a calendar year or which makes expenditures for the purpose of influencing any election for federal office aggregating in excess of \$1,000 during a calendar year. 2 U.S.C. §431(4)

In addition, the Act precludes a political committee from making a contribution to another political committee which in the aggregate exceeds \$5,000 in a calendar year. 2 U.S.C. §§441a(a)(1)(C) and (2)(C)

A review of the receipts reported by the Five Civilized Tribes Political Action Committee indicates that your organization may have made an excessive contribution to a political committee during the calendar year 1996. This activity may qualify your organization as a "political committee" subject to the registration, reporting and other requirements of the Act. A copy of the receipt schedule(s) which list your organization's contribution(s) is enclosed for your review.

In order to be in compliance with the Act, your organization must either:

- 1) submit a Statement of Organization, file disclosure reports on FEC FORM 3X, and obtain a contribution refund of the amount in excess of the limitations (relevant informational materials and forms are enclosed); or**

- 2) receive a full contribution refund or direct the recipient committee(s) to transfer the funds to an account not used to influence federal elections.

The second alternative noted above should be followed if your organization does not wish to register and file disclosure reports, or if the contributions or expenditures by your organization were from an account containing corporate or union funds.

If you believe that your organization is not a political committee, has not made excessive contributions to a federal candidate, or the Commission is otherwise in error, please submit documentation which will clarify this matter. Although the Commission may take further legal steps concerning this matter, your prompt action will be taken into consideration.

Please notify the Commission within fifteen (15) days from the date of this letter of your decision on this matter. If you have any questions, please contact me on the agency's toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Dear Mr. Haney:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Political committees which have cash on hand at the time of registration must disclose the source of the funds. The balance is assumed to be composed of those contributions most recently received by the committee prior to registration. Please identify the source of these contributions on a memo Schedule A. 11 CFR §104.12

-Please provide the total(s) for Line 11(d), Column A of the Detailed Summary Page. Note that changes in your figures may affect your Column B totals on this report and/or on subsequent reports.

-Your report discloses activity that falls outside the reporting period. Please amend this report by including only the financial transactions that occurred between 10/17/96 and 11/25/96. Any activity occurring outside this reporting period should be included in the appropriate report(s). 2 U.S.C. §434(b)

-Schedule A of your report discloses a contribution(s) from an organization which is not a political committee registered with the Commission (pertinent portion(s) attached). In addition, the contribution appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) precludes a

**FIVE CIVILIZED TRIBES POLITICAL ACTION COMMITTEE
PAGE 2**

political committee from receiving contributions from a person or another committee in excess of \$5,000 in a calendar year. Also, in order to make contributions to your committee, organizations which are not political committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution. 11 CFR §102.5(b)

If your committee does not finance non-federal activity, the receipt of the referenced contribution(s) may violate the limitations and prohibitions of 2 U.S.C. §§441a(f) and 441b. If your committee engages in both federal and non-federal activity, either through a separate non-federal account, or one account that finances activity in connection with both federal and non-federal elections, your committee may be in violation of 11 CFR §102.5(a).

In order to be in compliance with the Act, your committee must: 1) refund to the donor, or transfer-out to a non-federal account, the amount in excess of \$5,000 and 2) determine the extent to which your committee received funds that are not permissible, and refund or transfer-out the prohibited funds.

If you choose to transfer the funds to an account not used to influence federal elections, the Commission advises that you inform the contributor in writing and provide the contributor with the option of receiving a refund. You may wish to seek a written authorization (either before or after the transfer-out) from the donor for any transfer-out to protect the donor's interests.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. Should you choose to transfer-out or refund the funds, the Commission will presume the funds were impermissible, absent a statement from your committee to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which they are made.

**FIVE CIVILIZED TRIBES POLITICAL ACTION COMMITTEE
PAGE 3**

Although the Commission may take further legal action concerning the acceptance of prohibited and excessive contribution(s), your prompt refund or transfer-out will be taken into consideration.

-Schedule B of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) precludes a political committee, other than a multi-candidate committee, from making a contribution to a candidate for federal office in excess of \$1,000 per election. Please refer to the Campaign Guide for information on how a committee qualifies for multicandidate status.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should notify the recipient and request a refund of the amount in excess of \$1,000 and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the candidate(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Your report discloses \$10,000 in disbursements. Please clarify the category of disbursements on the Detailed Summary Page of your report.

-For future filings, please note that your committee need only file the pages on which you have itemized activity. Schedules with no activity may be omitted.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Re: Tribal Alliance for Sovereignty

Dear Mr. Andre':

Please accept this letter as the response of the Tribal Alliance for Sovereignty to your attached inquiry. We apologize for this late response.

Your letter references 2 U.S.C. §431(4) regarding the definition of political committees for the purpose of receiving or making expenditures in excess of \$1,000.00 during a calendar year. The letter also makes reference to U.S.C. §5441a(a)(1)(C) regarding (2)(C) contributions in excess of the sum of \$5,000.00 in a calendar year. Please be advised that the Schedule A attached to your letter which discloses the total sum of \$25,000.00 contributed to the Five Civilized Tribes Political Action Committee during the calendar year of 1996 is accurate. We do however respectfully disagree with your interpretation of the statutes cited.

The Tribal Alliance for Sovereignty is an informal association of the leaders of the Five Civilized Tribes located in Oklahoma. They are associated in their representative capacities for the Cherokee, Choctaw, Chickasaw, Creek and Seminole Nations. The purpose of the association is to promote tribal sovereignty through public awareness and perception. It is not now nor was it ever intended to be a political action committee as defined by federal law.

No where in the statutes cited by you does Congress declare the limitations as being applicable to contributions made by Indian tribes to political action committees. The members of the Alliance believe that before those contribution statutes can be read to include American Indian tribes, Congress must state so explicitly. For example, in the case of E.E.O.C. v. Cherokee Nation, 871 F.2d 937, (10th Cir. 1989) the Court held that the extremely broad provisions of the Age Discrimination in Employment Act did not cover Indian tribes. The Court's holding turned upon the fact that

Congress had not explicitly worded the act to include Indian tribes and to do so would interfere with the treaty protected right of the Cherokee Nation to self-government.

The Alliance members stand ready to discuss these issues with the Federal Election Commission. The registration of the Five Civilized Tribes Political Action Committee was undertaken in an effort to cooperate. However, it is not believed that it would be necessary for any American Indian tribe to form a political action committee and thereby register with this Commission regarding contributions made to other political action committees or to candidates for political office. As such, the Alliance does not believe that it is an organization which is considered a political committee as defined by federal law nor was it the intent of Congress to regulate an entity such as the Alliance when the same is made up solely of American Indian tribes.

If you have any questions, please advise.

Sincerely,

WILCOXEN, WILCOXEN & PRIMOMO

Re: Five Civilized Tribes Action Committee

Dear Mr. Andre':

This letter is in response to your letter of May 28, 1997. You inquire as to the source of cash on hand at time of registration. Please find attached Schedule A disclosing the \$3,000.00 cash on hand at time of filing. It is believed this money is an aggregate sum of smaller individual contributions. In any event we are attempting to verify same.

You next inquire about providing totals for Line 11(d) in Column A of the Detail Summary Page. Those totals have now been provided. We are filing an amended report to reflect these changes.

Your next concern is that this report discloses activity outside of the reporting period. Please be advised that a separate report has been filed for the period of 11/26/96 through years end. A copy of that report is provided for your consideration.

You inquire about contributions from an organization which is not a political committee registered with the Commission. I presume you are referring to the Tribal Alliance for Sovereignty. Our position regarding the Tribal Alliance has been addressed under separate letter of this date. Again, we do not believe that the regulations to which you refer intend to regulate American Indian tribes.

Your next concern again addresses contribution limitations and whether or not this Committee engaged in both federal and non-

federal activity. Please be advised that separate federal and non-federal accounts were maintained for contributions to federal and state political offices pursuant to your regulations.

You address the need to make a transfer out or refund of amounts in excess of \$5,000.00. My review of the records of this Committee reveals that no contributions were made to federal political candidates in excess of the applicable limits. You also inquire about the \$1,000.00 per contribution limitation regarding federal candidates for office unless the committee qualifies for multi-candidate status. While no attempt has been made to qualify this committee for multi-candidate status, it is not believed that there were any federal contributions in excess of limitations.

Your last concern addresses \$10,000.00 in disbursements which you wish classified. We believe that the disbursements have been disclosed on the report. We believe that all the disbursements have been categorized. However, if you need further information, please advise.

Sincerely,

WILCOXEN, WILCOXEN & PRIMOMO
